Said examination shall be approved by a standing five-member committee of the Oregon State Association of County Assessors selected by said association for that purpose. In no event shall the qualifications for Property Appraiser I be less than those applicable to state appraisal personnel of similar classification. The Department of Revenue may revoke a registration of an appraiser for fraud or deceit in appraising or in the securing of a certificate or for incompetence.

(2) Any person who is a registered appraiser shall upon application be given a written certificate thereof by the particular civil service body that designated the necessary requirements or conducted the particular examination for the applicant.

(3) The Personnel Division shall set education and experience requirements and formulate appropriate tests for the positions of Property Appraiser II and Property Appraiser III which positions shall have the basic requirement of being a Property Appraiser I.

(4)(a) Each person who is registered as an appraiser under this section, under rules adopted by the department, shall participate in a continuing education program that increases technical competency. The education programs shall include any of the following:

(d) If the person does not submit the evidence required under paragraph (c) of this subsection, the department shall revoke the registration.

(e) The department may adopt conditions under which continuing education requirements may be waived. However, continuing education requirements may not be waived by the department for more than three consecutive years except for military service, retirement, disability, absence from the state or for other instances of individual hardship as determined by the department. (2)(a) If any property value is appealed to any court of competent jurisdiction after the assessment and tax roll is certified to the tax collector, and the dollar difference between the total value asserted by the taxpayer and the total value asserted by the opposing party exceeds one-tenth of one percent (.0010) of the total assessed value in the county for the tax year being appealed, except as provided in paragraph (b) of this subsection, for tax years occurring after the initial tax year and during the appeal period:

(b)(A) If, for any tax year occurring during the appeal period, the taxpayer elects against an automatic appeal as provided under this subsection, then paragraph (a) of this subsection shall not apply to the tax year for which the election is made. An election under this paragraph shall be made within the time and in the manner provided in rules that the Department of Revenue shall adopt.

(B) Nothing in this paragraph shall be construed to prevent an appeal as otherwise provided by law by the taxpayer of the property value for the tax year that is the subject of the election. However, if such an appeal occurs and meets the criteria of paragraph (a) of this subsection, the tax year of that appeal shall be considered an initial tax year for purposes of this subsection.

(c) As used in this subsection:

(A) "Final order" means an appealable order of the Director of the Department of Revenue or, if an appeal is taken, a final order of the Oregon Tax Court or Oregon Supreme Court.

(B) "Initial tax year" means a tax year for which an appeal of property value is actually filed and the appeal meets the criteria described in paragraph (a) of this subsection.

(C) "Tax year occurring during the appeal period" means any tax year, after the initial tax year, in which the assessment and tax roll is certified to the tax collector either before the final order in appeal of value for the initial tax year is entered or before the expiration of the appeal period. "Tax year occurring during the appeal period" does not include a tax year for which an election is made under paragraph (b) of this subsection.

(3) This section does not apply to appeals arising from tax years beginning on or after July 1, 1997. [1973 c.345 §2; 1989 c.267 §1; 1991 c.459 §83; 1993 c.650 §1; 1995 c.650 §89; 1997 c.541 §§148,149]

(2) A delinquent taxpayer is subject to a penalty of \$10 for each \$1,000 (or fraction thereof) of assessed value of the property as placed on the assessment roll of the department for the year of delinquency; except that for a delinquent taxpayer required to file a statement under ORS 308.805 to 308.820, the penalty shall be based upon the assessed value of such property of the taxpayer as would have been placed upon the assessment roll of the department if such property were subject to ad valorem taxation. No penalty shall be less than \$10 or more than \$5,000.

(3) The department shall send any delinquent taxpayer against whom a penalty is imposed under this section a notice of its intention to impose the penalty, by mailing a notice to the taxpayer at the last-known address shown on the records of the department. The notice shall contain the amount of the penalty and the basis for its imposition.

(4) If a delinquency penalty is imposed under this section, the Director of the Department of Revenue, upon application filed by the taxpayer with the department during the period in which the director reviews the assessment roll of the department for the year of delinquency, may waive the penalty upon a showing that by reason of good and sufficient cause, the filing of the statement could not be made as otherwise required by law. The determination of the director shall be final, and no appeal may be taken from the determination.

(5) Upon completion of the review of the assessment roll of the department by the director, the department shall note on the assessment roll the name of each delinquent taxpayer, if not otherwise on the roll, and after the name the dollar amount of the penalty imposed under this section which was not waived by the director under subsection (4) of this section. The amount of penalty shall constitute a lien as of July 1 of the year of imposition on all real and personal property of the delinquent taxpayer in the state.

(6) Any penalty collected under this section shall be deposited in the unsegregated tax collections account of the counties in which the property of the taxpayer is located. [1977 c.884 §13; 1981 c.804 §29; 1991 c.459 §85; 1997 c.154 §29]

(1) Whenever any mineral, coal, oil, gas or other severable interest in or part of real property is owned separately and apart from the rights and interests owned in the surface ground of the real property, such minerals, coal, oil, gas or other interest or parts shall not be assessed and taxed.

(2) Notwithstanding subsection (1) of this section, if the property is actively being mined as of the assessment date, the severable interest described in subsection (1) of this section shall be assessed and taxed as real or personal property in accordance with existing law in the name of the owner thereof, separately from the surface rights and interests in the real property and may be sold for taxes in the same manner and with the same effect as other interests in real property are sold for taxes.

(3) Similarly, whenever any building, structure, improvement, machinery, equipment or fixture is owned separately and apart from the land or real property whereon it stands or to which it is affixed, such building, structure, improvement,

- (6)(a) If, during the period beginning on January 1 and ending on July 1 of an assessment year, any real or personal property is destroyed or damaged, the owner or purchaser under a recorded instrument of sale in the case of real property, or the person assessed, person in possession or owner in the case of personal property, may apply to the county assessor to have the real market and assessed value of the property determined as of July 1 of the current assessment year.

- (b) The assessed value of the property shall be as determined in the report issued under ORS 271.729, but may be further adjusted by changes in value as a result of any of the factors described in ORS 309.115 (2), to the extent adjustments do not cause the assessed value of the property to exceed the property's maximum assessed value. [1997 c.541 §6; 1999 c.1003 §1; 2001 c.925 §12]

(2) Real market value in all cases shall be determined by methods and procedures in accordance with rules adopted by the Department of Revenue and in accordance with the following:

308.207 Computation of real market value for taxing or bonding limitations. (1) If the taxing or bonding power of any governmental unit is limited to a millage or percentage of the real market value of the taxable property within the unit, the real market value shall be the real market value as reflected in the last certified assessment roll.

(2) Changes in the boundary lines of a governmental unit shall be taken into account in computing its real market value for purposes of subsection (1) of this section even though such boundary changes may not be included on the latest assessment roll.

(3) As used in this section, "governmental unit" includes the state, counties, cities, municipal corporations, and all special districts having the power to levy taxes or issue bonds. [1963 c.9 §1; 1967 c.293 §22; 1981 c.804 §35; 1991 c.459 §89; 1999 c.1078 §83]

308.210 Assessing property; record as assessment roll; changes in ownership or description of real property and manufactured structures assessed as personal property. (1) The assessor shall proceed each year to assess the value of all taxable property within the county, except property that by law is to be otherwise assessed. The assessor shall maintain a full and complete record of the assessment of the taxable property for each year as of January 1, at 1:00 a.m. of the assessment year, in the manner set forth in ORS 308.215. Such record shall constitute the assessment roll of the county for the year.

(2) Except as provided in subsections (3) and (4) of this section, the ownership and description of all real property and manufactured structures assessed as personal property shall be shown on the assessment roll as of January 1 of such year or as it may subsequently be changed by divisions, transfers or other recorded changes. This subsection is intended to permit the assessor to reflect on the assessment roll the divisions of property or the combining of properties after January 1 so as to reflect the changes in the ownership of that property and to keep current the descriptions of property. The assessor shall also have authority to change the ownership of record after January 1 of a given year so that the assessment roll will reflect as nearly as possible the current ownership of that property.

(3) The assessor shall not indicate any changes, divisions or transfers of properties which occurred before, on or after January 1 as a result of the division of a larger parcel of land until all ad valorem taxes, fees and other charges placed upon the tax roll on the entire parcel of property that have been certified for collection under ORS 311.105 and 311.110 have been paid. However, if the owner of one of the portions of the larger property is a public body only the change, division or transfer of that portion shall be recognized.

(4) The assessor shall not reflect on the assessment roll any combining of properties unless all ad valorem taxes, fees or other charges charged to the tax accounts to be combined that have been certified for collection under ORS 311.105 and 311.110 have been paid. However, if the owner of the affected property is a public body, this subsection shall not apply.

(5) The assessor shall notify the planning director of a city of all divisions of land within the corporate limits of the city and

the planning director of a county of all divisions of land outside the corporate limits of all cities and within the county, including, but not limited to, divisions of land by lien foreclosure, divisions of land pursuant to court order and subdivisions within 30 days after the date the change in the tax lot lines was processed by the assessor. The requirements of this subsection do not apply to divisions for assessment purposes only.

(6) As used in this section, "public body" means the United States, its agencies and instrumentalities, the state, a county, city, school district, irrigation or drainage district, a port, a water district and all other public or municipal corporations in the state exempt from tax under ORS 307.040 or 307.090. [Amended by 1957 c.324 §1; 1969 c.454 §1; 1977 c.718 §1; 1981 c.632 §2; 1983 c.473 §1; 1983 c.718 §1; 1991 c.459 §90; 1991 c.763 §27; 1993 c.6 §4; 1995 c.610 §1; 1997 c.541 §154]

308.212 Requirement for property owner to file address. (1) Any person who owns real property located in any county shall notify the county assessor for the county where the property is located of that owner's current address and, within 30 days of the change, shall notify the assessor of any change of address.

(2) A notice required under subsection (1) of this section does not meet the requirements of this section unless the notice is in writing and:

(a) For an individual, the notice contains the residence address of the person.

(b) For any other person, the notice contains the name and address of persons upon whom process may be served.

(3) The county assessor of each county shall maintain records showing the information required to be submitted to the assessor under this section. The assessor shall note any property owner's change of address on the tax rolls.

(4) Subsection (1) of this section does not apply to any government body or government agency. [1981 c.153 §49]

Note: 308.212 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 308 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

308.215 Contents of assessment roll. The assessor shall prepare the assessment roll in the following form:

(1) Real property shall be listed in sequence by account number or by code area and account numbers. For each parcel of real property, the assessor shall set down in the assessment roll according to the best information the assessor can obtain:

(a) The name of the owner or owners and, if the assessor or tax collector is instructed in writing by the owner or owners to send statements and notices relating to taxation to an agent or representative, the name of such agent or representative.

(b) A description as required by ORS 308.240 with its code area and account numbers.

(f) The real market value of all buildings, structures and improvements thereon.

(g) The real market value of each unit together with its percentage of undivided interest in the common elements of property subject to ORS 100.005 to 100.910 stating separately the real market value of the land, buildings, structures and improvements of each unit.

(h) For each parcel of real property granted an exemption under ORS 307.250 to 307.300, the real market value so exempt.

In any county where such separate listing of manufactured structures is made the manufactured structures assessed as real property under ORS 308.875 shall bear a distinctive designation so that it can be identified with the real property upon which it is located. In like manner the real property upon which the manufactured structure is situated shall bear a distinctive designation so that it can be identified with the manufactured structure. Where a homestead exemption is granted to a manufactured structure assessed as real property under ORS 308.875, which manufactured structure is listed on a portion of the assessment roll separate from the real property, the exempt amount shall apply first to the value of the manufactured structure, and any remainder shall apply to the parcel of land upon which it is situated.

(5) The Department of Revenue may by rule require that the assessment roll include information in addition to that required by subsections (1) and (2) of this section. [Amended by 1957 c.324 §2; 1963 c.270 §1; 1963 c.541 §43; 1965 c.344 §1; 1967

308.217 Form of assessment and tax rolls; obtaining descriptions of property. (1) For purposes of assessment and taxation, the assessment roll and the tax roll of each county shall be deemed one continuous record. They shall be made up in regular and orderly form, with appropriate headings for assessment of properties, extensions of tax levies, for payments, foreclosures, redemptions, issuance of deeds and other entries as contemplated by law. The rolls shall be in an acceptable form of record keeping, approved by the Department of Revenue, which may be, but is not limited to, bound volumes, numbered loose-leaf sheets, systematic punch cards or magnetic tape. Both rolls may be prepared as continuing rolls, covering two or more years, but all proceedings in the assessment and taxation of property for each year shall be separately exhibited therein.

(2) The records constituting the assessment roll may be combined with or separated from the records constituting the tax roll. The records constituting each roll may be divided, for convenience, between the assessor's office and the tax collector's office, with or without duplication in whole or in part in either office.

(3) The owner of any real property shall, upon request of the assessor, furnish to the assessor a description of the property from which its area can be computed accurately and the location and boundary lines made certain. [1965 c.344 §3 (308.217, 308.219 and 308.221 enacted in lieu of 308.220)]

308.219 Assessment and tax rolls; preparation; contents; availability to public. If the assessment and tax rolls do not constitute a written record which can be read by, and is available to the public, for each tax year, the system of records shall include the following:

(1) At the same time as the certification required under ORS 311.105 the assessor shall print out the entire assessment and tax roll, including the roll as prepared on September 25, with all corrections, changes and additions to the roll which have occurred to the date the roll is delivered to the tax collector pursuant to ORS 311.115.

(2) The assessment and tax roll shall be printed out in full, as of the June 30 which is the end of the fiscal year for which the roll was prepared. As of each June 30, thereafter, the tax collector shall print out those accounts not collected in full or canceled as of the preceding June 30. The printout shall contain a record of all payments, corrections, additions and changes which have occurred since the date of the last printing of the roll.

(3) The printouts required by subsection (2) of this section shall constitute the roll or part thereof as of the date of the particular printout. Such printouts and the source documents which are the basis for the roll shall be retained as otherwise provided by law. The material which is not available to and cannot be read by the general public and which otherwise constitutes the roll up to the date of the printout may be destroyed one year after the printout is made.

(4) Additional printouts shall be made by the assessor or tax collector as the assessor or tax collector deems necessary for proper administration of the tax laws.

(5) The Department of Revenue may by rule require that the printouts include information in addition to that required by subsections (1) and (2) of this section.

(6) Preparation of a microfiche record of the roll shall constitute a printout. [1965 c.344 §4 (308.217, 308.219 and 308.221 enacted in lieu of 308.220); 1975 c.780 §4; 1991 c.459 §92; 1997 c.541 §156]

308.225 Boundary change or proposed boundary change; procedure. (1) In preparing the assessment roll in any year, a county assessor shall disregard changes or proposed changes described in subsections (3), (4) and (5) of this section in the boundary lines of any taxing district levying ad valorem property taxes if the description and map showing changes or proposed changes are not filed in final approved form, in accordance with and at the time required by subsection (2) of this section.

(2)(a) If a boundary change is made or proposed, the person, governing body, officer, administrative agency or court making the determination that the boundary change is final shall file with the county assessor and the Department of Revenue the legal description of the boundary change or proposed change and an accurate map showing the change or proposed change in final approved form, prior to the next March 31.

(b)(A) Except as is otherwise provided in subparagraph (B) of this paragraph the legal description of the boundary change shall consist of a series of courses in which the first course shall start at a point of beginning and the final course shall end at that point of beginning. Each course shall be identified by bearings and distances and, when available, refer to deed lines, deed corners and other monuments, or, in lieu of bearings and distances, be identified by reference to:

(B) In lieu of the requirements of subparagraph (A) of this paragraph, boundary change areas conforming to areas of the U. S. Rectangular survey may be described by township, section, quarter-section or quarter-quarter section, or if the areas conform to subdivision lots and blocks, may be described by lot and block description.

(c) A map shall be provided to the filing body by the county assessor or the department within 14 days after the filing body notifies the assessor and department that a boundary change is being proposed. The boundary line shall then be accurately entered thereon by the person, body, officer or agency making the filing.

(d) The description and map shall be filed in final approved form not later than March 31 of the assessment year to which the change applies. Proposed boundary changes shall be certified to the county assessor and the department in the same manner as boundary changes. If the taxing district is located in more than one county, the description and map shall be filed with the assessor in each county and with the department within the time provided in this subsection.

(3) For purposes of this section, boundary change means the change that occurs in the boundaries of a district by reason of:

- (a) The formation of a new district;

(6) Each description and map filed under subsection (2) of this section shall be submitted to the Department of Revenue and approved or disapproved within 30 days of receipt.

(7) Within five days of its determination, the Department of Revenue shall mail to each county assessor with whom a filing has been made and to the filing body notice of its approval or disapproval under subsection (6) of this section. If disapproved, the department shall explain what steps must be taken to correct the description or map, and shall cooperate with the filing body in helping it meet the requirements of this section, and whenever possible, the filing date of March 31. Corrected descriptions and maps must then be resubmitted to the department, and approved, and filed with the assessor or assessors.

(8) The filing of the description and map under this section is for assessment and taxation purposes only and does not affect or relate to filing for any other purpose. [Amended by 1965 c.411 §1; 1969 c.151 §1; 1973 c.501 §1; 1975 c.595 §1; 1981 c.804 §38; 1983 c.426 §1; 1991 c.459 §94; 1997 c.541 §157; 2001 c.246 §11; 2001 c.553 §8]

308.229 [1989 c.887 §10; 1991 c.459 §95; 1993 c.703 §3; 1997 c.541 §158; repealed by 1999 c.314 §94]

308.230 [Repealed by 1969 c.454 §2]

All real or personal property within each county not exempt from ad valorem property taxation or subject to special assessment shall be valued at 100 percent of its real market value. Unless the property is subject to maximum assessed value adjustment under ORS 308.149 to 308.166, the property shall be assessed at the property's assessed value determined under ORS 308.146. [1953 c.701 §2; 1959 c.519 §1; 1961 c.243 §1; 1967 c.293 §6; 1979 c.241 §33; 1981 c.804 §39; 1985 c.613 §8; 1991 c.459 §97; 1997 c.541 §159]

308.233 Use of sales data for physical appraisal. (1) For purposes of making a physical appraisal of property for ad valorem property taxation, in arriving at the value level for the property, any sales data used shall be examined, analyzed, adjusted and otherwise utilized in such a manner that the value level determined for the property is substantially equivalent to the value level that would be determined if the sales data utilized was the same sales data, and was examined, analyzed, adjusted and otherwise utilized in the same manner as the sales data utilized in making the certified ratio study under ORS 309.200.

(2) The purpose of this section is to achieve equality and uniformity in assessed values between properties that are physically appraised and those that are not physically appraised, but subject to trending or indexing for the particular assessment year. [1979 c.241 §51; 1989 c.330 §15; 1991 c.459 §98; 1997 c.541 §160]

(2) If land is situated within an irrigation, drainage, reclamation or other improvement district, the value of the land shall not be considered to be increased until the construction and improvement of the district have been completed to the point that water may be delivered to or removed from the land, as the case may be. [Amended by 1953 c.701 §2; 1957 c.324 §4; subsection (2) enacted as 1967 c.601 §12; 1969 c.601 §14; 1975 c.671 §1; 1981 c.804 §40]

308.236 Land and timber values to reflect presence of roads; roads not assessed; exception for certain timber roads.

(1) The availability, usefulness and cost of using roads, including all roads of the owner of land or timber, and all roads which such owner has the right to use, shall be taken into consideration in determining the real market value of land, the immediate harvest value of timber in eastern Oregon as defined in ORS 321.430 (3) and the immediate harvest value of timber in western Oregon as defined in ORS 321.257.

(2) Farm or grazing land roads and forest roads themselves, except principal exterior timber access roads, shall not be appraised, valued or assessed and they shall not be classed as improvements under ORS 308.215. The underlying land upon which roads are constructed shall be assessed if it is otherwise subject to assessment.

(3)(a) As used in this section, "road" includes fills, ballast, bridges, culverts, drains, surfacing and other appurtenances of a like kind commonly associated with roads, but excludes railroads.

(b) "Principal exterior timber access roads" means those portions of high standard main-line private roads that provide access from a conversion center or public way to the exterior boundary of the principal forest area served by the road. A high standard main-line private road is a permanent road of two lanes or more which is paved, macadamized, or with fine-gravel surface which is permanently and continuously maintained. 308.240 Description of land; assessment to "unknown owners"; mistake or omission in owner's name; error in description of property. (1) Real property may be described by giving the subdivision according to the United States survey when coincident with the boundaries thereof, or by lots, blocks and addition names, or by giving the boundaries thereof by metes and bounds, or by reference to the book and page of any public record of the county where the description may be found, or in such other manner as to cause the description to be capable of being made certain. Initial letters, abbreviations, figures, fractions and exponents, to designate the township, range, section or part of a section, or the number of any lot or block or part thereof, or any distance, course, bearing or direction, may be employed in any such description of real property.

(2) If the owner of any land is unknown, such land may be assessed to "unknown owner," or "unknown owners." If the property is correctly described, no assessment shall be invalidated by a mistake in the name of the owner of the real property assessed or by the omission of the name of the owner or the entry of a name other than that of the true owner. Where the name of the true owner, or the owner of record, of any parcel of real property is given, the assessment shall not be held invalid on account of any error or irregularity in the description if the description would be sufficient in a deed of conveyance from the owner, or is such that, in an action to enforce a contract to convey employing such description, a court with jurisdiction to grant equitable remedies would hold it to be good and sufficient.

(3) Any description of real property which conforms substantially to the requirements of this section shall be a sufficient description and designation in all proceedings of assessment for taxation, levy and collection of taxes, foreclosure and sale for delinquent taxes or assessments, and in any other proceeding related to or connected with the taxation of such property. [Amended by 1957 c.324 §5; 1979 c.284 §135; 1993 c.19 §7]

308.242 Assessor's authority to change roll after September 25 limited; when changes permitted; stipulations. (1) The assessor shall make no changes in the roll after September 25 of each year except as provided in subsections (2) and (3) of this section or as otherwise provided by law.

(2) After the assessment roll has been certified and on or before December 31, the assessor may make changes in valuation

judgment that result in a reduction in the value of property, if:

(a) So requested by the taxpayer or upon the assessor's own initiative; and

(b) No petition for a reduction in value has been filed with the board of property tax appeals.

(3) Any changes made under subsection (2) of this section shall be made in the manner specified in ORS 311.205 and 311.216 to 311.232.

(4)(a) If a petition for reduction has been filed with the board of property tax appeals, the assessor may stipulate to a change in valuation judgment that results in a reduction in value. The stipulation may be made at any time up until the convening of the board.

(b) All stipulations agreed to by the assessor and the petitioner shall be delivered to the clerk of the board prior to the convening of the board.

(c) As used in this subsection, "stipulation" means a written agreement signed by the petitioner and the assessor that specifies a reduction in value to be made to the assessment and tax roll. [1957 c.324 §7; 1981 c.804 §40a; 1983 s.s. c.5 §4; 1991 c.459 §100; 1993 c.270 §27; 1997 c.541 §162; 2001 c.423 §1]

308.245 Maps; taxpayers' index. (1) The assessor of each county shall maintain a set of maps upon which are outlined the boundaries of each land parcel subject to separate assessment within the county, with the parcel's tax lot or account number shown on the parcel. In addition, the assessor may show on the maps the code area boundaries and the assigned code area numbers.

(2) The assessor shall also make a diagram or drawing of all property within the county of the assessor submitted to the provisions of ORS 100.005 to 100.910, and shall note thereon the assigned account or tax lot number.

(3) The assessor shall maintain an index of the names of every taxpayer against whom any tax is charged in the county, in alphabetical order with reference to the first three letters of the surname of taxpayers who have surnames, and of the first names of any others. The index shall be indexed to the assessment rolls and the place therein where the assessment of such taxpayer is found.

(4) The maps and the index provided for in this section shall be public records. [Amended by 1963 c.541 §44; 1965 c.344 §7]

308.250 Valuation and assessment of personal property; cancellation of assessment and short form return in certain cases; verified statements. (1) All personal property not exempt from ad valorem taxation or subject to special assessment shall be valued at 100 percent of its real market value, as of January 1, at 1:00 a.m. and shall be assessed at its assessed value determined as provided in ORS 308.146.

(2) If the total assessed value of all taxable personal property required to be reported under ORS 308.290 in any county of any taxpayer is less than \$12,500 in any assessment year, the county assessor shall cancel the ad valorem tax assessment for that year.

(3) In any assessment year or years following an assessment year for which taxes are canceled under subsection (2) of this section, the taxpayer may meet the requirements of ORS 308.290 by filing, within the time required under ORS 308.290, a verified statement with the county assessor indicating that the total assessed value of all taxable personal property of the taxpayer required to be reported under ORS 308.290 in the county is less than \$12,500. The statement shall contain the name and address of the taxpayer, the information needed to identify the account and other pertinent information, but shall not be required to contain a listing or value of property or property additions or retirements.

(4)(a) For each tax year beginning on or after July 1, 2003, the Department of Revenue shall recompute the maximum amount of the assessed value of taxable personal property for which ad valorem property taxes may be canceled under this section. The computation shall be as follows:

In no event shall the bond amount exceed twice the amount of the taxes, special assessments, fees and other charges computed by the assessor under this subsection.

(3) It shall be unlawful to operate a floating reduction or processing plant until the county assessor has been notified and the tax paid as provided in this section. If the owner or person in charge fails to notify the assessor, or proceeds to operate the plant before full payment of the tax, the owner or person in charge shall forfeit to the county, for the use of the several taxing jurisdictions interested, a sum equal to twice the amount of the tax. The forfeiture may be recovered by the assessor in an action brought in the name of the county in any court having jurisdiction to the amount thereof. In the action, the penalty shall be preferred before all other debts or claims.

(4) No mistake in the name of the owner of any floating reduction or processing plant shall affect the right to collect the tax or to recover the penalty under this section.

(5) The county assessor is authorized to levy, collect and remit to the tax collector, or the tax collector is authorized to collect, taxes under conditions described in this section. Either the assessor or tax collector is authorized to allow any discount or rebate otherwise provided by law for payment of taxes before the regular due date or dates. 308.275 Use of reproduction cost or prices and costs in determining assessed values. (1) The Department of Revenue shall prescribe a base in terms of the construction costs of a specified year for the computation of reproduction costs.

(2) If any county assessor uses reproduction costs as one of the means of determining the assessed value of real or personal property, the reproduction costs shall be computed on the basis of the construction costs of the year so specified by the Department of Revenue.

(3) If any county assessor uses the prices and costs prevailing in any year as a basis for determining assessed values for any classes of property, the prices and costs for the same year shall be applied uniformly in the assessment of all property of the same class in the county. (1)(a) Every person and the managing agent or officer of any firm, corporation or association owning, or having in possession or under control taxable personal property shall make a return of the property for ad valorem tax purposes to the assessor of the county in which such property has its situs for

taxation; however, as between a mortgagor and mortgagee or a lessor and lessee, the actual owner and the person in possession may agree between them as to who shall make the return and pay the tax, and the election shall be followed by the person in possession of the roll who has notice of the election. Upon the failure of either party to file a personal property tax return on or before March 1 of any year, both parties shall be jointly and severally subject to the provisions of ORS 308.296.

(b) Every person and the managing agent or officer of any firm, corporation or association owning or in possession of taxable real property shall make a return of the property for ad valorem tax purposes when so requested by the assessor of the county in which such property is situated.

(2)(a) Each return of personal property shall contain a full listing of such property and a statement of its real market value, including a separate listing of those items claimed to be exempt as imports or exports. Each statement shall contain a listing of the additions or retirements made since the prior January 1, indicating the book cost and the date of acquisition or retirement. Each return shall contain the name, assumed business name, if any, and address of the owner of the personal property and if it is a partnership, the name and address of each general partner or if it is a corporation, the name and address of its registered agent.

(c) There shall be annexed to each return the affidavit or affirmation of the person making the return that the statements contained in the return are true. All returns shall be in such form as the assessor, with the approval of the Department of Revenue, may prescribe. Prior to December 31 preceding the assessment year, the department or assessor shall cause blank forms for the returns to be prepared and distributed by mail, but failure to receive or secure the form shall not relieve the person, managing agent or officer from the obligation of making any return required by this section.

(3) All returns shall be filed on or before March 1 of each year, but the assessor, upon written request filed with the assessor prior to that date and for good cause shown in the request, shall allow for an extension of time within which to file the return to April 15. The department shall adopt rules for the granting of extensions under this subsection.

(4)(a) In lieu of the returns required under subsection (1)(a) or (b) of this section, every person and the managing agent or officer of any firm, corporation or association owning or having in possession or under control taxable real and personal property that is either principal or secondary industrial property as defined by ORS 306.126 (1) and is appraised by the department shall file a combined return of the real and personal property with the department.

(b) The contents and form of the return shall be as prescribed by rule of the department. Any form shall comply with ORS 308.297. Notwithstanding ORS 308.875, a manufactured structure that is a part of an industrial property shall be included in a combined return.

(c) In order that the assessor may comply with ORS 308.295, the department shall provide a list to the assessor of all combined returns required to be filed with the department under this subsection but were not filed on or before the due date or within the time allowed by an extension.

(d) If the department has delegated appraisal of the property to the assessor under ORS 306.126 (3), the department shall notify the person otherwise required to file the combined return under this subsection as soon as practicable after the delegation that the combined return is required to be filed with the county assessor.

(e) Notwithstanding subsection (1) or (3) of this section, a combined return of real and personal property that is industrial property appraised by the department shall be filed with the department on or before March 1 of the year.

(5)(a) Any person required to file a return under subsection (4) of this section may apply to the Department of Revenue for an extension of the time within which to file the return to April 15. An extension granted under this subsection shall continue in effect for each subsequent year unless canceled by the person or revoked by the department. An extension granted under this subsection shall apply to returns required to be filed with either the county assessor or the department. The department shall provide for notification of county assessors of the granting of extensions under this subsection.

(b) The Department of Revenue shall, by rule, establish procedures and criteria for the granting of extensions provided for under paragraph (a) of this subsection. The department shall adopt such rules after consultation with an advisory committee selected by the department that represents the interests of county assessors and affected taxpayers.

(6) No return shall be controlling on the assessor or on the Department of Revenue in any respect in the assessment of any property. On any failure to file the required return, the property shall be listed and evaluated from the best information obtainable from other sources.

(7) All returns filed under the provisions of this section and ORS 308.525 and 308.810 shall be confidential records of the office in which such returns are filed; except that all such returns shall be available to the Department of Revenue or its representative, to the representatives of the Secretary of State or to an accountant engaged by a county under ORS 297.405 to 297.555 for the purpose of auditing the county's personal property tax assessment roll (including adjustments to returns made by the Department of Revenue), to the county tax collector or the tax collector's representative for the purpose of collecting delinquent personal property taxes, to any reviewing authority as to those returns relating to appeals by taxpayers, to the Department of Human Services, to the Division of Child Support of the Department of Justice and district attorney regarding cases for which they are providing support enforcement services under ORS 25.080 and to the Legislative Revenue Officer or authorized representatives for the purpose of preparation of reports, estimates and analyses required by ORS 173.800 to 173.850. The Department of Revenue may exchange property tax information with the authorized agents of the federal

government and the several states on a reciprocal basis.

(8) If the assessed value of any personal property in possession of a lessee is less than the maximum amount of the assessed value of taxable personal property for which ad valorem property taxes may be canceled under ORS 308.250, the person in possession of the roll may disregard an election made under subsection (1) of this section and assess the owner or lessor of the property. [Amended by 1953 c.218 §2; 1961 c.683 §2; 1963 c.436 §1; 1965 c.16 §1; 1967 c.50 §1; 1971 c.568 §2; 1971 c.574 §2; 1975 c.789 §12; 1977 c.124 §6; 1977 c.774 §24; 1979 c.286 §14; 1981 c.623 §2; 1981 c.804 §49; 1987 c.312 §3; 1991 c.191 §5; 1991 c.459 §108; 1993 c.726 §56; 1993 c.813 §2; 1995 c.609 §3; 1997 c.154 §30; 1997 c.541 §169; 1997 c.819 §2; 2001 c.479 §2]

(2) A delinquent taxpayer is subject to a penalty of \$1 for each \$1,000 (or fraction thereof) of assessed value of the property as determined under ORS 308.146, but such penalty shall not be less than \$10 or more than \$250.

(3) If a delinquency penalty provided in this section is imposed, the tax statement for the year in which the penalty is imposed shall reflect the amount of the penalty and shall constitute notice to the taxpayer.

(4) Unless the penalty is the subject of an appeal under ORS 311.223, the county board of property tax appeals may, upon application of the taxpayer, waive the liability for all or a portion of the penalty upon a proper showing of good and sufficient cause. However, an application made under this subsection shall not be considered by the board unless filed timely and in the same manner as an appeal under ORS 309.100. There shall be no appeal from the determination of the board under this subsection.

(5) If the board waives all or a portion of a penalty already imposed and entered on the roll, the person in charge of the roll shall cancel the waived penalty and enter the cancellation on the roll as an error correction under ORS 311.205 and, if the waived penalty has been paid, it shall be refunded without interest under ORS 311.806. [Amended by 1963 c.436 §2; 1967 c.405 §1; 1969 c.280 §1; 1971 c.472 §2; 1981 c.804 §50; 1983 c.604 §1; 1985 c.162 §4; 1985 c.318 §1; 1989 c.330 §1; 1991 c.459 §109a; 1997 c.541 §170; 1997 c.819 §6; 1999 c.655 §3; 2001 c.303 §2]

There shall be no appeal from the determination of the board under this subsection.

(7) If the board waives all or a portion of a penalty already imposed and entered on the roll, the person in charge of the roll shall cancel the waived penalty and enter the cancellation on the roll as an error correction under ORS 311.205 and, if the waived penalty has been paid, it shall be refunded without interest under ORS 311.806. The department may require the assessor to present additional facts, or the department may conduct other inquiries necessary to a consideration of the matter. If the department finds that the examination should be made or the testimony taken, it shall take any action it considers appropriate under the powers granted to it by law, including the subpoenaing and examination of witnesses, books and papers pursuant to ORS 305.190, to the end that the property under consideration is ratably assessed according to law.

308.341 Exemption for reduction in value by reason of comprehensive plan or zone change; limited to tax years before 1997-1998; disqualification; treatment of property first exempt in 1996-1997 tax year. (1) If the real market value of any real property is reduced by reason of the adoption of or a change in the comprehensive plan, zoning ordinance or zoning designation for the property not at the request of the owner, the owner on the date of the adoption or change may file a claim for exemption with the assessor. The claim shall be filed on or before April 1 of any year, but not later than two years after April 1 of the calendar year in which the real market value was so reduced. The claim shall be on forms furnished by the assessor and approved by the Department of Revenue.

(2) The assessor shall compute the difference in real market value attributable to such reduction, between the real market value of the property as of the July 1 assessment date for which the real market value was so reduced, and the real market value as of the July 1 immediately prior to such reduction. Beginning in the year in which the claim is filed and for four consecutive years thereafter, the assessor shall assess the property at a value equal to the real market value of the property as of July 1 less the difference in the real market value of the property attributable to the reduction. In no case shall the taxable value be reduced below zero. The assessor shall notify the person in whose name the property is assessed of the amount of the reduction in value and of the approximate dollar amount of tax reduction, based upon the tax rate extended against the property on the last tax roll. The notice shall be mailed to the address of the person as indicated on the claim for exemption.

(3) No claims for assessment under this section may be filed for tax years beginning on or after July 1, 1997.

(4) All property assessed under this section for the tax year beginning July 1, 1996, is disqualified from assessment under this section for tax years beginning on or after July 1, 1997. No additional taxes may be imposed as the result of a disqualification under this subsection.

(5) In the case of property that was first subject to assessment under this section for the tax year beginning July 1, 1996:

(a) The claim filed for the tax year beginning July 1, 1996, shall be deemed to be a claim for the tax year beginning July 1, 1995, and the adoption or change in the comprehensive plan, zoning ordinance or zoning designation upon which the claim is based shall be deemed to have occurred 12 months prior to the actual date of adoption or change;

(b) The amount of the subtraction from real market value for the tax year beginning July 1, 1996, shall also be subtracted from the real market value of the property for the tax year beginning July 1, 1995, to arrive at the property's assessed value for the tax year beginning July 1, 1995; and

(c) There shall be refunded an appropriate amount of ad valorem property taxes for the tax year beginning July 1, 1995, to reflect the assessed value of the property for the tax year beginning July 1, 1995, as determined under this subsection, plus interest. INDUSTRIAL PLANTS

308.408 “Industrial plant” defined. As used in ORS 192.501 to 192.505, 305.190, 305.420, 305.430, 308.408 to 308.413 and 308.990 (5), “industrial plant” includes:

(1) The land, buildings, structures and improvements, and the tangible personal property, including but not limited to machinery, equipment and office machines and equipment that make up the property or complex of properties used for industrial or manufacturing purposes;

(2) Any industrial real or personal property eligible for appraisal under ORS 306.126 and the rules of the Department of Revenue; and

(3) Any real or personal property used for generating electricity, if:

(a) The property consists primarily of a generating facility primarily fueled by wood waste or other biomass fuel;

(b) The property has a maximum generating capacity of 20 megawatts; and

(c) The electricity generated by the property is consumed by the property user or is sold exclusively to an electric utility, as defined in ORS 758.505, for the utility’s distribution to utility customers. [1981 c.139 §1; 1995 c.650 §87; 1997 c.656 §1]

Note: 308.408, 308.411 and 308.413 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 308 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

308.409 [Formerly 308.405; repealed by 1979 c.689 §27]

308.411 Appraisal and real market valuation of industrial plants. (1) Except as limited by subsections (2) to (9) of this section, the real market value of an industrial plant shall be determined for ad valorem tax purposes under ORS 308.205, 308.232 and 308.235 utilizing the market data approach (sales of comparable properties), the cost approach (reproduction or replacement cost of the plant) or the income approach (capitalization of income) or by two or more approaches. The assessed value of an industrial plant shall be determined under ORS 308.146.

(2) The owner of a plant may elect to have the plant appraised and valued for ad valorem property tax purposes excluding the income approach to valuation. An owner making an election under this subsection must further determine which of the following paragraphs is applicable to the election:

(a) If this paragraph applies to the election, the owner may not be required to provide any itemization of income or expense of the industrial plant for use in making an appraisal of the plant for ad valorem property tax purposes; or

(b) If this paragraph applies to the election, the owner may not be required to provide any itemization of income of the industrial plant for use in making an appraisal of the plant for ad valorem property tax purposes, but may be required to provide an itemization of operating expenses of the industrial plant for use in measuring functional obsolescence in a market data approach or cost approach to valuation.

(3) Not less than 30 days prior to the making of a physical appraisal or reappraisal of an industrial plant by the Department of Revenue or by a county assessor, the department or assessor shall notify the owner of the plant by mail, return receipt requested, of the intention to physically appraise the plant. The notice shall inform the owner of the date the appraisal is to commence. In commencing the appraisal and to aid the owner in making an election under subsection (2) of this section, the department's or assessor's appraisers first shall make a preliminary survey of the plant as to the methods and approaches to the valuation of the plant to be used in the appraisal. The owner or owner's representative shall immediately thereafter meet with the appraisers, and within two days after the meeting may give written notice to the appraisers that the owner elects to have the plant valued in accordance with subsection (2) of this section. The written notice shall state which paragraph of subsection (2) of this section is applicable to the election. Failure to make the election precludes the owner from making the election for the tax year in which the valuation determined by the physical appraisal is first used on the assessment and tax rolls of the county.

(4) If an owner does not make an election under subsection (2) of this section, the owner shall make available to the assessor or department all information requested by the assessor or department needed to determine the real market value for the plant. At the request of the owner, the information shall be made the confidential records of the office of the assessor or of the department, subject to the provisions of ORS 305.420 and 305.430.

(5) If an owner makes an election under subsection (2) of this section, the owner may not in any proceedings involving the assessment of the industrial plant for the tax year for which the election was made, before the county board of property tax appeals or the Oregon Tax Court, be entitled to introduce evidence relating to the use of the income approach to valuation of the plant or introduce any information protected under the election.

(6)(a) On or before December 31 of the tax year in which the election under subsection (2) of this section first applies to an assessment and tax roll, or on or before December 31 of any subsequent tax year, if the owner is dissatisfied with the election under subsection (2) of this section, the owner may revoke or revise the election.

(b) If the election is revoked, the owner may request the Department of Revenue or the county assessor, whichever is applicable, to revalue the plant for the next tax year using the appraisal methods set forth in subsection (1) of this section.

(c) If the election is revised, the paragraph of subsection (2) of this section that was not applicable to the election shall become applicable to the election in lieu of the paragraph applicable before revision. If the election is revised, the owner may request the Department of Revenue or the county assessor, whichever is applicable, to revalue the plant for the next tax year in accordance with the revised election.

(d) If a revocation or revision of an election is sought, the owner shall demonstrate that the determination of real market value requires taking into consideration the utilization of the income approach to valuation or the measurement of functional obsolescence using operating expense information. Thereafter, at the request of the department or the assessor, the owner shall make available to the department or the assessor all information requested by the department or the assessor as provided in subsection (4) of this section within 30 days following the department's or the assessor's request. If the owner fails to provide the information and a revocation had been sought, the election under subsection (2) of this section shall continue. If the owner fails to provide the information and a revision had been sought, the paragraph of subsection (2) that applied prior to the attempted revision shall continue to apply to the election. Under either circumstance, in any proceedings involving the assessment of the industrial plant for subsequent tax years, before the county board of property tax appeals or the Oregon Tax Court, the owner may not introduce evidence relating to the income approach to valuation or introduce any information protected under the election. If the department or assessor makes such a redetermination of the valuation as may, in their opinion, be necessary, the department or assessor shall furnish to the owner prior to the following May 1 a statement of the value of the plant as redetermined by the department or the assessor, with an explanation of the adjustments made.

(7) After any physical appraisal of an industrial plant or after the appraisal is updated for use on the assessment and tax rolls for a subsequent year, but in any event prior to May 1 of the assessment year for which the appraisal or update applies, the owner may request a conference with the department or with the assessor concerning the determination of real market value under the physical appraisal or updating of the appraisal. If the request for a conference is made, the department or the assessor shall give written notice to the owner of the time and place for the conference for an informal discussion of the valuation.

(8) Except as provided in this section, no owner of an industrial plant shall be required to make available to the assessor or department, any itemization of income and expense of the industrial plant for use in an income approach to valuation in making an appraisal of an industrial plant for purposes of ad valorem property taxation. However, information furnished pursuant to subsection (4) of this section is available to the county assessor and to the department for purposes of preparing valuations of other industrial plants, subject to the provisions of ORS 308.413.

(9) Nothing in this section shall preclude the request for and use of information from an owner of an industrial plant concerning cost items, whether materials, labor or otherwise, for use in the reproduction cost approach to the valuation of the plant. In no event shall the application of subsection (2) of this section operate to value an industrial plant below its real market value for ad valorem property tax purposes under ORS 308.232. The election of an owner under subsection (2) of this section to forego the consideration of the income approach to valuation shall constitute an irrevocable waiver of any subsequent claim that the failure of the assessor or the department to consider the income approach resulted in a valuation in excess of the real market value of the plant under ORS 308.232.

(10) If the owner of an industrial plant has made an election under subsection (2) of this section, a subpoena for the production of information for the industrial plant that is protected by the election may not be issued while that election is in effect.

(11) Notwithstanding subsection (3) of this section concerning the time for making an election under subsection (2) of this section, if the owner of an industrial plant receives notice under ORS 305.392 that a subpoena will be issued for income or expense information for the industrial plant, and the owner has not previously made an election under subsection (2) of this section that is in effect, the owner may make the election allowed under subsection (2) of this section within the 60-day period specified in ORS 305.392. Any owner making an election under this subsection may not revoke or revise that election until after the industrial plant is next assessed for ad valorem tax purposes.

(12) Notwithstanding subsection (2) of this section, nothing in this section is intended to exclude the capitalization of market rents from the appraisal of buildings.

(13) The department may adopt any rules necessary to carry out the purposes of this section. [1981 c.139 §2; 1991 c.459 §132; 1993 c.270 §33; 1993 c.353 §8; 1995 c.79 §129; 1995 c.650 §88; 1995 c.724 §1; 1997 c.541 §§193,194; 1999 c.579 §30]

Note: See note under 308.408.

308.412 Effect of election to exclude income approach to value under prior law. An owner that made an election that was in effect under ORS 308.411 (1997 Edition) shall be considered to have chosen ORS 308.411 (2)(a) to apply to the election. The owner may revise or revoke the election pursuant to ORS 308.411 (6). [1999 c.579 §31]

Note: 308.412 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 308 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

instrument of sale in the case of real property, or the person assessed, person in possession or owner in the case of personal property, may apply to the tax collector for proration of the taxes imposed on the property for the tax year.

(2) Application for proration of taxes under subsection (1) of this section shall be made not later than the end of the tax year or 30 days after the date the property was destroyed or damaged, whichever is later.

(3)(a) For property that is totally destroyed, the tax collector shall collect only one-twelfth of the taxes imposed on the property for the tax year, for each month or fraction of a month that the property was in existence during the tax year. The tax collector shall cancel the remainder of the taxes imposed on the property for the tax year.

(b) For property that is damaged, the tax collector shall collect only one-twelfth of the taxes imposed on the property for the tax year, for each month or fraction of a month that preceded the month during which the property was damaged. For the month in which the property was damaged, and for each month of the tax year thereafter in which the property remains damaged, the tax collector shall collect that percentage of one-twelfth of the taxes imposed on the property that the real market value or the assessed value of the property after the damage (whichever is less) bears to the assessed value of the property before the damage. The assessor shall advise the tax collector of the value percentage required under this paragraph. The tax collector shall cancel any taxes not to be collected due to this paragraph.

(4) If the damaged property to which this section applies is a manufactured structure that is moved to another county after being damaged, the owner shall advise the tax collector of the new location of the manufactured structure.

(5) That portion of the property that is damaged property and that is subsequently repaired shall be considered to be new property or new improvements to property under ORS 308.153 for the assessment year in which the repairs or replacements are first taken into account. REHABILITATED RESIDENTIAL PROPERTY

308.450 Definitions for ORS 308.450 to 308.481. As used in ORS 308.450 to 308.481:

(1) "Distressed area" means a primarily residential area of a county or city designated by a county or city which, by reason of deterioration, inadequate or improper facilities, the existence of unsafe or abandoned structures, including but not limited to a significant number of vacant or abandoned single or multifamily residential units, or any combination of these or similar factors, is detrimental to the safety, health and welfare of the community. Each city or county that adopts, by resolution or ordinance, ORS 308.450 to 308.481, shall adopt rules specifying the process for determining the boundaries of a distressed area and for distressed area boundary changes. At no time shall the cumulative land area within the boundaries of distressed areas within a city or county, whichever is appropriate, determined for purposes of ORS 308.450 to 308.481, exceed 20 percent of the total land area of the city or county.

(2) "Governing body" means the city or county legislative body having jurisdiction over the property for which a limited assessment may be applied for under ORS 308.450 to 308.481.

(3) "Rehabilitation improvements" means modifications to existing structures which are made to achieve a condition of substantial compliance, as defined in subsection (5) of this section.

(4) "Rehabilitated residential property" means land and the improvements thereon:

(a) Which are either single or multifamily residential units or are not residential units but which will become residential units through rehabilitation improvements;

(b) Which fail to comply with one or more standards of the state or local building or housing codes applicable at the time the application is filed;

(c)(A) Which are not less than 25 years of age on January 1, 1986, and on which sums have been expended after September

13, 1975, and prior to January 1, 2008, for the purpose of making rehabilitation improvements, and which sums in the aggregate equal or exceed five percent of the assessed value of the land and improvements thereon as reflected in the last certified assessment roll next preceding the date on which the application for limited assessment is filed with the governing body pursuant to ORS 308.462; or

(B) On which, regardless of the age of the residential property, sums have been expended or the renovation completed after October 3, 1989, and prior to January 1, 2008, for the purpose of making rehabilitation improvements, and which sums in the aggregate equal or exceed 50 percent of the assessed value of the land and improvements thereon as reflected in the last certified assessment roll next preceding the date on which the applications for limited assessment is filed with the governing body pursuant to ORS 308.462;

(d) Which provide at least 50 percent of their accommodations for residential and not transient occupancy; and

(e) If owner-occupied, which are located within a distressed area.

(5) "Substantial compliance" means compliance with local building or housing code requirements. It shall not mean that all heating, plumbing and electrical systems be replaced with systems meeting current standards for new construction, notwithstanding that the cost of rehabilitation may exceed 50 percent of the value of the structure before rehabilitation. [1975 c.696 §2; 1977 c.472 §1; 1979 c.768 §1; 1981 c.804 §62; 1985 c.320 §1; 1989 c.1051 §6; 1991 c.459 §133; 1997 c.541 §197; 1997 c.830 §1]

308.453 Policy. The Legislative Assembly finds that it is in the public interest to encourage the rehabilitation of existing units in substandard condition and the conversion of transient accommodation to permanent residential units and the conversion of nonresidential structures to permanent residential units in order to make these units sound additions to the housing stock of the state. The Legislative Assembly further finds that cities and counties of this state should be enabled to establish and design programs to stimulate such rehabilitation and or conversion based on the incentive of a local property tax exemption, which is authorized under ORS 308.450 to 308.481. [1975 c.696 §1a; 1977 c.472 §2; 1979 c.768 §2; 1989 c.1051 §7]

308.455 [Repealed by 1975 c.365 §4]

308.456 Application of ORS 308.450 to 308.481; standards for processing certificate applications. (1) ORS 308.450 to 308.481 apply to rehabilitated residential property located within the jurisdiction of a governing body which adopts, by resolution or ordinance, the provisions of ORS 308.450 to 308.481. Except as provided in subsection (2) of this section, the limited assessment provided by ORS 308.450 to 308.481 only applies to the tax levy of a governing body which adopts the provisions of ORS 308.450 to 308.481.

(2) The limited assessment provided by ORS 308.450 to 308.481 shall apply to the tax levy of all taxing districts in which property certified for limited assessment under ORS 308.450 to 308.481 is located when, upon request of a governing body which has adopted the provisions of ORS 308.450 to 308.481, the rates of taxation of such taxing districts whose governing boards agree to the policy of limited assessment as provided in ORS 308.450 to 308.481, when combined with the rate of taxation of the governing body which adopts the provisions of ORS 308.450 to 308.481, equal 51 percent or more of the total combined rate of taxation on the property certified for limited assessment.

(3) The governing body shall promulgate standards and guidelines to be utilized in making the determinations required by ORS 308.466 and, in the case of nonowner-occupied residential structures or units, standards and guidelines to be applied if the governing body desires to enter into negotiations with the owner regarding rental rates to be charged during the period of the limited assessment.

(4) ORS 308.450 to 308.481 do not apply to increases in assessed valuation made by the assessor or by lawful order of the Department of Revenue or a court, to a class of property throughout the county or any specific area of the county to achieve the uniformity of assessment or appraisal required by ORS 308.232. [1975 c.696 §§4,12; 1989 c.1051 §8; 1993 c.270 §34]

308.459 Valuation of rehabilitated property not to be increased; effect of filing date of certificate. (1) For purposes of ORS 308.232, the assessed value of rehabilitated residential property shall be not more than its assessed value as it appears in the last certified assessment roll next preceding the date on which the application for limited assessment is filed with the governing body as provided in ORS 308.462. If the certificate of qualification is filed with the assessor as provided in ORS 308.466 after December 31 and before April 1, the limited assessment shall apply with respect to the first assessment roll certified after that date or if the certificate of qualification is filed after April 1 and before January 1, the limited assessment shall apply as of the following January 1, and shall continue to apply for a total of 10 consecutive assessment rolls.

(2) Notwithstanding subsection (1) of this section, if the multifamily rehabilitated residential housing is subject to a low income rental assistance contract with an agency of this state or of the United States, the city may extend the limited assessment provided by ORS 308.450 to 308.481 through December 31 of the assessment year during which the termination date of the contract falls. [1975 c.696 §3; 1979 c.768 §2a; 1981 c.804 §63; 1985 c.320 §2; 1989 c.1051 §9; 1991 c.459 §134; 1997 c.541 §198]

308.460 [Repealed by 1975 c.365 §4]

308.462 Qualifications for limited assessment. To qualify for the limited assessment provided by ORS 308.450 to 308.481, the owner shall:

(1) Prior to commencement of rehabilitation improvements, secure from the governing body or its duly authorized agent, verification of noncompliance with code as defined in ORS 308.450 (4)(b);

(2) File an agreement with the governing body, where required by the governing body, between the owner and the governing body to negotiate rental rates to be charged for the rehabilitated rental units during the period of the limited assessment; and

(3) File an application for limited assessment with the governing body which contains any information the governing body deems necessary to determine whether or not the property qualifies for limited assessment. [1975 c.696 §5; 1977 c.472 §3; 1989 c.1051 §10]

308.465 [Repealed by 1975 c.365 §4]

308.466 Processing applications for limited assessment; issuance of certificate; judicial review of application denial.

(1) The governing body or its duly authorized agent shall approve or deny an application filed under ORS 308.462 within 90 days after receipt of the application. An application not acted upon within 90 days shall be deemed approved.

(2) Subject to ORS 308.471, the governing body shall complete a certificate of qualification on a form approved by the Department of Revenue and file the certificate with the county assessor. The certificate shall contain a statement by a duly authorized agent of the governing body that the property is in substantial compliance as defined in ORS 308.450, and that the owner of the property has complied with the provisions of ORS 308.471. In addition, the governing body shall file with the county assessor copies of applications filed and deemed approved under subsection (1) of this section, together with copies of those statements filed under ORS 308.462 and 308.471.

(3) If the application is denied, the governing body or its authorized agent shall state in writing the reasons for denial and send the notice to the applicant at the last-known address of the applicant within 10 days after the denial.

(4) Upon denial by a duly authorized agent, an applicant may appeal the denial to the governing body within 30 days after receipt of the denial. Upon denial of the appeal by the governing body, or denial of the application, the applicant may appeal to the circuit court, and from the decision of the circuit court to the Court of Appeals, as provided by law. [1975 c.696 §6; 1989 c.1051 §11]

308.468 Fee for limited assessment applications; time of payment; disposition. The governing body, after consultation with the county assessor, shall establish an application fee in an amount sufficient to cover the cost to be incurred by the governing body and the assessor in administering ORS 308.450 to 308.481. The application fee shall be paid at the time the application for limited assessment is filed. If the application is approved, the governing body shall pay the application fee to the county assessor for deposit in the county general fund, after first deducting that portion of the fee attributable to its own administrative costs in processing the application. If the application is denied, the governing body shall retain that portion of the application fee attributable to its own administrative costs and refund the balance to the applicant. [1975 c.696 §11]

308.470 [Amended by 1967 c.105 §3; repealed by 1975 c.365 §4]

308.471 Owner to file statement with governing body when rehabilitation project finished; disqualification of property; judicial review of disqualification determination. (1) Upon completion of the rehabilitation improvements for which an application for limited assessment filed under ORS 308.462 has been approved, the owner shall, if appropriate, file with the governing body the following:

(a) A statement of rents charged for each rental unit for the 12-month period preceding the commencement of rehabilitation improvements, if an agreement has been filed under ORS 308.462 (2);

(b) A statement of the amount of rehabilitation expenditures made with respect to each unit and the composite expenditures made in the rehabilitation of the entire property; and

(c) A statement that the rehabilitation improvements or to the owner's property qualify such property for limited assessment under ORS 308.450 to 308.481.

(2) Within 30 days after receipt of the statements required by subsection (1) of this section, the governing body shall determine whether or not the owner's property is qualified for limited assessment under ORS 308.450 to 308.481.

(3) If the rehabilitation was completed within two years of the date the application for limited assessment was filed under ORS 308.462 and the governing body determines that the owner's property is qualified for limited assessment under ORS 308.450 to 308.481, the governing body shall file the certificate of qualification required by ORS 308.466 with the county assessor within 10 days after the expiration of the 30-day period provided by subsection (2) of this section.

(4) If the governing body determines that rehabilitation was not completed within two years of the application date or that the owner's property is otherwise not qualified for limited assessment under ORS 308.450 to 308.481, the governing body or its agent shall state in writing reasons why the property is not qualified and send such writing to the owner within 10 days after the determination.

(5) An owner may appeal an adverse determination by the governing body to the governing body within 30 days after receipt of the writing required by subsection (4) of this section. If the governing body rejects the appeal, the owner may appeal

to the circuit court, and from the decision of the circuit court to the Court of Appeals, as provided by law. [1975 c.696 §7; 1977 c.472 §4; 1985 c.320 §3; 1989 c.1051 §12]

If an agreement has been filed under ORS 308.462 (2), within 60 days following the end of the fiscal year as used by the owner for purposes of reporting federal income tax and during the period that the certificate described in ORS 308.466 is in effect, the owner of the rehabilitated property that is nonowner-occupied shall file with a designated agent of the governing body the following:

(1) A statement of occupancy and vacancy of the rehabilitated property during the 12 months ending with the anniversary date;

(2) A statement of all rental rates, and increases in rental rates and operating costs, during the 12 months ending with the anniversary date; and

(3) A certification by the owner that the property has been held continuously for the production of rental income since the date of the certificate approved by the governing body, pursuant to ORS 308.466. [1975 c.696 §8; 1977 c.472 §5; 1989 c.1051 §13]

308.475 [Repealed by 1975 c.365 §4]

308.477 Termination of limited assessment for incomplete construction or noncompliance; appeal; revaluation; tax liability. (1) Except as provided in ORS 308.479, if, after a certificate of qualification has been filed with the county assessor under ORS 308.466, the governing body finds that the rehabilitation improvements were not completed on or before January 1, 2008, or that any provision of ORS 308.450 to 308.481 is not being complied with, or any provision required by the governing body pursuant to ORS 308.450 to 308.481 is not being complied with, it shall give notice in writing to the owner, mailed to the owner's last-known address, of the proposed termination of the limited assessment. The notice shall state the reasons for the proposed termination and shall require the owner to appear at a specified time, not less than 20 days after mailing the notice, to show cause, if any, why the limited assessment should not be terminated.

(2) If the owner does not appear or appears and fails to show cause why the limited assessment should not be terminated, the governing body shall terminate the limited assessment. A copy of the termination shall be filed with the county assessor and a copy sent to the owner at the owner's last-known address, within 10 days after its adoption.

(3) The owner may appeal the termination to the circuit court, and from the decision of the circuit court to the Court of Appeals, as provided by law.

(4) If no appeal is taken as provided in subsection (3) of this section, or upon final adjudication, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under ORS 311.216 to 311.232 to provide for the assessment and taxation of any value not included in the valuation of the rehabilitation improvements during the period of limited assessment prior to termination by the governing body or by a court, in accordance with the findings of the governing body or the court as to the assessment year in which the limited assessment is to terminate. The county assessor shall make the valuation of the property necessary to permit correction of the rolls, and the owner may appeal the valuation in the manner provided under ORS 311.216 to 311.232. Where there has been a failure to comply, as provided in subsection (1) of this section, the property shall be revalued beginning January 1 of the assessment year in which the noncompliance first occurred. Any additional taxes becoming due shall be payable without interest if paid in the period prior to the 16th day of the month next following the month of correction. If not paid within such period, the additional taxes shall thereafter be considered delinquent on the date they would normally have become delinquent if timely extended on the roll or rolls in the year or years for which the correction was made. [1975 c.696 §9; 1977 c.472 §6; 1979 c.768 §3; 1981 c.697 §3; 1985 c.320 §4; 1991 c.459 §135; 1997 c.541 §199; 1997 c.830 §2]

308.479 Termination of limited assessment for change of use; additional taxes; circumstances when additional taxes not imposed. (1) If, after a certificate of qualification has been filed with the county assessor under ORS 308.466, a declaration defined in ORS 100.005 with respect to the property is presented to the county assessor or tax collector for approval under ORS 100.110 or if the county assessor discovers that a portion of the rehabilitated residential property is changed to a use that is other than residential or housing:

(a) The limited assessment granted to the property or portion under ORS 308.450 to 308.481 shall terminate immediately, without right of notice or appeal;

(b) The property or portion shall be assessed and taxed in the same manner as other property similarly situated is assessed and taxed; and

(c) Notwithstanding ORS 311.235, there shall be added to the general property tax roll for the tax year next following the presentation or discovery, to be collected and distributed in the same manner as other real property tax, an amount equal to the difference between the amount of tax levied with respect to the property or portion for the tax year for which the property or portion was granted limited assessment and the tax that would have been levied if the property or portion had not been granted limited assessment for that year for each of the years, not to exceed the last 10 years, during which the property was granted limited assessment under ORS 308.450 to 308.481.

(2) Subsection (1)(c) of this section shall not apply to property for which a declaration is presented to the county assessor

or tax collector for approval under ORS 100.110, if:

(a) The property is subject to an agreement described in ORS 308.462 (2);

(b) Based on the most recent statement of rental rates filed under ORS 308.474, the rental rates of all units are equal to or greater than 125 percent of the Section 8 fair market rent, adjusted for unit size, as established and periodically adjusted by the Secretary of Housing and Urban Development pursuant to 42 U.S.C. 1437f, as amended and in effect on October 4, 1997;

(c) The property owner files a written request with the governing body for a waiver of the provisions of subsection (1)(c) of this section between six months before and six months after the declaration is submitted to the assessor for approval under ORS 100.110; and

(d) The governing body approves the request.

(3) If, at the time of presentation or discovery, the property is no longer receiving limited assessment, additional taxes shall be collected as provided in this section, but the number of years that would otherwise be used to compute the additional taxes shall be reduced one year for each year that has elapsed since the year the property was last granted limited assessment beginning with the oldest year for which additional taxes are due.

(4) The assessment and tax rolls shall show "potential additional tax liability" for each property granted limited assessment under ORS 308.450 to 308.481.

(5) Additional taxes collected under this section shall be deemed to have been imposed in the year to which the additional taxes relate. [1981 c.697 §2; 1983 c.630 §1; 1987 c.158 §47; 1987 c.459 §34; 1989 c.1051 §13a; 1991 c.459 §136; 1995 c.79 §130; 1997 c.830 §3]

308.480 [Repealed by 1975 c.365 §4]

308.481 Extending deadline for completion of rehabilitation project; grounds. Notwithstanding any provision of ORS 308.477, if the governing body finds that the rehabilitation improvements were not completed by January 1, 2008, due to circumstances beyond the control of the owner, and that the owner had been acting and could reasonably be expected to act in good faith and with due diligence, the governing body may extend the deadline for completion for a period not to exceed 12 consecutive months. [1975 c.696 §10; 1977 c.472 §7; 1979 c.768 §4; 1985 c.320 §5; 1991 c.459 §137; 1997 c.541 §201; 1997 c.830 §4]

NONPROFIT HOMES FOR ELDERLY PERSONS

308.490 Determining value of homes for elderly persons. (1) The Legislative Assembly finds that ordinary methods of determining the assessed value of real property, particularly by consideration of the cost of replacing a structure with a similar and comparable one of equivalent utility, are not appropriate with respect to property of nonprofit homes for elderly persons, operated by corporations described in ORS 307.375. The Legislative Assembly declares that the benefits inherent in operation of these homes, especially in the housing and care furnished to elderly persons for whom this state and its political subdivisions otherwise might be responsible, justifies the use of criteria set out in subsection (2) of this section.

(2) In determining the assessed value of the property of a nonprofit home for elderly persons, operated by a corporation described in ORS 307.375, the county assessor shall not take into account considerations of replacement cost, but shall consider:

(a) The amount of money or money's worth for which the property may be exchanged within a reasonable period of time under conditions in which both parties to the exchange are able, willing and reasonably well informed.

(b) The gross income that reasonably could be expected from the property if leased or rented to the public generally, less annual operating expenses, reserves for replacements and insurance, depreciation and taxes.

(c) The relative supply and demand for similar properties.

(d) The relative value of the location of the property. [1969 c.587 §8; 1981 c.624 §12; 1983 s.s. c.5 §7; 1991 c.459 §138; 1997 c.541 §202]

308.535 Extension of time for making reports or statements; proceeding in case of failure or refusal to furnish statement or information. The Department of Revenue, for good cause, may allow a reasonable extension of time for filing any report or statement required in ORS 308.505 to 308.665. If a company fails to make any statement or furnish any information required by ORS 308.505 to 308.665, the department shall inform itself as best it may as to the matters necessary to be known in order to discharge its duties with respect to the property of the company. [Amended by 1997 c.154 §36]

308.540 Department to prepare assessment roll; date as of which value assessed; when roll final. The Department of Revenue shall prepare each year an assessment roll, in which shall be assessed, as of January 1 at 1:00 a.m. of such year, the assessed value of all the properties of the several companies subject to taxation under ORS 308.505 to 308.665. 308.545 Mode of valuing property. For the purpose of arriving at the amount and character and assessed value of the property belonging to a company, the Department of Revenue personally may inspect the property, and may take into consideration the statements filed under ORS 308.505 to 308.665, the reports, statements or returns of the company filed in the office of any board, office or commission of this state, or any county thereof, the earning power of the company, the franchises and special franchises owned or used by the company, and such other evidence of any kind that is obtainable bearing thereon. However, no report, statement or return shall be conclusive upon the department in arriving at the amount and character and assessed value of the property belonging to the company. [Amended by 1991 c.459 §146; 1997 c.154 §38; 1997 c.541 §206]

308.550 Valuing property of company operating both within and without state. (1) When a company owns, leases, operates over or uses rail, wire, pipe or pole lines, operational routes or property within and without this state, if the department values the entire property within and without this state as a unit, it may ascertain the property subject to taxation in Oregon by the proportion which the number of miles of rail, wire, pipe or pole lines or operational routes in Oregon, controlled or used by the company, as owner, lessee, or otherwise, bears to the entire mileage of rail, wire, pipe or pole lines or operational routes

controlled or used by the company, as owner, lessee, or otherwise.

(2) If the value of any property having a situs in this state, of a company operating both within and without the state, cannot fairly be determined in the manner prescribed in subsection (1) of this section, the Department of Revenue may use any other reasonable method to determine the proper proportion of the entire property assessable for taxation in this state.

(3) The assessed value of the property of a water transportation company apportioned or allocated to Oregon shall not reflect so much of the value of its watercraft as is fairly attributable to voyages made by such watercraft exclusively on the high seas or between inland water ports or termini and the high seas. Voyages made to Oregon ports for the sole purpose or purposes of picking up or discharging company personnel, making repairs, refitting, or taking on supplies shall not be used for allocation or apportionment purposes. [Amended by 1955 c.735 §2; 1991 c.459 §147; 1997 c.541 §207]

308.555 Unit valuation of property. The Department of Revenue, for the purpose of arriving at the assessed value of the property assessable by it, may value the entire property, both within and without the State of Oregon, as a unit. If it values the entire property as a unit, either within or without the State of Oregon, or both, the department shall make deductions of the property of the company situated outside the state, and not connected directly with the business thereof, as may be just, to the end that the fair proportion of the property of the company in this state may be ascertained. If the department values the entire property within the State of Oregon as a unit, it shall make deductions of the property of the company situated in Oregon, and assessed by the county assessors, to an amount that shall be just. For that purpose the county assessors shall, if the department so requests, certify to the department the assessed value of the property of the companies assessable by them, but such certification of assessed value is intended to be advisory only and is not conclusive upon the department. [Amended by 1981 c.804 §64; 1991 c.459 §148; 1997 c.541 §208]

308.558 Taxation of aircraft; criteria; apportionment. (1) Aircraft shall be subject to assessment, taxation and exemption, as provided in this section.

(2) Any aircraft used or held for use by an air transportation company that is operating pursuant to a certificate of convenience and necessity issued by an agency of the federal government shall be assessed and taxed under ORS 308.505 to 308.665.

(3) Any aircraft used or held for use by an air transportation company to provide scheduled passenger service, whether or not the company is operating pursuant to a certificate of convenience and necessity issued by a federal agency, shall be assessed and taxed under ORS 308.505 to 308.665.

(4) Any aircraft that is required to be registered under ORS 837.040 for all or any part of the calendar year is exempt from ad valorem property taxation for the tax year beginning in the calendar year.

(5) Subject to allocation or apportionment for out-of-state service, all other aircraft not otherwise specifically exempt from taxation or licensed in lieu thereof, and not subject to assessment by the Department of Revenue under ORS 308.505 to 308.665, shall be assessed in the county from which they are customarily operated when not in service, or if there is no customary place from which operated, then in the county in which their owner or owners reside, or if neither situs applies, then in the county in which any one of the owners maintains a place of business. [1987 c.601 §4; 1993 c.18 §70; 1995 c.79 §131]

308.559 Exemption for aircraft undergoing major work. (1)(a) Any aircraft used or held for use by an air transportation company is exempt from ad valorem property taxation during the period of time it is undergoing major work at a facility located in Oregon.

(b) For purposes of this section:

(A) "Facility" includes all buildings or areas designed and used exclusively for major work at or near an airport, except passenger or freight terminals.

(B) "Major work" includes all remodeling, renovation, conversion, reconversion, repairs or scheduled maintenance performed at a facility in which the total labor expended for the work exceeds 10 work hours.

(C) "Period of time" means the total time during which aircraft are awaiting or undergoing major work in a facility.

(c) No exemption shall be granted under this section unless the air transportation company provides separate traffic statistics and other documentation demonstrating the major work to the Department of Revenue as part of a report filed either within the time required under ORS 308.520 or as extended under ORS 308.535. If the department determines that insufficient records and other information have been provided by the air transportation company to substantiate the period of time that aircraft are claimed to be involved in major work in a facility, the department may deny the exemption.

(2)(a)(A) To the extent that an air transportation company demonstrates in a report described in paragraph (b) of this subsection, that an increase in Oregon air traffic or an upgrade of aircraft type serving Oregon is a rerouting necessary to accommodate major work at a facility, the department shall exempt that portion of the allocation that results solely from the rerouting.

(B) The airline transportation company shall provide prior written notice of any rerouting to the department.

(b) Any exemption under this subsection shall be reviewed annually by the department using documentation provided by the air transportation company as part of the annual report filed either within the time required by ORS 308.520 or as extended under ORS 308.535. [1995 c.378 §2]

Note: 308.559 was added to and made a part of 308.505 to 308.665 by legislative action but was not added to any smaller

series therein. See Preface to Oregon Revised Statutes for further explanation.

308.560 Assessment roll; contents; description of property; effect of errors, mistakes and omissions. (1) The assessment roll for the companies assessed under ORS 308.505 to 308.665 shall be prepared in a manner prescribed by the Department of Revenue.

(2) Upon the assessment roll shall be placed, after the name of each of the companies assessed under ORS 308.505 to 308.665, a general description of the properties assessed in the name of each such company as provided in ORS 308.517, which descriptions shall be deemed to include all the properties of the companies liable to assessment for taxation under ORS 308.505 to 308.665. The description may be in the language contained in ORS 308.510, or otherwise, or may refer to an order or a memorandum of the Department of Revenue containing such description, which order or memorandum shall constitute a public record.

(3) No assessment shall be invalidated by a mistake in the name of the company assessed or by an omission of the name of the owner, or the entry of a name other than that of the true owner, if the property is generally correctly described. If the name of the true owner, or the name of the owner of record, lessee, or user of any property assessable under ORS 308.505 to 308.665 is given, the assessment shall not be held invalid on account of any error or irregularity in the description, if the description would be sufficient in a deed or conveyance from the owner, or on account of which in a contract to convey, a court with jurisdiction to grant equitable remedies would require a conveyance to be made, reading the description in connection with the definition of property assessable under ORS 308.505 to 308.665.

(4) Whenever possible, there shall be placed on the assessment roll, under the name of the company, under an appropriate heading, the aggregate track mileage, miles of wire, pipe or pole line or of operational route, as the case may be, within the State of Oregon. [Amended by 1957 c.69 §1; 1957 c.711 §8; 1979 c.284 §136; 1997 c.154 §39]

308.565 Apportionment of assessment between counties. (1) For the purpose of determining the respective amounts of the assessment of any company, under ORS 308.505 to 308.665, that shall be apportioned to the several counties in this state, into or through which the rail lines of the company extend or are operated, the Department of Revenue shall multiply the values per mile, as ascertained pursuant to ORS 308.570, of the several main and branch lines by the number of miles of such main and branch lines, respectively, including miles of main tracks, spurs, yard tracks and sidetracks, in each of the counties, as reported by the company, or as otherwise ascertained and determined by the department.

(2) Values distributed over wire, pipe or pole lines or operational routes shall be apportioned to the counties in which the lines or routes are situated by multiplying the rate per mile in each case, determined pursuant to ORS 308.575, by the number of miles of the wire, pipe or pole lines or operational routes in each county, respectively.

(3) If the property of any company assessable under ORS 308.505 to 308.665 is of such a character that its value cannot reasonably be apportioned on the basis of rail, wire, pipe, pole line or operational route mileage, the department may adopt such other method or basis of apportionment to the county or counties in which the property is situated as may be feasible and proper.

(4) As determined by the department values of electric power plants and water powers, connected with or used in the operation and business of any company, assessable under ORS 308.505 to 308.665, may be apportioned to the counties in which the same are situated, in such manner as the department deems reasonable and fair.

(5) Assessments of the mobile property of air transportation companies shall be allocated and apportioned to those counties only in which the air transportation companies make service landings. For aircraft less than 75,000 pounds gross taxi weight, the department shall allocate and apportion to the counties 60 percent of the value which would otherwise be allocated and apportioned.

(6) Assessments of water transportation companies shall be allocated and apportioned to those counties in which such companies use or maintain ports or termini including off-shore anchorages; but, for the purposes of ORS 308.505 to 308.665, the taxing districts to which assessments are apportioned by the county assessor shall be deemed to extend to the center of any river channel or to the ocean bar. [Amended by 1957 c.711 §9; 1987 c.601 §2; 1997 c.154 §40]

308.570 Determining value per mile of main and branch lines of companies using rail lines. In the assessment of the property of any company conducting transportation or operating over rail lines, except any private railcar company with personal property that does not exceed \$1 million in real market value, the Department of Revenue shall determine the value of each branch line of the company situated within this state and the mileage of such branch line, including miles of main tracks, spurs, yard and sidetracks, and shall determine the values per mile of such branch line by dividing its value by the mileage thereof. The department shall deduct the total amount so determined as the value of branch lines from the total value of the property of the company, assessable under ORS 308.505 to 308.665, and shall determine the values per mile of the main line of such company by dividing the remainder by the number of miles of the main line, taking into consideration miles of main tracks, spurs, yard and sidetracks. Each mile of spurs, yard and sidetracks shall be valued at not to exceed 50 percent of the value per mile assigned to the main track of the branch or main line with which they are connected. [Amended by 1969 c.102 §2; 1991 c.459 §151; 1997 c.154 §41; 1999 c.223 §3]

308.575 Determining value per mile of property of companies using wire, pipe or pole lines or operational routes. In the assessment of the property of any company owning, operating over or using wire, pipe or pole lines or operational routes,

the assessed value thereof may in the discretion of the Department of Revenue be apportioned over the wire, pipe or pole lines or operational routes in such manner and at such rate or rates per mile as the department shall determine to be reasonable and fair. [Amended by 1981 c.804 §65; 1991 c.459 §152; 1997 c.541 §209]

308.580 Notice of meeting to review tentative assessment roll; persons interested to appear. (1) The Department of Revenue shall give public notice by three weekly publications in some newspaper printed at the state capital, setting forth that it will attend in its office at the capital of the state on the second Monday in June and publicly examine the tentative assessment roll made by it and review the same, and correct all errors in valuation, description, quantities or qualities of property by it assessable and in apportionments of assessments made by it.

(2) The persons and companies interested shall appear at the time and place appointed. Proof of the notice may be made by affidavit as by law provided, filed with the director on or before the day on which the department shall convene. [Amended by 1991 c.459 §152a]

308.585 Delivery of tentative assessment roll to director. The administrator of the division charged with the responsibility of preparing the annual assessment roll required by ORS 308.515, shall appear at the office of the Director of the Department of Revenue at the capital of the state on the second Monday of June in each year and shall then deliver to the director the tentative assessment roll prescribed in ORS 308.540 to 308.575. (d) Correct errors in apportionments of assessments therein.

(e) Correct errors in the ratio of average maximum assessed value to average real market value calculated under ORS 308.153.

(4) The property assessable by the department within any county shall be apportioned by the department to such county at its assessed value or at the percentage thereof finally adopted under ORS 309.203. (2) Not later than 20 days prior to the day the director is required by law to review the roll, the Department of Revenue shall mail to each company assessed by it notice of the amount it has placed or intends to place on the roll as the assessment of the company's property. The notice shall be mailed to the last-known address of the company. Failure of the department to mail such notice shall not invalidate any assessment. From and after the date of such notice the department shall maintain in its office at Salem for the inspection of the company the tentative assessment and apportionment of its assessment to the several counties.

(3) A request for a conference on the notice of assessment may be taken to the Director of the Department of Revenue for reduction or correction in the valuation or apportionment of a particular assessment. 308.640 Assessment and taxation of personal property of small private railcar companies; apportionment to counties. (1) When the Department of Revenue assesses a private railcar company with personal property that does not exceed \$1 million in real market value, the department shall determine the assessed value thereof by multiplying the real market value of the company's personal property by the average ratio of assessed value to real market value of all properties of private railcar companies with personal property with a real market value exceeding \$1 million, as computed and determined by the department for the current year.

(2) The department shall determine the tax to be imposed on private railcar companies with personal property that does not exceed \$1 million in real market value as follows:

(a) Taxes to be credited to the county school funds shall be calculated by applying to the assessed value of the property the average school tax rate in the state for the immediately prior tax year, applying to the assessed values of private railcar companies with personal property, the real market value of which exceeds \$1 million, as compiled and determined by the department for the year.

(b) Taxes to be credited to the county general funds shall be calculated by applying to the assessed value thereof the average non-school tax rate in the state for the immediately prior tax year, applying to the assessed values of private railcar companies with personal property, the real market value of which exceeds \$1 million, as compiled and determined by the department for the year.

(c) The taxes determined under this subsection shall not be imposed in an amount that exceeds the limits established in ORS 310.150 for any year.

(3) The Department of Revenue hereby is empowered to charge, levy and collect the tax so determined on the personal property of any such company having a taxable situs in this state. In collecting such taxes, the Department of Revenue may pursue any or all of the rights, remedies or processes provided by law for the collection of delinquent taxes on personal property and, in connection therewith, the department shall have, in any county, the power and authority of the sheriff and tax collector thereof.

(4) Moneys collected by the department under this section shall be apportioned to each county in the proportion that the portion of the assessed value of cars of private railcar companies with personal property, the real market value of which exceeds \$1 million, and that is attributable to the county bears to the total assessed value of cars of private railcar companies with personal property, the real market value of which exceeds \$1 million. Moneys so distributed to each county treasurer shall be credited to the county school fund and general fund of the county as directed by the department.

(5) Real property of such companies shall be apportioned to the several counties according to the situs thereof. [Amended by 1955 c.208 §1; 1959 c.109 §3; 1963 c.238 §1; 1969 c.102 §1; 1977 c.884 §9; 1991 c.459 §156; 1997 c.154 §2; 1999 c.223 §4]

308.705 [1957 c.628 §2; 1967 c.77 §1; repealed by 1997 c.154 §25]

308.707 Valuation of multiunit rental property subject to special assessment. (1) The specially assessed value, maximum assessed value and assessed value of multiunit rental housing shall be determined under this section if:

(a) The property is subject to a government restriction on use; and

(b) The owner of the property has filed an application for special assessment under ORS 308.709 and that application has been approved.

(2) The specially assessed value of property assessed under this section shall be determined in the manner elected by the property owner under ORS 308.712.

(3)(a) For the first tax year for which property is assessed under this section, the maximum assessed value of property subject to special assessment under this section shall equal the product of the specially assessed value of the property under subsection (2) of this section multiplied by the ratio, not greater than 1.00, of the average maximum assessed value to the average real market value of property in the same area and property class as the specially assessed property.

(b) For each tax year after the first tax year in which the property is assessed under this section and prior to any disqualification from special assessment, the maximum assessed value of property assessed under this section shall equal 103 percent of the property's assessed value from the prior year or 100 percent of the property's maximum assessed value from the prior year, whichever is greater.

(c) If omitted property is added to the property assessed under this section or a lot line adjustment is made to property assessed under this section, the maximum assessed value of property subject to special assessment under this section shall be determined as prescribed in ORS 308.149 to 308.166, substituting the specially assessed value under subsection (2) of this section for real market value.

(4) The assessed value of property subject to special assessment under this section shall equal the lowest of:

(a) The specially assessed value of the property determined under subsection (2) of this section;

(b) The maximum assessed value of the property determined under subsection (3) of this section; or

(c) The real market value of the property.

(5) For each tax year following the first tax year in which property is subject to special assessment under this section, the owner of the multiunit rental housing must comply with any requirements prescribed by the Department of Revenue by rule for the continued special assessment of the property under this section.

Note: See note under 308.701.

308.709 Application procedure; due dates; late filing; assessor determination; appeals. (1) An owner of multiunit rental housing seeking to have the property assessed under ORS 308.707 must file a written application under this section.

(2) Except as provided in subsection (3) of this section, an application, and an election form as described in ORS 308.712, must be filed with the county assessor on or before April 1 preceding the first tax year for which special assessment under ORS 308.707 is sought.

(3) An application and election form may be filed after April 1 and on or before December 31 of the first tax year for which special assessment under ORS 308.707 is sought, if the application and election form are accompanied by a late filing fee equal to the greater of \$200 or one-tenth of one percent of the real market value of the property to which the application relates, as of the assessment date for that tax year.

(4) The application must be in the form and contain the information prescribed by the Department of Revenue, including:

(a) The name and address of the property owner;

(b) The address and tax lot or account number of the multiunit rental housing;

(c) A description and documentation of the government restriction on use to which the multiunit rental housing is subject, including but not limited to a deed declaration, restrictive covenant, contractual agreement or other legally binding government restriction on use; and

(d) The anticipated duration of the government restriction on use.

(5) A completed election form under ORS 308.712, and an accompanying income and expense statement (if available), must be submitted simultaneously with an application filed under this section and is considered to be a part of the application. The election shall apply to each tax year for which the property is subject to special assessment under ORS 308.707, unless the owner changes the election as described in ORS 308.712 (2).

(6) The county assessor shall review the application. If the assessor determines that the property consists of multiunit rental housing that is subject to a government restriction on use, the assessor shall approve the application. Approval of the application shall result in the property to which the application relates being qualified to be assessed under ORS 308.707.

(7) The county assessor shall notify the applicant in writing of the assessor's determination within 120 days following the date the application was filed with the assessor.

(8) An applicant may appeal the determination of the county assessor as provided in ORS 305.275. [2001 c.605 §5]

Note: See note under 308.701.

308.712 Methods to determine specially assessed value; election by owner; procedure. (1) The owner of multiunit rental housing that is subject to a government restriction on use and that is to be assessed under ORS 308.707 must elect the method by which the specially assessed value of the property is to be determined. The property owner must elect one of the following methods to determine the specially assessed value of the property:

(a) Through an annual net operating income approach to value that uses actual income and stabilized operating expenses that are based on the actual history of the property (if available) and a capitalization rate. The income, expenses and capitalization rate used must be consistent with the Uniform Standards of Professional Appraisal Practice and may be further defined by rules adopted by the Department of Revenue. Factors to be considered in setting a capitalization rate include the risks associated with multiunit rental housing subject to a government restriction on use, including but not limited to diminished ownership control, income generating potential and liquidity. The capitalization rate that is set pursuant to this paragraph must be equal to or greater than the capitalization rate used for valuing multiunit rental housing that is not subject to a government restriction on use;

(b) By adjusting the unrestricted market value of the property being specially assessed, computed without regard to any government restriction on use applicable to the property, based on the ratio of the average annual rent of those dwelling units of the property that are subject to a government restriction on use to the average annual rent of comparable multiunit rental housing that is not subject to a government restriction on use; or

(c) Through an alternate method for determining the specially assessed value of multiunit rental housing that is subject to a government restriction on use that may be adopted by the department by rule.

(2)(a) An election under this section must be made at the time an application for special assessment is filed under ORS 308.709, and is considered to be a part of the application.

(b) A property owner may change the election the owner previously made. Except as provided in subsection (3) of this section, a new election under this section must be made on or before April 1 preceding the tax year for which the new election applies. The election shall be made in writing to the county assessor of the county in which the property is located, in the form prescribed by the department.

(c) The election form must be accompanied by a written statement of the actual income and stabilized operating expenses of the property, as described in subsection (1)(a) of this section.

(3) A change in election may be made after April 1 and on or before December 31 of the tax year, if the election form is accompanied by a late filing fee equal to the greater of \$200 or one-tenth of one percent of the real market value of the property to which the election relates, as of the assessment date for that tax year. [2001 c.605 §6]

Note: See note under 308.701.

- (a) The property is no longer multiunit rental housing that is subject to a government restriction on use;
- (b) New property is constructed at the location of the multiunit rental housing, or new improvements are made to the multiunit rental housing;
- (c) An event described in ORS 308.146 (3)(b) or (c) occurs with respect to the multiunit rental housing; or

(5)(a) Property shall be disqualified from special assessment under ORS 308.707 as of the tax year immediately following any change, event or choice described in subsection (1)(a), (c) or (d) of this section.

(b) Following disqualification for any change or event described in subsection (1)(a) or (c) of this section, a property owner may apply for special assessment pursuant to ORS 308.709.

(c) Following disqualification for a choice described in subsection (1)(d) of this section, a property owner may reapply only once for special assessment pursuant to ORS 308.709 within the 10-year period following the year in which the property was first qualified for special assessment. An owner may not reapply for special assessment pursuant to ORS 308.709 after the end of that 10-year period.

(6) New property constructed at the location of the multiunit rental housing or new improvements made to the multiunit rental housing may qualify for special assessment under ORS 308.707 only if the property owner files an application under ORS 308.709 in the time and manner prescribed by ORS 308.709. Notwithstanding ORS 308.712, the new property or new improvements, if otherwise qualified for special assessment, must be specially assessed using the method elected by the property owner for the existing multiunit rental housing.
