The assignment of such a person to the youth correction facility is subject, when the person is 16 years of age or older, to termination by the director by referring the person back to the Department of Corrections or the sheriff to serve the balance of the person's sentence. Assignment to a youth correction facility pursuant to ORS 137.124 (6) and this subsection, if not terminated earlier by the director, shall terminate upon the person's attaining the age specified in ORS 420A.010 (5) setting the age limits for which the Oregon Youth Authority may retain legal and physical custody of the person, and the person shall be referred to the Department of Corrections or the sheriff having legal custody of the person to serve the balance of the person's sentence.

(4) Whenever a person committed to the custody of the Department of Corrections is temporarily assigned to a youth correction facility pursuant to this section, the youth authority may provide programs and treatment for the person, and may adopt rules relating to conditions of confinement at the youth correction facility, as the youth authority determines are appropriate. However, the person remains subject to laws and rules of the State Board of Parole and Post-Prison Supervision relating to parole. "Youth care center" or "center" does not include detention facilities established under ORS 419A.050 to 419A.057 except that when a county operates a combined facility to provide both care and rehabilitation services under ORS 420.855 to 420.885, and detention facilities, the combined facility may be considered a "youth care center" to the extent that it is used to provide the care and rehabilitation services for youths not in detention. [1967 c.444 §1; 1969 c.597 §139; 1971 c.401 §62; 1971 c.698 §4; 1985 c.500 §10; 1993 c.33 §346; 1995 c.422 §114]

(2) There is employment of capable and trained or experienced personnel.

(3) The youth care programs include educational, vocational, recreational and counseling opportunities that will be in the best interests of the youth.

420.875 Application for state support of center; required reports. (1) An approved youth care center is eligible for state support from funds appropriated to the Oregon Youth Authority for that purpose to meet its operating expenses. Public or private agencies operating a youth care center shall make application for state support to the youth authority. The application shall contain such information as may be required by the youth authority.

(2) Upon receiving the application, the youth authority shall cause an investigation of the affairs and methods of the youth care center and, if it finds that the center meets the requirements of ORS 420.870, shall grant its application for state support.

If any youth care center fails to file the prescribed reports within 30 calendar days after requested by the youth authority, no further state support shall be paid until it has complied with the provisions of this subsection. (1) The youth care center shall present to the Oregon Youth Authority an itemized statement showing the names of the youths being cared for during the period for which the statement is submitted and the amount which the center claims for the period. The youth authority shall investigate the claim and approve only that portion which is in accordance with the provisions of ORS 420.855 to 420.885 and the rules of the youth authority.

(2) When certified by the youth authority, claim for state reimbursements shall be presented to the Oregon Department of Administrative Services and paid in the same manner as the claims against the state are paid.

(3) If the center is operated jointly by more than one public or private agency, each agency participating in the operation shall be entitled to a pro rata share of the amount due, to be determined by the contribution of each to the operating cost of the center.
