250.031 Rules for conduct of election under section 11, Article XI of Oregon Constitution. The Secretary of State shall adopt administrative rules for the conduct of elections under section 11, Article XI of the Oregon Constitution, that include but are not limited to provisions that:

(1) Set forth the requirements for an election to which section 11 (8), Article XI of the Oregon Constitution, is applicable that are consistent with the voter registration requirements of ORS chapter 247 and with the federal National Voter Registration Act of 1993 (P.L. 103-31);

(2) Provide directions to election officers for calculating whether the required number of registered voters eligible to vote voted in the election; and

(3) Interpret the words "cast a ballot" in section 11 (8), Article XI of the Oregon Constitution, as meaning that a ballot was lawfully cast, whether or not the vote of that ballot may lawfully be counted for reasons other than the eligibility of the voter to vote. [1997 c.541 §310]

250.035 Form of ballot titles for state and local measures. (1) The ballot title of any measure, other than a state measure, to be initiated or referred shall consist of:

(a) A caption of not more than 10 words which reasonably identifies the subject of the measure;

(b) A question of not more than 20 words which plainly phrases the chief purpose of the measure so that an affirmative response to the question corresponds to an affirmative vote on the measure; and

(c) A concise and impartial statement of not more than 175 words summarizing the measure and its major effect.

(2) The ballot title of any state measure to be initiated or referred shall consist of:

(a) A caption of not more than 15 words that reasonably identifies the subject matter of the state measure. The caption of an initiative or referendum amendment to the Constitution shall begin with the phrase, "Amends Constitution," which shall not be counted for purposes of the 15-word caption limit;

(b) A simple and understandable statement of not more than 25 words that de-

scribes the result if the state measure is approved. The statement required by this paragraph shall include either the phrase, "I vote" or "vote yes," or a substantially similar phrase, which may be placed at any point within the statement;

(c) A simple and understandable statement of not more than 25 words that describes the result if the state measure is rejected. The statement required by this paragraph shall not describe existing statutory or constitutional provisions in a way that would lead an average elector to believe incorrectly that one of those provisions would be repealed by approval of the state measure, if approval would not have that result. Any thing or action described both in the statement required by paragraph (b) of this subsection and in the statement required by this paragraph shall be described using the same terms in both statements, to the extent practical. Any different terms must be terms that an average elector would understand to refer to the same thing or action. The statement shall include either the phrase, "I vote" or "vote no," or a substantially similar phrase, which may be placed at any point within the statement; and

(d) A concise and impartial statement of not more than 125 words summarizing the state measure and its major effect.

(3) The statements required by subsection (2)(b) and (c) of this section shall be written so that, to the extent practicable, the language of the two statements is parallel.

(4) The statement required by subsection (2)(b) of this section shall be written so that an affirmative response to the statement corresponds to an affirmative vote on the state measure.

(5) The statement required by subsection (2)(c) of this section shall be written so that an affirmative response to the statement corresponds to a negative vote on the state measure.

(6) To avoid confusion, a ballot title shall not resemble any title previously filed for a measure to be submitted at that election.

(7) In the statements required by subsection (2)(b), (c) and (d) of this section, reasonable discretion shall be allowed in the use of articles and conjunctions, but the statements shall not omit articles and conjunctions that are necessary to avoid confusion to or misunderstanding by an average elector. [1979 c.190 §143; 1979 c.675 §1; 1985 c.405 §1; 1987 c.556 §1; 1987 c.875 §1; 1995 c.534 §1; 1997 c.541 §312; 1999 c.793 §1; 2001 c.104 §78]

The petition shall state the reasons that the title filed with the Secretary

of State does not substantially comply with the requirements of ORS 250.035.

(2) Any elector dissatisfied with the latest ballot title for an initiated or referred measure certified by the Attorney General and who timely submitted written comments on the draft ballot title may petition the Supreme Court seeking a different title. The petition shall state the reasons that the title filed with the Secretary of State does not substantially comply with the requirements of ORS 250.035.

(3) The petition shall name the Attorney General as the respondent and must be filed:

(a) Not later than the 10th business day after the Attorney General certifies a ballot title or a corrected ballot title to the Secretary of State, whichever is later; or

(5) The Supreme Court shall review the title for substantial compliance with the requirements of ORS 250.035.

(6) When reviewing a title certified by the Attorney General, the Supreme Court shall not consider arguments concerning the ballot title not presented in writing to the Secretary of State unless the court determines that the argument concerns language added to or removed from the draft title after expiration of the comment period provided in ORS 250.067.

(7) The review by the Supreme Court shall be conducted expeditiously to ensure the orderly and timely circulation of the petition or conduct of the election at which the measure is to be submitted to the electors.

(8) If the Supreme Court determines that the latest ballot title certified by the Attorney General or prepared by the Legislative Assembly substantially complies with the requirements of ORS 250.035, the court shall certify the title to the Secretary of State. If the Supreme Court determines that the latest ballot title certified by the Attorney General or prepared by the Legislative Assembly does not substantially comply with the requirements of ORS 250.035, the court shall modify the ballot title and certify the ballot title to the Secretary of State or refer the ballot title to the Attorney General for modification.

(9) Not later than five business days after the Supreme Court refers a ballot title to the Attorney General under this section, the Attorney General shall file a modified ballot title with the Supreme Court and serve copies of the modified ballot title on all parties to the ballot title review proceeding. If no party to the ballot title review proceeding files an objection to the modified ballot title within five business days after the date the modified ballot title is filed, the Supreme Court shall certify the modified ballot title to the Secretary of State and enter an appellate judgment the next judicial day. If any of the parties to the ballot title review proceeding timely files a petition objecting to the modified ballot title, the Supreme Court shall review the modified ballot title to determine whether the modified ballot title substantially complies with the requirements of ORS 250.035.

(10) Upon the filing of a petition under subsection (9) of this section objecting to a modified ballot title:

(a) If the Supreme Court determines that the modified ballot title substantially complies with the requirements of ORS 250.035, the court shall certify the modified ballot title to the Secretary of State; or

250.105 Filing officer; consideration of signatures on prospective petition; filing requirements; signature verification; rules. (1)(a) An initiative or referendum petition relating to a state measure must be filed with the Secretary of State for the purpose of verifying whether the petition contains the required number of signatures of electors.

(b) Signatures on a prospective petition for a state measure to be initiated shall be considered under this section for the purpose of verifying whether the initiative petition contains the required number of signatures of electors.

(c) When filing an initiative or referendum petition, the chief petitioner shall sort the signature sheets on the basis of the name of the person who obtained the signatures on the sheet.

(e) The filed initiative or referendum petition must contain only original signatures. The secretary or county clerk shall verify each petition in the order in which the petitions are filed with the secretary.

(2) The secretary may not accept an initiative or referendum petition relating to a state measure for filing if the petition contains less than 100 percent of the required number of signatures.

(3) If an initiative or referendum petition is submitted not less than 165 days before the election at which the proposed measure is to be voted upon and if the secretary determines that insufficient signatures have been submitted but the deadline for filing the petition has not passed, the petitioners may submit additional signatures.

(4) The secretary by rule shall designate a statistical sampling technique to verify whether a petition contains the required number of signatures of electors. A petition may not be rejected for the reason that it contains less than the required number of signatures unless two separate sampling processes both establish that the petition lacks the required number of signatures. The second sampling must contain a larger number of signatures than the first sampling. If two samplings are required under this subsection, the total number of signatures verified on the petition shall be not less than five percent of the total number of signatures on the petition.

(5) For purposes of estimating the number of duplicate signatures contained in a petition, the secretary shall apply at least an eight percent duplication rate in the first sampling of signatures on all petitions. If a second sampling of signatures is required under subsection (4) of this section, the secretary shall calculate an estimated signature duplication rate for each petition for which a second sampling is required. The calculation shall be based on the number of electors the secretary determines have signed a specific petition more than once.

(6) When verifying signatures for a state initiative or referendum petition, the secretary or county clerk shall identify on an elector's voter registration record or other database that the elector signed the specific initiative or referendum petition.

(7) The Secretary of State may employ professional assistance to determine the sampling technique to be designated under subsection (4) of this section. [1979 c.190 §149; 1985 c.447 §7; 1989 c.68 §6; 1999 c.1021 §1; 2007 c.848 §11]

The measures shall be assigned numbers in the order in which the measures are filed with the secretary.

(2) The Secretary of State shall number state measures not referred to under subsection (1) of this section consecutively, beginning with the number after the last number assigned under subsection (1) of this section, in the order in which the measures are filed with the secretary. (1) When a state measure involves expenditure of public moneys by the state, reduction of expenditure of public moneys by the state, reduction of state revenues or raising of funds by the state by imposing any tax or incurring any indebtedness, the financial estimate committee created under this section shall estimate:

(a) The amount of direct expenditure, direct reduction of expenditure, direct reduction in state revenues, direct tax revenue or indebtedness and interest that will be required to meet the provisions of the measure if it is enacted; and

(b) The aggregate amount of direct expenditure, direct reduction of expenditure, direct reduction in revenues, direct tax revenue or indebtedness and interest that will be required by any city, county or district to meet the provisions of the measure if it is enacted.

(2) For a state measure for which an estimate is required to be prepared under subsection (1) of this section, the financial

estimate committee may also estimate the amount of direct expenditure, direct reduction of expenditure, direct reduction in revenues, direct tax revenue or indebtedness and interest that will result for the state or any city, county or district if the measure is not enacted. The financial estimate committee may make an estimate under this subsection if the Legislative Assembly has enacted a law that will apply only if the measure for which the estimate is prepared is not enacted.

(3) For a state measure for which an estimate is required to be prepared under subsection (1) of this section, the financial estimate committee shall consult with the Legislative Revenue Officer to determine if the measure has potentially significant indirect economic or fiscal effects. If the committee determines that the indirect economic or fiscal effects of the measure are significant and can be estimated, the Legislative Revenue Officer shall prepare on behalf of the committee an impartial estimate of the indirect economic or fiscal effects of the measure. The Legislative Revenue Officer shall use the best available economic models and data to produce the estimate. The financial estimate committee shall incorporate relevant parts of the estimate prepared by the Legislative Revenue Officer into the estimate prepared by the committee under subsection (1) of this section.

(4) Except as provided in subsection (5) of this section, the estimates described in subsections (1) and (2) of this section shall be printed in the voters' pamphlet and on the ballot. The estimates shall be impartial, simple and understandable and shall include the following information:

(a) A statement of the amount of financial effect on state or local government expenditures, revenues or indebtedness, expressed as a specific amount or as a range of amounts;

(b) A statement of any recurring annual amount of financial effect on state or local government expenditures, revenues or indebtedness;

(c) A description of the most likely financial effect or effects of the adoption of the measure; and

(d) If an estimate is made under subsection (2) of this section, a description of the most likely financial effect or effects if the measure is not enacted.

(5) If the financial estimate committee determines that the measure will have no financial effect on state or local government expenditures, revenues or indebtedness or that the financial effect on state or local government expenditures, revenues or in-

debtedness will not exceed \$100,000, the committee shall prepare and file with the Secretary of State a statement declaring that the measure will have no financial effect or that the financial effect will not exceed \$100,000. The statement shall be printed in the voters' pamphlet and on the ballot.

(6) In addition to the estimates described in subsections (1) and (2) of this section, if the financial estimate committee considers it necessary, the committee may prepare and file with the Secretary of State an impartial, simple and understandable statement explaining the financial effects of the measure. The statement may not exceed 500 words. The statement shall be printed in the voters' pamphlet with the measure to which it relates.

(7) The Legislative Administration Committee shall provide any administrative staff assistance required by the financial estimate committee to facilitate the work of the financial estimate committee under this section or ORS 250.127.

(8) The financial estimate committee is created, consisting of the Secretary of State, the State Treasurer, the Director of the Oregon Department of Administrative Services, the Director of the Department of Revenue and a representative of a city, county or district with expertise in local government finance. 250.127 Preparation and filing of estimates and statements of financial impact of state measure.

(1) Not later than the 99th day before a special election held on the date of a primary election or any general election at which any state measure is to be submitted to the people, the financial estimate committee created under ORS 250.125 shall prepare and file with the Secretary of State the estimates described in ORS 250.125 and, if the committee considers it necessary, a statement explaining the financial effects of the measure as described in ORS 250.125 (6). The financial estimate committee may begin preparation of the estimates and statement on the date that a petition is accepted for verification of signatures under ORS 250.105 or the date that a measure referred by the Legislative Assembly is filed with the Secretary of State, whichever is applicable.

(2) Not later than the 95th day before the election, the Secretary of State shall hold a hearing in Salem upon reasonable statewide notice to receive suggested changes to the estimates or statement or to receive other

(3) The financial estimate committee shall consider suggestions and any other information submitted under subsection (2) of this section, and may file revised estimates or a revised statement with the Secretary of State not later than the 90th day before the election.

(6) The support or opposition of any member of the financial estimate committee to the original or revised estimates or statement shall be indicated in the minutes of any meeting of the committee. Meetings of the financial estimate committee shall be open to the public. Designees of the members of the financial estimate committee may attend any meetings of the committee in the place of the members, but the designees may not vote to approve or oppose any estimates or statement.

(7) A failure to prepare, file or certify estimates or a statement under ORS 250.125, this section or ORS 250.131 does not prevent the inclusion of the measure in the voters' pamphlet or placement of the measure on the ballot.

(8) If the estimates are not delivered to the county clerk by the 61st day before the election, the county clerk may proceed with the printing of ballots. The county clerk is not required to reprint ballots to include the estimates or to provide supplemental information that includes the estimates. [1991 c.971 §3; 1993 c.493 §16; 1995 c.712 §33; 1999 c.318 §19; 2001 c.965 §8; 2005 c.633 §2]

A petition is not allowed concerning the contents of the estimate or statement or whether an estimate or statement should be prepared.

(2) If the petition is filed not later than the 85th day before the election at which the measure is to be voted upon, the court shall review the procedures under which the estimate or statement was prepared, filed and certified, hear arguments and determine whether the procedures required under ORS 250.125 and 250.127 were satisfied. The review by the Supreme Court shall be conducted expeditiously to ensure the orderly and timely conduct of the election at which the measure is to be submitted to the electors.

(3) If the court determines that the procedures described in ORS 250.125 and 250.127 were not satisfied, the court shall order the preparation of a second estimate or statement, to be prepared, filed and certified as provided in ORS 250.125 and 250.127 except that:

(a) The financial estimate committee created under ORS 250.125 shall prepare and file with the Secretary of State an estimate or statement not later than two days following the decision of the court;
