LABOR ORGANIZATIONS; COLLECTIVE BARGAINING

661.010 Lawfulness of labor unions. Working men and women may organize themselves into, or carry on labor unions for the purpose of lessening the hours of labor, increasing the wages, bettering the conditions of the members of such organizations or carrying out their legitimate purposes as freely as they could do if acting singly.

661.020 Labor not a commodity; employment rights are personal. (1) The labor of a human being is not a commodity or article of commerce.

(2) The right to enter into the relation of employer and employee, to change that relation, to assume and create a new relation for employer and employee or to work and labor as an employee, shall be held and construed to be a personal and not a property right.

661.030 Collective bargaining for lawful purposes is legal. No person shall be indicted, prosecuted or tried in any court of this state for entering into or carrying on any arrangement, agreement or combination between themselves made with a view of lessening the number of hours of labor or increasing wages, bettering the conditions of working men and women or for any act done in pursuance thereof, unless such act is in itself forbidden by law if done by a single individual.

661.040 Limitations on fees charged laborers by collective bargaining agents; access to and inspection of records; accounting. (1) No organization, association or person, legally authorized to act as collective bargaining agent or representative of laboring people, shall make any charge or exaction for initiation fees, dues, fines or other exactions, which will create a fund in excess of the legitimate requirements of such organization, association or person, in carrying out the lawful purpose or activities of such organization, association or person.

(2) Every such organization, association and person shall keep accurate books itemizing all receipts and expenditures and the purpose of such expenditures.

(3) Any member of any labor organization or association is entitled at all reasonable times to inspect the books, records and accounts of such association or organization, or any agent or representative thereof, and to have an accounting of all money and property thereof.

(4) The circuit courts of this state, and the judges thereof, have jurisdiction to enforce this section, including full power to issue restraining orders and temporary and permanent injunctions, and such other and further orders as may be necessary or appropriate to carry out and enforce this section.

UNION LABELS

661.210 Counterfeiting of union label and possession or sale thereof prohibited. Whenever any person or any association or union of workmen adopts or uses any label, trademark, term, design, device or form of advertisement for the purpose of designating, making known or distinguishing any goods, wares, merchandise or other product of

labor as having been made, manufactured, produced, prepared, packed or put on sale by such person or association or union of workmen, or by members of such association or union:

(1) No person shall counterfeit or imitate such label, trademark, term, design, device or form of advertisement, or use, sell, offer for sale or in any way utter or circulate any counterfeit or imitation of any such label, trademark, term, design, device or form of advertisement;

(2) No person shall keep or have in possession, with intent that the same shall be sold or disposed of, any goods, wares, merchandise or other product of labor to which or on which any such counterfeit or imitation is printed, painted, stamped or impressed;

(3) No person shall knowingly sell or dispose of any goods, wares, merchandise or other product of labor contained in any box, case, can or package to which or on which any such counterfeit or imitation is attached, affixed, printed, painted, stamped or impressed; and

(4) No person shall keep or have in possession, with intent that the same shall be sold or disposed of, any goods, wares, merchandise or other product of labor, in any box, case, can or package to which or on which any such counterfeit or imitation is attached, affixed, printed, painted, stamped or impressed.

661.220 Unauthorized use of label, name or seal of union prohibited. (1) No person shall use or display the genuine label, trademark, term, design, device or form of advertisement of any person, association or union in any manner not authorized by such person, union or association.

(2) No person shall in any way use the name or seal of any person, association or union, or officer thereof, in and about the sale of goods, or otherwise, without authorization to do so.

661.230 Procedure for recording union label. (1) Every person, association or union that adopts or uses a label, trademark, term, design, device or form of advertisement as provided in ORS 661.210, may file the same for record in the office of the Secretary of State, by leaving two copies, counterparts or facsimiles thereof with the Secretary of State and by filing therewith a sworn application.

(2) The application shall state:

(a) The name of the person, association or union on whose behalf such label, trademark, terms, design, device or form of advertisement is filed.

(b) The class of merchandise and a description of the goods to which it has been or is intended to be appropriated.

(c) That the party so filing or on whose behalf such label, trademark, term, design, device or form of advertisement is filed, has the right to the use of the same.

(d) That no other person, association or union has the right to such use, either in the identical form, or in any such near resemblance thereto as may be calculated to deceive.

(e) That the facsimile or counterparts filed therewith are true and correct. [Amended by 1991 c.132 s.29]

661.240 Certificate of recording; effect of record; limitations on filing of similar labels. (1) The Secretary of State shall deliver to any person, association or union filing or causing to be filed any label, trademark, term, design, device or form of advertisement under ORS 661.230, as many duly attested certificates of the recording of the same as such person, association or union may apply for.

(2) The certificate of record shall, in all suits and prosecutions under ORS 661.210 to 661.280 be sufficient proof of the adoption of such label, trademark, term, design, device or form of advertisement.

(3) The Secretary of State shall not record for any person, union or association any label, trademark, term, design, device or form of advertisement that would probably be mistaken for any label, trademark, term, design, device or form of advertisement theretofore filed by or on behalf of any other person, union or association, but shall file and record under ORS 661.210 to 661.280 any label, trademark, term, design, device or form of advertisement which may have been previously filed by any person or any association or union if the person, association or union seeking to file and record under ORS 661.210 to 661.280 is the same person, association or union that previously filed or recorded the same label, trademark, term, design, device or form of advertisement. [Amended by 1991 c.132 s.30]

661.245 Fees for registration, copying and certifying records. (1) The Secretary of State shall collect a registration fee of \$20 for the documents delivered for filing.
