462.020 Licensing required for race meets, persons participating in race meets and public training tracks; licensees to observe rules and orders. (1) No person shall hold any race meet without having first obtained and having in full force and effect a license therefor issued by the Oregon Racing Commission.

(2) No trainer, driver, jockey, apprentice jockey, horse owner, dog owner, exercise person, agent, authorized agent, jockey's agent, stable foreman, groom, valet, veterinarian, horseshoer, steward, stable guard, starter, timer, judge or other person acting as a participant or official at any race meet, including all employees of the pari-mutuel department, shall participate in race meets without having first obtained and having in full force and effect a license issued by the commission, pursuant to such rules as the commission shall make. The commission by rule may require other employees of a race meet licensee who are engaged in or performing duties at the race course to obtain a license issued by the commission prior to engaging or performing such duties. The commission by rule may also require persons, including corporations, who are not employees of a race meet licensee, but who are authorized to do business at the race course, to obtain a license issued by the commission prior to conducting such business.

(3) No person shall operate a public training track or public kennel for greyhounds participating in a race meet without having first obtained and having in full force and effect a license issued by the commission.

(4) The commission may require each licensee to be fingerprinted and photographed as part of the licensing procedure.

(5) Each person holding a license under this chapter shall comply with all rules and orders of the commission.

(6) Notwithstanding the requirements of subsection (2) of this section, the commission, upon receipt of a written application for a license on forms provided by the commission, may in its sound discretion issue a temporary license valid for a period not to exceed 10 days pending final approval or disapproval of the written application for a license. [Amended by 1955 c.454 s.1; 1957 c.313 s.2; 1969 c.356 s.11; 1975 c.549 s.2; 1983 s.s. c.7 s.1; 1999 c.59 s.131]

462.025 Notice required to terminate use of license; hearing. No licensee who accepts an engagement or employment or undertakes activities in preparation for or in connection with a race meet shall voluntarily terminate or discontinue the engagement, employment or activities of the licensee or otherwise refuse to cooperate or participate, unless the licensee gives the Oregon Racing Commission notice in writing of the intention to do so at least 15 days prior to such termination or discontinuance. The commission may, upon notice to all interested parties, conduct one or more hearings with respect to any such termination or discontinuance. [1969 c.356 s.5; 1975 c.549 s.3]

462.030 Qualifications for eligibility of race meet operator. No person is eligible to operate a race meet with a license issued under this chapter unless the person is the owner or controls the possession of a properly constructed race track suitable for the class of races which are proposed to be conducted at such race track and improved with safe and suitable grandstands, equipped with reasonably sanitary accommodations, adequate stables for livestock together with adequate fire protection equipment, and such other proper improvements as in the judgment of the Oregon Racing Commission may be required, taking into consideration the location of such race track and the probable capacity requirements to accommodate the crowd and the number of people that will reasonably be expected to occupy the grandstands and attend the race meets. [Amended by 1955 c.336 s.1]

462.040 Race meet licenses, classes, limitations, contents. (1) Race meet licenses granted by the Oregon Racing Commission shall be limited to:

(a) Licenses for horse and mule race meets (Class A).

(b) Licenses for greyhound race meets (Class B).

(2)(a) Except as the commission otherwise may provide by rule, no licensee shall be granted licenses of both classes nor shall licenses be issued for more than one class of racing on the same race course, track or location.

(b) In adopting rules to carry out the provisions of this subsection, the commission shall consider, among other matters, the impact on existing race meet licensees in the county in which application for a license referred to in paragraph (a) of this subsection is made.

(3) The commission shall not grant any license for greyhound racing at the Oregon State Fair.

(4) The license shall specify the number of days the race meet shall continue and the number of races per day.

[Amended by 1955 c.639 s.1; 1957 c.313 s.3; 1969 c.356 s.12; 1975 c.549 s.4; 1979 c.720 s.1; 1989 c.210 s.3; 1997 c.865 s.2]

(1) Every person making application for a license to hold a race meet shall file the application with the Oregon Racing Commission. The application shall set forth the time, place and number of days the applicant desires the meet to continue, together with the applicant's estimate of the daily average payment that the applicant will pay to the state upon the gross amount of money wagered per day and such other information as the commission may require.

(2) The commission may, in its discretion, require a performance bond in an amount not to exceed \$10,000, to insure that the licensee operates a race meet on the license days granted.

(3) The application shall be accompanied by a check on a financial institution maintaining an office and licensed to do business in Oregon in an amount equal to the license fee, exclusive of required percentage payments, required for the number of days for which the license is requested. If the license is not granted, such deposit shall be returned promptly to the applicant. If the license is granted, but for fewer days than applied for, the excess of the daily deposit shall be returned promptly to the applicant.

(4) No applicant designated in ORS 462.057 is eligible for a return of the license fee unless a race meet license is not granted.

(5) When a licensee under ORS 462.062 or 462.067 is prevented from conducting a race meet for the authorized number of days, the commission, upon written request therefor, may refund to the licensee the daily license fee based upon the number of days lost for good cause shown. The commission is the sole judge of good cause.

(6) In order to assist the commission in determining whether there has been compliance with ORS 462.075 (1)(h), (2)(a) and (4):

(a) The commission may require each holder of a license under ORS 462.062 or 462.067 to submit annually to the commission audited financial statements.

(b) Each licensee under ORS 462.062 or 462.067 shall make available to the commission for examination and audit at all reasonable times, upon notice to the licensee by the commission, complete and accurate financial records of the licensee's operations, including the financial records of any other corporation or business entity owned or controlled by the same parent corporation or individual as the licensee that provides services related to the licensee's operations. [Amended by 1975 c.549 s.5; 1981 c.544 s.2; 1983 s.s. c.7 s.15; 1997 c.631 s.477; 1997 c.865 s.3]

(1) The Oregon Racing Commission may require of every applicant for a license to hold a race meet, except the Oregon State Fair and all county fairs, that has not, within five fiscal years prior to making an application for a license to hold a race meet, operated a race meet in the county or the city in which application for a license to hold a race meet is made, a recommendation in writing of the board of county commissioners of the county in the event the race meet is to be held outside of a city, and of the governing body of such city if the race meet is to be held within a city.

(2) The commission may take such recommendation into consideration before granting or refusing such license. The applicant shall pay an investigating fee not to exceed \$100 to the recommending authority, if any. [1953 c.551 s.3; 1969 c.356 s.13; 1975 c.549 s.6; 1981 c.544 s.3; 1987 c.413 s.2]

No payments shall be made by the licensee from this account except to a person who presents a valid, clearly identifiable winning or refund ticket. A statement of the balance of the Unclaimed Winnings Account shall be furnished to the Oregon Racing Commission within 72 hours after any change in the account balance during the race meet and, after the completion of the race meet, within five days following the last day of each month in which there is any change in the account balance.

(2) Any person claiming to be entitled to any part of winnings or refunds from a mutuel wagering system operated by a licensee, who fails to claim the money due prior to the completion of the race meet at which the mutuel wagering or refund ticket was purchased, may, within 90 days after the close of the meet, file with the licensee a claim, in such form as the commission shall prescribe, accompanied by the valid winning or refund ticket. If the claimant establishes the right to winnings or refunds from the mutuel wagering system, the licensee shall pay such moneys to the claimant. At the expiration of such 90-day period, the holder of such a winning or refund ticket shall possess no right to any portion of the wagering or refund and the ticket shall be deemed void.

(3) One hundred twenty days after the close of a race meet conducted by a licensee under this chapter, an amount equal to the outstanding balance of the Unclaimed Winnings Account shall be paid to the commission, which shall immediately deposit such moneys in the General Fund in the State Treasury to the credit of the Oregon Racing Commission Account. The licensee shall be subject to a civil penalty of not less than \$25 per day after 120 days for failure to pay moneys due to the commission in accordance with this subsection. Civil penalties under this subsection shall be imposed as provided in ORS 183.090.

(4) Notwithstanding the provisions of subsections (2) and (3) of this section, if a continuous race meet is designated by the commission, the 90-day period referred to in subsection (2) of this section shall commence after the close of the continuous race meet at the race course.

(5) Notwithstanding the provisions of subsection (2) of this section, if the 90th day prescribed therein falls upon a Saturday, Sunday or legal holiday, then the holder shall file such claim with the licensee on the first business day thereafter.

(6) Notwithstanding the provisions of subsection (3) of this section, a race meet licensee who holds a license under ORS 462.057 shall retain that licensee's unclaimed winnings to finance physical improvements to the licensee's race course facility and enclosure. This subsection does not apply to the unclaimed winnings from those race meets which the licensee holds at the race course of a licensee who is the holder of a license under ORS 462.062 or 462.067.

(7) Notwithstanding the provisions of subsection (3) of this section, when a race meet is conducted at the state fairgrounds by a licensee of the Oregon State Fair and Exposition Center, unclaimed winnings from the race meet shall be expended for physical improvements to the race course facility and enclosure at the state fairgrounds. This subsection does not apply to unclaimed winnings from pari-mutuel wagering on races conducted pursuant to ORS 462.700 to 462.740 by a licensee of the Oregon State Fair and Exposition Center. (a) That the applicant is not possessed of or has not demonstrated financial responsibility sufficient to meet adequately the requirements of the enterprise proposed to be licensed.

When the commission refuses to license an applicant on the basis of grounds provided in subsection (1)(b), (c) or (h) of this section, the commission shall specify the particular activities that constitute the grounds for refusal and shall give the applicant written notice thereof. [1955 c.641 s.1; 1957 c.313 s.5; 1969 c.356 s.15; 1973 c.612 s.20; 1979 c.330 s.2; 1981 c.544 s.18; 1987 c.413 s.4; 1995 c.260 s.1; 1997 c.865 s.6]

The commission may take such action without first providing a hearing and without being subject to either criminal or civil liability. However, if no hearing is provided, then, within 10 days after the board's action and upon demand by the aggrieved party, the commission shall grant a hearing as provided in ORS 183.310 to 183.550, except that such hearing shall take place no later than 20 days following demand.

(4) A race meet licensee may eject or exclude any person from the race course for any reason and in any manner that is not contrary to law.

(5) Any of the foregoing persons who refuses to leave a race course when ordered to do so by commission inspectors or the stewards, or by any peace officer, is guilty of a misdemeanor. (2) The commission may revoke, suspend or refuse to renew the license to hold a race meet of any licensee, if a corporation, which transfers any of its stock after a license to hold a race meet is issued and before the termination of the license period except as otherwise authorized in ORS 462.075 (2)(d).

(3) Notwithstanding any other provision of law, the commission or board of stewards or board of judges may suspend, prior to any hearing, the license of any person whose license has been duly suspended by an official body of another state or country for violation of the racing or gaming laws or regulations of that jurisdiction. However, at the time of the license suspension in Oregon, the person must be notified of the right to request an immediate hearing to contest the suspension.

(4) Revocation of a license shall operate as a forfeiture of all rights and privileges granted by the commission and of all sums of money paid to the commission by the offender.

(5) When grounds exist for the revocation or suspension of a license issued pursuant to this chapter, the commission may, in its discretion, impose a civil penalty, not in excess of \$1,000, on the licensee in lieu of or in addition to revoking or suspending the license. All sums paid the commission pursuant to this subsection shall be deposited as provided in ORS 462.260.

(6) Civil penalties under this section shall be imposed as provided in ORS 183.090. [Subsection (5) enacted as 1953 c.499 s.3; 1957 c.313 s.7; 1969 c.356 s.17; 1973 c.612 s.22; 1981 c.544 s.19; 1983 s.s. c.7 s.7; 1987 c.413 s.6; 1991 c.734 s.33; 1997 c.865 s.7]

462.100 License fee and tax in lieu of all others; exception. (1) The State of Oregon hereby preempts the imposition of taxes on or measured by income on, and the regulation of, race meets.

(2) Except for taxes levied under ORS 267.010 to 267.390, the license fee and tax provided in this chapter for a race meet licensed thereunder shall be in lieu of:

(a) All other licenses and privilege taxes or charges by the state or any county, city or other municipal corporation; and

(b) All other taxes on or measured by income imposed by any county, city or other municipal corporation. [Amended by 1973 c.583 s.1; 1987 c.655 s.1]

462.110 Public liability insurance required; bond of licensee; actions on bond; insurance. (1) For the protection of the public, and all members thereof, the exhibitors and visitors, every race meet licensee shall carry public liability insurance written on an approved form by a company licensed to do business in Oregon and in an amount approved by the Oregon Racing Commission.

(2) Every person licensed to conduct a race meet shall provide and deliver to the commission a bond signed by a surety company authorized to do business in Oregon in such form as is required by the commission and in an amount determined by the commission. The bond shall be conditioned that the licensee will pay to the state all moneys due it under this chapter, including moneys which escheat pursuant to ORS 462.073 and any fines imposed by any court or by any state agency; to horsemen or greyhound owners, all moneys owing and all moneys required to be paid for breakage, purses and Oregon-bred purse supplements; to persons presenting valid winning tickets, the amounts owing to them; and to the special track fund or training track fund, all moneys required to be paid to those funds by statute or rule. In lieu of a surety bond the commission may accept a certificate of deposit, an irrevocable letter of credit, or equivalent which will assure that the obligations described above are paid, up to the designated amount.

(3) The Attorney General or the district attorney of the county wherein the race meet is held shall prosecute all actions on such bonds on behalf of the state.

(4) Any person having a claim against the licensee for any obligation covered by the bond or bond substitute,

except cause of action covered by public liability insurance, may prosecute the same in an action in behalf of the claimant brought in the name of the state for the use and benefit and at the expense of such claimant. The court may award reasonable attorney fees to the prevailing party in an action under this subsection. If the amount of the bond or bond substitute is insufficient to cover all obligations, amounts owing to and for the benefit of the state pursuant to ORS 462.073 (3) shall have priority over any other claims. No action may be brought for recovery on the bond or bond substitute unless written notice of the claim is made to the commission and to the race meet licensee within 120 days after the last day of the race meet or continuous race meet in which the obligation arose. The notice must be by registered mail, certified mail with return receipt or personal service to the licensee or to the licensee's registered agent. Any action for recovery on the bond or bond substitute must be brought no earlier than 60 days and no later than 180 days after service of the written notice on the race meet licensee or on the licensee's registered agent. These limitations shall not apply to claims for valid winning tickets if the claimant has made a timely claim pursuant to ORS 462.073 (2).

(5) Every person licensed to conduct a race meet for horses shall carry insurance to protect jockeys and, if appropriate, drivers. The type, form and amount of insurance, and the carrier, must be approved by the commission. [Amended by 1957 c.313 s.8; 1969 c.356 s.18; 1975 c.549 s.11; 1981 c.897 s.53; 1983 s.s. c.7 s.8; 1985 c.48 s.1; 1991 c.249 s.38; 1995 c.618 s.73]

462.120 [Amended by 1955 c.468 s.1; 1961 c.203 s.1; 1969 c.93 ss.1, 2; repealed by 1969 c.356 s.38]

462.125 Commission to determine number and classes of race meets; limitation; unused race days. (1) The Oregon Racing Commission shall determine the number and classes of race meets to be held in any fiscal year, and the total number of racing dates to be granted to a licensee subject to provisions of ORS 462.062 and 462.067.

(2) Not more than 350 days of racing, exclusive of racing days authorized to designated licensees pursuant to subsections (4) and (5) of this section, shall be held in any metropolitan area in any fiscal year. Race days shall be allocated to race meets for horses (class A) and to race meets for greyhounds (class B) in a manner not inconsistent with allocations made by the commission for calendar years 1992 and 1993. However, not fewer than nine live races must occur on 40 percent of all days on which the commission authorizes pari-mutuel wagering for horse races, or on 80 days, whichever is greater. None of the days allocated in any metropolitan area to race meets for horses and to race meets for greyhounds shall overlap. Notwithstanding the race days allocations required by this subsection, if a licensee fails, for good cause, to complete all of the allocated days in a licensed race meet or if the commission does not receive and approve license applications for all of the days allocated to either class of racing, the commission may add the unused or unallocated days no later than June 30 of the following fiscal year, to the racing days allocated to and available to the licensee or, in the discretion of the commission, to any other licensee of either class of racing in the metropolitan area. However, the additional racing days granted by the commission to any eligible licensee shall not exceed the total of the unused or unallocated racing days in any one fiscal year. However, if an emergency occurs on the day of racing, and a night racing program should run past the hour of midnight, such time after midnight shall not be considered an additional racing day.

(3) As used in subsection (2) of this section, "metropolitan area" means:

- (a) Multnomah, Clackamas and Washington Counties.
- (b) Marion and Polk Counties.
- (c) Linn and Benton Counties.

(d) A county other than those designated in paragraphs (a), (b) and (c) of this subsection.

(4) Each licensee designated in ORS 462.057 may be granted up to 12 days of horse, mule or greyhound racing to be held within the county in which the licensee holds its fair or show or at a race course owned by a governmental agency or a nonprofit corporation in an adjoining county. If a licensee does not use all of its allocated race days during the fiscal year, the commission, in its discretion, may allow that licensee to use the leftover days in the next fiscal year. If a licensee referred to in this subsection wishes to make application to the commission to schedule racing days that conflict with racing days previously scheduled by another such licensee, at least 30 days prior to the date of a meeting of the commission, the governing bodies of the applicant and the previous licensee shall meet at a time and place prescribed by the previous licensee to discuss the applicant's proposed racing day schedule. The conclusion of the parties regarding the proposals for conflicting racing days and the matters upon which the parties agree or disagree shall be reduced to writing signed by the parties and submitted to the commission not later than 14 days prior to a meeting of the commission. The commission may approve or disapprove proposals for conflicting racing days upon such terms and conditions as the commission considers appropriate.

(5) The Oregon State Fair may be granted up to 65 days of racing to be held at the state fairgrounds. Such racing shall be sponsored by the Oregon State Fair and the net licensee income of the meet shall be used only for Oregon State Fair programs or capital improvements. The commission shall schedule days of racing for the Oregon State Fair in such manner as to avoid conflict with other race meets previously licensed under ORS 462.057. The Oregon State Fair shall make payments as specified in ORS 462.057 (1).

(6) No license shall be granted for any race meet within a county for dates which conflict with racing dates granted to the county fair of such county. [1969 c.356 s.9; 1973 c.541 s.2; 1975 c.105 s.1; 1975 c.550 s.6; 1979 c.330 s.4; 1979 c.698 s.13a; 1981 c.544 s.9; 1983 s.s. c.7 s.9; 1985 c.675 s.8; 1987 c.413 s.7; 1989 c.210 s.1; 1993 c.682 s.5]

462.127 Oregon Quarterhorse Association and Oregon Division Horsemen's Benevolent and Protective Association racing; exception to ORS 462.125. Notwithstanding any other provision of this chapter:

(1) The Racing Division of the Oregon Quarterhorse Association, Incorporated, and the Oregon Division Horsemen's Benevolent and Protective Association, may each be granted up to 15 days of racing per fiscal year at locations approved by the Oregon Racing Commission. Such racing will be sponsored by the Racing Division of the Oregon Quarterhorse Association, Incorporated, or the Oregon Division Horsemen's Benevolent and Protective Association, and the net licensee income shall be used only for the payment of purses to horsemen participating at the meeting. The commission shall schedule the racing for the Racing Division of the Oregon Quarterhorse Association, Incorporated, and the Oregon Division Horsemen's Benevolent and Protective Association, in such a manner as to avoid conflict with other race meets previously licensed under ORS 462.057. The Racing Division of the Oregon Quarterhorse Association, Incorporated, and the Oregon Division Horsemen's Benevolent and Protective Association, shall make payments as specified in ORS 462.057 (1).

(2) Racing days granted pursuant to this section shall not be included in the number of racing days counted for purposes of the 160-day limitation referred to in ORS 462.125 (2). [1979 c.698 s.9; 1981 c.544 s.10; 1985 c.54 s.1]

462.130 Oregon bred horse races. For the purpose of encouraging the breeding and enhancing the quality, within the state, of thoroughbred race horses, at least one race of each day's meet shall consist exclusively of Oregon bred thoroughbred horses. [Amended by 1981 c.544 s.11]

462.135 Oregon bred greyhound races. For the purpose of encouraging greyhound breeding within the state and enhancing the quality of Oregon bred greyhounds, all licensees of race meets for greyhounds shall conduct at least one race consisting exclusively of Oregon bred greyhounds at each live racing performance. If there is not a sufficient number of qualifying Oregon bred greyhounds to fill the Oregon bred greyhound race for a performance as required by this section, the licensee may enter other greyhounds in the race in addition to the available qualifying Oregon bred greyhounds. As used in this section, "performance" means a card or a single set of races. [1993 c.682 s.11]

462.140 Prohibitions concerning bookmaking, betting; track take; computation, use of breaks. (1) No person shall conduct or commit, attempt or conspire to conduct or commit pool selling, bookmaking, or circulate handbooks, or bet or wager on any licensed race meet, other than by the mutuel method. All moneys wagered in Oregon must be accounted for through a computerized mutuel wagering system in use by an operating race meet in this state and approved by the Oregon Racing Commission. Wagering into pools outside of Oregon via telephone or other device is prohibited unless the wagering information is transmitted by a licensee that conducts off-race course mutuel wagering pursuant to ORS 462.700 to 462.740.

(2) Except for the Oregon State Fair and Exposition Center, no race meet licensee shall take more than 22 percent of the gross receipts of any mutuel wagering system subject to approval by the commission. The Oregon State Fair and Exposition Center may take up to a maximum of 19 percent from gross mutuel wagering requiring the selection of fewer than three separate wagering interests and up to a maximum of 25 percent from gross mutuel wagering requiring the selection of three or more separate wagering interests.

(3) A race meet licensee shall compute breaks in the mutuel system at 10 cents for each dollar wagered in a specific mutuel pool except, when the breaks in the mutuel system compute to less than 10 cents total for each dollar wagered, the race meet licensee shall compute the breaks on that specific mutuel pool at five cents. When the breaks in the mutuel system compute at 10 cents or more for each dollar wagered, the race meet licensee shall pay in increments of 10 cents for each dollar wagered. When the breaks in the mutuel system compute to less than 10 cents for each dollar wagered, the race meet licensee shall pay five cents for each dollar wagered. For horses, 45 percent of the breaks shall be retained by the licensee. For greyhounds, 33-1/3 percent shall be retained by the licensee. The other 55

percent for horses and 66-2/3 percent for greyhounds shall be paid as follows:

(a) For thoroughbred horse races, to the Oregon Thoroughbred Breeders Association, Incorporated, to be used by that association subject to prior approval of the commission, in such amounts and for such of the following purposes as the association deems desirable:

(A) For breeders awards;

(B) For stallion awards;

(C) For education of the members of the association and other horsemen regarding the breeding and racing of thoroughbred horses; or

(D) For the promotion and development of thoroughbred horse breeding and racing in Oregon.

(b) For quarterhorse races, to the Racing Division of the Oregon Quarterhorse Association, Incorporated, to be used by that association subject to prior approval of the commission, in such amounts and for such of the following purposes as the association deems desirable:

(C) For education of the members of the association and other horsemen regarding the breeding and racing of quarterhorses; or

(D) For the promotion and development of quarterhorse breeding and racing in Oregon.

(c) For races for any other horses not designated in paragraphs (a) and (b) of this subsection, to each association of horsemen recognized by the commission as representing the other breeds of horses, to be used by that association subject to prior approval of the commission, in such amounts and for such of the following purposes as each recognized association deems desirable:

(A) For breeders awards;

(B) For stallion awards;

(C) For education of the members of the association and other horsemen regarding the breeding and racing of horses; or

(D) For the promotion and development of horse breeding and racing in Oregon.

(d) By a licensee of a race meet for greyhounds:

(A) One-half thereof to augment purses subject to reasonable regulations prescribed by the commission.

(B) The other one-half thereof for benefit and improvement of the breeding, ownership, training and racing of greyhounds in Oregon, subject to reasonable regulations prescribed by the commission. Included, but not by way of limitation, would be payment of purses for maiden graduation or special schooling races without wagering, and construction and operation of one or more appropriate public training facilities within the state. All such funds shall be retained by the licensee in an account separate from all other funds, and no disbursements or transfers shall be made therefrom without prior approval of the commission. [Amended by 1955 c.456 s.1; 1957 c.313 s.9; 1965 c.627 s.1; 1969 c.356 s.19; 1975 c.550 s.7; 1977 c.855 s.5; 1979 c.698 s.4; 1981 c.544 s.12; 1985 c.675 s.7; 1987 c.413 s.20; 1993 c.682 s.6; 1997 c.865 s.8]

462.142 Account wagering; rules; limitations. (1) In addition to mutuel wagering otherwise authorized by this chapter, account wagering may be conducted upon such conditions as the Oregon Racing Commission determines appropriate. The commission may authorize only a race meet licensee who is the holder of a license issued under ORS 462.057, 462.062 or 462.067 to conduct account wagering.

(2) As used in this section, "account wagering" means a form of mutuel wagering in which an individual may deposit money in an account with a race meet licensee and then use the account balance to pay for mutuel wagering conducted by the licensee. An account wager may be made in person, by direct telephone call or by communication through other electronic media by the holder of the account to the race course. [1997 c.865 s.15]

462.145 Handicapping contests. Notwithstanding ORS 167.117 to 167.164, a race meet licensee, with the prior approval of the Oregon Racing Commission, may conduct handicapping contests for race meet patrons. Such contests may include, but are not limited to, competitions for prizes for the highest percentage of correct selection of the order of finish of animals from among predetermined races that are live races conducted at the licensee's race course or simulcast races offered by the licensee, or any combination thereof. Prizes offered for handicapping contests are not part of the pari-mutuel wagering system. [1993 c.682 s.12]

462.150 Regulation of underpayments; effect of government tax. (1) If during any race meet conducted under

this chapter, there is an underpayment of the amount actually due to any wagerer, the amount of such underpayment shall revert and belong to the state and be paid to the Oregon Racing Commission and become a part of its fund and shall not be retained by the licensee under whose license such race is held.

(2) However, if any government or governmental agency imposes a levy on the licensee, by a tax on the money so wagered and upon or against its receipts, the licensee may collect in addition to the percent and the breaks allowed under ORS 462.140 (2), the amount of the tax so levied. [Amended by 1969 c.356 s.20]

462.160 When race meet is a nuisance. Every race meet held in this state contrary to this chapter is declared to be a public nuisance and may be summarily abated. [Amended by 1969 c.356 s.21]

462.170 Commission rules apply to county fairs; enforcement. The rules of the Oregon Racing Commission shall apply to all race meets held by county fair associations and shall be enforced by the officers of each association as to race meets held on its grounds. [Amended by 1955 c.468 s.2; 1957 c.313 s.10; 1969 c.356 s.22]

462.180 [Repealed by 1969 c.356 s.38]

462.185 Issuance of licenses to animal owners or trainers; conditions; revocation. (1) The Oregon Racing Commission may require as a condition for the issuance of a license to an animal owner or trainer that the owner or trainer establish to the satisfaction of the commission that the owner or trainer:

(a) Is contributing to the State Industrial Accident Fund and is complying with the provisions of ORS chapter 656 with respect to the occupation as an animal owner or trainer; or

(b) Has purchased and has in force a policy of insurance affording the employees of the owner or trainer in the occupation as an animal owner or trainer substantially the same protection and benefits as are available under ORS chapter 656.

(2) If the commission requires contribution to the State Industrial Accident Fund or insurance, as provided in subsection (1) of this section, failure of the licensee to continue contribution or to keep such insurance in force is ground for revocation of the license of the licensee.
