<u>HB 3199 C-Eng.</u>	<u>HREV</u>	Concur	1/1/0001	Barnhart
-----------------------	-------------	--------	----------	----------

Agency: Department of Administrative Services House Bill 3199 establishes in statute the process for issuing State of Oregon general obligation bonds authorized under Article XI-F(1) and Article XI-G of the Oregon constitution for public university capital projects. Under the provisions of Senate Bill 270 (2013) that shifted the state's seven public universities from the Oregon University System to control by their own independent boards, the universities may continue to request the Legislative Assembly to authorize the issuance of bonds to finance capital projects. However, as the universities no longer constitute a state agency, a new statutory framework is required to verify compliance with the requirements of the constitution before the State Treasurer can issue bonds that have been approved by the legislature. The bill establishes a process to ensure compliance with the requirements of the constitution as well as federal tax law. (Senate Vote: Aye 27, Nays 2)
