(4) No more than six video lottery game terminals may be placed in or on premises described in subsection (3) of this section.

(5) No more than 10 video lottery game terminals may be placed in or on the premises of a race meet licensee licensed under ORS 462.020 that qualifies as a video lottery game retailer. [1991 c.962 §10; 1999 c.351 §16; 2003 c.787 §1; 2007 c.631 §1; 2009 c.221 §4]

461.220 Number and value of prizes; required information on lottery tickets; rules; advertising. (1) Upon recommendation of the Director of the Oregon State Lottery, the Oregon State Lottery Commission shall adopt rules that specify the number and value of prizes for winning tickets or shares in each lottery game including, without limitation, cash prizes, merchandise prizes, prizes consisting of deferred payments or annuities and prizes of tickets or shares in the same lottery game or other lottery games conducted by the Oregon State Lottery.

(2) In each lottery game utilizing tickets, the following information shall be printed on each ticket:

(a) A close approximation of the odds of winning some prize or some cash prize, as appropriate for the lottery game.

(b) An approximation of a payout percentage that will be returned to players in the form of prizes for the lottery game. For online games, the approximation may be based on the average payout percentage over several prior years.

(c) The statement that "Lottery games are based on chance, should be played for entertainment only and should not be played for investment purposes."

(3) A detailed tabulation of the estimated number of prizes of each particular prize denomination that are expected to be awarded in each lottery game and the close approximation of the odds of winning such prizes shall be available at each location at which tickets or shares in such lottery games are offered for sale to the public.

(4) Notwithstanding subsection (1) of this section, the commission may specify by rule the number and value of prizes for lottery games that use video devices or that use tickets or shares that allow a player to manually reveal covered play symbols, or the commission may make such information available at each location that offers such games using video devices, tickets or shares for sale to the public.

(5) All television, radio and newspaper advertising of a lottery game shall include a disclaimer representing a close approximation of the odds of winning some prize and an approximation of the amount that will be returned to the players in the form of prizes for the game in the following words: "The odds of winning some prize are one in (some number). The prize payout percentage is (some number)." where the numbers stated represent a close approximation of the odds of winning some prize and the prize payout percentage. However, this subsection does not apply to advertising the purpose of which is to advertise the location where tickets may be purchased or to provide information about the winners.

(6) All television, radio and newspaper advertising of lottery games funded by the lottery commission, including advertising that is intended to indicate where tickets may be purchased or to provide information about prize winners, shall include the disclaimer that "Lottery games are based on chance, should be played for entertainment only and should not be played for investment purposes."

(7) All television, radio and newspaper advertising intended to publicize projects or programs funded by lottery dollars shall include the disclaimer that "Lottery games are

based on chance and should be played for entertainment only." However, this subsection does not apply to any such advertising that has the sole purpose of educating the public about gambling addiction or available treatments.

(8) All billboard advertising intended to promote a lottery game, to indicate where tickets may be purchased or to provide information about prize winners shall include the disclaimer that "Lottery games should not be played for investment purposes."

(9) All billboard advertising intended to publicize projects or programs funded by lottery dollars shall include the disclaimer that "Lottery games should be played for entertainment only."

(10) A disclaimer required by this section to be included in a written advertisement shall be of a size and in a form that allows an individual to readily notice and read the statement. A disclaimer required by this section to be included in a television or radio advertisement shall be spoken aloud and, in the case of television, must also be displayed visually in a form that allows an individual to readily notice and read the statement. [1985 c.2 §4(3); 1985 c.302 §4(3); 1985 c.458 §1(3); 1985 c.520 §1(3); 1991 c.63 §1; 1999 c.1069 §1; 2001 c.83 §1]

461.230 Method for determining winners; rules. (1) Upon recommendation of the Director of the Oregon State Lottery, the Oregon State Lottery Commission shall adopt rules that specify the method for determining winners in each lottery game.

(2) If a lottery game utilizes a manual drawing of winning numbers, a manual drawing among entries or a manual drawing among finalists:

(a) The drawing must be open to the public;

(b) The drawing must be witnessed by an independent certified public accountant or a professional representative of an independent certified public accountancy organization;

(c) Any equipment used in the drawing must be inspected by the independent certified public accountant or the professional representative of an independent certified public accountancy organization and an employee of the lottery both before and after the drawing; and

(d) The drawing and such inspections shall be recorded on both video and audio tape.

(3)(a) When a drawing is held out of this state in conjunction with other state lotteries, the Oregon State Lottery shall conduct periodic studies of the drawing's security procedures. Any equipment used in a manual drawing must be inspected both before and after the drawing by a profes-

sional representative of an independent certified public accountancy organization and a representative of the state lottery designated by the director.

(b) Any manual drawing and such inspections shall be recorded on both video and audio tape.

(4) The lottery may use any of a variety of existing or future methods or technologies in determining winners. [1985 c.2 §4(4); 1985 c.302 §4(4); 1985 c.458 §1(4); 1985 c.520 §1(4); 1991 c.613 §2; 1997 c.146 §1; 1997 c.625 §2; 1999 c.322 §40; 2003 c.59 §1]

461.240 Sale price of tickets and shares; rules. (1) Upon recommendation of the Director of the Oregon State Lottery, the Oregon State Lottery Commission shall adopt rules specifying the retail sales price for each ticket or share for each lottery game. However, no ticket or share shall be sold for more than the retail sales price established by the commission.

(2) Notwithstanding subsection (1) of this section, the commission may specify by rule the retail sales price for tickets or shares that allow a player to manually reveal covered play symbols or may print the retail sales price on the ticket or share. [1985 c.2 §4(5); 1985 c.302 §4(5); 1985 c.458 §1(5); 1985 c.520 §1(5); 1989 c.418 §2; 2001 c.83 §2]

461.250 Validation and payment of prizes; tabulation of sales and prizes; assignment of prizes; payment on behalf of deceased winner; claim period; ineligibility of lottery employees; rules. Upon recommendation of the Director of the Oregon State Lottery, the Oregon State Lottery Commission shall adopt rules to establish a system of verifying the validity of tickets or shares claimed to win prizes and to effect payment of such prizes, provided:

(1) For the convenience of the public, lottery game retailers may be authorized by the commission to pay winners of up to \$5,000 after performing validation procedures on their premises appropriate to the lottery game involved.

(2) A prize may not be paid to a person under 18 years of age.

(3) A video lottery game prize may not be paid to a person under 21 years of age.

(4) A prize may not be paid arising from claimed tickets or shares that are stolen, counterfeit, altered, fraudulent, unissued, produced or issued in error, unreadable, not received or not recorded by the Oregon State Lottery by applicable deadlines, lacking in captions that confirm and agree with the lottery play symbols as appropriate to the lottery game involved or not in compliance with such additional specific rules or with public or confidential validation and security tests of the lottery appropriate to the partic-

ular lottery game involved. However, the commission may adopt rules to establish a system of verifying the validity of claims to prizes greater than \$600 that are otherwise not payable under this subsection due to a lottery game retailer's losing, damaging or destroying the winning ticket or share while performing validation procedures thereon, and to effect payment of verified claims. A verification system established by the commission shall include appropriate public or confidential validation and security tests.

(5) A particular prize in any lottery game may not be paid more than once, and in the event of a binding determination that more than one claimant is entitled to a particular prize, the sole remedy of such claimants is the award to each of them of an equal share in the prize.

(6) The commission may specify that winners of less than \$25 claim such prizes from either the same lottery game retailer who sold the winning ticket or share or from the lottery itself and may also specify that the lottery game retailer who sold the winning ticket or share be responsible for directly paying that prize.

(7) Holders of tickets or shares shall have the right to claim prizes for one year after the drawing or the end of the lottery game or play in which the prize was won. The commission may define shorter time periods to claim prizes and for eligibility for entry into drawings involving entries or finalists. If a valid claim is not made for a prize payable directly by the lottery commission within the applicable period, the unclaimed prize shall remain the property of the commission and shall be allocated to the benefit of the public purpose.

(8)(a) The right of any person to a prize shall not be assignable, except that:

(A) Payment of any prize may be made according to the terms of a deceased prize winner's signed beneficiary designation form filed with the commission or, if no such form has been filed, to the estate of the deceased prize winner.

(B) Payment of any prize shall be made to a person designated pursuant to an appropriate judicial order or pursuant to a judicial order approving the assignment of the prize in accordance with ORS 461.253.

(b) The director, commission and state shall be discharged of all further liability with respect to a specific prize payment upon making that prize payment in accordance with this subsection or ORS 461.253.

(9) A ticket or share may not be purchased by, and a prize may not be paid to, a member of the commission, the director, the assistant directors or any employee of the

state lottery or to any spouse, child, brother, sister or parent of such person.

(10) Payments made according to the terms of a deceased prize winner's signed beneficiary designation form filed with the commission are effective by reason of the contract involved and this statute and are not to be considered as testamentary devices or subject to ORS chapter 112. The director, commission and state shall be discharged of all liability upon payment of a prize.

(11) In accordance with the provisions of the Soldiers' and Sailors' Civil Relief Act of 1940 (50 U.S.C.A. app. 525), a person while in active military service may claim exemption from the one-year ticket redemption requirement under subsection (7) of this section. However, the person must notify the commission by providing satisfactory evidence of possession of the winning ticket within the one-year period, and must claim the prize or share no later than one year after discharge from active military service. [1985 c.2 §4(6); 1985 c.302 §4(6); 1985 c.458 §1(6); 1985 c.520 §1(6); 1987 c.268 §1; 1991 c.22 §1; 1991 c.613 §4; 1993 c.206 §1; 1995 c.478 §3; 1997 c.249 §160; 1999 c.203 §1; 2003 c.58 §1]

461.253 Voluntary assignment of prizes; petition for judicial order; issuance of order; commission intervention in proceeding.

(1) Payment of a prize may be made to any person pursuant to a voluntary assignment of the right to receive future periodic prize payments, in whole or in part. Payment of a prize pursuant to an assignment made under this section must be made to a person designated as assignee under an appropriate judicial order of the circuit court for the county in which the assignor resides or in which the headquarters of the Oregon State Lottery Commission are located.

(2) A copy of the petition for an order described in subsection (1) of this section and copies of all notices of any hearing in the matter shall be served on the commission not later than 10 days prior to any hearing or entry of any order. A nonrefundable processing fee of \$500 for each assignee shall be paid to the commission when the copy of the petition is served on the commission.

(3) The commission may intervene in a proceeding to protect the interests of the commission but shall not be considered an indispensable or necessary party. Notwithstanding the failure or refusal of the commission to appear in any proceeding, the Director of the Oregon State Lottery, the commission and the state shall be immune from liability for, and shall be discharged of all further liability with respect to, any amounts paid according to the terms of an order issued under this section.

(4) A circuit court receiving a petition may issue an order approving the assignment

and directing the commission to pay to the assignee all future prize payments so assigned upon finding that all of the following conditions have been met:

(a) The assignment has been memorialized in writing and executed by the assignor and is subject to Oregon law;

(b) The assignor provides a sworn declaration to the court attesting that the assignor is represented by independent legal counsel in connection with the assignment, has had the opportunity to receive independent financial and tax advice concerning the effects of the assignment, is of sound mind and is not acting under duress;

(c) The proposed assignment does not and will not include or cover payments or portions of payments that are subject to a 30-day hold under ORS 461.715, unless appropriate provision is made in the order to satisfy the obligations giving rise to the hold; and

(d) The proposed assignment and court order shall not require the commission to divide any prize payment so that portions of a single prize payment must be made to more than three persons at a time.

(5) After receipt of a certified copy of a court order granted under this section, the commission shall acknowledge in writing to both the assignor and the assignee the agreement of the commission to make the prize payments in accordance with the provisions of the order. The commission shall thereafter make the prize payments in accordance with the order.

(6) No modification or amendment to any assignment authorized by this section, and no additional or subsequent assignment of any prize, shall be valid or binding on the commission unless the modification, amendment or assignment is authorized by a separate judicial order issued in compliance with this section. [1995 c.478 §2]

461.257 Judicial order suspending voluntary assignment laws upon finding of adverse tax consequences for all prize winners. Notwithstanding ORS 461.250 (8) or 461.253, if it is ever determined that prize winners who do not seek to assign their prize payments are subject to immediate income taxes on the prize payments just as if those prize winners had so assigned their prizes, the Oregon State Lottery Commission may intervene in a proceeding commenced under ORS 461.253 in order to raise the issue of adverse tax consequences in the proceeding. If the court determines that ORS 461.250 (8) and 461.253 or the issuance of an order approving an assignment of prize payments subjects prize winners who do not seek assignment of prize payments to immediate income taxes on their prize payments, the

court shall refuse to authorize an assignment and shall issue an order that ORS 461.250 (8) and 461.253 are suspended and are of no force or effect so long as such determination and adverse tax consequences are in effect. An order issued by a court under this section shall suspend ORS 461.250 (8) and 461.253 throughout this state. An order issued under this section shall be final and shall remain in effect unless or until overturned or modified by a subsequent court order or the order of a reviewing court. [1995 c.478 §5; 2003 c.58 §6]

Note: 461.257 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 461 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

461.260 Distribution of tickets and shares; rules. Upon recommendation of the Director of the Oregon State Lottery, the commission shall adopt rules specifying the manner of distribution, dissemination or sale of lottery tickets or shares to lottery game retailers or directly to the public, and the incentives, if any, for Oregon State Lottery employees, if any, engaged in such activities. [1985 c.2 §4(7); 1985 c.302 §4(7); 1985 c.458 §1(7); 1985 c.520 §1(7)]

LOTTERY GAME RETAILERS

461.300 Selection of retailers; rules; contracts. (1) The Oregon State Lottery Commission shall adopt rules specifying the terms and conditions for contracting with lottery game retailers so as to provide adequate and convenient availability of tickets or shares to prospective buyers of each lottery game as appropriate for each such game. Nothing in this subsection is intended to preclude the lottery from selling tickets or shares directly to the public.

(2)(a) The Director of the Oregon State Lottery shall, pursuant to this chapter, and the rules of the commission, select as lottery game retailers such persons as deemed to best serve the public convenience and promote the sale of tickets or shares. A person under the age of 18 may not be a lottery game retailer. In the selection of a lottery game retailer, the director shall consider factors such as financial responsibility, integrity, reputation, accessibility of the place of business or activity to the public, security of the premises, the sufficiency of existing lottery game retailers for any particular lottery game to serve the public convenience and the projected volume of sales for the lottery game involved.

(b) Except when the director recommends, and the commission concludes, that it is reasonable and prudent to waive disclosure requirements under this section and that to do so will not jeopardize the fairness, integrity, security and honesty of the lottery,

prior to the execution of any contract with a lottery game retailer, the lottery game retailer shall disclose to the lottery the names and addresses of the following:

(A) If the lottery game retailer is a corporation but not a nonprofit private club as described in ORS 471.175, the officers, each director who owns or controls three percent or more of the voting stock and each stockholder who owns 10 percent or more of the outstanding stock in such corporation.

(B) If the lottery game retailer is a trust, the trustee and all persons entitled to receive income or benefit from the trust.

(C) If the lottery game retailer is an association but not a nonprofit private club as described in ORS 471.175, the members, officers and directors.

(D) If the lottery game retailer is a subsidiary but not a nonprofit private club as described in ORS 471.175, the officers, each director who owns or controls three percent or more of the voting stock and each stockholder who owns 10 percent or more of the outstanding stock of the parent corporation thereof.

(E) If the lottery game retailer is a partnership, joint venture or limited liability company, all of the general partners, limited partners, joint venturers, members of a limited liability company whose investment commitment or membership interest is 10 percent or more, and managers of a limited liability company.

(F) If the parent company, general partner, limited partner, joint venturer, stockholder, member or manager of a limited liability company is itself a corporation, trust, association, subsidiary, partnership, joint venture or limited liability company, then the director may require that all of the information required by this paragraph be disclosed for such other entity as if it were itself a lottery game retailer to the end that full disclosure of ultimate ownership be achieved.

(G) If any member, 18 years of age or older, of the immediate family of any video lottery game retailer, or any member, 18 years of age or older, of the immediate family of any individual whose name is required to be disclosed under this paragraph, is involved in the video lottery game retailer's business in any capacity, then all of the information required in this paragraph shall be disclosed for such immediate family member as if the family member were a video lottery game retailer.

(H) If any immediate family member, 18 years of age or older, of any lottery game retailer, other than a video lottery game retailer, or of any person whose name is re-

quired to be disclosed under this paragraph is involved in the lottery game retailer's business in any capacity, then the lottery game retailer shall identify the immediate family member to the Oregon State Lottery, and shall report the capacity in which the immediate family member is involved in the lottery game retailer's business if requested by the director. Full disclosure of immediate family members working in the business may be required only if the director has just cause for believing the immediate family member may be a threat to the fairness, integrity, security or honesty of the lottery.

(I) If the lottery game retailer is a nonprofit private club as described in ORS 471.175, the treasurer, officers, directors and trustees who oversee or direct the operation of the food, beverage, lottery or other gambling-related activities of the nonprofit private club and each manager in charge of the food, beverage, lottery or other gambling-related activities of the nonprofit private club.

(J) Any other person required by rule of the commission.

(c) Any person required to disclose information under paragraph (b) of this subsection shall disclose additional information for retail contract approval that the director determines to be appropriate.

(d) The commission may refuse to grant a lottery game retail contract to any lottery game retailer or any natural person whose name is required to be disclosed under paragraph (b) of this subsection, who has been convicted of violating any of the gambling laws of this state, general or local, or has been convicted at any time of any crime. The lottery may require payment by each lottery game retailer to the lottery of an initial nonrefundable application fee or an annual fee, or both, to maintain the contract to be a lottery game retailer.

(e) A person who is a lottery game retailer may not be engaged exclusively in the business of selling lottery tickets or shares. A person lawfully engaged in non-governmental business on state or political subdivision property or an owner or lessee of premises which lawfully sells alcoholic beverages may be selected as a lottery game retailer. State agencies, except for the state lottery, political subdivisions or their agencies or departments may not be selected as a lottery game retailer. The director may contract with lottery game retailers on a permanent, seasonal or temporary basis.

(3) The authority to act as a lottery game retailer is not assignable or transferable.

(4) The director may terminate a contract with a lottery game retailer based on the

grounds for termination included in the contract or commission rules governing the contract. The grounds for termination must include, but are not limited to, the knowing sale of lottery tickets or shares to any person under the age of 18 years or knowingly permitting a person under the age of 21 years to operate a video lottery game terminal.

(5) Notwithstanding subsection (4) of this section, when a lottery game retail contract requires the lottery game retailer to maintain a minimum weekly sales average, the lottery game retailer may avoid termination of the contract for failure to meet the minimum weekly sales average by agreeing, prior to termination, to pay the state lottery the difference between the actual weekly cost incurred by the lottery to maintain the contract and the weekly proceeds that are collected by the lottery from the sales of that lottery game retailer, less expenses that are dedicated by statute, rule or contract to other purposes. The director may not terminate the contract of a lottery game retailer for failure to meet a minimum weekly sales average unless the director first allows the lottery game retailer an opportunity to make the payment described in this subsection.

(6) The commission shall adopt by rule an alternative dispute resolution process for disputes arising from a contract with a lottery game retailer that must be included in every contract between the commission and lottery game retailers. The commission shall develop the dispute resolution process required by this section in conformity with ORS 183.502. [1985 c.2 §5(1) to (4); 1985 c.302 §5(1) to (4); 1995 c.728 §1; 1997 c.483 §§1,2; 1999 c.351 §17; 2003 c.58 §2; 2005 c.166 §1; 2005 c.267 §1; 2010 c.33 §3]

461.310 Compensation for retailers.

Upon recommendation of the Director of the Oregon State Lottery, the commission shall determine the compensation to be paid to lottery game retailers for their sales of lottery tickets or shares. Until the commission shall otherwise determine, the compensation paid to lottery game retailers shall be five percent of the retail price of the tickets or shares plus an incentive bonus of one percent based on attainment of sales volume or other objectives specified by the director for each lottery game. In cases of a lottery game retailer whose rental payments for premises are contractually computed in whole or in part, on the basis of a percentage of retail sales, and where such computation of retail sales is not explicitly defined to include sales of tickets or shares in a state-operated lottery, the compensation received by the lottery game retailer from the Oregon State Lottery shall be deemed to be the amount of the retail sale for the purposes of such contractual computation. [1985 c.2 §5(5); 1985 c.302 §5(5)]

461.330 Display of certificate of authority; bond or letter of credit; payments for tickets or shares. (1) No lottery tickets or shares shall be sold by a lottery game retailer unless the lottery game retailer has on display on the premises a certificate of authority signed by the Director of the Oregon State Lottery to sell lottery tickets or shares.

(2) The director may require a bond or an irrevocable letter of credit issued by an insured institution as defined in ORS 706.008 from any lottery game retailer in an amount specified in the Oregon State Lottery rules adopted by the commission or may purchase a blanket bond or a blanket letter of credit issued by an insured institution as defined in ORS 706.008 covering the activities of all or a selected group of lottery game retailers.

(3) No payment by lottery game retailers to the lottery for tickets or shares shall be in cash. All such payments shall be in the form of a check, bank draft, electronic fund transfer or other recorded financial instrument as determined by the director. [1985 c.2 §5(7) to (9); 1985 c.302 §5(7) to (9); 1991 c.331 §66; 1997 c.631 §476]

461.335 Temporary letter of authority; grounds for revocation. (1) The Oregon State Lottery Commission may grant a temporary letter of authority for a period not to exceed 90 days on change of ownership applications for certificates of authority granted under this chapter if the applicant pays the fee prescribed by the commission for a temporary letter of authority. A temporary letter of authority issued under this section does not constitute a lottery game retail contract for the purposes of ORS 461.300.

(2) The commission, summarily and without prior administrative proceedings, may revoke a temporary letter of authority any time during the 90 days if the commission finds that any of the grounds for refusing a lottery game retail contract or terminating a contract under ORS 461.300 exist.

(3) A person subject to subsection (2) of this section shall be given an interview under the direction of the commission if the person requests an interview prior to revocation of a temporary letter of authority. However, the proceedings are not a contested case under ORS chapter 183. [2001 c.150 §2]

LOTTERY VENDORS AND CONTRACTORS

461.400 Procurements. Notwithstanding other provisions of law, the Director of the Oregon State Lottery may purchase or lease such goods or services as are necessary for effectuating the purposes of this chapter. The commission may not contract with any pri-

vate party or nongovernmental entity for the operation and administration of the Oregon State Lottery established by this chapter. However, the foregoing shall not preclude procurements which integrate functions such as lottery game design, supply of goods and services, advertising and public relations. In all procurement decisions, the director and Oregon State Lottery Commission shall take into account the particularly sensitive nature of the state lottery, shall consider the lottery's potential contribution to the development of and citizen's access to the state's telecommunications infrastructure, and shall act to promote and insure integrity, security, honesty and fairness in the operation and administration of the state lottery and the objective of raising net revenues for the benefit of the public purpose described in section 4, Article XV of the Constitution of the State of Oregon. [1985 c.2 §6(1); 1985 c.302 §6(1); 1991 c.962 §11]

461.410 Vendor disclosure for major procurements. (1) In order to allow an evaluation by the Oregon State Lottery of the competence, integrity, background, character and nature of the true ownership and control of lottery vendors, any person who submits a bid, proposal or offer as part of a procurement for a contract for the printing of tickets used in any lottery game, any goods or services involving the receiving or recording of number selection in any lottery game, or any goods or services involving the determination of winners in any lottery game, which are hereby referred to as major procurements, shall first disclose at the time of submitting such bid, proposal or offer to the state lottery all of the following items:

(a) A disclosure of the lottery vendor's name and address and, as applicable, the name and address of the following:

(A) If the vendor is a corporation, the officers, directors and each stockholder in such corporation; except that, in the case of stockholders of publicly held equity securities of a publicly traded corporation, only the names and addresses of those known to the corporation to beneficially own 15 percent or more of such securities need be disclosed.

(B) If the vendor is a trust, the trustee and all persons entitled to receive income or benefit from the trust.

(C) If the vendor is an association, the members, officers and directors.

(D) If the vendor is a subsidiary, the officers, directors and each stockholder of the parent corporation thereof; except that, in the case of stockholders of publicly held equity securities of a publicly traded corporation, only the names and addresses of those known to the corporation to beneficially own

15 percent or more of such securities need be disclosed.

(E) If the vendor is a partnership or joint venture, all of the general partners, limited partners or joint venturers.

(F) If the parent company, general partner, limited partner or joint venturer of any vendor is itself a corporation, trust, association, subsidiary, partnership or joint venture, then all of the information required in this section shall be disclosed for such other entity as if it were itself a vendor to the end that full disclosure of ultimate ownership be achieved.

(G) If any member of the immediate family of any vendor is involved in the vendor's business in any capacity, then all of the information required in this section shall be disclosed for such immediate family member as if the family member were a vendor.

(H) If the vendor subcontracts any substantial portion of the work to be performed to a subcontractor, then all of the information required in this section shall be disclosed for such subcontractor as if it were itself a vendor.

(I) The persons or entities in subparagraphs (A) to (H) of this paragraph, along with the vendor itself, shall be referred to as control persons.

(b) A disclosure of all the states and jurisdictions in which each control person does business, and the nature of that business for each such state or jurisdiction.

(c) A disclosure of all the states and jurisdictions in which each control person has contracts to supply gaming goods or services, including, but not limited to, lottery goods and services and the nature of the goods or services involved for each such state or jurisdiction.

(d) A disclosure of all the states and jurisdictions in which each control person has applied for, has sought renewal of, has received, has been denied, has pending or has had revoked a gaming license of any kind, and the disposition of such in each such state or jurisdiction. If any gaming license has been revoked or has not been renewed or any gaming license application has been either denied or is pending and has remained pending for more than six months, all of the facts and circumstances underlying this failure to receive such a license must be disclosed.

(e) A disclosure of the details of any conviction or judgment of a state or federal court of each control person of any felony and any other criminal offense other than traffic offenses.

(f) A disclosure of the details of any bankruptcy, insolvency, reorganization or any pending litigation of each control person.

(g) A disclosure for each control person who is a natural person of employment, residence, education and military history since the age of 18 years, and any federal, state or local elective position ever held by such person.

(h) A disclosure consolidating all reportable information on all reportable contributions by each control person to any local, state or federal political candidate or political committee in this state for the past five years that is reportable under any existing state or federal law.

(i) A disclosure of the identity of any entity with which each control person has a joint venture or other contractual arrangement to supply any state or jurisdiction with gaming goods or services, including a disclosure with regard to such entity of all of the information requested under paragraphs (a) to (h) of this subsection.

(j) A disclosure consisting of financial statements of the lottery vendor for the past three years.

(k) A disclosure of any economic interest as contemplated by ORS 244.060 and 244.070, known to the lottery vendor to be held by any of the persons named in ORS 244.050 (1)(a), any lottery commissioner, the lottery director, or the assistant directors of the state lottery, in any lottery vendor or its control persons.

(L) Such additional disclosures and information as the director may determine to be appropriate for the procurement involved.

(2) No contract for a major procurement with any vendor who has not complied with the disclosure requirements described in this section for each of its control persons shall be entered into or be enforceable. (2) Net proceeds of lottery bonds issued under this section in an amount sufficient to provide \$3.5 million in net proceeds and interest earnings must be transferred to the department for deposit in the ODAS Economic Development Distributions Fund established by section 23 of this 2013 Act [461.553] for distribution to the Confederated Tribes of the Umatilla Indian Reservation for the purpose of acquiring, developing and constructing a 1.5-mile road extension connecting the Port of Umatilla to certain industrial lands of the Confederated Tribes of the Umatilla Indian Reservation.

(2) The Oregon Business Development Department may require any firm receiving benefit from state lottery-funded programs the department administers to enter into a first-source hiring agreement with publicly funded job training providers.
