497.012 Validity of licenses on Snake River. (1) Angling, hunting or trapping in the waters of the Snake River or on the islands of the Snake River, where the river forms the boundary line between the State of Oregon and the State of Idaho, by a holder of either a valid Oregon or Idaho license therefor in accordance with the laws and rules of the respective states is lawful.

(2) Nothing in this section is intended to authorize:

(a) The holder of an Oregon license to angle, hunt or trap on the shoreline, sloughs or tributaries on the Idaho side of the Snake River.

(b) The holder of an Idaho license to angle, hunt or trap on the shoreline, sloughs or tributaries on the Oregon side of the Snake River. [1973 c.723 §43]

497.014 Validity of licenses in Pacific Ocean or Columbia River; rules. (1) A person may take fish or shellfish in the waters of the Pacific Ocean within three miles of the coast of the State of Oregon or the State of Washington, between the Oregon-Washington boundary and Cape Falcon, or in the waters of the Columbia River where it forms the Oregon-Washington boundary, if the person holds either a valid Oregon or Washington license therefor in accordance with the laws and rules of the respective state. All persons landing fish by boat in Oregon are subject to all Oregon laws, rules and regulations relating to taking fish or shellfish, including bag and length requirements.

(2) Subsection (1) of this section applies only if the State Fish and Wildlife Commission by rule determines that laws, rules or regulations of the State of Washington, in substance or effect, contain provisions that make a valid Oregon license lawful in the waters of the Pacific Ocean within three miles of the coast of the State of Oregon or the State of Washington, between the Oregon-Washington boundary and Leadbetter Point, or in the waters of the Columbia River where it forms the Oregon-Washington boundary. [1983 c.173 §§2, 3; 1985 c.373 §1; 2003 c.656 §4; 2005 c.260 §1]

497.022 Issuance of licenses, tags or permits by commission agents; fees. (1) The State Fish and Wildlife Commission may appoint agents to issue any of the licenses, tags or permits the commission is authorized by law to issue. The commission shall prescribe the procedure for the issuance of such licenses, tags and permits. Agents of the commission shall issue licenses, tags and permits in accordance with the prescribed procedure and shall charge and collect the fees prescribed by law therefor.

(2)(a) As part of the fees prescribed in the fee schedule under ORS 497.061 and in addition to fees otherwise prescribed by law for the issuance of a license, tag or permit, the issuing agent shall charge and collect:

(D) For any other license, tag or permit, \$2 each.

(b) If the agent is a county clerk, the agent shall deposit the agent fees provided for in this section in the general fund of the county for which the agent is the clerk. If the agent is an employee of the State De-

partment of Fish and Wildlife, the agent fees shall be deposited in the State Wildlife Fund. Agents other than county clerks or department employees who issue licenses without the use of a state computerized licensing system may retain the agent fees for their license tag or permit issuance services. Agents other than county clerks or department employees who issue licenses, tags or permits using a state computerized licensing system may retain a portion of the agent fees not less than:

(A) For each resident annual sportspac license issued pursuant to ORS 497.132 (3)(a) and (4)(a), \$2.50.

(B) For each nonresident annual hunting license issued pursuant to ORS 497.102, \$7.50.

(D) For any other license, tag or permit, as may be specified by contract between the department and the agent for license, tag or permit issuance service performed by the agent, \$1 each.

(3) If the commission finds that an agent appointed pursuant to this section has violated any of the provisions of law or the procedures prescribed by the commission for the issuance of licenses, tags or permits or the collection and disposition of fees therefrom, the commission may revoke the authority of the agent to issue licenses, tags and permits, or may suspend such authority for such time as the commission considers appropriate. [1973 c.723 §45; 1975 c.183 §1; 1981 c.445 §2; 1987 c.345 §1; 1989 c.573 §1; 1993 c.103 §1; 1999 c.1006 §2; amendments by 1999 c.1006 §13 repealed by 2001 c.949 §1; 2001 c.104 §223; 2009 c.832 §3; 2013 c.236 §2; 2015 c.779 §9]

(2) The commission shall, by rule, prescribe the method in which license agents shall remit all moneys belonging to the state accruing from the issuance of licenses, tags and permits.

(3) Notwithstanding subsection (2) of this section, the commission shall not require a license agent to remit moneys from the issuance of licenses, tags and permits more often than once each month if:

(a) The license agent issues licenses, tags and permits in the amount of \$12,500 or less each year; and

(b) The license agent does not use a state computerized licensing system to issue licenses, tags and permits. [1973 c.723 §46; 1975 c.85 §1; 1987 c.345 §2; 1989 c.573 §2]

497.030 [Repealed by 1973 c.723 §130]

497.032 Duplicate licenses, tags and permits. If one or more licenses, tags or permits issued by the State Fish and Wildlife Commission are lost, destroyed or stolen, the holder thereof may submit to the commission a certificate stating that the licenses, tags or permits have been lost, destroyed or stolen, together with the applicable fee under the fee schedule in ORS 497.061 for filing a duplicate certificate. All licenses, tags and permits, issued to the same person, that are identified as being lost, destroyed or stolen may be listed on the same certificate for a single filing fee. If the total of the fees that were paid for all licenses, tags and permits identified in the certificate as lost, destroyed or stolen is less than the applicable fee for filing the certificate, the total fee amount under this section shall be equal to the amount charged for the original licenses, tags and permits. Upon receipt of the certificate and appropriate fee, the commission shall issue to the person the appropriate duplicate licenses, tags and permits that may be used in lieu of the lost, destroyed or stolen licenses, tags and permits. [1973 c.723 §47; 1981 c.445 §3; 1985 c.60 §6; 2009 c.832 §4; 2015 c.779 §11]

(1) By any employee of the State Fish and Wildlife Commission or any person authorized to enforce the wildlife laws.

(2) By the owner, or the agent of the owner, of any land upon which the license, tag or permit holder is angling for, taking, hunting or trapping any wildlife. [1973 c.723 §48; 1981 c.445 §4; 1991 c.67 §149; 2003 c.656 §5]

(2) Each application for the issuance of a license, tag or permit to hunt wildlife with firearms under the wildlife laws shall include the following statement to which the applicant shall attest prior to the issuance of any license, tag or permit to the applicant:

I am not a convicted felon who is prohibited from possessing a firearm under the laws of Oregon or the United States; and

LICENSE, TAG AND PERMIT REQUIREMENTS

497.071 Dedication of certain license, tag and permit fee increases. The Legislative Assembly finds it imperative that the wildlife resources of the State of Oregon be augmented to a level sufficient to provide Oregonians the recreational benefits of hunting and angling, an abundance of wildlife, and the reasonable expectation that their efforts will result in the taking of game or fish. The intent of this legislation is to provide adequate revenue to the State Fish and Wildlife Commission whereby game mammal herds and game fish populations may be increased for the benefit of Oregon hunters and anglers. Concomitant with the purposes for which the Legislative Assembly approves this legislation, the State Fish and Wildlife Commission is directed to expend

the revenues created by this section and ORS 497.102 to 497.134 in achieving wildlife management objectives including, but not limited to the following:

- (1) Habitat management.
- (2) Predator control.
- (3) Replenishment of fish and game populations.
- (4) Reduction of the anadromous bag limit.
- (5) Adjustment of seasons and deadlines to protect returning anadromous adults.
- (6) Supplemental wildlife feeding.
- (7) Protection of game mammals and game birds with characteristics of high reproductive potential.
- (8) Enforcement of closings necessitated by herd or population depletion.
- (9) Expansion of the road and access closure program when necessary to reduce

hunting pressure in specific areas. [1975 c.454 §1]

The tags shall be auctioned or raffled to the highest bidder in a manner prescribed by the commission. However, the percentage cannot be more than 50 percent and the programs must, by written agreement,

provide for public access and habitat improvements.

(3) The tags referred to in subsection (1) of this section are in addition to and not in lieu of the hunting licenses required by law.

(4) The commission may, at the time of issue only, indorse upon the tags referred to in subsection (1) of this section an appropriate designation indicating whether it is for a game animal to be taken with bow and arrow or with firearms, at the choice of the applicant. (5) Except as provided in subsection (6) of this section, a person is not eligible to obtain, in a lifetime, more than one controlled hunt tag issued by the commission to hunt mountain sheep and one controlled hunt tag issued by the commission to hunt mountain goat.

(6) A person is eligible to obtain mountain sheep tags, antelope tags or mountain goat tags described in subsection (2)(a) and (b) of this section, regardless of whether the person has previously taken a mountain sheep, antelope or mountain goat or previously obtained a mountain sheep tag, antelope tag or mountain goat tag issued pursuant to subsection (1) or (2)(a) or (b) of this section.

(7) The number of nonresident mountain goat tags and nonresident mountain sheep tags shall be decided by the commission, but:

(9) The number of tags issued by drawing under subsection (1)(b) and (e) of this section shall be decided by the commission, but for each class of tag so issued, the number may not be more than five percent of all tags of that class issued for hunting in a particular area except one nonresident tag may be issued for each hunt when the number of authorized tags is fewer than 35. The

commission shall set the percentage by rule each year after holding a public hearing.

(10) If a controlled hunt for game mammals is undersubscribed during the primary controlled hunt drawing, the commission may issue the unallocated tags to licensed hunters at up to four times the standard tag fee on a first-come, first-served basis. This controlled hunt tag program shall be in addition to and not replace any existing controlled hunt tag program.

(c) Before developing a predatory animal control program, a county shall consult with the State Department of Fish and Wildlife or the State Department of Agriculture, depending on the predatory animals that are part of the program.
