295.005 Definitions for ORS 295.005 to 295.165. As used in ORS 295.005 to 295.165, unless the context requires otherwise:

(1) “Certificate of participation” or “certificate” means a nonnegotiable document issued by a pool manager to a public official.

(2) “Custodian bank” or “custodian” means the following institutions designated by the depository bank for its own account:

(a) The Federal Reserve Bank designated to serve this state, or any branch of that bank;

(b) The Federal Home Loan Bank designated to serve this state, or any branch of that bank;

(c) Any insured institution or trust company, as those terms are defined in ORS 706.008, that is authorized to accept deposits or transact trust business in this state, provided, however, that no insured institution or trust company may be a custodian bank unless it certifies in writing to the State Treasurer that it will furnish the reports required under ORS 714.075 to the Director of the Department of Consumer and Business Services. With the approval of the State Treasurer, a depository bank may be a custodian bank with respect to its own securities; and

(d) The fiscal agency of the State of Oregon, duly appointed and acting as such agency pursuant to ORS 288.010 to 288.110.

(3) “Custodian’s receipt” or “receipt” means a document issued by a custodian bank to a pool manager describing the securities deposited with it by a depository bank to secure public fund deposits.

(4) “Depository bank” or “depository” means any insured institution or trust company, as those terms are defined in ORS 706.008, a credit union, as defined in ORS 723.006, the shares and deposits of which are insured by the National Credit Union Share Insurance Fund, or a federal credit union, if the institution, trust company or credit union maintains a head office or a branch in this state in the capacity of an insured institution, trust company, credit union or federal credit union. However, an insured institution, trust company, credit union or federal credit union is not a depository bank unless it has:

(a) Certified in writing to the State Treasurer that it will furnish the reports required under ORS 714.075 to the Director of the Department of Consumer and Business Services; and

(b) Entered into a written agreement with the State Treasurer and a custodian that pledges the securities deposited by the

insured institution, trust company, credit union or federal credit union with the custodian as collateral for deposits of public funds held by the insured institution, trust company, credit union or federal credit union. The agreement shall be approved by the board of directors or loan committee of the insured institution, trust company, credit union or federal credit union and shall be continuously maintained as a written record of the institution, company, credit union or federal credit union.

(5) “Pool manager” means:

(a) The State Treasurer;

A depository bank may not be a pool manager with respect to securities that it deposits with its custodians as collateral for the security of public fund deposits and an insured institution, trust company, credit union or federal credit union may not be a pool manager unless it certifies in writing to the State Treasurer that it will furnish the reports required under ORS 714.075 to the Director of the Department of Consumer and Business Services;

(1) Each depository throughout the period of its possession of public fund deposits shall maintain on deposit with its custodians, at its own expense, securities having a value not less than 25 percent of the certificates of participation issued by its pool manager.

(2) The depository may deposit other eligible securities with its custodian and withdraw from deposit securities theretofore pledged to secure deposits of public funds, if the remaining securities have a value not less than 25 percent of outstanding certificates of participation of the pool manager. The pool manager shall execute such releases and surrender such custodian's receipts as are appropriate to effect substitutions and withdrawals of excess pledged securities. [1967 c.451 §2; 1975 c.515 §3]

295.018 Increase in required collateral of depository; notification; effect of failure to increase collateral; records exempt from disclosure; exception. (1) The State Treasurer may require any depository bank during any period when it has in its possession public fund deposits to maintain on deposit with its custodians securities having a value not less than 110 percent of the certificates of participation issued by its pool manager. The increase in collateral shall be ordered upon the advice of the Director of the Department of Consumer and Business

Services. If the depository bank is a federally chartered savings and loan association, in giving its advice to the State Treasurer the director may rely exclusively on information provided to the director by federal regulatory agencies and by the association on forms prescribed by the director; as a condition of being analyzed and reviewed by the director, a federal association shall agree and consent to provide the director with accurate, pertinent and timely information.

(2) Failure of the director to inform the State Treasurer of the condition of any depository does not give any public depositor any right or impose any liability on the director. The State Treasurer shall not be liable to any public depositor or to any depository bank for increasing or not increasing the collateral requirement as authorized in subsection (1) of this section.

(3) Any depository bank notified by the State Treasurer of the increased collateral requirement shall comply with the order within 10 business days by increasing the collateral in the same manner as required for the initial deposit of collateral in ORS 295.015. The bank shall notify the State Treasurer and the pool manager of its compliance by supplying copies of the custodian's receipts for the increased collateral.

(4) If any depository bank notified by the State Treasurer of an increased collateral requirement fails to notify the State Treasurer of compliance therewith within 10 business days, the State Treasurer shall immediately notify the director of the failure and shall send notice to the pool manager and all public depositors served by that depository bank of its failure to comply.

(5) A depository bank described in subsection (4) of this section shall accept no further public deposits.

(6) Financial institutions named in records received or compiled by the State Treasurer pursuant to the provisions of this section shall be exempt from public disclosure unless the public interest requires disclosure in the particular instance. [1975 c.515 §2; 1981 c.440 §1; 1985 c.762 §182; 1987 c.373 §§28a,28b; 1987 c.554 §1; 1989 c.171 §41; 1991 c.327 §1]

295.020 [Repealed by 1967 c.451 §32]

295.022 Collateral not required for deferred compensation funds. Notwithstanding any other provision of this chapter, when a bank, mutual savings bank or savings and loan association receives moneys of the Deferred Compensation Fund established under ORS 243.411 from the state for deposit or investment, the institution shall not have to maintain the collateral required under this chapter for those deferred compensation moneys. [1977 c.721 §15; 1997 c.179 §27]

295.025 Retention of cash working fund by public official; deposit of remaining public funds. (1) Any public official may retain undeposited such reasonable cash working fund as is fixed by the governing body of the political subdivision or public corporation for which the public official acts. Except to the extent of such cash working fund, each public official shall deposit public funds in the custody or control of the public official in one or more depositories currently qualified pursuant to ORS 295.005 to 295.165. The public official may not have on deposit in any one depository bank that is a credit union or federal credit union an aggregate sum in excess of \$100,000. With respect to other depository banks, the public official, without procuring certificates of participation issued by the pool manager of the depository in an amount equal to the excess deposit, shall not have on deposit in any one depository bank and its branches a sum in excess of:

(a) The amount insured by the Federal Deposit Insurance Corporation; or

(b) For any amount over the amount insured by the Federal Deposit Insurance Corporation, the amount insured or guaranteed by private deposit insurance or a deposit guaranty bond issued by an insurance company rated A- or better by a recognized insurance rating service.

(2) Whenever a public official holds a certificate of participation issued by a pool manager in an amount exceeding the amount required by subsection (1) of this section, upon the written request of the depository bank the public official shall surrender it to the pool manager or direct the pool manager in writing to cancel it in whole or in a designated part.

(3) Compliance with ORS 295.005 to 295.165 relieves the public official of personal liability on account of the loss of the public funds in the custody or control of the public official. [1967 c.451 §3; 1973 c.288 §3; 1999 c.48 §1; 2003 c.405 §6]

public fund deposits and the security thereof of a single public official. If the depository elects to change pool managers, the public official shall surrender certificates of participation issued by the former pool manager in exchange for certificates of like amount issued by the successor pool manager, and the former pool manager shall cause the custodian to deliver to the successor pool manager custodian's receipts for security no longer required to support its outstanding certificates of participation. Such transactions may be arranged by escrows or otherwise, as the parties agree. [1967 c.451 §5]

State Treasurer shall remit to the depository bank any of its collateral or the proceeds thereof in excess of the amount so distributable to public officials.

(5) If the net proceeds of the collateral are inadequate, after all other available sources are applied, to meet the total claims of the public officials entitled thereto, the public officials may make claims against the depository bank as general creditors.

(6) The State Treasurer, in accordance with ORS chapter 183, shall adopt rules to carry out this section. [1967 c.451 §10; 1973 c.438 §1; 1975 c.515 §5; 1983 c.296 §10; 1985 c.762 §183; 1999 c.311 §2]

(2) Any funds deposited by the State Treasurer on a time basis shall be deposited at the highest rate of interest available for the amount and term of the deposit.

(3) The State Treasurer shall establish time deposits so as to make the deposited moneys as productive as possible, and shall exercise the judgment and care which persons of prudence, discretion and intelligence exercise in the management of their own affairs, considering the probable income and the probable safety of the moneys deposited, including the distribution of the deposits among depositories so as to minimize the possibility of loss of moneys. If

there is more than one such local qualifying depository, the depositing public official shall apportion the funds in the hands of the public official to such depositories in a manner that is equitable and in the best interests of the political subdivision or public corporation.
