Additional Radio Stations to Broadcast Rep. Bentz's Weekly Radio Show

ONTARIO—Beginning in January, Oregon State Representative Cliff Bentz's (R-Ontario) radio show, the "Eastern Oregon Legislative Update," ("Update") will be broadcast on two additional Eastern Oregon radio stations: KLBM 1450 AM Baker City/La Grande and KBKR 1490 AM also in Baker City/ La Grande.

The weekly Update is now in its eighth year of being hosted by Rep. Bentz and Disc Jockey Dale Jeffries. The show, which runs for about 30 minutes, includes a brief review of current events in Salem and a 20-25 minute discussion with a weekly guest. Noteworthy guests include Governors, Congressman Walden, the Attorney General, the State Treasurer, the Secretary of State, various State Representatives, U. S. Senators, State Department Directors, and the executive directors of statewide organizations.

Rep. Bentz said, "It is great to be able to bring this radio show, and its many interesting guests, to the listeners in Eastern Oregon. My predecessor, Rep. Tom Butler, started the show more than 15 years ago in an effort to keep Eastern Oregon better informed about the workings of state government. We have been extremely fortunate to have the excellent help of Dale Jefferies, all these years, making it possible to continue and expand the show into markets such as Baker City and La Grande. The guests we have on the show want to be heard in Eastern Oregon, and the addition of these two stations will help enormously in accomplishing that purpose.
