GENERAL PROVISIONS

314.011 Definitions; conformance with federal income tax law. (1) As used in this chapter, unless the context requires otherwise, “department” means the Department of Revenue.

(2)(a) As used in this chapter, any term has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes, unless a different meaning is clearly required or the term is specifically defined in this chapter.

(b) Except where the Legislative Assembly has provided otherwise, a reference to the laws of the United States or to the Internal Revenue Code refers to the laws of the United States or to the Internal Revenue Code as they are amended and in effect:

(A) On December 31, 2002; or

(B) If related to the definition of taxable income and attributable to a change in the laws of the United States or in the Internal Revenue Code that is enacted after December 31, 2005, as applicable to the tax year of the taxpayer.

(c) A reference to the laws of the United States or to the Internal Revenue Code refers to the laws of the United States or to the Internal Revenue Code as they are amended and in effect and applicable for the tax year of the taxpayer, if the reference relates to:

(A) Pension, profit-sharing or stock bonus plans, deferred compensation plans, employee stock ownership plans, individual retirement accounts (including Roth individual retirement accounts), medical savings accounts, education IRAs, qualified tuition savings programs or other tax-deferred or tax-exempt savings programs benefiting individuals; or

(B) The allowance and amount of a deduction under section 167 or 168 or another provision of the Internal Revenue Code, to the allowance and amount of a deduction for expensing depreciable assets under section 179 of the Internal Revenue Code or to the adjusted basis of an asset that is depreciated or expensed for federal tax purposes.

(d) With respect to ORS 314.105, 314.256 (relating to proxy tax on lobbying expenditures), 314.260 (1)(b), 314.265 (1)(b), 314.302, 314.306, 314.330, 314.360, 314.362, 314.385, 314.402, 314.410, 314.412, 314.525, 314.742 (7), 314.750 and 314.752 and other provisions of

this chapter, except those described in paragraphs (b) and (c) of this subsection, any reference in this chapter to the laws of the United States or to the Internal Revenue Code means the laws of the United States relating to income taxes or the Internal Revenue Code as they are amended on or before December 31, 2002, even when the amendments take effect or become operative after that date, except where the Legislative Assembly has specifically provided otherwise.

(3) Insofar as is practicable in the administration of this chapter, the department shall apply and follow the administrative and judicial interpretations of the federal income tax law. When a provision of the federal income tax law is the subject of conflicting opinions by two or more federal courts, the department shall follow the rule observed by the United States Commissioner of Internal Revenue until the conflict is resolved. Nothing contained in this section limits the right or duty of the department to audit the return of any taxpayer or to determine any fact relating to the tax liability of any taxpayer.

(4) When portions of the Internal Revenue Code incorporated by reference as provided in subsection (2) of this section refer to rules or regulations prescribed by the Secretary of the Treasury, then such rules or regulations shall be regarded as rules adopted by the department under and in accordance with the provisions of this chapter, whenever they are prescribed or amended.

(5)(a) When portions of the Internal Revenue Code incorporated by reference as provided in subsection (2) of this section are later corrected by an Act or a Title within an Act of the United States Congress designated as an Act or Title making technical corrections, then notwithstanding the date that the Act or Title becomes law, those portions of the Internal Revenue Code, as so corrected, shall be the portions of the Internal Revenue Code incorporated by reference as provided in subsection (2) of this section and shall take effect, unless otherwise indicated by the Act or Title (in which case the provisions shall take effect as indicated in the Act or Title), as if originally included in the provisions of the Act being technically corrected. If, on account of this subsection, any adjustment is required to an Oregon return that would otherwise be prevented by operation of law or rule, the adjustment shall be made, notwithstanding any law or rule to the contrary, in the manner provided under ORS 314.135.

(b) As used in this subsection, “Act or Title” includes any subtitle, division or other part of an Act or Title. [1957 c.632 §40; 1965 c.152 §24; 1971 c.215 §8; 1977 c.870 §39; 1987 c.293 §50; 1989 c.625 §25; 1991 c.457 §16; 1993 c.726 §10; 1995 c.556 §20;

(C) The individual or business entity performs contracted labor or services for two or more different persons within a 12-month period or routinely engages in business advertising, solicitation or other marketing efforts reasonably calculated to obtain new contracts to perform similar labor or services;

(d) Under regulations prescribed by the department, an agreement for purposes of ORS 314.105 to 314.135 signed by the department and by any person, relating to the liability of such person (or the person for whom the person acts) in respect of a tax for any taxable period.

314.110 [1953 c.702 §1; 1957 c.337 §4; repealed by 1971 c.248 §6]

314.115 Adjustment to correct effect of certain errors; use limited. (1) If a determination (as defined in ORS 314.105) is described in one or more of the paragraphs of ORS 314.125 and, on the date of the determination, correction of the effect of the error referred to in the applicable subsection of ORS 314.125 is prevented by the operation of any law or rule of law, other than ORS 314.105 to 314.135 and other than ORS 305.150, then the effect of the error shall be corrected by an adjustment made in the amount and in the manner specified in ORS 314.135.

(2) Except in cases described in ORS 314.125 (3)(b) and (4), an adjustment shall be made under this section only if:

(a) In case the amount of the adjustment would be credited or refunded in the same manner as an overpayment under ORS 314.135, there is adopted in the determination a position maintained by the Department of Revenue; or

(b) In case the amount of the adjustment would be assessed and collected in the same manner as a deficiency under ORS 314.135, there is adopted in the determination a position maintained by the taxpayer with respect to whom the determination is made, and the position maintained by the department in the case described in paragraph (a) of this subsection or maintained by the taxpayer in the case described in this paragraph is inconsistent with the erroneous inclusion, exclusion, omission, allowance, disallowance, recognition, or nonrecognition, as the case may be.

(3) In the case of a determination described in ORS 314.125 (3)(b) (relating to certain exclusions from income), adjustment shall be made under this section only if assessment of a deficiency for the taxable year in which the item is includable or against the related taxpayer was not barred, by any law or rule of law, at the time the department first maintained, in a notice of deficiency sent pursuant to ORS 305.265 or before the Oregon Tax Court, that the item described in ORS 314.125 (3)(b) should be included in the gross income of the taxpayer

for the taxable year to which the determination relates.

(4) In the case of a determination described in ORS 314.125 (4) (relating to disallowance of certain deductions and credits), adjustment shall be made under ORS 314.105 to 314.135 only if credit or refund of the overpayment attributable to the deduction or credit described in ORS 314.125 which should have been allowed to the taxpayer or related taxpayer was not barred, by any law or rule of law, at the time the taxpayer first maintained before the department or before the Oregon Tax Court, in writing, that the taxpayer was entitled to such deduction or credit for the taxable year to which the determination relates.

(5) In case the amount of the adjustment would be assessed and collected in the same manner as a deficiency (except for cases described in ORS 314.125 (3)(b)), the adjustment shall not be made with respect to a related taxpayer unless the related taxpayer stands in such relationship to the taxpayer at the time the latter first maintains the inconsistent position in a return, claim for refund, or complaint in the Oregon Tax Court for the taxable year with respect to which the determination is made, or if such position is not so maintained, then at the time of determination. [1971 c.248 §3; 1979 c.689 §24; 1997 c.325 §33]

314.120 [1953 c.702 §2; repealed by 1971 c.248 §6]

314.125 When adjustment may be made. The circumstances under which the adjustment provided in ORS 314.115 is authorized are as follows:

(1) The determination requires the inclusion in gross income of an item which was erroneously included in the gross income of the taxpayer for another taxable year or in the gross income of a related taxpayer.

(2) The determination allows a deduction or credit which was erroneously allowed to the taxpayer for another taxable year or to a related taxpayer.

(3)(a) The determination requires the exclusion from gross income of an item included in a return filed by the taxpayer or with respect to which tax was paid and which was erroneously excluded or omitted from the gross income of the taxpayer for another taxable year, or from the gross income of a related taxpayer; or

(b) The determination requires the exclusion from gross income of an item not included in a return filed by the taxpayer and with respect to which the tax was not paid but which is includable in the gross income of the taxpayer for another taxable year or in the gross income of a related taxpayer.

(4) The determination disallows a deduction or credit which should have been al-

lowed to, but was not allowed to, the taxpayer for another taxable year, or to a related taxpayer.

(5) The determination allows or disallows any of the additional deductions allowable in computing the taxable income of estates or trusts, or requires or denies any of the inclusions in the computation of taxable income of beneficiaries, heirs, or legatees, specified in subparts A to E, inclusive (sections 641 and following, relating to estates, trusts, and beneficiaries) of part I of subchapter J of the Internal Revenue Code, or corresponding provisions of subsequent internal revenue laws, and the correlative inclusion or deduction, as the case may be, has been erroneously excluded, omitted, or included, or disallowed, omitted, or allowed, as the case may be in respect of the related taxpayer.

(6) The determination allows or disallows a deduction (including a credit) in computing the taxable income (or, as the case may be, net income, normal tax net income, or surtax net income) of a corporation, and a correlative deduction or credit has been erroneously allowed, omitted, or disallowed, as the case may be, in respect of a related taxpayer described in ORS 314.105 (3)(g).

(7)(a) The determination determines the basis of property, and in respect of any transaction on which such basis depends, or in respect of any transaction which was erroneously treated as affecting such basis, there occurred, with respect to a taxpayer described in paragraph (b) of this subsection, any of the errors described in paragraph (c) of this subsection.

(b) The taxpayer with respect to whom the erroneous treatment occurred must be the taxpayer with respect to whom the determination is made; a taxpayer who acquired title to the property in the transaction and from whom, mediately or immediately, the taxpayer with respect to whom the determination is made derived title; or a taxpayer who had title to the property at the time of the transaction and from whom, mediately or immediately, the taxpayer with respect to whom the determination is made derived title, if the basis of the property in the hands of the taxpayer with respect to whom the determination is made is determined under section 1015(a) of the Internal Revenue Code.

(c) With respect to a taxpayer described in paragraph (b) of this subsection there was an erroneous inclusion in, or omission from, gross income, there was an erroneous recognition, or nonrecognition, of gain or loss, or there was an erroneous deduction of an item properly chargeable to capital account or an erroneous charge to capital account of an

item properly deductible. [1971 c.248 §4; 1983 c.162 §50; 1987 c.293 §52]

314.130 [1953 c.702 §3; repealed by 1971 c.248 §6]

314.135 Computation; method of adjustment; credit or setoff limited; recovery after payment limited. (1)(a) In computing the amount of an adjustment under ORS 314.105 to 314.135 there shall first be ascertained the tax previously determined for the taxable year with respect to which the error was made. The amount of the tax previously determined shall be the excess of:

(A) The sum of the amount shown as the tax by the taxpayer on the return of the taxpayer, if a return was made by the taxpayer and an amount was shown as the tax by the taxpayer thereon, plus the amounts previously assessed (or collected without assessment) as a deficiency, over

(B) The amount of refunds (as defined in ORS 314.415) made.

(b) There shall then be ascertained the increase or decrease in tax previously determined which results solely from the correct treatment of the item in the computation of gross income, taxable income, and other matters under ORS 316.317 or ORS chapter 317 or 318. A similar computation shall be made for any other taxable year affected, or treated as affected, by an Oregon net loss for prior years (as provided by ORS 317.476 or 317.478 and section 45b, chapter 293, Oregon Laws 1987), by a net operating loss deduction (as defined in the federal Internal Revenue Code) or by a capital loss carryback or carryover (as defined in the federal Internal Revenue Code) determined with reference to the taxable year with respect to which the error was made. The amount so ascertained (together with any amounts wrongfully collected as additions to the tax or interest, as a result of such error) for each taxable year shall be the amount of the adjustment for that taxable year.

(2) The adjustment authorized in ORS 314.115 (1) shall be made by assessing and collecting, or refunding or crediting, the amount thereof in the same manner as if it were a deficiency determined by the Department of Revenue with respect to the taxpayer as to whom the error was made or an overpayment claimed by such taxpayer, as the case may be, for the taxable year or years with respect to which an amount is ascertained under subsection (1) of this section and as if on the date of the determination one year remained before the expiration of the periods of limitation upon assessment or filing claim for refund for such taxable year or years. If, as a result of a determination described in ORS 314.105 (1)(d), an adjustment has been made by the assessment and collection of a deficiency of the

refund or credit of an overpayment, and subsequently such determination is altered or revoked, the amount of the adjustment ascertained under subsection (1) of this section shall be redetermined on the basis of such alteration or revocation and any overpayment or deficiency resulting from such redetermination shall be refunded or credited, or assessed and collected, as the case may be, as an adjustment under this part. In the case of an adjustment resulting from an increase or decrease in a net operating loss or net capital loss which is carried back to the year of adjustment, interest shall not be collected or paid for any period prior to the close of the taxable year in which the net operating loss or net capital loss arises.

(3) The amount to be assessed and collected in the same manner as a deficiency, or to be refunded or credited in the same manner as an overpayment, under ORS 314.105 to 314.135, shall not be diminished by any credit or setoff based upon any item other than the one which was the subject of the adjustment. The amount of the adjustment under ORS 314.105 to 314.135, if paid, shall not be recovered by a claim or suit for refund or suit for erroneous refund based upon any item other than the one which was the subject of the adjustment. [1971 c.248 §5; 1983 c.162 §51; 1987 c.293 §52a]

314.140 Adjustment of returns of related taxpayers after reallocation of income or deduction on federal return. (1) Whenever there has been an adjustment of federal income tax liability involving a reallocation of any item of income or deduction between related taxpayers, and when such adjustment results in the assessment of a tax deficiency or the issuance of a refund check or both, then for Oregon income tax purposes, whether or not the Department of Revenue effects a similar reallocation of income or deduction for the same tax year, said federal tax deficiency and additions thereto shall be deducted (to the extent otherwise provided by law) by the taxpayer paying the same, and said federal tax refund, including interest thereon, shall be returned (to the extent otherwise required by law) by the taxpayer receiving the same.

(2) If, however, the related taxpayers involved (or their authorized representatives) so elect in accordance with subsection (3), then the refund of one, with interest thereon, shall be treated as a reduction of the deficiency of the other, including additions thereto, so that only the net amount of deficiency shall be deducted or the net amount of refund shall be returned, as the case may be.

(3) An election under subsection (2) shall be in writing, signed by each related tax-

payer or authorized representative, and filed with the department prior to the expiration of the applicable period of limitation with respect to the adjustment of the last open state return of either related taxpayer affected by the federal tax deficiency or refund. Such election shall constitute a waiver of any statute of limitations to permit the adjustment of all returns of the related taxpayers for the purpose only of effecting a reallocation of income or deductions similar to that made by the federal tax authorities and to adjust the federal income tax deductions resulting therefrom. EXCLUSION FROM GROSS INCOME OF EXCESS PROFITS REPAYED OR ELIMINATED IN RENEGOTIATION OF FEDERAL CONTRACT

314.210 Exclusion from gross income of excess profits repaid or eliminated in renegotiation of federal contract. Profits shall be excluded from gross income for a prior tax year if:

(1) A renegotiation or repricing is made in respect to a contract with the United States or any agency of the United States, or any subcontract thereunder;

(2) The contract or subcontract was entered into by a taxpayer subject to a tax under any law of this state imposing a tax on or measured by net income;

(3) The taxpayer received or accrued excessive profits under the contract or subcontract during a prior tax year;

(4) The excessive profits were included in taxable income in this state for a prior tax year; and

(5) The excessive profits have been eliminated and:

(a) The taxpayer is required to pay the amount of eliminated profits to the United States or any agency of the United States; or

(b) The amount of eliminated profits is applied as an offset against any other amount due the taxpayer. [Formerly 317.605; 2003 c.46 §31]

314.220 Refund of excess tax paid. (1) If a final tax return has been filed by the taxpayer for a taxable year ending after December 31, 1940, and if the tax return included excessive profits that were

subsequently eliminated on renegotiation or repricing and paid or repaid or offset as provided in ORS 314.210, the taxpayer shall, upon the filing of a properly verified claim for refund under regulations prescribed by the Department of Revenue, be refunded an amount equal to the difference between the amount of tax paid by the taxpayer for such taxable year and the amount of the tax computed for such taxable year after the exclusion of the excessive profits which have been paid, repaid or offset.

(2) If a taxpayer has paid any tax or interest or penalty because of the provisions of chapter 226, Oregon Laws 1945, then the taxpayer shall, upon the filing of a properly verified claim for refund under regulations prescribed by the department, be refunded such tax or interest or penalty so paid, without interest. No claim for any tax or interest or penalty under chapter 226, Oregon Laws 1945, shall be made or collected after July 16, 1949.

(3) The amount to be refunded to the taxpayer under subsections (1) and (2) of this section shall be reduced by the amount of any refund or credit allowed or received by the taxpayer under the provisions of chapter 226, Oregon Laws 1945.

(4) Notwithstanding any other provisions of ORS 314.210 to 314.230, no refund shall be made of any tax allowed as a credit or otherwise taken into consideration in reducing the profits eliminated or the amount refunded upon renegotiation, whether or not the renegotiation agreement contains a recapture clause.

(5) If a refund allowed under this section had been allowable under chapter 226, Oregon Laws 1945, and the taxpayer could not have received such refund under chapter 226, Oregon Laws 1945, without the imposition of federal excess profits taxes upon such refund, then the amount of the refund allowed under this section shall be reduced by the amount of excess profits taxes which would have been imposed upon such refund after deducting from such excess profits taxes the amount of federal corporation income taxes which would have been imposed upon such refund if such refund were subject only to such federal corporation income taxes. [Formerly 317.610]

314.230 Time for filing claim for credit or refund. Notwithstanding the provisions of any statute of limitations, claim for any credit or refund provided for in ORS 314.210 to 314.230 shall be made within two years from July 16, 1949, or from the date of final determination of the amount of excessive profits under a contract or subcontract described in ORS 314.210, except that if ORS 314.220 (4) is declared unconstitutional, no

refund or credit resulting from such declaration shall be allowed unless a properly verified claim therefor is filed with the Department of Revenue under ORS 314.220 or under chapter 226, Oregon Laws 1945, within two years from the date on which the excessive profits involved were finally determined. [Formerly 317.615]

Upon receipt of notice of the revocation of a certification of a pollution control facility pursuant to ORS 468.185 (1), the Department of Revenue immediately shall collect any taxes due by reason of such revocation, and shall have the benefit of all laws of this state pertaining to the collection of income and excise taxes. No assessment of such taxes shall be necessary and no statute of limitation shall preclude the collection of such taxes.

(2) No tax relief shall be allowed under ORS 307.405 or 315.304 for any pollution control facility constructed or used by or for the benefit of any governmental or quasi-governmental body or public corporation or form thereof, except where such facilities are used for resource recovery. 314.256 Lobbying expenditures; proxy tax. (1) If a tax is imposed upon an organization under section 6033(e) of the Internal Revenue Code (proxy tax on lobbying expenditures) for any tax year, a like tax is imposed for the tax year upon the same amount as taxed for federal tax purposes, as allocated or apportioned to Oregon. The rate of the tax shall be the rate specified in ORS 317.061. The tax shall be assessed and collected under the applicable provisions of this chapter and ORS chapter 305.

(2) Any organization that is required to include on a federal return the information described in section 6033(e)(1) of the Internal Revenue Code shall file a copy of the federal return containing the information with the Department of Revenue.

(3) The department may determine by rule the method by which the tax described in subsection (1) of this section is allocated and apportioned to Oregon.

(4) If section 6033(e) of the Internal Revenue Code (relating to the proxy tax on lobbying expenditures) is repealed or other-

wise eliminated by Act of the United States, this section is repealed as of the applicable date of the repeal or elimination of the proxy tax under section 6033(e) of the Internal Revenue Code. [1995 c.556 §37; 1997 c.839 §49]

(2) The income of any REMIC shall be taxable to the holders of the interests in the REMIC under ORS chapter 316, 317 or 318, whichever is applicable.

(3) Taxable income or loss, with respect to income received as the holder of any interest in a REMIC shall be determined under sections 860A to 860G of the Internal Revenue Code, as defined in ORS 316.012 or 317.010 and 317.018, as otherwise determined and modified under ORS chapter 316, 317 or 318, whichever is applicable, to the REMIC interest holder.

(4) To determine that portion of the income of a REMIC which is taxable to a non-resident holder of an interest in the REMIC, there shall be included only that part derived from or connected with sources in this state, as such part is determined under rules adopted by the Department of Revenue in accordance with the general rules in ORS 316.352 (1987 Replacement Part). [1987 c.293 §63]

(b) If a FASIT engages in a prohibited transaction as defined in section 860L(e)(2) of the Internal Revenue Code, the FASIT shall be subject to a tax equal to 6.6 percent of the net income derived from the prohibited transaction. The tax shall be paid by the holder of the ownership interest in the FASIT. The tax imposed under this paragraph shall be assessed and collected under the applicable provisions of this chapter and ORS chapter 305 and shall be credited to the General Fund to be made available for general governmental expenses.

(2) The income of any FASIT shall be taxable to the holders of the ownership interests in the FASIT under ORS chapter 316, 317 or 318, whichever is applicable.

(3) Taxable income or loss, with respect to income received as the holder of any interest in a FASIT, shall be determined under sections 860H to 860L of the Internal Revenue Code, as defined in ORS 316.012 or 317.010 and 317.018, and section 1621(e) of the Small Business Job Protection Act of 1996 (P.L. 104-188), as otherwise determined and modified under ORS chapter 316, 317 or 318, whichever is applicable, to the FASIT interest holder.

314.276 Method of accounting. (1) The method of accounting of a partnership, REMIC (real estate mortgage investment conduit), FASIT (financial asset securitization investment trust) or taxpayer shall be the same as the method of accounting which the partnership, REMIC, FASIT or taxpayer uses for federal income tax purposes for the taxable year.

(2) Notwithstanding subsection (1) of this section, if the method of accounting used by the partnership, REMIC, FASIT or taxpayer does not clearly reflect income, the computation of taxable income shall be made under such method as the Department of Revenue may prescribe.

(3) If the method of accounting is changed for federal income tax purposes, the partnership, REMIC, FASIT or taxpayer shall adopt the same method of accounting for purposes of ORS chapter 316, 317 or 318 and shall use that method beginning with the return filed which corresponds to the first federal return filed which is required to use

the new method. Any adjustments required to prevent amounts from being duplicated or omitted shall be taken into account for state tax purposes in the same manner as for federal tax purposes.

(4) Subsections (1) and (3) of this section shall not apply with respect to methods of accounting which are disallowed for purposes of ORS chapter 316, 317 or 318. [1987 c.293 §57; 1997 c.839 §53]

314.280 Allocation of income of financial organization or public utility from business within and without state; rules; alternative apportionment for electing utilities or telecommunications taxpayers. (1) If a taxpayer has income from business activity as a financial organization or as a public utility (as defined respectively in ORS 314.610 (4) and (6)) which is taxable both within and without this state (as defined in ORS 314.610 (8) and 314.615), the determination of net income shall be based upon the business activity within the state, and the Department of Revenue shall have power to permit or require either the segregated method of reporting or the apportionment method of reporting, under rules and regulations adopted by the department, so as fairly and accurately to reflect the net income of the business done within the state.

(2) The provisions of subsection (1) of this section dealing with the apportionment of income earned from sources both within and without the State of Oregon are designed to allocate to the State of Oregon on a fair and equitable basis a proportion of such income earned from sources both within and without the state. Any taxpayer may submit an alternative basis of apportionment with respect to the income of the taxpayer and explain that basis in full in the return of the taxpayer. If approved by the department that method will be accepted as the basis of allocation.

(3)(a) Apportionment rules adopted by the department under this section must apply the weightings used in ORS 314.650 to comparable factors used to apportion income from business activity of taxpayers subject to this section.

(b) Notwithstanding paragraph (a) of this subsection, a taxpayer primarily engaged in utilities or telecommunications may elect to have income from business activity apportioned by applying the weightings used in ORS 314.650 (1999 Edition) to comparable factors used to apportion such income.

(c) The election shall be made in the time and manner prescribed by the department by rule. The election shall continue in force and effect for the tax year for which the election

is made and for each subsequent tax year until the year in which the taxpayer revokes the election.

(d) An electing taxpayer may revoke the taxpayer's election by filing a revocation of election in the time and manner prescribed by the department. The revocation shall apply to the tax year following the year in which the election is made and to each subsequent tax year.

(e) As used in this subsection:

(A) "Telecommunications" means business operations that conduct, maintain or provide for the transmission of voice data and text between network termination points and telecommunications reselling. Transmission facilities may be based on one technology or a combination of technologies.

(B) "Utilities" means business operations that provide electric power, natural gas, steam supply, water supply or sewage removal through a permanent infrastructure of lines, mains and pipes. [1957 c.632 §4 (enacted in lieu of 316.205 and 317.180); 1963 c.319 §1; 1965 c.152 §22; 2001 c.933 §1]

314.287 Costs allocable to inventory.

(1) In the computation of state taxable income, costs allocable to inventory shall be the same as those allocable to inventory under section 263A of the Internal Revenue Code as of the close of the tax year for which a return is filed and shall not be adjusted for any addition, subtraction, modification or other adjustment contained in this chapter or ORS chapter 316, 317 or 318 or other law governing the imposition of state taxes imposed upon or measured by net income.

(2) If any provision of ORS chapter 316, 317 or 318 appears to require an adjustment to inventory costs contrary to the provisions of this section, that adjustment shall not be made.

(3) The additions, subtractions, modifications or other adjustments to federal taxable income required in determining Oregon taxable income under ORS chapter 316, 317 or 318 shall be made to federal taxable income notwithstanding that such adjustments are properly attributable to costs allocable to inventory. [1987 c.293 §57b]

314.290 [1957 c.102 §2; 1979 c.579 §4; 1991 c.457 §16a; 1995 c.556 §22; repealed by 2001 c.509 §19]

314.295 Apportionment or allocation where two or more organizations, trades or businesses are owned or controlled by the same interests. In any case of two or more organizations, trades or businesses (whether or not incorporated, whether or not organized in the United States and whether

or not affiliated) owned or controlled directly or indirectly by the same interests, the Department of Revenue may distribute, apportion or allocate gross income, deductions, credits or allowances between or among such organizations, trades or businesses, if it determines that such distribution, apportionment or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income of any of such organizations, trades or businesses. [1957 c.632 §10 (enacted in lieu of 316.560 and 317.375); 1991 c.457 §16b]

314.297 Election for alternative determination of farm income; computation of income; rules. (1) As used in this section:

(a) "Farm income":

(A) Means taxable income attributable to a farming business; and

(B) Includes gain from the sale or other disposition of property (other than land) regularly used by the taxpayer in the farming business for a substantial period of time.

(b) "Farming business" has the meaning given that term in section 263A(e)(4) of the Internal Revenue Code.

(c) "Taxable income" has the meaning given that term in ORS 316.022.

(d) "Taxpayer" means a person subject to tax under ORS chapter 316, but does not include an estate or trust.

(2) A taxpayer may elect to have personal income taxes for the tax year determined under this section in lieu of ORS chapter 316 if the individual is engaged in a farming business for the tax year and has farm income for the tax year.

(3) The taxpayer shall make the election in the manner provided by the Department of Revenue. In making the election, the taxpayer shall determine the amount of farm income that is to be considered elected farm income. The election shall apply only to the tax year for which the election is made.

(4) Upon making the election, the tax imposed under this section shall equal:

(a) The tax computed under ORS chapter 316 on the taxable income of the taxpayer reduced by the income that is elected farm income under subsection (3) of this section; plus

(b) The cumulative increase in the tax computed under ORS chapter 316 that would result if the taxable income of the taxpayer for each of the three prior tax years were increased by an amount equal to one-third of the income that is elected farm income under subsection (3) of this section.

(5) Any tax credit that would be allowable against the tax computed under ORS

chapter 316 may be allowed against the tax computed under this section.

(6) The department shall:

(a) Prescribe the manner in which an election under this section is made; and

(b) Adopt rules on:

(A) The order and manner in which items of income, gain, deduction, loss or limitation on tax shall be taken into account in computing the tax under this section; and

(B) The treatment of a short tax year for purposes of this section. [2001 c.252 §2]

314.300 Passive activity loss; determination; treatment. For purposes of applying section 469 of the Internal Revenue Code to the laws of this state imposing taxes upon or measured by income:

(1) Passive activity loss shall be determined with respect to the activities of the taxpayer under section 469 of the Internal Revenue Code and related federal law and then shall be adjusted by the additions, subtractions, modifications and other adjustments as allocated to passive activity loss under subsection (2) of this section.

(2) Those additions, subtractions, modifications and other adjustments required to be made to federal taxable income under this chapter or ORS chapters 316, 317 and 318, or other law governing the imposition of state taxes imposed upon or measured by income, shall be allocated to passive activity loss as provided by rule of the Department of Revenue.

(3) Passive activity loss, as determined under subsections (1) and (2) of this section, shall not be allowed for the taxable year of the taxpayer. Passive activity loss shall be treated as a deduction allocable to passive activity in the next succeeding year, and except as otherwise adjusted under subsection (1) of this section, shall be treated in the same manner as passive activity loss is treated under section 469 of the Internal Revenue Code, and related sections.

(4) For state personal income tax purposes, in the case of a nonresident, passive activity loss attributable to Oregon sources shall be treated in the same manner as described under subsections (1) to (3) of this section. [1987 c.293 §64; 1995 c.556 §23]

314.302 Interest on deferred tax liabilities with respect to installment obligations. (1) Subject to subsections (2) to (4) of this section, if interest on deferred tax liability with respect to an installment obligation is required to be paid for federal income tax purposes under section 453A of the Internal Revenue Code, then interest on that same deferred tax liability shall be paid in the same manner (including the pledging

rules under section 453A(d) of the Internal Revenue Code) for state tax purposes and shall, in the amount added, increase the tax imposed under ORS chapter 316, 317 or 318, whichever is appropriate.

(2) Interest added to tax pursuant to subsection (1) of this section shall be determined in the same manner as interest is determined under section 453A(c) of the Internal Revenue Code except that in determining the interest to be added using section 453A(c) of the Internal Revenue Code:

(a) The interest rate in effect under ORS 305.220 for deficiencies for the month with or within which the taxable year of the taxpayer ends shall be substituted for the underpayment rate referred to in section 453A(c)(2)(B); and

(b) The maximum rate of tax in effect under ORS chapter 316, 317 or 318, whichever is appropriate, shall be substituted for the federal rates of tax referred to in section 453A(c)(3)(B).

(3) The Department of Revenue shall adopt rules consistent with those adopted under section 453A of the Internal Revenue Code and with laws of this state as may be necessary to carry out the provisions of this section, including rules providing for the application of this subsection in the case of contingent payments, short taxable years, pass-thru entities and derivation, attribution or apportionment of installment obligations or income from installment obligations.

(4) In the case of a nonresident subject to taxation under ORS chapter 316, in determining whether or not interest is to be added to tax under this section, and the amount of interest to be added, only those installment obligations that arise from dispositions of property in this state shall be taken into consideration.

(5) For purposes of determining interest under ORS 314.395 or penalties under ORS 314.400 or other law, and for purposes of refund, estimated and other prepayments of tax, credits and all other purposes, the interest added under this section shall be considered as any other increase in the tax imposed under ORS chapter 316, 317 or 318, whichever is appropriate.

(6) The interest added to tax imposed under this section shall be assessed and collected under the applicable provisions of this chapter and ORS chapters 305, 316, 317 and 318 and shall be paid over to the State Treasurer and held in the General Fund as miscellaneous receipts available generally to meet any expense or obligation of the State of Oregon lawfully incurred. [1989 c.625 §57]

314.304 Amortization of goodwill and other intangibles; expensing of depreciable assets; elections before April 15, 1998.

(1) Notwithstanding ORS 314.415 or other law, if a taxpayer has made one or both elections under Treas. Reg. §1.197-1T for federal income tax purposes, the election or elections shall apply for Oregon tax purposes. The taxpayer shall amend the taxpayer's Oregon return to conform the return with the corresponding federal return affected by the election or elections. The amendment must be made on or before April 15, 1998.

(2) If, for taxable years beginning on or after January 1, 1993, and before January 1, 1995, a taxpayer made the election described in section 179(c) of the Internal Revenue Code, as amended by the Revenue Reconciliation Act of 1993 (P.L. 103-66), on the taxpayer's federal income tax return, the taxpayer may amend the taxpayer's corresponding Oregon return. The amendment shall conform the return to the taxpayer's federal income tax return with respect to amounts subject to the section 179(c) election. Notwithstanding the provisions in section 179(c) and the regulations thereunder that set forth the time for making the election, the taxpayer's amended return must be filed on or before April 15, 1998. [1995 c.556 §42; 1999 c.21 §33]

Note: 314.304 is repealed June 30, 2008. See section 34, chapter 21, Oregon Laws 1999.

314.306 Income from discharge of indebtedness; bankruptcy; insolvency.

(1) If a taxpayer excludes an amount from federal gross income by reason of the discharge of indebtedness of the taxpayer under section 108(a)(1)(A) of the Internal Revenue Code (relating to discharge of indebtedness in a bankruptcy declared under U.S.C. Title 11), then, with respect to that portion of the excluded amount that is apportioned to Oregon, the taxpayer shall apply the rules in 11 U.S.C. 346(j), as amended and in effect on April 15, 1995.

(2) If a taxpayer excludes an amount from federal gross income by reason of the discharge of indebtedness of the taxpayer under section 108(a)(1)(B) or (C) of the Internal Revenue Code (relating to discharge of indebtedness in insolvency or discharge of qualified farm indebtedness), then, with respect to that portion of the excluded amount that is apportioned to Oregon, the following paragraphs shall apply, in the following order:

(a) If the taxpayer has made the election under section 108(b)(5) of the Internal Revenue Code to first reduce the basis of the depreciable property of the taxpayer, the election shall also be effective for Oregon tax purposes. A corresponding reduction in the

basis of the depreciable property of the taxpayer shall be made for Oregon tax purposes.

(b) The amount, if any, by which the following attributes are reduced under section 108(b)(1) of the Internal Revenue Code for federal tax purposes shall be added back for Oregon tax purposes:

(A) Federal net operating loss.

(B) Capital loss carryover.

(C) Basis of the property of the taxpayer, excluding amounts subject to the election under section 108(b)(5) of the Internal Revenue Code.

(D) Passive activity loss carryover.

(c) Excluding amounts subject to the election in section 108(b)(5) of the Internal Revenue Code:

(A) Any Oregon net operating loss of an individual or corporate taxpayer, including a net operating loss carryover to the taxpayer, shall be reduced by the amount of discharged indebtedness.

(B) Any net capital loss for the taxable year of the discharge, and any capital loss carryover to the taxable year, shall be reduced by the amount of discharged indebtedness minus the total amount taken into account under subparagraph (A) of this paragraph.

(C) The basis of the property of the taxpayer shall be reduced by the amount of discharged indebtedness minus the total amount taken into account under subparagraphs (A) and (B) of this paragraph.

(D) The passive activity loss carryover under section 469(b) of the Internal Revenue Code from the taxable year of the discharge shall be reduced by the amount of discharged indebtedness minus the total amount taken into account under subparagraphs (A), (B) and (C) of this paragraph. [1995 c.556 §19]

LIABILITY OF TRANSFEREE OR OWNER OF TRUST

314.310 Liability of transferee of taxpayer for taxes imposed on taxpayer. (1) When a taxpayer ceases to exist or is no longer subject to the jurisdiction of this state (although subject to the courts of a state having comity or reciprocity with the State of Oregon), being indebted for taxes upon or measured by net income, the transferee of the money or property of the taxpayer shall be liable for any such tax or deficiency in tax, including penalties and interest, imposed by law on the taxpayer and accruing or accrued upon the date of transfer, to the extent of the amount of money or value of the property received by the transferee. Property received by the transferee shall be valued at

the fair market value of said property at the time of transfer to the initial transferee by the taxpayer.

(2) The amount for which a transferee of the property of a taxpayer is liable in respect of any such tax or deficiency in tax, including penalties and interest, whether shown on the return of the taxpayer or determined as a deficiency in the tax, shall be assessed against such transferee and collected and paid in the same manner and subject to the same provisions and limitations as would apply to the taxpayer had the taxpayer or it continued subject to the jurisdiction of this state, except as provided in this section.

(3) As used in this section, the term "transferee" means one not a bona fide purchaser for value and includes an heir, legatee, devisee, distributee of an estate of a deceased person, the shareholder of a dissolved corporation, the assignee or donee of an insolvent person, the successor of a corporation which is a party to a corporate reorganization, and persons acting on behalf of such transferees in a fiduciary capacity.

(4) The period of limitation for assessment of any such liability of a transferee shall be as follows:

(a) In the case of the liability of an initial transferee of the property of the taxpayer, within one year after the expiration of the period of limitation for assessment against the taxpayer.

(b) In the case of the liability of a transferee of a transferee of the property of the taxpayer, within one year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than three years after the expiration of the period of limitation for assessment against the taxpayer.

(c) If, before the expiration of the period of limitation for the assessment of the liability of the transferee, as set forth in paragraph (a) or (b) of this subsection, a court proceeding for the collection of the tax or liability in respect thereof has been filed against the taxpayer or last preceding transferee, then the period of limitation for assessment of the liability of the transferee shall expire one year after final judgment has been rendered in the court proceedings.

(d) If, before the expiration of the time prescribed in paragraph (a), (b) or (c) of this subsection for the assessment of the liability, both the Department of Revenue and the transferee have consented in writing to its assessment after such time, the liability may be assessed at any time prior to the expiration of the period of extension agreed upon. The period so agreed upon may be further extended by subsequent agreements in writ-

ing made before the expiration of the period of extension previously agreed upon.

(5) For the purposes of this section, if the taxpayer is deceased, or in the case of a corporation, has terminated its existence, the period of limitation for assessment against the taxpayer shall be the period which would be in effect had death or termination of existence not occurred.

(6) In the absence of notice to the Department of Revenue of the existence of a fiduciary relationship, notice of liability enforceable under this section in respect of a tax or deficiency in tax, including penalties and interest thereon, imposed upon or measured by net income, if mailed to the last-known address of the person subject to the liability, shall be sufficient for the purposes of this section even if such person is deceased, or is under a legal disability, or, in the case of a corporation, has terminated its existence. [1955 c.367 §2; 1969 c.493 §86; 1995 c.453 §4; 1997 c.325 §35]

(b) Every person who is required to file a return with respect to a real estate transaction under section 6045(e) of the Internal Revenue Code shall file a copy of that return with the department.

(3) The department may prescribe circumstances under which the filing requirements under this section are waived. [1957 c.632 §7 (enacted in lieu of 316.535); 1959 c.305 §1; 1987 c.293 §59; 1987 c.366 §3; 1997 c.839 §54]

(1) The information return and the employer's annual return, described in ORS 314.360 and 316.202 (3) shall be filed on magnetic media or other machine-readable form if the corresponding federal return is required to be filed on magnetic media or other machine-readable form by section 6011 (e) of the Internal Revenue Code and the regulations, revenue rulings and revenue procedures adopted pursuant to that section.

(2) The Department of Revenue may, by administrative rule, adopt the regulations, revenue rulings or revenue procedures which are adopted pursuant to section 6011 (e) of the Internal Revenue Code whenever such regulations, revenue rulings or revenue procedures may be adopted.

(3) The department may require that the magnetic media or other machine-readable forms filed with it meet specifications prescribed by the department. The department may allow an alternative method of filing if the person filing the return is unable to meet the specifications prescribed by the department. [1987 c.366 §2; 1991 c.457 §17; 1993 c.726 §12; 1995 c.556 §25; 1997 c.839 §55]

314.363 [1975 c.760 §2; repealed by 1984 c.1 §18]

314.365 [1957 c.632 §8 (enacted in lieu of 316.550 and 317.365); 1961 c.533 §51; repealed by 1985 c.266 §6]

314.370 Department requiring return or supplementary return. If the Department of Revenue is of the opinion that a taxpayer has failed to file a return, or to include in a return filed, either intentionally or through error, items of taxable income, it may require from the taxpayer a return or supplementary return, under oath, in such form as it shall prescribe, of all the items of income which the taxpayer received during the year for which the return is made, whether or not taxable under the provisions of the applicable tax law. If from a supplementary return, or otherwise, the department finds that any items of taxable income have been omitted from the original return it may require the items so omitted to be disclosed under oath of the taxpayer, and to be added to the original return. Such supplementary return and the correction of the original return shall not relieve the taxpayer from any of the penalties to which the taxpayer may be liable under any provisions of law whether or not the department required a return or a supplementary return under this section. [1957 c.632 §9 (enacted in lieu of 316.555)]

314.380 Furnishing copy of federal or other state return or report; action required when return filed or changed or tax assessed. (1) Every taxpayer shall, upon request of the Department of Revenue, furnish a copy of the return for the corresponding year, which the taxpayer has filed or may file with the federal government, showing the taxpayer's net income and how obtained and the several sources from which derived. Every taxpayer shall, upon request of the department, furnish a copy of any federal revenue agent's report or other audit report made upon any audit or adjustment of the taxpayer's federal income tax return or income tax return of another state.

(2)(a) The taxpayer shall report to the department any change in the taxpayer's taxable income that is subject to tax by this state or any change in the taxpayer's tax liability paid to or owing this state because:

(A) The Internal Revenue Service or other competent authority has changed or corrected the amount of a taxpayer's taxable

income, tax credit or other amount taken into account in determining the taxpayer's tax liability as reported on a federal income tax return or an income tax return of another state for any taxable year; or

(B) The taxpayer:

(i) Files an original or amended return that is accepted by the Internal Revenue Service or the taxing authority of another state; or

(ii) Is assessed tax by the Internal Revenue Service or the taxing authority of another state for the failure to file a return as required.

(b) In the case of a change or correction made by the Internal Revenue Service or by the taxing authority of another state, the report shall either concede the accuracy of the determination or state wherein the taxpayer believes it to be erroneous. The report may be treated by the department as a claim for refund pursuant to ORS 314.415 if the department determines that the taxpayer's correct Oregon tax liability is a reduction from the taxpayer's Oregon tax liability prior to the filing of the report. Notwithstanding the limitations of ORS 314.415, a claim for refund under this paragraph shall be deemed timely if received by the department within two years after the federal or other state correction was made.

(c) In the case of a taxpayer filing an original or amended federal or other state return that reports a change in the taxpayer's taxable income that is subject to tax by this state or that results in a change in the taxpayer's tax liability paid to or owing this state, the report required by this subsection shall be an amended Oregon return. The taxpayer shall file the amended return with the department within 90 days thereafter.

(3) For purposes of this section:

(a) A change or correction of a taxpayer's taxable income is deemed to be made on the date of the audit report making the change or correction; and

(b) The date on which an original or amended return is accepted by the Internal Revenue Service or other state taxing authority is the date the original or amended return is filed if the return is subsequently accepted by the Internal Revenue Service or other state taxing authority.

(4) The provisions of ORS 305.305 shall constitute the exclusive remedy of a person whose notice of deficiency or assessment is based upon a change or correction of the person's taxable income under this section. [1957 c.632 §11 (enacted in lieu of 316.565 and 317.380); 1963 c.509 §1; 1985 c.602 §3; 1989 c.414 §7; 1997 c.100 §2; 1999 c.74 §1; 2001 c.9 §4]

314.385 Form of returns; time for filing; alternative filing formats; rules. (1)(a) For purposes of ORS chapter 316, returns shall be filed with the Department of Revenue on or before the due date of the corresponding federal return for the tax year as prescribed under the Internal Revenue Code and the regulations adopted pursuant thereto, except that the final return of a decedent shall be filed at any time following the death of the decedent, to and including the 15th day of the fourth month after expiration of the regular tax year of the decedent.

(b) For purposes of ORS chapters 317 and 318, returns shall be filed with the department on or before the 15th day of the month following the due date of the corresponding federal return for the tax year, as prescribed under the Internal Revenue Code and the regulations adopted pursuant thereto.

(c) The department may allow further time for filing returns equal in length to the extension periods allowed under the Internal Revenue Code and its regulations.

(d) If no return is required to be filed for federal income tax purposes, the due date or extension period for a return shall be the same as the due date, or extension period, would have been if the taxpayer had been required to file a return for federal income tax purposes for the tax year. However, the due date for returns filed for purposes of ORS chapter 317 or 318 shall be on or before the 15th day of the month following what would have been the federal return due date for the tax year.

(2) There shall be annexed to the return a statement verified as provided under ORS 305.810 by a declaration of the taxpayer making the return to the effect that the statements contained therein are true.

(3) Returns shall be in such form as the department may, from time to time, prescribe. The department shall prepare blank forms for the returns and distribute them throughout the state. Such forms shall be furnished the taxpayer upon request, but failure to receive or secure a form shall not relieve the taxpayer from the obligation of making any return required by law.

(4)(a) The department may by rule authorize the filing of a return in alternative formats to those described in subsection (3) of this section and may prescribe the conditions, requirements and technical standards for a filing under this subsection.

(b) Notwithstanding subsections (1) to (3) of this section, the department may by rule prescribe a different due date for a return filed in an alternative format.

(c) The policy of the Legislative Assembly in granting the department rulemaking authority under paragraph (b) of this subsection is to have the department prescribe due dates that mirror the due dates that apply to federal returns filed in alternative formats for federal tax purposes. [1957 c.632 §12 (enacted in lieu of 316.545 and 317.355); 1959 c.156 §1; last sentence of subsection (1) derived from 1959 c.156 §3; 1963 c.281 §1; 1987 c.293 §59a; 1989 c.625 §55; 1991 c.457 §17a; 1997 c.84 §1; 1997 c.839 §56; 2003 c.77 §10a]

Note: Section 10b, chapter 77, Oregon Laws 2003, provides:

Sec. 10b. The amendments to ORS 314.385 by section 10a of this 2003 Act apply to returns filed in alternative formats for tax years beginning on or after January 1, 2003. [2003 c.77 §10b]

314.395 Time for payment of tax; interest on delayed return. (1) The tax shall be paid to the Department of Revenue at the time fixed by ORS 314.385 for filing the return without regard to extensions.

(2) When the time for filing a return of income is extended at the request of the taxpayer, interest at the rate established under ORS 305.220 for each month or fraction of a month from the time the return was originally required to be filed to the time of payment shall be added and paid. [1969 c.166 §2; 1971 c.354 §3; 1973 c.402 §17; 1975 c.593 §13; 1980 c.20 §24; 1982 s.s.1 c.16 §6; 1987 c.293 §59b]

314.397 Manner of payment. The tax may be paid with uncertified check under any rules as the Department of Revenue shall adopt, but if a check so received is not paid by the financial institution on which it is drawn, the taxpayer by whom the check is tendered remains liable for the payment of the tax and for all legal penalties the same as if the check had not been tendered. [1989 c.625 §61 (enacted in lieu of 316.407); 1997 c.631 §451]

314.400 Penalty assessed for failure to file report or return or to pay tax when due; interest. (1) In the case of a failure:

(a) To pay a tax at the time the tax becomes due, there shall be added to the amount of tax that is shown as tax on the report or return filed by the taxpayer a delinquency penalty of five percent of the amount of such tax; or

(b) To file a report or return of tax or tax liability or of income at the time prescribed for the filing of the report or return, there shall be added to the amount required to be shown as tax on the report or return a delinquency penalty of five percent of the amount of the tax.

(2) If the failure to file a report or return continues for a period in excess of three months after the due date:

(a)(A) There shall be added to the amount of tax required to be shown on the report or

return a failure to file penalty of 20 percent of the amount of such tax; and

(B) Thereafter the Department of Revenue may send a notice and demand to the person to file a report or return within 30 days of the mailing of the notice. If after such notice and demand no report or return is filed within the 30 days, the department may determine the tax according to the best of its information and belief, assess the tax with appropriate penalty and interest plus an additional penalty of 25 percent of the tax deficiency determined by the department and give written notice of the determination and assessment to the person required to make the filing.

(b) But the report or return is filed before a notice of determination and assessment is issued by the department, the failure to file penalty referred to in paragraph (a)(A) of this subsection shall be added to the amount of tax shown on the report or return.

(3) A penalty equal to 100 percent of any deficiency determined by the department shall be assessed and collected if:

(a) There is a failure to file a report or return with intent to evade the tax;

(b) A report or return was falsely prepared and filed with intent to evade the tax; or

(c) A false claim was intentionally filed under ORS 310.635, 310.657 and 310.706.

(4) Interest shall be collected on the unpaid tax at the rate established under ORS 305.220 for each month or fraction of a month, computed from the time the tax became due, during which the tax remains unpaid.

(5) Each penalty imposed under this section is in addition to any other penalty imposed under this section. However, the total amount of penalty imposed under this section and ORS 305.265 (13) with respect to any deficiency shall not exceed 100 percent of the deficiency.

(6) For purposes of subsections (1) and (2) of this section, the amount of tax required to be shown or that is shown on the report or return shall be reduced by the amount that is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax that is claimed on the report or return. If the amount required to be shown as tax on the report or return is less than the amount that is actually shown as tax on the report or return, this subsection shall be applied by substituting the lower amount.

(7) Notwithstanding subsection (1) of this section, the five percent penalty for failure

to pay the tax at the time the tax becomes due shall not be imposed if:

(a) The taxpayer pays the full amount of the tax plus accrued interest within 30 days of the date shown on the department's notice sent to the taxpayer; and

(b)(A) The taxpayer had filed an amended individual tax return or an amended corporate return of income or excise tax accompanied by less than full payment of the tax shown on the return plus accrued interest; or

(B) The taxpayer's individual income tax return or corporate income or excise tax return had been timely filed, including extensions, and a difference exists in the amount of tax paid on or before the due date:

(i) As shown on the return; and

(ii) As shown in the records of the department. [1971 c.354 §2; 1975 c.593 §14; 1977 c.870 §41; 1980 c.7 §25; 1981 c.724 §4; 1982 s.s.1 c.16 §7; 1985 c.602 §4; 1987 c.158 §48a; 1993 c.726 §13; 1995 c.780 §5; 1997 c.170 §26]

314.401 De minimis tax payment not required. Notwithstanding ORS 314.395 and 314.400, if the balance of tax due as shown on the report or return filed by the taxpayer for the tax year is less than \$1, payment of the amount shown shall not be required. [1999 c.73 §2]

314.402 Understatement of taxable income; penalty; waiver of penalty. (1) If the Department of Revenue determines that there is a substantial understatement of taxable income for any taxable year under any law imposing a tax on or measured by net income, there shall be added to the amount of tax required to be shown on the return a penalty equal to 20 percent of the amount of any underpayment of tax attributable to the understatement of taxable income.

(2) A substantial understatement of taxable income exists for any taxable year if the amount of the understatement for the taxable year exceeds:

(a) Except as provided in paragraph (b) of this subsection, \$15,000.

(b) In the case of a corporation other than an S corporation, as defined in section 1361 of the Internal Revenue Code, or a personal holding company, as defined in section 542 of the Internal Revenue Code, \$25,000.

(3) In the case of any item attributable to an abusive tax shelter:

(a) No reduction of the amount of the understatement shall be made with regard to that item regardless of the existence of substantial authority for the treatment of the item by the taxpayer.

(b) No reduction of the amount of the understatement shall be made with regard to

that item regardless of the disclosure of the facts affecting the tax treatment of the item unless, in addition to the disclosure, the taxpayer reasonably believed that the tax treatment of the item was more likely than not the proper treatment.

(4) As used in this section:

(a) "Abusive tax shelter" means any partnership, corporation or other organization or entity, any investment plan or arrangement or any other plan or arrangement, which has as its principal purpose the evasion or improper avoidance of federal or state income tax. "Abusive tax shelter" includes any investment or activity in connection with which tax benefits derived by investors are not clearly intended under the tax laws or any investment or activity that involves little or no economic reality, making use of unrealistic allocations of income or expenses, inflated appraisals of asset values, losses substantially in excess of investment, mismatching of income and expenses, financing techniques that do not conform to standard commercial business practice or mischaracterization of the substance of the investment or activity.

(b) "Understatement" means the excess of the amount of the taxable income required to be shown on the return for the taxable year over the amount of the taxable income which is shown on the return, reduced by any portion of the understatement that is attributable to:

(A) The tax treatment of any item by the taxpayer if there is or was substantial authority for such treatment; or

(B) Any item with respect to which:

(i) The relevant facts affecting the item's tax treatment are adequately disclosed in the return or in a statement attached to the return; and

(ii) There is a reasonable basis for the tax treatment of the item by the taxpayer.

(5) The penalty imposed under this section is in addition to any other penalty imposed by law. A penalty imposed under this section shall be treated for all purposes as an additional deficiency subject to the provisions of ORS 305.265, but shall not bear interest.

(6) The department may waive all or any part of the penalty imposed under this section on a showing by the taxpayer that there was reasonable cause for the understatement, or any portion thereof, and that the taxpayer acted in good faith. [1987 c.843 §9; 1995 c.556 §25a]

COLLECTING DELINQUENT TAXES; LIENS; INTEREST AND ADDITIONS TO TAX; REFUNDS

314.407 Assessment of taxes owing but not submitted with return; time of assessment; recording of warrant. For the purposes of ORS 314.407 and 314.417 to 314.423:

(1) In the case of a return submitted to the Department of Revenue with payment of less than the amount of tax computed to be due, the difference between the tax computed to be owing by the taxpayer and the tax submitted with the return is considered as "assessed" on the due date of the return (determined with regard to any extension of time granted for the filing of the return) or the date the return is filed, whichever is later.

(2) The term "time of assessment" means:

(a) In the case of an assessment made under ORS 305.265 and 314.410, 30 days after the date the notice of assessment is mailed to the taxpayer;

(b) In the case of an assessment made under ORS 314.440, five days after the date the notice of assessment is mailed to the taxpayer; or

(c) In the case of a tax assessed as described in subsection (1) of this section, the due date of the return (determined with regard to any extension of time granted for the filing of the return) or the date the return is filed, whichever is later.

(3) Unless a warrant has been recorded in the County Clerk Lien Record in the county in which property is located, no warrant shall be considered as a lien with respect to that property. [1971 c.215 §2; 1977 c.870 §42; 1987 c.586 §39; 1995 c.79 §154]

314.410 Time limit for notice of deficiency; circumstances when claim for refund may be reduced after time limit. (1) At any time within three years after the return was filed, the Department of Revenue may give notice of deficiency as prescribed in ORS 305.265.

(2) If the department finds that gross income equal to 25 percent or more of the gross income reported has been omitted from the taxpayer's return, notice of the deficiency may be given at any time within five years after the return was filed.

(3)(a) The limitations to the giving of notice of a deficiency provided in this section shall not apply to a deficiency resulting from false or fraudulent returns, or in cases where no return has been filed.

(b)(A) If the Commissioner of Internal Revenue or other authorized officer of the federal government or an authorized officer of another state's taxing authority makes a change or correction as described in ORS 314.380 (2)(a)(A) and, as a result of the change or correction, an assessment of tax or issuance of a refund is permitted under any provision of the Internal Revenue Code or applicable law of the other state, or pursuant to an agreement between the taxpayer and the federal or other state taxing authority that extends the period in which an assessment of federal or other state tax may be made, then notice of a deficiency under any Oregon law imposing tax upon or measured by income for the corresponding tax year may be mailed within two years after the department is notified by the taxpayer or the commissioner or other tax official of the correction, or within the applicable three-year or five-year period prescribed in subsections (1) and (2) of this section, whichever period expires later.

(B) A notice of deficiency mailed pursuant to this paragraph may assert any adjustment necessary to arrive at the correct amount of Oregon taxable income and Oregon tax liability for the tax year for which the federal or other state change or correction is made.

(c) If the taxpayer files an original or amended federal or other state return as described in ORS 314.380 (2)(a)(B), the department may reduce any claim for refund as a result of a change in Oregon tax liability related to the original or amended federal or other state return, but may not give notice of a deficiency for an adjustment to Oregon tax liability following the expiration of the applicable period prescribed in subsections (1) and (2) of this section and paragraph (a) of this subsection.

(4) The tax deficiency must be assessed and notice of tax assessment mailed to the taxpayer or authorized representative, who is authorized in writing, within one year from the date of the notice of deficiency unless an extension of time is agreed upon as prescribed in subsection (6) of this section.

(5) Notwithstanding other provisions of this section, the period for the assessment of any deficiency attributable to any part of the gain realized upon the sale or exchange of the taxpayer's principal residence, as provided in section 1034 of the Internal Revenue Code (as in effect prior to the repeal of section 1034 of the Internal Revenue Code by the Taxpayer Relief Act of 1997 (P.L. 105-34)), does not expire prior to the expiration of three years from the date the department is notified by the taxpayer of:

(a) The cost of purchasing the new residence which the taxpayer claims results in nonrecognition of any part of such gain;

(b) The taxpayer's intention not to purchase a new residence; or

(c) A failure to purchase a new residence within the period prescribed in section 1034 of the Internal Revenue Code (as in effect prior to the repeal of section 1034 of the Internal Revenue Code by the Taxpayer Relief Act of 1997 (P.L. 105-34)).

(6) If, prior to the expiration of any period of time prescribed in this section for giving of notice of deficiency or of assessment, the department and the taxpayer consent in writing to the notice of deficiency being mailed or deficiency being assessed after the expiration of such prescribed period, notice of such deficiency may be mailed or the deficiency assessed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period agreed upon.

(7) In the case of a deficiency attributable to the application to the taxpayer of a net operating loss carryback, notice of such deficiency may be mailed at any time before the expiration of the period within which notice of a deficiency for the taxable year of the net operating loss which results in such carryback may be mailed.

(8) Notwithstanding the other provisions of this section, if any taxpayer agreed with the United States Commissioner of Internal Revenue or the taxing authority of another state for an extension, or renewals thereof, of the period for giving notices of deficiencies and assessing deficiencies in income tax for any year, the period for mailing notices of deficiencies of tax for such years and the period for filing a claim for refund under ORS 314.380 (2)(b) shall expire on the later of:

(a) The expiration of an applicable period described in subsections (1) to (7) of this section; or

(b) Six months after the date of the expiration of the agreed period for assessing a deficiency.

(9) For purposes of this section, ORS 314.415 and any other provision of law establishing the time for which a refund may be claimed or notice of deficiency may be given with respect to a tax imposed on or measured by net income, "return" means the return required to be filed by the taxpayer and does not include a return of any person from whom the taxpayer has received an item of income, gain, loss, deduction or credit. [1957 c.632 §14 (enacted in lieu of 316.610 and 317.410); 1959 c.212 §2; 1959 c.591 §20; subsection (8) de-

rived from 1959 c.212 §3 and 1959 c.591 §21; 1963 c.509 §2; 1963 c.627 §1 (referred and rejected); 1969 c.405 §1; 1969 c.493 §§88,88a; 1971 c.507 §1; 1977 c.870 §43; 1983 c.162 §53; 1985 c.602 §5; 1993 c.726 §14; 1997 c.100 §3; 1999 c.74 §3; 1999 c.90 §4a; 2001 c.9 §5]

314.412 Issuing of notice of deficiency attributable to involuntary conversion; time limit. Notwithstanding ORS 314.410, the period for issuing any notice of deficiency attributable to any part of the gain realized upon an involuntary conversion as provided in the federal Internal Revenue Code which applies to the Personal Income Tax Act of 1969 or as provided in the corporate excise tax or corporate income tax laws, shall not expire prior to the expiration of three years from the date the Department of Revenue is notified by the taxpayer of:

(1) The replacement of the converted property which the taxpayer claims results in nonrecognition of any part of such gains; or

(2) The taxpayer's intention not to replace such property; or

(3) A failure of the taxpayer to replace the property within the period prescribed in the federal Internal Revenue Code which applies to the Personal Income Tax Act of 1969, in the corporation excise tax laws or in the corporation income tax laws, whichever is applicable. [1975 c.705 §2; 1989 c.626 §3]

314.415 Refunds; interest; credits. (1)(a) If the Department of Revenue determines pursuant to ORS 305.270 that the amount of the tax due is less than the amount theretofore paid, the excess shall be refunded by the department with interest at the rate established under ORS 305.220, for each month or fraction of a month during a period beginning 45 days after the due date of the return or the date the tax was paid, whichever is the later, to the time the refund is made.

(b)(A) No refund shall be allowed or made after three years from the time the return was filed, or two years from the time the tax or a portion thereof was paid, whichever period expires the later, unless before the expiration of such period a claim for refund is filed by the taxpayer in compliance with ORS 305.270, nor shall a refund claimed on an original return be allowed or made in any case unless the return is filed within three years of the due date, excluding extensions, of the return in respect of which the tax might have been credited. If a refund is disallowed for the tax year during which excess tax was paid for any reason set forth in this paragraph, the excess shall not be allowed as a credit against any tax occurring on a return filed for a subsequent year. If the tax owed after offsets for all amounts owed the state, or a county pursuant to a judg-

ment obtained under ORS 169.151, is less than \$1, no refund shall be made.

(B) If a taxpayer would qualify under section 6511(h) of the Internal Revenue Code for a suspension of the running of the periods specified for filing a claim for refund of federal income tax, the period specified in subparagraph (A) of this paragraph shall also be suspended.

(c) No interest on a refund to an employee of a tax withheld by an employer shall be paid for any period prior to the time the employee filed a personal income tax return for the tax year involved, nor for any period prior to the day which is 45 days after the date when the employee's annual return for that year was filed or was due, whichever is the later.

(d) No interest on a refund of estimated tax paid under ORS 314.505 to 314.525 or 316.557 to 316.589 shall be paid for any period prior to the time the taxpayer filed a tax return for the tax year involved, nor for any period prior to the day which is 45 days after the date when the tax return for that year was filed or was due, whichever is later.

(e) The amount of the refund, exclusive of interest thereon, shall not exceed the portion of the tax paid during such period preceding the filing of the claim or, if no claim is filed, then during the period preceding the allowance of the refund during which a claim might have been filed. Where there has been an overpayment of any tax imposed, the amount of the overpayment and interest thereon shall be credited against any tax, penalty or interest then due from the taxpayer, and only the balance shall be refunded.

(f) Except as provided in ORS 305.265 (12), if, pursuant to a notice of deficiency or assessment, the taxpayer pays the amount specified in the notice, or any part thereof, and if, upon appeal, the Oregon Tax Court or the Oregon Supreme Court orders that all or any part of the deficiency amount specified in the notice and paid by the taxpayer be refunded, the amount so ordered to be refunded shall bear interest at the rate established for refunds in ORS 305.220. Interest shall be computed from the date of payment to the department. Nothing in this paragraph shall require that interest be paid upon any amount for any period for which interest upon the same amount for the same period is required to be paid under ORS 305.419.

(2) Notwithstanding any provision to the contrary in ORS 305.265 or 305.270 or subsection (1) of this section, if, prior to the expiration of the period prescribed in subsection (1)(b) of this section, the department and the taxpayer consent in writing to the refund of tax after the expiration of the

period prescribed, the refund shall be made at any time prior to the expiration of the period agreed upon and no refund shall be made or allowed after the expiration of the period agreed upon unless a claim for refund is filed by the taxpayer before the expiration of the period agreed upon in compliance with the manner prescribed by the department. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. The department shall have the power to consent to such refund only where the taxpayer has consented to assessment of additional tax, if such be determined upon audit, after the expiration of the applicable three-year or five-year period prescribed in ORS 314.410 (1) and (2).

(3) If the claim for credit or refund relates to an overpayment on account of the deductibility by the taxpayer, or by a partnership, of the worthlessness of a share of stock in a corporation, of the right to subscribe for or to receive a share of stock in a corporation, or of a debt, in lieu of the three-year period of limitation prescribed in subsection (1) of this section, the period shall be seven years from the date prescribed by law for the filing of the return for the year with respect to which the claim is made; provided, that if the claim is made in reliance upon this subsection after the expiration of the three-year period prescribed in subsection (1)(b) of this section, no interest shall be allowed with respect to any credit or refund determined to be due upon such claim for the period beginning at the close of the three-year period prescribed in subsection (1) of this section and ending at the expiration of six months after the date on which the claim is filed.

(4)(a) If the claim for credit or refund relates to an overpayment attributable to a net operating loss carryback or a net capital loss carryback, in lieu of the three-year period of limitation prescribed in subsection (1) of this section, the period shall be that period which ends three years after the time prescribed by law for filing the return (including extensions thereof) for the taxable year of the net operating loss or net capital loss which results in such carryback. In the case of such a claim, the amount of the credit or refund may exceed the portion of the tax paid within the period provided in subsection (1)(a) or (b) of this section or subsection (2) of this section, whichever is applicable, to the extent of the amount of the overpayment attributable to such carryback. If the allowance of a credit or refund of an overpayment of tax attributable to a net operating loss carryback or a net capital loss carryback is otherwise prevented by the operation of any law or rule of law other than ORS 305.150,

relating to closing agreements, such credit or refund may be allowed or made, if claim therefor is filed within the period provided in this subsection. To the extent that the carryback was not an issue in any proceeding in which the determination of a court, including the Oregon Tax Court, has become final, the claimed credit or refund applicable to that carryback may be allowed or made under this subsection.

(b) For purposes of subsection (1) of this section, if any overpayment of tax results from a carryback of a net operating loss or net capital loss, such overpayment shall be deemed not to have been made prior to the later of:

(A) The due date of the return for the taxable year in which such net operating loss or net capital loss arises;

(B) The date the return for the year in which the net operating or net capital loss arises is filed; or

(C) The date of filing of the return for the year to which the net operating loss or net capital loss is carried back.

(5) Notwithstanding any provision to the contrary in ORS 305.265 or 305.270, or other provisions of this section, if the taxpayer has agreed with the United States Commissioner of Internal Revenue for an extension, or renewals thereof, of the period for proposing and assessing deficiencies in federal income tax for any year, the period within which a claim for credit or refund may be filed or credit or refund allowed or made if no claim is filed shall be the period provided within subsections (1) to (4) of this section or six months after the date of the expiration of the agreed period for assessing deficiency in federal income tax, whichever period expires the later.

(6) The department may make separate refunds of withheld taxes upon request by a husband or wife who has filed a joint return, the refund payable to each spouse being proportioned to the gross earnings of each shown by the information returns filed by the employer or otherwise shown to the satisfaction of the department.

(7) If a taxpayer entitled to a refund under subsection (1) of this section dies, the department may issue a draft for payment of such refund under the terms and conditions set out in ORS 293.490 to 293.500 exercising the same powers and subject to the same restrictions pursuant to which the State Treasurer is authorized to pay the amounts of warrants, checks or orders under those statutes. [1957 c.632 §15 (enacted in lieu of 316.615 and 317.415); 1969 c.166 §4; 1969 c.405 §2; 1971 c.354 §5; 1971 c.507 §2; 1975 c.593 §16; 1977 c.870 §44; 1982 s.s.1 c.16 §8; 1983 c.162 §54; 1985 c.61 §3; 1985 c.602 §6; 1985 c.603 §1; 1985 c.802 §19; 1987 c.293 §60; 1987 c.647 §1; 1989 c.626

Note: Section 2, chapter 1096, Oregon Laws 1999, provides:

Sec. 2. (1) Notwithstanding the time for filing a claim for refund under ORS 314.415, the amendments to ORS 316.027 by section 1, chapter 1096, Oregon Laws 1999, apply:

(a) To tax years beginning on or after January 1, 1995; and

(b) To any tax year for which a notice of deficiency may be issued on or after October 23, 1999.

(2) If a claim for refund is filed for a tax year specified in subsection (1) of this section, and the claim constitutes an allowable claim for refund, the Department of Revenue shall refund the amount owed to the taxpayer in the manner provided in ORS 305.270 and 314.415.

(3)(a) A claim for refund under ORS 314.415 for a tax year beginning before January 1, 1999, that is based on the amendments to ORS 316.027 by section 1, chapter 1096, Oregon Laws 1999, must be filed with the Department of Revenue on or before December 31, 2004.

(b) A claim for refund under ORS 314.415 for a tax year beginning on or after January 1, 1999, that is based on the amendments to ORS 316.027 by section 1, chapter 1096, Oregon Laws 1999, must be filed with the Department of Revenue on or before the later of:

(A) December 31, 2004; or

(B) The time required to file a claim for refund under ORS 314.415. [1999 c.1096 §2; 2003 c.22 §1]

(Temporary provisions relating to federal retiree claims)

Note: Section 3, chapter 403, Oregon Laws 1999, provides:

Sec. 3. (1) Notwithstanding ORS 305.270, 305.440 or 314.415 or any other provision of law establishing the finality of a personal income tax assessment, the Department of Revenue may cancel an assessment of personal income tax imposed on federal pension income for tax years beginning on or after January 1, 1991, to the extent the tax had been imposed on federal pension income attributable to federal employment occurring before October 1, 1991.

(2) A claim for the cancellation of assessment under this section must be filed with the department on or before April 16, 2001. [1999 c.403 §3]

Note: Sections 2 and 3, chapter 996, Oregon Laws 1999, provide:

Sec. 2. (1) Notwithstanding ORS 305.270, 305.440 or 314.415 or any other provision of law establishing the finality of a personal income tax assessment, the Department of Revenue may issue a refund of personal income tax imposed on federal pension income for tax years beginning on or after January 1, 1991, to the extent the tax had been imposed on federal pension income attributable to federal employment occurring before October 1, 1991.

(2) A claim for refund under this section must be filed with the department on or before April 16, 2001.

(3) No refunds may be paid under this section prior to July 1, 2001.

(4) As used in this section, "federal pension" means any form of retirement allowance provided by the federal government, its agencies or its instrumentalities to retirees of the federal government or their beneficiaries. [1999 c.996 §2]

Sec. 3. A refund under section 2 of this 1999 Act of tax that had been imposed upon the federal pension

income of a deceased federal retiree or the deceased pension beneficiary of a federal retiree shall be allowed:

(1) To the personal representative of the estate of the deceased federal retiree or deceased federal pension beneficiary if the estate probate proceedings are still pending.

(2) To the person who has filed a small estate affidavit relating to the deceased federal retiree or deceased federal pension beneficiary under ORS 114.505 to 114.560.

(3) If the estate is not to be administered in a court having probate jurisdiction or if the estate has been closed, to a person in a group listed in ORS 293.490 (3) that is permitted to receive a refund under ORS 314.415 (7). For purposes of this subsection:

(a) The monetary limitations in ORS 293.490 to 293.500 shall not apply;

(b) The last illness and funeral expense payment provisions in ORS 293.495 (1)(e) shall not apply;

(c) The refund claim filed for payment pursuant to ORS 293.495 need not state whether there are other survivors in the group that includes the claimant, and the claim need not be in the form of a notarized affidavit; and

(d) The person receiving the refund shall be required to distribute the refund in equal shares to all persons in the group under ORS 293.490 (3) that is entitled to the refund. [1999 c.996 §3]

314.417 Unpaid tax or withholding lien at time of assessment. If any person neglects or refuses to pay an income tax at the time of assessment, or fails to pay to the Department of Revenue any amount required to be withheld under ORS 316.167 and 316.172, the amount of the unpaid tax including interest and penalty thereon shall be a lien in favor of the State of Oregon upon all property and rights to property, whether real or personal, belonging to the person. The lien shall arise at the time of assessment or the time the amount withheld is to be paid to the department and the lien shall continue until the liability for the taxes, with interest and penalty, is satisfied. [1971 c.215 §3; 1981 c.546 §1]

314.419 Foreclosure of lien. In addition to any other remedy provided by law the lien created by ORS 314.417 may be foreclosed in the following manner:

(1) The Director of the Department of Revenue shall issue an order directed to the sheriff of the county in which the property or interest in property subject to the lien is located, describing the property subject to the lien, and commanding the sheriff to seize the property specified and sell it to pay the amount shown on the order to be due. In the discretion of the director an order of like terms, force and effect may be issued and directed to any agent authorized to collect income taxes, and in the execution thereof the agent shall have all the powers conferred by law upon sheriffs but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(2) If the property seized by the sheriff is personal property the sheriff shall utilize the

procedures under ORS 311.640 to effect collection of the amount due.

(3) If the property seized by the sheriff is real property the sheriff shall proceed to sell the real property in the same manner that real property is sold under a writ of execution.

(4) Any property which has been sold under this section may be redeemed from the purchaser by the taxpayer or any junior lienor within 120 days from the date of the sale by paying to the purchaser the full purchase price paid plus an additional 20 percent of the purchase price.

(5) In any proceeding under this section to sell property to foreclose a lien, the taxpayer may claim any exemption to which the taxpayer is entitled under the laws of this state relating to property exempt from execution. [1971 c.215 §4]

314.420 [1957 c.632 §16 (enacted in lieu of 316.620, 317.370 and 317.420); 1969 c.166 §5; repealed by 1971 c.354 §7]

314.421 When lien valid. The lien imposed by ORS 314.417 shall not be valid as against any purchaser, holder of a security interest, mechanic's lienor or judgment creditor until a warrant is issued and recorded under ORS 314.430. [1971 c.215 §5; 1987 c.586 §40]

314.423 Status of lien. (1) After a warrant has been recorded under ORS 314.430, the lien imposed by ORS 314.417 shall be subordinate to:

(a) Any interest in real property to the same extent that a judgment recorded in the County Clerk Lien Record under ORS 18.152 at the same time the warrant was recorded would be subordinate to the interest; and

(b) Any interest in personal property to the same extent that a security agreement filed under the Uniform Commercial Code at the same time the warrant was filed would be subordinate to the interest.

(2) After a warrant has been recorded under ORS 314.430, the lien imposed by ORS 314.417 shall not be valid as to a purchaser, security interest holder or lienholder in a sale, security agreement or lien arising out of the following types of property or property transactions unless the purchaser, security interest holder or lienholder had actual knowledge of the lien:

(a) Securities as defined in ORS 78.1020;

(b) Retail purchases in the ordinary course of business;

(c) Casual sales of personal property;

(d) Attorney's liens;

(e) Insurance contract loans; or

(f) Passbook loans. [1971 c.215 §§6,7; 1987 c.586 §41; 1997 c.325 §36; 2003 c.576 §230]

314.425 Examining books, records or persons. (1) The Department of Revenue, for the purpose of ascertaining the correctness of any return or for the purpose of making an estimate of the taxable income of any taxpayer, may examine or cause to be examined by an agent or representative designated by it for the purpose, any books, papers, records or memoranda bearing upon the matter required to be included in the return, and may require the attendance of the taxpayer or officer or agent or any other person having knowledge in the premises, and may take testimony and require proof material for the information, with power to administer oaths to such persons. The department shall have authority, by order or subpoena to be served with the same force and effect and in the same manner that a subpoena is served in a civil action in the tax court, to require the production at any time and place it may designate of any books, papers, accounts or other information necessary to the carrying out of any law imposing tax on or measured by net income.

(2) If any person fails to comply with any subpoena or order of the department or to produce or permit the examination or inspection of any books, papers or documents pertinent to any investigation or inquiry under this section, or to testify to any matter regarding which the person may be lawfully interrogated, the department may apply to the tax court for the county in which the person resides for an order to the person to attend and testify, or otherwise comply with the demand or request of the department. The application to the court shall be by ex parte motion upon which the court shall make an order requiring the person against whom it is directed to comply with the request on demand of the department within 10 days after service of the order (or such further time as the court may grant) or to justify the failure within that time. The order shall be served upon the person to whom it is directed in the manner required by this state for service of process, which service shall be required to confer jurisdiction upon the court. Failure to obey any order issued by the court under this section is contempt of court. The remedy provided by this section shall be in addition to other remedies, civil or criminal, existing under the tax laws or other laws of this state. [1957 c.632 §17 (enacted in lieu of 316.625 and 317.425); 1995 c.650 §33]

314.430 Warrant for collection of taxes. (1) If any tax imposed under ORS chapter 118, 316, 317 or 318 or any portion of the tax is not paid within 30 days after the date that the written notice and demand for payment required under ORS 305.895 is mailed (or within five days after the tax becomes due, in the case of the termination of

the tax year by the Department of Revenue under the provisions of ORS 314.440) and no provision is made to secure the payment thereof by bond, deposit or otherwise, pursuant to regulations promulgated by the department, the department may issue a warrant directed to the sheriff of any county of the state commanding the sheriff to levy upon and sell the real and personal property of the taxpayer found within that county, for the payment of the amount of the tax, with the added penalties, interest, collection charge and the sheriff's cost of executing the warrant, and to return such warrant to the department and pay to it the money collected by virtue thereof by a time to be therein specified, not less than 60 days from the date of the warrant. A copy of the warrant shall be mailed or delivered to the taxpayer by the department at the taxpayer's last-known address.

(2) The sheriff shall, within five days after the receipt of the warrant, record with the clerk of the county a copy thereof, and thereupon the clerk shall enter in the County Clerk Lien Record the name of the taxpayer mentioned in the warrant, and the amount of the tax or portion thereof and penalties for which the warrant is issued and the date when such copy is recorded. Thereupon the amount of the warrant so recorded shall become a lien upon the title to and interest in property of the taxpayer against whom it is issued in the same manner as a judgment duly recorded. The sheriff thereupon shall proceed upon the same in all respects, with like effect and in the same manner prescribed by law in respect to executions issued against property upon judgment of a court of record, and shall be entitled to the same fees for services in executing the warrant, to be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant of like terms, force and effect may be issued and directed to any agent authorized to collect taxes, and in the execution thereof the agent shall have all the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(4) If a warrant is returned not satisfied in full, the department shall have the same remedies to enforce the claim for taxes against the taxpayer as if the people of the state had recovered judgment against the taxpayer for the amount of the tax, and shall balance the assessment record of the taxpayer by transferring the unpaid deficiency to the taxpayer's delinquent record. [1957 c.632 §18 (enacted in lieu of 316.630 and 317.430); 1959 c.74 §1; 1959 c.234 §1; 1975 c.593 §17; 1983 c.696 §12; 1985 c.85 §12;

314.435 [1957 c.632 §19 (enacted in lieu of 316.635 and 317.435); 1959 c.147 §1; repealed by 1961 c.573 §2 (305.140 enacted in lieu of 314.435, 315.635 and 321.085)]

314.440 Tax as debt; termination of taxable period and immediate assessment of tax. (1) Every tax imposed by any law imposing a tax upon or measured by net income, and all increases, interest and penalties thereon shall become, from the time such liability is incurred, a personal debt, due the State of Oregon, from the person or persons liable therefor.

(2) If the Department of Revenue finds that a taxpayer designs quickly to depart from the state or to remove the property of the taxpayer therefrom, or to do any other act tending to prejudice or to render wholly or partially ineffectual proceedings to collect the tax for any past tax year or the tax year then current unless such proceedings be brought without delay, the department shall declare the current taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer. Simultaneously, the department, on the basis of the best information available to it, shall assess a tax for such terminated period and for the preceding tax year (if no return has been filed therefor, whether or not the time otherwise allowed by law for filing such return and paying the tax has expired), and shall assess additional tax for any years open to assessment under the provisions of the applicable law. The department shall give notice to the taxpayer of all taxes so assessed. Such taxes shall thereupon become immediately due and payable as soon as the notice and findings are issued to the taxpayer or mailed to the last-known address of the taxpayer. In any proceeding in court brought to enforce payment of taxes made due and payable by virtue of the provisions of this section the findings of the department, made as provided in this section, whether made after notice to the taxpayer or not, shall be for all purposes presumptive evidence of the taxpayer's design and the certificate of the department of the mailing or issuing of the notice and findings specified in this section is presumptive evidence that the notice and findings were mailed or issued. 314.466 Audits, deficiencies, assessments, refunds and appeals governed by ORS chapter 305. The provisions of ORS chapter 305 as to the audit and examination of reports and returns, determination of deficiencies, assessments, claims for refund, conferences and appeals to the Oregon Tax Court, and the procedures relating thereto, shall apply to the determination of taxes, penalties and interest imposed under this chapter and ORS chapters 315, 316, 317 and 318, except where the context requires otherwise. [1977 c.870 §23 (enacted in lieu of 314.405, 314.455, 314.460 and 314.465); 1995 c.650 §34]

314.470 [1957 c.632 §26 (enacted in lieu of 316.675 and 317.480); repealed by 1961 c.20 §1]

ESTIMATED TAX PROCEDURE

314.505 Estimate of tax liability by corporations. (1) Every corporation expecting to have a tax liability under either ORS chapter 317 or 318 of \$500 or more shall make an estimate of tax liability for the corporation's tax year and pay the amount of tax determined as provided in ORS 314.515.

(2) The Department of Revenue shall by rule provide for the payment of estimated tax liability by a group of affiliated corporations filing a consolidated return.

(3) As used in ORS 314.505 to 314.525, the term "estimated tax liability" means the tax computed under ORS chapter 317 or 318 less the credits allowed for purposes of ORS chapter 317 or 318. [1973 c.292 §1; 1984 c.1 §16; 1993 c.730 §41; 1997 c.299 §5]

Note: Section 37 (3), chapter 709, Oregon Laws 2003, provides:

Sec. 37. (3) Notwithstanding ORS 314.505 to 314.525, for tax years beginning on or after January 1, 2003, and before January 1, 2004, interest resulting from the underpayment of estimated tax may not be imposed if the sum of estimated taxes paid by a corporation would not have constituted an underpayment of estimated taxes prior to enactment of the new provisions and amendments to statutes in sections 4 to 36 of this 2003 Act. [2003 c.709 §37(3)]

Note: Chapter 709, Oregon Laws 2003, was referred to the people by referendum petition for their approval or rejection at a special election to be held throughout this state on February 3, 2004. See section 1, chapter 730, Oregon Laws 2003. If chapter 709, Oregon Laws 2003, is approved by the people, section 37 (3), chapter 709, Oregon Laws 2003, becomes operative on March 4, 2004. If chapter 709, Oregon Laws 2003, is rejected by the people, section 37 (3), chapter 709, Oregon Laws 2003, does not become operative.

314.515 Installment schedule for payment of estimated tax. (1) A corporation required under ORS 314.505 to make payments of estimated tax shall make the payments to the Department of Revenue in installments as follows:

(a) One-quarter or more of the estimated tax shall be paid on or before the 15th day of the fourth month of the taxable year.

(b) One-quarter or more of the estimated tax shall be paid on or before the 15th day of the sixth month of the taxable year.

(c) One-quarter or more of the estimated tax shall be paid on or before the 15th day of the ninth month of the taxable year.

(d) The balance of the estimated tax shall be paid on or before the 15th day of the 12th month of the taxable year.

(2) Any payment of estimated tax received by the department for which the corporation has made no designation of the quarterly installment to which the payment is to be applied, shall first be applied to underpayments of estimated tax due for any prior quarter of the taxable year. Any excess amount shall be applied to the installment that next becomes due after the payment was received. [1973 c.292 §2; 1981 c.678 §4; 1985 c.603 §2]

314.518 Estimated tax payments by electronic funds transfer; phase-in; rules. (1) A corporation required to make a payment of estimated tax under ORS 314.505 to 314.525 shall make the payment by means of electronic funds transfer if:

(a) For payment periods beginning on or after July 1, 2001, and before January 1, 2002, the corporation's annual total amount of estimated tax liability exceeds \$50,000.

(b) For payment periods beginning on or after January 1, 2002, the corporation is required to make federal estimated tax payments electronically.

(2) The Department of Revenue may adopt rules that provide exemptions from the requirement that estimated tax be paid by electronic funds transfer when the taxpayer is disadvantaged by required payment by electronic funds transfer.

(3) The Department of Revenue may accept electronically filed payments voluntarily submitted by a corporation that is not required to pay by means of electronic funds transfer.

(4) As used in this section, "electronic funds transfer" has the meaning given that term in ORS 293.525. [1997 c.299 §4; 1999 c.21 §35; 2001 c.28 §5; 2001 c.114 §30]

314.520 State agency authority over certain electronic funds transfer payments. ORS 314.505, 314.518 and 316.198 do not alter the authority under ORS 293.525 of

a state agency to require by rule that certain payments be made by electronic funds transfer. [1997 c.299 §6; 2001 c.114 §39]

Note: 314.520 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 314 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

314.525 Underpayment of estimated tax; interest; nonapplicability of penalties. (1) An underpayment of estimated tax under ORS 314.505 to 314.525 will be considered to have occurred if the estimated tax is not paid as required.

(2) Notwithstanding subsection (1) of this section, there shall be no underpayment of estimated tax if the estimated tax paid equals or exceeds the amount described in any one of the following paragraphs:

(a) The amount which would be required to be paid if the estimated tax liability were equal to 100 percent of the tax shown on the return for the taxable year or, if no return was filed, 100 percent of the tax for such taxable year.

(b) The amount which would be required to be paid if the estimated tax liability were equal to 100 percent of the tax shown on the return for the preceding taxable year, and the preceding taxable year was a taxable year of 12 months.

(c)(A) An amount equal to 100 percent of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month;

(ii) For the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month;

(iii) For the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and

(iv) For the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this paragraph the taxable income shall be placed on an annualized basis by:

(i) Multiplying by 12 the taxable income referred to in subparagraph (A) of this paragraph; and

(ii) Dividing the resulting amount by the number of months in the taxable year (3, 5, 6, 8, 9 or 11, as the case may be) referred to in subparagraph (A) of this paragraph.

(d) An amount equal to 100 percent of the amount obtained by applying section 6655(e) (3)(C) of the Internal Revenue Code to Oregon taxable income.

(e) An election made under section 6655(e) (2)(C) of the Internal Revenue Code (relating to annualization periods) for federal tax purposes shall also apply for purposes of estimated tax under ORS 314.505 to 314.525.

(3) Interest shall accrue on the underpayment of estimated tax under ORS 314.505 to 314.525 at the rate established under ORS 305.220, for each month or fraction thereof during which period the estimated tax or any installment thereof remains unpaid. The penalty provisions contained in this chapter and ORS chapters 317 and 318 for underpayment of tax shall not apply to underpayments of estimated tax under ORS 314.505 to 314.525.

(4) For purposes of subsection (3) of this section, the underpayment of estimated tax shall be the excess of:

(a) The amount of the installment which would be required to be paid if the estimated tax were equal to the lowest of the payments required under subsection (2) of this section (and allowed to be made by the taxpayer under subsection (5) of this section), over

(b) The amount, if any, of the installment paid on or before the last date prescribed for payment.

(5) In the case of a large corporation, subsection (2)(b) of this section shall apply only to determine the amount of the first required installment for any taxable year. Any reduction in the first installment by reason of this subsection shall be added to the amount of the next required installment determined without regard to subsection (2)(b) of this section. For purposes of this subsection, a "large corporation" is any corporation that had federal taxable income, determined without regard to any amount carried to any of the three taxable years under section 172 or 1212(a) of the Internal Revenue Code, of \$1 million or more in any of the three taxable years immediately preceding the taxable year involved.

(6) The application of this section to taxable years of less than 12 months shall be in accordance with rules adopted by the Department of Revenue. [1973 c.292 §3; 1981 c.678 §5; 1982 s.s.1 c.16 §9; 1983 c.162 §78; 1985 c.603 §3; 1987 c.293 §61a; 1989 c.625 §63; 1995 c.556 §26; 1997 c.839 §57; 2001 c.660 §33]

DIVISION OF INCOME FOR TAX PURPOSES

(General Provisions)

314.605 Short title; construction. (1) ORS 314.605 to 314.675 may be cited as the

Uniform Division of Income for Tax Purposes Act.

(2) ORS 314.610 to 314.670 shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it. [1965 c.152 §§20,21]

314.606 Status of ORS 314.605 to 314.675 when in conflict with Multistate Tax Compact. In any case in which the provisions of ORS 314.605 to 314.675 are inconsistent with the provisions of ORS 305.655, the provisions of ORS 314.605 to 314.675 shall control. [1993 c.726 §20]

314.610 Definitions for ORS 314.605 to 314.675. As used in ORS 314.605 to 314.675, unless the context otherwise requires:

(1) "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, the management, use or rental, and the disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.

(2) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(3) "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(4) "Financial organization" means any financial institution or trust company, as those terms are defined in ORS 706.008, any industrial bank, land bank, safe deposit company, private banker, cooperative bank, investment company, or any type of insurance company.

(5) "Nonbusiness income" means all income other than business income.

(6) "Public utility" means any business entity whose principal business is ownership and operation for public use of any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, or the production, storage, transmission, sale, delivery, or furnishing of electricity, water, steam, oil, oil products or gas.

(7) "Sales" means all gross receipts of the taxpayer not allocated under ORS 314.615 to 314.645.

(8) "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof. [1965 c.152 §2; 1997 c.631 §452]

314.615 When allocation of income from business activity required. Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a financial organization or public utility or the rendering of purely personal services by an individual, shall allocate and apportion the net income of the taxpayer as provided in ORS 314.605 to 314.675. Taxpayers engaged in activities as a financial organization or public utility shall report their income as provided in ORS 314.280 and 314.675. [1965 c.152 §3; 2001 c.793 §6; 2001 c.933 §5]

314.620 When taxpayer is considered taxable in another state. For purposes of allocation and apportionment of income under ORS 314.280 and 314.605 to 314.675, a taxpayer is taxable in another state if:

(1) In that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) That state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not. [1965 c.152 §4]

(Allocation of Nonbusiness Income)

314.625 Certain nonbusiness income to be allocated. Rents and royalties from real or tangible personal property, capital gains, interest, dividends, patent or copyright royalties, or prizes awarded by the Oregon State Lottery, to the extent that they constitute nonbusiness income, shall be allocated as provided in ORS 314.625 to 314.645. [1965 c.152 §5; 1995 c.79 §155; 1999 c.143 §1]

314.630 Allocation to this state of net rents and royalties. (1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocable to this state (a) if and to the extent that the property is utilized in this state, or (b) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the

property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession. [1965 c.152 §6]

314.635 Allocation to this state of capital gains and losses. (1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if (a) the property had a situs in this state at the time of the sale, or (b) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Except in the case of the sale of a partnership interest, capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(4) Gain or loss from the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in the state to the original cost of partnership tangible property everywhere, determined at the time of the sale. In the event that more than 50 percent of the value of a partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest shall be allocated to this state in accordance with the sales factor of the partnership for its first full tax year immediately preceding its tax year during which the partnership interest was sold. [1965 c.152 §7; 1989 c.625 §64]

314.640 Allocation to this state of interest and dividends. Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state. [1965 c.152 §8]

314.642 Allocation to this state of lottery prizes. (1) Prizes awarded by the Oregon State Lottery are allocable to this state.

(2) A prize awarded by a multistate lottery association of which the Oregon State Lottery is a member is allocable to this state if the ticket upon which the prize is awarded was sold in this state. [1999 c.143 §2]

314.645 Allocation to this state of patent and copyright royalties. (1) Patent and copyright royalties are allocable to this state (a) if and to the extent that the patent or copyright is utilized by the payer in this state, or (b) if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fab-

rication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located. [1965 c.152 §9]

(Apportionment of Business Income)

314.647 Policy. The Legislative Assembly finds and declares it to be the policy of this state to carry out a comprehensive review of business income apportionment whenever federal legislation changes the nexus standard for state imposition of taxes based on business activity within state borders. [2001 c.793 §12]

Note: 314.647 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 314 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

314.650 Business income apportionment. All business income shall be apportioned to this state by multiplying the income by a multiplier equal to 80 percent of the sales factor plus 10 percent of the payroll factor. [1965 c.152 §10; 1989 c.626 §5; 1989 c.1088 §1; 1995 c.79 §156; 2001 c.793 §1]

Note 1: The amendments to 314.650 by section 1, chapter 739, Oregon Laws 2003, apply to tax years beginning on or after July 1, 2006. See section 2, chapter 739, Oregon Laws 2003. The text that applies to tax years beginning on or after July 1, 2006, is set forth for the user's convenience.

314.650. (1) All business income shall be apportioned to this state by multiplying the income by a multiplier equal to 90 percent of the sales factor plus five percent of the property factor plus five percent of the payroll factor.

(2)(a) Notwithstanding subsection (1) of this section, the business income of a taxpayer that is in the forest products industry, that owns and manages 300,000 or more acres in this state, but less than 400,000 acres, and that processes at least 20 percent of the taxpayer's total wood chip supply for papermaking from sawmill residue generated within this state, shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) If the denominator of the property factor, payroll factor or sales factor, as determined under ORS 314.650 to 314.665, is zero, then the denominator specified in paragraph (a) of this subsection shall be reduced by the number of factors with a denominator of zero.

Note 2: The amendments to 314.650 by section 5, chapter 739, Oregon Laws 2003, apply to tax years beginning on or after July 1, 2008. See section 6, chapter 739, Oregon Laws 2003. The text that applies to tax years beginning on or after July 1, 2008, is set forth for the user's convenience.

314.650. (1) All business income shall be apportioned to this state by multiplying the income by the sales factor.

(2)(a) Notwithstanding subsection (1) of this section, the business income of a taxpayer that is in the forest products industry, that owns and manages 300,000 or more acres in this state, but less than 400,000 acres, and that processes at least 20 percent of the taxpayer's total wood chip supply for papermaking from sawmill residue generated within this state, shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) If the denominator of the property factor, payroll factor or sales factor, as determined under ORS 314.650 to 314.665, is zero, then the denominator specified in paragraph (a) of this subsection shall be reduced by the number of factors with a denominator of zero.

314.655 Determination of property factor. (1) As used in ORS 314.650, the property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

(2) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(3) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the Department of Revenue may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property. [1965 c.152 §§11,12,13; 2001 c.793 §3; 2001 c.933 §2]

314.660 Determination of payroll factor. (1) As used in ORS 314.650, the payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the tax period.

(2) Compensation is paid in this state if:

(a) The individual's service is performed entirely within the state; or

(b) The individual's service is performed both within and without the state, but the service performed without the state is inci-

denal to the individual's service within the state; or

(c) Some of the service is performed in the state and (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state. [1965 c.152 §§14,15; 2001 c.793 §4; 2001 c.933 §3]

314.665 Determination of sales factor; inclusions and exclusions. (1) As used in ORS 314.650, the sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

(2) Sales of tangible personal property are in this state if:

(a) The property is delivered or shipped to a purchaser, other than the United States Government, within this state regardless of the f.o.b. point or other conditions of the sale; or

(b) The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and (A) the purchaser is the United States Government or (B) the taxpayer is not taxable in the state of the purchaser.

(3) Subsection (2)(b) of this section shall not apply to sales of tangible personal property if:

(a) The sales are included in the numerator of a formula used to apportion business income to another state of the United States, a foreign country or the District of Columbia; and

(b) The other state, a foreign country or the District of Columbia has imposed a tax on or measured by the apportioned business income.

(4) Sales, other than sales of tangible personal property, are in this state if (a) the income-producing activity is performed in this state; or (b) the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(5) Where the sales apportionment factor is determined by administrative rule pursuant to ORS 314.682, 314.684, 317.660 or other law, the Department of Revenue shall adopt rules that are consistent with the determination of the sales factor under this section.

(6) For purposes of this section, “sales”:

(a) Excludes gross receipts arising from the sale, exchange, redemption or holding of intangible assets, including but not limited to securities, unless those receipts are derived from the taxpayer’s primary business activity.

(b) Includes net gain from the sale, exchange or redemption of intangible assets not derived from the primary business activity of the taxpayer but included in the taxpayer’s business income.

(c) Excludes gross receipts arising from an incidental or occasional sale of a fixed asset or assets used in the regular course of the taxpayer’s trade or business if a substantial amount of the gross receipts of the taxpayer arise from an incidental or occasional sale or sales of fixed assets used in the regular course of the taxpayer’s trade or business. Insubstantial amounts of gross receipts arising from incidental or occasional transactions or activities may be excluded from the sales factor unless the exclusion would materially affect the amount of income apportioned to this state. [1965 c.152 §§16,17,18; 1993 c.813 §4; 1995 c.176 §1; 1999 c.143 §8; 2001 c.793 §5; 2001 c.933 §4]

**(Procedure Where Ordinary
Determination Not Satisfactory)**

314.670 Additional methods to determine extent of business activity in this state; rules. (1) If the application of the allocation and apportionment provisions of ORS 314.605 to 314.675 do not fairly represent the extent of the taxpayer’s business activity in this state, the taxpayer may petition for and the Department of Revenue may permit, or the department may require, in respect to all or any part of the taxpayer’s business activity:

(a) Separate accounting;

(b) The exclusion of any one or more of the factors;

(c) The inclusion of one or more additional factors which will fairly represent the taxpayer’s business activity in this state; or

(d) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer’s income.

(2) The department may adopt rules to promote uniformity and consistency with other states in the application of the Uniform Division of Income for Tax Purposes Act. [1965 c.152 §19; 1984 c.1 §17; 1995 c.79 §157; 1999 c.143 §9]

(Apportionment of Net Loss)

314.675 Apportionment of net loss; net loss deduction; limitations. If the operations of a taxpayer subject to ORS 314.280 or 314.615 result in a net loss, that net loss shall be apportioned in the same manner as the net income so as fairly and accurately to reflect the net loss of the business done within this state. The net loss applicable to Oregon income pursuant to this section shall then become the net loss deduction for subsequent years which may be deducted from apportioned net income in the same manner as set forth in the Personal Income Tax Act of 1969, and in ORS chapters 317 and 318. The limitations as to the amount deductible and the time limitations in those statutes shall apply to the apportioned net loss deduction computed pursuant to this section. [1965 c.152 §23; 1969 c.493 §89; 1983 c.162 §55]

**(Apportionment of Income
of Interstate Broadcasters)**

314.680 Definitions for ORS 314.680 to 314.690. As used in ORS 314.680 to 314.690, unless the context requires otherwise:

(1) “Broadcasting” means the activity of transmitting any one-way electronic signal by radio waves, microwaves, wires, coaxial cables, wave guides or other conduits of communications.

(2) “Gross receipts from broadcasting” means all gross receipts of an interstate broadcaster from transactions and activities in the regular course of its trade or business except receipts from sales of real or tangible personal property.

(3) “Interstate broadcaster” means a taxpayer that engages in the for-profit business of broadcasting to subscribers or to an audience located both within and without this state. The audience or subscribers ratio shall be determined by rule of the Department of Revenue. [1989 c.792 §3; 1995 c.79 §159]

314.682 Method of apportionment of interstate broadcaster income. (1) Notwithstanding any provisions of ORS 314.605 to 314.675 to the contrary, ORS 314.680, 314.684 and 314.686 shall apply to the apportionment of the income of an interstate broadcaster.

(2) Except as provided in subsection (1) of this section, all other provisions of ORS 314.605 to 314.675 shall apply to the apportionment of the income of an interstate broadcaster. [1989 c.792 §2; 1995 c.79 §160]

314.686 Determination of net income attributable to business done in state. If an interstate broadcaster has gross receipts from broadcasting, the determination of net income taxable by this state shall be based upon the business activity within this state, and the Department of Revenue shall require either the segregated method of reporting or the apportionment method of reporting described in ORS 314.680 to 314.690, under the rules adopted by the department, so as fairly and accurately to reflect the net income of the interstate broadcaster's business done within this state. [1989 c.792 §5; 1995 c.79 §161]

314.688 Rules. The Department of Revenue may adopt such rules as it deems necessary for the administration and enforcement of ORS 314.680 to 314.690. [1989 c.792 §6; 1995 c.79 §162]

(2) A partner's distributive share of an item of partnership income, gain, loss or deduction (or item thereof) shall be that partner's distributive share of partnership income, gain, loss or deduction (or item thereof) for federal income tax purposes as determined under section 704 of the Internal Revenue Code and adjusted for the modifications, additions and subtractions provided in this chapter and ORS chapters 316, 317 and 318.

[1989 c.625 §38; 1991 c.457 §20; 1995 c.556 §29]

[1989 c.625 §39]

314.723 Electing large partnerships subject to tax. (3) The amount of the penalty imposed under subsection (2) of this section shall be determined by the department by rule. However, the amount of the penalty imposed for each month shall not exceed the product of \$50 multiplied by the number of persons who were partners in the partnership during any part of the taxable year, and the total amount of the penalty shall not exceed five times the monthly penalty.

(4) The penalty imposed under this section is in addition to any other penalty provided by law. Any partnership against which a penalty is assessed under this section may appeal to the tax court as provided in ORS 305.404 to 305.560. If the penalty is not paid within 10 days after the order of the tax court becomes final, the department may record the order and collect the amount assessed in the same manner as income tax deficiencies are recorded and collected under ORS 314.430.

(5) The department may waive all or any part of the penalty imposed under this section if the failure was due to reasonable cause. [Formerly 316.467; 1995 c.650 §35]

314.726 Application of ORS 314.724. ORS 314.724 shall apply to both corporate and noncorporate partners. [1989 c.625 §34]

(2) Each item of shareholder income, gain, loss or deduction has the same character for a shareholder under this chapter and ORS chapter 316 as it has for federal income tax purposes. If an item is not characterized for federal income tax purposes, it has the same character for a shareholder as if realized directly from the source from which realized by the S corporation or incurred in the same manner as incurred by the S corporation.

(3) In any case where it is necessary to determine the gross income of a shareholder for purposes of ORS chapter 316, such gross income shall include the shareholder's pro rata share of the gross income of the S corporation.

(4) If any tax is imposed under ORS 314.740 for any taxable year on an S corporation, for purposes of subsection (1) of this section, the amount of each recognized built-in gain for such taxable year shall be reduced by its proportionate share of such tax.

(5) If any tax is imposed under ORS 314.742 on an S corporation, for purposes of subsection (1) of this section, each item of passive investment income shall be reduced by an amount which bears the same ratio to the amount of such tax as the amount of such item bears to the total passive investment income for the taxable year. (b) If the S corporation has Oregon sales for the tax year of \$1 million or more, \$500.

(2) The minimum tax is not apportionable, except in the case of a change of accounting periods. The minimum tax is payable in full for any part of a year during which an S corporation conducts business in this state.

(3) The minimum tax shall be due and payable on or before the 15th day of the month following the due date of the federal return of the S corporation for the tax year, and shall be reported and paid in the manner prescribed by the Department of Revenue by rule.

(c) If the S corporation apportions income using a method different than that prescribed by ORS 314.650 to 314.665, Oregon sales as defined by the Department of Revenue by rule. [2003 c.709 §31; 2003 c.736 §85]

Note: Chapter 709, Oregon Laws 2003, was referred to the people by referendum petition for their approval or rejection at a special election to be held throughout this state on February 3, 2004. (3) The tax imposed under subsection (1) shall be considered a tax imposed under ORS chapter 317 or 318, whichever is applicable, and shall be returned, estimated, assessed and collected and otherwise treated in the same manner as the tax imposed under ORS chapter 317 or 318. For purposes of determining the amount of any such loss which may be carried to any of the 15 subsequent taxable years, the amount of the net recognized built-in gain shall be treated as taxable income.

(5)(a) Except for estimated and other advance tax payments and except as provided under paragraph (b) of this subsection, no credits shall be allowed against the tax imposed under this section.

(b) Notwithstanding ORS 314.732 (2)(c), any credit carryforward under ORS chapter 317 or 318 arising in a taxable year for which the corporation was a C corporation shall be allowed as a credit against the tax imposed under this section in the same manner as if it were the tax imposed under ORS chapter 317 or 318.

(6) To the extent applicable, the definitions, special rules and interpretations and other provisions of section 1374 of the Internal Revenue Code that relate to the measurement of built-in gain shall apply to the tax imposed under this section. [1989 c.625 §46; 1997 c.839 §61]

314.742 Tax on excess net passive income. (1) If for the taxable year an S corporation has the following, then there is hereby imposed a tax on the income of such corporation for the taxable year:

(a) Accumulated earnings and profits at the close of the taxable year; and

(b) Gross receipts more than 25 percent of which are passive investment income.

(2) The tax imposed under subsection (1) of this section shall be computed by multiplying the excess net passive income by the rate specified under ORS 317.061.

(3) The tax imposed under subsection (1) shall be considered a tax imposed under ORS chapter 317 or 318, whichever is applicable, and shall be returned, estimated, assessed and collected and otherwise treated in the same manner as the tax imposed under ORS chapter 317 or 318. The allocation and apportionment of income rules of this chapter and ORS chapter 305 apply to the income subject to the tax imposed under this section. The proceeds from the tax shall be distributed in the same manner as the tax imposed under ORS chapter 317 or 318, whichever is applicable.

(4) Notwithstanding subsection (6) of this section, the amount of passive investment

income shall be determined by not taking into account any recognized built-in gain or loss of the S corporation for any taxable year in the recognition period. Terms used in the preceding sentence shall have the same respective meanings as when used in ORS 314.738.

(5) Except for estimated and other advance tax payments, no credits shall be allowed against the tax imposed under this section.

(6) To the extent applicable, the definitions, special rules and interpretations and other provisions of section 1375 of the Internal Revenue Code that relate to the measurement of excess net passive income shall apply to the tax imposed under this section.

(7) Section 1375(d) shall apply to the tax imposed under this section, except that "department" shall be substituted for the word "secretary" wherever that word appears. [1989 c.625 §47; 1997 c.839 §62]
