(b) "Qualified entity" means a business or organization that:

(A) Provides care or placement services, or licenses or certifies others to provide care or placement services, for children, elderly persons or dependent persons;

(B) Is not governed by a state regulatory or licensing agency; and

(C) Has been determined by an authorized agency to meet the criteria established by the authorized agency by rule under subsection (9) of this section.

(c) "Subject individual" means a person who is employed or seeks to be employed by a qualified entity or who is providing services or seeks to provide services to a qualified entity on a contractual or volunteer basis.

(2) An entity may request from an authorized agency a criminal records check for purposes of evaluating the fitness of a subject individual as an employee, contractor or volunteer. The authorized agency may access state and federal criminal records under this subsection only through use of the subject individual's fingerprints.

(3) Before an authorized agency may conduct a criminal records check under this section:

(a) The authorized agency shall determine whether the entity requesting the criminal records check is a qualified entity;

(b) The qualified entity must establish criteria to be used by the authorized agency in reviewing the criminal offender information for a final record check determination;

(c) The qualified entity must provide the criteria established under paragraph (b) of this subsection to the authorized agency; and

(d) The qualified entity must have informed the subject individual that the qualified entity might request a fingerprint-based criminal records check and that the subject individual may obtain a copy of the record check report from, or challenge the accuracy or completeness of the record check report through, the authorized agency or the Federal Bureau of Investigation.

(4)(a) Upon receipt of a subject individual's criminal offender information, the authorized agency shall make a final record check determination by comparing the crimi-

nal offender information with the criteria provided to the authorized agency by the qualified entity under subsection (3)(c) of this section. In making the final record check determination, the authorized agency may consider only information that the Department of State Police may disclose under ORS 181.560.

(b) An authorized agency is immune from civil liability that might otherwise be incurred or imposed for making the final record check determination under this subsection.

(5) An authorized agency may not transfer a fingerprint card used to conduct the criminal records check unless the public agency or person receiving the fingerprint card agrees to destroy or return the fingerprint card to the authorized agency.

(6) If the public agency or person returns a fingerprint card to the authorized agency, the authorized agency shall destroy the fingerprint card. The authorized agency may not keep a record of the fingerprints.

(7) The authorized agency shall permit a subject individual to inspect the individual's Oregon and Federal Bureau of Investigation criminal offender information after positive identification has been established based upon fingerprints.

(8) Challenges to the accuracy or completeness of information provided by the authorized agency, the Federal Bureau of Investigation and agencies reporting information to the authorized agency or bureau must be made through the authorized agency or bureau.

(9) The authorized agency shall adopt rules to implement this section. The rules may include but are not limited to:

(a) Criteria to be used by the authorized agency to determine whether an entity is a qualified entity; and

(b) Fees to be charged for conducting criminal records checks under this section in amounts not to exceed the actual costs of acquiring and furnishing criminal offender information. [2001 c.871 §1]

Note: 181.533 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 181 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

181.534 Criminal records check; authorized agencies; rules. (1) As used in this section:

(a) "Authorized agency" means state government as defined in ORS 174.111 and the Oregon State Bar. "Authorized agency" does not include:

(A) The Oregon State Lottery Commission or the Oregon State Lottery; or

(B) A criminal justice agency, as defined in ORS 181.010, that is authorized by federal law to receive fingerprint-based criminal records checks from the Federal Bureau of Investigation.

(b) "Subject individual" means a person from whom an authorized agency may require fingerprints pursuant to statute for the purpose of enabling the authorized agency to request a state or nationwide criminal records check.

(2) An authorized agency may request that the Department of State Police conduct a criminal records check on a subject individual for non-criminal justice purposes. If a nationwide criminal records check of a subject individual is necessary, the authorized agency may request that the Department of State Police conduct the check, including fingerprint identification, through the Federal Bureau of Investigation.

(3) The Department of State Police shall provide the results of a criminal records check conducted pursuant to subsection (2) of this section to the authorized agency requesting the check.

(4) The Federal Bureau of Investigation shall return or destroy the fingerprint cards used to conduct the criminal records check and may not keep any record of the fingerprints. If the federal bureau policy authorizing return or destruction of the fingerprint cards is changed, the Department of State Police shall cease to send the cards to the federal bureau but shall continue to process the information through other available resources.

(5) If the Federal Bureau of Investigation returns the fingerprint cards to the Department of State Police, the department shall destroy the fingerprint cards and shall retain no facsimiles or other material from which a fingerprint can be reproduced.

(6) If only a state criminal records check is conducted, the Department of State Police shall destroy the fingerprint cards after the criminal records check is completed and the results of the criminal records check provided to the authorized agency and shall retain no facsimiles or other material from which a fingerprint can be reproduced.

(7) An authorized agency may conduct criminal records checks on subject individuals through the Law Enforcement Data System maintained by the Department of State Police in accordance with rules adopted, and procedures established, by the Department of State Police.

(8) An authorized agency and the Department of State Police shall permit a subject individual for whom a fingerprint-based criminal records check was conducted to in-

spect the individual's own state and national criminal offender records and, if requested by the subject individual, provide the individual with a copy of the individual's own state and national criminal offender records.

(9) Each authorized agency, in consultation with the Department of State Police, shall adopt rules to implement this section and other statutes relating to criminal offender information obtained through fingerprint-based criminal records checks. The rules shall include but need not be limited to:

(a) Specifying categories of subject individuals who are subject to criminal records checks.

(b) Specifying the information that may be required from a subject individual to permit a criminal records check.

(c) Specifying which programs or services are subject to this section.

(d) Specifying the types of crimes that may be considered in reviewing criminal offender information of a subject individual.

(e) Specifying when a nationwide fingerprint-based criminal records check must be conducted. An authorized agency shall consider the additional cost of obtaining a nationwide fingerprint-based criminal records check when adopting rules under this subsection.

(f) If the authorized agency uses criminal records checks for agency employment purposes:

(A) Determining when and under what conditions a subject individual may be hired on a preliminary basis pending a criminal records check; and

(B) Defining the conditions under which a subject individual may participate in training, orientation and work activities pending completion of a criminal records check.

(g) Establishing fees in an amount not to exceed the actual cost of acquiring and furnishing criminal offender information.

(10) The Department of State Police shall verify that an authorized agency has adopted the rules required by subsection (9) of this section.

(11) Except as otherwise provided in ORS 181.612, an authorized agency, using the rules adopted under subsection (9) of this section, shall determine whether a subject individual is fit to hold a position, provide services, be employed or be granted a license, certification, registration or permit, based on the criminal records check obtained pursuant to this section, on any false statements made by the individual regarding the criminal history of the individual and on any refusal to submit or consent to a criminal records

check including fingerprint identification. If a subject individual is determined to be unfit, then the individual may not hold the position, provide services, be employed or be granted a license, certification, registration or permit.

(12) Except as otherwise provided in ORS 181.612, in making the fitness determination under subsection (11) of this section, the authorized agency shall consider:

(a) The nature of the crime;

(b) The facts that support the conviction or pending indictment or that indicate the making of the false statement;

(c) The relevancy, if any, of the crime or the false statement to the specific requirements of the subject individual's present or proposed position, services, employment, license, certification or registration; and

(d) Intervening circumstances relevant to the responsibilities and circumstances of the position, services, employment, license, certification, registration or permit. Intervening circumstances include but are not limited to:

(A) The passage of time since the commission of the crime;

(B) The age of the subject individual at the time of the crime;

(C) The likelihood of a repetition of offenses or of the commission of another crime;

(D) The subsequent commission of another relevant crime;

(E) Whether the conviction was set aside and the legal effect of setting aside the conviction; and

(F) A recommendation of an employer.

(13) An authorized agency and an employee of an authorized agency acting within the course and scope of employment are immune from any civil liability that might otherwise be incurred or imposed for determining, pursuant to subsection (11) of this section, that a subject individual is fit or not fit to hold a position, provide services, be employed or be granted a license, certification, registration or permit. An authorized agency and an employee of an authorized agency acting within the course and scope of employment who in good faith comply with this section are not liable for employment-related decisions based on determinations made under subsection (11) of this section. An authorized agency or an employee of an authorized agency acting within the course and scope of employment is not liable for defamation or invasion of privacy in connection with the lawful dissemination of information lawfully obtained under this section.

(14)(a) Each authorized agency shall establish by rule a contested case process by which a subject individual may appeal the determination that the individual is fit or not fit to hold a position, provide services, be employed or be granted a license, certification, registration or permit on the basis of information obtained as the result of a criminal records check conducted pursuant to this section. Challenges to the accuracy or completeness of information provided by the Department of State Police, the Federal Bureau of Investigation and agencies reporting information to the Department of State Police or Federal Bureau of Investigation must be made through the Department of State Police, Federal Bureau of Investigation or reporting agency and not through the contested case process required by this paragraph.

(b) A subject individual who is employed by an authorized agency and who is determined not to be fit for a position on the basis of information obtained as the result of a criminal records check conducted pursuant to this section may appeal the determination through the contested case process adopted under this subsection or applicable personnel rules, policies and collective bargaining provisions. An individual's decision to appeal a determination through personnel rules, policies and collective bargaining provisions is an election of remedies as to the rights of the individual with respect to the fitness determination and is a waiver of the contested case process.

(15) Criminal offender information is confidential. Authorized agencies and the Department of State Police shall adopt rules to restrict dissemination of information received under this section to persons with a demonstrated and legitimate need to know the information.

(16) If a subject individual refuses to consent to the criminal records check or refuses to be fingerprinted, the authorized agency shall deny the employment of the individual, or revoke or deny any applicable position, authority to provide services, license, certification, registration or permit.

(17) If an authorized agency requires a criminal records check of employees, prospective employees, contractors, vendors or volunteers or applicants for a license, certification, registration or permit, the application forms of the authorized agency must contain a notice that the person is subject to fingerprinting and a criminal records check. [2005 c.730 §2]

(2) The Department of Human Services and the Employment Department may require the fingerprints of a person for the purpose of requesting a state or nationwide criminal records check of the person under ORS 181.534:

(a) For agency employment purposes;

(b) For the purposes of licensing, certifying, registering or otherwise regulating or administering programs, persons or qualified entities that provide care;

(c) For the purposes of employment decisions by or for qualified entities that are regulated or otherwise subject to oversight by the Department of Human Services and that provide care; or

(d) For the purposes of employment decisions made by a mass transit district or transportation district for qualified entities that, under contracts with the district or the Department of Human Services, employ persons to operate motor vehicles for the transportation of medical assistance program clients.

(3) The Department of Human Services may conduct criminal records checks on a person through the Law Enforcement Data System maintained by the Department of State Police, if deemed necessary by the Department of Human Services to protect children, elderly persons, persons with disabilities or other vulnerable persons.

(4) The Department of Human Services may furnish to qualified entities, in accordance with the Department of Human Services' rules and the rules of the Department of State Police, information received from the Law Enforcement Data System. However, any criminal offender records and information furnished to the Department of Human

Services by the Federal Bureau of Investigation through the Department of State Police may not be disseminated to qualified entities.

(5) A qualified entity, using rules adopted by the Department of Human Services, shall determine under this section whether a person is fit to hold a position, provide services, be employed or, if the qualified entity has authority to make such a determination, be licensed, certified or registered, based on the criminal records check obtained pursuant to ORS 181.534, any false statements made by the person regarding the criminal history of the person and any refusal to submit or consent to a criminal records check including fingerprint identification. If a person is determined to be unfit, then that person may not hold the position, provide services or be employed, licensed, certified or registered.

(6) In making the fitness determination under subsection (5) of this section, the qualified entity shall consider:

(a) The nature of the crime;

(b) The facts that support the conviction or pending indictment or indicate the making of the false statement;

(c) The relevancy, if any, of the crime or the false statement to the specific requirements of the person's present or proposed position, services, employment, license, certification or registration; and

(d) Intervening circumstances relevant to the responsibilities and circumstances of the position, services, employment, license, certification or registration. Intervening circumstances include but are not limited to the passage of time since the commission of the crime, the age of the person at the time of the crime, the likelihood of a repetition of offenses, the subsequent commission of another relevant crime and a recommendation of an employer.

(7) The Department of Human Services and the Employment Department may make fitness determinations based on criminal offender records and information furnished by the Federal Bureau of Investigation through the Department of State Police only as provided in ORS 181.534.

(8) A qualified entity and an employee of a qualified entity acting within the course and scope of employment are immune from any civil liability that might otherwise be incurred or imposed for determining pursuant to subsection (5) of this section that a person is fit or not fit to hold a position, provide services or be employed, licensed, certified or registered. A qualified entity, employee of a qualified entity acting within the course and scope of employment and an employer or employer's agent who in good

faith comply with this section and the decision of the qualified entity or employee of the qualified entity acting within the course and scope of employment are not liable for the failure to hire a prospective employee or the decision to discharge an employee on the basis of the qualified entity's decision. An employee of the state acting within the course and scope of employment is not liable for defamation or invasion of privacy in connection with the lawful dissemination of information lawfully obtained under this section.

(9) The Department of Human Services shall develop a system that maintains information regarding criminal records checks in order to minimize the administrative burden imposed by this section and ORS 181.534. Records maintained under this subsection are confidential and may not be disseminated except for the purposes of this section and in accordance with the rules of the Department of Human Services and the Department of State Police. Nothing in this subsection permits the Department of Human Services to retain fingerprint cards obtained pursuant to this section.

(10) In addition to the rules required by ORS 181.534, the Department of Human Services, in consultation with the Department of State Police, shall adopt rules:

(a) Specifying which qualified entities are subject to this section;

(b) Specifying which qualified entities may request criminal offender information;

(c) Specifying which qualified entities are responsible for deciding whether a subject individual is not fit for a position, service, license, certification, registration or employment; and

(d) Specifying when a qualified entity, in lieu of conducting a completely new criminal records check, may proceed to make a fitness determination under subsection (5) of this section using the information maintained by the Department of Human Services pursuant to subsection (9) of this section.

(11) If a person refuses to consent to the criminal records check or refuses to be fingerprinted, the qualified entity shall deny or terminate the employment of the person, or revoke or deny any applicable position, authority to provide services, employment, license, certification or registration.

(12) If the qualified entity requires a criminal records check of employees or other persons, the application forms of the qualified entity must contain a notice that employment is subject to fingerprinting and a criminal records check. 181.789 Policy relating to use of deadly physical force; collection of information; rules. (1) As used in this section, “involved officer” means:

(a) A police officer whose official conduct, or official order to use deadly physical force, was a cause in fact of the death of a person. As used in this paragraph, “order to use deadly physical force” means an order issued to another officer to use deadly physical force in a specific incident or an order or directive establishing rules of engagement for the use of deadly physical force for a specific incident.

(b) A police officer whose official conduct was not a cause in fact of the death of a person but whose official involvement in an incident in which the use of deadly physical force by a police officer resulted in the death of a person:

(A) Began before or during the use of the deadly physical force; and

(B) Was reasonably likely to have exposed the police officer to greater stresses or trauma than other police officers experienced as a result of their involvement in the incident before or during the use of the deadly physical force.

(2) A law enforcement agency shall adopt a policy dealing with the use of deadly physical force by its police officers. At a minimum, the policy must include guidelines for the use of deadly physical force.

(3)(a) For each involved officer employed by a law enforcement agency, the law enforcement agency shall pay the costs of at least two sessions with a mental health professional that are attended by the officer. The sessions must be held within six months after the incident in which the officer was involved.

(b) An involved officer shall attend at least one of the sessions described in paragraph (a) of this subsection.

(c) Sessions with a mental health professional under this subsection may not be sub-

(4) For at least 72 hours immediately following an incident in which the use of deadly physical force by a police officer resulted in the death of a person, a law enforcement agency may not return an involved officer to duties that might place the officer in a situation in which the officer has to use deadly physical force. A law enforcement agency may not reduce an involved officer’s pay or benefits as a result of the law enforcement agency’s compliance with this subsection. Notwithstanding ORS 181.796 (1), a personnel cost incurred in complying with this subsection by a law enforcement agency employing 40 or fewer police officers is an expense for purposes of ORS 181.796.

(5)(a) A law enforcement agency employing an involved officer shall include at least one police officer from a different law enforcement agency in the investigation of the incident in which the involved officer was involved.

(b) The failure of a law enforcement agency to comply with paragraph (a) of this subsection is not grounds for suppressing evidence obtained in the investigation.

(6)(a) A law enforcement agency shall collect at least the following information relating to incidents in which a police officer’s use of deadly physical force resulted in the death of a person:

(A) The name, gender, race, ethnicity and age of the decedent.

(B) The date, time and location of the incident.

(C) A brief description of the circumstances surrounding the incident.

(b) A law enforcement agency shall promptly submit the information collected under paragraph (a) of this subsection to the Department of Justice.

(7) The department shall compile and periodically publish information submitted under subsection (6) of this section. The department, by rule, may specify a form to be used by law enforcement agencies in submitting information under subsection (6) of this section. [2007 c.842 §5]

181.791 Admissibility of conclusions and recommendations. Conclusions and recommendations for future action made by or for a law enforcement agency that result from activities conducted pursuant to the element of a plan described in ORS 181.783 (4)(e) are not admissible as evidence in any subsequent civil action or administrative proceeding. [2007 c.842 §6]

181.793 Compliance. Notwithstanding ORS 181.783, 181.786 and 181.789 (3) and (6), if sufficient moneys are not appropriated to the Department of Justice for purposes of making grants under ORS 181.796, a deadly physical force planning authority created by ORS 181.783 or a law enforcement agency is not required to comply with any requirement of ORS 181.783, 181.786 or 181.789 (3) or (6) for which the law enforcement agency is entitled to reimbursement under ORS 181.796. [2007 c.842 §7]

181.796 Grants; rules. (1) As used in this section, "expenses" does not include personnel costs.

(2) To the extent that funds are appropriated to it for such purposes, the Department of Justice shall make grants to law enforcement agencies to reimburse the law enforcement agencies for expenses incurred in implementing and revising the plans required by ORS 181.783. A grant under this section may not exceed 75 percent of the expenses incurred by the law enforcement agency.

(3) The department may not make a grant under this section to a law enforcement agency unless the law enforcement agency is subject to a plan that has been approved by the Attorney General under ORS 181.783 (10).

(4) The department shall adopt rules necessary for the administration of this section. [2007 c.842 §4]

Note: 181.796 becomes operative July 1, 2008. See section 16, chapter 842, Oregon Laws 2007.

181.798 Expenditure limitation on grant moneys. A law enforcement agency, as defined in ORS 181.781, may not use moneys it receives under ORS 181.796 to supplant moneys from another source that the law enforcement agency has been previously authorized to expend. [2007 c.842 §12]

Note: 181.798 becomes operative July 1, 2008. See section 16, chapter 842, Oregon Laws 2007.

181.799 Expenses; rules. (1) A law enforcement agency that participates in the development of the plan required by ORS 181.783 (4) shall keep track of the expenses it incurs by reason of its participation. For purposes of this subsection and subsection (2) of this section, "expenses" includes, but is not limited to, personnel costs.

(2) The Department of Justice shall award a law enforcement agency one credit for each dollar of expenses incurred before July 1, 2008, by reason of the law enforcement agency's participation in the development of the plan required by ORS 181.783 (4).

(3) Notwithstanding ORS 181.796 (2), when a law enforcement agency applies for a grant under ORS 181.796, the department, to the extent that funds are appropriated to the department for the purpose, shall make a grant that exceeds 75 percent of the expenses incurred by the law enforcement agency if the law enforcement agency has unused credits awarded under subsection (2) of this section. When the department makes a grant that exceeds 75 percent of the expenses incurred by a law enforcement agency, the department shall deduct the amount of the grant that exceeds 75 percent from the credits awarded the law enforcement agency under subsection (2) of this section.

(4) The department may adopt rules necessary for the administration of this section. [2007 c.842 §11]

As used in this subsection, "relevant evidence" has the meaning given that term in ORS 40.150.

(5) When a petition is filed under this section, the state has the right to have a psychosexual evaluation of the person conducted. The state shall file notice with the juvenile court of its intention to have the person evaluated. (6) As soon as practicable after a petition has been filed under this section, the district attorney or juvenile department shall make a reasonable effort to notify the victim of the crime that the person has filed a petition seeking relief under this section and, if the victim has requested, to inform the victim of the date, time and place of a hearing on the petition in advance of the hearing.

When the person has the burden of proof under subsection (2) of this section and proves by clear and convincing evidence that the person is rehabilitated and does not pose a threat to the safety of the public, the court shall grant the petition.

(9) When a juvenile court enters an order relieving a person of the requirement to report under ORS 181.595, 181.596 or 181.597, the person shall send a certified copy of the juvenile court order to the Department of State Police.

(10) If a person commits an act that could be charged as a sex crime listed in ORS 137.707 and the person is 15, 16 or 17 years of age at the time the act is committed, the state and the person may stipulate that the person may not petition for relief under this section as part of an agreement that the person be subject to the jurisdiction of the juvenile court rather than being prosecuted as an adult under ORS 137.707. [Formerly 181.607]

181.826 Relief from reporting requirement; juvenile offenders from different jurisdiction. (1) Except as provided in subsection (6) of this section, when a person is required to report under ORS 181.595, 181.596 or 181.597 as a result of having been found in a juvenile adjudication in another jurisdiction to have committed an act while the person was under 18 years of age that would constitute a sex crime if committed in this state by an adult, the person may file a petition in the circuit court of the county in which the person resides for an order relieving the person of the duty to report if:

(5) If a person who files a petition under this section is required to report as a sex offender for having committed an act that if committed in this state could have subjected the person to prosecution as an adult under ORS 137.707, the court may not grant the petition notwithstanding the fact that the person has met the burden of proof established in subsection (2) of this section unless the court determines that to do so is in the interest of public safety.

(6) This section does not apply to a person who is required to register as a sex offender for life in the jurisdiction in which the offense occurred.

(7) In a hearing under this section, the court may receive testimony, reports and other evidence without regard to whether the evidence is admissible under ORS 40.010 to 40.210 and 40.310 to 40.585 if the evidence is relevant to the determination and findings required under this section. As used in this subsection, "relevant evidence" has the meaning given that term in ORS 40.150.

(8) If the court is satisfied by clear and convincing evidence that the person is rehabilitated and that the person does not pose a threat to the safety of the public, the court
