Such writs, among other things, shall direct the defendant therein to make such remittances as may appear, from records and information concerning such defendant's employees, to be required by law. Either or both parties thereby aggrieved may appeal to the Court of Appeals from, or from any part of, the judgment of the circuit court given and made in such proceeding, as in ordinary mandamus proceedings. If the court allows the issuance of a peremptory writ, the court shall award reasonable attorney fees, costs and disbursements to the board. that would otherwise be made to a person entitled to benefits under the plan shall be paid, in whole or in part, to an alternate payee if and to the extent expressly provided for in the terms of any judgment of annulment or dissolution of marriage or of separation, or the terms of any court order or court-approved property settlement agreement incident to any judgment of annulment or dissolution of marriage or of separation. Notwithstanding any other provisions of this section, the total value of benefits payable to a member and to an alternate payee under this section may not be greater than the value of the benefits the member would otherwise be eligible to receive. Any payment under this subsection to an alternate payee bars recovery by any other person.

(2) A judgment, order or settlement providing for payment to an alternate payee under subsection (1) of this section may also provide:

(a) That payments to the alternate payee may commence, at the election of the alternate payee, at any time after the earlier of:

(A) The earliest date the member would be eligible to receive retirement benefits if the member separates from service; or

(B) The date the member actually separates from service due to death, disability, retirement or termination of employment.

(b) That the alternate payee may elect to receive payment in any form of pension, annuity, retirement allowance, disability benefit, death benefit, refund benefit or other benefit, except a benefit in the form of a joint and survivor annuity, available to the member under the public employer retirement plan, or that would be available to the member if the member retired or separated from service at the time of election by the alternate payee, without regard to the form of benefit elected by the member.

(c) That the alternate payee's life is the measuring life for the purposes of measuring payments to the alternate payee under the form of benefit selected by the alternate payee.

(3) Subsection (1) of this section applies only to payments made by the public employer retirement plan after the date of receipt by the administrators of the plan of written notice of the judgment, order or agreement and such additional information and documentation as the plan administrators may prescribe.

(4)(a) A judgment, order or agreement providing for payment to an alternate payee under subsection (1) of this section may not provide for payment to an alternate payee of:

plan in lieu of workers' compensation benefits pursuant to ORS 656.027 (6), to the extent those payments are to be made before the member attains 55 years of age; or

(B) Any medical or hospital benefits payable to a member as part of a disability benefit provided to a member of a public employer retirement plan in lieu of workers' compensation benefits pursuant to ORS 656.027 (6), regardless of the member's age.

(b) Paragraph (a) of this subsection does not prevent a court from considering the disability payments described in that paragraph in making a division of property pursuant to ORS 107.105 or an award of support.

(5) Any public employer or public employer retirement plan that is required by the provisions of this section to make a payment to some person other than a member of the retirement plan offered by the public employer shall charge and collect out of the benefits payable to the member and the other person actual and reasonable administrative expenses and related costs incurred by the public employer or public employer retirement plan in obtaining data and making calculations that are necessary by reason of the provisions of this section. A public employer or public employer retirement plan may not charge more than \$300 for total administrative expenses and related costs incurred in obtaining data or making calculations that are necessary by reason of the provisions of this section. A public employer or public employer retirement plan that charges and collects administrative expenses and related costs under the provisions of this subsection shall allocate those expenses between the member of the retirement plan and any other person receiving a benefit from the plan based on the fraction of the benefit received by the member or person.

(2) Notwithstanding subsection (1) of this section, a public employer of police officers or firefighters need not provide retirement benefits to those employees under the Public Employees Retirement System if the Public Employees Retirement Board determines that the public employer provides retirement ben-

Two members shall not be employed by a public employer during their respective terms of office on the board or have been so employed during the two years immediately preceding appointment to the board. The board shall hold meetings as frequently as may be necessary for the performance of its duties.

(6) Within the limitations of ORS 237.414 and 237.950 to 237.980, the board shall have the power to establish and enforce rules and regulations for transacting its business and administering ORS 237.414 and 237.950 to 237.980.

The director shall hold the position during the pleasure of the board and shall furnish such bond as required by the board. The board shall also designate an employee to perform duties in the absence of the director. [1953 c.180 §10; 1973 c.704 §18]

**237.960 Transfer of assets and administration of retirement fund.** (1) All assets of the previously existing Public Employees Retirement System, as of March 27, 1953, including moneys and securities, accounts receivable, office equipment and all personal property of any description, hereby are transferred to the Public Employees Retirement Board created and established by ORS 237.952, which board shall have control thereof for the purpose of liquidating the obligations of the Public Employees Retirement System and otherwise applying such assets as herein directed.

(2) During the period of liquidation the board may invest and reinvest moneys, purchase, sell and exchange securities as in its judgment to the best interest of beneficiaries.

(3) The board shall succeed to all the duties and prerogatives of the Public Employees Retirement Board created by chapter 401, Oregon Laws 1945, as amended, in relation to the Public Employees Retirement Fund. Said fund shall be and remain a trust fund for the purpose of liquidating the obligations of the abolished retirement system, and the Public Employees Retirement Board created by ORS 237.952 hereby is declared to be the trustee of said fund.

(4) From the current service account of the State of Oregon in the Public Employees Retirement Fund there shall be transferred to the Social Security Revolving Account an amount of \$60,000 which shall be recovered from the participating employers in the manner prescribed by ORS 237.520 (2003 Edition), and upon recovery shall be repaid to the Public Employees Retirement Board. [1953 c.180 §3; 2005 c.755 §60]

**237.964 Collection of accrued liabilities.** In order to liquidate accrued liabilities with respect to prior service credit and delinquent contributions, each public employer which at any time prior to March 27, 1953, has participated in the Public Employees Retirement System shall continue to remit payments to the Public Employees Retirement Board at the rate and in the manner prescribed by chapter 401, Oregon Laws 1945, as amended. The board shall have a right of action against any such public employer for the enforcement of the provisions of this section. [1953 c.180 §5]

**237.968 Continuation of retirement benefits of certain members.** The board shall pay all retirement benefits to which members of the Public Employees Retirement System who retired prior to March 27, 1953, may be entitled under the provisions of chapter 401, Oregon Laws 1945, as amended, and shall give full recognition to all rights to which such members are entitled under said law. The board also shall determine and pay in accordance with the provisions of that law retirement benefits to which members of the Public Employees Retirement System are entitled by the provisions of said law. [1953 c.180 §4]

**237.972 Continuation of abolished system with regard to certain members.** Notwithstanding any other provision of chapter 180, Oregon Laws 1953, chapter 401, Oregon Laws 1945, as amended, shall remain in full force and effect with respect to any employee of a public employer which heretofore withdrew from the Public Employees Retirement System pursuant to subsection (5) of section 8 of said law, as amended by section 1, chapter 322, Oregon Laws 1951, who did not sign the petition for such withdrawal. Such employee shall be and remain a member of the Public Employees Retirement System with full rights and benefits thereunder as if chapter 180, Oregon Laws 1953, had not been passed; and until the entire obligation of the public employer with respect to all such employees, as provided in chapter 401, Oregon Laws 1945, as amended, shall have been paid in full, such public employer shall continue to deduct from payrolls and transmit the contributions thereby required and make the matching contributions thereby required to the Public Employees Retirement Board created by ORS 237.952 and such public employer shall remain liable to such Public Employees Retirement Board for all contributions required by such law together with interest thereon at the legal rate from the date of any delinquency. [1953 c.180 §11]

**237.976 Disposition of contributions made under abolished system.** (1) From contributions of each employee and the matching contributions of the employer, respectively, due and paid to the Public Employees Retirement Fund for services performed after January 1, 1951, there shall be deducted as much thereof as necessary to constitute an amount equal to the total sum

of the tax which would have been imposed upon the employee and the employer, respectively, by sections 1400 and 1410 of the Internal Revenue Code, if the services of the employee subsequent to January 1, 1951, had constituted employment as defined by section 1426 of such Code; provided, however, that no such deductions shall be made from the contributions of the employees referred to in ORS 237.972 or from the matching contributions of their employers, heretofore or hereafter paid into the Public Employees Retirement Fund. A sum equal to the total of the amounts deducted as provided in the preceding sentence hereby is transferred from the Public Employees Retirement Fund to the Social Security Revolving Account in the General Fund created by ORS 237.490, and shall be expended by the Public Employees Retirement Board in payment of the contributions required to secure coverage under the system of Old Age and Survivors Insurance established by title 2 of the Social Security Act, effective from January 1, 1951, for all employees with respect to whom such deductions were made.

(2) Each member of the Public Employees Retirement System shall have the right to a refund of all contributions heretofore paid by the member into the fund after deducting therefrom the amount herein specified for Social Security coverage, providing that within 60 days after March 27, 1953, the member signs and files a written request therefor with the Public Employees Retirement Board, in which event such contribution shall be paid to the member by the Public Employees Retirement Board as soon thereafter as practicable and in no case later than October 1, 1953. The refund of all contributions paid by the member, as by this section authorized, in the case of each applicant who receives such refund shall extinguish all the rights of membership in the Public Employees Retirement System established by chapter 401, Oregon Laws 1945, including the right to claim credit for any time whatever spent in public employment prior

to the receipt of such refund. Unless an employee shall have filed such request for refund within said 60 days the balance of contributions of the employee remaining after such deduction, together with an equal amount contributed by the employer, and the contributions of the employers based on the prior service credit of the employee, shall be used to purchase retirement benefits for such employee in accordance with ORS chapter 238. If, pending such disposition of employees' contributions, any employee should die, the accumulated contributions of the employee shall be paid as the employee shall have directed in writing. In the absence of such written direction, the accumulated contributions shall be paid in accordance with the provisions of chapter 401, Oregon Laws 1945, as amended.

(3) There shall be no refund made to any participating employer until such time as all liabilities against such employer have been fully liquidated and discharged. [1953 c.180 §6; 1953 c.521 §1]

**237.980 Rights and moneys exempt from taxation, execution and bankruptcy and are unassignable.** During the entire period of liquidation of the Public Employees Retirement System, the right of a person to a pension, annuity or a retirement allowance, to the return of contributions upon separation from service with a public employer, the refund of contributions authorized by ORS 237.976, the payment of annuity, or retirement allowance itself, any optional benefit or death benefit, or any right accrued or accruing to any person under the provisions of the repealed Public Employees' Retirement Act [chapter 401, Oregon Laws 1945] or ORS 237.412 to 237.418 or 237.950 to 237.980, shall be exempt from all state, county and municipal taxes, and shall not be subject to execution, garnishment, attachment or any other process or to the operation of any bankruptcy or insolvency law, and shall not be assignable. [1953 c.180 §7; 1953 c.521 §2]
