Note: From 1953 through 1987, after each regular session of the Legislative Assembly the Legislative Counsel distributed ORS replacement parts that included the comparative section table covering only that regular session and accompanying special sessions. Prior years' tables were not updated to reflect actions taken in editing the current year's statutes. For example, a 1983 session law section published as a note after ORS 123.456 would be given a "Temp" designation, followed by a parenthetical "(123.456)" in the 1983 table. If the section was codified in 1987, the 1983 table would not be updated. Beginning with publication of the 1989 statutes, the Legislative Counsel published after each regular session an entirely new ORS edition that included updated prior tables to reflect the current year's editing actions. In the example here, if the 1983 section was codified in 1991 as 123.458, the Legislative Counsel would delete the "(123.456)" and change the "Temp" designation to "123.458."		12.....	1.....Appn	47.....	3.....Emer	7.....	128.175

	<p>Oregon Laws 1982 (Second Special Session)</p> <p>Note: From 1953 through 1987, after each regular session of the Legislative Assembly the Legislative Counsel distributed ORS replacement parts that included the comparative section table covering only that regular session and accompanying special ses-</p>		<p>sions. Prior years' tables were not updated to reflect actions taken in editing the current year's statutes. For example, a 1983 session law section published as a note after ORS 123.456 would be given a "Temp" designation, followed by a parenthetical "(123.456)" in the 1983 table. If the section was codified in 1987, the 1983 table would not be up-</p>		<p>dated. Beginning with publication of the 1989 statutes, the Legislative Counsel published after each regular session an entirely new ORS edition that included updated prior tables to reflect the current year's editing actions. In the example here, if the 1983 section was codified in 1991 as 123.458, the Legislative Counsel would delete the</p>		<p>"(123.456)" and change the "Temp" designation to "123.458."</p> <p>1.....14.....Appn  5.....327.410  6.....Eff  7.....Emer  2.....1.....Temp  3.....1.....Add  2-5.....Temp  6.....Emer  4.....1,2.....Temp  3.....Emer</p>

In the example here, if the 1983 section was codified in 1991 as 123.458, the Legislative Counsel would delete the "(123.456)" and change the "Temp" designation to "123.458."		proposed amendment failed and this chapter has not been compiled.		24.....	457.430

For example, a 1983 session law section published as a note after ORS 123.456 would be given a "Temp" designation, followed by a parenthetical "(123.456)" in the 1983 table. If the section was codified in 1987, the 1983 table would not be updated. Beginning with publication of the 1989 statutes, the Legislative		1.....1.....	342.934	4.....1-8.....Temp		25.....	457.440

Oregon Laws 1995		19.....	316.102	7.....	461.540	23.....	Eff/Op
Note: When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.		20.....	260.083	8,9.....	Eff/Op	32.....1.....	672.525
When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative sections table to determine if the section has been codified or appears as a note before or after an ORS section.		21.....	260.165	13.....1-3.....	Appn/Lim/Alloc	33.....1.....	672.002
When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates the ORS number has been renumbered.		22,23.....	Temp	4.....	Temp	2.....	672.020
When a chapter or section number in the ORS column appears in bold-faced type, the ORS number was assigned editorially, not by legislative action. Example:		24.....	Eff/Op	5.....	Appn/Lim/Alloc	3.....	672.025

OREGON LAWS 1995 (Special Session)

Chap. Sec.	ORS	Chap. Sec.	ORS	Chap. Sec.	ORS	Chap. Sec.	ORS
Oregon Laws 1995 (Special Session)		When a chapter or section number in the ORS column appears in bold-faced type, the ORS number was assigned editorially, not by legislative action. Example:		7.....	<b>391.200</b>	37a.....	<b>468B.222</b>
Note: When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.		659.100 Legislatively added to ORS chapter 659, editorially assigned section number 100.		8.....	<b>391.175</b>	37b.....	<b>468B.224</b>
When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative sections table to determine if the section has been codified or appears as a note before or after an ORS section.		659.100 Editorially assigned ORS chapter and section number.		9.....	<b>391.205</b>	37c.....	<b>468B.226</b>
When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates the ORS number has been renumbered.		659.100 Amends existing ORS section.		10.....	Temp	38.....	Add

# OREGON LAWS 1999

The following tables show where the statutes enacted by the Seventieth Oregon Legislative Assembly are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. It's possible that the note will not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date
Emer.....	Emergency clause
Ref.....	Referendum provision
Rej.....	Rejected by the people
Rpld.....	Repealed by provision in current session
Rplg.....	Repealing provision
Sav.....	Saving clause
Sep.....	Separability clause
Spec.....	Special statute
Sunset.....	Sunset provision
Temp.....	Temporary provision

# OREGON LAWS 2001

The following tables show where the statutes enacted by the Seventy-first Oregon Legislative Assembly are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. It's possible that the note will not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date
Emer.....	Emergency clause
Ref.....	Referendum provision
Rej.....	Rejected by the people
Rpld.....	Repealed by provision in current session
Rplg.....	Repealing provision
Sav.....	Saving clause
Sep.....	Separability clause
Spec.....	Special statute
Sunset.....	Sunset provision
Temp.....	Temporary provision
Val.....	Validating provision

# OREGON LAWS 2002 (First Special Session)

The following tables show where the statutes enacted by the Seventy-first Oregon Legislative Assembly in the 2002 first special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. It's possible that the note will not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date
Emer.....	Emergency clause
Ref.....	Referendum provision
Rej.....	Rejected by the people
Rpld.....	Repealed by provision in current session
Rplg.....	Repealing provision

# OREGON LAWS 2002 (Second Special Session)

The following tables show where the statutes enacted by the Seventy-first Oregon Legislative Assembly in the 2002 second special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. It's possible that the note will not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

- 659.100..... Legislatively added to ORS chapter 659, editorially assigned section number 100
- 659.100**..... Editorially assigned ORS chapter and section number
- 659.100..... Amends existing ORS section
- Add..... Adds new section to existing series, chapter or title
- Applic..... Sets applicability date
- Appn/Lim/Alloc..... Appropriates moneys, limits expenditures or allocates certain funds
- Aud..... Auditing clause
- Deleted..... Deleted by amendment during session
- Eff/Op..... Sets delayed effective or operative date
- Emer..... Emergency clause

# OREGON LAWS 2005

The following tables show where the statutes enacted by the Seventy-third Oregon Legislative Assembly are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date
Emer.....	Emergency clause
Ref.....	Referendum provision
Rej.....	Rejected by the people
Rpld.....	Repealed by provision in current session
Rplg.....	Repealing provision

# OREGON LAWS 2006 (Special Session)

The following tables show where the statutes enacted by the Seventy-third Oregon Legislative Assembly in the 2006 special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section

# OREGON LAWS 2008 (Special Session)

The following tables show where the statutes enacted by the Seventy-fourth Oregon Legislative Assembly in the 2008 special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section

# OREGON LAWS 2009

The following tables show where the statutes enacted by the Seventy-fifth Oregon Legislative Assembly are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date

Ref.....	Referendum provision
Rej.....	Rejected by the people

# OREGON LAWS 2010 (Special Session)

The following tables show where the statutes enacted by the Seventy-fifth Oregon Legislative Assembly in the 2010 special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date
Emer.....	Emergency clause
Ref.....	Referendum provision
Rej.....	Rejected by the people
Rpld.....	Repealed by provision in current session
Rplg.....	Repealing provision
Sav.....	Saving clause
Sep.....	Separability clause
Spec.....	Special statute
Sunset.....	Sunset provision

# OREGON LAWS 2011

The following tables show where the statutes enacted by the Seventh-sixth Oregon Legislative Assembly in the 2011 regular session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
Aud.....	Auditing clause
Deleted.....	Deleted by amendment during session
Eff/Op.....	Sets delayed effective or operative date
Emer.....	Emergency clause
Ref.....	Referendum provision
Rej.....	Rejected by the people
Rpld.....	Repealed by provision in current session
Rplg.....	Repealing provision
Sav.....	Saving clause
Sep.....	Separability clause
Spec.....	Special statute
Sunset.....	Sunset provision
Temp.....	Temporary provision
Val.....	Validating provision

# OREGON LAWS 2012

The following tables show where the statutes enacted by the Seventy-sixth Oregon Legislative Assembly in the 2012 regular session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100

# OREGON LAWS 2012 (Special Session)

The following tables show where the statutes enacted by the Seventy-sixth Oregon Legislative Assembly in the 2012 special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number

# OREGON LAWS 2013 (Special Session)

The following tables show where the statutes enacted by the Seventy-seventh Oregon Legislative Assembly in the 2013 special session are compiled in the Oregon Revised Statutes.

When a section number or chapter number in the ORS column appears in parentheses following the disposition of an otherwise uncodified section, the section or sections in the left column have been compiled as notes either directly before or after that ORS section. The note may not appear in subsequent editions.

When an Oregon Laws section appears in the ORS column, refer to the appropriate comparative section table to determine if the section has been codified or appears as a note before or after an ORS section.

When an ORS number is followed by the abbreviation "Rnbrd" and a new ORS number in parentheses, it indicates that the ORS number has been renumbered.

When a chapter or section number in the ORS column appears in boldfaced type, the ORS number was assigned editorially, not by legislative action. Examples of this and explanations of other terms used in the tables are as follows:

659.100.....	Legislatively added to ORS chapter 659, editorially assigned section number 100
<b>659.100</b> .....	Editorially assigned ORS chapter and section number
659.100.....	Amends existing ORS section
Add.....	Adds new section to existing series, chapter or title
Applic.....	Sets applicability date
Appn/Lim/Alloc.....	Appropriates moneys, limits expenditures or allocates certain funds
