Any member of a state board or commission appointed by the Governor who fails to attend two consecutive meetings of the board or commission, whether regular, adjourned or special, shall forfeit office unless the member is prevented from attending by the serious illness of a member or the family of the member or for any other cause that in the judgment of the Governor constitutes a valid reason for failing to attend. The Governor shall immediately appoint a successor.

182.020 Notice of meetings of boards and commissions; reporting of absences. The secretary or clerk of every state board and commission shall:

(1) Give the members of the board or commission at least 10 days' notice, in writing, of the date and place of each regular, adjourned or special meeting.

(2) Report to the Governor the names of all members who fail to attend any meeting of the board or commission.

182.030 Employment of persons advocating violent overthrow of the Government of the United States or Oregon prohibited. (1) No state department, board or commission shall knowingly employ any person who either directly or indirectly carries on, advocates, teaches, justifies, aids or abets a program of sabotage, force and violence, sedition or treason against the Government of the United States or of the State of Oregon.

(2) Any person employed by any state department, board or commission shall immediately be discharged from employment when it becomes known to the appointing employer that such person has, during the period of employment, committed any offense set forth in subsection (1) of this section.

(3) Any person denied employment or discharged pursuant to this section shall have a right of appeal in accordance with the provisions of the State Personnel Relations Law.

(1) All state boards and commissions that are supported by fees, fines, licenses or taxes or other forms of income not derived from a direct tax on tangible property shall pay the various counties of the State of Oregon the same fees required of others for services rendered.

(2) ORS 182.040 to 182.060 do not apply to:

(a) Except for those fees required in ORS 205.320, services rendered for the Bureau of Labor and Industries on wage claims assigned to it for collection.

(b) Any of the provisions or requirements of ORS 21.310, 52.410 to 52.440, 156.160, 205.360 and 205.370. [Amended by 1965 c.619 §35; 1967 c.398 §8; 1973 c.381 §7; 1981 s.s. c.3 §97; 1985 c.496 §25; 1999 c.803 §3]

182.050 Time and manner of payment to counties. No state board or commission affected by the provisions of ORS 182.040 and 182.060 shall be required at the time of ordering the performance of any services for which a fee or charge may be collected by the county to pay the collectible fee or charge in advance or at the time the services are rendered. The county clerk or other officer performing the service, upon request made by the board or commission, shall charge to the board or commission the amount of the fee or charge, and thereafter on the first days of January, April, July and October of each calendar year supply to the board or commission an itemized statement of all services performed upon order of the board or commission for the three months preceding, together with the legal charge collectible therefor. The board or commission, upon receipt of the statement, promptly shall pay the amount due the county.

[Amended by 1999 c.654 §12]

182.065 [1977 c.739 §1; 1979 c.593 §5; renumbered 183.025]

182.070 [1953 c.527 §2; 1961 c.167 §21; 1979 c.215 §1; repealed by 1995 c.69 §12]

If an agency of the executive department, as defined in ORS 174.112, enters into a contract with a county or other public body, as defined in ORS 174.109, for the purpose of issuing licenses on behalf of the agency, the agency, by rule, shall provide that payment for the licenses be made directly to the agency if:

(1) The agency has implemented a functioning licensing software system that is approved by the Oregon Department of Administrative Services; and

(2) The agency pays to the county or other public body the same amounts under the contract that the county or other public body would have received if the county or

other public body had collected the license fees. [2007 c.768 §61]

Note: 182.072 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 182 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

182.080 Effect of repeal or amendment of statute authorizing state agency to collect, receive and expend moneys. (1) The repeal of a statute or the deletion by amendment of a part thereof that granted or conferred power to any state officer, board, commission, corporation, institution, department, agency or other state organization to collect, receive and expend moneys for or on behalf of the state or for any purpose authorized by law does not affect or impair any act done, or right accruing, accrued or acquired, or liability, or obligation to pay the state a license or other fee, or payment exacted or required by law to be made or authorized by the repealed or amended statute and the rules, regulations and orders, if any, promulgated thereunder and in effect at the time of the repeal or amendment, unless otherwise specifically provided by law. In the event of such repeal or amendment of a statute, the Secretary of State may determine, collect and disburse any moneys due the state, or payable by or through the state, representing such license or other fee, or payment exacted or required by law in accordance with the provisions of such repealed or amended statute and such rules, regulations and orders promulgated thereunder, and as otherwise provided by law, in order to secure the full force, effect and operation of such statute up to the time of its repeal or amendment, but not thereafter.

(2) Upon repeal or amendment of a statute as described in subsection (1) of this section, so much as may be necessary, and no more, of the balance in the General Fund appropriated for the use, operation and function of the state officer, board, commission, corporation, institution, department, agency or other state organization is transferred to the Secretary of State for the payment of all expenses incurred by the Secretary of State in winding up and concluding administration of the repealed or amended statute, as authorized in subsection (1) of this section. If the balance of the unexpended appropriation is insufficient to cover the costs and expenses of the Secretary of State in administering and concluding the operation of the repealed or amended statute, the secretary may request transfer or appropriation of any funds, accounts and receipts belonging to the state in the custody or control of such state officer, board, commission, corporation, institution, department, agency or other state or-

ganization, to cover in full the costs of winding up and concluding the administration of the statute. [1955 c.73 §1; 2005 c.755 §3]

182.090 State agency to pay attorney fees and expenses when court finds for petitioner and that agency acted unreasonably. (1) In any civil judicial proceeding involving as adverse parties a state agency, as defined in ORS 291.002, and a petitioner, the court shall award the petitioner reasonable attorney fees and reasonable expenses if the court finds in favor of the petitioner and also finds that the state agency acted without a reasonable basis in fact or in law.

(2) Amounts allowed under this section for reasonable attorney fees and expenses shall be paid from funds available to the state agency. The court may withhold all or part of the attorney fees from any award to a petitioner if the court finds that the state agency has proved that its action was substantially justified or that special circumstances exist which make the award of all or a portion of the attorney fees unjust.

(3) As used in this section, "civil judicial proceeding" means any proceeding, other than a criminal proceeding as defined in ORS 131.005 (7), conducted before a court of this state. [1981 c.871 §2; 1983 c.763 §61]

182.100 Affirmative action policy; implementation on appointments. (1) It is declared to be the policy of Oregon that this state shall be a leader in affirmative action. All appointive authorities for state boards, commissions and advisory bodies shall implement this policy of affirmative action in their appointments, subject to the legal requirements for each appointment.

(2) The Director of Affirmative Action shall assist all persons who have appointing authority at the state level for boards, commissions or advisory bodies in carrying out the state policy stated in subsection (1) of this section and ORS 236.115.

(3) As used in this section, "affirmative action" means a method of eliminating the effects of past and present discrimination, intended or unintended, on the basis of race, religion, national origin, age, sex, marital status or physical or mental disabilities, that are evident or indicated by analysis of present appointment patterns, practices and policies. [1981 c.255 §1; 1989 c.224 §10; 1997 c.539 §2]

182.105 Information concerning tax benefits of providing child care under employee benefit plan. Any state agency may provide information to employers concerning the tax benefits of providing child care, as defined in ORS 657A.250, under an employee benefit plan. [1985 c.753 §5; 1995 c.278 §28]

182.109 Agency actions to carry out state policies for persons with disabilities. In carrying out the policies stated in ORS 410.710, state agencies shall:

(1) Review their rules and policies and may revise them as necessary to reflect a positive approach to persons with disabilities.

(2) Encourage and promote education of state employees, state officials and the public in general about the worth and capacity of persons with disabilities.

(3) In all state correspondence and publications, avoid the use of stereotypes and negative labels such as “victim,” “afflicted,” “crippled” and “handicapped” except as such terms are required by statute or federal law and regulation.

(4) Use the preferred and more positive term “person with a disability” instead of “disabled person,” “handicapped” or other negative words except as such terms are required by statute or federal law and regulation.

(5) In implementing subsections (1) to (4) of this section, develop and seek input regarding terminology and portrayal of persons with disabilities from persons who have disabilities and their advocates.

(6) Foster corrective measures and avoid stereotypes and negative labeling in texts used by schools, newspapers, magazines, radio and television by encouraging review and analysis of these media by publishers, company owners or appropriate agencies.

(7) Use the term “person with a disability” to the extent consistent with state and federal law in rules adopted on or after January 1, 2006. [1989 c.224 §2; 2005 c.411 §2; 2007 c.70 §48]

182.110 [1959 c.501 §1; repealed by 1959 c.501 §10]

182.112 Title to property acquired by state agency in name of state. A state agency, as defined in ORS 279A.250, authorized by law to acquire real or personal property or any interest therein shall take title to the property or the interest therein in the name of the State of Oregon. [2003 c.794 §192]

Note: 182.112 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 182 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

182.115 [1973 c.457 §1; 1975 c.731 §1; 1977 c.42 §1; 1983 c.150 §2; 1987 c.879 §5; renumbered 171.852 in 1987]

(a) “Executive department” has the meaning given that term in ORS 174.112.

(b) “Information systems” means computers, hardware, software, storage media, networks, operational procedures and processes used in the collection, processing, storage, sharing or distribution of information within, or with any access beyond ordinary public access to, the state’s shared computing and network infrastructure.

(2) The Oregon Department of Administrative Services has responsibility for and authority over information systems security in the executive department, including taking all measures reasonably necessary to protect the availability, integrity or confidentiality of information systems or the information stored in information systems. The Oregon Department of Administrative Services shall, after consultation and collaborative development with agencies, establish a state information systems security plan and associated standards, policies and procedures.

(3) The Oregon Department of Administrative Services, in its sole discretion, shall:

(a) Review and verify the security of information systems operated by or on behalf of agencies;

(b) Monitor state network traffic to identify and react to security threats; and

(c) Conduct vulnerability assessments of agency information systems for the purpose of evaluating and responding to the susceptibility of information systems to attack, disruption or any other event that threatens the availability, integrity or confidentiality of information systems or the information stored in information systems.

(4) The Oregon Department of Administrative Services shall contract with qualified, independent consultants for the purpose of conducting vulnerability assessments under subsection (3) of this section.

(5) In collaboration with agencies, the Oregon Department of Administrative Services shall develop and implement policies for responding to events that damage or threaten the availability, integrity or confidentiality of information systems or the information stored in information systems, whether those systems are within, interoperable with or outside the state’s shared computing and network infrastructure. In the policies, the department shall prescribe actions reasonably necessary to:

(a) Promptly assemble and deploy in a coordinated manner the expertise, tools and

methodologies required to prevent or mitigate the damage caused or threatened by an event;

(b) Promptly alert other persons of the event and of the actions reasonably necessary to prevent or mitigate the damage caused or threatened by the event;

The department shall consult with the Oregon State Police, the Office of Emergency Management, the Governor and others as necessary in developing forensic techniques and controls under this section.

(7) The Oregon Department of Administrative Services shall ensure that reasonably appropriate remedial actions are undertaken when the department finds that such actions are reasonably necessary by reason of vulnerability assessments of information systems under subsection (3) of this section, evaluation of events under subsection (5) of this section and other evaluations and audits.

(8)(a) Agencies are responsible for the security of computers, hardware, software, storage media, networks, operational procedures and processes used in the collection, processing, storage, sharing or distribution of information outside the state's shared computing and network infrastructure following information security standards, policies and procedures established by the Oregon Department of Administrative Services and developed collaboratively with agencies. Agencies may establish plans, standards and measures that are more stringent than the standards established by the department to address specific agency needs if those plans, standards and measures do not contradict or contravene the state informa-

tion systems security plan. Independent agency security plans shall be developed within the framework of the state information systems security plan.

(b) An agency shall report the results of any vulnerability assessment, evaluation or audit conducted by the agency to the department for the purposes of consolidating statewide security reporting and, when appropriate, to prompt a state incident response.

(1) In order to qualify for credits under ORS 182.375 and 182.380, the agency or unit must present to the Oregon Department of Administrative Services a plan for increased efficiency resulting in budget savings and comply with the review requirements developed by the department. The plan must be approved by the Director of the Oregon Department of Administrative Services. Loans, grants or matching funds authorized under ORS 182.375 shall not require any increased funding or increases in an expenditure limitation and shall not require legislative review.

(2) The plan required in subsection (1) of this section shall include long-range objectives of each program, indicating in each case where the agency or unit shall increase efficiency and cost savings without a reduction in public services. The plan shall include reasons for leaving current positions vacant, actual reductions in services and supplies, travel and capital outlay and shall include a system to evaluate the resulting accomplishments of each agency or unit. [1989 c.815 §8; 1993 c.724 §33]
