STATE ADMINISTRATIVE AGENCIES GENERALLY

182.010 Nonattendance of member of board or commission at meetings as forfeiting office; appointment of successor. Any member of a state board or commission appointed by the Governor who fails to attend two consecutive meetings of the board or commission, whether regular, adjourned or special, shall forfeit office unless the member is prevented from attending by the serious illness of a member or the family of the member or for any other cause that in the judgment of the Governor constitutes a valid reason for failing to attend. The Governor shall immediately appoint a successor.

182.020 Notice of meetings of boards and commissions; reporting of absences. The secretary or clerk of every state board and commission shall:

- (1) Give the members of the board or commission at least 10 days' notice, in writing, of the date and place of each regular, adjourned or special meeting.
- (2) Report to the Governor the names of all members who fail to attend any meeting of the board or commission.

182.030 Employment of persons advocating violent overthrow of the Government of the United States or Oregon prohibited. (1) No state department, board or commission shall knowingly employ any person who either directly or indirectly carries on, advocates, teaches, justifies, aids or abets a program of sabotage, force and violence, sedition or treason against the Government of the United States or of the State of Oregon.

(2) Any person employed by any state department, board or commission shall immediately be discharged from employment when it becomes known to the appointing employer that such person has, during the period of employment, committed any offense set forth in subsection (1) of this section.

(3) Any person denied employment or discharged pursuant to this section shall have a right of appeal in accordance with the provisions of the State Personnel Relations Law.

182.040 Boards and commissions to pay counties for services; exceptions. (1) All state boards and commissions that are supported by fees, fines, licenses or taxes or other forms of income not derived from a direct tax on tangible property shall pay the various counties of the State of Oregon the same fees required of others for services rendered.

(2) ORS 182.040 to 182.060 do not apply to:

(a) Except for those fees required in ORS 205.320, services rendered for the Bureau of Labor and Industries on wage claims assigned to it for collection.

(b) Any of the provisions or requirements of ORS 21.310, 52.410 to 52.440, 156.160, 205.360 and 205.370. [Amended by 1965 c.619 s.35; 1967 c.398 s.8; 1973 c.381 s.7; 1981 s.s. c.3 s.97; 1985 c.496 s.25; 1999 c.803 s.3]

182.050 Time and manner of payment to counties. No state board or commission affected by the provisions of ORS 182.040 and 182.060 shall be required at the time of ordering the performance of any services for which a fee or charge may be collected by the county to pay the collectible fee or charge in advance or at the time the services are rendered. The county clerk or other officer performing the service, upon request made by the board or commission, shall charge to the board or commission the amount of the fee or charge, and thereafter on the first days of January, April, July and October of each calendar year supply to the board or commission an itemized statement of all services performed upon order of the board or commission for the three months preceding, together with the legal charge collectible therefor. The board or commission, upon receipt of the statement, promptly shall pay the amount due the county.

182.060 County clerk to record instruments affecting realty for state boards and commissions. When requested by a state board or commission, the county clerk shall record in the office of the clerk any instrument affecting real property and shall return to the board or commission a receipt for the instrument showing the legal charge for the recording of the instrument. [Amended by 1999 c.654 s.12]

182.065 [1977 c.739 s.1; 1979 c.593 s.5; renumbered 183.025]

182.070 [1953 c.527 s.2; 1961 c.167 s.21; 1979 c.215 s.1; repealed by 1995 c.69 s.12]

182.080 Effect of repeal of statute authorizing state agency to collect, receive and expend money. (1) In the event of repeal of a statute or a part thereof which granted or conferred power to any state officer, board, commission, corporation, institution, department, agency or other state organization to collect, receive and expend money for or on behalf of the state or for any purpose authorized by law, such repeal shall not affect or impair any act done, or right accruing, accrued or acquired, or liability, or obligation to pay the state a license or other fee, or payment exacted or required by law to be made or authorized by said repealed statute and the rules, regulations and orders, if any, promulgated thereunder and in effect at the time of such repeal, unless otherwise specifically provided by law. In the event of such repeal of a statute, the Secretary of State shall have the authority to determine, collect and disburse any moneys due the state, or payable by or through the state, representing such license or other fee, or payment exacted or required by law in accordance with the provisions of such repealed statute and such rules, regulations and orders promulgated thereunder, and as otherwise provided by law, in order to secure the full force, effect and operation of such statute up to the time of its repeal, but not thereafter.

(2) Upon repeal of a statute or a part thereof as described in subsection (1) of this section, there hereby is appropriated for the payment of all expenses incurred by the Secretary of State in winding up and concluding administration of such repealed statute, as authorized in subsection (1) of this section, so much as may be necessary,

and no more, of the balance in the General Fund theretofore appropriated for the use, operation and function of such state officer, board, commission, corporation, institution, department or other state organization or agency. Should the balance of such unexpended appropriation be insufficient to cover said costs and expenses of the Secretary of State in administering and concluding the operation of such repealed statute, then, in addition thereto, such amount as may be necessary, and no more, hereby is appropriated out of any funds, accounts and receipts belonging to the state in the custody or control of such state officer, board, commission, corporation, institution, department or other state organization, to cover in full the costs of winding up and concluding the administration of such statute. [1955 c.73 s.1]

(1) In any civil judicial proceeding involving as adverse parties a state agency, as defined in ORS 291.002, and a petitioner, the court shall award the petitioner reasonable attorney fees and reasonable expenses if the court finds in favor of the petitioner and also finds that the state agency acted without a reasonable basis in fact or in law.

(2) Amounts allowed under this section for reasonable attorney fees and expenses shall be paid from funds available to the state agency. The court may withhold all or part of the attorney fees from any award to a petitioner if the court finds that the state agency has proved that its action was substantially justified or that special circumstances exist which make the award of all or a portion of the attorney fees unjust.

(3) As used in this section, "civil judicial proceeding" means any proceeding, other than a criminal proceeding as defined in ORS 131.005 (7), conducted before a court of this state. [1981 c.871 s.2; 1983 c.763 s.61]

182.100 Affirmative action policy implementation on appointments. (1) It is declared to be the policy of Oregon that this state shall be a leader in affirmative action. All appointive authorities for state boards, commissions and advisory bodies shall implement this policy of affirmative action in their appointments, subject to the legal requirements for each appointment.

(2) The Director of Affirmative Action shall assist all persons who have appointing authority at the state level for boards, commissions or advisory bodies in carrying out the state policy stated in subsection (1) of this section and ORS 236.115.

(3) As used in this section, "affirmative action" means a method of eliminating the effects of past and present discrimination, intended or unintended, on the basis of race, religion, national origin, age, sex, marital status or physical or mental disabilities, that are evident or indicated by analysis of present appointment patterns, practices and policies. [1981 c.255 s.1; 1989 c.224 s.10; 1997 c.539 s.2]

182.105 Information concerning tax benefits of providing child care under employee benefit plan. Any state agency may provide information to employers concerning the tax benefits of providing child care, as defined in ORS 657A.250, under an employee benefit plan. [1985 c.753 s.5; 1995 c.278 s.28]

182.109 Agency actions to carry out policies of ORS 410.710. In carrying out the policies stated in ORS 410.710, state agencies shall:

(1) Review their rules and policies and may revise them as necessary to reflect a positive approach to persons with disabilities.

(2) Encourage and promote education of state employees, state officials and the public in general about the worth and capacity of persons with disabilities.

(3) In all state correspondence and publications, avoid the use of stereotypes and negative labels such as "victim," "afflicted," "crippled" and "handicapped" except as such terms as required by statute or federal law and regulation.

(4) Use the preferred and more positive term "disabled" instead of "handicapped" or other negative words except as such terms as required by statute or federal law and regulation.

(5) In implementing subsections (1) to (4) of this section, develop and seek input regarding terminology and portrayal of persons with disabilities from persons who have disabilities and their advocates.

(6) Foster corrective measures and avoid stereotypes and negative labeling in texts used by schools, newspapers, magazines, radio and television by encouraging review and analysis of these media by publishers, company owners or appropriate agencies. [1989 c.224 s.2]

IMPACT OF STATE AGENCY ACTION ON FAMILIES

182.151 Assessment of impact of state agency action on families. In formulating and implementing policies and rules that may have significant impact on family formation, maintenance and general well-being, all state agencies in Oregon shall, to the extent permitted by law, assess such measures in light of the following considerations:

- (1) If the action by the government strengthens or erodes the stability of the family and, particularly, the marital commitment;
- (2) If the action strengthens or erodes the authority and rights of the parents in the education, nurture and supervision of their children;
- (3) If the action helps the family perform its functions, or if the action substitutes governmental activity for the function;
- (4) If the action by the government increases or decreases family earnings and if the proposed benefits of the action justify the impact on the family budget;
- (5) If the activity can be carried out by a lower level of government or by the family itself;
- (6) The message, intended or otherwise, the program sends to the public concerning the status of the family; and
- (7) The message the action sends to young people concerning the relationship between their behavior, their personal responsibility and the norms of our society. [1999 c.523 s.1]

Note: 182.151 and 182.152 were enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 182 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

182.152 No right or benefit created. ORS 182.151 is intended to improve the internal management of state agencies in Oregon and is not intended to create any right or benefit, substantive or procedural, enforceable at law by a party against the State of Oregon, its agencies, its officers or any person. (1) There is created in the State Treasury, separate and distinct from the General Fund, an Oregon State Productivity Improvement Revolving Fund. All moneys in the fund are appropriated continuously to the Oregon Department of Administrative Services for making loans, grants, matching funds or cash awards available to state agencies or units for implementation of productivity improvement projects, including training and workforce development, upon authorization of the Oregon Department of Administrative Services, subject to ORS 243.650 to 243.782 when applicable. Interest on earnings of the fund shall be credited to the fund.

(2) The Oregon State Productivity Improvement Revolving Fund shall consist of:

(b) Savings realized from implementation of productivity improvement projects which may include existing and future projects authorized by the department.

(c) Any unexpended revenues transferred in accordance with ORS 279.645 (2).

(3) Fifty percent of the agency or unit budget savings resulting from improved efficiency shall be credited to the Oregon State Productivity Improvement Revolving Fund to be used for program improvement by the agency or unit. If not used in the biennium in which the savings occur, the amount of credit to an agency or unit may be treated as if it were continuously appropriated to the agency or unit and may be expended in the following biennium without resulting in any budget justification for the agency or unit. Expenditures from the fund are not subject to allotment or other budgetary procedures.

(4) None of the expenditures in a biennium by the agency or unit under this section shall be considered to be within any appropriation or expenditure limitation in the agency's base budget for the biennium.

(5) A productivity improvement project may include training and employee development authorized by the department and intended to lead to improved productivity.

[1989 c.815 s.6; 1993 c.724 s.31]

182.385 Identification of reduced expenses resulting from improved efficiency. In preparing its budget for the biennium following one in which the state agency or unit credits any amount to the Oregon State Productivity Improvement Revolving Fund, the agency or unit shall identify any reduction in agency or unit expenses resulting from improved efficiency. The plan must be approved by the Director of the Oregon Department of Administrative Services. Loans, grants or matching funds authorized under ORS 182.375 shall not require any increased funding or increases in an expenditure limitation and shall not require legislative review.

(2) The plan required in subsection (1) of this section shall include long-range objectives of each program, indicating in each case where the agency or unit shall increase efficiency and cost savings without a reduction in public services. The plan shall include reasons for leaving current positions vacant, actual reductions in services and supplies, travel and capital outlay and shall include a system to evaluate the resulting accomplishments of each agency or unit. [1989 c.815 s.8; 1993 c.724 s.33]
