[Amended by 2010 c.98 §1]

171.015 Emergency legislative sessions; procedure for determining legislators' request for or refusal of emergency sessions; time and manner of convening sessions. (1) When a majority of the members of each house of the Legislative Assembly has cause to believe that an emergency exists and so notifies the presiding officers of each house in the manner described in this section, the presiding officers shall invoke section 10a, Article IV of the Oregon Constitution.

(2) Members of the Legislative Assembly may give notice of intent to invoke the provisions of subsection (1) of this section by filing written notice thereof with the Legislative Administrator. The notice shall be accompanied by a written statement giving justification of the need for a special session. The filing may be signed by more than one member of each house but must be signed by at least one member of each house.

(3) Upon receipt of a properly signed notice and statement described in subsection (2) of this section, the Legislative Administrator shall send to each member of the Legislative Assembly a form to be signed and returned by the member indicating whether the member requests a special session or does not so request. The form shall be as prescribed by the Legislative Administration Committee and shall contain the text of this section, the names of the members who filed the notice, and the text of the accompanying statement. The form shall be dated and shall bear the date 14 days later, computed as provided in subsection (7) of this section, by 5 p.m. on which date the form must be returned to the Secretary of the Senate or the Chief Clerk of the House of Representatives, respectively, or the person designated to serve in that capacity in order to be counted in determining whether the minimum requisite number of signatures requesting a special session has been obtained. The form sent to the members shall be sent by certified mail, addressee only, return receipt requested.

(4) The return of the signed form by a member to the Secretary of the Senate or the Chief Clerk of the House of Representatives

or person designated to serve in that capacity constitutes an irrevocable request for or refusal of the special session requested by the members filing under subsection (2) of this section and described in the form.

(5) The Secretary of the Senate and the Chief Clerk of the House of Representatives, respectively, or the person designated to serve in that capacity shall verify the signatures in the return form and tally the requests and refusals, note the date and time of the receipt of each returned form. When each receives the requisite minimum number of signed forms agreeing to the special session from members of the house of which the person is an officer, each immediately shall notify the presiding officer of each house.

(6) Upon receiving notice from the Secretary of the Senate and the Chief Clerk of the House of Representatives or the person designated to serve in that capacity that the minimum requisite number of signed requests for a special session has been received and verified for both houses, the presiding officers jointly shall convene the Legislative Assembly into emergency session by joint proclamation, fixing the date thereof. The date must be within five days after receipt by the presiding officers of the notice from the Secretary of the Senate and Chief Clerk of the House of Representatives. The original of the proclamations shall be filed with the Secretary of State.

(7) The period of time for purposes of subsection (3) of this section shall be computed by excluding the first day and including the last day unless the last day falls on any legal holiday or on Saturday, in which case the last day is also excluded. The period of time for purposes of subsection (6) of this section shall be computed by beginning on the day after which the presiding officers receive the notice described in subsection (6) of this section and ending five days later, regardless of legal holidays or Saturdays. (1) When any vacancy occurs in the Legislative Assembly due to death or recall or by reason of resignation filed in writing with the Secretary of State or a person is declared disqualified by the house to which the person was elected, the vacancy shall be filled by appointment if:

(2) The person appointed under the provisions of subsection (1) of this section shall be a citizen qualified to hold the office, an elector of the affected legislative district and a member of the same political party for at least 180 days before the date on which the vacancy occurred. The political affiliation of a person appointed under subsection (1) of this section shall be determined under ORS 236.100. The appointment shall be made by the county courts or boards of county commissioners of the affected counties pursuant to ORS 171.060 to 171.064. When the pro-

visions of ORS 171.060 (1) are applicable, the appointment shall be made from a list of not fewer than three nor more than five nominees who have signed written statements indicating that they are willing to serve furnished by the Secretary of State. If fewer than three names of nominees are furnished, a list shall not be considered to have been submitted and the county courts or boards of county commissioners shall fill the vacancy. The vacancy must be filled by appointment within 30 days after its occurrence or not later than the time set for the convening of the special session described in subsection (1)(e) of this section when that is the basis for filling the vacancy.

(3) If the appointing authority required by this section to fill the vacancy does not do so within the time allowed, the Governor shall fill the vacancy by appointment within 10 days.

(5) Candidates for the remaining two years of the term of office of a state Senator under subsection (4) of this section shall be nominated as provided in ORS chapter 249 except as follows:

(b) The Secretary of State shall accept certificates of nomination and notifications of nominees selected by party rule and filed with the secretary pursuant to a schedule for filing set by the Secretary of State but in any case not later than the 62nd day before the first general election.

(6) The remaining two years of the term of office of a state Senator under subsection (4) of this section will commence on the second Monday in January following the general election. Any appointment under the provisions of subsection (1)(c) of this section shall expire when a successor to the office is elected and qualified. 171.060 Procedure for filling vacancy by appointment. (1) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative affiliated with a major political party and that vacancy

is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the person designated by the party to receive such notice. The party shall pursuant to party rule nominate not fewer than three nor more than five qualified persons to fill the vacancy. The nominating procedure shall reflect the principle of one-person, one-vote to accord voting weight in proportion to the number of party members represented. At the request of a party making a nomination, the county clerks of each county constituting the district in which the vacancy exists shall assist the party in determining the number of electors registered as members of the party in the district. A person shall not be nominated to fill the vacancy unless the person signs a written statement indicating that the person is willing to serve in the office of Senator or Representative. As soon as the nominees have been appointed, but no later than 20 days after the vacancy occurs, the party shall notify the Secretary of State of the persons nominated. The notification shall be accompanied by the signed written statement of each nominee indicating that the nominee is willing to serve in the office of Senator or Representative. The Secretary of State shall notify the county courts or boards of county commissioners of the counties constituting the district in which the vacancy exists of the nominees and of the number of votes apportioned to each member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of State shall set a time for the meeting of the county courts or boards of county commissioners in order to fill the vacancy and by rule shall establish procedures for the conduct of the meeting. If the district is composed of more than one county, the Secretary of State shall name a temporary chairperson and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of filling the vacancy, pursuant to ORS 171.051 (2).

(2) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative not affiliated with a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the county courts or boards of county commissioners of the counties constituting the district in which the vacancy occurs of the vacancy and of the number of votes apportioned to each member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of State shall set a time for a meeting of the county courts or boards of county commissioners and by rule

shall establish procedures for the conduct of the meeting. If the district is composed of more than one county, the Secretary of State shall name a temporary chairperson and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of appointing a person to fill the vacancy.

(3) A written statement signed by a majority of those qualified to vote upon the filling of any vacancy naming the person selected to fill the vacancy and directed to the Secretary of State is conclusive evidence of the filling of the vacancy by the appointing authority named therein. [Amended by 1955 c.211 §6; 1973 c.773 §2; 1975 c.779 §2; 1977 c.302 §1; 1985 c.771 §2; 1987 c.380 §2; 1989 c.207 §2; 1993 c.797 §17]

171.062 Filling vacancies in multi-county legislative districts. (1) When a legislative district in which a vacancy occurs encompasses two or more counties, each county shall be entitled to one vote for each 1,000 of its electors or major fraction thereof residing within the legislative district at the time the vacancy occurs. However, any county having electors in the district shall be entitled to at least one vote.

(2) A major fraction of electors shall be a number greater than 500 but less than 1,000. [Formerly 248.175]

171.064 Apportioning votes for filling vacancies in multicounty legislative districts. The number of votes apportioned to each county commissioner in filling a legislative vacancy shall be equal to the total number allotted to the respective county of the county commissioner in the manner set forth in ORS 171.062 divided by the total number of county commissioners of the respective county. [Formerly 248.180]

171.068 Procedure when vacancy filled after reapportionment. (1) For purposes of ORS 171.060, 171.062 and 171.064, the county court or the board of county commissioners which shall fill the vacancy in the Legislative Assembly in a district created by reapportionment shall be the county court or board of county commissioners of each county any part of which is in the district that is created by the reapportionment and includes the residence from which the former Senator or Representative was elected.

(2) Each person nominated by a major political party to fill a vacancy in the Legislative Assembly occurring as described by ORS 171.051 in a district created by reapportionment must be registered to vote in the district from which the former Senator or Representative was elected and must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred.

(3) This section shall apply only to a vacancy in the Legislative Assembly occurring after the primary election next following reapportionment and before a person has been elected and qualified to fill the vacancy. (1) It is the purpose and intent of the Legislative Assembly in enacting this section and ORS 171.122 and 171.125 that, subject to the conditions set forth in these sections, any member of the Legislative Assembly whose employment is interrupted because of attendance at regular or special sessions of the Legislative Assembly or the performance of official duties as a member of the Legislative Assembly shall be restored to the employment status the member would have enjoyed if the member had continued in employment during any such attendance or performance of duties.

(2) As a part of the public policy to encourage public service, an employer may not discharge or threaten to discharge, intimidate or coerce any employee by reason of the employee's service or scheduled service as a member or prospective member of the Legislative Assembly.

(3) The member or prospective member may not be subject to discipline or harassment or placed at any employment disadvantage as a consequence of the leave of absence. It is an unlawful employment practice under ORS chapter 659A for a member or prospective member to be subject to discipline or harassment or placed at any employment disadvantage as a consequence of any leave of absence related to regular or special session attendance or duties. 171.122 Rights and benefits of legislators and prospective legislators in relation to their regular employment.

(1) Any member or prospective member of the Legislative Assembly who leaves regular employment in order to attend upon any regular or special session of the Legislative Assembly or to perform official duties as a member or prospective member of the Legislative Assembly for which the member or prospective member may receive a per diem under ORS 171.072 or may receive reimbursements for out-of-state travel, shall be granted a leave of absence from such regular employment position for such period of time as is reasonably necessary to permit such attendance or performance of duties.

(2) A member or prospective member of the Legislative Assembly shall give notice to the employer when the leave of absence described in subsection (1) of this section is anticipated or is to be taken:

(a) At least 30 days before a regular session; and

(3) The regular employment position of a member or prospective member on leave of absence under this section shall only be deemed vacant for the period of such leave of absence, and the member or prospective member shall not be subject to removal or discharge from such position as a consequence of such leave of absence.

(4) Upon the termination of the leave of absence of the member or prospective member under this section, a member or prospective member shall be restored to the regular employment position the member or prospective member held immediately prior to the first day of the leave of absence if such position still exists, or, if such position does not still exist, to as similar a position as possible, without loss of seniority, the right to participate in insurance or any other employment benefits, other than wages for services not rendered during the leave of absence, as a consequence of the leave of absence of the member or prospective member. Such seniority, right to participate in insurance or other employment benefits shall continue to accumulate during the leave of absence as though the member or prospective member had continued in employment continuously in the regular employment position the member or prospective member held immediately prior to the first day of the leave of absence of the member or prospective member.

(c) The member or prospective member fails to apply for restoration to employment within:

(A) Fifteen days after adjournment sine die of the Legislative Assembly following a regular session; or

(B) If the leave was for a lesser period for another legislative assignment, five days after the assignment is completed.

(d) The regular employment position of the member or prospective member immediately prior to the first day of the leave of absence or the character, terms, conditions or activities of such position are incompatible under the Constitution and laws of this state with the office of member of the Legislative Assembly.

(e) Employment is on a temporary basis.

(f) The employer employs fewer than 10 persons immediately prior to the first day of the leave of absence.

(6) As used in this section, "prospective member" means a person who is certified or appointed to serve in the Legislative Assembly but who has not taken the oath of office. [1957 c.549 §2; 1989 c.1066 §1; 1991 c.454 §2]

171.125 Proceeding to require compliance with ORS 171.120 and 171.122. (1) If any employer fails to comply with the provisions of ORS 171.120 and 171.122, the circuit court for any county in which such employer maintains a place of business has jurisdiction, upon the filing of a petition by the Attorney General on behalf of the person entitled to such benefits by reason of non-compliance of the employer, specifically to require the employer to comply with the provisions of ORS 171.120 and 171.122.

(2) If any employer fails to comply with ORS 171.120 and 171.122, the member or prospective member may bring an action under ORS chapter 659A employing counsel of the member's or prospective member's own choosing. [1957 c.549 §3; 1989 c.1066 §3; 1991 c.454 §3; 2001 c.621 §70]

(5) The Legislative Counsel shall order each measure filed pursuant to subsections (1) to (4) of this section prepared for printing and may order the measure printed. If the person filing a measure specifically requests in writing that the measure be made available for distribution, the Legislative Counsel shall order the measure printed and shall make copies of the printed measure available for distribution before the beginning of the

session to members and members-elect and to others upon request.

(6) Copies of all measures filed and prepared for printing or printed pursuant to this section shall be forwarded by the Legislative Counsel to the chief clerk of the house designated by the person filing the measure for introduction.

(7) The costs of carrying out this section shall be paid out of the money appropriated for the expenses of that session of the Legislative Assembly for which the measure is to be printed.

(8) The Legislative Counsel Committee may adopt rules or policies to accomplish the purpose of this section.

(9) This section does not affect any law or any rule of the Legislative Assembly or either house thereof relating to the introduction of legislative measures. [1961 c.167 §17; 1969 c.374 §1; 1971 c.638 §1; 1981 c.517 §15; 1999 c.1074 §1; 2001 c.45 §1; 2011 c.545 §1; 2011 c.731 §4]

STUDIES OF MANDATED HEALTH COVERAGE

171.870 Legislative findings. (1) The Legislative Assembly takes notice of the increasing number of legislative proposals for mandating certain health coverages, whether such proposals mandate payments for certain providers of health care or mandate the offering of health coverages by insurance carriers and health care service contractors as a component of individual or group policies. Improved access to these health care services to segments of the population who desire them may provide social and health consequences that are beneficial and in the public interest.

(2) The Legislative Assembly also takes notice of the fact that the cost ramifications of expanding health coverages is resulting in a growing public concern. The way that the coverages are structured and the steps taken to create incentives to provide cost-effective services or to take advantage of features of services that offset costs can significantly affect the cost of mandating particular coverages.

(3) The Legislative Assembly hereby finds and declares the following:

(a) The merits of a particular coverage mandate must be balanced against a variety of consequences that may go far beyond the immediate effect upon the cost of insurance coverage.

(b) A systematic review of legislation proposing mandated or mandatorily offered health coverage that explores all ramifications of the proposed legislation will assist the Legislative Assembly determining whether mandating a particular coverage or offering is in the public interest. [1985 c.747 §55]

171.875 Report required to accompany measures proposing mandated coverage. Every proposed legislative measure that mandates a health insurance coverage, whether by requiring payment for certain providers or by requiring an offering of a health insurance coverage by an insurer or health care service contractor as a component of individual or group health insurance policies, shall be accompanied by a report that assesses both the social and financial effects of the coverage in the manner provided in ORS 171.880, including the efficacy of the treatment or service proposed. The report may be prepared either by the chief sponsor or by any other proponent of the proposed measure. The report shall be submitted with the proposed measure when the proposed measure is submitted for filing, and shall be in writing and be a public record. [1985 c.747 §56]

171.880 Content of report. The report required under ORS 171.875, to the extent that information is available, shall include but need not be limited to the following:

(1) Answers to the following questions concerning the social effect of the proposed measure:

(a) To what extent is the treatment or service used by the general population of Oregon?

(b) To what extent is the insurance coverage already generally available in Oregon?

(c) What proportion of the population of Oregon already has such coverage?

(d) To what extent does the lack of coverage result in financial hardship in Oregon?

(e) What evidence exists to document the medical need in Oregon for the proposed treatment or services?

(2) Answers to the following questions concerning the financial effect of the proposed measure:

(a) To what extent is the coverage expected to increase or decrease the cost of treatment or services?

(b) To what extent is the coverage expected to increase the use of the treatment or services?

(c) To what extent is the mandated treatment or services expected to be a substitute for more expensive treatment or services?

(d) To what extent is the coverage expected to increase or decrease the administrative expenses of insurance companies and the premium and administrative expenses of policyholders?

(e) What will be the effect of this coverage on the total cost of health care? [1985 c.747 §57]
