EDUCATIONAL BENEFITS FOR VETERANS

408.010 “Beneficiary” defined for ORS 408.010 to 408.090. As used in ORS 408.010 to 408.090, unless otherwise required by the context, “beneficiary” means any person who served in the active Armed Forces of the United States on or after June 25, 1950, who was relieved or discharged from that service under honorable conditions and who was also a resident of Oregon at the time the person applied for benefits under ORS 408.010 to 408.090. “Beneficiary” does not include an alien, an alien enemy, a person who avoided combat service by claiming to be a conscientious objector, a person who served less than 90 days in the Armed Forces of the United States or a person inducted or enlisted in the military or naval service who received civilian pay for civilian work. [Amended by 1957 c.195 §1; 1965 c.517 §1; 1967 c.382 §1; 1993 c.139 §1; 2005 c.831 §1; 2007 c.857 §1]

408.020 Financial aid for educational purposes; limitations on payments and on eligibility for aid. (1) Beneficiaries who desire to pursue an approved course of study or professional training in or in connection with any accredited state or other public school or accredited private school or accredited college shall have the right and privilege of state financial aid as provided in ORS 408.010 to 408.090.

(2) State financial aid is payable at the rate of \$150 per month for each month of full-time study or training and \$100 per month for each month of part-time study or training.

(3) The total number of monthly payments under subsection (2) of this section may not exceed the total number of months served in the Armed Forces of the United States or 36, whichever is less.

(4) The Director of Veterans’ Affairs may permit a beneficiary to attend a school or college outside of this state upon a satisfactory showing that the training required is not available in an accredited institution within this state.

(5) A beneficiary may not receive payments or benefits under ORS 408.010 to 408.090 at the same time that the beneficiary is receiving educational aid under any federal Act based upon prior service in the Armed Forces. Time spent by a person who applies for benefits under ORS 408.010 to 408.090 in the army specialized training program, the Navy V-12 program or other like training program may not be counted as service in the Armed Forces within the purview of ORS 408.010. [Amended by 1967 c.383 §1; 1995 c.343 §38; 2005 c.831 §2; 2007 c.857 §2]

(1) The person to whom an application is made pursuant to ORS 408.030 shall examine and pass upon such application and shall, within 10 days after its receipt by the person, indorse approval or disapproval thereof. If the application is approved it shall be forthwith forwarded to the Director of Veterans’ Affairs, who shall check it. The director shall determine whether or not the institution of learning or career school is accredited and if the tuition and other charges are reasonable. The director shall also determine whether or not the institution of learning or career school is reasonably qualified to provide the instruction desired by the beneficiary. The director shall be satisfied that the beneficiary has reasonable qualifications to pursue the course of study chosen and that such course, if satisfactorily completed, is likely to enable the beneficiary to become a more useful citizen. If all said conditions are met to the satisfaction of the director, the director may approve the application and file it in the office of the director; otherwise the director shall deny it.

(2) Upon approval of an application, benefits are payable beginning with the first day of the applicant’s attendance during the current term of an institution of learning or career school, after a finding by the director, supported by evidence satisfactory to the director, that any delay in making application was caused by excusable oversight or neglect. (2) Upon receipt of the monthly statement provided for in ORS 408.050, the Director of Veterans' Affairs, if the director finds that the monthly statement is correct, shall issue a voucher to the Oregon Department of Administrative Services which shall draw a warrant on the State Treasurer or make an electronic transfer in favor of each beneficiary. The warrant or electronic transfer shall be paid out of the funds appropriated for the administration of ORS 408.010 to 408.090. [Amended by 1983 c.740 §129; 2005 c.831 §3; 2007 c.857 §3]

408.070 Investigation of institutions; rules. (1) The Director of Veterans' Affairs shall investigate from time to time the institutions or other places where financial aid is being furnished to any beneficiary under ORS 408.010 to 408.090 to ascertain whether the spirit of ORS 408.010 to 408.090 is being complied with. If the director determines, after such investigation as the director deems necessary, that any such institution or place is not furnishing bona fide courses of instruction to the beneficiary or beneficiaries, or that any beneficiary is abusing the privileges granted by ORS 408.020, no money shall be paid to any beneficiary who is not receiving bona fide instruction or who is abusing such privileges. In making the investigations, the director may use the services of any state or county agency, and the agencies are required to render any such service requested by the director.

(2) The director may adopt rules necessary to carry out ORS 408.010 to 408.090. [Amended by 2007 c.71 §102]

408.080 [Amended by 1953 c.62 §2; 1957 c.91 §1; repealed by 1961 c.326 §8]

The director

shall make such disposition of donations, gifts, grants, bequests or devises, not made in cash or its equivalent, as is specified by the donor thereof, and their earnings and proceeds shall inure to said account. All such donations, gifts, grants, bequests or devises accepted by the director are transfers exempt from taxes imposed on inheritances under the laws of this state.

408.225 Definitions for ORS 408.225 to 408.235. (1) As used in ORS 408.225 to 408.235:

(a)(A) "Civil service position" means any position for which a hiring or promotion decision is made or required to be made based on the results of a merit based, competitive process that includes, but is not limited to, consideration of an applicant's or employee's relative ability, knowledge, experience and other skills.

(B) A “civil service position” need not be labeled a “civil service position.”

(b) “Combat zone” means an area designated by the President of the United States by executive order in which, on the dates designated by executive order, the Armed Forces of the United States are or have engaged in combat.

(c) “Disabled veteran” means a person entitled to disability compensation under laws administered by the United States Department of Veterans Affairs, a person whose discharge or release from active duty was for a disability incurred or aggravated in the line of duty or a person who was awarded the Purple Heart for wounds received in combat.

(d) “Public employer” means a public body, as that term is defined in ORS 174.109, and any person authorized to act on behalf of the public body, with respect to control, management or supervision of any employee.

(e) “Veteran” means a person who:

(A) Served on active duty with the Armed Forces of the United States:

(i) For a period of more than 90 consecutive days beginning on or before January 31, 1955, and was discharged or released under honorable conditions;

(ii) For a period of more than 178 consecutive days beginning after January 31, 1955, and was discharged or released from active duty under honorable conditions;

(iii) For 178 days or less and was discharged or released from active duty under honorable conditions because of a service-connected disability;

(iv) For 178 days or less and was discharged or released from active duty under honorable conditions and has a disability rating from the United States Department of Veterans Affairs; or

(2) As used in subsection (1)(e) of this section, “active duty” does not include attendance at a school under military orders, except schooling incident to an active enlistment or a regular tour of duty, or normal military training as a reserve officer or member of an organized reserve or a Na-

tional Guard unit. [1977 c.854 §1; 1981 c.493 §1; 1989 c.507 §1; 1991 c.67 §98; 1993 c.18 §97; 1995 c.777 §1; 2005 c.99 §1; 2005 c.831 §7; 2007 c.71 §103; 2007 c.525 §1; 2009 c.41 §25; 2009 c.370 §1]

408.230 Veterans’ preference in public employment. (1) A public employer shall grant a preference to a veteran or disabled veteran who successfully completes an initial application screening or an application examination or who successfully completes a civil service test the employer administers to establish eligibility for a vacant civil service position. The employer shall grant the preference in the following manner:

(a) For an initial application screening used to develop a list of persons for interviews, the employer shall add five preference points to a veteran’s score and 10 preference points to a disabled veteran’s score.

(b) For an application examination, given after the initial application screening, that results in a score, the employer shall add preference points to the total combined examination score without allocating the points to any single feature or part of the examination. The employer shall add five preference points to a veteran’s score and 10 preference points to a disabled veteran’s score.

(c) For an application examination that consists of an interview, an evaluation of the veteran’s performance, experience or training, a supervisor’s rating or any other method of ranking an applicant that does not result in a score, the employer shall give a preference to the veteran or disabled veteran. An employer that uses an application examination of the type described in this paragraph shall devise and apply methods by which the employer gives special consideration in the employer’s hiring decision to veterans and disabled veterans.

(2) Preferences of the type described in subsection (1) of this section are not a requirement that the public employer appoint a veteran or disabled veteran to a civil service position.

(3) A public employer shall appoint an otherwise qualified veteran or disabled veteran to a vacant civil service position if the results of a veteran’s or disabled veteran’s application examination, when combined with the veteran’s or disabled veteran’s preference, are equal to or higher than the results of an application examination for an applicant who is not a veteran or disabled veteran.

(4) If a public employer does not appoint a veteran or disabled veteran to a vacant civil service position, upon written request of the veteran or disabled veteran, the employer, in writing, shall provide the employer’s reasons for the decision not to appoint the veteran or disabled veteran to the posi-

tion. The employer may base a decision not to appoint the veteran or disabled veteran solely on the veteran's or disabled veteran's merits or qualifications with respect to the vacant civil service position.

(5) Whether or not the person qualifies for a preference under subsection (1) of this section, a public employer shall grant to a person the employer has hired for a permanent civil service position a veteran's or disabled veteran's preference, as appropriate, if the person seeks promotion to a position with a higher maximum salary rate and the person:

(a) Was granted military leave by the public employer to serve in the armed services;

(b) Returned from military leave to the civil service position;

(c) Qualified as a veteran or disabled veteran by reason of the person's service during military leave or otherwise;

(d) Successfully completed a test or examination for the position; and

(e) Meets the minimum qualifications and any special qualifications for the position.

(6) Violation of this section is an unlawful employment practice.

(7) A veteran or disabled veteran claiming to be aggrieved by a violation of this section may file a verified written complaint with the Commissioner of the Bureau of Labor and Industries in accordance with ORS 659A.820. [Amended by 1977 c.854 §3; 1989 c.507 §3; 1999 c.792 §1; 2007 c.525 §2]

408.235 Eligibility for preference. A veteran is eligible to use the preference provided for in ORS 408.230 for a civil service position for which application is made at any time after discharge or release from service in the Armed Forces. [1977 c.854 §4; 1989 c.507 §3; 1995 c.777 §2; 1999 c.792 §2; 2007 c.525 §3; 2009 c.370 §2]

408.238 "Military duty" defined for ORS 408.240 to 408.280. As used in ORS 408.240 to 408.280, "military duty" means training and service performed by an inductee, enlistee or reservist or any entrant into a temporary component of the Armed Forces of the United States, and authorized time spent reporting for and returning from such training or service, or, if a rejection occurs, from the place reported therefor; but does not include active duty training as a reservist in the Armed Forces of the United States or as a member of the National Guard of the United States where the call is for a period of 15 days or less. [Formerly 408.210]

408.240 Status and rights of public officer and employee during and after military duty. (1) Whenever any public officer or employee leaves a position, whether vol-

untarily or involuntarily, in order to perform military duty, such office or position may not become vacant, nor shall the officer or employee be subject to removal as a consequence thereof. Unless the officer or employee dies, resigns or is relieved or discharged from such duty under other than honorable conditions, during the term for which the officer or employee was elected, appointed or employed, such officer or employee shall be deemed absent on leave until release from such active service has permitted the officer or employee to resume the duties of the office or position. While so absent on leave, the officer or employee may not receive the pay or other emolument of such office or position, nor become liable, as such officer or employee, on an official bond or otherwise, for the acts or omissions of any other person.

(2) Subsection (1) of this section does not apply unless the officer or employee, upon the termination of such military duty, is qualified to perform the duties of such position, and makes application within 90 days after the officer or employee is relieved from such military duty, or from hospitalization continuing after discharge for a period of not more than one year. If the officer or employee is not qualified to perform the duties of such position by reason of such service, but is qualified to perform the duties of any other public position, the officer or employee shall be restored to such other position, the duties of which the officer or employee is qualified to perform, as will provide the officer or employee like seniority, status and pay, or the nearest approximation thereof, consistent with the circumstances in the case.

(3) Except as otherwise provided in this subsection, subsection (1) of this section does not apply if the total of such military duty exceeds five years. Subsection (1) of this section is applicable with regard to military duty that exceeds five years if the period of additional duty was imposed by law or resulted from inability of the officer or employee to obtain orders relieving the officer or employee from active duty.

(4) Notwithstanding subsection (1) of this section:

(a) The State of Oregon shall continue coverage under an employer-sponsored health plan to a public officer or employee of the State of Oregon and any other individual provided coverage under the officer's or employee's plan on the day before the date the officer or employee goes on leave for a period not exceeding a total of 24 months while the public officer or employee is absent on leave.

(b) An employer other than the State of Oregon may provide coverage under an

employer-sponsored health plan to an officer or employee and any other individual provided coverage under the officer's or employee's plan on the day before the date the officer or employee goes on leave for the period during which the officer or employee is absent on leave.

(5)(a) Notwithstanding subsection (1) of this section, the State of Oregon, a county, a municipality or other political subdivision of the state may establish and administer a donated leave program that:

(A) Allows an officer or employee who is absent on leave to receive donated leave; and

(B) Allows an officer or employee to voluntarily donate vacation time to an eligible officer or employee who is absent on leave.

(b) An officer or employee who is absent on leave and who receives donated leave under paragraph (a) of this subsection may receive an amount of donated leave that supplements any compensation received for performing military duty, but may not receive more than the amount of base salary the officer or employee was earning on the date the officer or employee began the leave of absence.

(c) This subsection does not apply to a leave of absence under ORS 408.290. [Amended by 1979 c.468 §13; 2003 c.72 §1; 2003 c.387 §14; 2005 c.38 §3]

408.242 Public employees in Active Guard Reserve Program. ORS 408.240 (4)(a) does not apply to a public employee who leaves a position under ORS 408.240 (1) to enter or reenter the Active Guard Reserve Program under 32 U.S.C. 502(f). [2005 c.38 §1]

Note: 408.242 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 408 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

408.250 Rights and duties of person replacing public officer in military service. During the period any public officer is absent on leave pursuant to ORS 408.240, a substitute shall serve in the place and stead of the public officer. Such substitute shall be appointed by the authority having power to have appointed the substitute as successor had such office become vacant. The substitute shall qualify by taking an oath of office, and by giving bond in an amount and conditioned as required by law for the officer for whom the substitute has been appointed, or, in the event no bond is required by law, then as the appointing authority directs. The substitute shall be designated by the title of the office, followed by the words "pro tem." The substitute shall be invested with the authority, duties and responsibilities, and shall re-

ceive the emoluments of the office, in lieu of the officer for whom the person is the substitute.

408.260 Termination of term of office of substitute for officer in military service. When the absence on leave of a public officer, granted by ORS 408.240, has terminated, or a successor has been duly appointed and qualified to fill the vacancy created by the death or resignation of such officer, the appointment of the substitute shall terminate, and the substitute immediately shall deliver to such officer or successor all records and other incidents of the office, together with a full and detailed statement of accounting covering the entire period of service as substitute.

408.270 Restoration of employee's seniority and tenure. Upon the termination of any leave granted by ORS 408.240, every public employee shall be restored to the position without loss of seniority or other benefits. It is the intention of the Legislative Assembly that such employee shall be restored in such manner as to give the employee the status in employment that the employee would have enjoyed if the employee had continued in such employment continuously from the time of entering the Armed Forces until the time of restoration to such employment. Any person so restored to the position shall not be discharged from such position without cause within one year after such restoration. Any employee who has not completed the probationary period in the position at the time of leaving for military duty, shall, upon returning to such position, be required to serve the remainder of such probationary period, notwithstanding the granting of continuous time credit for time served in the Armed Forces.

408.280 Reelection of public officer while in military service. Whenever the term of office of an elected public officer expires during military service in the Armed Forces of the United States for which a leave of absence has been granted pursuant to ORS 408.240 and the officer is reelected to such office, the officer shall continue in such office and on such leave of absence. The pro tem officer acting in the place and stead shall continue to act in said capacity during the continuation of such leave of absence of such public officer. Whenever the leave of absence of the reelected public officer has terminated, and the reelected public officer has qualified for the resumption of the duties of said office as required by law, and has conformed to the requirements of ORS 408.240, the appointment of the substitute of the reelected officer shall terminate in the same manner as provided in ORS 408.260.

408.290 Benefits for public employees on temporary active duty in Armed Forces.

(1) Except as provided in subsection (2) of this section, for all periods of annual active duty for training as a member of the National Guard, National Guard Reserve or of any reserve component of the Armed Forces of the United States or of the United States Public Health Service, any officer or employee of the state, or of any county, municipality or other subdivision of the state, is entitled, upon application therefor, to a leave of absence from duties for a period not exceeding 15 days in any one training year, without loss of time, pay or regular leave and without impairment of efficiency rating or other rights or benefits to which the officer or employee is entitled.

(2) Unless the officer or employee has been employed by the state or by any county, municipality or other political subdivision of the state for a period of six months next preceding application, no officer or employee is entitled to receive pay for any period during which the officer or employee is on military leave.

(3) As used in this section, "training year" means the federal fiscal year for any particular unit of the National Guard or a reserve component. [Amended by 1955 c.104 §1; 1969 c.368 §1; 1993 c.197 §1]

VETERANS WITH MENTAL ILLNESS

408.570 Commitment of veterans with mental illness to federal veterans facility. When a veteran who has been adjudged mentally ill is eligible for treatment in a United States veterans facility and commitment is necessary for the proper care and treatment of such veteran, the Oregon Health Authority or community mental health program director, as provided under ORS 426.060, may, upon receipt of a certificate of eligibility from the United States Department of Veterans Affairs, assign the person to the United States Department of Veterans Affairs for care, custody and treatment in a United States veterans facility. Upon admission to any such facility, the veteran shall be subject to the rules and regulations of the United States Department of Veterans Affairs and provisions of ORS 426.060 to 426.395 and related rules and reg-

ulations of the Oregon Health Authority. The chief officer of such facility shall be vested with the same powers exercised by superintendents of state hospitals for persons with mental illness within this state with reference to the retention, transfer, trial visit or discharge of the veteran so assigned. The commitment of a veteran to a veterans facility within this state by a court of another state under a similar provision of law has the same force and effect as if the veteran was committed to a veterans facility within that other state. [Amended by 1975 c.690 §26; 1991 c.67 §100; 2007 c.70 §160; 2009 c.595 §238]

408.580 Transfer of veterans with mental illness from state to federal hospitals. Upon receipt of a certificate of eligibility and available facilities, the Oregon Health Authority may cause to be transferred any veteran from any facility to which the veteran has been assigned to a United States veterans facility. No veteran under sentence by any court, or committed by any court after having been charged with any crime and acquitted on the ground of mental disease or defect, may be transferred without an order of such court authorizing the transfer. Whenever any veteran, not a convict, has been committed by order of a court and is transferred as provided in this section, the order of commitment shall be held to apply to the facility to which the veteran is transferred as to any other facility to which the veteran could be assigned or transferred under ORS 426.060. [Amended by 1975 c.690 §27; 2009 c.595 §239]

BENEFITS TO INDIGENT VETERANS

408.710 Indigent veteran defined; effect of property ownership. (1) As used in ORS 408.710 to 408.750, "indigent veteran" means any veteran who is without means of procuring the necessities of life.

(2) A person may not be deprived of the benefits provided for in ORS 408.720 to 408.750 by reason of the fact that the person owns property that is not of such a character that it may be used to give assistance to the person, or owns a home that is not disproportionate to the needs of such veteran and family. A person may not be deprived of such benefits until the person has ceased to be domiciled in the county for a period of one year. [Amended by 2009 c.41 §15]

408.720 Tax levy to finance activities of veterans' service officer; use of proceeds; use of county general funds. (1) Except as provided in subsection (3) of this section, in addition to the taxes now authorized to be levied by law, a county governing body may levy in each year a tax not ex-

ceeding one-eightieth of one percent (0.000125) of the real market value of all taxable property within the county, computed in accordance with ORS 308.207. The tax shall be levied and collected in the same manner as other county taxes and is subject to the limits set forth in ORS 310.150.

(2) The taxes collected shall be set apart in the county treasury as a special fund for the purpose of financing the employment and the activities of the service officer appointed under ORS 408.410. If an unobligated balance remains in the special fund at the end of a fiscal year, the unobligated balance may be carried forward to the next fiscal year and expended for the purposes described in this subsection.

(3) A county governing body need not levy the tax authorized under subsection (1) of this section in any fiscal year when, at the beginning of the fiscal year, the unobligated balance in the special fund described in subsection (2) of this section is sufficient to finance the employment and activities of the service officer for the entire fiscal year.

(4) If the unobligated balance in the special fund at the beginning of a fiscal year is not sufficient to finance the employment and activities of the service officer for the entire fiscal year or if the levy authorized by subsection (1) of this section is not made by a county governing body for any year for the objects specified in subsection (2) of this section, all expenses incurred under ORS 408.410 and 408.720 to 408.750 shall be paid from the general funds in the treasury of the county the same as though such levy had been duly made. [Amended by 1963 c.9 §24; 1991 c.459 §398; 1995 c.557 §2]

408.730 Procedure when indigent veterans are cared for by veterans organizations. (1) The commander or executive head of any veterans organization organized under a charter issued by an Act of Congress, proposing to undertake the relief provided for in ORS 408.720, shall file with the county clerk of the county in which the veterans organization may be situated, the names of its commander or executive head and its relief committee, if any. The commander or executive head shall also file a notice in writing that such veterans organization will undertake the relief of the indigent persons provided for in ORS 408.720, and by the fourth Monday in January of each year shall file with the county clerk a similar notice, and render and file a detailed statement of the relief furnished during the preceding year, including the amount thereof, the names of the persons to whom furnished and on whose recommendation, and such other facts and suggestions as are deemed material.

(2) The commander or executive head shall also file a bond, with one or more sureties, to be approved by the county court or judge thereof, or board of county commissioners, in a sum not less than \$100 and not more than \$1,000. The amount of the bond shall be fixed by the court, judge or board. It shall run to the county, and be conditioned by stating that if said commander or executive head faithfully applies all funds that come into the hands of the commander or executive head for that purpose, to the relief of the indigent persons named in ORS 408.720, it is void. If the bond is enforced there shall be recovered from the principal and sureties thereon the amount which is found to be misappropriated, which shall be paid into the county treasury.

(3) If the county operates on a fiscal year ending on June 30, the notice, statement and bond required by this section may be filed on the fourth Monday in July of each year rather than on the fourth Monday of January. If the statement required by subsection (1) of this section is filed at the time provided in this subsection, this statement shall cover the preceding fiscal year.

(4) On the approval and filing of the bond, and on the recommendation of the relief committee of any such veterans organization, orders shall be drawn in favor of the commander or executive head in the same manner as orders are now drawn for the relief of the poor. The orders shall designate thereon the names of the persons for whom the relief is intended and, in like manner, a sum not exceeding \$100 may be drawn to pay the funeral expenses of an indigent veteran, and the indigent wives, widows and the minor children of such veterans. [Amended by 1955 c.56 §1; 2009 c.41 §16]

408.740 Appointment and duties of county veterans' relief officer. The relief fund may be disbursed by an officer to be appointed by the county court or board of county commissioners. The commanders or executive heads of the various veterans organizations shall constitute an advisory board to consult and advise with the court or board relative to administration and disbursement of the fund. Such officer shall investigate all requests for relief, and no warrant shall be paid from the fund except upon the order of such officer. The officer shall give such bond as may be required and approved by the court or board, and may be removed at any time by the court or board. If any vacancy occurs in such office, the court or board shall appoint a successor to such officer. Such officer shall be paid a salary from funds of the county other than the relief fund, to be fixed by the court or board, and audited and paid in the manner that county officers are paid, as provided by law.

408.750 When county court must aid veterans; necessity of veterans organization's consent before sending veterans to poorhouse. (1) If there is no war veterans organization within any county in this state, the county judge thereof shall undertake the relief provided for in ORS 408.720.

(2) The county judge in a county in which there is a war veterans organization, shall not send to the county poorhouse any person for whom relief is provided by ORS 408.720, without first obtaining the consent of the organization's commander or executive head. All the indigent persons named in ORS 408.720 shall be provided for, so far as practicable, at their homes.
