TRAINING AND EDUCATION FACILITIES FOR CHILDREN WHO ARE DEAF

(Generally)

346.010 Training and educational services for children who are deaf. (1) Pursuant to rules of the State Board of Education, the Superintendent of Public Instruction shall provide free training and education services in a school located in Marion County for children who are deaf.

(2) The Superintendent of Public Instruction shall indicate which facilities shall serve as the Oregon School for the Deaf.

(3) The superintendent may order a change in all or part in the purpose and use of the facilities available under this section whenever the superintendent determines that a change in purpose and use will better enable the state to meet its responsibilities for the education and training of children who are deaf.

(4) The school shall be operated primarily for the provision of education and training services for children who are deaf who cannot be efficiently served in other schools or programs.

(5) The Board of Directors of the Oregon School for the Deaf may appeal any decision of the Superintendent of Public Instruction made under this section to the State Board of Education. An appeal under this subsection must be filed with the State Board of Education within 60 days of the date of the decision by the superintendent. The State Board of Education may uphold, modify or overturn any decision of the superintendent under this section. [Amended by 1965 c.100 §444; 1971 c.301 §2; 1991 c.631 §1; 2007 c.70 §113; 2007 c.858 §71; 2009 c.562 §25]

346.015 Preparing individualized education program prior to placement; consultation; declaration that district cannot provide education; rules. (1) Prior to convening a meeting to prepare an individualized education program for a child with an intellectual disability or a developmental disability for whom placement at the school operated under ORS 346.010 may be considered, the agency that is providing the education for the child shall notify the local community developmental disabilities program. The case manager responsible for programs for children with intellectual disabilities or developmental disabilities, in

consultation with the Department of Human Services, shall evaluate whether the child also has needs for alternative residential care or other support services. If the evaluation determines this to be the case, but documents that community resources are not available to meet these needs, the school district may proceed with the meeting to prepare the individualized education program in which placement at the school operated under ORS 346.010 may be considered.

(2) An agency providing education under subsection (1) of this section may initiate the procedure in subsection (1) of this section for any child who does not have an intellectual disability or a developmental disability when in the agency's judgment a treatment or residential issue is prompting proposed placement under ORS 346.010.

(3) A child may not be placed in the school operated under ORS 346.010 unless the district superintendent or the superintendent's designee has signed a statement declaring that the district cannot provide a free appropriate public education for the child commensurate with the needs of the child as identified by the individualized education program of the child and that the school is the least restrictive environment in which the child can be educated.

(4) By rule, the State Board of Education shall determine procedures to be followed by local education agencies in carrying out this section. [1985 c.555 §5; 1989 c.491 §54; 2001 c.36 §2; 2001 c.900 §61; 2007 c.70 §114; 2007 c.858 §73; 2009 c.562 §26; 2009 c.595 §219; 2011 c.544 §3; 2013 c.1 §43]

However, priority for enrollment at the school shall be given to students who are residents of Oregon.

(2) The superintendent may charge tuition and fees to any student who is enrolled under this section.

(3) A student who is enrolled under this section is not considered a resident of any school district based on the enrollment and attendance at the school. [1997 c.93 §1; 2007 c.858 §74; 2009 c.562 §27]

346.019 Educational Facilities Fund. (1) There is established an Educational Facilities Fund, separate and distinct from the General Fund. Interest earned by the fund shall be credited to the fund.

(2) The moneys in the fund are appropriated continuously to the Department of Education for purposes of the school operated under ORS 346.010. [1997 c.93 §2; 2007 c.858 §75; 2009 c.562 §28]

The State Board of Education shall determine the procedures for placement, development of services and operation of the school in conformance with state and federal laws relating to children who are eligible for special education and shall adopt the procedures by rule.

(2) In consultation with the Board of Directors of the Oregon School for the Deaf, the Superintendent of Public Instruction shall select a director for the school. The superintendent may also select teachers and other personnel necessary to manage the school in an effective and efficient manner or may delegate the selection of teachers and other personnel to the director of the school.

(3) The Superintendent of Public Instruction shall have control over persons enrolled in the school and shall direct their care and promote their mental, moral and physical welfare.

(4) The Board of Directors of the Oregon School for the Deaf may appeal a decision of the Superintendent of Public Instruction to the State Board of Education if the decision was made under subsection (2) of this section and relates to the selection or dismissal of the director of the school. assigned case manager's assessment of community resources that are available for treatment or residential needs the child might have. [1985 c.555 §6; 2007 c.70 §115; 2009 c.595 §220; 2011 c.544 §4; 2013 c.1 §44]

Sec. 28. Lease or sale of the Oregon School for the Deaf. (1) The Oregon Department of Administrative

Services and the Department of Education shall study whether a lease or sale of a portion of the real property owned by the Department of Education known as the Oregon School for the Deaf would benefit the school. The study must determine the fair market value of a lease or sale of a portion of the real property and how the proceeds from a lease or sale transaction would benefit the school.

(2) If, based on the study under subsection (1) of this section, the Superintendent of Public Instruction determines that the lease or sale of a portion of the real property would benefit the school, the superintendent may order a change in the purpose and use of the real property under ORS 346.010 and may lease or sell a portion of the real property. The proceeds of the lease or sale must benefit the school.

(3) If the superintendent orders a change in the purpose and use of the real property that requires a sale of the real property described in the order, the Oregon Department of Administrative Services, in consultation with the Department of Education, shall develop a plan for the sale of the real property. The Oregon Department of Administrative Services shall present the plan at a meeting of the Capitol Planning Commission. The commission shall provide an opportunity for public review of and comment on the plan at that meeting.

(4) Notwithstanding ORS 270.100 to 270.190, the Oregon Department of Administrative Services shall sell the real property described in the order of the superintendent in a manner consistent with this section. (5) The Oregon Department of Administrative Services shall determine the sale price of the real property described in the order of the superintendent. The sale price must equal or exceed the fair market value of the real property.

(6)(a) The Oregon Department of Administrative Services shall retain from the sale of the real property the costs incurred by the state in selling the real property, including the costs incurred by the Department of Education and the Oregon Department of Administrative Services in transferring the real property.

(b) The Oregon Department of Administrative Services and the Department of Education shall be reimbursed for any costs described in paragraph (a) of this subsection from the amount retained as provided by paragraph (a) of this subsection.

(c) After the reimbursement described in paragraph (b) of this subsection, the Oregon Department of Administrative Services shall transfer the remaining proceeds from the sale of the real property to the Department of Education for the benefit of the Oregon School for the Deaf.

(7) Nothing in this section may be construed as authorizing the sale of the entire property or the closure of the Oregon School for the Deaf. [2013 c.722 §28]

Interest earned by the account shall be credited to the account.

(2) As used in this section, "funds" includes but is not limited to moneys deposited with the department for medical care or assistance of students, moneys derived from athletic activities, contributions for athletic, health, or recreation projects, and any other moneys received by the department that are not required by law to be credited to other state funds or accounts.

(3) The department is authorized to receive any of the funds referred to in this section. The State Treasurer shall carry the funds in separate accounts for the school, but may not credit the funds or any part of the funds to any state fund for governmental purposes.

(4) Disbursements from the accounts for the purposes for which the contributions or payments were made, and for payment to persons lawfully entitled thereto, may be made by the department, by checks or orders drawn upon the State Treasurer. If the student's application for a grant-in-aid is approved by the Superintendent of Public Instruction, the Department of Education may make the grant-in-aid contingent upon the student's attending a school of the superintendent's choice.

(2) The grants-in-aid shall not exceed \$1,000 to any student for any fiscal year and shall be paid out of any funds appropriated to the department for that purpose. The State Board of Education may adopt rules necessary to carry out this section.
