778.125 Port assistance to other governmental units within port boundaries. Consistent with the purposes, functions and powers granted to it by law, the Port of Portland may provide research or technical assistance for the planning, promotion or implementation of commercial, industrial or economic development projects upon request by any city, county or municipal corporation within the port. [1977 c.45 §2]

REVENUE BONDS

778.145 Issuance of revenue bonds; election; use of proceeds; status of bonds. (1) For the purpose of carrying into effect all or any of the powers granted to ports, the Port of Portland may from time to time issue and sell revenue bonds without the necessity of the electors of the port authorizing the same. Proceeds from the sale of such bonds may be used also to cover the costs incurred in issuing such bonds, and preliminary work incident to carrying out such purposes and powers, including but not limited to plan-

ning, engineering, inspection, accounting, fiscal, legal and trustee expenses, the cost of issuance of bonds, engraving, printing, advertising and other similar expenses, and to pay interest on the outstanding bonds issued for any project during the period of actual construction and for such period thereafter as the port may determine, and to establish, maintain or increase any reserves for debt service on the bonds and for working capital. Such revenue bonds shall not in any manner or to any extent be a general obligation of the port nor a charge upon any other revenues or property of the port not specifically pledged thereto.

(2) In addition to the power granted by subsection (1) of this section, a port may authorize and issue revenue bonds under ORS 287A.150. [1971 c.546 §2; 2007 c.783 §230]

778.150 Ordinance authorizing revenue bonds; content; special trust funds; trustees; enforcement. (1) Revenue bonds issued under ORS 778.145 (1) shall be authorized at a meeting by ordinance of the board. The ordinance may provide for the creation of special trust funds and may authorize the appointment of a trustee to administer the same, and may obligate the Port of Portland to set aside and pay into a special trust fund for the purpose of securing revenue bonds, all or any portion of its revenues, regardless of the source from which derived, then existing or which thereafter come into existence, not otherwise pledged or committed for other purposes. The board may, in addition thereto, pledge or mortgage for the payment of the principal of and interest on and premium, if any, of any issue of such bonds any property of the port not pledged for other purposes. Notice that action upon the bond ordinance will be taken at the designated meeting of the board, shall be given for a period of not less than two consecutive weeks, prior to such meeting, by publication thereof once each week in a newspaper of general circulation, published within the corporate boundaries of the port or, if there be no such newspaper, by posting such notice for a period of not less than two weeks in three public places in the port.

(2) The money in any special trust fund created by an ordinance authorizing an issue of revenue bonds shall be used solely for the purposes provided therefor by the ordinance.

(3) The ordinance may obligate the port, and the port shall have power to fix, levy and collect such rates, rentals, fees and other charges for the use and services of all or any of its facilities, which revenues may be pledged to the payment of the principal of and interest on and premium, if any, of the revenue bonds or any of them and if so pledged shall be sufficient to produce reven-

ues, along with other lawfully available funds, adequate to pay the costs of the operation, maintenance and repair of any or all port properties; to pay or provide for the payment of the principal of and interest on, and premium, if any, of such revenue bonds or any of them, including any reserves for such payment; and to produce such additional amount of revenues therefrom as the port may covenant with the holders of such revenue bonds.

(4) The ordinance may provide that in the event the money in a special trust fund is insufficient to pay the revenue bonds to be paid out of the fund, such revenue bonds shall be payable out of any part or all of other nonpledged revenues of the port. Whenever all bonds and expenses thereof have been paid so that no charge remains upon such special fund, the board may, by ordinance, transfer any balance remaining in such fund to its general fund, discharge the trustee, if any, and dissolve the special fund. Any trustee authorized to administer the fund, may, subject to approval of the board, invest and reinvest moneys in the special fund in any security or securities in which the State of Oregon may by law invest.

(5) If the board fails to set aside and pay revenues into a special trust fund as required by the ordinance authorizing the issuance and sale of the bonds secured by the fund, a holder of any of such bonds may bring suit against the port to compel compliance with the provisions of the ordinance in the circuit court of the county in which the port has its principal office. [1971 c.546 §3; 2007 c.783 §230a]

778.155 Form and content of bonds. The revenue bonds issued and sold under ORS 778.145 (1):

(1) Shall be deemed to be for all purposes negotiable instruments, subject only to the provisions of the bonds for registration, and need not comply with requirements of the Uniform Commercial Code.

(2) May be issued in one or more series, bear such date or dates, mature at such times and in such amounts, be in such denomination or denominations, be payable at a designated place or places within or without the State of Oregon or at the fiscal agency of the State of Oregon, be equally and ratably secured without priority or be entitled or subject to such priorities on all or any portion of the revenues of the Port of Portland, and, notwithstanding any other provision of law to the contrary, bear such rate or rates of interest either fixed or variable under a formula fixed at the time of issuance, and contain such other terms, conditions and covenants as the board may authorize.

(3) Shall contain a recital that principal of and interest on and premium, if any, on the revenue bonds are payable solely out of revenues and property of the port pledged to the payment thereof by the ordinance of the board authorizing the issue of which the bonds are a part.

(4) May contain covenants of the port to protect and safeguard the security and rights of holders of any such bonds and such other terms and conditions, in conformity with ORS 778.145 to 778.175, which the board in its discretion determines are necessary or desirable to protect the port or increase the marketability of the bonds. ORS 778.145 to 778.175 and any such ordinance which constitutes a contract with the holders of the bonds, and the provisions thereof shall be enforceable by any holder or any number of holders of the bonds, as the board may determine.
