(5) The board may refuse to issue a license to or renew a license of an applicant who has been disciplined by a state licensing or regulatory agency of this or another state regarding any health care profession when, in the judgment of the board, the acts or conduct resulting in the disciplinary action bears a demonstrable relationship to the ability of the licensee or applicant to practice dental hygiene in accordance with the provisions of ORS 680.101 to 680.205. A certified copy of the record of the disciplinary action is conclusive evidence of the disciplinary action.

(b) The applicant received a passing score on the test or examination as established by the board by rule.

Note: 680.082 was added to and made a part of ORS 679.010 to 680.205 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.
