[1995 c.556 §56; 1997 c.133 §3]

(Generally)

657.150 Amount of benefits; length of employment and wages necessary to qualify for benefits; rules. (1) An individual shall be paid benefits for weeks during the benefit year in an amount which is to be determined by taking into account the individual's work in subject employment in the base year as provided in this section.

(2)(a) To qualify for benefits an individual must have:

(A) Worked in subject employment in the base year with total base year wages of \$1,000 or more and have total base year wages equal to or in excess of one and one-half times the wages in the highest quarter of the base year; and

(B) Have earned wages in subject employment equal to six times the individual's weekly benefit amount in employment for service performed subsequent to the beginning of a preceding benefit year if benefits were paid to the individual for any week in the preceding benefit year.

(b) If the individual does not meet the requirements of paragraph (a)(A) of this subsection, the individual may qualify for benefits if the individual has worked a minimum of 500 hours in employment subject to this chapter during the base year.

(3) If the wages paid to an individual are not based upon a fixed period of time or if wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, for the purposes of subsections (2) to (5) of this section, the individual's wages shall be allocated in accordance with rules prescribed by the Director of the Employment Department. Such rules shall, insofar as possible, produce results the same as those which would exist if the individual had been paid wages at regular intervals. The director may adopt rules to attribute hours of work to an individual if the individual is not paid on an hourly basis or if the employer does not report the number of hours worked.

(4) An eligible individual's weekly benefit amount shall be 1.25 percent of the total wages paid in the individual's base year. However, such amount shall not be less than the minimum, nor more than the maximum weekly benefit amount.

(a) The minimum weekly benefit amount shall be 15 percent (0.1500) of the state av-

erage weekly covered wage for the preceding calendar year, effective for any benefit year commencing on and after the week which includes July 4, 1975, and the week that includes each July 4 thereafter.

(b) The maximum weekly benefit amount shall be:

(A) Fifty-five percent (0.5500) of the state average weekly covered wage for calendar year 1979, effective for any benefit year commencing with and after the week which includes July 4, 1980, and through any benefit year commencing with the week which includes June 27, 1981.

(B) Fifty-five percent (0.5500) of the state average weekly covered wage for calendar year 1980, effective for any benefit year commencing with and after the week which includes July 4, 1981, through any benefit year commencing with the week which includes September 27, 1981.

(C) Fifty-eight percent (0.5800) of the state average weekly covered wage for calendar year 1980, effective for any benefit year commencing with and after the week which includes October 4, 1981, through any benefit year commencing with the week which includes June 27, 1982.

(D) Sixty percent (0.6000) of the state average weekly covered wage for calendar year 1981, effective for any benefit year commencing with and after the week which includes July 4, 1982, through any benefit year commencing with the week which includes June 27, 1983.

(E) Sixty-four percent (0.6400) of the state average covered weekly wage for the preceding calendar year, effective for any benefit year commencing with and after the week which includes July 4, 1983, and the week which includes each July 4 thereafter.

(c) All weekly benefit amounts, if not a multiple of \$1, shall be computed to the next lower multiple of \$1.

(d) For the purposes of this subsection, the state average weekly covered wage means an amount determined by the Employment Department by dividing the total wages paid by subject employers during the year by 52 times the average monthly employment reported by subject employers for the year.

(5) Benefits paid to an eligible individual in a benefit year shall not exceed 26 times the individual's weekly benefit amount, or one-third of the base year's wages paid, whichever is the lesser. If such amount is not a multiple of \$1, it shall be computed to the next lower multiple of \$1.

(6) An eligible unemployed individual who has employment in any week shall have

the individual's weekly benefit amount reduced by the amount of earnings paid or payable that exceeds whichever is the greater of the following amounts:

(a) Ten times the minimum hourly wage established by the laws of this state; or

(b) One-third of the individual's weekly benefit amount.

(7) Payment which has been, is or will be paid to an individual for a holiday or vacation shall be considered as earnings in the determination of the amount of benefits payable with respect to the week in which the holiday or vacation falls in the same manner as provided in subsection (6) of this section. However, if payment for the holiday or vacation is paid more than 45 days prior to the holiday or vacation or is delayed more than 45 days following the end of the week in which the holiday or vacation falls, the provisions of this section do not apply and previously reduced benefits shall be adjusted accordingly.

(8) Payment which has been, or will be made to an individual as a member of a reserve component of the Armed Forces of the United States, including the organized militia of the State of Oregon, for the performance of inactive duty training shall not be considered as earnings in the determination of the amount of benefits payable. 657.152 Adjusting benefits to even dollar amounts. Notwithstanding any other provision of this chapter to the contrary, any amount of unemployment compensation payable to any individual for any week if not an even dollar amount, shall be rounded to the next lower full dollar amount. [1983 c.51 §4]

657.155 Benefit eligibility conditions; rules. (1) An unemployed individual shall be eligible to receive benefits with respect to any week only if the Director of the Employment Department finds that:

(a) The individual has registered for work at and thereafter has continued to report at an employment office in accordance with such rules as the director may prescribe. However, the director may, by rule, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which the director finds that compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this chapter; provided, that no such rule conflicts with ORS 657.255.

(b) The individual has made a claim for benefits with respect to such week in accordance with ORS 657.260.

(c) The individual is able to work, is available for work, and is actively seeking and unable to obtain suitable work. No individual participating in a community work and training program, as defined in ORS 411.855, shall, solely by reason thereof, be unavailable for work within the meaning of this section.

(d) The individual has been unemployed for a waiting period of one week.

(e) The individual is not disqualified from benefits or ineligible for benefits under any other section of this chapter.

(f) The individual is qualified for benefits under ORS 657.150.

(2) An individual who leaves the normal labor market area of the individual for the major portion of any week is presumed to be unavailable for work within the meaning of this section. This presumption may be overcome if the individual establishes to the satisfaction of the director that the individual has conducted a bona fide search for work and has been reasonably accessible to suitable work in the labor market area in which the individual spent the major portion of the week to which the presumption applies.

(3) The director shall either promptly allow credit or pay benefits for any week for which benefits are claimed or promptly give notice of denial thereof in the manner provided in ORS 657.267 and 657.268. [Amended by 1955 c.655 §7; 1961 c.631 §8; 1967 c.130 §11; 1973 c.398 §1; 1977 c.295 §3; 1979 c.521 §1; 1993 c.778 §11]

657.156 Reemployment service assistance; eligibility; rules. (1) The Employment Department shall:

(a) Identify eligible individuals who are likely to exhaust benefits payable under ORS 657.150 and who will need reemployment service assistance to make a successful transition to new employment; and

(b) Refer individuals identified under paragraph (a) of this subsection for any reemployment services available under state or federal law. Such services may include job search assistance, job placement services, counseling, testing, providing occupational and labor market information, assessment and referrals to employers.

(2) An eligible unemployed individual shall be eligible to receive benefits with respect to any week only if the individual participates in reemployment services including but not limited to job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and to need reemployment services pursuant to a profiling system established by the Director

of the Employment Department, unless the director determines that:

(a) The individual has completed such services; or

(b) There is justifiable cause for the individual's failure to participate in such services.

(3) In adopting rules to carry out the provisions of this section, the director, insofar as practicable, shall comply with rules and policies of the United States Department of Labor. [1995 c.193 §2]

(c) "Self-employment assistance allowance" means an amount, payable in lieu of regular benefits under this chapter, to an individual participating in self-employment assistance activities in accordance with this section. The sum of the self-employed assistance allowance paid under this section and the regular benefits paid under this chapter with respect to any benefit year shall not exceed the maximum benefit amount payable under ORS 657.150 (5) with respect to that benefit year.

(3) The self-employment assistance allowance shall be payable to an individual at the same intervals and on the same terms and conditions as regular benefits under this chapter except that:

(a) The provisions of this chapter regarding being available for work, actively seeking work and refusing to accept suitable work are not applicable to such an individual.

(b) The provisions of ORS 657.150 (6) relating to remuneration for services performed are not applicable to income earned from self-employment by such an individual.

(c) An individual participating in self-employment assistance activities shall be considered to be unemployed under ORS 657.100.

(5) The self-employment assistance allowance shall be charged to employers in the manner provided in this chapter for the charging of regular benefits.

(6) In adopting rules to carry out the provisions of this section, the director, insofar as practicable, shall comply with rules and policies of the United States Department of Labor.

(7) The provisions of this section apply to weeks beginning after the date of enactment of federal law authorizing this section or the date of any required plan adopted by the United States Department of Labor, whichever date is later. The authority under this section terminates at the end of the week preceding the date when federal law no longer authorizes this section, unless that date is on a Saturday in which case the authority terminates on that date. 657.176 Grounds and procedure for disqualification; rules. (1) An authorized representative designated by the Director of the Employment Department shall promptly examine each claim to determine whether an individual is subject to disqualification as a result of a separation, termination, leaving, resignation, or disciplinary suspension from work or as a result of failure to apply for or accept work and shall promptly enter a director's decision if required by ORS 657.267. The authorized representative may address issues raised by information before the authorized representative, including but not limited to the nature of the separation, notwithstanding the way the parties characterize those issues.

(2) An individual shall be disqualified from the receipt of benefits until the individual has performed service in employment subject to this chapter, or for an employing unit in this or any other state or Canada or as an employee of the federal government, for which remuneration is received that equals or exceeds four times the individual's weekly benefit amount subsequent to the week in which the act causing the disqualification occurred, if the authorized representative designated by the director finds that the individual:

(a) Has been discharged for misconduct connected with work;

(b) Has been suspended from work for misconduct connected with work;

(c) Voluntarily left work without good cause;

(d) Failed without good cause to apply for available suitable work when referred by the employment office or the director;

(e) Failed without good cause to accept suitable work when offered;

(f) Has been discharged or suspended for being absent or tardy in reporting to work and the absence or tardiness occurred as a

result of the unlawful use of any drug unless the person was participating in a recognized drug rehabilitation program at the time of the absence or tardiness, or is so participating within 10 days of the date of the discharge or suspension, and the person provides to the Employment Department documentation of program participation. As used in this paragraph, "unlawful use" does not include the use of a drug taken under the supervision of a licensed health care professional and in accordance with the prescribed directions for consumption, or other uses authorized by the laws of this state;

(g) Has been discharged or suspended for being absent or tardy in reporting to work and the absence or tardiness occurred as the result of the use of alcohol on a second or any subsequent occasion within a period of 12 months unless the person was participating in a recognized alcohol rehabilitation program at the time of the absence or tardiness, or is so participating within 10 days of the date of the discharge or suspension, and the person provides to the department documentation of program participation; or

(h) Has committed a disqualifying act described in subsection (9) or (10) of this section.

(3) If the authorized representative designated by the director finds an individual was discharged for misconduct because of the individual's commission of a felony or theft in connection with the individual's work, all benefit rights based on wages earned prior to the date of the discharge shall be canceled if the individual's employer notifies the director of the discharge within 10 days following issuance of the notice provided for in ORS 657.265 or 30 days following issuance of the notice provided for in ORS 657.266, and:

(a) The individual has admitted commission of the felony or theft to an authorized representative of the director;

(4) An individual disqualified under subsection (2) of this section shall have the individual's maximum benefit amount reduced by eight times the individual's weekly benefit amount. (5) An individual shall not be disqualified from receiving benefits under subsection (2)(c) or (e) of this section or under ORS 657.200 if the individual ceases work or fails to accept work when a collective bargaining agreement between the individual's bargaining unit and the individual's employer is in effect and the employer unilaterally modifies the amount of wages payable under the agreement, in breach of the agreement.

(6) For purposes of applying subsection (2) of this section, when an individual has notified an employer that the individual will leave work on a specific date and it is determined:

(a) That such separation would be for reasons that constitute good cause;

(b) The individual voluntarily left work without good cause prior to the date of the impending good cause voluntary leaving date; and

(c) The actual voluntary leaving of work occurs no more than 15 days prior to the planned date of voluntary leaving,

then such separation from work shall be adjudicated as if the actual voluntary leaving had not occurred and the planned voluntary leaving had occurred. However, the individual shall be ineligible for benefits for the period including the week in which the actual voluntary leaving occurred through the week prior to the week of the planned good cause voluntary leaving date.

(7) For purposes of applying subsection (2) of this section, when an employer has notified an individual that the individual will be discharged on a specific date and it is determined:

(b) The individual voluntarily left work without good cause prior to the date of the impending discharge; and

(c) The voluntary leaving of work occurs no more than 15 days prior to the date of the impending discharge,

then such separation from work shall be adjudicated as if the voluntary leaving had not occurred and the discharge had occurred. However, the individual shall be ineligible for benefits for the period including the week in which the voluntary leaving occurred through the week prior to the week in which the individual would have been discharged.

(8) For purposes of applying subsection (2) of this section, when an individual has notified an employer that the individual will leave work on a specific date and it is determined:

(a) That such voluntary leaving would be for reasons that do not constitute good cause;

(b) The employer discharged the individual, but not for misconduct connected with work, prior to the date of the planned voluntary leaving; and

(c) The actual discharge occurs no more than 15 days prior to the planned voluntary leaving,

then such separation from work shall be adjudicated as if the discharge had not occurred and the planned voluntary leaving had occurred. However, the individual shall be eligible for benefits for the period including the week in which the actual discharge occurred through the week prior to the week of the planned voluntary leaving date.

(9)(a) For the purposes of subsection (2) of this section, an individual is considered to have committed a disqualifying act when the individual:

(B) This paragraph does not apply to an individual who has refused to enter into or has violated the terms of a last chance agreement with the employer.

(c) It is no defense or excuse under this section that the individual's separation resulted from alcohol use, marijuana use, unlawful drug use, alcoholism or drug addiction.

(d) The department shall adopt rules to carry out the provisions of this subsection.

(10) For the purposes of subsection (2) of this section, an individual is considered to have committed a disqualifying act when the individual voluntarily leaves work, fails to apply for available suitable work when referred by the employment office or the director or fails to accept suitable work when offered:

(a) Because the employer has or introduces a reasonable written drug-free workplace policy that is consistent with subsection (9)(a)(A) of this section;

(b) If the remuneration, hours or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality.

(2) When an employer operates two or more premises in the conduct of business they shall be considered one premises for the purposes of this chapter if the labor dispute at one makes it impossible or impractical to conduct work at the others or in a normal manner.

(3) This section does not apply if it is shown to the satisfaction of the director that the individual:

(a) Is unemployed due to a lockout, as defined in ORS 662.205, at the factory, establishment or other premises at which the individual was last employed; and

(A) The lockout is not the result of a labor dispute between a multiemployer bargaining unit and an employer other than the employer last employing the individual; and

(B) The recognized or certified bargaining agent has announced to the employer that individuals with whom the employer is engaged in the labor dispute are ready, willing and able to work pending the negotiation of a new contract under the current terms and conditions of employment last offered by the employer immediately prior to such bargaining agent announcement or, if there has been no employer offer, under the terms and conditions of employment immediately prior to such bargaining agent announcement; and

(C) The employer employs individuals who were not employed by the employer immediately prior to the labor dispute, to replace the individuals unable to work during the lockout; or

(2) In determining disqualification for any week under subsection (1) of this section, if the remuneration and payments referred to in subsection (1) of this section cover a period greater than and include such week, a pro rata share of such remuneration and payments shall be apportioned to such week or weeks. Except as provided in subsection (3) of this section, such payments made in a lump sum upon separation or in weekly or other installments shall be considered as payments with respect to weeks following separation without regard to the existence or lack thereof of an employee-employer relationship during the weeks such pay is allocated pursuant to rules of the Director of the Employment Department.

(3) An individual is not disqualified for benefits and the director may not reduce benefits under this section to an individual who:

(a) If otherwise eligible, is entitled to benefits for any week;

(5) If under this section the remuneration and payments, or the pro rata share thereof, in any week are less than the benefits which would otherwise be due under this chapter for such week, such individual is entitled to receive for such week, if otherwise eligible, benefits reduced by the amount of such remuneration and payments. However, if the appropriate agency of such other state, the United States or any other governmental jurisdiction finally determines that the individual is not entitled to such unemployment benefits, this disqualification shall not apply. [Amended by 1979 c.267 §3]

657.213 Ineligibility for benefits upon conviction of fraud in obtaining benefits. (1) Upon conviction of any person by a court of competent jurisdiction of willfully making a false statement or misrepresentation, or willfully failing to report a material fact, to obtain any benefits under this chapter, in addition to any penalties imposed by the court, such person shall:

(a) Be ineligible for benefits based upon wages paid to the person in the calendar quarter in which the person was convicted and in all prior calendar quarters; and

The length of such period of disqualification and the time when such period begins shall be determined by the director in the discretion of the director, according to the circumstances in each case. During each week of disqualification so imposed, an individual must meet all the eligibility requirements of this chapter. Any disqualification imposed under this section may be applied to any week claimed but remaining unpaid on the date of the disqualifying decision under this section but not to exceed three years from the date of the decision. The director may cancel such disqualification wholly or in part as the director deems proper and equitable. [Amended by 1977 c.295 §5]

However:

(a) Benefits shall not be paid on the basis of such services for any week of unemployment that commences during a period between two successive academic years or terms if the individual performs such services in the first academic year or term and there is a reasonable assurance that the individual will perform any such services in the second academic year or term for any institution; except that

(b) If benefits are denied to an individual for any week under paragraph (a) of this subsection and such individual was not offered an opportunity to perform such services for the institution for the second of such academic years or terms, such individual shall be entitled, if otherwise eligible, to payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of paragraph (a) of this subsection.

(b) In the event the institution does not extend to the individual an offer of work or provide a reasonable assurance the individual is expected to return to work for the institution following the period between the academic years or terms, the separation from work shall be considered an involuntary leaving or layoff.

(3) With respect to any services described in subsection (1) of this section, compensation payable on the basis of such services shall be denied to any individual for any week that commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is reasonable assurance that such individual will perform such services or any services described in ORS 657.167 (1) in the period immediately following such vacation period or holiday recess.

(4) With respect to any services described in subsection (1) of this section, benefits based on such services shall be denied as specified in subsections (1) and (3) of this section to any individual who performed such services in an institution while in the employ of an education service district established by ORS chapter 334, providing 50 percent or more of the individual's time is in the performance of services in such institution.

(3) The director shall make available to claimants, a printed statement that it is an unlawful employment practice for an employer to discharge, demote, suspend or in any manner discriminate or retaliate against an employee with regard to promotion, compensation or other terms, conditions or privileges of employment for the reason that the employee has testified at an unemployment compensation hearing or other hearing conducted pursuant to this chapter.

(4) Every person making a claim shall certify that the person has not, during the week with respect to which benefits are claimed, received or earned wages or compensation for any employment, whether sub-

ject to this chapter or not, otherwise than as specified in the claim. [Amended by 1973 c.300 §7; 1983 c.409 §2; 1985 c.404 §4]

657.265 Notice of claim filing to employing units. When a claimant files an initial claim or an additional claim, the Employment Department promptly shall give written notice of the claim filing to the claimant's most recent employing unit. If the claimant did not receive or will not receive remuneration in an amount greater than or equal to four times the claimant's weekly benefit amount from the claimant's most recent employing unit, the Employment Department shall notify the claimant's next previous employing unit or units until the Employment Department has notified those of the claimant's former employing units which, in the aggregate, have paid or will pay the claimant remuneration in an amount which is equal to or exceeds four times the claimant's weekly benefit amount. [Amended by 1961 c.252 §3; 1965 c.210 §1; 1967 c.435 §3; 1969 c.597 §177; 1971 c.77 §1; 1975 c.257 §6; 1977 c.295 §6; 1981 c.77 §11; 1981 c.751 §3; 1983 c.395 §1; 1983 c.508 §7; 1983 c.522 §1; 1993 c.778 §4]

657.266 Initial determination of eligibility and amount of benefits; notice to affected parties; cancellation of determination; determination becomes final when hearing not requested. (1) An authorized representative shall promptly examine each new claim for benefits and, on the basis of information available, determine the total amount of wages paid to the claimant during the base year and whether or not such amount is sufficient to qualify the claimant for benefits and, if so, the weekly benefit amount payable to the claimant, the maximum amount payable with respect to such benefit year and the maximum duration thereof. The initial determination under this section shall be applicable to all weeks of the benefit year respecting which the claim was filed; however, such determination may be amended with respect to any week or weeks of the benefit year.

(2) The Director of the Employment Department shall promptly give notice of an initial determination under this section to the claimant and to any employers that have paid wages to the claimant during the base year. Initial notice to a base-year employer shall include notice of the potential charges to the employer's account under ORS 657.471.

(3) The director shall promptly give notice of an amended determination under this section to the claimant and to all employers that have paid wages to the claimant during the base year and that are affected by the amended determination.

(4) An initial or amended determination may be canceled by the claimant at any time

even though final, providing no disqualification has been assessed, no appeal of a disqualification or denial has been requested by the claimant nor benefits paid on such claim.

(5) Unless the claimant or a base-year employer files a request for hearing on the initial or amended determination with the director, the determination shall become final and the Employment Department shall pay or deny benefits in accordance with the determination, unless otherwise provided by law. The request for hearing must be filed not later than 10 days after the delivery of the initial or amended determination unless the Employment Department mails the determination, in which case the request for hearing must be filed not later than 10 days after the date the determination is mailed to the last-known address of the claimant and the base-year employer. [1993 c.778 §6; 2001 c.101 §1]

657.267 Allowing or denying claim; notice of denial; amended determination; appeal. (1) An authorized representative shall promptly examine each claim for waiting week credit or for benefits and, on the basis of the facts available, make a decision to allow or deny the claim. Information furnished by the claimant, the employer or the employer's agents on forms provided by the Employment Department pursuant to the authorized representative's examination shall be accompanied by a signed statement that such information is true and correct to the best of the individual's knowledge. Notice of the decision need not be given to the claimant if the claim is allowed but, if the claim is denied, written notice shall be given to the claimant. If the claim is denied, the written notice shall include a statement of the reasons for denial, and if the claim is denied under any provision of ORS 657.176, the notice also shall set forth the specific material facts obtained from the employer and used by the authorized representative to support the reasons of the denial. The written notice shall state the reasons for the decision.

(2) If the claim is denied under any provision of ORS 657.176, written notice of such decision shall be given to the employing unit which, in the opinion of the Director of the Employment Department, is most directly involved with the facts and circumstances relating to the disqualification.

(3) Notice of a decision that was wholly or partially based on information filed with the director in writing within 10 days after the notice provided for in ORS 657.265 shall be given to any employing unit that has so filed such information.

(4) If a decision to allow payment made pursuant to this section does not require notice, that decision may be amended by an

authorized representative. The amendment shall be made by written notice which provides for a right of appeal pursuant to ORS 657.269. The amendment must be issued within one year of the original decision to allow payment, except in cases of alleged willful misrepresentation or fraud. A decision requiring notice, made pursuant to this section, may be amended unless it has become a final decision under ORS 657.269. [1993 c.778 §7; 1997 c.59 §1]

657.268 Filing information on issues not previously decided; claim reexamination; notice of reasons for decision. When a base-year employer files information in writing with the Director of the Employment Department within 10 days of its knowledge of an occurrence raising any issue not previously decided based upon specific investigation, an authorized representative shall promptly reexamine the subject claim for waiting week credit or for benefits. On the basis of the facts available, the authorized representative shall promptly make a decision. Written notice stating the reasons for the decision shall be given to both the claimant and the base-year employer that has filed such information. [1993 c.778 §8]

657.269 Decision becomes final without request for hearing. Unless the claimant or one of the employing units entitled to notice under ORS 657.267 or 657.268 within 20 days after delivery of such notice or, if mailed, within 20 days after the same was mailed to the party's last-known address, files with the Director of the Employment Department a request for hearing upon the decision, it shall be final and benefits shall be paid or denied in accordance therewith, unless otherwise provided by law. If the decision is to allow benefits, the director shall pay such benefits regardless of any pending hearing on the claim. [1993 c.778 §9]

657.270 Hearing; application for review; dismissal of request for hearing. (1) When a request for hearing upon the claim has been filed, as provided in ORS 657.266 to 657.269, an administrative law judge from the Office of Administrative Hearings established under ORS 183.605 shall be assigned to conduct such hearing. The Director of the Employment Department shall notify the parties, in plain language, of their right, upon their request, to receive by mail copies of all documents and records in the possession of the Employment Department relevant to the decision of the authorized representative, including any statements of the claimant, employer or employer's agents.

(2) When the hearing is conducted by telephone, the director shall mail all parties copies of all documents and records in the possession of the director that will be intro-

duced at the hearing as exhibits, including any statements of the claimant, employer or employer's agents, and all jurisdictional documents, at least seven days prior to the hearing. A party may request that the hearing be continued in order to receive copies of and respond to documentary evidence introduced at the hearing and not mailed to the party prior to the hearing.

(3) After the administrative law judge has given all parties reasonable opportunity for a fair hearing, the administrative law judge shall promptly affirm, modify or set aside the decision of the authorized representative with respect to the claim. The administrative law judge promptly shall notify all parties entitled to notice of the decision of the authorized representative, as set forth in ORS 657.266 to 657.269, of the administrative law judge's decision, including a dismissal of the request for hearing as provided in subsection (6) of this section, and reasons therefor. The administrative law judge may address issues raised by evidence in the record, including but not limited to the nature of the separation, notwithstanding the scope of the issues raised by the parties or the arguments in a party's request for hearing.

(4) Except as provided in subsection (6) of this section, unless the director or any other party to the hearing, within 20 days after the delivery of such notification, or if mailed, within 20 days after the same was mailed to the party's last-known address, files with the Employment Appeals Board an application for review, such decision shall be final.

(5) When the claimant or the employer is unrepresented at the hearing, the administrative law judge shall explain the issues involved in the hearing and the matters that the unrepresented claimant or the employer must either prove or disprove. The administrative law judge shall ensure that the record developed at the hearing shows a full and fair inquiry into the facts necessary for consideration of all issues properly before the administrative law judge in the case. As used in this section, a claimant or employer is "unrepresented" if not represented by an attorney, paralegal worker, legal assistant, union representative or person otherwise qualified by experience or training.

(6)(a) The administrative law judge may dismiss a request for hearing under subsection (1) of this section when:

(A) The request for hearing is withdrawn by the requesting party;

(B) In response to a request by the administrative law judge or the administrative law judge's designee, the requesting party fails to provide, in a timely manner, the in-

formation necessary to allow the matter to be scheduled for hearing;

(C) The requesting party fails to appear at the time of the hearing;

(D) The issues are resolved by cancellation or amendment of the decision that is the subject of the hearing request;

(E) The requesting party fails to file the request for hearing within the time allowed by statute or rule and fails to show good cause for the delay;

(F) The request for hearing is filed prior to the date of the written decision or written determination that is the subject of the request; or

(G) The request for hearing is made by a person who is not entitled to a hearing or is not the authorized representative of a party who is entitled to a hearing.

(b) A dismissal by the administrative law judge under this subsection is final unless the party whose request for hearing has been dismissed files, within 20 days after the dismissal notice was mailed to the party's last-known address, an application for review as provided under this chapter.

(c) Notwithstanding paragraph (b) of this subsection, a requesting party whose request has been dismissed because that party failed to appear as provided in paragraph (a)(C) of this subsection may file a request to reopen the hearing. [Amended by 1965 c.210 §2; 1969 c.597 §178; 1973 c.300 §8; 1981 c.77 §12; 1983 c.395 §2; 1985 c.404 §1; 1993 c.778 §13; 1999 c.849 §122; 1999 c.1067 §§3,5; 2003 c.75 §49; 2003 c.197 §5]

657.273 Restriction on use of findings, orders and judgments in other proceedings. Notwithstanding ORS 43.130 and 43.160, the decisions, findings, conclusions, final orders and judgments that arise out of hearings under ORS 657.270, review proceedings under ORS 657.275 and judicial review proceedings under ORS 657.282:

(1) May not be used for the purpose of claim preclusion or issue preclusion in any other action or proceeding except an administrative or civil action or proceeding under this chapter; and

(2) Are not admissible as evidence in any other civil action or proceeding other than civil actions or proceedings under this chapter or in determination of eligibility for public assistance or food stamp benefits under ORS chapters 411 and 418. [1995 c.105 §3; 1997 c.581 §42]

Note: 657.273 was added to and made a part of ORS chapter 657 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

657.275 Review by Employment Appeals Board. (1) If the Director of the Employment Department or any interested party

files with the Employment Appeals Board a timely application for review, the board shall promptly affirm, modify or set aside the decision of the administrative law judge. The board shall promptly notify the claimant and any other interested party of its decision. If the board finds that additional evidence is required to reach a decision, it may remand the matter to the administrative law judge to conduct a hearing to obtain additional evidence in the matter. The board shall promptly notify the claimant and any other interested party of such action. The administrative law judge may either make a new decision based on the additional and original evidence or forward the additional evidence to the board for a decision. If the administrative law judge issues a new decision, it shall be subject to review in accordance with the provisions of ORS 657.270 (4).

(2) The board shall perform de novo review on the record. The board may address issues raised by evidence in the record, including but not limited to the nature of a separation, notwithstanding the scope of the issues raised by the parties, the arguments set forth in a party's application for review or the parties' written or oral arguments. The board may enter its own findings and conclusions or may adopt the findings and conclusions of the administrative law judge, or any part thereof. When there is evidence in the record both to make more probable and less probable the existence of any basic fact or inference, the board need not explain its decision to believe or rely on such evidence unless the administrative law judge has made an explicit credibility determination regarding the source of such facts or evidence. The board is not required to give any weight to implied credibility findings. The decision of the board shall become the final order unless a petition for judicial review is filed in accordance with ORS 657.282. [Amended by 1959 c.583 §18; 1965 c.210 §3; 1983 c.522 §2; 1985 c.404 §2; 1991 c.328 §1; 1993 c.344 §23; 1999 c.849 §125; 1999 c.1067 §7; 2003 c.75 §101]

657.280 General procedure and records concerning disputed claims. (1) The manner in which disputed claims shall be presented and the reports thereon required from the claimant and from the employers shall be in accordance with the regulations prescribed by the Director of the Employment Department.

(2) A full and complete record shall be kept of all proceedings in connection with the disputed claim. All testimony at any hearing upon a disputed claim shall be recorded but need not be transcribed unless the disputed claim is appealed further. [Amended by 1983 c.522 §3; 1999 c.849 §§127,128; 2003 c.75 §50]

657.282 Judicial review of decisions under ORS 657.275. Judicial review of decisions under ORS 657.275 shall be as provided for review of orders in contested cases in ORS chapter 183, except that the petition shall be filed within 30 days after the order is served. The Director of the Employment Department may file petition for judicial review in accordance with this section from decisions of the Employment Appeals Board. [1971 c.734 §94; 1983 c.522 §4]

657.285 [Amended by 1959 c.583 §19; repealed by 1971 c.734 §21]

657.290 Continuous jurisdiction of director; reconsideration of previous decisions. (1) The Director of the Employment Department, upon motion of the director or upon application of any party to a claim for benefits, may at any time reconsider any final decision under this chapter. Reconsideration may occur when there is evidence of:

- (a) Errors of computation;
- (b) Clerical errors;
- (c) Misinformation provided a party by the Employment Department;
- (d) Facts not previously known to the department; or
- (e) Errors caused by misapplication of law by the department.

(2) Such reconsideration shall be accomplished by the director or any employee the director may designate for the purpose, in accordance with such regulations as the director may prescribe, and may include the making of a new decision which, if made, shall award, deny, terminate, continue, increase or decrease benefits to the extent found necessary and appropriate for the correction of previous error respecting such benefits. However, any such new decision shall be subject to hearing, review and appeal in accordance with ORS 657.265, 657.266 to 657.269 and 657.270 to 657.282.

(3) The Employment Appeals Board upon its own motion or upon application of any party in interest may in its discretion at any time after the same was made and irrespective of whether it has become final under this chapter, reconsider any previous decision of the Employment Appeals Board. Such reconsideration shall be accomplished by the Employment Appeals Board or special referee designated for the purpose and may include the making of a new decision to the extent necessary and appropriate for the correction of previous error of fact or law. Such new decision shall be subject to judicial review in accordance with ORS 657.282. [Amended by 1959 c.583 §20; 1961 c.252 §4; 1965 c.210 §4; 1975 c.257 §7; 1983 c.522 §5; 1985 c.565 §88; 1993 c.778 §10]

657.295 Witness fees; disputed claim expenses; counsel; fees. (1) Witnesses other than parties subpoenaed pursuant to ORS 657.265, 657.266 to 657.269, 657.270 to 657.280 or 657.290 shall be allowed fees at a rate fixed by the Director of the Employment Department. Such fees and all expenses of proceedings before the director or the Employment Appeals Board involving disputed claims, excepting charge for services rendered by counsel or other agent representing the claimant, employer or other interested person, are deemed a part of the expense of administering this chapter, and no individual claiming benefits shall be charged fees of any kind in any proceedings under this chapter by the director or representatives of the director.

(2) Notwithstanding any other law, a person in any proceeding before the director or Employment Appeals Board may be represented by counsel or other agent authorized by such person. No such counsel or agent representing an individual who is claiming benefits shall charge or receive for such services more than an amount approved by the director. As used in this subsection, "person" has the meaning defined in ORS 174.100 and also includes this state and all political subdivisions therein. [Amended by 1959 c.583 §2; 1969 c.161 §1; 1983 c.147 §1; 1993 c.778 §14]

657.300 False statements or failure to report material fact by employer. No employer or employer's agent shall intentionally and willfully make or cause to be made false statements or willfully fail to report a material fact regarding the claim of a claimant or regarding a claimant or claimant's eligibility for benefits under this chapter. [Amended by 1983 c.395 §3; 1985 c.748 §3]

657.305 [Amended by 1955 c.655 §16; repealed by 1971 c.743 §432]

657.310 Recovery or deduction of benefits paid because of misrepresentation by recipient. (1) Any person who makes, or causes to be made, a false statement or representation of, or fails to disclose, a material fact, and as a result thereof has received any amount as benefits under this chapter to which the person was not entitled shall, irrespective of the knowledge or intent of the person, if the existence of such nondisclosure or misrepresentation has been found in connection with a decision which was made and has become final pursuant to this chapter, be liable to repay such amount to the Director of the Employment Department for the fund or to have such amount deducted from any future benefits payable to the person under this chapter.

(2) No decision shall be construed to authorize the recovery of the amount of any benefits paid to a claimant unless such deci-

sion specifies that the claimant is liable to repay the same to the fund by reason of the nondisclosure or misrepresentation of a material fact, the nature of such nondisclosure or misrepresentation, and the week or weeks for which such benefits were paid, nor until such decision has become final.

(3) Any amount subject to recovery under this section may be collected by the Director of the Employment Department in a civil action against the individual brought in the name of the director and judgment rendered shall bear interest at the rate provided in subsection (4) of this section. The amount subject to repayment collected shall be paid into the Unemployment Compensation Trust Fund.

(4) Interest on any amount liable to be repaid under this section shall be paid and collected at the same time repayment of benefits is made by the individual to the Unemployment Compensation Trust Fund, at the rate of one percent per month beginning on the first day of the month following 60 days after the finality of the administrative decision establishing the overpayment. In computing interest under this subsection, a fraction of a month shall be counted as a full month.

(5) Offsets from unemployment insurance benefits shall be applied solely to the amount of the benefits liable to be repaid under this section. All other payments shall be applied first to court costs, then to interest, then to the amount liable to be repaid.

(6) Interest collected pursuant to this section shall be paid into the Employment Department Special Fraud Control Fund in accordance with the provisions of ORS 657.400. [Amended by 1963 c.14 §1; 1997 c.372 §1]

657.315 Recovery or deduction of benefits paid erroneously. (1) If it is determined by the Director of the Employment Department that an individual has been paid benefits to which the individual was not entitled because:

(a) Of any error not due to the misrepresentation or nondisclosure of a material fact by the individual; or

(b) An initial decision to pay benefits is subsequently reversed by a decision finding the individual was not eligible for such benefits, and the decision establishing the erroneous payment of benefits has become final; the individual shall be liable to have a like amount deducted from any benefits otherwise payable to the individual pursuant to this chapter during the benefit year within which the unauthorized or improper amount was paid. If the amount paid in error is not repaid or recovered within the individual's benefit year as specified above, the amount,

or any balance thereof, may be deducted from benefits otherwise payable to the individual for any week or weeks within 52 weeks following the week in which the decision establishing the erroneous payment became final.

(2) Amounts paid to an individual in excess of the maximum benefits allowable pursuant to this chapter may be recovered in a civil action brought in the name of the director for such purpose. [Amended by 1971 c.77 §2; 1975 c.284 §3; 1977 c.400 §6; 1993 c.778 §18]

657.317 Waiving recovery of benefits; effect of finding of noncompliance with federal law. (1) The Director of the Employment Department shall waive recovery of benefits under ORS 657.315 if the director finds that the benefits are recoverable due to a change in federal or state law, the application of which has caused the disqualification of benefits previously paid.

(2) If the United States Secretary of Labor serves notice that the provisions of subsection (1) of this section fail to meet the requirements of the Social Security Act or the Federal Unemployment Tax Act then subsection (1) of this section shall no longer be of any force or effect.

(3) The director may waive establishment and recovery of overpaid benefits when no decision has been issued under ORS 657.310 or 657.315 and the amount of the overpayment is less than one-half of the maximum weekly benefit amount in effect at the time the overpayment is discovered. [1983 c.528 §§6,7; 1995 c.105 §7]

657.320 Cancellation of unrecoverable benefits. (1) If any amount paid to an individual as benefits, for which the individual has been found liable under the provisions of ORS 657.310 to repay or to have deducted from benefits payable, has neither been repaid nor so deducted within a period of three years following the date the decision establishing the improper payment became final, and is equal to or is less than the state maximum weekly benefit amount or determined by the Director of the Employment Department to be uncollectible, the same together with the record thereof and the resulting shortage, shall be canceled, and such amount, excluding any amount chargeable to reimbursable employers, shall be permanently charged to the fund. However, such amount shall not be canceled if the debt is being recovered by payments or deductions which were received within the last three months nor if repayment of such overpayment is required under ORS 657.213.

(2) If an amount paid to an individual as benefits, for which the individual has been found liable under the provisions of ORS

657.315 (1) to have deducted from benefits payable, has neither been repaid nor so deducted from benefits otherwise payable to the individual for any week or weeks within 52 weeks following the week in which the decision establishing the improper payment became final, the same together with the record thereof and the resulting shortage, shall be canceled and such amount, excluding any amount chargeable to reimbursable employers, shall be permanently charged to the fund.

(3) When in the judgment of the director the best interests of the Employment Department are served in an effort to settle accounts, the director may waive, reduce or compromise any part or all of the interest charged pursuant to ORS 657.310. The director may determine that the amount of interest due and unpaid is uncollectible, and write such amount off. In making the determination that interest is uncollectible, the director shall consider, among other factors:

(a) The administrative costs of continued collection efforts in relation to the amount due;

(b) The accessibility of the debtor for effective collection actions; and

(c) The debtor's financial condition and ability to pay the amount due, both current and projected. [Amended by 1977 c.294 §5; 1983 c.146 §1; 1997 c.372 §3]

(4) There is a state “off” indicator for any week for which the director determines in accordance with regulations of the United States Secretary of Labor that for the period consisting of such week and the immediately preceding 12 weeks, none of the options specified in subsection (3) of this section results in an “on” indicator.

(5) “Rate of insured unemployment,” for the purpose of subsections (3) and (4) of this section, means the percentage derived by dividing:

(a) The average weekly number of regular continued weeks of unemployment claimed by individuals in this state with respect to the most recent 13-consecutive-week period, as determined by the director on the basis of reports to the United States Secretary of Labor, by

(b) The individual’s benefit year having expired prior to such week, has no, or insufficient wages and employment to establish a new benefit year that would include such week; and

(c) Has no right to unemployment benefits or allowances under the Railroad Unemployment Insurance Act and such other federal laws as are specified in regulations issued by the United States Secretary of Labor; and

(11) “High unemployment period” means any period during which an extended benefit period would be in effect if subsection (3)(c)(A) of this section were applied by substituting “eight percent” for “6.5 percent.” [1971 c.2 §2; 1974 s.s. c.46 §1; 1977 c.228 §1; 1979 c.267 §4; 1982 s.s.1 c.30 §1; 1993 c.200 §3; 2003 c.14 §401]

657.323 ORS 657.321 to 657.329 supersede inconsistent provisions of this chapter. The provisions of this chapter relating to the payment of regular benefits shall apply to claims for and the payment of extended

benefits, except when the result would be inconsistent with the provisions of ORS 657.321 to 657.329. [1971 c.2 §3]

657.325 Eligibility for extended benefits. (1) An individual shall be eligible to receive extended benefits with respect to any week of unemployment in the individual's eligibility period only if the Director of the Employment Department finds that with respect to such week the individual:

(a) Is an exhaustee;

(b) Has satisfied the requirements of this chapter for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; and

(c) Has been paid wages by an employer or employers subject to the provisions of this chapter during the base period of the individual's applicable benefit year in an amount equal to or in excess of 40 times the individual's applicable weekly benefit amount.

(2) The weekly extended benefit amount payable to an individual for a week of total unemployment in the individual's eligibility period shall be an amount equal to the weekly benefit amount payable to the individual during the applicable benefit year.

(3) The maximum extended benefit amount payable to any eligible individual with respect to the applicable benefit year shall be:

(a) 50 percent of the total amount of regular benefits which were payable to the individual under this chapter in the applicable benefit year; or

(b) With respect to weeks beginning in a high unemployment period, 80 percent of the total amount of regular benefits which were payable to the individual under this chapter in the applicable benefit year.

(4) Notwithstanding subsection (1) of this section, extended benefits shall not be payable to any individual for any week pursuant to an interstate claim filed in any other state under the interstate benefit payment plan if an extended benefit period is not in effect for such week in such other state.

(5) The provisions of subsection (4) of this section shall not apply with respect to the first two weeks for which extended benefits would otherwise be payable to an individual pursuant to an interstate claim filed under the interstate benefit payment plan.

(6) Notwithstanding the provisions of subsections (1) to (5) and (12) of this section, an individual shall be ineligible for payment of extended benefits for any week of unemployment in the individual's eligibility period if the director finds that during such week:

(a) The individual failed to accept any offer of suitable work or failed to apply for any suitable work, as defined under subsection (8) of this section, to which the individual was referred by the director; or

(b) The individual failed to actively engage in seeking work as prescribed under subsection (10) of this section.

(7) Any individual who has been found ineligible for extended benefits by reason of the provisions in subsection (6) of this section shall also be denied benefits beginning with the first day of the week following the week in which such failure occurred and until the individual has been employed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration equal to not less than four times the extended weekly benefit amount.

(8)(a) For purposes of this section, the term "suitable work" means, with respect to any individual, any work which is within such individual's capabilities, provided, however:

(A) That the gross average weekly remuneration payable for the work must exceed the sum of the individual's weekly benefit amount and the amount, if any, of supplemental unemployment benefits, as defined in section 501(c)(17)(D) of the Internal Revenue Code of 1954, payable to such individual for such week; and

(B) The work must pay wages which equal or exceed the higher of the state or local minimum wage or the minimum wage provided by section 6 (a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption;

(b) No individual shall be denied extended benefits for failure to accept an offer of or referral to any job which meets the definition of suitability as described herein if:

(A) The position was not offered to such individual in writing or was not listed with the Employment Department; or

(B) Such failure could not result in a denial of benefits under the definition of suitable work for regular benefit claimants pursuant to ORS 657.190 to the extent that the criteria of suitability are not inconsistent with the provisions of this section; or

(C) The individual furnishes satisfactory evidence to the director that the individual's prospects for obtaining work in the individual's customary occupation within a reasonably short period are good. If such evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such individual shall be made in accordance with the definition of suitable work in ORS 657.190 without regard to the definition specified in this subsection.

(9) Notwithstanding the provisions of subsection (8) of this section to the contrary, no work shall be deemed to be suitable work for an individual which does not accord with the labor standard provisions required by section 3304(a)(5) of the Internal Revenue Code of 1954 and as set forth in ORS 657.195.

(10) For the purposes of subsection (6)(b) of this section, an individual shall be treated as actively engaged in seeking work during any week if:

(a) The individual has engaged in a systematic and sustained effort to obtain work during such week; and

(b) The individual furnishes tangible evidence of engaging in such effort during such week.

(11) The Employment Department shall refer any claimant entitled to extended benefits to any suitable work which meets the criteria prescribed in subsection (8) of this section.

(12) An individual shall not be eligible to receive extended benefits under this section if the individual has been disqualified for regular or extended benefits under ORS 657.176 (2) unless the individual has satisfied the disqualification as provided in ORS 657.176 (2).

(13) Subsections (6) to (11) of this section shall not apply to weeks of unemployment beginning after March 6, 1993, and before January 1, 1995. [1971 c.2 §4; 1981 c.46 §2; 1981 c.564 §1; 1982 s.s.1 c.30 §2; 1983 c.508 §8; 1993 c.200 §4]

657.326 Adjustment of extended benefits to be received when benefit year ends within extended benefit period. Notwithstanding any other provisions of this chapter, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this section, be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero) by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount. [1982 s.s.1 c.30 §5]

657.327 Notice of effectiveness of extended benefits; employers not to be charged for extended benefits. (1) Whenever an extended benefit period is to become effective in this state as a result of a state "on" indicator, or an extended benefit period is to be terminated in this state as a result of a state "off" indicator, the Director of the Employment Department shall make an appropriate public announcement.

(2) No employer's account shall be charged for extended benefits paid to an unemployed individual pursuant to the provisions of ORS 657.321 to 657.329. [1971 c.2 §5; 1982 s.s.1 c.30 §3]

657.329 Applicability of ORS 657.321 to 657.329. ORS 657.321 to 657.329 shall apply to individuals meeting the requirements thereof for the week ending January 16, 1971, and any week thereafter. [1971 c.2 §6]

657.330 [1969 c.156 §2; 1971 c.82 §1; renumbered 657.337 in 1989]

(Additional Benefits)

657.331 "Additional benefits" and "additional benefit period" defined. (1) As used in ORS 657.331 to 657.334:

(a) "Additional benefits" means benefits totally financed by the state and payable under this chapter to exhaustees by reason of conditions of high unemployment.

(b) "Additional benefit period" means a period not within an extended benefit period that:

(A) Begins with the third week after a week for which there is a state additional benefits "on" indicator; and

(B)(i) Ends with the second week after the first week for which there is a state "on" indicator as defined in ORS 657.321 (3); or

(ii) If there is no "on" indicator, ends with the third week after the first week for which there is a state additional benefits "off" indicator or the seventh consecutive week of such period, whichever occurs later.

(2) Notwithstanding the provisions of subsection (1)(b) of this section, no additional benefit period may begin by reason of a state additional benefit "on" indicator before the eighth week following the end of a prior additional benefit period which was in effect with respect to this state.

(3) There is a state additional benefit "on" indicator for any week for which the Director of the Employment Department determines that for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) equaled or exceeded 4.5 percent.

(4) There is a state additional benefits "off" indicator for any week for which the director determines that, for the period consisting of such week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) was less than 4.5 percent.

(5) For purposes of this section, the rate of insured unemployment shall have the

same meaning as provided in ORS 657.321 (5). [1983 c.818 §§4,5; 1985 c.194 §2; 2003 c.14 §402]

657.332 Eligibility for benefits; maximum amount. During an additional benefit period an individual who has exhausted regular benefits pursuant to this chapter with respect to a week which begins subsequent to August 9, 1983, and who continues to otherwise meet the eligibility requirements for regular benefits under the provisions of this chapter, and who is not eligible for any other unemployment benefits, including benefits provided for by any federal law extending benefits beyond those provided for as regular benefits or extended benefits, may receive additional benefits for weeks subsequent to August 9, 1983, in an amount equal to the weekly benefit amount of the individual's most recent regular unemployment benefit claim subject to the provisions of this chapter. The maximum additional benefits an individual may receive under ORS 657.331 to 657.334 is 25 percent of the most recent regular unemployment benefit claim. [1983 c.818 §6]

657.333 Charging employer's account for benefits; reimbursing employer payments. An employer's account may not be charged for additional benefits paid to an unemployed individual under ORS 657.331 to 657.334. However, nothing in this section shall be construed to relieve the state, reimbursing political subdivisions, reimbursing nonprofit employers or reimbursing Indian tribes from paying into the Unemployment Compensation Trust Fund an amount equal to the additional benefits paid to an unemployed individual under ORS 657.331 to 657.334. [1983 c.818 §7; 2001 c.572 §10; 2003 c.14 §403]

657.334 Limitation on period for which benefits paid. Additional benefits may be paid under the provisions of ORS 657.331 to 657.334 only with respect to weeks not within an extended benefit period, and not within a period covered by any federal law allowing the filing of new claims extending benefits beyond those provided for as regular or extended benefits. [1983 c.818 §8; 1985 c.194 §1; 1987 c.126 §1; 1989 c.818 §1]

(1) "Eligible dislocated workers" means individuals who:

(a) Have been terminated or laid off or who have received a notice of termination or layoff, are eligible for or have exhausted their entitlement to unemployment compensation and are unlikely to return to their previous industry or occupation;

(b) Have been terminated or have received a notice of termination of employment, as a result of any permanent closure of or any substantial layoff at a plant, facility or enterprise;

(2) "Professional technical training" means professional and technical training or retraining and basic education, including literacy skills, designed to prepare individuals for gainful employment in recognized or new occupations or to prepare individuals to become self-employed. The term does not include programs of instruction for an individual (including transfer credit programs of instruction given at community colleges) which are primarily intended to lead toward a baccalaureate or higher degree or training that has for its purpose the preparation of individuals for employment in occupations which require a baccalaureate or higher degree from institutions of higher education unless approved by the Director of the Employment Department. [1969 c.156 §3; 1971 c.82 §2; 1991 c.685 §4; 1993 c.129 §1]

657.337 Policy. (1) The state's economic stability is often threatened when workers are being displaced from the workforce and the workers and their families face hardship and serious social and health problems.

(2) The policy of the state is to promote workforce development by providing eligible dislocated workers with unemployment compensation and related benefits while they are receiving professional technical training so that they can continue to care for their families and obtain employment.

(3) The Employment Department and the Department of Community Colleges and Workforce Development will implement the necessary strategies, systems and structures that will provide consolidated, streamlined delivery of these services to dislocated workers.

(4) It is the policy of the state to encourage the movement of workers into higher wage jobs.

(5) It is the policy of the state to make the best use of currently existing service delivery vehicles, training programs and as-

assessment devices to provide services to eligible dislocated workers.

(6) In order to assist eligible dislocated workers to continue or complete professional technical training, individuals who meet the requirements of ORS 657.335 to 657.360 are eligible for supplemental benefits as provided in ORS 657.340 through June 30, 2005. [Formerly 657.330; 1991 c.685 §5; 1993 c.624 §2; 1993 c.765 §12; 1995 c.495 §1; 1997 c.61 §9; 2001 c.684 §29; 2001 c.866 §1; 2003 c.536 §2]

657.340 Eligibility for benefits. (1) Dislocated workers approved for professional technical training shall not be denied unemployment insurance benefits solely because they are attending professional technical training, nor shall such individual be denied benefits by reason of leaving work to enter such training if the work left was part-time or temporary or paid less than 80 percent of the individual's average weekly wage during the base year.

(2) Notwithstanding provisions of this chapter relating to availability for work, actively seeking work or refusal to accept suitable work, dislocated workers approved for professional technical training and otherwise eligible for benefits shall not be ineligible for such benefits or waiting week credit because of attendance in professional technical training.

(3)(a) Eligible dislocated workers who file valid unemployment compensation claims, upon exhaustion of regular benefits, are eligible, subject to the availability of funds, for supplemental benefits from 1 to 26 times the individual's most recent weekly benefit amount based upon the amount needed to continue or complete approved professional technical training.

(b) Supplemental benefits shall be paid under the same terms and conditions as regular benefits under this chapter, except that the Director of the Employment Department may extend the benefit year of an individual attending an approved professional technical training program a sufficient number of weeks to allow the individual to complete the training program.

(c) Supplemental benefits under ORS 657.335 to 657.360 may be paid only when the eligible dislocated worker is not eligible to receive extended benefits as provided in ORS 657.321 to 657.329 or additional benefits as provided in ORS 657.331 to 657.334.

(d) Supplemental benefits may be paid only to eligible dislocated workers whose unemployment, as determined by the director, is substantially due to the lack of employment opportunities in the workers' local labor market resulting from:

(A) High energy costs;

(B) Extended drought conditions and the attendant economic conditions;

(C) Secondary effects of foreign trade; or

(D) A shift of production to another state or territory of the United States.

(4) The receipt of supplemental benefits is conditioned upon the individual's demonstrating satisfactory progress and attendance in professional technical training. [1969 c.156 §§5,6; 1971 c.82 §3; 1991 c.685 §6; 1993 c.624 §1; 1995 c.495 §2; 1997 c.56 §1; 2001 c.866 §2]

(2) Individuals who have been approved for vocational training under ORS 657.335 to 657.360 prior to September 29, 1991, and who are receiving benefits on September 29, 1991, shall continue to be eligible to receive benefits after September 29, 1991. [1991 c.685 §12]

657.345 Approval of programs by director. (1) Individuals who are identified as dislocated workers under the federal Workforce Investment Act of 1998 (29 U.S.C. 2801 et seq.), and implementing regulations, and who attend training programs identified under the Act shall be considered to be in approved professional technical training. The training shall be for occupations or skills for which there are or are expected to be reasonable employment opportunities in the area or in another area to which the individual is willing to relocate or which relate to the development of a self-employment enterprise for which there is reasonable opportunity for success.

(2) In approving professional technical training for eligible dislocated workers who do not attend training programs identified in subsection (1) of this section, the Director of the Employment Department shall require:

(a) That the professional technical training relates to an occupation or skill for which there are, or are expected to be, reasonable employment opportunities in this state or relates to the development of a self-employment enterprise for which there is a reasonable opportunity for success.

(b) That the individual has the qualifications and aptitudes to successfully complete such professional technical training. [1969 c.156 §7; 1971 c.82 §4; 1983 c.9 §1; 1991 c.685 §7; 2001 c.684 §30]

657.350 Rules for administering training program. The Director of the Employment Department, in consultation with the Department of Community Colleges and

Workforce Development, shall promulgate rules as necessary for the administration of ORS 657.335 to 657.360, including but not limited to procedures for approval, undertaking periodic reviews for continued approval, or for disapproval of professional technical training for an individual. [1969 c.156 §8; 1971 c.82 §5; 1991 c.685 §8; 1997 c.61 §11; 2001 c.684 §31]

[1969 c.156 §9; 1975 c.257 §8; 1993 c.778 §15]

657.357 Apprenticeship program participants eligible for benefits; conditions. Notwithstanding the requirements or restrictions of ORS 657.335 to 657.360 or the provisions of this chapter relating to availability for work, actively seeking work or refusal to accept suitable work, an unemployed individual participating in an apprenticeship program who is otherwise eligible for unemployment insurance benefits shall not be ineligible for such benefits or waiting week credit solely by reason of attending a program of related instruction established in accordance with ORS 660.157 when such attendance does not exceed five weeks during the benefit year of the individual and when such attendance is required as a condition of the individual's continued employment and shall be considered to be in a program of instruction with the approval of the Director of the Employment Department if the individual:

(1) Provides the director with a copy of that individual's effective apprenticeship agreement approved in accordance with the requirements of ORS chapter 660; and

(2) Establishes to the satisfaction of the director that the training is scheduled by a work-related entity other than the claimant. [1989 c.818 §3; 1999 c.124 §1]

[1969 c.156 §4; 1971 c.82 §6; 1989 c.818 §4]

SHARED WORK PLANS

657.370 Definitions for ORS 657.370 to 657.390. As used in ORS 657.370 to 657.390, unless the context requires otherwise:

(6) "Normal weekly hours of work" means the number of hours in a week that the employee normally would work for the shared work employer or 40 hours, whichever is less. [1982 s.s.1 c.2 §8]

657.375 Plan applications; approval by director. (1) An employer wishing to participate in the shared work unemployment benefit program shall submit a signed, written shared work plan to the Director of the Employment Department for approval. The director shall give written approval of a shared work plan only if it:

(b) Applies to only one affected group.

(c) Includes a certified statement by the employer that each individual specified in the affected group is an affected employee.

(d) Includes a certified statement by the employer that for the duration of the plan the reduction in the normal weekly hours of work of the employees in the affected group is instead of layoffs which otherwise would result in at least as large a reduction in the total normal weekly hours of work.

(e) Specifies an expiration date which is no more than one year from the date the employer submits the plan for approval.

(f) Specifies the manner in which the employer will treat fringe benefits of the employees in the affected group.

Determinations of the director shall be final and are not subject to review by any court or other administrative body.

(4) Disapproval of a plan may be reconsidered upon application of the employer or at the discretion of the director. Approval of a shared work plan may be revoked by the director when it is established that such approval was based, in whole or in part, upon information contained therein which is either false or substantially misleading. [1982 s.s.1 c.2 §9; 1993 c.778 §21]

657.380 Eligibility of employees; benefit limitation. (1) Notwithstanding any other provision of this chapter, for the purposes of ORS 657.370 to 657.390, an individual is unemployed and eligible to receive shared work benefits with respect to any week if, in addition to meeting all other eligibility requirements of this chapter, except as specifically excepted in subsection (4) of this section, the Director of the Employment Department finds:

(a) During the week the individual is employed as a member of an affected group in an approved plan which was approved prior to the week and is in effect for the week.

(b) During the week the individual's normal weekly hours of work were reduced, in accordance with an approved plan, at least 20 percent but not more than 40 percent, with a corresponding reduction in wages.

(2) Shared work benefits shall not be paid to an eligible individual for more than 26 weeks under an approved plan or modification thereof.

(3) The total amount of regular benefits and shared work benefits paid to an individual in a benefit year shall not exceed the total for the benefit year as provided in ORS 657.150 (5).

(4) An otherwise eligible individual shall not be denied benefits under this section because of the application of any provision of this chapter relating to availability for work, active search for work or refusal to apply for or accept work from other than the individual's shared work employer. [1982 s.s.1 c.2 §10]

657.385 Method of paying benefits; disqualification; applicability of law to shared work plans; rules. (1) An individual who is eligible for shared work benefits under ORS 657.370 to 657.390 shall be paid, with respect to any week of unemployment, a weekly shared work unemployment insurance benefit amount. Such amount shall be

equal to the individual's regular weekly benefit amount multiplied by the nearest full percentage of reduction of the individual's regular weekly hours of work, as set forth in the employer's plan. The benefit payment under ORS 657.370 to 657.390, if not a multiple of one dollar, shall be rounded to the nearest dollar, and an even one-half dollar shall be rounded to the next higher multiple of one dollar.

(2) The provisions of ORS 657.150 (6) shall not apply to earnings from the shared work employer of an individual eligible for payments under ORS 657.370 to 657.390 unless the resulting payment would be less than the regular benefit payment for which the individual would otherwise be eligible under ORS 657.150 (6) without regard to shared work unemployment insurance benefits.

(3) An individual shall be disqualified for benefits payable under ORS 657.370 to 657.390 for any week in which paid work is performed for the shared work employer in excess of the reduced hours as set forth in the approved plan.

(4) Except as otherwise provided by or inconsistent with ORS 657.370 to 657.390, all provisions of this chapter and the rules of the Director of the Employment Department apply to ORS 657.370 to 657.390. The director may adopt such rules as is deemed necessary to make distinctions and requirements to carry out the purposes of ORS 657.370 to 657.390. [1982 s.s.1 c.2 §11; 1983 c.51 §2; 2003 c.14 §404]

657.390 Reimbursement to Unemployment Compensation Trust Fund of shared work benefits paid; use of benefit charges. (1) Any employer who participates in an approved shared work plan after December 31, 1993, shall pay into the Unemployment Compensation Trust Fund an amount equivalent to all shared work benefits paid to employees of the employer under such plan during any rating period for which the employer's benefit ratio, expressed as a percentage rounded to the nearest 0.1 percent, is in excess of the employer's tax rate for such rating period.

(2) All reimbursement obligations arising under this section are in addition to and separate from any other obligation imposed under this chapter. At the end of each calendar quarter, the Director of the Employment Department shall determine the amount of reimbursement due to the fund from each employer participant in a shared work plan and shall bill each employer for such amount. The reimbursement shall be subject to the same interest, penalty and collection provisions as any other reimbursement of unemployment insurance contributions provided for under this chapter.

(3) Notwithstanding ORS 657.471 or any other provision to the contrary, no benefit charges which are reimbursable under this section shall be included in an employer's benefit charges for any purpose in any rating period. [1982 s.s.1 c.2 §12; 1993 c.778 §2]

RECOVERY OF BENEFITS OBTAINED BY FRAUD

657.392 Benefits subject to recovery as lien on real or personal property. (1) If an individual is liable to repay benefits under ORS 657.310, the amount liable to be repaid, interest and penalties due shall be a lien in favor of the Director of the Employment Department upon all property, whether real or personal, belonging to such individual.

(2) The lien shall be perfected and attach:

(a) To real and personal property located within the county, upon the recording of a warrant, as provided in ORS 657.396, with the clerk of the county in which the property is located.

(b) To personal property wherever located within the state, upon:

(A) The recording of a warrant, as provided in ORS 657.396, with the clerk of any county; and

(B) The filing of a copy of the warrant with the Secretary of State as provided in ORS 657.394.

(3) The lien created by this section may be foreclosed by a suit in the circuit court in the manner provided by law for the foreclosure of other liens on real or personal property. [1997 c.372 §5]

657.394 Filing of lien statement or warrant. (1) Any warrant attaching the lien under ORS 657.392 may also be filed in the office of the Secretary of State. Filing in the office of the Secretary of State shall have no effect until a copy of the statement of lien or the warrant has been recorded with the county clerk.

(2) When a copy of the statement of lien or the warrant is filed with the Secretary of State in compliance with subsection (1) of this section, such filing shall have the same effect with respect to personal property as if the copy of the statement of lien or the warrant had been duly recorded with the county clerk in each county of this state.

(3) A copy of the statement of lien or the warrant so filed with the Secretary of State shall be filed and indexed by the Secretary of State in the same manner as is provided in ORS 79.0501 for the filing and indexing of financing statements. [1997 c.372 §6; 2001 c.445 §178]

Note: For transition provisions regarding secured transactions, see notes under 79.0628.

657.396 Alternative to civil collection action; procedure. (1) In any case in which the Director of the Employment Department may bring a civil action for the collection of amounts liable to be repaid under ORS 657.310 or interest on those amounts, the director may instead:

(a) Assess a collection charge of \$5 if the sum of the amount liable to be repaid or interest then due exceeds \$10.

(b) Issue a warrant under official seal directed to the sheriff of any county of the state commanding the sheriff to levy upon and sell the real and personal property of the individual found within that county, for the payment of the amount liable to be repaid with the added interest, collection charge and the sheriff's cost of executing the warrant, and to return such warrant to the director and pay to the director the money collected by virtue thereof by a time to be therein specified, but not less than 60 days from the date of the warrant.

(2) The sheriff shall, within five days after the receipt of the warrant, record with the clerk of the county a copy thereof, and thereupon the clerk shall enter in the County Clerk Lien Record the name of the individual mentioned in the warrant, and the amount liable to be repaid, interest and collection charge for which the warrant is issued and the date when such copy is recorded. Thereupon the amount of the warrant so recorded shall become a lien upon the title to and interest in property of the individual against whom it is issued in the same manner as a judgment that creates a judgment lien under ORS chapter 18. The sheriff thereupon shall proceed upon the same in all respects, with like effect and in the same manner prescribed by law in respect to executions issued against property upon the judgment of a court of record, and shall be entitled to the same fees for services in executing the warrant, to be added to and collected as a part of the warrant liability.

(3) In the discretion of the director, a warrant of like terms, force and effect may be issued and directed to any agent authorized by the director to collect amounts liable to be repaid and in the execution thereof the agent shall have all the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(4) If a warrant is returned not satisfied in full, the director shall have the same remedies to enforce the claim for amounts due and interest against the individual as if the director had recovered judgment against the individual for the amount liable to be repaid and interest.

(5) Interest upon the amounts liable to be repaid as set forth in the warrant shall be paid and collected at the rate prescribed in ORS 657.310. [1997 c.372 §7; 2003 c.576 §216]

657.398 Release, compromise or satisfaction of lien. Any lien provided for in ORS 657.392 and 657.394 may be released, compromised or satisfied by the Director of the Employment Department, and the property against which a lien is claimed shall be released therefrom by filing a notice of such release or satisfaction with the county clerk of the county in which the notice of lien claim was filed. [1997 c.372 §8]

657.400 Employment Department Special Fraud Control Fund. (b) All gifts to, interest on or profits earned by the Employment Department Special Fraud Control Fund.

[1997 c.372 §9]

(b) An employing unit for which services are performed that are subject to the Federal Unemployment Tax Act may file a written election with the director that such services are employment for all purposes of this chapter.

(3) Elections filed pursuant to subsections (1) and (2) of this section are not effective unless approved by the director. Upon approval of the election by the director, the services are employment subject to this chapter effective the first day of the calendar quarter in which the election was filed, or a later date when so specified in the election. Such election shall continue in effect until canceled but shall be for not less than two completed calendar years.

(4) An employing unit may cancel its election as of January 1 of any calendar year that is subsequent to two calendar years, only if such employing unit has filed, at least 30 days prior to such January 1, a written notice with the director of its intention to cancel such election. Upon timely notice of intention to cancel the election, such services shall cease to be employment subject to this chapter.

(2) Notwithstanding any other provision of law, each employer subject to this chapter, other than employers whose assigned tax rate is 5.4 percent, shall pay to the Employment Department, for the first calendar quarter of each odd-numbered year, an amount equal to three one-hundredths of a percent of wages subject to tax under this chapter for that calendar quarter. All such moneys shall be paid and collected in the same manner and at the same time as unemployment compensation taxes under this chapter, unless the Director of the Employment Department prescribes otherwise. After deduction of the actual shared costs of the Employment Department in collecting the amounts under this subsection, all such moneys shall be paid into the Wage Security Fund. Moneys due pursuant to this section but not received by the department for payment to the Wage Security Fund by June 30 of each odd-numbered year shall be paid into the Unemployment Compensation Trust Fund. 657.457 Penalty when employer fails to file contribution reports and pay contributions when due; notice of failure; waiver; rules. (1) For each year after December 31, 1993, an employer shall pay a penalty equal to one percent of the employer's taxable payroll in the preceding calendar year if the employer has failed prior to September 1 to:

(a) File all tax reports as required by the Director of the Employment Department; or

(b) Pay all taxes due.

(2)(a) On or before June 30, the director shall send a written notice to each employer that has failed to file all required tax reports or pay all taxes due, warning the employer about the penalty provided in subsection (1) of this section.

(b) On or before October 20, the director shall assess the penalty provided in subsection (1) of this section and send written notification thereof to the employer's last known address.

(c) An employer that is assessed a penalty under this section may submit a written request that the penalty be waived. Such request must be filed with the director on or before November 10 following the penalty assessment and contain the specific reasons for the failure to file the required reports or payments prior to September 1.

(d) The director may waive the penalty for good cause if the employer has filed the required reports and payments.

(3)(a) If the request for waiver of the penalty is denied, the director shall so notify the employer in writing. The decision denying the request shall become final, unless within 20 days from the date the decision is sent to the employer's last known address, the employer files a request for a hearing. The request for a hearing must be in writing and state the reasons therefor.

(b) Hearings, decisions and reconsiderations under this section shall be conducted in accordance with rules adopted by the director.

(c) Judicial review of an order assessing a penalty under this section shall be as provided for review of orders in contested cases under ORS chapter 183, except that the petition shall be filed within 20 days after the issuance of the order of the director or a designated representative.

(4) The penalty provided in subsection (1) of this section shall be collected in accordance with the provisions of ORS 657.515, and any amounts collected pursuant to this subsection shall be paid to the Employment

Department Special Administrative Fund in accordance with the provisions of ORS 657.830 (3). [1957 c.699 §8(1),(2); 1967 c.435 §4; 1977 c.538 §2; 1993 c.778 §19; 1995 c.173 §2]

657.458 Definitions for employer tax rate computations. As used in this chapter unless the context requires otherwise:

(1) "High benefit cost period" means the 12 consecutive month period in the last 10 completed calendar years in which the benefit cost rate was the highest. The benefit cost rate is determined by dividing the amount of benefits paid attributable to employers subject to the tax, during any 12 consecutive months within the 10-year period by total wages, as defined in ORS 657.105, reported by all employers subject to the tax for the four consecutive calendar quarters which includes the quarter in which the 12 consecutive month period ended. All benefits paid from the Unemployment Compensation Trust Fund attributable to employers subject to the tax, including but not limited to the Oregon share of extended benefits and any special state additional benefits, shall be included in the amount of benefits under this subsection.

(2) "Average monthly employment" means the total number of persons employed in each month for 12 consecutive months, as reported by employers subject to the tax under this chapter, divided by 12.

(3) "Average weekly check amount" means the gross amount of benefit payments, excluding extended benefits, made during a 12 consecutive month period, divided by the number of such weekly payments made to all individuals receiving benefits under this chapter during that period. The number and amount of payments made under section 11, chapter 2, Oregon Laws 1982 (first special session), shall be excluded from the computation under this subsection.

(4) "Adjusted average weekly check amount" means the average weekly check amount in a calendar year plus one-half of the increase in the maximum weekly benefit amount plus one-half of the increase in the minimum weekly benefit amount from the week including July 4 immediately preceding such calendar year to the week including July 4 immediately following such calendar year. [1969 c.157 §2 (657.458 and 657.459 enacted in lieu of 657.461); 1971 c.463 §15; 1977 c.538 §3; 1983 c.508 §9]

657.459 Computation of Fund Adequacy Percentage Ratio. (1) For the purpose of computing employer tax rates for calendar year 1978 and each year thereafter the Director of the Employment Department, or the director's authorized representative, shall compute a "Fund Adequacy Percentage Ratio." This computation shall be made in September of each year and shall be the ratio of the amount in the Unemployment Com-

pensation Trust Fund, as of August 31 preceding the computation, to a calculated amount of benefits which would be paid during the following calendar year if high unemployment were to occur. The calculated amount of benefits shall be determined as follows:

(a) Average monthly employment in the calendar year preceding the calculation shall be divided by the average monthly employment in the high benefit cost period with the resulting quotient carried to the fourth decimal point.

(b) The adjusted average weekly check amount for the calendar year preceding the calculation shall be divided by the average weekly check amount in the high benefit cost period with the resulting quotient carried to the fourth decimal point.

(c) The amount of benefits paid during the high benefit cost period and attributable to employers subject to the tax shall be multiplied by the quotient determined in paragraph (a) of this subsection. The resulting product shall be multiplied by the quotient determined in paragraph (b) of this subsection. All benefits paid from the Unemployment Compensation Trust Fund attributable to employers subject to the tax, including but not limited to the Oregon share of extended benefits and any special state additional benefits, shall be included in the amount of benefits under this subsection.

(2) The amount in the Unemployment Compensation Trust Fund, as of August 31 preceding the computation, shall be divided by the final product determined in subsection (1)(c) of this section. The quotient obtained shall be expressed as a percentage and is the "Fund Adequacy Percentage Ratio" used to determine the applicable schedule of Table A of ORS 657.462 to be in effect for the succeeding calendar year.

(3) Notwithstanding the provisions of subsection (2) of this section, if the product obtained by multiplying 3.3 times the average monthly employment in the calendar year preceding the calculation times the adjusted average weekly check amount for the calendar year preceding the computation exceeds the amount determined in subsection (1)(c) of this section, such product shall be used in lieu of the amount determined in subsection (1)(c) of this section in the Trust Fund Adequacy Ratio calculation in subsection (2) of this section.

(4) Products obtained in subsections (1) and (3) of this section shall be rounded to the nearest dollar. [1969 c.157 §3 (657.458 and 657.459 enacted in lieu of 657.461); 1971 c.463 §16; 1975 c.354 §2; 1977 c.538 §4; 1983 c.508 §10]

657.460 [Repealed by 1959 c.606 §4]

657.461 [1967 c.434 §5 (enacted in lieu of 657.464) repealed by 1969 c.157 §1 (657.458 and 657.459 enacted in lieu of 657.461)]

657.462 Computation of benefit ratio; grouping employers within cumulative taxable payroll percentage limits; assignment of rates. (1) Notwithstanding the provisions of ORS 657.430, the Director of the Employment Department or the director's authorized representative shall, for each calendar year, compute a benefit ratio for each employer who meets the requirements of this section. For an employer whose record has been chargeable with benefits throughout the 12 preceding calendar quarters ending on the computation date, the benefit ratio shall be a quotient obtained by dividing the total benefit charges to the employer's record in such 12 calendar quarters by the total of the employer's taxable payrolls for the same 12 calendar quarters. For an employer whose record has been chargeable with benefits for at least four or more consecutive calendar quarters but less than 12 consecutive calendar quarters and ending on the computation date, the benefit ratio shall be the quotient obtained by dividing the total benefits charged to the employer's record for such consecutive calendar quarters by the total of the employer's taxable payrolls for the same period. Benefit ratios shall be carried out to the sixth decimal place.

(2) A listing shall be prepared of all employers meeting the requirements of this section and whose account is open according to Employment Department records as of August 31 following the computation date. This listing shall start with the employer having the lowest benefit ratio and progress through the employer having the highest benefit ratio. The listing shall show for each employer (a) the benefit ratio, (b) taxable payroll for the four calendar quarters immediately preceding the computation date, and (c) a cumulative total consisting of the sum of such employer's taxable payroll and the taxable payroll of all other preceding employers on the list.

(3) The department shall group all employers in accordance with the cumulative taxable payroll percentage limits for the schedule in effect under Table A. All employers who fall within the same group will be assigned the tax rate for that group. However, if this grouping results in the taxable payroll of an employer falling in two groups, such employer and any other employer with the same benefit ratio shall be assigned the lower of the two applicable rates. Fractions of a cent will be dropped in computing taxable payroll limits used in Table A. The schedule in effect shall be in accordance with the Fund Adequacy Percentage Ratios set forth in Table A.

Notwithstanding the payment of regular and extended unemployment insurance benefits to employees of employing units which reimburse the fund in lieu of taxes from moneys in the Unemployment Compensation Trust Fund, such moneys shall be included with the balance in the Unemployment Compensation Trust Fund in any computation of a fund adequacy percentage ratio under this chapter as though said moneys had been reimbursed to the fund as provided in ORS 657.505. Should advance payments made by reimbursing employers exceed the amount of benefit payments, the excess amount shall be

excluded from the fund balance. [1965 c.359 §3; subsection (2) enacted as 1967 c.435 §12; 1971 c.463 §17; 1977 c.538 §5]

657.470 [Repealed by 1963 c.302 §4]

657.471 Manner of charging benefits to employer. (1) Subject to the provisions of subsections (2) to (7) and (10) of this section, benefits paid to an eligible individual shall be charged to each of the individual's employers during the base year in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that year.

(2) With the exception of a political subdivision electing to pay taxes under ORS 657.509, an employer's account shall not be charged with benefits paid an unemployed individual in excess of one-third of the base year wages paid that individual while in the employ of such employer.

(3) Benefits paid to an individual for unemployment immediately after the expiration of a period of disqualification for having left work of an employer voluntarily without good cause shall not be charged to that employer.

(4) Benefits paid to an individual for unemployment immediately after the expiration of a period of disqualification for having been discharged by an employer for misconduct shall not be charged to that employer.

(5) Benefits paid without any disqualification to an individual shall not be charged to an employer of the individual for the immediate period of unemployment when:

(a) The individual left work of the employer voluntarily for good cause not attributable to the employer; or

(b) The employer discharged the individual because the individual was unable to satisfy a job prerequisite required by law or administrative rule.

(6) If it is determined under the provisions of subsection (3), (4) or (5) of this section that benefits paid to an individual shall not be charged to an employer, such employer's account shall not be charged for any benefits paid for any subsequent period or periods of unemployment during that individual's affected benefit year or during any benefit year beginning within 52 weeks subsequent to the affected benefit year.

(7) If a base-year employer, not otherwise eligible for relief of charges for benefits under this section, receives notification of an initial valid determination of a claim filed by an individual who:

(a) Left work of such employer voluntarily and not attributable to the employer, such

employer may request relief of charges within 30 days of the date the notice provided for in ORS 657.266 is mailed or delivered to the employer. The request must advise the Director of the Employment Department in writing the date of such leaving and that such leaving was voluntary and not attributable to the employer and the reason therefor. Upon receipt of such notice from the employer the director shall investigate the separation and if the resulting determination, which shall be made by the director, establishes that the leaving was voluntary and not attributable to the employer, that employer's account shall not be charged with benefits during that individual's benefit year. If the individual was reemployed by such employer prior to the filing of the initial valid claim, the employer shall not receive relief of the employer's account under this subsection;

(b) Was disqualified for the individual's most recent separation from such employer by the director's decision that found the individual has been discharged for misconduct connected with the work, that employer may request relief of charges within 30 days of the date the notice provided for in ORS 657.266 is mailed or delivered to the employer. Upon receipt of such request from the employer, the director shall examine department records and if the requirements of this subsection have been met shall grant the relief of charges to that employer for benefits paid to the individual during the benefit year; or

(c) Was discharged for reasons that would be disqualifying under ORS 657.176 (2)(a), (b), (f), (g) or (h), the employer may request relief of charges within 30 days of the date the notice provided for in ORS 657.266 is mailed or delivered to the employer. The request must specify the date of the discharge and the reasons why the employer believes the discharge was for reasons that would be disqualifying under ORS 657.176 (2)(a), (b), (f), (g) or (h). Upon receipt of the request from the employer, the director shall review the information provided by the employer and determine whether the employer is entitled to relief of charges for benefits paid to the individual during the benefit year. If the director determines that the employer is entitled to such relief of charges, the director shall grant the relief.

(8) The determination of the director under subsection (7)(a) and (c) of this section shall be final in all cases unless an application for hearing is filed within 20 days after delivery of such decision, or, if mailed, within 20 days after the same was mailed to the employer's last-known address. When a request for hearing has been timely filed, an

administrative law judge shall be assigned to conduct a hearing. After the administrative law judge has afforded all parties an opportunity for a fair hearing, the administrative law judge shall affirm or reverse the decision and promptly notify all parties entitled to notice of the decision and the reasons therefor. Decisions of the administrative law judge under this subsection become final and may be judicially reviewed as provided in ORS 657.684 to the extent applicable.

(9) If the director finds that an employer or any employee, officer or agent of an employer, in submitting facts under subsection (7) or (8) of this section willfully makes a false statement or representation or willfully fails to report a material fact concerning the termination of an individual's employment, the director shall make a determination thereon charging the employer's reserve account not less than two nor more than 10 times the weekly benefit amount of the claimant or claimants, as the case may be. The director shall give notice to the employer of the determination under this subsection and such decision of the director shall become final unless an application for hearing is filed in accordance with subsection (8) of this section.

(10) Benefits paid to an individual shall not be charged to a base-year employer if:

(a) The employer furnished part-time work to the individual during the base year;

(b) The individual has become eligible for benefits because of loss of employment with one or more other employers;

(c) The employer has continued to furnish part-time work to the individual in substantially the same amount as during the individual's base year; and

(d) The employer requests relief of charges within 30 days of the date the notice provided for in ORS 657.266 is mailed or delivered to the employer. 657.473 Statement of benefits charged to employer's account. Employers subject to this chapter may be furnished, upon written request, a statement of benefits charged to their accounts at such times and in such form as may be determined by the Director of the Employment Department. Nothing in this section shall in any way be construed as to relieve an employer's account from benefit charges nor to grant any appeal therefrom. [1967 c.435 §2]

657.475 Where a number of the same workers are normally employed by several employers; records; contributions; charging benefits.

(1) Where a number of workers are normally employed in employment in the course of a year by several employers, such employers, with the approval of the Director of the Employment Department, may appoint an agent who shall maintain such records and prepare and file such returns and reports as are required under this chapter in respect to such workers, including returns and reports of wages paid and payable to such workers, and may pay the employers' contributions levied under this chapter in respect to wages paid and payable to such workers and shall perform such other acts on behalf of such employers as the director may authorize, all in the same manner as though such agent were the employer of such workers.

(2) The director may, by regulation, provide for the manner of crediting to each such employer the employment experience of such group of employers who have appointed such agent with respect to such workers, for the purpose of any classification of employers made pursuant to this chapter for the determination of future rates of employers' contributions.

(3) Any of such employers who operate or do business in more than one place may, with the approval of the director, appoint a separate agent in each such place.

(4) This section shall not be construed to make such agent the employer of such workers, or relieve any employer of obligations to comply with the terms of this chapter, except to the extent that such obligations are discharged by such agent.

657.477 Related corporations as common paymaster; treatment of compensation for services.

For purposes of this chapter, if two or more related corporations concurrently employ the same individual and compensate such individual through a common paymaster which is one of such corporations, each such corporation shall be considered to have paid as remuneration to such individual only the amounts actually disbursed by it to such individual, and shall not be considered to have paid as remuneration to such individual amounts actually disbursed to such individual by another of such corporations. [1979 c.255 §2]

657.480 Effect of transfer of employing unit; partial transfer; rules.

(1) If the organization, trade or business, including the entire employing enterprise and all its incidents for all purposes of this chapter, of any employer is by purchase or otherwise transferred to an employing unit, whether or not such acquiring employing unit was an em-

ploying unit within the meaning of ORS 657.020 prior to such acquisition, the employing unit to which the transfer is made shall assume the position of such employer with respect to such employer's experience, payrolls and otherwise the same as if there had been no change in ownership and shall be required to assume and continue the experience of such employer pursuant to ORS 657.430 to 657.475 and 657.480 to 657.487. However, no employing unit to which the organization, trade or business of an employer has been transferred is entitled to a tax rate of less than the rate assigned an employer in accordance with ORS 657.435 unless and until such employing unit, based upon its experience and the experience of the organization, trade or business transferred, has throughout the 12 consecutive months preceding the computation date had its account chargeable with benefits.

(2)(a) The Director of the Employment Department shall provide by rule for partial transfer of experience and payroll when an employer has transferred an identifiable and segregable portion of an employing unit to a successor employing unit. As a condition of such partial transfer of experience and payroll, the rules shall require an application by the successor, agreement by the predecessor and such evidence as the director may prescribe of the experience and payrolls attributable to the transferred portion up to the date of transfer. The rules shall provide that the successor, if not already an employer, shall become an employer as of the date of transfer. The rules shall also provide that the experience of the transferred portion of the predecessor's account shall be removed from the experience rating record of the predecessor, and for each calendar year following the date of the transfer of the employment records, the director shall compute the rate of contribution payable by the successor on the basis of the successor's experience, if any, combined with the experience of the portion of the record transferred. The rules shall provide which rates shall be payable by the predecessor and successor employing units for the period between the date of the transfer of the employment record of the transferred unit and the first day of the next calendar year.

(b) If the director determines the transfer was made solely to qualify for a reduced tax rate or if either the predecessor or the successor employing unit is delinquent with contributions or tax reports, the director shall deny the application for partial transfer of experience and payroll.

(c) An employing unit whose application is denied may request a hearing under the provisions of ORS 657.683. [Amended by 1977 c.538 §6; 1999 c.513 §1]

657.485 Notice of rate; request for hearing; procedure for redetermination.

(1) An employer, when notified that the employer has been determined an employer subject to this chapter, shall also be notified of the tax rate for the employer as determined pursuant to this chapter. Such tax rate shall become conclusive and binding upon the employer unless within 20 days after the mailing of the notice to the last-known address of the employer as shown on the records of the Director of the Employment Department, or in the absence of mailing, within 20 days after the delivery of such notice, the employer files a request for hearing with the director, setting forth the reason therefor.

(2) An employer whose rate has been determined in accordance with the provisions of ORS 657.462, shall be notified of the tax rate for the employer not later than November 15 of the year preceding the calendar year for which the rate is applicable. An employer whose account is open according to the Employment Department records as of November 15 but whose tax rate was not determined under ORS 657.462 shall be notified of the tax rate for the following calendar year by November 15 or as soon as possible thereafter. Such tax rate shall become conclusive and binding upon the employer unless, within 20 days after the mailing of the notice to the last-known address of the employer as shown by the records of the director or, in the absence of mailing, within 20 days after the delivery of such notice, the employer files a written application for review and redetermination with the director, setting forth the reasons therefor.

(3) If a valid application is filed within the time provided in subsection (2) of this section, an authorized representative of the director shall review the determination and notify the employer in writing thereof. If the review results in a change in either the employer's tax rate or information included on the original tax rate notice, an amended notice shall be provided the employer.

(4) The decision of the authorized representative reflecting the result of the review provided for in subsection (3) of this section shall become final and conclusive and binding upon the employer unless the employer, within 20 days after delivery of the notice, or if mailed, within 20 days after the same was mailed to the last-known address of the employer, files a request for hearing with the director. The request shall be in writing and shall state that the decision of the authorized representative is incorrect and the reasons therefor.

(5) When a valid request for hearing has been filed, as provided in subsections (1) and

(4) of this section, a hearing shall be conducted by an administrative law judge assigned from the Office of Administrative Hearings established under ORS 183.605 unless a hearing has previously been afforded the employer on the same grounds as set forth in the request. The administrative law judge shall give notice of the time and place of hearing to the director or authorized representative of the director and shall also give notice to the employer by mail directed to the last-known address of record with the director. Hearings under this subsection shall be conducted in accordance with this chapter. The filing of a request for hearing with respect to a disputed tax rate shall not affect the right of the director or authorized representative of the director to perfect any liens provided by this chapter.

(6) After hearing, the administrative law judge shall enter findings of fact and decision either affirming or modifying the tax rate notice. The employer and the director shall be promptly notified of the decision of the administrative law judge. All testimony at any hearing held before an administrative law judge under this section shall be recorded but need not be transcribed unless a petition for judicial review from the decision of the administrative law judge is filed in the manner and within the time prescribed in ORS 657.487.

(7) A decision of the administrative law judge is final on the date of notification or the mailing thereof to the director and to the employer at the last-known address of record with the director, and shall become conclusive and binding upon the employer and the director unless a petition for judicial review is filed in the manner and within the time prescribed in ORS 657.487.

(8) No employer shall have any standing, in any proceeding involving tax rate or tax liability, to contest the chargeability to the account of the employer of any benefits paid in accordance with a determination, redetermination or decision pursuant to ORS 657.265, 657.266 to 657.269 and 657.270 to 657.290, except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for the employer or for a predecessor employer and only in the event that the employer or the predecessor was not a party to such determination, redetermination or decision or to any other proceeding under this chapter in which the character of such service was determined. At any hearing under this section the tax rate determined by the director or authorized representative of the director shall be prima facie correct and the burden shall be upon the protesting employer to

prove it is incorrect. [Amended by 1959 c.583 §22; 1965 c.210 §5; 1971 c.734 §95; 1977 c.538 §7; 1993 c.778 §16; 1999 c.849 §§132,133; 2003 c.75 §51]

657.487 Judicial review of decisions or orders under ORS 657.485. Judicial review of decisions or orders under ORS 657.485 shall be as provided for review of orders in contested cases in ORS chapter 183, except that the petition shall be filed within 20 days after the order is final. The Director of the Employment Department may file petition for judicial review in accordance with this section from decisions of the administrative law judge. [1971 c.734 §97; 1977 c.538 §8; 1999 c.849 §135; 2003 c.75 §103]

657.490 Employer or employee has no prior right to employer's contributions. This chapter shall not be construed to grant any employer or any individual in the service of the employer prior claims or rights to the amount paid by the employer into the fund.

657.495 Fraud in lowering contributions. No person shall willfully make a false statement or misrepresentation to lower contributions paid to the fund.

COLLECTION OF TAXES

657.504 Applicability of certain non-charging provisions. The noncharging provisions of this chapter, including but not limited to ORS 657.327, 657.360, 657.471 and 657.770, do not apply to employers making reimbursement payments or payments in lieu of taxes in accordance with ORS 657.505. [1973 c.118 §4]

657.505 Payment of and liability for taxes; rules. (1) On and after January 1, 1936, taxes shall be payable by each employer then subject to this chapter. Taxes shall become payable by any other employer on and after the date on which the employer becomes subject to this chapter.

(2) An employer shall be liable for taxes on all wages paid for services performed on or after the first day of a calendar quarter.

(3) Taxes of an employer shall not become payable until this chapter has been approved by the Secretary of Labor, and notice of such approval has been given to the Governor as provided in section 3304 of the Federal Unemployment Tax Act.

(4) All taxes shall be paid to and collected by the Director of the Employment Department at such times and in such manner as the director may prescribe and upon collection, shall be deposited in the Unemployment Compensation Trust Fund.

(5) In lieu of taxes required of all other employers subject to this chapter, the state shall pay into the fund an amount equivalent to the amount of all regular benefits and all extended benefits paid out to claimants who

during the applicable base year were paid wages by the state. Payments required under this section shall be payable from the General Fund of the state, except that if a claimant was paid wages by the state during the base year from a special or administrative fund provided for by law, the payment into the fund shall be made from such special or administrative fund with the approval of the Oregon Department of Administrative Services.

(6) Any political subdivision subject to this chapter shall, in lieu of taxes required of other employers subject to this chapter, pay into the fund an amount equivalent to the amount of all regular benefits and all extended benefits paid out to claimants who during the applicable base year were paid wages by the political subdivision.

(7)(a) Any nonprofit employing unit, as defined in ORS 657.072 (2), and any Indian tribe subject to or electing coverage under this chapter shall pay taxes under the provisions of ORS 657.475 and 657.480. However:

(A) Such nonprofit employing unit may elect to make reimbursement payments into the Unemployment Compensation Trust Fund in an amount equivalent to the amount of regular benefits and one-half of extended benefits paid out to claimants who during the applicable base period were paid wages by such nonprofit employing unit. Such reimbursement payments shall be deemed to be taxes for all purposes of this chapter.

(B) Such Indian tribe may elect to make reimbursement payments into the Unemployment Compensation Trust Fund in an amount equivalent to the amount of regular benefits and all extended benefits paid out to claimants who during the applicable base period were paid wages by the Indian tribe. Such reimbursement payments shall be deemed to be taxes for all purposes of this chapter.

(b) A nonprofit employing unit or an Indian tribe may elect to make reimbursement payments by filing with the director a written notice to this effect within the 30-day period following the close of the calendar quarter in which the nonprofit employing unit or Indian tribe became an employer, or may make a timely election within 30 days after the director finds the nonprofit employing unit or Indian tribe in default with respect to payment of taxes if the director has not found the default to be due to an intent to postpone or avoid either payment of taxes due the Unemployment Compensation Trust Fund or the election to make reimbursement payments pursuant to this paragraph. A nonprofit employing unit or an Indian tribe failing to submit a timely notice of election of reimbursement shall be liable for taxes on

any wages paid for services performed for such nonprofit employing unit or Indian tribe for two calendar years. Such nonprofit employing unit or Indian tribe will remain liable for taxes for any calendar year thereafter unless a written notice of election of reimbursement is filed with the director by January 31 of such calendar year. The director shall for good cause extend the period within which a notice of election of reimbursement must be filed for an additional 30 days.

(c) Elections of reimbursement shall continue until canceled but shall be for a period of not less than two calendar years. Any nonprofit employing unit or Indian tribe may cancel such election, and pay taxes as any other employer, by filing with the director a written notice of its intention to cancel such election by January 31 of the year in which the cancellation is to be effective. The director may for good cause extend the period within which a notice of cancellation may be filed for an additional 30 days. Once a cancellation is effective the nonprofit employing unit or Indian tribe must pay taxes for two calendar years before it is again eligible for election of reimbursement. An employer whose election of reimbursement has been canceled shall thereafter be liable for taxes at the rate assigned an employer in accordance with ORS 657.435 until such employer is eligible for a rate based on the experience of the employer in accordance with the provisions of ORS 657.475 and 657.480.

(d) Each nonprofit employing unit that elects to reimburse the fund shall, within 30 days after the effective date of its election, either execute and file with the director a surety bond or deposit with the director money, an irrevocable letter of credit issued by an insured institution as defined in ORS 706.008 or other security as approved by the director. The amount of the bond or deposit shall be two percent of the nonprofit employing unit's total wages paid for employment covered by this chapter for the four calendar quarters immediately preceding the effective date of the election. If the nonprofit employing unit did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the director. The amount of the bond or deposit shall not exceed the amount of taxes the nonprofit employing unit would have been assessed at the maximum tax rate for the same period had not the nonprofit employing unit elected to make reimbursement payments. However, no surety bond or deposit shall be required of an institution of higher education, unless in the discretion of the director the director determines that a surety bond or deposit shall be required of such an institution.

(A) Any bond or letter of credit deposited under this paragraph shall be in force for a period of not less than two calendar years and shall be renewed with the approval of the director, at such times as the director may prescribe, but not less frequently than at two year intervals as long as the nonprofit employing unit continues to be liable for reimbursement payments. The director shall require adjustments to be made in a previously filed bond or letter of credit as the director deems appropriate. If the bond or letter of credit is to be increased, the bond or letter of credit shall be filed by the nonprofit employing unit within 30 days of the date notice of the required adjustment was mailed or otherwise delivered to it. Failure by any nonprofit employing unit covered by such bond or letter of credit to pay the full amount of reimbursements when due, together with any applicable interest and penalties, shall render the surety liable on said bond or the issuer liable on the letter of credit to the extent of the amount thereof including interest and penalties assessed pursuant to this chapter.

(B) Any deposit of money or security in accordance with this paragraph shall be retained by the director. Money shall be deposited in the Employment Tax Guarantee Fund. When liability under the election is terminated the deposit shall be returned to the nonprofit employing unit, less any deductions as hereinafter provided. The director may transfer moneys from the Employment Tax Guarantee Fund or sell securities deposited as necessary to satisfy any due and unpaid reimbursements and any applicable interest and penalties. The director shall require the nonprofit employing unit within 30 days following transfer of a money deposit or sale of securities to deposit sufficient additional money or securities to restore the original deposit in full. The director may, at any time, review the adequacy of the deposit made by any nonprofit employing unit. If, as a result of such review, the director determines that an adjustment is necessary, the director shall require the nonprofit employing unit to make an additional deposit within 30 days of written notice of the determination or shall return to it such portion of the deposit as the director no longer considers necessary, whichever action is appropriate.

(C) If any nonprofit employing unit fails to file a bond or make a deposit, or to file a bond in an increased amount or to increase or make whole the amount of a previously made deposit, as provided in this section, the director may terminate such nonprofit employing unit's election to make reimbursement payments. The director may extend for

good cause the applicable filing, deposit or adjustment period by not more than 30 days. A nonprofit employing unit having its election terminated under this section shall pay taxes for a period of two calendar years before it is again eligible for election to reimburse.

(8)(a) At the end of each calendar quarter, or at the end of any other period as prescribed by the director, the director shall determine the amount of payments in lieu of taxes or reimbursement payments required, under subsections (5), (6) and (7) of this section, and shall bill each employer for such amount. If a claimant during a base year was employed by an employer liable for payments in lieu of taxes or reimbursement payments and other employers subject to the tax rate provisions of this chapter, the amount to be paid into the fund by employers liable for payments in lieu of taxes or reimbursement payments shall be an amount that is in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that year.

(b) In determining the amount of payments in lieu of taxes or reimbursement payments, benefits paid for any reason shall be included if such benefits or any portion thereof were paid as a result of wages earned in the employ of an employer required to make reimbursing payments or payments in lieu of taxes. Such benefits paid include but are not limited to payments made as a result of a determination or payments erroneously or incorrectly paid or paid as a result of a determination of eligibility that is subsequently reversed. Any benefit payments described in this paragraph that are subsequently recovered by the Employment Department will be credited on a pro rata basis to the account of the employer that reimbursed the fund for such benefits.

(c) Payment of any bill rendered under paragraph (a) of this subsection shall be made not later than the last day of the month immediately following the month in which such bill was mailed to the last-known address of the employer or was otherwise delivered to it. The director may assess a nonprofit employing unit or an Indian tribe for past due taxes and such assessment shall be subject to the same interest, penalties, enforcement, appeal and any other provisions of this chapter that apply to taxes assessed pursuant to ORS 657.681.

(d) If a nonprofit employing unit is delinquent in making reimbursement payments as required under this section, the director may terminate the nonprofit employing unit's election and the nonprofit employing unit must pay taxes for two calendar years before

it is again eligible for election of reimbursement. Any employer whose election is terminated under provisions of this subsection shall remain liable for reimbursement payments for any benefits paid based on wages received prior to the effective date of termination of the election.

(e)(A) If an Indian tribe fails to make reimbursement payments as required under this section, including assessments of interest and penalties, within 90 days of receipt of the delinquency or bill, the director shall terminate the Indian tribe's election and the Indian tribe must pay taxes for two calendar years before it is again eligible for election of reimbursement. Any employer whose election is terminated under the provisions of this subsection remains liable for reimbursement payments for any benefits paid based on wages received before the effective date of termination of the election.

(B) Services performed for an Indian tribe may not be treated as employment for purposes of this chapter if, after all collection activities considered necessary by the director have been exhausted, the Indian tribe or any unit of the Indian tribe fails to make required payments, including contributions, reimbursement payments and assessments of interest and penalties.

(C) Services performed for an Indian tribe that has lost coverage under subparagraph (B) of this paragraph may be treated as employment for purposes of this chapter if the Indian tribe makes all required payments, including contributions, reimbursement payments and assessments of interest and penalties.

(D) For purposes of this section, an Indian tribe and any units of the Indian tribe that separately elect coverage are jointly and severally liable for all required payments, including contributions, reimbursement payments and assessments of interest and penalties.

(E) The director shall notify the United States Internal Revenue Service and the United States Department of Labor if an Indian tribe fails to make payments required under this section, including assessments of interest and penalties, within 90 days of receipt of a final notice of assessment.

(9) Notwithstanding the provisions of subsections (5), (6), (7) and (8) of this section, each employing unit that is required to make payments in lieu of taxes or has elected to make reimbursement payments may request permission to make advance or budget payments in accordance with rules adopted by the director.

(10) Two or more employers that have become liable for payments in lieu of taxes

or reimbursement payments, in accordance with the provisions of subsections (5), (6) and (7) of this section, may file a joint application to the director for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each application shall identify and authorize a group representative to act as the group's agent for the purpose of this subsection. Upon the approval of the director of the application, the director shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the director receives the application and shall notify the group's agent of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the director or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group. The director shall prescribe such rules as the director deems necessary with respect to application for establishment, maintenance and termination of group accounts. This subsection shall not be construed to make such agent the employer of such workers, or relieve any employer of the obligations of the employer to comply with the terms of this chapter, except to the extent that such obligations are discharged by such agent as provided thereunder. Note: Section 3, chapter 401, Oregon Laws 2003, provides:

Sec. 3. The amendments to ORS 657.505 by section 1 of this 2003 Act apply to surety bonds or deposits required under ORS 657.505 before, on or after the effective date of this 2003 Act [January 1, 2004]. [2003 c.401 §3]

657.506 Reports and taxes for musicians under contract; applicability. (1) The person or organization engaging the services of a musician or musicians shall be considered the employer for the purposes of this chapter, except when the services are performed pursuant to a written contract that expressly designates one or more musicians who sign the contract as responsible for the filing of any reports and the payment of any taxes based upon wages or earnings of a musician or musicians performing services under the contract. A written contract that so designates a musician or musicians as responsible shall be conclusive evidence that the person or organization engaging the services is not the employer of a musician or

musicians performing services under the contract. The musician or musicians who sign a written contract designating them as responsible shall, for purposes of this chapter, be considered the employer of any musician performing services under the contract who did not sign the contract.

(2) The provisions of subsection (1) of this section do not apply to services performed for a nonprofit organization, as defined in ORS 657.072, for this state, for a political subdivision of this state or for an Indian tribe. [1965 c.392 §2; 1977 c.538 §9; 1983 c.545 §1; 2001 c.572 §13]

657.507 Employer's security for payment of contributions. (1) If upon satisfactory evidence the Director of the Employment Department finds it necessary for the protection of the Unemployment Compensation Trust Fund, the director may require any employer subject to this chapter, except the state, including every state officer, board, commission, department, institution, branch, agency or political subdivision, to deposit and keep on deposit, with the director, a sum equal to the contributions due the director upon the employer's payroll or estimated payroll covering a period of three calendar quarters.

(2) The director may, at the discretion of the director and in lieu of such deposit, accept a bond or an irrevocable letter of credit issued by an insured institution as defined in ORS 706.008 in a form acceptable to the director to secure payment of contributions to become due the fund. The deposit or posting of the bond or letter of credit shall not relieve the employer from making contributions to the fund based on the payroll of the employer as provided by this chapter. The director may, at the discretion of the director, at any time apply such deposit or bond or letter of credit or part thereof to the delinquencies or indebtedness of the employer arising under any provision of this chapter.

(3) Any deposit, letter of credit or bond shall be deemed for all purposes to become the sole property of the Director of the Employment Department and shall be deposited in the Employment Tax Guarantee Fund and held for the sole benefit of the Unemployment Compensation Trust Fund and the Employment Department Special Administrative Fund, subject only to subsection (4) of this section. The deposit, letter of credit or bond shall be prior to all other liens, claims or encumbrances and shall be exempt from any process, attachment, garnishment or execution whatsoever and shall be for the sole benefit of the Unemployment Compensation Trust Fund and the Employment Department Special Administrative Fund except as provided in subsection (4) of this section.

(4) If an employer ceases to be an employer subject to this chapter, the Director of the Employment Department shall, upon receipt of all payments due the fund based on the employer's payroll, refund to the employer all deposits remaining to the employer's credit and shall cancel any bond or letter of credit given under this section. Such sums as are on deposit in the Employment Tax Guarantee Fund or bonds held for the benefit of the Unemployment Compensation Trust Fund shall first be applied to any indebtedness or deficiencies due from the employer to the Unemployment Compensation Trust Fund and the Employment Department Special Administrative Fund under any provisions of this chapter before any return is made to the employer. The employer shall have no interest in such deposit, letter of credit or bond prior to full compliance with this section and all provisions of this chapter. [1959 c.598 §7; 1967 c.435 §6; 1991 c.331 §97; 1997 c.631 §517; 1999 c.59 §197]

657.508 Failure to comply with ORS 657.507. (1) If an employer fails to comply with ORS 657.507, the circuit court of the county in which the employer resides or in which the employer engages in business shall, upon the commencement of a suit by the Director of the Employment Department for that purpose, enjoin the employer from further employing individuals in this state or continuing in business therein until the employer has complied with ORS 657.507.

(2) Upon filing of a suit for such purpose by the director, the court shall set a day for hearing and shall cause notice thereof to be served upon the employer. The hearing shall be not less than five days from the service of the notice. [1959 c.598 §8; 1967 c.435 §7; 1983 c.508 §11]

657.509 Taxes from political subdivisions and people's utility districts; election; effect of canceling election; applicability of noncharging provisions. (1) Instead of the amount to be paid into the fund under provisions of ORS 657.505 (6), a political subdivision may elect to pay taxes in accordance with the provisions of ORS 657.430 and 657.480. The election shall be on forms prescribed by the Director of the Employment Department and must be filed within the 30-day period following the close of the calendar quarter in which the political subdivision became an employer. An employer failing to submit a timely notice of election under this section shall be liable under provisions of ORS 657.505 (6) for a minimum of two calendar years. Thereafter such employer may file a written election to pay taxes. Such election must be filed by January 31 of the calendar year for which the election is to be effective. The director may for good cause extend the period within

which an election must be filed for an additional 30 days.

(2) An election shall continue until canceled but shall be for a period of not less than two calendar years. An employer may cancel such election by filing with the director a written notice of its intention to cancel by January 31 of the year in which the cancellation is to be effective. The director may for good cause extend the period within which a notice of cancellation may be filed for an additional 30 days. Once a cancellation is effective, the political subdivision must pay amounts in accordance with ORS 657.505 (6) for two calendar years before it is again eligible to elect payment under this section.

(3) All noncharging provisions of this chapter shall apply to political subdivisions electing to pay taxes under this section, except that with respect to ORS 657.327, one-half of extended benefits applicable to a political subdivision paying taxes under this section shall be charged to the political subdivision.

(4) Notwithstanding the provisions of subsections (1) and (2) of this section, any political subdivision may elect to pay taxes or cancel a tax election effective January 1, 1978, if such election or notice of cancellation is filed by January 31, 1978. The director may for good cause extend the period for filing an election for an additional 30 days. [1973 c.715 §5; 1975 c.156 §3; 1977 c.446 §8; 1989 c.609 §4]

657.510 Refunds. If not later than three years after the date on which any contributions, interest, fines or penalties were paid pursuant to this 1965 Act, an employer who has paid such contributions, interest, fines or penalties makes application for an adjustment thereof in connection with subsequent contributions, interest, fine or penalty payments, or for a refund thereof because such adjustment cannot be made, and the Director of the Employment Department determines that such contributions, interest, fines or penalties, or any portion thereof were collected erroneously, the director shall allow such employer to make an adjustment of the amount erroneously paid, without interest, in connection with subsequent contributions, interest, fine or penalty payments by the employer or, if such adjustment cannot be made, the director shall refund said amount, without interest, from the Unemployment Compensation Trust Fund or from the Employment Department Special Administrative Fund, as applicable; provided that the director shall not allow any adjustment in connection with subsequent contributions for amounts of interest, fines or penalty payments collected or received subsequent to July 1, 1965, nor shall the director refund

any such payment from the fund except that the director may refund any such payment from the interest, fine and penalty collected after such date which are temporarily in the fund for clearance pending transfer to the Employment Department Special Administrative Fund. For like cause and within the same period, adjustment or refund from the Unemployment Compensation Trust Fund and the Employment Department Special Administrative Fund, as appropriate, may be so made on the director's own initiative. Refunds of contributions pursuant to ORS 657.065 (1) shall be refunded by the director from the fund without application. When refunds of contributions are made pursuant to ORS 657.065 (1), refunds of fines, penalties and interest, if any, shall be made from the Employment Department Special Administrative Fund without application. [Amended by 1965 c.359 §4]

657.512 [1959 c.598 §4; repealed by 1963 c.354 §1 (657.552, 657.652, 657.679, 657.681 and 657.683 enacted in lieu of 657.472, 657.512, 657.550 and 657.672)]

657.513 Political subdivision contribution payments from Local Government Employer Benefit Trust Fund. (1) A political subdivision required to make payments into the Unemployment Compensation Trust Fund under ORS 657.505 may request the Director of the Employment Department to pay on behalf of the political subdivision such amounts as the political subdivision is required to pay into the fund. The employer may request the director to pay on its behalf such amounts as the political subdivision is required to pay into the fund. This request must be filed with the director by January 31 of any year in order to be effective July 1 of that year.

(2) A request shall continue until canceled but shall be for a period of not less than two years. A political subdivision may cancel its request by filing a written notice of its intention to cancel with the director by January 31 of the year in which the cancellation is to be effective. A cancellation shall be effective only on June 30 of a year. The political subdivision shall be responsible for paying into the Unemployment Compensation Trust Fund any amounts paid out to claimants after the effective date of a cancellation and attributable to base period wages paid by the political subdivision during a period it was subject to the provisions of ORS 293.701, 294.725 to 294.755, 657.505 or this section.

(3) The director may for good cause extend the period within which a request or cancellation of a request must be filed for an additional 30 days.

(4) The director shall pay into the Unemployment Compensation Trust Fund from the Local Government Employer Benefit Trust Fund such amounts of benefits that are paid to claimants during the period the political subdivision is a participant in the Local Government Employer Benefit Trust Fund created by ORS 294.730. Benefits paid to claimants during a period when the political subdivision is not a participant shall be reimbursed directly to the Unemployment Compensation Trust Fund by the political subdivision. [1977 c.491 §2; 1989 c.135 §6; 1995 c.79 §333]

657.515 Delinquent taxes; interest; civil penalties; collection by civil action; settlement. (1) If an employer defaults with respect to any payment required to be made by the employer to the Unemployment Compensation Trust Fund, the taxes at any time due, together with interest thereon and penalties, shall be collected by the Director of the Employment Department in a civil action against such employer brought in the name of the director and judgment rendered thereon shall bear interest at the rate provided in subsection (2) of this section. Such employer's compliance with this chapter, requiring payments to be made to the Unemployment Compensation Trust Fund, shall date from the time said money was collected. The amount of taxes collected shall be paid into the Unemployment Compensation Trust Fund. The amount of interest, penalties and fines collected pursuant to this subsection shall be paid to the Employment Department Special Administrative Fund in accordance with the provisions of ORS 657.830 (3).

(2) Interest upon the amount due from an employer shall be paid and shall be collected, at the same time payment of taxes is required to be made by such employer to the Unemployment Compensation Trust Fund at the rate of one and one-half percent per month from the date prescribed for the payment to the Unemployment Compensation Trust Fund. In computing such interest, a fraction of a month shall be counted as a full month.

(3) If any employer fails to make payment of taxes required by this chapter at the time prescribed by the director for the payment thereof, such employer shall be in default.

(4) If any employer who is in default with respect to payment of any taxes fails to make payment thereof within 10 days after written demand therefor has been made by the director, such employer shall be subject, in the discretion of the director, to a penalty of 10

percent of the amount of such taxes. A demand for payment shall be deemed to have been made when deposited in the mail addressed to such employer at the employer's last-known address as shown by the records of the director.

(5) If any part of any deficiency is due to fraud with intent to avoid payment of taxes to the Unemployment Compensation Trust Fund, then 50 percent of the total amount of the deficiency, in addition to such deficiency, shall be assessed, collected and paid in the same manner as if it were a deficiency and shall be paid into the Employment Department Special Administrative Fund pursuant to this section and ORS 657.822.

(6) Civil actions brought in the name of the director under this section to collect taxes, interest or penalties from an employer, shall be entitled to preference upon the calendar over all civil cases which involve only private parties.

(7) Notwithstanding the provisions of this section, if the director finds that the total interest collectible on any delinquent account is in excess of 25 percent of the principal and that an employer or former employer, who no longer conducts an active business, has insufficient net assets to pay the full amount of all taxes, interest or penalties that may be due and where such employer or former employer can pay some but not all of such amount, the director may agree to accept any amount the director finds reasonable under the circumstances, as consideration for the settlement of the full amount of taxes, interest or penalties due. Whenever such an agreement is made a written record signed by the director shall be maintained in the files of the director. Such records shall set forth:

(a) The name of the taxpayer against whom the liability was assessed;

(b) The amount of the assessed liability;

(c) The amount of the liability paid;

(d) The amount of the liability canceled or waived;

(e) A sworn statement of the taxpayer or personal representative setting forth the complete financial responsibility of the taxpayer or the taxpayer's estate, and containing a full disclosure of all matters bearing upon the ability of the taxpayer or estate to pay the full amount of the liability assessed; and

(f) The written recommendation of an assistant to the Attorney General assigned to the director that the liability be reduced in the amount shown by the record.

(8) A full and true copy of the record of each such agreement and settlement as pro-

vided in subsection (7) of this section shall be filed by the director with the Secretary of State as a public record.

(9) The amount of any settlement reached pursuant to this section shall be first credited to the taxes due from such employer until the principal amount of taxes due has been satisfied and shall be deposited in the Unemployment Compensation Trust Fund. [Amended by 1959 c.598 §1; 1963 c.390 §1; 1965 c.359 §5; 1977 c.538 §10; 1981 c.29 §1]

657.517 Authority of director to compromise or adjust debts or overpayments; determination of uncollectible amounts.

(1) When in the judgment of the Director of the Employment Department the best interests of the Employment Department are served, the director may:

(a) Waive, reduce or compromise any tax balance of \$10 or less;

(b) Retain any tax overpayment of \$10 or less; or

(c) Waive, reduce or compromise any part or all of the tax interest and tax penalties provided by this chapter.

(2) The director may determine that the amount of tax, interest and penalty due and unpaid on a delinquent tax account is uncollectible, and write such amount off, if:

(a) The delinquent amount has been reduced to the status of a lien or judgment under the provisions of this chapter and such lien or judgment has expired; or

(b) The taxpayer no longer has an active business in Oregon and has not had an active business within the three most recently completed calendar years, and there is little or no likelihood of recovering the amount due.

(3) In making the determination that an account is uncollectible, the director shall consider, among other factors:

(a) The administrative costs of continued collection efforts in relation to the amount due;

(b) The accessibility of the taxpayer for effective collection actions; and

(c) The taxpayer's financial condition and ability to pay the amount due, both current and projected.

(4) A record shall be made showing the reasons for waiving, reducing, compromising or writing off amounts under this section. Such record shall be retained for a period of seven years from the date the account was written off. [1969 c.57 §2; 1981 c.5 §5; 1983 c.54 §1]

657.520 Claims for contribution preferred. All contributions, interest charges, penalties or amounts due the Unemployment Compensation Trust Fund from any employer

under this chapter and all judgments recovered by the Director of the Employment Department against any employer under this chapter shall be given the same priority as taxes and shall be deemed preferred to all general claims in all bankruptcy proceedings, trustee proceedings, proceedings for the administration of estates, receiverships and assignments for the benefits of creditors involving the employer liable therefor or the property of such employer.

657.525 Lien on subjects and products of labor for which contributions are due. A lien is created in favor of the Director of the Employment Department upon all real property within this state and any structure or improvement thereon and upon any mine, lode, deposit, mining claim, road, tramway, trail, flume, ditch, pipeline, building or other structure or equipment on or pertaining thereto, and upon all lumber, sawlogs, spars, piles, ties or other timber, and upon all other manufactured articles of whatsoever kind or nature upon which labor is performed by the workers of any employer subject to this chapter, in a sum equal to the amount at any time due from such employer to the director on account of labor performed thereon by the workers of such employer, together with interest and penalties.

657.530 Lien on property used in connection with employment on which contributions are due. The Director of the Employment Department also shall have a lien upon all real or personal property of the employer used in connection with the employment on which contributions are due, in a sum equal to the amount at any time due from any employer subject to this chapter on account of labor performed by the workers of such employer, together with interest and penalty.

657.535 Liens under ORS 657.525 or 657.530; priority; filing statement of lien; foreclosure. (1) The liens created by ORS 657.525 and 657.530 shall be prior to all other liens and encumbrances, except labor liens and taxes, and they shall have equal priority with other tax liens.

(2) In order to assert such liens, the Director of the Employment Department shall, within 60 days after the employer is in default, as provided in ORS 657.515 (3), file with the county clerk of the county within which such property is then situated, a statement in writing describing the property upon which a lien is claimed and stating the amount of the lien claimed by the director. If a lien is claimed on real property not then owned by the employer, such statement must be filed within 60 days from the completion of the work.

(3) When a lien is claimed on real property, the director shall, within one year from the filing of the statement, commence a suit to cause such lien to be foreclosed in the manner provided by law for the foreclosure of other liens on real or personal property. If the lien is claimed on personal property, the director may, within one year from the filing of the statement, commence foreclosure proceedings as provided in ORS 87.110 and 87.115 (1973 Replacement Part). [Amended by 1987 c.158 §127]

657.540 Lien on property of defaulting employer; recording; priority; foreclosure. (1) If an employer liable for the payment of contributions to the Unemployment Compensation Trust Fund is in default, as provided in ORS 657.515 (3), the amount of contributions, interest and penalties due shall be a lien in favor of the Director of the Employment Department upon all property, whether real or personal, belonging to such employer.

(2) The lien shall be perfected and attach:

(a) To real and personal property located within the county, upon the recording of a warrant, as provided in ORS 657.642, with the clerk of the county in which the property is located.

(b) To personal property wherever located within the state, upon:

(A) The recording of a warrant, as provided in ORS 657.642, with the clerk of any county; and

(B) The filing of a copy of the warrant with the Secretary of State as provided in ORS 657.542.

(3) The lien created by this section is prior to all liens and encumbrances recorded subsequent to the filing of notice of claim of lien, except state and county tax liens and labor liens.

(4) The lien created by this section may be foreclosed by a suit in the circuit court in the manner provided by law for the foreclosure of other liens on real or personal property. [Amended by 1965 c.359 §6; 1991 c.277 §1]

657.542 Filing liens and warrants with Secretary of State. (1) A copy of any statement of lien filed as provided in ORS 657.535 or any warrant attaching the lien of ORS 657.540 may also be filed in the office of the Secretary of State. Filing in the office of the Secretary of State shall have no effect until a copy of the statement of lien or a warrant has been recorded with a county clerk.

(2) When a copy of the statement of lien or the warrant is filed with the Secretary of State in compliance with subsection (1) of this section, such filing shall have the same effect with respect to personal property as if

the copy of the statement of lien or the warrant had been duly recorded with the county clerk in each county of this state.

(3) A copy of the statement of lien or the warrant so filed with the Secretary of State shall be filed and indexed by the Secretary of State in the same manner as is provided in ORS 79.0501 for the filing and indexing of financing statements. [1959 c.598 §9; 1961 c.726 §425; 1991 c.277 §2; 2001 c.445 §179]

Note: For transition provisions regarding secured transactions, see notes under 79.0628.

657.545 Release of ORS 657.540 lien by filing security. In the event that such report is subsequently found to be in-

correct additional assessments may be made, subsection (5) of this section to the contrary notwithstanding.

The employing unit and the director shall be promptly notified of the decision of the administrative law judge.

istrative purposes and maintain separate accounting of all subsistence or cash allowances deposited with the state for payment to qualified individuals.

(2) Nothing in this section shall in any way affect the validity of any agreements entered into with any federal agency prior to July 1, 1963. [1963 c.216 §2]

657.760 Reciprocal agreements on coverage and collection of contributions. The Director of the Employment Department may enter into agreements with the appropriate agencies of other states or the federal government whereby:

(1) Potential rights to benefits accumulated under the unemployment insurance laws of the several states or under such a law of the federal government, or both, may constitute the basis for the payment of benefits through a single appropriate agency under terms which the director finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund.

(2) Individuals performing services in this and other states for a single employing unit under circumstances not specifically provided for in ORS 657.035 (2) or under similar provisions in the unemployment insurance laws of such other states, shall be deemed to be engaged in employment performed entirely within this state or within one of such other states and whereby potential rights to benefits accumulated under the unemployment insurance laws of one or more states or under such a law of the federal government, or both, may constitute the basis for the payment of benefits.

(3) The collection and payment of contributions by employers with respect to employment not localized within this state is adjusted.

657.765 Reciprocal agreements concerning payroll taxes for out-of-state work. Whenever the unemployment insurance laws of other states provide for inclusion of out-of-state payment of wages in computing wages paid in like manner as provided in ORS 657.095 (2), the Director of the Employment Department may enter into agreements with those empowered to administer the unemployment insurance laws of such other states for the purpose of:

(1) Waiving the further collection of payroll taxes in all the states when the aggregate amount of said wages is in excess of "payroll" as defined in ORS 657.095 (1); and

(2) Securing uniformity for payroll reporting on such out-of-state work. [Amended by 1955 c.655 §24; 1973 c.300 §13; 1973 c.810 §3]

657.770 Reciprocal agreements concerning wages used as basis for benefits.

(1) The Director of the Employment Department may enter into reciprocal arrangements with appropriate and duly authorized agencies of other states or of the federal government, or both, whereby wages, upon the basis of which an individual may become entitled to benefits under an employment security law of another state or of the federal government, shall be deemed to be wages for insured work for the purpose of determining benefits under this chapter; and wages for insured work, on the basis of which an individual may become entitled to benefits under this chapter shall be deemed to be wages on the basis of which unemployment insurance is payable under such law of another state or of the federal government.

(2) No such arrangement shall be entered into unless it contains provision for reimbursement to the fund for such of the benefits paid under this chapter on the basis of such wages and provision for reimbursement from the fund for such benefits paid under such other law on the basis of wages for insured work, as the director finds will be fair and reasonable to all affected interests.

(3) Reimbursements paid from the fund pursuant to this section are deemed to be benefits for the purposes of this chapter; except that no charge shall be made to an employer's account under ORS 657.471 in excess of the maximum benefits payable under ORS 657.150 or when no benefits would have been payable to an individual but for this section, because of the lack of wages for insured work necessary to qualify for benefits.

(4) Notwithstanding the provisions of subsections (1) and (2) of this section, the director shall participate in any arrangements for the payment of compensation on the basis of combining an individual's wages and employment covered under this chapter with wages and employment covered under the unemployment insurance laws of other states which are approved by the United States Secretary of Labor in consultation with the state unemployment insurance agencies as reasonably calculated to assure the prompt and full payment of compensation in such situations and which include provisions for:

(a) Applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under two or more state unemployment insurance laws, and

(b) Avoiding the duplicate use of wages and employment by reason of such combining. [Amended by 1957 c.699 §11; 1971 c.463 §19]

657.775 Cooperation with other states on reciprocal basis for collection of contributions.

(1) The courts of the State of Oregon shall recognize and enforce the liability for unemployment insurance contributions imposed by other states which extend a like comity to this state, and officials of such other states may initiate civil proceedings in the courts of this state to enforce the collection of such contributions. The certificate of the Secretary of State of such other states that such officials have the authority to collect the contributions is conclusive evidence of such authority.

(2) The Attorney General is empowered to initiate and prosecute civil proceedings in the courts of other states by and in the name of the Director of the Employment Department to enforce the liability for unemployment insurance contributions imposed by the State of Oregon, and may also initiate and prosecute civil proceedings in this state as agent for and on behalf of any other state to enforce liability for unemployment insurance contributions due such state if the state extends a like comity to the State of Oregon. The compensation for the services of the Attorney General rendered on behalf of other states under this section shall be paid from moneys appropriated to the Employment Department for administrative expenditures. The compensation for similar officers of other states for services rendered on behalf of this state under this section shall be paid by such other state. However, all other expenses of civil proceedings under this section shall be paid by the state, officer or agency thereof at whose request such proceedings were initiated.

(3) The Attorney General, with the approval of the director, may employ a special assistant under ORS 180.140 (5) to initiate and prosecute civil proceedings in other states to enforce liability for unemployment contributions imposed by the State of Oregon and nothing in this section shall be deemed to prevent the officials of other states from employing any member of the Oregon State Bar to initiate and prosecute civil proceedings in this state to enforce liability for unemployment insurance imposed by such other states.

(4) As used in this section, "contributions" includes interest and penalties imposed pursuant to an unemployment insurance statute. [1963 c.453 §2; 1983 c.740 §247]

proved under part D of title IV of the Social Security Act.

(2) Notwithstanding ORS 657.855, the Director of the Employment Department may enter into agreements with the appropriate agency of this state whereby child support obligations which are being enforced pursuant to a plan approved under section 454 of the Social Security Act and owed by an individual who is eligible for unemployment compensation may be met, in whole or in part, by withholding from the unemployment compensation due the individual the amount specified by the individual to the appropriate agency to be withheld or the amount determined pursuant to an agreement with the individual submitted to the appropriate agency or any amount otherwise required to be withheld pursuant to ORS 25.378 and 25.414 and forwarding of the amount so withheld to the appropriate agency.

(3) Any amount deducted and withheld under subsection (2) of this section shall for all purposes be treated as if it were paid to the individual as unemployment compensation.

(4) This section shall apply only if appropriate arrangements have been made for reimbursement, by the appropriate agency or agencies involved, for the administrative costs incurred by the Employment Department under this section.

(5) The director shall prescribe such rules as are deemed necessary with respect to implementation and administration of procedures to comply with the provisions of this section. [1982 s.s.1 c.30 §9; 1991 c.115 §1; 1993 c.798 §49]

(b) Notwithstanding any other provision of law, each taxpaying employer subject to this chapter, other than employers whose assigned tax rate is 5.4 percent, shall pay to the Employment Department, for the first calendar quarter of 2003:

(A) An amount equal to three one-hundredths of one percent of wages subject to taxation under this chapter for that calendar quarter. All such moneys shall be paid and collected in the same manner and at the same time as unemployment compensation taxes under this chapter, unless the director prescribes otherwise. After deduction of the actual shared costs of the Employment Department in collecting the amounts under this subparagraph, all such moneys shall be paid into the Wage Security Fund. Moneys due pursuant to this subparagraph but not received by the Employment Department for payment to the Wage Security Fund by June 30, 2003, shall be paid into the Unemployment Compensation Trust Fund; and

(B) An amount equal to seven one-hundredths of one percent of wages subject to taxation under this chapter for that calendar quarter. All such moneys shall be paid and collected in the same manner and at the same time as unemployment compensation taxes under this chapter, unless the director prescribes otherwise. After deduction of the actual shared costs of the Employment Department in collecting the amounts under this subparagraph, all such moneys shall be paid into the Oregon JOBS Plus Unemployment Wage Fund. Moneys due pursuant to this subparagraph but not received by the Employment Department for payment to the Oregon JOBS Plus Unemployment Wage Fund by June 30, 2003, shall be paid into the Unemployment Compensation Trust Fund.

(5) Unemployment insurance recipients shall be referred to available work through the JOBS Plus Program in accordance with the job referral process used to refer applicants to available work. In addition, job referral services shall be provided by the Employment Department or the Department of Human Services, as appropriate. When a program job is offered to an unemployment insurance recipient and the job is refused, the Employment Department shall investigate the refusal and identify and decide all issues arising therefrom, including suspension of benefits, in accordance with the provisions of this chapter.

(6)(a) An unemployment insurance recipient shall be referred to the JOBS Plus Program if the recipient is eligible for benefits under ORS 657.155.

(b) The Employment Department shall provide applicants for unemployment insurance benefits with a JOBS Plus Program brochure at the time of application. The brochure must clearly describe the JOBS Plus Program and explain how an applicant can effectively use the program.

(c) The Employment Department shall refer unemployment insurance recipients as follows:

(A) If the Employment Department determines that the recipient is likely to exhaust the recipient's unemployment insurance claim without finding an unsubsidized job, the Employment Department shall begin reviewing the recipient for referral to available unsubsidized and subsidized jobs as soon as possible but in no case later than the fourth week after the week in which the recipient applied for unemployment insurance benefits.

(B) If the recipient is not referred to the JOBS Plus Program in accordance with subparagraph (A) of this paragraph and has not obtained unsubsidized employment within eight weeks of the week after the recipient

applied for unemployment insurance benefits, the Employment Department shall reassess the recipient's reemployability and refer the recipient to the JOBS Plus Program if appropriate.

(d) Notwithstanding ORS 411.892 (4)(d)(A) and (B), unemployment insurance recipients may participate in the JOBS Plus Program for no more than 13 weeks, unless the department determines that an additional period of participation in the program of up to 13 weeks is appropriate.

(e) Employers participating in the JOBS Plus Program by providing subsidized employment to JOBS Plus Program recipients through the Employment Department shall be reimbursed in accordance with ORS 411.892 (12).

(7) To the extent that additional moneys may be obtained for the program from sources other than state tax revenues, the additional moneys shall be appropriated to the Oregon JOBS Plus Unemployment Wage Fund. [1995 c.561 §12; 1995 c.816 §27; 2001 c.657 §1; 2001 c.781 §1a]
