COUNTY AND MUNICIPAL FINANCIAL ADMINISTRATION

(Generally)

294.005 Definitions for ORS 294.005 to 294.025. As used in ORS 294.005 to 294.025, unless the context requires otherwise:

(1) “Warrant” means a warrant issued by a subdivision.

(2) “Subdivision” means any county, municipal corporation, quasi-municipal corporation, or civil or political subdivision in this state.

294.010 Surrender of warrants upon payment. Subject to ORS 294.015, no warrant issued by a subdivision shall be paid unless such warrant is surrendered and delivered to the officer charged with the payment thereof, contemporaneously with payment or prior thereto.

294.015 Payment on lost, stolen or destroyed warrants upon affidavit of owner, payee or representative. A warrant may be paid without surrender or delivery thereof if

the one claiming to be the lawful owner of the warrant:

(1) Satisfies the officer by whom payment is to be made that the warrant has been lost, stolen or destroyed prior to the owner having received value therefor or having negotiated the warrant; and

(2) Furnishes to the issuing officer a written statement signed by such person specifically alleging that the owner is the lawful owner, payee or legal representative of the lawful owner or payee of the original instrument giving the date of issue, the number, amount, for what services or claim the original instrument was issued and that the original instrument has been lost, destroyed or stolen, and has not been paid. However, if the lawful owner, payee or legal representative is (a) a bank or national bank, (b) the federal government or (c) this state or any board, department, commission or subdivision of this state, or any officer thereof in the officer’s official capacity, a certificate may be furnished in lieu of an affidavit or affirmation. The issuing officer may also, in the officer’s discretion, require the bank or national bank to furnish a satisfactory indemnity agreement executed by the bank or national bank. [Amended by 1979 c.763 §6]

294.020 [Repealed by 1979 c.763 §7]

294.025 Effect of wrongful payment; liability of officer. When any warrant is paid, other than as authorized by ORS 294.005 to 294.025, such wrongful payment does not relieve the political body issuing the warrant from liability to the true and lawful owner thereof. However, the officer or person making such wrongful payment and the sureties on the official bond of the officer or person, if any, shall be responsible to the political body represented by the officer or person in making such payment, for the full amount of the loss occasioned thereby. [Amended by 2005 c.22 §222]

294.027 Provisions relating to warrants and payment of claims. (1) In addition to any other provisions of law for the issuance and payment of warrants of any municipal or quasi-municipal corporation or civil subdivision of this state other than school districts, the governing body thereof may by resolution authorize such practices with respect to the form, issuance, delivery, indorsement and payment of warrants as it shall deem convenient, efficient and in the public interest, conforming substantially to those specified in subsection (1) or (2) of this section or in ORS 294.028.

(2) Such governing body may authorize the use of check-warrant forms, to be drawn by its appropriate warrant issuing officer or officers upon the custodian of its funds, so

prepared that such custodian may, by subscribing a direction to the depository of such funds to pay the same to the order of the payee, convert the instrument to a check or, by subscribing an indorsement that such warrant is not paid for want of funds, convert the same to an interest-bearing warrant and such governing body may direct that such check-warrants shall not be delivered to the payees therein named until such direction or indorsement shall have been subscribed by the custodian of its funds.

(3) Such governing body may provide that when funds are available for the payment of approved claims, the approval of claims for payment shall, without the issuance of any warrant, be authority to the custodian of its funds to pay such claims by check. [1953 c.664 §1]

294.028 Payment of warrants by depository. When authorized by the governing body, any custodian of funds of any municipal or quasi-municipal corporation or civil subdivision of this state other than a school district may direct the depository of such funds to pay any warrant drawn upon such custodian upon presentment of such warrant to such depository, to the same extent and with the same effect as though such warrant were a check drawn upon such depository by such custodian. Such direction shall be in writing and shall identify by name and signature the warrant issuing officer or officers and such depository may rely upon such direction and identification in the payment of such warrants. [1953 c.664 §2]

294.029 Provisions of ORS 294.027 and 294.028 not mandatory. Nothing contained in ORS 294.027 or 294.028 shall be deemed to require any municipal or quasi-municipal corporation or civil subdivision of this state or any custodian of public funds to exercise any of the powers conferred by such sections. [1953 c.664 §3]

294.030 Deductions for bonds from compensation of municipal and other employees; purchasing bonds in advance. (1) The governing body of a municipal corporation, quasi-municipal corporation or civil subdivision of the state may, with the approval of the relevant employees of the municipal corporation, quasi-municipal corporation or civil subdivision, make deductions from their salaries and wages for the purpose of purchasing for them United States War Savings Bonds or other federal obligations.

(2) The governing body shall take proper precautions for the depositing, securing and disbursing of the sums so deducted and for the delivering of all bonds or other obligations purchased.

(3) Balances to the credit of the accounts in which the sums so deducted are deposited may be used for the purchase in advance, from the federal government or from any federal reserve bank or other authorized federal agency, of war savings bonds or other obligations of the federal government, either in blank or in inscribed form, in convenient denominations to meet the requirements of the purchasers thereof.

294.033 Investment of deferred compensation funds. Funds set aside by any local government pursuant to a deferred compensation plan may be invested in any investment enumerated in ORS 294.035 and are not subject to the collateral requirements of ORS chapter 295. [1977 c.470 §3; 1997 c.179 §26; 2005 c.91 §1]

(2) This section does not:

(a) Limit the authority of the custodial officer to invest surplus funds in other investments when the investment is specifically authorized by another statute.

(b) Apply to a sinking fund or a bond fund established in connection with conduit revenue bonds issued by a county, municipality, political subdivision or school district for private business entities or nonprofit corporations.

(3) Investments authorized by this section are:

(a) Lawfully issued general obligations of the United States, the agencies and instrumentalities of the United States or enterprises sponsored by the United States Government.

(b) Lawfully issued debt obligations of the agencies and instrumentalities of the State of Oregon and its political subdivisions that have a long-term rating of A or an equivalent rating or better or are rated on the settlement date in the highest category for short-term municipal debt by a nationally recognized statistical rating organization.

(C) Under the terms of the plan the net income from or gain or loss due to fluctuation in value of the underlying assets of the trust, or other change in such assets, is reflected in an equal increase or decrease in the amount distributable to the employee or the beneficiary thereof and, therefore, does not ultimately result in a net increase or decrease in the worth of the public employer or the state; and

(D) The fidelity of the trustees and others with access to such assets, other than a trust company, as defined in ORS 706.008, is insured by a surety bond that is satisfactory to the public employer, issued by a company authorized to do a surety business in this state and in an amount that is not less than 10 percent of the value of such assets.

(h)(A) Banker's acceptances, if the banker's acceptances are:

(i) Guaranteed by, and carried on the books of, a qualified financial institution;

(ii) Eligible for discount by the Federal Reserve System; and

(B) For the purposes of this paragraph, "qualified financial institution" means:

(i) A financial institution that is located and licensed to do banking business in the State of Oregon; or

(ii) A financial institution that is wholly owned by a financial holding company or a bank holding company that owns a financial institution that is located and licensed to do banking business in the State of Oregon.

(C) A custodial officer shall not permit more than 25 percent of the moneys of a local government that are available for investment, as determined on the settlement date, to be invested in banker's acceptances of any qualified financial institution.

(i)(A) Corporate indebtedness subject to a valid registration statement on file with the Securities and Exchange Commission or issued under the authority of section 3(a)(2) or 3(a)(3) of the Securities Act of 1933, as amended. Corporate indebtedness described in this paragraph does not include banker's acceptances. The corporate indebtedness must be issued by a commercial, industrial or utility business enterprise, or by or on behalf of a financial institution, including a holding company owning a majority interest in a qualified financial institution.

(B) Corporate indebtedness must be rated on the settlement date P-1 or Aa or better by Moody's Investors Service or A-1 or AA or better by Standard & Poor's Corporation or equivalent rating by any nationally recognized statistical rating organization.

(C) Notwithstanding subparagraph (B) of this paragraph, the corporate indebtedness must be rated on the settlement date P-2 or A or better by Moody's Investors Service or A-2 or A or better by Standard & Poor's Corporation or equivalent rating by any nationally recognized statistical rating organization when the corporate indebtedness is:

(i) Issued by a business enterprise that has its headquarters in Oregon, employs more than 50 percent of its permanent workforce in Oregon or has more than 50 percent of its tangible assets in Oregon; or

(ii) Issued by a holding company owning not less than a majority interest in a qualified financial institution, as defined in paragraph (h) of this subsection, located and licensed to do banking business in Oregon or by a holding company owning not less than a majority interest in a business enterprise described in sub-subparagraph (i) of this subparagraph.

(j) Securities of any open-end or closed-end management investment company or investment trust, if the securities are of the types specified in paragraphs (a) to (c), (h) and (i) of this subsection and if the investment does not cause the county, municipality, political subdivision or school district to become a stockholder in a joint company, corporation or association. A trust company or trust department of a national bank while acting as indenture trustee may invest funds held by it as indenture trustee in any open-end or closed-end management investment company or investment trust for which the trust company or trust department of a national bank or an affiliate of the trust company or trust department of a national bank acts as investment adviser or custodian or provides other services. However, the securities of the investment company or investment trust in which the funds are invested must be of the types specified in paragraphs (a) to (c), (h) and (i) of this subsection and the investment must not cause the county, municipality, political subdivision or school district whose funds are invested to become a stockholder in a joint company, corporation or association. For purposes of this paragraph, companies are affiliated if they are members of the same affiliated group under section 1504 of the Internal Revenue Code of 1986 (26 U.S.C. 1504).

(k) Repurchase agreements whereby the custodial officer purchases securities from a financial institution or securities dealer subject to an agreement by the seller to repurchase the securities. (L) Shares of stock of any company, association or corporation, including but not limited to shares of a mutual fund, but only if the moneys being invested are funds set

294.047 Loss of principal on liquidation of investments. Whenever the custodial officer is forced to liquidate investments made pursuant to ORS 294.035 and 294.040 to meet current cash demands and such liquidation results in a loss of invested principal because the securities were liquidated prior to maturity under market conditions unfavorable to such liquidation, the loss shall be charged against current or future investment earnings and the custodial officer shall not be personally liable to make good such loss. [1959 c.612 §1; 1963 c.465 §1; 1975 c.359 §5]

294.048 Borrowing money when premature withdrawal or liquidation of certain investments would cause loss. When funds invested under ORS 294.035 (3)(d) are required to meet current cash demands and when withdrawal or liquidation of such investments at the time would cause a loss because the investment would be withdrawn or liquidated prior to maturity, the custodial officer may, after receiving the approval of the governing body, borrow funds on short-term promissory notes that shall be secured by pledging or assigning the investments held under ORS 294.035 (3)(d). The notes shall mature in not more than six months after date of issue. If a lender demands physical possession of the certificates of de-

[Amended by 1959 c.664 §29; 1969 c.616 §1]

(1) The moneys received by each county under ORS 293.560 shall be divided 75 percent to the road fund and 25 percent to the school fund of the county and, subject to subsection (2) of this section, the moneys shall be expended as other moneys in those funds are expended.

(2) The moneys apportioned to the county road fund may be applied in payment of any outstanding road bonds or may be placed in any county road bond sinking fund for the purpose of being so applied.

(3) Notwithstanding the division of receipts specified in subsection (1) of this section, in any county east of the summit of the Cascade Mountains with a population of less than 9,000 and more than 6,500, according to the 1990 federal decennial census, moneys from the road fund in excess of \$2 million may be transferred to the school fund when the amount of money credited to the road fund under subsection (1) of this section exceeds the amount needed for county roads, as determined by the board of county commissioners. Any amount received by a school

district from the county under this subsection that is in excess of the 25 percent required under subsection (1) of this section may not be considered as a receipt that would reduce the district's apportionments from the State School Fund.

(5) Notwithstanding the division of receipts specified in subsection (1) of this section, in any county east of the summit of the Cascade Mountains with a population of less than 6,500, according to the 1990 federal decennial census, moneys received by the county under ORS 293.560 may be divided between the road fund and the school fund of the county as specified under an agreement between the county governing body and the education service district board of the county that provides for a different apportionment of those moneys. Any amount received by a school district from the school fund of the county that is in excess of the 25 percent required under subsection (1) of this section may not be considered as a receipt that would reduce the district's apportionments from the State School Fund.

(6) Notwithstanding the division of receipts specified in subsection (1) of this section, in any county west of the summit of the Cascade Mountains with a population of less than 19,500 and more than 6,500, according to the 1990 federal decennial census, moneys from the road fund in excess of \$1 million may be transferred to the school fund when the amount of money credited to the road fund under subsection (1) of this section exceeds the amount needed for county roads, as determined by the board of county commissioners. Any amount received by a school district from the school fund of the county that is in excess of the 25 percent required under subsection (1) of this section may not be considered as a receipt that would reduce the district's apportionments from the State School Fund.

(3) Pending approval by the grazing advisory board of the expenditure of such money, all or any part of it may be invested in United States Government securities. In such case the securities shall be held by the county treasurer in lieu of such money so invested and subject to liquidation and expenditure when recommended by the grazing advisory board.

(3) On the demand in writing of 10 taxpayers of any municipal corporation with a population exceeding 100,000 inhabitants, filed with the tax supervising and conservation commission in the county in which the municipal corporation is situated, which demand sets forth that a public official has unlawfully expended public moneys in excess of the amount or for any other or different purpose than provided by law and that the expenditure constitutes malfeasance in office or willful or wanton neglect of duty, the tax supervising and conservation commission shall make an investigation of the facts as to the expenditure. This subsection shall not apply to municipal corporations or political subdivisions exempt from municipal audits in ORS 297.435.

(2) The custodial officer shall prepare a report not less than monthly to each county, municipality, school district and other political subdivision the segregated funds of which the custodial officer is then investing, as to changes made in the investments of the funds of that body during the preceding month. [1995 c.576 §5; 2007 c.71 §90]

COUNTY ASSESSMENT FUNDING ASSISTANCE PROGRAM

294.175 Definitions; county expenditures for assessment; determination of adequacy; certification of adequacy; appeal of denial of certification; effect of certification. (1) As used in this section and ORS 294.178 to 294.187:

(a) "Department" means the Department of Revenue.

(b) "Expenditures" has the meaning given the term for purposes of ORS 294.305 to 294.520 and may be further defined by rule of the department. "Expenditures" does not include any item or class of items that cannot reasonably be allocated to an organizational unit.

(c) "Expenditures for assessment and taxation" means expenditures for any of the activities, functions or services required of a county in the assessment, equalization, levy, collection or distribution of property taxes under ORS chapters 305, 306, 307, 308, 308A, 309, 310, 311, 312 and 321. "Expenditures for assessment and taxation" specifically includes expenditures for appraising principal or secondary industrial properties, the responsibility for the making of which has been delegated by the department to a county under ORS 306.126 (3).

(d) "Grant" has the meaning given the term for purposes of ORS 294.305 to 294.520, and is further described under ORS 294.178.

(2) On or before May 1 of each year, each county shall file with the department a true copy of its estimates of expenditures for assessment and taxation for the ensuing year as prepared for purposes of ORS 294.352 but in accordance with any rules adopted by the department.

(3) Upon receipt of the estimate, the department shall review the estimate to determine its adequacy to provide the resources needed to achieve compliance with ORS 308.232 and 308.234, ORS chapter 309 and other laws requiring equality and uniformity in the system of property taxation within the county in order that the same equality and uniformity may be achieved throughout the state.

(4) If, upon initial review of the estimate, the department determines that the proposed expenditures, or any of them, are not at the level or of the type needed to achieve adequacy, the department shall notify the county governing body. The notice shall contain an explanation of the reasons for the determination and may describe specific items or classifications of expenditure which the department has determined are required, or are not required, in order to achieve adequacy. The notice shall fix the date upon which a conference with the county governing body or representatives of the county governing body shall be held.

(5)(a) Subject to paragraph (b) of this subsection, if, upon initial review, or upon or after conference held on the date specified in the notice under subsection (4) of this section, or another date or dates convenient

to the department and the county governing body, the department determines that the expenditures as initially filed, or that the expenditures as agreed upon at the conference, are at the level and of the type needed to achieve adequacy for that year or over a period of years under a plan presented as described under ORS 294.181, the department shall certify to the county governing body that its estimate of expenditures for assessment and taxation so determined are adequate and that the county will be included in the computation made under ORS 294.178 for the purpose of determining the amount of that county's quarterly grant. The department shall include in the certification an estimate of the percentage share of the funds available in the County Assessment Function Funding Assistance Account that the county will receive under ORS 294.178 and an estimate of the total amount of the grant that will be forthcoming to the county from that account for the ensuing year on account of the certification.

(b) The department shall not certify expenditures under this subsection that the department determines are in excess of the expenditures necessary to meet the requirements of subsection (3) of this section.

(6) Any certification issued under subsection (5) of this section shall be issued as of the June 15 following the filing of the estimate of expenditures under subsection (2) of this section. If, as of June 15, agreement has not been reached between the department and the county governing body upon the estimate, the department shall issue a denial of certification.

(7) A county may appeal the determination of the department under subsection (5)(b) of this section or the denial of certification issued under subsection (6) of this section to the Director of the Oregon Department of Administrative Services. Appeal shall be filed within 10 days after the date that the denial of certification is issued. The sole issue upon appeal shall be the adequacy of expenditures for assessment and taxation as filed with the department under subsection (2) of this section, and the determination, if any, made by the department under subsection (5)(b) of this section. If the Oregon Department of Administrative Services does not issue an order approving the expenditures before July 1 of the fiscal year for which the expenditures are proposed, the certification for purposes of ORS 294.175 to 294.187 shall be considered denied. [1989 c.796 §2; 1995 c.748 §11; 1997 c.782 §2; 1999 c.314 §88; 2003 c.169 §9]

294.178 Assessment grant to county; determination of grant amount. (1) Before issuing any certificate under ORS 294.175,

the Department of Revenue shall estimate the amount available in the County Assessment Function Funding Assistance Account created under ORS 294.184 for distribution as grants to counties for the ensuing fiscal year.

(2) The estimate shall be used to determine the estimated percent of the moneys available in the County Assessment Function Funding Assistance Account that each county will receive as grants and the total estimated grant that each county will receive for the ensuing fiscal year. The estimates so determined shall serve as the estimates required to be included in any certification issued under ORS 294.175 for that county.

(3) On or before the 25th day of the month following the close of each fiscal quarter, the department shall pay a percentage of the moneys in the County Assessment Function Funding Assistance Account as of the close of that fiscal quarter to each county to which a certificate has been issued under ORS 294.175.

(4) Except as provided under subsection (5) of this section, the percentage to be paid to each county under subsection (3) of this section shall be the percentage that the expenditures of the county certified by the department to the county governing body under ORS 294.175 bears to the total of all expenditures of all counties certified by the department to counties under ORS 294.175. In determining the expenditures of a county or in determining the total of all expenditures for purposes of this subsection:

(a) No expenditures shall be included that have not been certified under ORS 294.175.

(b) No expenditures of any county that did not file an estimate of expenditures under ORS 294.175 shall be included.

(c) No expenditures of any county for which certification has been denied shall be included.

(d) No expenditures of any county that does not make its appropriation under ORS 294.435 based upon 100 percent of the expenditures certified shall be included.

(e) No expenditures of any county that does not certify compliance under ORS 294.181 shall be included.

(5) If the expenditures of a county are not included for a fiscal quarter on account of subsection (4) of this section, no grant shall be made to that county under subsection (3) of this section for that fiscal quarter. If grant funds are denied to any county under this subsection for any fiscal quarter, the percentage determined under subsection (4) of this section shall be redetermined, excluding from the computation for that fiscal

quarter the certified expenditures of the county for which grant funds are denied to the end that all of the funds available in the County Assessment Function Funding Assistance Account as of the close of the fiscal quarter may be distributed. [1989 c.796 §3; 1997 c.782 §3; 2003 c.273 §1]

294.181 Alternative method for certification. (1) If, at a conference held pursuant to notice under ORS 294.175, it becomes apparent that a county will be unable to meet the level of expenditures necessary to achieve adequacy for the tax year for which the filing under ORS 294.175 was made, the Department of Revenue may certify to the county governing body expenditures for assessment and taxation at the level contained in the county's estimate on file with the department or as adjusted by the conference agreement.

(1) "Accrual basis" means the recording of the financial effects on a municipal corporation of transactions and other events and circumstances that have cash consequences for the municipal corporation in the periods in which those transactions, events and circumstances occur, rather than only in the periods in which cash is received or paid by the municipal corporation.

(2) "Activity" means a specific and distinguishable service performed by one or more organizational components of a municipal corporation to accomplish a function for which the municipal corporation is responsible.

(3) "Appropriation" means an authorization granted by the governing body to make expenditures and to incur obligations for specific purposes. An appropriation is limited to a single fiscal year for municipal corporations preparing annual budgets, or to the budget period for municipal corporations preparing biennial budgets.

(4) "Basis of accounting" means the cash basis, the modified accrual basis or the accrual basis.

(5) "Budget" means a plan of financial operation embodying an estimate of expenditures for a given period or purpose and the proposed means of financing the estimated expenditures.

(6) "Budget document" means the estimates of expenditures and budget resources as set forth on the estimate sheets, tax levy and the financial summary.

(7) "Budget period" means, for municipal corporations with the power to levy a tax upon property, the two-year period commencing on July 1 and closing on June 30 of the second calendar year next following, and for all other municipal corporations, an accounting period of 24 months ending on the last day of any month.

(8) "Budget resources" means resources to which recourse can be had to meet obligations and expenditures during the fiscal year or budget period covered by the budget.

(9) "Cash basis" means a basis of accounting under which transactions are recognized only in the period during which cash is received or disbursed.

(10) "Current budget period" means the budget period in progress.

(11) "Current year" means the fiscal year in progress.

(12) "Encumbrance accounting" means the method of accounting under which outstanding encumbrances are recognized as reductions of appropriations and the related commitments are carried in a reserve for encumbrances until liquidated, either by replacement with an actual liability or by cancellation. This method of accounting may be used as a modification to the accrual basis of accounting in accordance with generally accepted accounting principles.

(13) "Encumbrances" means obligations in the form of purchase orders, contracts or salary commitments which are chargeable to an appropriation and for which a part of the appropriation is reserved. Obligations cease to be encumbrances when paid or when the actual liability is set up.

(1) When a notice, budget summary or other document is required to be published under any provision of ORS 294.305 to 294.565, publication of the document shall be considered sufficient for all purposes if a good faith

effort is made by the budget officer of the municipal corporation to publish by any one or more of the methods described in ORS 294.311 (34), notwithstanding any defect in the publication, including but not limited to:

(a) Typographical or scriveners' errors in the published material;

(b) Failure of the published materials to be mailed or hand delivered to each street address within the jurisdictional boundaries of the municipal corporation;

(c) Arithmetic errors in computing numerical information, including tax levies or tax rates;

(d) Calculations of ad valorem property taxes not made in accordance with the applicable requirements of law; or

(e) Failure to publish within the time periods required by law.

(2) At the first regularly scheduled meeting of the governing body of the municipal corporation that is held following the discovery of any publication error described in subsection (1)(a), (c) or (d) of this section, the budget officer shall advise the governing body in writing of the error and shall correct the error by testimony before the governing body at the meeting. If the error relates to the calculation of ad valorem property taxes, the budget officer shall immediately notify the county assessor of the error in writing, identifying the correct ad valorem property tax. [Formerly 294.415; 1997 c.308 §20; 1997 c.541 §336b; 1999 c.632 §10; 2001 c.104 §105; 2001 c.135 §17]

294.430 Hearing by governing body on budget document as approved by budget committee; alternative procedure in certain cases. (1) Except as provided in subsections (2) and (3) of this section, the governing body of a municipal corporation shall meet at the time and place designated in the notice of meeting required by ORS 294.416 for the purpose of holding a public hearing on the budget document as approved by the budget committee. At the meeting any person may appear for or against any item in the budget document.

(2) Each municipal corporation having a population exceeding 200,000 and located in a county having a tax supervising and conservation commission, shall, in lieu of the meeting provided for in subsection (1) of this section, submit its budget document to the tax supervising and conservation commission of the county. The governing body of such municipal corporation or its representatives shall meet with the taxpayers thereof at a public hearing to be called and conducted by the tax supervising and conservation commission.

(3) Any municipal corporation having a population not exceeding 200,000 and located

in a county having a tax supervising and conservation commission, may, in lieu of the meeting provided for in subsection (1) of this section, submit its budget document to the tax supervising and conservation commission of the county for a public hearing. The governing body of such municipal corporation or its representatives shall meet with the taxpayers thereof at a public hearing to be called and conducted by the tax supervising and conservation commission.

(4) If its territory lies in two or more counties, a municipal corporation subject to subsection (2) of this section shall, and a municipal corporation subject to subsection (3) of this section may, submit its budget document to the tax supervising and conservation commission for public hearing if the real market value of all property subject to taxation by the municipal corporation in the county with a commission is greater than the real market value of all property subject to taxation by the municipal corporation in any other county. Real market value is the real market value computed according to ORS 308.207 from the assessment rolls last in the process of collection. [1963 c.576 §24; 1969 c.155 §3; 1991 c.459 §8; 1997 c.308 §21]

294.435 Governing body to adopt budget, make appropriations, declare and categorize property tax amount or rate; greater tax, encumbrance or expenditure limited; exception. (1) After the public hearing provided for in ORS 294.430 (1) has been held, the governing body shall enact the proper ordinances or resolutions to adopt the budget, to make the appropriations, to determine, make and declare the ad valorem property tax amount or rate to be certified to the assessor for either the ensuing year or each of the years of the ensuing budget period and to itemize and categorize the ad valorem property tax amount or rate as provided in ORS 310.060. Consideration shall be given to matters discussed at the public hearing. The budget estimates and proposed ad valorem property tax amount or rate as shown in the budget document may be amended prior to adoption and may also be amended by the governing body following adoption if such amendments are adopted prior to the commencement of the fiscal year or budget period to which the budget relates. However, the amount of estimated expenditures for each fund in an annual budget may not be increased by more than \$5,000 or 10 percent of the estimated expenditures, whichever is greater, and the amount of estimated expenditures for each fund in a biennial budget may not be increased by more than \$10,000 or 10 percent of the estimated expenditures, whichever is greater, and the amount or rate of the total ad valorem property taxes to be certified by the municipal

corporation to the assessor may not exceed the amount approved by the budget committee:

(a) Unless the amended budget document is republished as provided by ORS 294.416 or 294.418 and 294.421 for the original budget and another public hearing is held as provided by ORS 294.430 (1); or

(b) Except to the extent ad valorem property taxes may be increased pursuant to ORS 294.437.

(2) After the public hearing provided for in ORS 294.430 (2) or (3) has been held and the certification of the tax supervising and conservation commission received, if such certification is required, the governing body shall enact the proper ordinances or resolutions to adopt the budget, to make the appropriations, to determine, make and declare the ad valorem property tax amount or rate for either the ensuing fiscal year or each of the fiscal years of the ensuing budget period and to itemize and categorize the ad valorem property tax amount or rate as provided in ORS 310.060. Consideration shall be given any orders, recommendations or objections made by the tax supervising and conservation commission in accordance with law. The action taken on each order, recommendation or objection after such consideration by the governing body, with the reasons for such action, shall be included in the ordinance or resolution adopting the budget. A certified copy of the ordinance or resolution shall be sent to the commission within 15 days after the date the ordinance or resolution is adopted. The budget estimates, appropriations and ad valorem property tax amount or rate as shown in the budget document may be amended prior to adoption and may also be amended by the governing body following adoption if such amendments are adopted prior to the commencement of the fiscal year or budget period to which the budget relates. However, the amount of estimated expenditures for each fund may not be increased by more than \$5,000 or 10 percent of the estimated expenditures, whichever is greater, the amount of estimated expenditures for each fund in a biennial budget may not be increased by more than \$10,000 or 10 percent of the estimated expenditures, whichever is greater, and the amount or rate of the total ad valorem property taxes to be certified by the municipal corporation to the assessor may not exceed the amount shown in the budget document at the time of the budget hearing:

(a) Unless the amended budget document is resubmitted to the tax supervising and conservation commission for another public hearing, and for recommendations or objections of that body; or

(b) Except to the extent ad valorem property taxes may be increased pursuant to ORS 294.437.

(3) The appropriations required by subsections (1) and (2) of this section shall, as a minimum, contain one amount for each organizational unit or program of each fund. In addition, separate amounts shall be appropriated in each fund for debt service, special payments, interfund revenue transfers, capital outlay, operating expenses which cannot be allocated to an organizational unit or program and operating contingencies. If the governing body so desires, it may appropriate separate amounts for activities within an organizational unit or program. For those municipal corporations where the term "organizational unit" has no application, the appropriations shall contain separate amounts for personal services, materials and services, capital outlay, debt service, special payments, interfund revenue transfers and operating contingency for each fund.

(4) Thereafter no greater expenditure, or encumbrance if encumbrance accounting is used, of public money shall be made for any specific purpose other than the amount appropriated therefor except as provided in ORS 294.326, 294.440, 294.450 and 294.480.

(5) The determination of the amount or rate of ad valorem property taxes to be certified shall be entered in the proper records of the governing body. Except as provided in ORS 294.437, no greater tax than that so entered upon the record shall be certified by the municipal corporation proposing the tax for the purpose or purposes indicated.

(6) Nothing contained in this section shall preclude a governing body during the fiscal year or budget period by appropriate ordinance or resolution, after public hearing, from adjusting budgeted resources and reducing appropriations to reflect a decrease in available resources.

(7)(a) The governing body shall determine, make and declare ad valorem property taxes under subsections (1) and (2) of this section as a rate per \$1,000 of assessed value if the taxes are operating taxes or rate-based local option taxes as a rate per \$1,000 of assessed value.

(b) The governing body shall determine, make and declare ad valorem property taxes under subsections (1) and (2) of this section as an amount if the taxes are being certified as amount-based local option taxes, to pay principal and interest on exempt bonded indebtedness or to pay other government obligations described in section 11 (5), Article XI of the Oregon Constitution. [1963 c.576 §25; 1965 c.451 §9; 1969 c.682 §1; 1971 c.516 §7; 1977 c.305 §2; 1979 c.310 §5; 1979 c.686 §8a; 1993 c.270 §3; 1997 c.308 §22;

294.437 Local option tax approved after adoption of budget; supplemental budget. (1) Following the adoption of a budget under ORS 294.435 that does not include revenue from a proposed local option tax, if a municipal corporation places a local option tax measure on the ballot for an election held in September and the electors of the municipal corporation approve the measure, in order to impose the local option tax during the current fiscal year or current budget period the governing body of the municipal corporation must:

(a) Adopt an ordinance or resolution to determine, make and declare the local option tax and to categorize the local option tax amount or rate as provided in ORS 310.060;

(b) Receive from the assessor of the county in which the municipal corporation is located (or, if the municipal corporation is located in more than one county, from the assessor of each county in which the municipal corporation is located) written approval to file a supplemental notice of property tax as described in ORS 310.060 (9); and

(c) File with the assessor of the county in which the municipal corporation is located (or, if the municipal corporation is located in more than one county, with the assessor of each county in which the municipal corporation is located) two copies of the ordinance or resolution described in paragraph (a) of this subsection, two copies of the supplemental notice of property tax required under ORS 310.060 and two copies of the approved local option tax measure.

(2) Following the adoption of a budget under ORS 294.435 that does not include revenue from a proposed local option tax or taxes to pay principal and interest on exempt bonded indebtedness, if a municipal corporation places a local option tax measure or a general obligation bond measure on the ballot for an election, other than an election held in September, next following adoption of the budget and the electors of the municipal corporation approve the measure, in order to impose the tax during the second fiscal year of a biennial budget period, the governing body of the municipal corporation must:

(a) Adopt an ordinance or resolution to determine, make and declare the tax and to categorize the tax amount or rate as provided in ORS 310.060; and

(b) Include with the certification required under ORS 310.060 for the second fiscal year of the biennial budget period, two copies of the ordinance or resolution described in paragraph (a) of this subsection and two copies

of the approved local option tax measure or general obligation bond measure.

(3) Funds raised by a local option tax described in this section may not be expended by the municipal corporation unless the municipal corporation has adopted a supplemental budget in accordance with ORS 294.480. Funds may be expended only in accordance with the supplemental budget so adopted.

(4) As soon as received, the county assessor shall forward one copy of each of the documents described in subsection (1)(c) of this section to the Department of Revenue. [2001 c.753 §4; 2007 c.350 §1]

Note: 294.437 was added to and made a part of 294.305 to 294.565 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

294.440 School or community college district expending federal or state funds in emergency. Whenever the board of directors of any school district or the board of education of any community college district has declared the existence of an emergency necessitating a greater expenditure of public money for any specific purpose or purposes than the amount appropriated therefor in order to provide or maintain and operate, or both, adequate school or college facilities, supplies and personnel for the proper instruction of the pupils who are attending or will attend the public schools or college within such district during the remainder of the budget year, such board may make excess expenditures for such specific purpose or purposes beyond the amount appropriated therefor to the extent that all funds for such excess expenditures are:

(1) Advanced or committed to such district by apportionment, grant, contribution or allocation from the United States, or any agency thereof. In connection therewith, the district may enter into and carry out any plan of financing sponsored by the United States, or any agency thereof, upon such terms and conditions and subject to such lawful rules and regulations as may be prescribed by the United States, or a proper agency thereof;

(2) Made available to a common or union high school district by the education service district board from an emergency aid fund established under ORS 334.370. [1963 c.576 §26; 1971 c.513 §58; 1983 c.740 §84]

294.443 Certain interest to be included in budget; method. In the exercise of the authority granted by ORS 287A.180, 328.565 and 341.715, specific provision for interest must be contained in duly adopted budgets. However, reporting of anticipated loan proceeds and related principal repayments within a particular fiscal year or budget pe-

riod may be accomplished in narrative form or by footnoted schedules to the duly adopted budget and need not be included as a budgetary resource or requirement. Such narrative or footnoted disclosure must indicate that principal repayments are a liability of the applicable fund from which they are made. [1985 c.356 §3; 1993 c.97 §16; 2001 c.135 §19; 2007 c.783 §120]

294.445 Basis of accounting used by municipal corporation; change of basis.

(1) A municipal corporation shall record its revenues and expenditures, on a fund by fund basis, using either the cash basis, the modified accrual basis or the accrual basis of accounting.

(2) The selection of the basis of accounting is left to the discretion of each municipal corporation. Any change in the basis of accounting shall be clearly set forth in the budget message for the fiscal year or budget period in which the change is contemplated and the reasons for the change and its effect on the operations of the municipal corporation shall be explained. Once a new basis of accounting is adopted, it shall be followed in the year or period for which the budget was prepared and each succeeding year or period thereafter until changed in a subsequent budget. Such change must be published as provided in ORS 294.416 (3). [1963 c.576 §28; 1977 c.305 §3; 1997 c.308 §23; 2001 c.135 §20]

294.447 Inclusions in accrued revenues of school districts, education service districts, community college districts and community college service districts using accrual basis of accounting; State School Fund grant calculations. (1) As used in this section "extended ADMw" means:

(a) For a school district the district extended ADMw as calculated under ORS 327.013.

(b) For an education service district the sum of the extended ADMw of the component school districts of the education service district.

(2) Notwithstanding ORS 294.445, a school district or education service district that uses the accrual basis method of accounting may include as accrued revenues in the budget and financial statement of the school district or education service district, for any fiscal year, an amount from the next fiscal year that is to be received in the next fiscal year. The amount accrued under this section may not be greater than the amount calculated under subsection (3)(b) or (c) of this section multiplied by the extended ADMw of the school district or education service district.

(3)(a) For each fiscal year, the Department of Education shall calculate the

amount available in the State School Fund for grants and distributions to school districts and the amount available for grants and distributions to education service districts under ORS 327.008, 327.013 and 327.019 based on the appropriations and allocations made to the State School Fund for that fiscal year by the Legislative Assembly in regular session. The department may not include in the amount calculated to be available for school districts under this paragraph the amounts received by the Youth Corrections Education Program and the Juvenile Detention Education Program under ORS 327.026 from the State School Fund.

(b) The department shall calculate for school districts an amount equal to (the amount calculated under paragraph (a) of this subsection for school districts ÷ 12) ÷ the total statewide extended ADMw of all school districts.

(c) The department shall calculate for education service districts an amount equal to (the amount calculated under paragraph (a) of this subsection for education service districts ÷ 12) ÷ the total statewide extended ADMw of all education service districts.

(d) The department may adjust the calculations under this subsection based on current data for the factors used to calculate the State School Fund distribution to school districts and education service districts under ORS 327.008, 327.013 and 327.019.

(e) Notwithstanding paragraph (d) of this subsection, the department may not adjust the calculation under paragraph (a) of this subsection based on changes made to the appropriations or allocations to the State School Fund by the Legislative Assembly in special session or by rule of the Oregon Department of Administrative Services relating to allotting funds.

(4) Notwithstanding ORS 294.445, a community college district or community college service district that uses the accrual basis method of accounting may include as accrued revenues in the budget and financial statement of the community college district or community college service district, for any fiscal year, an amount from the next fiscal year that is to be received in the next fiscal year. The amount accrued under this section may not be greater than 25 percent of the amount the community college district or community college service district received as a Community College Support Fund grant for the fiscal year for which the revenues are to be accrued. [2002 s.s.4 c.1 §5; 2003 c.96 §§1,2]

Note: 294.447 was added to and made a part of 294.305 to 294.565 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

294.450 Transfers of appropriations within fund or from one fund to another; appropriation of pass-through revenues. Subject to the provisions contained in the charter of any city or county or in any law relating to municipal corporations:

(1) Except as provided in subsection (2) of this section, transfers of appropriations may be made within a given fund when authorized by official resolution or ordinance of the governing body. The resolution or ordinance shall state the need for the transfer, the purpose for the authorized expenditure and the amount of appropriation transferred.

(2) Transfers of general operating contingency appropriations which in aggregate during a fiscal year or budget period exceed 15 percent of the total appropriations of the fund may be made only after adoption of a supplemental budget prepared for that purpose. All other transfers of general operating contingencies are subject to subsection (1) of this section.

(3) Transfers of appropriations or of appropriations and a like amount of budget resources may be made from the general fund of the municipal corporation to any other fund when authorized by an official resolution or ordinance of the governing body. The resolution or ordinance shall state the need for the transfer, the purpose for the authorized expenditures embodied in the appropriation and the amount of appropriation transferred.

(4) It shall be unlawful to transfer appropriations from any special revenue fund to the general fund or any other special revenue fund.

(5) The transfers referred to in this section apply to transfers which occur after the budget has been approved and which are made during the fiscal year or budget period for which the appropriations are made. Nothing in this section shall prohibit or regulate lawful transfers which have been budgeted in accordance with the local budget law.

(6) When a municipal corporation imposes taxes, fees or charges that, in accordance with applicable law or an intergovernmental agreement under ORS chapter 190, are required to be paid, on a pass-through basis, to another municipal corporation, the municipal corporation that imposes the taxes, fees or charges shall include the taxes, fees or charges in its budget and shall appropriate the estimated amount generated thereby. The appropriation shall take the form of an expense of the municipal corporation that imposes the taxes, fees or charges. If the actual amount collected from the taxes, fees or charges during a fiscal year or budget period exceeds the estimated

amount included in the imposing municipal corporation's budget for the fiscal year or budget period, then upon determining that such excess exists the municipal corporation imposing the taxes, fees or charges shall appropriate such excess by means of a resolution or ordinance of its governing body, and no further action shall be required under ORS 294.305 to 294.565 to lawfully budget, appropriate or expend such excess. [1963 c.576 §27; 1975 c.569 §1; 1979 c.310 §6; 1997 c.308 §24; 1999 c.632 §12; 2001 c.135 §21]

294.455 Authorization to expend or borrow moneys after destruction of property or natural disaster; authorization by chief executive officer to protect public health or safety. If property has been involuntarily converted or destroyed during the current year or current budget period or if, as a result of civil disturbance, fire, flood, earthquake or other calamity or natural disaster, it is necessary for a municipal corporation to expend funds, receive grants or borrow moneys that were not included in the budget for the current year or current budget period, authorization of all matters necessary in order for the municipal corporation to receive those grants or borrow those moneys may be made by ordinance or resolution of the governing body, and appropriations for the estimated expenditures out of any source of available funds, including but not limited to unappropriated fund balances, shall be made by resolution or ordinance in the same manner as provided in ORS 294.450 (1), or by supplemental budget as provided by ORS 294.480 (3) and (4). When prompt action is necessary to protect the public health or safety following the involuntary conversion or destruction of property or the occurrence of a calamity or natural disaster and if it is not practical to convene a meeting of the governing body of the municipal corporation, the chief executive officer of the municipal corporation may, by written order, authorize the immediate expenditure of funds from any available source to redress the situation that threatens the public health or safety. [1963 c.576 §27a; 1965 c.451 §10; 1991 c.573 §2; 1997 c.308 §25; 2001 c.135 §22]

294.460 Loans from one fund to another; commingling cash balances of funds. (1) It shall be lawful to loan money from any fund to any other fund of the municipal corporation whenever the loan is authorized by official resolution or ordinance of the governing body. The loans shall be made in compliance with the applicable requirements and limitations of this section. Loans made under this section shall not be made from:

(a) Debt service reserve funds created to provide additional security for outstanding

bonds or other borrowing obligations that the municipal corporation has covenanted with the holders of such bonds or other borrowing obligations to maintain at certain specified levels. However, nothing in this paragraph is intended or shall be construed to prohibit loans from any such debt service reserve fund to the extent that the aggregate outstanding amount of the loans does not exceed the amount by which the amount in such debt service reserve fund exceeds the amount the municipal corporation has covenanted to maintain in the reserve fund with the holders of the related bonds or other borrowing obligations;

(b) Debt service funds created to account for moneys needed to make annual debt service payments on outstanding bonds or other borrowing obligations; or

(c) Moneys credited to any fund when, under applicable constitutional provisions, the moneys are restricted to specific uses unless the purpose for which the loan is to be made is a use allowed under such constitutional provisions.

(2) The resolution or ordinance authorizing any interfund loan permitted under this section shall:

(a) State the fund from which the loan is to be made, the fund to which the loan is to be made, the purpose for which the loan is to be made and the principal amount of the loan.

(b) If the interfund loan is a capital loan, set forth a schedule under which the principal amount of the loan, together with interest thereon at the rate provided for in paragraph (c)(B) of this subsection, is to be budgeted and repaid to the lending fund. The schedule shall provide for the repayment in full of the loan over a term not to exceed five years from the date the loan is made.

(c) If the interfund loan is a capital loan, provide that the loan shall bear interest at an annual rate equal to:

(A) The rate of return on moneys invested in the local government investment pool under ORS 294.805 to 294.895, as reported under ORS 294.875, immediately prior to the adoption of the ordinance or resolution authorizing the loan; or

(B) Such other rate as the governing body may determine.

(d) If the interfund loan is an operating loan, provide that the money loaned shall be budgeted and repaid to the fund from which the money was borrowed by the end of the ensuing year or ensuing budget period.

(3) The payment of any operating loans not repaid in the year or budget period in which the operating loan was made shall be

budgeted as a requirement in the ensuing year or ensuing budget period.

(4) It shall be lawful to commingle cash balances of funds so long as all such fund moneys are segregated in the budget and accounting records.

(5) As used in this section:

(a) "Capital loan" means any interfund loan, or portion thereof, made for the purpose of financing the design, acquisition, construction, installation or improvement of real or personal property and not for the purpose of paying operating expenses.

(b) "Operating loan" means any interfund loan, or portion thereof, that is not a capital loan, including any interfund loan, or portion thereof, made for the purpose of paying operating expenses. [1963 c.576 §§27b,27c; 1979 c.310 §7; 1999 c.632 §13; 2001 c.135 §23]

294.465 [1963 c.576 §29; repealed by 1999 c.632 §30]

294.470 Internal service funds. (1) A municipal corporation may establish by ordinance or resolution one or more internal service funds. The ordinance or resolution creating the fund shall set forth in detail the following:

(a) The appropriation or appropriations to be charged in order to provide the initial money for financing the fund;

(b) The object or purpose of the fund;

(c) The methods for controlling of expenditures and encumbering of such funds; and

(d) The sources from which the fund shall be replenished.

(2) No person shall expend or encumber or authorize expenditure or encumbrance from funds created in accordance with subsection (1) of this section in excess of the balance of that fund, or for a purpose for which there is no appropriation or source of reimbursement authorized at that time.

(3) The anticipated expenditure for the ensuing year or ensuing budget period from an internal service fund created in accordance with subsection (1) of this section shall be budgeted as any other fund in accordance with ORS 294.305 to 294.565, appropriations shall be made for each internal service fund in accordance with ORS 294.435 and expenditures from the internal service fund shall be regulated thereby.

(4) Notwithstanding the limitations in ORS 294.305 to 294.565 applicable to increasing the appropriations of funds during the current year or current budget period, the governing body may increase appropriations of the internal service funds by ordinance or resolution.

294.730 Fund created; State Treasurer as custodian; use of moneys; distribution of earnings. (1) There is created a Local Government Employer Benefit Trust Fund, separate and distinct from the General Fund. The State Treasurer shall be the custodian of such fund and the fund shall consist of:

(a) All moneys received from political subdivisions under the provisions of ORS 293.701, 294.725 to 294.755 and 657.513;

(b) Interest earned upon any moneys in the fund;

(c) Moneys transferred from other funds to cover shortages in the fund; and

(d) All other moneys received from a political subdivision to be applied against benefit payment charges for any period the political subdivision has requested the Employment Department to reimburse the Unemployment Compensation Trust Fund on its behalf.

(2) Moneys in the fund are continuously appropriated to the department and, notwithstanding ORS 657.505, shall be the sole source of funds for payment to the Unemployment Compensation Trust Fund for benefits attributable to a political subdivision during its period of participation in the fund and repayment of advances and the interest thereon due to any shortages in the fund.

(3) Interest earned upon any moneys in the fund is continuously appropriated to the department for the payment of:

(a) Administrative expenses of ORS 293.701, 294.725 to 294.755 and 657.513 and expenses incurred in the investment of the fund in the amount authorized by ORS 293.718;

(b) Erroneous benefit payments determined during the period in which a political subdivision is a participant in the fund; and

(5) As soon as possible after the end of each calendar quarter, the State Treasurer shall review the applicable quarterly interest earnings and payments made therefrom and distribute any excess interest earnings to the political subdivision accounts that had a positive balance on the last day of the applicable quarter. Such allocation shall be in a ratio that the political subdivision positive account balance on the last day of the calendar quarter bears to the total balance of all political subdivisions with positive account balances on the last day of the calendar quarter. The amounts distributed for the quarter ending June 30 shall be included in the account reserve ratio determination for such June 30.

(6) The Director of the Employment Department is authorized to requisition from

the fund such amounts determined to be necessary for the payment of benefits attributable to wages of political subdivisions.

(7) Interest accrued each quarter on advances pursuant to subsection (2) of this section shall be allocated each quarter to those political subdivision accounts with a negative balance on the last day of such calendar quarter. The allocation shall be in a ratio that the political subdivision negative account balance on the last day of the calendar quarter bears to the total balance of all political subdivisions with negative account balances on the last day of the calendar quarter. The amounts allocated for the quarter ending June 30 shall be included in the account reserve ratio determination for such June 30. [1977 c.492 §4; 1983 c.53 §1; 1989 c.135 §2; 1989 c.966 §22]

294.735 Payments to fund by political subdivisions; benefit cost rate determinations; effect of negative balance; re-funds. (1) A political subdivision shall pay into the Local Government Employer Benefit Trust Fund a percentage of the gross wages it pays to individuals in employment subject to ORS chapter 657, except that minor adjustments to wages in a calendar quarter on which payments have previously been made may not result in either a credit to the employer or an additional amount due the fund. The percentage shall be as determined in subsections (2) to (6) of this section.

(2) As soon as possible after June 30 of each year, the Employment Department shall for each political subdivision determine the benefit cost rate and the account reserve ratio applicable as of that June 30.

(3) The percentage rate assigned to a political subdivision whose account has been potentially chargeable with benefits for each of the last four calendar quarters ending on the June 30 immediately preceding the determination shall be the benefit cost rate of the political subdivision plus one-third of the difference obtained by subtracting the political subdivision's account reserve ratio from 1.5 times the political subdivision's benefit cost rate. The resulting rate shall be rounded up to the nearest one-tenth of one percent. A political subdivision's rate shall be not less than one-tenth of one percent nor more than five percent.

(4) The percentage rate assigned to a political subdivision whose account has not been potentially chargeable with benefits for each of the last four quarters ending on the immediately preceding June 30 shall be the greater of one percent or 1.5 times the aggregate benefit cost rate for the cost rate period ending on that June 30.

(5) Notwithstanding subsections (3) and (4) of this section, a local government em-

ployer with an account balance on June 30 that is less than five percent of the taxable wage base currently in effect may not be assigned a rate of:

(a) Less than two percent if the payroll of the employer was less than \$25,000 during the four most recently completed calendar quarters;

(b) Less than one percent if the payroll of the employer was \$25,000 or more but less than \$50,000 during the four most recently completed calendar quarters;

(c) Less than one-half of one percent if the payroll of the employer was \$50,000 or more but less than \$100,000 during the four most recently completed calendar quarters; or

(d) Less than two-tenths of one percent if the payroll of the employer was \$100,000 or more during the four most recently completed calendar quarters.

(6) Percentages determined in subsections (3) to (5) of this section shall be applicable for the four-calendar-quarter period beginning July 1 of the year immediately following the determination.

(7)(a) In addition to the payment made into the fund under subsections (1) to (6) of this section, any political subdivision that has a negative account balance at the end of a calendar quarter and had a negative account balance at the end of each of the three immediately preceding calendar quarters shall make additional payments into the fund during each of the next four calendar quarters. The additional payment required shall be computed as follows, with all computations omitting cents:

(A) Multiply the gross payroll reported by the employer during the four most recent calendar quarters by the current percentage rate of payment into the fund.

(B) Subtract the amount of benefits attributable to the employer that was reimbursed from the fund during the most recent four calendar quarters from the product determined in subparagraph (A) of this paragraph.

(C) If the remainder obtained in subparagraph (B) of this paragraph is more than zero, subtract the remainder from the negative balance of the account.

(D) If the remainder in subparagraph (B) of this paragraph is zero or less, make no adjustment to the amount of the negative balance of the account.

(E) Divide the amounts determined in either subparagraph (C) or (D) of this paragraph by four. The resulting amount shall be the additional payment required for each quarter.

(b) Only one such determination shall be made in any four-quarter period. If the negative balance is eliminated before the end of the four quarters in which the additional payments were determined necessary, no further additional payments will be required under this subsection.

(8) During the first four calendar quarters in which a political subdivision is a participant in the fund, additional payments shall be required if the account balance of the political subdivision is negative at the end of any of the four quarters. The additional payment shall be determined in the same manner described in subsection (7) of this section except that the computation in subsection (7)(a)(A) and (B) of this section shall include only those quarters in which the political subdivision was a participant in the fund.

(9) Employers subject to the provisions of this section may request a refund of amounts in excess of the amount required to obtain the minimum contribution rate. [1977 c.491 §5; 1981 c.5 §1; 1983 c.53 §2; 1989 c.135 §3; 1993 c.778 §3; 2007 c.71 §92]

294.740 Refund of account balances; payment of deficits; erroneous benefit payments. (1) The Employment Department shall refund to a political subdivision electing to cancel its request as provided by ORS 657.513 any account balance remaining after the department has made all payments to the Unemployment Compensation Trust Fund required to be made on behalf of the political subdivision.

(2) A political subdivision canceling a request having a negative account balance shall make such additional payments into the fund as necessary to maintain a zero account balance.

(3) Erroneous benefit payments determined after June 30, 1978, and attributable to wages paid by a political subdivision making payments under ORS 294.735 shall be excluded from the account balance determination and the determination of the benefit cost rate of that political subdivision. [1977 c.491 §§6,7; 1989 c.135 §4]

294.745 Analysis of fund receipts and expenditures; report to Legislative Assembly. The Employment Department shall investigate the experience of political subdivision participation in operations of the fund, including the relationship of fund receipts to fund expenditures and report the results of the investigation to the legislature at least 30 days prior to the date a regular session of the legislature is scheduled to convene. The report shall include any recommended changes in the provisions of ORS 293.701, 294.725 to 294.755 and 657.513. [1977 c.491 §8; 1989 c.135 §5]

294.750 Experience and liability of successor political subdivisions; unpaid assessment. (1) The experience and liabilities of a political subdivision that has ceased to exist shall be acquired by the successor political subdivision.

(2) Notwithstanding subsection (1) of this section, all units of government who are parties to an agreement to form a political subdivision shall be liable for any unpaid assessments of that political subdivision and for such amounts as necessary to maintain the account balance of the political subdivision, if no longer in existence, at zero dollars. [1977 c.491 §9]

294.755 Payment on quarterly basis; remedies for collection. Political subdivisions electing to participate in the Local Government Employer Benefit Trust Fund shall pay into the fund on a quarterly basis and are subject to all remedies for the collection of delinquent taxes provided in ORS chapter 657.
