(Use of Premises for Additional Activities)

471.268 Homemade malt beverages and wines at licensed premises. (1) In addition to any other privilege granted to a licensee under this chapter, a licensee may conduct an organized judging, tasting, exhibition, contest or competition of malt beverages and wines produced under ORS 471.403 (2) and (3) or homemade beers, wines and fermented fruit juices, or related events, at the premises described in a full or limited on-premises sales license, off-premises sales license, brewery-public house license, brewery license, winery license or warehouse license of the licensee. However, the Oregon Liquor Control Commission may restrict the portion of the licensed premises that may be used for the judging, tasting, exhibition, contest, competition or related events and may restrict or prohibit sales of alcoholic beverages on the portion of the premises that is being used for conducting the judging, tasting, exhibition, contest, competition or related events.

(2) In addition to any other privilege granted to a licensee under this chapter, a licensee may allow malt beverages and wines produced under ORS 471.403 (2) and (3) or homemade beers, wines and fermented fruit juices to be stored at the premises described in a full or limited on-premises sales license, off-premises sales license, brewery-public house license, brewery license, winery license or warehouse license of the licensee. (1) Wine or cider may be shipped or transported by a licensee or permit holder described in subsection (2) of this section only by employees of the licensee or permit holder, or by a common carrier using a commission-approved delivery plan. The holder of a wine self-distribution permit that uses a common carrier to ship or transport wine or cider shall take reasonable steps to ensure that the wine or cider is sold and transported only to licensees that are authorized to receive the wine or cider under ORS 471.274.

(2) The provisions of this section apply to persons holding wine self-distribution permits and the holders of winery licenses, grower sales privilege licenses, wholesale malt beverage and wine licenses and warehouse licenses issued by the commission. [2007 c.651 §2b]

471.274 Wine self-distribution permit.

(1) The Oregon Liquor Control Commission may issue a wine self-distribution permit to a United States manufacturer of wine or cider. The commission may issue a wine self-distribution permit only to a manufacturer of wine or cider that:

(a) Holds a license issued by another state that authorizes the manufacture of wine or cider; and

(b) Holds a certificate of approval issued under ORS 471.244.

(2) The holder of a wine self-distribution permit may sell at wholesale and transport wine or cider that the manufacturer produces directly to the commission, or to retail licensees in the manner provided by this section. A wine self-distribution permit allows the holder to sell wine or cider that the holder produces only to retail licensees who hold a valid endorsement issued by the commission authorizing receipt of wine or

cider from the holder of a wine self-distribution permit.

(3) In addition to the information required by ORS 471.311 for licenses, an applicant for a wine self-distribution permit shall provide the commission with a copy of the license held by the applicant or with sufficient information to allow verification of the license by electronic means or other means acceptable to the commission. The applicant also shall provide the commission with any information required by the commission to establish that the license held by the applicant authorizes the manufacture of wine or cider.

(4) A person holding a wine self-distribution permit is responsible for paying all taxes imposed under ORS chapter 473, and for complying with all reporting requirements imposed by ORS chapter 473, for all wine and cider sold and transported to retail licensees in this state. The commission may revoke, or refuse to issue, a wine self-distribution permit if the holder of a permit fails to pay taxes or make reports as required by ORS chapter 473.

(5) A retail licensee may receive wine or cider from the holder of a wine self-distribution permit only if the licensee has received prior authorization from the commission. Prior authorization under this subsection must be made by an endorsement to the license for the premises where the wine or cider will be received. The commission may not charge or collect a fee for an endorsement under this subsection.

(6)(a) Except as provided in paragraph (b) of this subsection, a retail licensee that receives wine or cider from holders of wine self-distribution permits must make a monthly report to the commission, using a form prescribed by the commission, listing the amount of all wine or cider received from permit holders in the previous month, and the names of the permit holders from whom the wine or cider was received. Retail licensees shall retain such purchase records for products received from permit holders as may be required by the commission.

(b) The holder of a full or limited on-premises sales license is not required to file a report under this subsection for any month in which the licensee receives two or fewer cases of wine from holders of wine self-distribution permits.

(7) A manufacturer that is not licensed by the commission may sell and transport wine or cider directly to a retail licensee, and a retail licensee may receive wine or cider directly from a manufacturer that is not licensed by the commission, only if the manufacturer holds a wine self-distribution permit issued under this section.

(8) The holder of a wine self-distribution permit consents to the jurisdiction of the commission and the courts of this state for the purpose of enforcing the provisions of this chapter, ORS chapter 473 and any related laws or rules.

(9) The holder of a wine self-distribution permit must post a bond or other security, as described in ORS 471.155.

(10) The commission may revoke, or refuse to issue, a wine self-distribution permit if the holder of a permit fails to comply with any provision of this section. [2007 c.651 §2; 2011 c.219 §1]

The Oregon Liquor Control Commission shall issue a direct shipper permit only to:

(a) A person that holds a license issued by this state or another state that authorizes the manufacture of malt beverages, wine or cider;

(2) The holder of a direct shipper permit that is a licensee of another state may deliver malt beverages under the permit only if that other state makes direct shipper permits, or the equivalent, available for the delivery of malt beverages by persons holding a license issued by the commission authorizing the manufacture or retail sale of malt beverages.

(3)(a) A person may apply for a direct shipper permit by filing an application with the commission. The application must be made in such form as may be prescribed by the commission.

(b) If the application is based on a license issued by this state, the person must include in the application the number of the license issued to the person.

(c) If the application is based on a license issued by another state, the person must include in the application a true copy of the license issued to the person by the other state or include sufficient information to allow verification of the license by electronic means or other means acceptable to the commission.

(d) If the application is based on a license issued by another state, or the application is by a nonprofit trade association described in subsection (1)(d) of this section, the person or association must pay a \$50 registration fee and maintain a bond or other security described in ORS 471.155 in the minimum amount of \$1,000.

(4) Sales and shipments under a direct shipper permit:

(b) May be made only for personal use and not for the purpose of resale; and

(c) May not exceed two cases, containing not more than nine liters per case, to any resident per month.

(5) Sales and shipments under a direct shipper permit must be made directly to a resident of this state in containers that are conspicuously labeled with the words: "CONTAINS ALCOHOL: SIGNATURE OF PERSON AGE 21 YEARS OR OLDER REQUIRED FOR DELIVERY."

(6) A person holding a direct shipper permit must take all actions necessary to ensure that a carrier used by the permit holder does not deliver any malt beverages, wine or cider unless the carrier:

(b) Verifies by inspecting government-issued photo identification that the recipient is at least 21 years of age; and

(c) Determines that the recipient is not visibly intoxicated at the time of delivery.

(7)(a) A person holding a direct shipper permit must report to the commission on a quarterly basis all shipments of malt beverages, wine or cider made to Oregon residents under the permit. The report must be made in a form prescribed by the commission.

(b) A person holding a direct shipper permit must allow the commission to audit the permit holder's records upon request and shall make those records available to the commission in this state.

(c) A person holding a direct shipper permit consents to the jurisdiction of the commission and the courts of this state for the purpose of enforcing the provisions of this section and any related laws or rules.

(8)(a) A person holding a direct shipper permit must timely pay to the commission all taxes imposed under ORS chapter 473 on malt beverages, wine and cider sold and shipped under the permit. (b) A person holding a direct shipper permit based on a license issued by another state must timely pay to the commission all taxes imposed under ORS chapter 473 on all malt beverages, wine or cider sold and shipped directly to Oregon residents under the permit. The permit holder, not the purchaser, is responsible for the tax.

(9) A direct shipper permit must be renewed annually. If the person holds the permit based on an annual license issued by another state, the person may renew the permit by paying a \$50 renewal fee and providing the commission with a true copy of a current license issued to the person by the other state or with sufficient information to allow verification of the license by electronic means or other means acceptable to the commission. If the person holds the permit based on an annual license issued by this state, the person may renew the permit at the same time that the person renews the license.

(10) The commission may refuse to issue or may suspend or revoke a direct shipper permit if the permit holder fails to comply with the provisions of this section. A person may sell and ship malt beverages, wine or cider under a direct shipper permit only for as long as the person has the license issued by this state or another state that authorizes the person to hold a direct shipper permit. A direct shipper permit does not authorize the shipment of malt beverages by a permit holder described in subsection (1)(b) of this section or lacking authority as provided under subsection (2) of this section.

(11) Any person who knowingly or negligently delivers malt beverages, wine or cider under the provisions of this section to a person under 21 years of age, or who knowingly or negligently delivers malt beverages, wine or cider under the provisions of this section to a visibly intoxicated person, violates ORS 471.410.

(12) A person may not make sales and shipments of malt beverages, wine or cider directly to Oregon residents unless the per-

son holds a direct shipper permit issued under this section. The Oregon Liquor Control Commission may refuse to issue a license, or may issue a restricted license, to any applicant under the provisions of this chapter if the commission has reasonable ground to believe any of the following to be true:

(1) That there are sufficient licensed premises in the locality set out in the application, or that the granting of a license in the locality set out in the application is not demanded by public interest or convenience. In determining whether there are sufficient licensed premises in the locality, the commission shall consider seasonal fluctuations in the population of the locality and shall ensure that there are adequate licensed premises to serve the needs of the locality during the peak seasons.

(2) That the applicant has not furnished an acceptable bond as required by ORS 471.311 or is not maintaining the insurance or bond required by ORS 471.168.

(3) That, except as allowed by ORS 471.392 to 471.400, any applicant to sell at retail for consumption on the premises has been financed or furnished with money or property by, or has any connection with, or is a manufacturer of, or wholesale dealer in, alcoholic liquor.

(c) Is incompetent or physically unable to carry on the management of the establishment proposed to be licensed.

The applicant may overcome the history by showing that the problems are not serious or persistent or that the applicant demonstrates a willingness and ability to control adequately the premises proposed to be licensed and patrons' behavior in the immediate vicinity of the premises which is related to the licensee's sale or service of alcohol under the licensee's exercise of the license privilege. (2) The commission shall by rule establish times for employees to complete a required clerk training course under this section. An employee required to complete a clerk training course under this section may continue to make sales of alcoholic beverages to members of the public until taking such training, but may not make any sales of alcoholic beverages after the expiration of the time allowed by commission rule if the employee has not completed the training before the expiration of that time.

If the off-premises sales licensee offers a clerk training course to new employees, and the employee has previously completed that course, the requirements of this section may be met by re-taking the clerk training course if the course has been approved by the commission for the purposes of this section.

(6) Upon completion of a clerk training course by an employee of an off-premises sales licensee pursuant to the requirements of this section, the off-premises sales licensee that employs the person must notify the commission in writing that the employee has successfully completed the training. The notification must include the name and address of the employee, the name of the clerk training course attended by the employee, and the date or dates on which the course was attended. The notification shall be kept by the commission in the licensee's file.

(7) The commission shall assess and collect a fee not to exceed \$13 from each person required to attend a clerk training course under this section. agencies of this state in conducting minor decoy operations.

(3) The uniform standards established by the commission under this section shall provide that minor decoy operations must be conducted on either a random or a targeted basis in cities with populations of 20,000 or more. Random minor decoy operations shall cover a range of retail outlets. Targeted minor decoy operations may be conducted for a single licensee or agent, but may be used only if there is a documented compliance problem with the specific licensee or agent that is the target of the operation. For the purpose of implementing standards for random minor decoy operations under this subsection, the commission shall by rule adopt a methodology that produces, to the greatest extent possible, an equal chance that any licensee or agent will be subject to a minor decoy operation.

(4) Except as provided in subsection (5) of this section, the failure of the commission or of a law enforcement agency to follow uniform standards established by the commission under this section is not grounds for challenging any complaint, citation or conviction for violation of the laws prohibiting the sale of alcoholic beverages to minors.

(5) In determining whether to impose sanctions based on multiple violations of the laws of this state prohibiting sales of alcoholic beverages to minors, the commission may not consider any complaint filed against a licensee for selling alcoholic beverages to a minor, citation issued to a licensee for selling alcoholic beverages to a minor or conviction of a licensee for selling alcoholic beverages to a minor if the complaint, citation or conviction arose out of a minor decoy operation that was not conducted pursuant to the uniform standards established by the commission under this section.

(6) Notwithstanding any other provision of this chapter, the commission may not consider any sale of alcoholic beverages to a minor that results from a minor decoy operation that is not conducted in compliance with the standards established under this section for the purpose of imposing any civil penalty against a licensee, making a decision on the renewal, suspension or cancellation of a license issued under this chapter or otherwise sanctioning a licensee for the sale of alcoholic beverages to a minor.

(7) The commission shall give notice of the uniform standards established under this section to all law enforcement agencies of this state that conduct minor decoy operations. [2001 c.791 §2]

471.473 Liquor store business loss compensation. (1) A person appointed to operate a store established by the Oregon Liquor Control Commission under ORS 471.750 qualifies for the payment of business loss compensation under this section if:

(a) The system for selling containers of distilled liquor at retail in this state changes after the person assumes operation of the store; and

(b) The system change results from a law that prohibits the commission from purchasing or selling distilled liquor.

(2) The purpose of business loss compensation is to offset the actual or presumed sales reduction and actual or perceived devaluation of a liquor store business following a system change described in subsection (1) of this section. The commission shall pay a person qualifying under this section business loss compensation equal to four percent of the average annual gross distilled liquor sales made by the store during the five years that preceded the system change, whether or not the person was the store operator during the entire five-year period. If the store has operated less than five years prior to the system change, the commission shall pay compensation equal to four percent of the average annual gross distilled liquor sales made by the store prior to the system change.

(3)(a) The commission shall pay any business loss compensation due under this section from the suspense account described in ORS 471.805. Except as otherwise required by federal or state law or by contract, the commission shall give the payment of business loss compensation priority over the payment of other debts from the suspense account.

(b) Notwithstanding ORS 279A.250 to 279A.290 or the revolving fund balance limit established in ORS 471.805, if a change in the system for selling containers of distilled liquor at retail in this state results in business loss compensation being payable under this section, and the commission declares within five years after the system change that a warehouse established by the commission under ORS 471.750 or the inventory of the commission is surplus property, the net proceeds from sale of the warehouse or inventory remaining after deduction of sales costs shall be deposited to the suspense account described in ORS 471.805. All moneys deposited under this paragraph shall be kept in a subaccount within the suspense account that indicates the source of the moneys. Notwithstanding ORS 471.805, moneys deposited to the suspense account under this paragraph may not be transferred to the Oregon Liquor Control Commission Account if any business loss compensation is owed and remains unpaid. This paragraph does not restrict the source for paying business loss compensation from the suspense account or alter the priority of business loss compensa-

tion payment established in paragraph (a) of this subsection.

(4) If a person that receives business loss compensation under this section brings any action against the commission for damages resulting from a change in the system for selling containers of distilled liquor at retail in this state, the business loss compensation received by the person as a result of that system change shall be an offset against any damages awarded the person in the action. This subsection does not create any new cause of action.

(5) Business loss compensation received by a person under this section does not affect the claiming of any tax deduction by the person for depreciation of equipment, fixtures or other property improvements, but is ordinary business income of the person, taxable as provided by law. [2015 c.228 §2]

471.475 Mixing, storing or serving of liquor without license. No person who owns, operates or conducts a private or public club or place and who is not in possession of a license issued by the Oregon Liquor Control Commission permitting the mixing, storing and serving of alcoholic liquor at said premises, and no agent, servant or employee of such person, for a financial consideration by way of a charge for service, membership fee, admission fee, initiation fee, club dues, contributions, or other fee or charge, shall serve or permit to be served, or use or permit to be used, any room, place, bar, glasses, mixers, locker, storage place, chairs, tables, cash registers, music devices, furniture, furnishings, equipment or facilities, for the mixing, storing, serving or drinking of alcoholic liquor.

471.478 Sale of kegs of malt beverages; rules; penalty. On and after January 1, 1978:

(1) The Oregon Liquor Control Commission by rule shall require the identification of kegs of malt beverages sold directly to consumers who are not licensees of the commission and the signing of a receipt therefor by the purchaser in order to allow the kegs to be traced if the contents are consumed in violation of the Liquor Control Act. The keg identification shall be in the form of a numbered label prescribed and supplied by the commission which identifies the seller and which is removable or obliterated when the keg is processed for refilling. The receipt shall be on a form prescribed and supplied by the commission and shall include the name and address of the purchaser; motor vehicle operator's license number, if any; the automobile registration of the motor vehicle in which the keg was removed from the seller's premises, if any; and such other identification as the commission by rule may

require. The receipt shall contain a statement that must be signed by the purchaser that, under penalty of false swearing, the purchaser will not allow consumption of any malt beverage in the keg in violation of ORS 471.410. A copy of the receipt shall be given to the purchaser and the seller shall retain the original receipt for such period as the commission by rule may require.

(2) Possession of a keg containing malt beverages which is not identified as required by subsection (1) of this section is a Class A misdemeanor.

(3) A person who signs a receipt described in subsection (1) of this section in order to obtain a keg, knowing the receipt to be false, or who falsifies any information required on the receipt, is guilty of false swearing as prescribed by ORS 162.075.

(4) As used in this section, "keg" means any brewery-sealed, individual container of malt beverage having a liquid capacity of more than seven gallons. [1977 c.551 §2; 1997 c.249 §173]

(3) During any inspection of a licensed premises, the commission may require proof that a person performing work at the premises meets any applicable minimum age requirement created under this chapter or under commission rules. If the person does not provide the commission with acceptable proof of age upon request, the commission may require the person to immediately cease any activity that is subject to a minimum age requirement until the commission receives acceptable proof of age. If the activity is the sole lawful basis for the person to be present on the premises, the commission may require that the person leave the premises. This subsection does not apply to a person temporarily at the premises to make a service, maintenance or repair call, to make a delivery or for other purposes independent of the premises operations.

(4) If a person performing work that is subject to a minimum age requirement has not provided proof of age requested by the commission under subsection (3) of this sec-

tion, the commission may request that the licensee or a manager of the premises provide proof that the person meets any applicable minimum age requirement created under this chapter or under commission rules. Failure of the licensee or manager to respond to a request made under this subsection by providing acceptable proof of age for a person is prima facie evidence that the licensee has allowed the person to perform work at the licensed premises in violation of a minimum age requirement. [1971 c.490 §1; 1985 c.378 §2; 1999 c.351 §34; 2011 c.92 §1]

471.482 Sale or service of liquor by employees 18 years of age or older generally; rules; minimum age requirements.

(1) The holder of a license issued under this chapter may employ persons 18, 19 and 20 years of age who may take orders for, serve and sell alcoholic liquor in any part of the licensed premises when that activity is incidental to the serving of food except in those areas classified by the Oregon Liquor Control Commission as being prohibited to the use of minors. However, no person who is 18, 19 or 20 years of age shall be permitted to mix, pour or draw alcoholic liquor except when pouring is done as a service to the patron at the patron's table or drawing is done in a portion of the premises not prohibited to minors.

(2) A person who is 18, 19 or 20 years of age may enter areas classified by the commission as being prohibited to the use of minors only for the purpose of ordering and picking up alcoholic liquor for service in other parts of the premises. However, the person shall not remain in the areas longer than is necessary to perform those duties.

(3) The commission by rule may permit access to prohibited areas by any minor for nonalcoholic liquor employment purposes as long as the minor does not remain longer than is necessary to perform the duties.

(4) During any inspection of a licensed premises, the commission may require proof that a person performing work at the premises meets any applicable minimum age requirement created under this chapter or under commission rules. If the person does not provide the commission with acceptable proof of age upon request, the commission may require the person to immediately cease any activity that is subject to a minimum age requirement until the commission receives acceptable proof of age. If the activity is the sole lawful basis for the person to be present on the premises, the commission may require that the person leave the premises. This subsection does not apply to a person temporarily at the premises to make a service, maintenance or repair call, make a delivery

or for other purposes independent of the premises operations.

(5) If a person performing work that is subject to a minimum age requirement has not provided proof of age requested by the commission under subsection (4) of this section, the commission may request that the licensee or a manager of the premises provide proof that the person meets any applicable minimum age requirement created under this chapter or under commission rules. Failure of the licensee or manager to respond to a request made under this subsection by providing acceptable proof of age for a person is prima facie evidence that the licensee has allowed the person to perform work at the licensed premises in violation of a minimum age requirement. [1981 c.610 §2; 1993 c.128 §2; 1995 c.301 §70; 1999 c.351 §59; 2011 c.92 §2]

The wholesale licensee may accept cash at the time of delivery if such acceptance does not create or increase the licensee's, or the agents' or employees' of the licensee, exposure to or risk of being victimized by criminal activity. [1971 c.694 §2; 1995 c.525 §1; 1999 c.351 §74]

No retail licensee shall deliver any check, order, negotiable instrument or voucher in payment for malt beverages, cider or wine, knowing at the time of such delivery that the maker or drawer has not sufficient funds in the bank or depository to pay the instrument on presentation, nor shall any wholesale licensee accept any such instrument knowing that said instrument is not payable according to its terms, or that there are not sufficient funds to pay such instrument on presentation. 471.500 Application of ORS 471.485 to 471.495. The provisions of ORS 471.485, 471.490 and 471.495 shall not apply to any common carrier licensed by the Oregon Liquor Control Commission. [1971 c.694 §5; 1995 c.301 §41]

471.501 Malt beverage container refunds. Nothing in this chapter prevents a brewery licensed under ORS 471.221 or a brewery-public house licensed under ORS 471.200 from establishing a refund value for malt beverage containers under the provisions of ORS 459A.705 that is in excess of five cents, or in excess of 10 cents as described in ORS 459A.705 (2), per container for the purpose of encouraging purchasers to return the containers directly to the brewery or brewery-public house. A refund value in excess of five cents, or in excess of 10 cents as described in ORS 459A.705 (2), per container may be paid under this section only to persons who are not licensed under this chapter and who return the containers directly to the brewery or brewery-public house. (8) If the court does not order the return of the vehicle or conveyance under subsection (6) of this section, and the arrested person is convicted for any offense in connection with the seizure, the vehicle or conveyance shall be subject to forfeiture as

provided in ORS 471.666. [Amended by 1973 c.836 §351; 1981 c.601 §2]

471.665 [Amended by 1971 c.743 §374a; 1973 c.836 §352; 1977 c.745 §40; 1993 c.741 §66; repealed by 1997 c.592 §6 (471.666 enacted in lieu of 471.665)]

471.666 Disposal of seized liquor and of vehicle or other conveyance. (1) The court, upon conviction of the person arrested under ORS 471.660, shall order the alcoholic liquor delivered to the Oregon Liquor Control Commission, and shall, subject to the ownership rights of innocent third parties, order a sale at public auction by the sheriff of the county of the property seized. The sheriff, after deducting the expense of keeping the property and the cost of sale, shall pay all the liens, according to their priorities, which are established by intervention or otherwise at such hearing or in other proceedings brought for that purpose, and shall pay the balance of the proceeds into the general fund of the county. No claim of ownership or of any right, title or interest in or to such vehicle that is otherwise valid shall be held invalid unless the state shows to the satisfaction of the court, by clear and convincing evidence, that the claimant had knowledge that the vehicle was used or to be used in violation of law. All liens against property sold under this section shall be transferred from the property to the proceeds of the sale.

(2) If no person claims the vehicle or conveyance, the taking of the same and the description thereof shall be advertised in some daily newspaper published in the city or county where taken, or if no daily newspaper is published in such city or county, in a newspaper having weekly circulation in the city or county, once a week for two weeks and by handbills posted in three public places near the place of seizure, and shall likewise notify by mail the legal owner, in the case of an automobile, if licensed by the State of Oregon, as shown by the name and address in the vehicle registration records of the Department of Transportation. If no claimant appears within 10 days after the last publication of the advertisement, the property shall be sold and the proceeds, after deducting the expenses and costs, shall be paid into the general fund of the county. [1989 c.791 §18; 1993 c.741 §67; enacted in lieu of 471.665 in 1997]

471.670 [Amended by 1995 c.301 §71; 1999 c.788 §57; repealed by 2011 c.597 §118]

471.675 Resisting arrest or interfering with enforcement. A person may not forcibly resist lawful arrest, or by physical contact recklessly interfere with an investigation of any infringement of the Liquor Control Act or with any lawful search or seizure being made by a peace officer or a regulatory specialist if the person knows or

should know that the investigation, search or seizure is being performed by a peace officer or regulatory specialist. [Amended by 1981 c.370 §1; 1997 c.249 §174; 2012 c.54 §4; 2015 c.614 §163]

471.680 Allegation and proof in prosecutions. In any prosecution for the sale of alcoholic liquor it is not necessary to prove the exact variety, or to mention the quantity of alcoholic liquor sold, except in the case where the variety or quantity is essential to establish the offense. As regards quantity it is sufficient to allege the sale of a quantity, the sale of which quantity is unlawful. The description of any offense, alleged to be a violation of the Liquor Control Act, in the words of that statute or in any words of like effect, is sufficient in law. Any exceptions, exemptions, provisions, excuse or qualification may be proved by the defendant, but need not be specified or negatived in the complaint, information or indictment. If it is so specified or negatived, no proof in relation to the matter so specified or negatived is required on the part of the plaintiff, informant or complainant.

471.685 Governor authorized to suspend license. In case of invasion, disaster, insurrection, riot, or imminent danger thereof, the Governor may, for the duration of such invasion, disaster, insurrection, riot, or imminent danger thereof, immediately suspend without notice any license in the area involved granted under the provisions of this chapter. [1963 c.91 §2; 1995 c.301 §43; 1999 c.351 §61]

471.695 Fingerprinting of license applicants and certain commission employees; criminal records check. (1) The Oregon Liquor Control Commission may require each applicant for a full or limited on-premises sales license to submit to fingerprinting. If the applicant is a corporation, the fingerprints of each officer, director and major stockholder of the corporation may be required by the commission. Prior to approving any change in officers, directors or major stockholders, the commission may require the fingerprints of the new officials.

(2) The commission shall require that all employees of the commission who work in the licensing or enforcement divisions or who have access to criminal background information be fingerprinted.

(3) Fingerprints acquired under this section may be used for the purpose of requesting state or nationwide criminal records checks under ORS 181A.195.

(4) As used in this section, "major stockholder" means any person who owns, directly or indirectly, more than 10 percent of any class of any equity security of the corporation. [1979 c.634 §2; 1999 c.351 §37; 2003 c.166 §3; 2005 c.730 §27]

(1) The licensee has been convicted thereof in a court of competent jurisdiction; or

(2) An employee of the licensee has been convicted thereof in a court of competent jurisdiction and the violation occurred on the licensed premises. [1979 c.171 §2; 1995 c.301 §72]

(d) The provider of the alcoholic liquor is alleged to be a licensee or permittee of the commission.

(2) The notice shall include the name and address of the operator involved and the name and address of the person who named the alleged provider, if the person is other than the operator.

(3) Upon receipt of the notice described in subsection (1) of this section, the commission shall cause the licensee or permittee named as the alleged provider to be notified of receipt of the notice and of its content. A copy of the notice shall be retained in the files of the commission and shall be open to inspection by the person injured or damaged by the motor vehicle operator or a representative of the person.

(4) The police shall notify the alleged social host when the circumstances described in subsection (1) of this section occur and the alleged social host is named as the provider of the alcoholic liquor. The notice shall include the information described in subsection (2) of this section. [1987 c.774 §15]

(b) Paragraph (a) of this subsection does not apply to a distillery retail outlet agent appointed by the commission under ORS 471.230.

(4) Nothing in this section prohibits a person from having a financial interest resulting from investments made by the Public Employees Retirement System or through mutual funds, blind trusts or similar investments where the person does not exercise control over the nature, amount or timing of the investment.

[2015 c.463 §2]

471.750 Liquor stores and warehouses; operation; sales; advertising; rules. (1) The Oregon Liquor Control Commission shall establish such stores and warehouses in such places in the state as in its judgment are required by public convenience or necessity, for the sale of spirituous liquors, wines and other alcoholic liquors containing over five percent alcohol by volume, in sealed containers for consumption off the premises. The commission shall keep on hand in such stores or warehouses such quantities and kinds of alcoholic liquors as are reasonably required to supply the public demand.

(2) Any person qualified to purchase such liquors from the commission has the right to present to the commission, or at any of its stores, an application for any kind or brand of alcoholic liquor that the person may desire and that may be manufactured or obtainable in any place in the United States, and the commission shall obtain such liquor and sell it to the applicant. (4) Rules relating to advertising adopted by the commission under subsection (3) of this section shall allow signs and displays within its stores for the purpose of supplying consumer information to customers, including but not limited to discounts, sales and other specials. Commission discretion with respect to those signs and displays shall be limited to regulation of the content, size, number per brand, type and duration of the sign or display. (2) The commission shall review the statement and may refuse to issue a license to any license applicant, or may suspend, cancel or refuse to renew the license of any licensee, when conditions exist in relation to any person having a financial interest in the business or in the place of business which would constitute grounds for refusing to issue a license or for cancellation or suspension of a license if such person were the license applicant or licensee. However, in cases where the financial interest is held by a corporation, only the officers and directors of the corporation, any individual or combination of individuals who own a controlling financial interest in the business and any manager of the business shall be considered persons having a financial interest within the meaning of this subsection. Upon the return of such order, the judge shall examine such person under oath and the person shall be given an opportunity to be heard. If the judge determines that such person has refused, without reasonable cause or legal excuse, to be examined or to answer a legal or pertinent question, or to produce a book or paper which the person was ordered to bring or produce, the judge may forthwith punish the offender for contempt of court.

471.770 Self-incrimination as a basis for refusing to testify or produce books. No person shall be excused from testifying or from producing any books, papers or documents in any investigation or inquiry by or upon any hearing before the Oregon Liquor Control Commission or any commissioner when ordered so to do by the commission or any of its authorized agents, upon the ground that the testimony, evidence, books, papers or documents required of the person may tend to incriminate the person or subject the person to penalty or forfeiture. No person shall be prosecuted, punished or subjected to any penalty or forfeiture for or on account of any act, transaction, matter or thing concerning which the person shall, under oath, have, by order of the commission, or a commissioner, or any of its authorized agents, testified to or produced documentary evidence of; but no person so testifying shall be exempt from prosecution or punishment for any perjury committed by the person in testimony. [Amended by 1953 c.101 §2]

No member of the Oregon Liquor Control Commission may be sued for doing or omitting to do any act in the performance of duties as prescribed in the Liquor Control Act. No member of the commission personally shall be liable for any loss caused by the default or failure of the depository of funds of the commission. All funds of the commission deposited in any bank or trust company are entitled to priority of payment as public funds of the state, if the commission funds are only kept in depositories designated by the State Treasurer and under security of the same character required by law for depositories of state funds.

471.795 Purchase and use of liquor by member or employee of commission. No provision of the Liquor Control Act prevents any member or employee of the Oregon Liquor Control Commission from purchasing and keeping in possession, for the personal use of self or members of the family of the member or employee, any alcoholic liquor in the

same manner as it may be purchased or kept by any other person under that statute.

471.800 Restrictions on out-of-state wine; imposition. If by the laws of another state or by the rules and regulations of any administrative body or authorized agency thereof or therein, market restrictions are imposed that prevent or tend to prevent the sale of wine manufactured in Oregon in free and unrestricted competition with like kinds of wine manufactured in such other state, the Oregon Liquor Control Commission is authorized and directed to impose similar restrictions in Oregon upon such wine manufactured in such other state and offered for sale in Oregon.

471.805 Disposition of moneys; revolving fund; agent deposits. (1) Except as otherwise provided in subsection (3) of this section and ORS 471.810 (2), all money collected by the Oregon Liquor Control Commission under this chapter and ORS chapter 473 and privilege taxes shall be remitted to the State Treasurer who shall credit it to a suspense account of the commission. Whenever the commission determines that moneys have been received by it in excess of the amount legally due and payable to the commission or that it has received money to which it has no legal interest, or that any license fee or deposit is properly refundable, the commission is authorized and directed to refund such money by check drawn upon the State Treasurer and charged to the suspense account of the commission. After withholding refundable license fees and such sum, not to exceed \$250,000, as it considers necessary as a revolving fund for a working cash balance for the purpose of paying travel expenses, advances, other miscellaneous bills and extraordinary items which are payable in cash immediately upon presentation, the commission shall direct the State Treasurer to transfer the money remaining in the suspense account to the Oregon Liquor Control Commission Account in the General Fund. Moneys in the Oregon Liquor Control Commission Account are continuously appropriated to the commission to be distributed and used as required or allowed by law.

(2) All necessary expenditures of the commission incurred in carrying out the purposes required of the commission by law, including the salaries of its employees, purchases made by the commission and such sums necessary to reimburse the \$250,000 revolving fund, shall be audited and paid from the Oregon Liquor Control Commission Account in the General Fund, upon warrants drawn by the Oregon Department of Administrative Services, pursuant to claims duly approved by the commission.

(3) Moneys from the retail sale of distilled liquor that are being held by an agent appointed under ORS 471.750 or by a distillery retail outlet agent appointed under ORS 471.230 are not subject to ORS 295.001 to 295.108 if the agent has on deposit with the commission an amount equaling or exceeding an amount the commission, in its discretion, deems to be reasonable and sufficient and to be not less than the average daily gross receipts from retail sales of distilled liquor by the agent. The commission shall remit moneys deposited with the commission under this subsection to the State Treasurer for deposit to a separate reserve account of the commission. Moneys in the reserve account are not revenue of the commission for purposes of ORS 221.770. The commission shall return the deposit, and any interest earned on the deposit, if the appointment of the agent terminates and the agent has forwarded to the commission all moneys owed the commission from retail sales of distilled liquor by the agent. 471.810 Distribution of available moneys in Oregon Liquor Control Commission Account. (1) At the end of each month, the Oregon Liquor Control Commission shall certify the amount of moneys available for distribution in the Oregon Liquor Control Commission Account and, after withholding such moneys as it may deem necessary to pay its outstanding obligations, shall within 35 days of the month for which a distribution is made direct the State Treasurer to pay the amounts due, upon warrants drawn by the Oregon Department of Administrative Services, as follows:

(a) Fifty-six percent, or the amount remaining after the distribution under subsection (4) of this section, credited to the General Fund available for general governmental purposes wherein it shall be considered as revenue during the quarter immediately preceding receipt;

(b) Twenty percent to the cities of the state in such shares as the population of each city bears to the population of the cities of the state, as determined by Portland State University last preceding such apportionment, under ORS 190.510 to 190.610;

(c) Ten percent to counties in such shares as their respective populations bear to the total population of the state, as estimated from time to time by Portland State University; and

(d) Fourteen percent to the cities of the state to be distributed as provided in ORS 221.770 and this section.

(2) The commission shall direct the Oregon Department of Administrative Services to transfer 50 percent of the revenues from the taxes imposed by ORS 473.030 and 473.035 to the Mental Health Alcoholism and Drug Services Account in the General Fund to be paid monthly as provided in ORS 430.380.

(3) If the amount of revenues received from the taxes imposed by ORS 473.030 for the preceding month was reduced as a result of credits claimed under ORS 473.047, the commission shall compute the difference between the amounts paid or transferred as described in subsections (1)(b), (c) and (d) and (2) of this section and the amounts that would have been paid or transferred under subsections (1)(b), (c) and (d) and (2) of this section if no credits had been claimed. The commission shall direct the Oregon Department of Administrative Services to pay or transfer amounts equal to the differences computed for subsections (1)(b), (c) and (d) and (2) of this section from the General Fund to the recipients or accounts described in subsections (1)(b), (c) and (d) and (2) of this section.

(4) Notwithstanding subsection (1) of this section, no city or county shall receive for any fiscal year an amount less than the amount distributed to the city or county in accordance with ORS 471.350 (1965 Replacement Part), 471.810, 473.190 and 473.210 (1965 Replacement Part) during the 1966-1967 fiscal year unless the city or county had a decline in population as shown by its census. If the population declined, the per capita distribution to the city or county shall be not less than the total per capita distribution during the 1966-1967 fiscal year. Any additional funds required to maintain the level of distribution under this subsection shall be paid from funds credited under subsection (1)(a) of this section.

(5) Notwithstanding subsection (1) of this section, amounts to be distributed from the Oregon Liquor Control Commission Account that are attributable to a per bottle surcharge imposed by the Oregon Liquor Control Commission, shall be credited to the General Fund.
