(2) It is the purpose of this chapter to authorize the exercise of powers granted by this chapter by this state in addition to and not in lieu of any other powers it may possess. [1989 c.820 s.1]

(5) Make all contracts, execute all instruments, and do all things necessary or convenient in the exercise of the powers granted by this section, or in the performance of its covenants or duties, or in order to secure the payment of its bonds, including a contract entered into prior to the construction, acquisition and installation of the eligible project authorizing the lessee, subject to such terms and conditions as the state shall find necessary or desirable and proper, to provide for the construction, acquisition and installation of the buildings, improvements and equipment to be included in the project by any means available to the lessee and in the manner determined by the lessee;

(6) Enter into and perform such contracts and agreements with participating institutions as the respective boards of directors may consider proper and feasible for or concerning the planning, construction, installation, lease, or other acquisition, and the financing of such facilities, which contracts and agreements may establish a body as may be considered proper for the supervision and general management of the facilities of the eligible project; and

[1989 c.820 s.7; 1991 c.408 s.3]

289.120 Limitation on manner of operating project and expenditure of funds. Except as provided in ORS 289.115 (2), the state shall not have power to operate any eligible project as a business or in any manner whatsoever. [1989 c.820 s.8]

Moneys collected under this subsection are continuously appropriated to the authority for the purpose of administration or funding of any program it is authorized to operate.
- (5) The fees described in subsection (4) of this section are as follows:
- (a) \$250 for an application of not to exceed \$500,000.
 - (b) \$500 for an application of more than \$500,000.
 - (c) A closing fee of not to exceed one-half of one percent of the total bond issue for the project, as determined by the authority.
- (6) The fees received under subsection (5) of this section shall be credited to and deposited in the Health, Housing, Educational and Cultural Facilities Authority Account established under ORS 289.130. [1989 c.820 s.4; 1991 c.408 s.4]

[1989 c.820 s.4a; 1991 c.408 s.5]

289.200 Issuance of revenue bonds; role of State Treasurer. (1) If the State Treasurer determines that revenue bonds should be issued:

The bonds shall be identified by project and issued in the manner prescribed by ORS 286.010, 286.020 and 286.105 to 286.135, and refunding bonds may be issued to refinance such revenue bonds.

(b) The State Treasurer shall designate the underwriter, trustee and bond counsel, if any, and enter into appropriate agreements with each to carry out the provisions of this chapter.

(2) Any trustee designated by the State Treasurer to carry out all or part of the powers specified in ORS 289.110 must agree to furnish financial statements and audit reports for each bond issue.

(3) The State Treasurer shall be the applicable elected representative for purposes of approving the issuance of revenue bonds under this chapter as to the extent such approval is required under section 147(f) of the Internal Revenue Code of 1986, as amended, or any successor provision thereto.

(4) The State Treasurer shall collect data from the Health, Housing, Educational and Cultural Facilities Authority regarding the amount and nature of bonded indebtedness in Oregon health care institutions financed through the authority. [1989 c.820 s.9; 1991 c.408 s.6; 1995 c.727 s.14]

The refunding bonds may be exchanged for bonds to be refunded and the proceeds applied to the purchase, redemption or payment of such bonds. [1989 c.820 s.11]

289.215 Validity of bonds not affected by other matters regarding facility. The validity of bonds issued under this chapter shall not be dependent on nor be affected by the validity or regularity of any proceeding relating to the acquisition, purchase, construction, reconstruction, installation, improvement, betterment or extension of the project for which the bonds are issued. The official action authorizing such bonds may provide that the bonds shall contain a recital that they are issued pursuant to this chapter and such recital shall be conclusive evidence of their validity and of the regularity of their issuance. [1989 c.820 s.12]

289.220 Covenants regarding bond issuance. The official action authorizing the issuance of bonds under this chapter to finance or refinance in whole or in part, the acquisition, purchase, construction, reconstruction, installation, improvement, betterment or extension of any project may contain covenants, notwithstanding that such covenants may limit the exercises of powers conferred by this chapter in the following respects and in such other respects as the state, acting through the State Treasurer, or the designee of the treasurer may decide:

(1) The rents to be charged for the use of properties acquired, purchased, constructed, reconstructed, installed, improved, bettered or extended under the authority of this chapter;

(8) The issuance of other or additional bonds or instruments payable from or constituting a charge against the revenue of the eligible project;

(9) The insurance to be carried upon the eligible project and the use and disposition of insurance moneys;

(10) The keeping of books of account and the inspection and audit thereof;

(11) The terms and conditions upon which any or all of the bonds shall become or may be declared due before maturity and the terms and conditions upon which such declaration and its consequences may be waived;

(12) The rights, liabilities, powers and duties arising upon the breach by the municipality or redevelopment agency of any covenants, conditions or obligations;

(13) The appointing of and vesting in a trustee or trustees of the right to enforce any covenants made to secure or to pay the bonds, the powers and duties of such trustee or trustees and the limitation of their liabilities;

(14) The terms and conditions upon which the holder or holders of the bonds, or the holders of any proportion or percentage of them, may enforce any covenants made under this chapter;

(15) A procedure by which the terms of any official action authorizing bonds or of any other contract with bondholders, including but not limited to an indenture of trust or similar instrument, may be amended or abrogated, and the amount of bonds the holders of which may consent thereto, and the manner in which such consent may be given; and

(16) The subordination of the security of any bonds issued under this chapter and the payment of principal and interest thereof, to the extent considered feasible and desirable by the state, to other bonds or obligations of the state issued to finance the eligible project or that may be outstanding when the bonds thus subordinated are issued and delivered. [1989 c.820 s.13]

289.225 Sources of bond repayment restricted; recitations in bonds. (1) Revenue bonds issued under this chapter shall not:

(a) Be payable from nor charged upon any funds other than the revenue pledged to the payment thereof, nor shall the state be subject to any liability thereon. No holder or holders of such bonds shall ever have the right to compel any exercise of the taxing power of the state to pay any such bonds or the interest thereon, nor to enforce payment thereof against any property of the state except those projects or portions thereof, mortgaged or otherwise encumbered under the provisions and for the purposes of this chapter.

(b) Constitute a charge, lien or encumbrance, legal or equitable, upon any property of the state, except those eligible projects, or portions thereof, mortgaged or otherwise encumbered, under the provisions and for the purposes of this chapter.

(2) Each bond issued under this chapter shall recite in substance that the bond, including interest thereon, is payable solely from the revenue pledged to the payment thereof. No such bond shall constitute a debt of the state or a lending of the credit of the state within the meaning of any constitutional or statutory limitation. However, nothing in this chapter is intended to impair the rights of holders of bonds to enforce covenants made for the security thereof as provided in ORS 289.230. [1989 c.820 s.14]

289.230 Actions by bondholders to enforce rights. Subject to any contractual limitation binding upon the holders of any issue of revenue bonds, or a trustee therefor, including but not limited to the restriction of the exercise of any remedy to a specified proportion or percentage of such holders, any holder of bonds, or any trustee therefor, for the equal benefit and protection of all bondholders similarly situated, may:

(1) By action or proceeding for legal or equitable remedies, enforce their rights against the state and any of its officers, agents and employees, and may require and compel the state or any such officers, agents or employees to perform and carry out its and their duties and obligations under this chapter and its and their covenants and agreements with bondholders;

(2) By action require the state to account as if it was the trustee of an express trust;

(3) By action enjoin any acts or things which may be unlawful or in violation of the right of the bondholders;

(4) Bring action upon the bonds;

(5) Foreclose any mortgage or lien given under the authority of this chapter and cause the property standing as

security to be sold under any proceedings permitted by law or equity; and

(6) Exercise any right or remedy conferred by this chapter without exhausting and without regard to any other right or remedy conferred by this chapter or any other law of this state, none of which rights and remedies is intended to be exclusive of any other, and each is cumulative and in addition to every other right and remedy. [1989 c.820 s.15]

289.235 Loan of bond proceeds for projects; state not required to have ownership or leasehold interest. The state, acting through the State Treasurer and the Health, Housing, Educational and Cultural Facilities Authority, or either of them, may lend the proceeds of the bonds authorized by this chapter for eligible projects without the necessity of the state having any ownership or leasehold interest in the eligible projects. Loans made pursuant to this section shall be secured to the extent considered necessary or desirable by the State Treasurer and the authority to assure repayment of the bonds. [1989 c.820 s.16; 1991 c.408 s.7]

289.240 Report of bonding activities; rules. (1) Within 90 days following the closing of each fiscal year, the Health, Housing, Educational and Cultural Facilities Authority shall report on its operations to the Governor, State Treasurer and the Legislative Assembly. The report shall include a summary of the authority's activities relating to bonds issued under this section.

(2) In accordance with any applicable provision of ORS 183.310 to 183.550, the authority may adopt such rules as it considers necessary to carry out its duties, functions and powers under this chapter. [1989 c.820 s.18]

Sec. 1. (1) As used in this section, "health programs" means programs for transportation of the elderly and disabled, programs for housing for persons with disabilities and for low and very low income families and individuals and any other programs established or defined by law as programs eligible for financing with moneys from the Health Security Fund established under this section.

(2) The Health Security Fund is established in the State Treasury, separate and distinct from the General Fund. All earnings on moneys in the fund shall be appropriated continuously and expended only for the purpose of financing health programs.

(3) The Health Security Fund shall consist of all moneys paid to this state by United States tobacco products manufacturers under the Master Settlement Agreement of 1998.

(4) Moneys in the fund shall be invested as provided in ORS 293.701 to 293.790 and the earnings from such investments shall be credited to the Health Security Fund.

(5) Earnings on moneys in the Health Security Fund shall be distributed annually. [1999 c.919 s.1]

Sec. 2. The programs listed in this section are health programs eligible for financing with moneys in the Health Security Fund, and earnings on moneys in the Health Security Fund shall be expended on the programs in the following amounts:

(1) Forty percent of the earnings, but not more than \$7 million in each fiscal year, to counties for public health programs and services and mental health programs and services as provided in section 4 of this 1999 Act.

(2) Twenty percent of the earnings, but not more than \$5 million in each fiscal year, to the Elderly and Disabled Special Transportation Fund for expenditure as other moneys in the Elderly and Disabled Special Transportation Fund are expended.

(4) Ten percent of the earnings to fund tobacco use prevention, education and cessation programs administered by the Health Division.

(5) Seven percent of the earnings, but not more than \$10 million, to Oregon Health Sciences University as provided in sections 6 and 7 of this 1999 Act.

(6) Three percent of the earnings, but not more than \$1.5 million in each fiscal year, to the Department of Human

Services to fund the department's shelter care grant program as provided in section 8 of this 1999 Act. [1999 c.919 s.2]

Sec. 3. (1) Notwithstanding section 1 (2) of this 1999 Act, the Legislative Assembly, upon approval by two-thirds of the members elected to each house of the Legislative Assembly, may appropriate moneys from the Health Security Fund principal when the following economic conditions present or predicted in this state indicate the presence or likelihood of an economic recession:

- (a) The seasonally adjusted rate of nonfarm payroll employment declines for two or more consecutive quarters; and
- (b) A quarterly economic and revenue forecast projects a negative ending balance that is greater than one percent of General Fund appropriations for the biennium for which the forecast is being made.

(2) Notwithstanding section 1 (2) of this 1999 Act, the Legislative Assembly may also appropriate moneys from the Health Security Fund principal when any judicial order or decree or any settlement agreement to which this state is a party requires the State of Oregon to pay any portion of the fund principal to the federal government.

(3) Appropriations made under subsection (1) or (2) of this section must be for the purpose of financing those health programs established or defined by law as programs eligible for such financing.

(4) The Legislative Assembly may by law prescribe the procedures to be used and identify the persons required to make the forecasts and projections described in subsection (1)(b) of this section.

(5) The Legislative Assembly may not use moneys in the Health Security Fund for a purpose other than financing health programs or under conditions other than those described in subsection (1) of this section unless the electors of this state approve a measure referred to the electors by the Legislative Assembly that authorizes the use of moneys in the Health Security Fund without regard to economic conditions or for a purpose specified in the measure. When the electors of this state approve the use of moneys in the fund for a purpose other than financing health programs, moneys may be appropriated from the Health Security Fund under this subsection only for the purpose approved by the electors. [1999 c.919 s.3]

Sec. 4. (1) The following health programs are eligible to receive financial assistance from the Health Security Fund established under section 1 of this 1999 Act:

- (a) Public health programs and services required under ORS 431.416; and
- (b) Mental health programs and services required under ORS 430.630.

(2) In each fiscal year, the counties in this state shall receive not more than \$7 million in financial assistance from the Health Security Fund for the programs described in subsection (1) of this section. If in any fiscal year there are insufficient moneys available for the distribution to counties of the amount specified in this subsection, earnings from the Health Security Fund shall be reduced proportionately among all counties eligible to receive earnings from the fund.

(3) Each county shall receive a share of the moneys distributed to counties under subsection (2) of this section in such proportion as the population of the county bears to the total population of all the counties in this state. However, when the full amount specified in subsection (2) of this section is distributed to counties, a county shall not receive less than \$50,000 in the fiscal year. Allocation plans and policies adopted by the Department of Human Services under subsection (4) of this section may establish other criteria for distribution of moneys under this subsection.

(4) The Department of Human Services shall develop allocation plans and policies to be followed by counties when spending moneys received under this section. The allocation plans and policies shall require a county to allocate the moneys received under this section equally between public health programs and services and mental health programs and services. However, the plans and policies may allow a county governing body to change the allocation ratio to meet local conditions and needs. The department may also establish reporting requirements for counties relating to the use of moneys received under this section. [1999 c.919 s.4]

Sec. 9. When the earnings on moneys in the Health Security Fund in any fiscal year exceed the amount necessary for distribution of the maximum amounts to health programs as provided in section 2 of this 1999 Act, the Legislative Assembly may provide for the distribution of the excess earnings in amounts greater than those specified in section 2 of this 1999 Act or to health programs other than those specified in section 2 of this 1999 Act. [1999 c.919 s.9]

Sec. 10. The first distribution of moneys from the Health Security Fund shall be made not later than one year after the effective date of this 1999 Act. [1999 c.919 s.10]
