(1) "Assistant director" means the Assistant Director for Health or an authorized representative.

(2) "Bed and breakfast facility" means any establishment located in a structure designed for a single family residence and structures appurtenant thereto, regardless of whether the owner or operator of the establishment resides in any of the structures, that:

As used in ORS 624.028, and 624.067, “benevolent organization” means any person organized and existing for charitable, benevolent, eleemosynary, humane, patriotic, religious, philanthropic, recreational, social, educational, civic, fraternal or other nonprofit purposes. The fact that contributions to an organization do not qualify for a charitable deduction for tax purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, constitutes prima facie evidence that the organization is not a bona fide benevolent organization. For purposes of this section, each subordinate lodge, chapter, council, grange, church, parish or other subdivision of an organization constitutes a separate organization. [1973 c.824 s.4]

624.020 License required; fees; posting; denial, delinquency, suspension and revocation of licenses; nontransferability. (1) No person shall operate a restaurant or bed and breakfast facility without a license to do so from the Health Division. The license shall be posted in a conspicuous place on the premises of the licensee.

(2) Application for the license shall be in writing in the form prescribed by the division and shall contain the name and address of the applicant and any other information which the division may require. All licenses issued under this section terminate and are renewable on December 31 of each year.

(3) A license issued under ORS 624.010 to 624.120 that is not renewed on or before the expiration date of the license is delinquent. If the delinquency extends 30 days or more past the expiration date, the licensee shall pay a delinquency fee in addition to the renewal fee required in subsection (4) of this section. The delinquency fee shall be equal to 50 percent of the license renewal fee and shall be increased by 50 percent of the license renewal fee on the first day of each succeeding month in which the license is not renewed.

(4) Every applicant for a license issued under subsection (1) of this section or for renewal of the license shall pay a fee to the Health Division. The fees shall be in the following amounts:

(a) \$95 for a bed and breakfast facility;

(b) \$100 for a limited service restaurant; and

(c) For a restaurant in accordance with seating capacity, as follows:

(A) \$275 for 0-15 seats;

(B) \$295 for 16-50 seats;

(C) \$350 for 51-150 seats; and

(D) \$395 for more than 150 seats.

(5) The division may exempt or reduce the license fee for restaurants operated by benevolent organizations, as defined by ORS 624.015, and which provide food or beverage primarily to children, the elderly, the indigent or other needy populations, and where such persons are not required to pay the full cost of the food or beverage. Such exemptions are reductions in fees by the division and shall not be binding upon any delegate county which has a current fee ordinance.

(6) The Assistant Director for Health may suspend, deny or revoke any license issued under this section for violation of any of the applicable provisions of ORS 624.010 to 624.120 or any rule adopted under ORS 624.010 to 624.120.

(7) Procedures for denial, revocation or suspension of a license shall be as provided in ORS 183.310 to 183.550.

[Amended by 1953 c.177 s.8; 1957 c.672 s.2; 1971 c.661 s.1; 1973 c.182 s.1; 1975 c.526 s.4a; 1975 c.607 s.44; 1979 c.696 s.11; 1983 c.352 s.1; 1983 c.533 s.6; 1987 c.226 s.2; 1991 c.821 s.1; 1995 c.578 s.2]

624.023 Single toilet fixture allowed in small restaurant. The Health Division shall allow restaurants with an occupancy capacity of no more than 15 persons, including employees and patrons, to have only one toilet fixture and adjacent lavatory on the premises. This single toilet fixture shall comply with all division standards for construction, maintenance, cleanliness, accessibility and others, not in conflict with the state building code, that the division might provide. [1979 c.390 s.2]

(2) Application for a temporary restaurant license shall be in writing in the form prescribed by the division and shall contain the name and address of the applicant, the specific location of the temporary restaurant and any other information the division may require.

(3) All licenses issued under this section shall terminate 30 days after issuance unless within the 30 days the temporary restaurant is discontinued or is moved from the specific location for which the license was issued. If within 30 days after issuance the temporary restaurant is discontinued or moved from the specific location for which the license was issued, the license shall terminate upon the discontinuance or the removal.

(4) Except as provided in ORS 624.028 or 624.510, every applicant for a temporary restaurant license or renewal thereof shall pay to the division a license fee of \$35 for an event lasting one day and \$50 for an event lasting two or more days.

(5) The Assistant Director for Health may suspend, deny or revoke any license issued under this section or under ORS 624.028 if it appears, after a reasonable time has been given for correction of a sanitation violation, that the applicant does not meet applicable minimum sanitation standards as outlined in ORS 624.010 to 624.120 or any rule adopted thereunder. Any suspension, denial or revocation action shall be taken in accordance with ORS 183.310 to 183.550.

(6) Notwithstanding any other provision of this section:

(a) Each temporary restaurant operating on an intermittent basis, in a grouping of six or more, at the same specific location two or more times within a 30-day period shall be issued one license for each 30-day period.

(b) The total annual amount of license fees for temporary restaurants described in paragraph (a) of this subsection shall not exceed the annual license fee for a restaurant that is situated in the county in which the temporary restaurant is situated. 624.027 Exemption of confection operations from license requirements. When the Health Division determines that public health hazards are nonexistent, the division may, by rule, exempt certain types of confection operations from the license requirements of ORS 624.010 to 624.120. [Formerly part of 624.100; 1973 c.825 s.2]

624.028 Temporary benevolent restaurant license; limit. (1)(a) Notwithstanding ORS 624.025 (3) and (4), the Health Division shall issue a license to a benevolent organization to operate a temporary restaurant pursuant to this section if the benevolent organization has notified the division, orally or in writing, of its intention to operate a temporary restaurant. The division shall provide at least one place in each county at which such notification may be made.

(b) Not more than 13 temporary restaurant licenses per year may be issued pursuant to this section to each benevolent organization.

(c) No license fee or inspection fee shall be charged for a temporary restaurant licensed pursuant to this section.

(2) The division shall issue a temporary benevolent restaurant license to each provider of restaurant service at a special event arranged by a benevolent organization. The license shall be provided without fee to each restaurant service provider who files with the benevolent organization a signed statement that the service provider receives no profit from restaurant services performed at the special event. The statement shall be subject to inspection by the division at the time inspections are made pursuant to ORS 624.067. For the purpose of licenses issued pursuant to this subsection, a particular benevolent organization may arrange only one special event per calendar year.

(3) All licenses issued pursuant to this section shall terminate three days after issuance unless within the three days the temporary restaurant is discontinued or is moved from the specific location for which the license was issued. If within three days after issuance the temporary restaurant is discontinued or moved from the specific location for which the license was issued, the license shall terminate upon the discontinuance or the removal. The inspection report carrying a statement ordering closure and signed by the assistant director delivered to the operator may serve as the written notice of the closure. A placard containing this subsection shall be posted in all toilet rooms.

(3) When suspicion arises as to the possibility of transmission of infection from any restaurant, bed and breakfast facility or temporary restaurant employee, the assistant director may require any or all of the following measures:

624.085 Revocation, suspension or refusal of license; closure; sanitation score; inspection schedule. (1) If the Assistant Director for Health determines that a critical violation of ORS 624.010 to 624.120, or any rule promulgated pursuant thereto, exists in a restaurant or bed and breakfast facility and the critical violation constitutes a potential danger to the public health, the assistant director may revoke, suspend or refuse to issue the license required by ORS 624.020 if, after a reasonable time has been given for correction of the violation, but not longer than 14 days, the violation continues to exist. The assistant director shall reinstate a license that has been revoked or suspended if the assistant director determines that the violation has been corrected.

(2) Notwithstanding ORS 624.020 (6), if the assistant director determines that a critical violation of ORS 624.010 to 624.120, or any rule promulgated pursuant thereto, exists in a restaurant or bed and breakfast facility and the critical violation constitutes an imminent or present danger to the public health, the assistant director may order immediate

correction, use of an approved alternative procedure or closure of the restaurant or bed and breakfast facility by written notice thereof to the operator. The inspection report carrying a statement ordering closure and specifying the reasons therefor signed by the assistant director and delivered to the operator may serve as the written notice of the closure. The assistant director shall use inspection forms that clearly display notice that procedures are available to the licensee under ORS 183.310 to 183.550 for appeal of the closure order. A copy of the notice shall be filed with the records of the Health Division. The closure order shall have the effect of an immediate revocation of the operator's license. If requested, the assistant director shall provide a prompt hearing after the closure in accordance with ORS 183.310 to 183.550.

(3) If the assistant director determines that closure of the restaurant or bed and breakfast facility is necessary because failure to correct a critical violation or implement an approved alternative procedure constitutes a potential danger to the public health, or failure to correct a critical violation or implement an approved alternative procedure constitutes an imminent or present danger to the public health, the assistant director shall:

(a) Notify the owner or person in charge of the restaurant or bed and breakfast facility that such restaurant or bed and breakfast facility shall not be used for food service purposes until the critical violations specified in the inspection report have been corrected; and

(b) Post a notice of closure upon the restaurant or bed and breakfast facility at the customary entrance to the restaurant or bed and breakfast facility in public view to the effect that the restaurant or bed and breakfast facility is closed for operation because a critical violation exists.

(4)(a) No person shall remove a notice of closure from a restaurant or bed and breakfast facility until the violation which caused the notice to be posted has been corrected.

(b) No person shall operate a restaurant or bed and breakfast facility upon which a notice of closure has been posted until the violation which caused the notice to be posted has been corrected and the notice has been removed.

(5) The assistant director shall define clearly the criteria and rules for conformance to acceptable food service practices used to determine the restaurant or bed and breakfast facility sanitation score to insure statewide uniformity in the inspection and licensing processes. Critical violations which constitute a potential danger to the public health and critical violations which constitute an imminent or present danger to the public health shall be clearly defined.
