## Rep. Bentz Appointed to Additional Committees

On Wednesday, February 6, House Speaker Tina Kotek (D-Portland) appointed Rep. Cliff Bentz (R-Ontario) as Co-Chair of the Joint Committee on the I-5 Bridge Replacement Project and to the Joint Committee on Legislative Counsel.

“I welcome these appointments. The issues these committees must deal with are important and deserve thoughtful consideration. The I-5 Bridge plays a critical role in Oregon’s economy. Having worked on the I-5 Bridge Replacement Project for several years, I am aware of the significant complexities that are involved and I look forward to continuing to work toward their resolution,” Rep. Bentz said.

“Additionally, having practiced law for 36 years, I understand what policies and procedures the Office of Legislative Counsel must consider to best utilize and manage the staff of legislative attorneys. I look forward to working with the Office throughout this session.”
