INTERSTATE CORRECTIONS COMPACT

421.245 Interstate Corrections Compact. The Interstate Corrections Compact is enacted into law and entered into by this state with all other jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I PURPOSE AND POLICY

The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of cooperation with one another, thereby serving the best interests of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

ARTICLE II DEFINITIONS

As used in this compact, unless the context clearly requires otherwise:

(1) "State" means a state of the United States, the United States of America, a territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico.

(2) "Sending state" means a state party to this compact in which conviction or court commitment was had.

(3) "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.

(4) "Inmate" means a male or female offender who is committed, under sentence to or confined in a penal or correctional institution.

(5) "Institution" means any penal or correctional facility, including but not limited to a facility for the mentally ill or mentally defective, in which inmates as defined in subsection (4) of this Article may lawfully be confined.

ARTICLE III CONTRACTS

(1) Each party state may make one or more contracts with any one or more of the other party states for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:

(a) Its duration.

(b) Payments to be made to the receiving state by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance.

(c) Participation in programs of inmate employment, if any, the disposition or crediting of any payments received by inmates on account thereof, and the crediting of proceeds from or disposal of any products resulting therefrom.

(d) Delivery and retaking of inmates.

(e) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(2) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto, and nothing in any such contract shall be inconsistent therewith.

ARTICLE IV PROCEDURES AND RIGHTS

(1) Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to Article III, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate

program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(2) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(3) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided, that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III.

(4) Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(5) All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

(6) Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or

hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subsection, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

(7) Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

(8) Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or the status of the inmate changed on account of any action or proceeding in which the inmate could have participated if confined in any appropriate institution of the sending state located within such state.

(9) The parent, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise, or otherwise function with respect to any inmate shall not be deprived of or restricted in the exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

ARTICLE V ACTS NOT REVIEWABLE IN RECEIVING STATE; EXTRADITION

(1) Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to

transport inmates pursuant to this compact through any and all states party to this compact without interference.

(2) An inmate who escapes from an institution in which the inmate is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained in this compact shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

ARTICLE VI FEDERAL AID

Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto and any inmate in a receiving state pursuant to this compact may participate in any such federally aided program or activity for which the sending and receiving states have made contractual provision; provided, that if such program or activity is not part of the customary correctional regimen the express consent of the appropriate official of the sending state shall be required therefor.

ARTICLE VII ENTRY INTO FORCE

This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

ARTICLE VIII WITHDRAWAL AND TERMINATION

This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate officials of all other party states. An actual withdrawal shall not take effect until one year after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

ARTICLE IX OTHER ARRANGEMENTS UNAFFECTED

Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.

ARTICLE X CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

1. Its duration.

of another party state is necessary in order to provide adequate quarters and care or desirable in order to provide an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(b) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(c) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III.

- (c) Shall provide for cognitive restructuring in conformance with generally accepted rehabilitative standards;
- (d) May include a drug and alcohol treatment component that meets the standards promulgated by the Oregon Health Authority pursuant to ORS 430.357; and
- (e) Shall be at least 270 days' duration.

(2) The department shall provide capital improvements and capital construction necessary for the implementation of the program.

(3) Notwithstanding subsection (1) of this section, the department may convert the special alternative incarceration program required by this section into an intensive alternative incarceration addiction program as described in ORS 421.506 if the department determines that the needs of offenders in the department's custody would be better served by an intensive alternative incarceration addiction program than by the special alternative incarceration program. [1993 c.681 §3; 1997 c.63 §3; 2005 c.271 §7; 2005 c.708 §12; 2007 c.617 §1; 2009 c.595 §380]

Note: See note under 421.500.

421.506 Intensive alternative incarceration addiction program; requirements. The Department of Corrections shall establish an intensive alternative incarceration addiction program. The program shall:

- (1) Be based on intensive interventions, rigorous personal responsibility and accountability, physical labor and service to the community;
- (2) Require strict discipline and compliance with program rules;
- (3) Provide 14 hours of highly structured and regimented routine every day;
- (4) Provide for cognitive restructuring to enable offenders participating in the program to confront and alter their criminal thinking patterns;
- (5) Provide addiction treatment that incorporates proven, research-based interventions; and
- (6) Be at least 270 days' duration. [2003 c.464 §2]

Note: See note under 421.500.

421.508 Determination of eligibility for program; denial; suspension or removal; completion. (1)(a) The Department of Corrections is responsible for determining which offenders are eligible to participate in, and

which offenders are accepted for, a program. However, the department may not release an offender under subsection (4) of this section unless authorized to do so as provided in ORS 137.751.

(b) The department may not accept an offender into a program unless the offender submits a written request to participate. The request must contain a signed statement providing that the offender:

(A) Is physically and mentally able to withstand the rigors of the program; and

(B) Has reviewed the program description provided by the department and agrees to comply with each of the requirements of the program.

(c) The department may deny, for any reason, a request to participate in a program. The department shall make the final determination regarding an offender's physical or mental ability to withstand the rigors of the program.

(d) If the department determines that an offender's participation in a program is consistent with the safety of the community, the welfare of the applicant, the program objectives and the rules of the department, the department may, in its discretion, accept the offender into the program.

(2) The department may suspend or remove an offender from a program for administrative or disciplinary reasons.

(3) The department may not accept an offender into a program if:

(a) The department has removed the offender from a program during the term of incarceration for which the offender is currently sentenced; or

(b) The offender has a current detainer from any jurisdiction that will not expire prior to the offender's release from the custody of the department.

(4) When an offender has successfully completed a program, the department may release the offender on post-prison supervision if:

(a) The court has entered the order described in ORS 137.751; and

(b) The offender has served a term of incarceration of at least one year.

(5) An offender may not be released on post-prison supervision under subsection (4) of this section if the release would reduce the term of incarceration the offender would otherwise be required to serve by more than 20 percent.

(6) For the purposes of calculating the term of incarceration served under subsection (4)(b) of this section, the department shall include:

(a) The time that an offender is confined under ORS 137.370 (2)(a); and

(b) The time for which an offender is granted nonprison leave under ORS 421.510.

(7) Successful completion of a program does not relieve the offender from fulfilling any other obligations imposed as part of the sentence including, but not limited to, the payment of restitution and fines. [1993 c.681 §4; 1997 c.313 §17; 2003 c.464 §4; 2008 c.35 §4]

Note: See note under 421.500.

421.510 Eligibility for nonprison leave; rules. (1) The Department of Corrections may consider an offender for nonprison leave under this section if the court has entered the order described in ORS 137.751.

(2) Nonprison leave shall provide offenders with an opportunity to secure appropriate transitional support when necessary for successful reintegration into the community prior to the offenders' discharge to post-prison supervision.

(3) An offender may submit a nonprison leave plan to the Department of Corrections. The plan shall indicate that the offender has secured an employment, educational or other transitional opportunity in the community to which the offender will be released and that a leave of up to 90 days is an essential part of the offender's successful reintegration into the community.

(4) Upon verification of the offender's nonprison leave plan, the department may grant nonprison leave no more than 90 days prior to the offender's date of release on post-prison supervision under ORS 421.508 (4).

(5) The department shall establish by rule a set of conditions for offenders released on nonprison leave. An offender on nonprison leave shall be subject to immediate return to prison for any violation of the conditions of nonprison leave.

(6) During the period of nonprison leave, the offender must reside in, and be supervised within, the state. [1997 c.63 §2; 2003 c.464 §5; 2008 s.35 §5]

Note: See note under 421.500.

421.512 Rulemaking. (1) The Department of Corrections shall adopt rules to carry out the provisions of ORS 421.504, 421.506 and 421.508.

(2) The Oregon Criminal Justice Commission shall adopt or amend rules as necessary to integrate the programs into sentencing guidelines. [1993 c.681 §5; 2003 c.464 §6]

Note: See note under 421.500.

MEDICAL TREATMENT PROGRAMS

421.590 Medical treatment programs; sex offenders; establishment; rules. (1) For the purposes of this section:

(a) "Medical treatment program" means a treatment program based on a successful medical model that has been proven to reduce recidivism, and that may include treatment by prescribed medication when recommended by a qualified psychiatrist or physician, psychological treatment, or both. Any treatment administered under a medical treatment program must be within the range of treatments generally recognized as acceptable within the medical community.

(b) "Program participant" means a person sentenced for a term of imprisonment based on conviction of a sex crime or a felony attempt to commit a sex crime, or a person who is eligible for parole or post-prison supervision after a term of imprisonment based on conviction of a sex crime or a felony attempt to commit a sex crime, who agrees to participate in a medical treatment program after having been evaluated to be a suitable candidate and who has been provided with adequate information to give informed consent to participation.

(c) "Sex crime" means rape in any degree, sodomy in any degree, unlawful sexual penetration in any degree and sexual abuse in the first or second degree.

(2) The Department of Corrections shall establish a medical treatment program for persons convicted of a sex crime or a felony attempt to commit a sex crime. Any person sentenced for a sex crime or a felony attempt to commit a sex crime may be evaluated to determine if available medical or psychological treatment would be likely to reduce the biological, emotional or psychological impulses that were the probable cause of the person's criminal conduct. If the evaluation determines that the person is a suitable candidate, the department shall offer to allow the person to participate in the medical treatment program. The person must agree to become a program participant.

(3) The State Board of Parole and Post-Prison Supervision shall offer as a condition of parole or post-prison supervision to persons convicted of a sex crime or a felony attempt to commit a sex crime the opportunity to participate in a medical treatment program established by the Department of Corrections under this section. Any person eligible for release for a sex crime or felony attempt to commit a sex crime may be evaluated to determine if available medical or psychological treatment would be likely to reduce the biological, emotional or psychological impulses that were the probable cause

of the person's criminal conduct. If the evaluation determines that the person is a suitable candidate, the board shall offer to allow the person to participate in the medical treatment program. The person must agree to become a program participant.

(4) The Department of Corrections shall adopt rules prescribing the procedures and guidelines for implementing the medical treatment programs required under the provisions of this section. [1993 c.807 §5; 2003 c.14 §233]

Note: 421.590 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 421 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

STATE PENITENTIARY

421.605 Location and use of penitentiary. The Oregon State Penitentiary, located in Salem, Marion County, shall be used as a Department of Corrections institution for the imprisonment of male persons committed to the custody of the Department of Corrections. [Formerly 421.010; 1971 c.212 §3; 1987 c.320 §208a]

421.609 New correctional facilities; authorization; limitation on. (1) The Department of Corrections may not seek authorization for construction or expansion of new correctional facilities or expansion of existing correctional facilities in this state unless the department:

(a) Has evaluated the availability and cost of using correctional facilities outside this state; and

(b) Has determined that constructing new correctional facilities, including costs of debt service and infrastructure improvements, or expanding existing correctional facilities in this state is less expensive than using correctional facilities outside this state after considering constitutional requirements, requirements of state law and available programs that enhance the likelihood of offenders successfully functioning in society upon release.

(2) If the Department of Corrections determines that using appropriate correctional facilities outside this state is less expensive than constructing new correctional facilities, including costs of debt service and infrastructure improvements, or expanding existing correctional facilities, the department shall use correctional facilities outside this state. [1997 c.715 §6(1),(2)]

Note: 421.609 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 421 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

421.610 [1961 c.491 §1; 1971 c.212 §4; repealed by 1987 c.320 §246]

CORRECTIONS FACILITIES SITING (Generally)

421.611 Findings. The Legislative Assembly finds that:

(1) There is a serious and urgent need to construct and operate additional correctional facilities in this state to accommodate current and projected prison populations.

(2) Immediate corrections facility planning and siting requires an expedited process. Existing corrections facility siting procedures are inadequate to meet the current and projected need for the siting of additional correctional facilities in this state. [1995 c.745 §1]

Note: 421.611 to 421.630 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 421 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

421.612 Definitions. As used in ORS 421.611 to 421.630, unless the context otherwise requires:

(1) "Authority" means the Corrections Facilities Siting Authority as established in ORS 421.621.

(2) "Department" means the Department of Corrections. [1995 c.745 §2]

(1) Nominate sites for the construction and operation of additional corrections facilities in this state, based on the criteria adopted by the department pursuant to ORS 421.614, and the following criteria:

(a) The interest demonstrated by local jurisdictions in having a site selected for a corrections facility within their jurisdiction.

(b) The availability or the ability of the local jurisdictions to provide adequate infrastructure to serve the facility.

(c) Natural features that allow design to promote compatibility with surroundings.

(d) The availability of or ability to provide local support facilities.

(e) The cost of developing the proposed facility, including but not limited to:

(A) The cost of land acquisition and construction including the availability of land or facilities owned by the State of Oregon.

(B) The cost of operating the facility.

(f) The location and dispersal of social service residential facilities and other corrections facilities.

(2) Publish an initial report stating the conclusions of the department with regard to each site nominated.

(3) Provide copies of the report to:

(a) Each of the county commissioners in the county where any of the nominated sites are located;

(b) Each of the city council members where that site is located if any one of the sites is in a city;

(c) Governmental agencies that may be called upon to provide services to the facility at any of the sites, including police, fire, water, sewage, roads and public transit; and

Note: See note under 421.611.

421.618 Meetings to discuss site selections. Prior to nominating sites pursuant to ORS 421.616, the Department of Corrections shall hold a meeting or multiple meetings with the elected local government officials involved to discuss the site selections, the on-site and off-site improvements needed at each site and the site preferences of the local governments. [1995 c.745 §5]

Note: See note under 421.611.

421.620 [Formerly 421.425; repealed by 1965 c.616 §101]

421.621 Corrections Facilities Siting Authority; membership; duties. (1) There is established a Corrections Facilities Siting Authority. Subject to the approval of the Governor, the authority shall make corrections facility site selection decisions as set forth in ORS 421.623. The authority shall consist of five persons, to be appointed by the Governor and to serve at the Governor's pleasure. The Governor shall appoint one of the members as chairperson.

(2) A majority of the authority members constitutes a quorum for the transaction of business. Members of the authority are entitled to compensation and expenses as provided in ORS 292.495. Any vacancy shall be filled by the Governor.

(3) The authority shall:

(a) Direct such staff as assigned to it by the Department of Corrections;

(b) Consult with the department, local government officials and others as it deems necessary;

(c) Hold hearings; and

(d) Make decisions on the siting of corrections facilities. [1995 c.745 §6]

Note: See note under 421.611.

421.623 Hearings in region where nominated site located; ranking sites; findings. (1) Within 30 days after nomination of sites as set forth in ORS 421.616, the Corrections Facilities Siting Authority shall hold a hearing within the region where each nominated site is located to receive Department of Corrections, local government, neighborhood, law enforcement and public testimony regarding the sites nominated and conditions proposed therefor.

(2) Not later than 10 days before the hearing held by the authority as required by subsection (1) of this section, any affected local government or any person may submit proposed conditions to the authority. Each proposed condition shall:

(a) Be stated separately;

(b) Be in writing;

(c) Identify the site to which the condition, if approved, would attach;

(d) Be specific;

(e) Directly relate to any site or its proposed development, infrastructure, access thereto or physical condition on or in the immediate vicinity of such site; and

(f) Be supported by a statement of the need or reasons therefor.

(3)(a) Within 45 days after nomination of the sites as set forth in ORS 421.616, the authority shall select and rank in order of preference such sites as the Governor deems necessary or advisable for the construction and operation of corrections facilities, and specify site development conditions for each site, supported by findings, which findings shall address the criteria specified by the department pursuant to ORS 421.614 and in ORS 421.616.

(b) In addition to the findings required by paragraph (a) of this subsection, when the authority refuses to adopt a proposed condition submitted in accordance with subsection (2) of this section, the authority shall state

on the record why, in its judgment, the refusal to adopt the proposed condition is in the public interest.

(4) If one or more of the nominated sites meets the mandatory criteria established by the department pursuant to ORS 421.614, the local jurisdiction demonstrates interest as described in subsection (5) of this section, and the authority selects a site that has not demonstrated interest as described under subsection (5) of this section, the authority shall make findings that demonstrate why it selected the site in which the local jurisdiction did not demonstrate interest.

(5) A local jurisdiction may demonstrate interest by presenting to the Department of Corrections a resolution that sets forth such interest no later than 30 days from issuance of an executive order under ORS 421.616. [1995 c.745 §7; 1999 c.853 §1]

Note: See note under 421.611.

(1) As soon as practicable after making the siting decisions, the Corrections Facilities Siting Authority shall notify the Governor and shall make available for the Governor's review any documents or materials that the Governor may request.

(2) Within 15 days after receiving the notification required by subsection (1) of this section, the Governor shall approve or disapprove such sites as selected and ranked by the authority as the Governor deems necessary and advisable.

(3) If the Governor disapproves one or more of the sites, the Governor may direct the authority to make and rank an additional selection or selections, as appropriate, from the nominated sites and notify the Governor of the selection. Within 15 days of receiving any new selection, the Governor shall approve or disapprove such additional sites as selected and ranked by the authority as the Governor deems necessary or advisable. [1995 c.745 §8]

Note: See note under 421.611.

421.628 Effect of decision of Corrections Facilities Siting Authority; public services necessary for constructing and operating facility. (1) Notwithstanding ORS 169.690, 195.025, 197.180, 215.130 (4) and 227.286 or any other provision of law, including but not limited to statutes, ordinances, regulations and charter provisions, the decisions of the Corrections Facilities Siting Authority, if approved by the Governor, shall bind the state and all counties, cities and political subdivisions in this state as to the approval of the sites and the construction and operation of the proposed cor-

rections facilities. Affected state agencies, counties, cities and political subdivisions shall issue the appropriate permits, licenses and certificates and enter into any intergovernmental agreements as necessary for construction and operation of the facilities, subject only to the conditions of the siting decisions.

(2) Each state or local governmental agency that issues a permit, license or certificate shall continue to exercise enforcement authority over the permit, license or certificate.

(3) Except as provided in subsections (4) to (16) of this section, nothing in ORS 421.611 to 421.630 expands or alters the obligations of cities, counties and political subdivisions to pay for infrastructure improvements for the proposed corrections facilities.

(4) The Department of Corrections shall seek to obtain public services necessary for the construction and operation of corrections facilities from a public body providing such services. The department shall not acquire or develop and furnish its own public services under this section that could be provided by a public body unless the department concludes that the state can achieve significant cost savings by doing so.

(5) Upon request of the Department of Corrections, a public body furnishing public services shall make public services available to the department that are either necessary for the construction and operation of a corrections facility or required by additions to or remodeling of a corrections facility sited or constructed under ORS 421.611 to 421.630 or any other law. All rates, terms and conditions of furnishing public services shall be just, fair and reasonable. A just, fair and reasonable rate shall assure the public body the recovery of the additional costs of providing and maintaining the requested service to the corrections facility, including, but not limited to, feasibility and design engineering costs, and reasonable capacity replacement, but shall not exceed the public body's actual capital and operating expenses, including reasonable reserves charged to all ratepayers, for such service. The public body's rates, terms and conditions shall be conclusively deemed to be just, fair and reasonable if the department and public body so agree in writing.

(6) If the Department of Corrections and the public body cannot agree on the rates, terms and conditions of furnishing necessary public services to a corrections facility, either the department or the public body may deliver to the other a notice of request to mediate any disputed issues, including, but not limited to, whether the department can

achieve significant cost savings to the state by acquiring or developing and furnishing its own public services. If either the department or the public body requests mediation, the other shall participate in good faith in such mediation. Unless otherwise agreed by the department and the public body, the mediation shall be concluded within 30 days of delivery of the notice of request to mediate.

(7) If the mediation fails to resolve the issues in dispute, or if mediation is not requested by either the Department of Corrections or the public body, the department and the public body may agree to submit any disputed matters to arbitration. The arbitration may be either binding or nonbinding. If the department and the public body cannot agree on the selection of the arbitrator and the arbitration rules and procedure, upon motion directed to the Court of Appeals, the Chief Judge of the Court of Appeals shall select the arbitrator and decide the rules and procedure. The arbitrator's decision and award shall be guided by the standards set forth in this section. The decision and award of the arbitrator shall be final and binding on the department and the public body only if they agree to enter into binding arbitration prior to the initiation of the arbitration. If the department and public body have agreed to binding arbitration of disputed issues, either the department or the public body, if dissatisfied with the arbitrator's decision and award, may file exceptions in the Court of Appeals within 21 days of the issuance of the decision and award. Exceptions shall be limited to the causes set forth in ORS 36.705 (1)(a) to (d), and to the grounds for modification or correction of an award under ORS 36.710. If any of the exceptions requires consideration of facts that do not appear on the face of the arbitrator's decision and award or is not stipulated to by the parties, the court may appoint a master to take evidence and make the necessary factual findings. The Court of Appeals' decision shall be final and not subject to further review.

(8) If the Department of Corrections and the public body have submitted disputed matters to nonbinding arbitration or if the department and public body have chosen not to submit disputed matters to arbitration, the department shall issue a preliminary order to the public body that either concludes that the state can achieve significant costs savings by acquiring or developing and furnishing its own public services, or establishes the rates, terms and conditions upon which the public body shall make necessary public services available to the department for the corrections facility. The public body, no later than 15 days following the department's issuance of its preliminary or-

der, may contest the preliminary order by filing a written notice to that effect with the department. The preliminary order shall become final, binding and conclusive if the public body fails to request a hearing within the time permitted in this section.

(9) If a hearing is requested, the department shall provide the public body with an opportunity to be heard and shall issue its final order upon conclusion of the hearing. The department shall establish procedures to regulate and provide for the nature and extent of the proofs and evidence and the method of taking and furnishing the same in order to afford the public body a reasonable opportunity for a fair hearing. The procedures shall ensure that the public body has a reasonable opportunity to place in the record the information upon which the public body relies as a basis for its position. The department's order shall be guided by the standards set forth in this section.

(10) Proceedings for review of the department's final order shall be instituted when the affected public body files a petition with the Court of Appeals that meets the following requirements:

(a) The petition shall be filed within 21 days of issuance of the final order on which the petition is based.

(b) The petitioner shall serve a copy of the petition by registered or certified mail upon the Department of Corrections and the Attorney General.

(11) Within 30 days after service of the petition, the department shall transmit to the Court of Appeals the original or a certified copy of the entire record and any findings that may have been made.

(12) The Court of Appeals shall review the final order of the Department of Corrections. The Court of Appeals' decision shall be final and not subject to further review.

(13) Proceedings for review in the Court of Appeals under this section shall be given priority over all other matters before the Court of Appeals.

(14) The Department of Corrections or other state agency shall not be required to make payments to the public body for necessary public services to a corrections facility in excess of funds that are legally available for such purposes.

(15) Nothing in this section shall require a public body to furnish public services to the Department of Corrections for a corrections facility in the event that the Legislative Assembly fails to make funds available in an amount sufficient to pay the state's share of costs of such services as determined under this section.

(16) As used in this section, “public services” means off-site infrastructure, including, but not limited to, sewer and water systems and service, and road improvements. [1995 c.745 §9; 1997 c.715 §4; 2003 c.598 §44; 2009 c.231 §7]

Note: Operation of the amendments to 421.628 by section 9, chapter 516, Oregon Laws 2001, is dependent upon further approval by the Legislative Assembly. See section 11, chapter 516, Oregon Laws 2001. The text that is operative after that approval, including amendments by section 45, chapter 598, Oregon Laws 2003, and section 8, chapter 231, Oregon Laws 2009, is set forth for the user’s convenience.

421.628. (1) Notwithstanding ORS 169.690, 195.025, 197.180, 215.130 (4) and 227.286 or any other provision of law, including but not limited to statutes, ordinances, regulations and charter provisions, and except for permit decisions delegated by the federal government to the Department of State Lands, the decisions of the Corrections Facilities Siting Authority, if approved by the Governor, shall bind the state and all counties, cities and political subdivisions in this state as to the approval of the sites and the construction and operation of the proposed corrections facilities. Except for those statutes and rules for which permit decisions have been delegated by the federal government to the Department of State Lands, all affected state agencies, counties, cities and political subdivisions shall issue the appropriate permits, licenses and certificates and enter into any intergovernmental agreements as necessary for construction and operation of the facilities, subject only to the conditions of the siting decisions.

(2) Each state or local governmental agency that issues a permit, license or certificate shall continue to exercise enforcement authority over the permit, license or certificate.

(3) Except as provided in subsections (4) to (16) of this section, nothing in ORS 421.611 to 421.630 expands or alters the obligations of cities, counties and political subdivisions to pay for infrastructure improvements for the proposed corrections facilities.

(4) The Department of Corrections shall seek to obtain public services necessary for the construction and operation of corrections facilities from a public body providing such services. The department may not acquire or develop and furnish its own public services under this section that could be provided by a public body unless the department concludes that the state can achieve significant cost savings by doing so.

(5) Upon request of the Department of Corrections, a public body furnishing public services shall make public services available to the department that are either necessary for the construction and operation of a corrections facility or required by additions to or remodeling of a corrections facility sited or constructed under ORS 421.611 to 421.630 or any other law. All rates, terms and conditions of furnishing public services shall be just, fair and reasonable. A just, fair and reasonable rate shall assure the public body the recovery of the additional costs of providing and maintaining the requested service to the corrections facility, including, but not limited to, feasibility and design engineering costs, and reasonable capacity replacement, but may not exceed the public body’s actual capital and operating expenses, including reasonable reserves charged to all ratepayers, for such service. The public body’s rates, terms and conditions shall be conclusively deemed to be just, fair and reasonable if the department and public body so agree in writing.

(6) If the Department of Corrections and the public body cannot agree on the rates, terms and conditions of furnishing necessary public services to a corrections facility, either the department or the public body may deliver to the other a notice of request to mediate any

disputed issues, including, but not limited to, whether the department can achieve significant cost savings to the state by acquiring or developing and furnishing its own public services. If either the department or the public body requests mediation, the other shall participate in good faith in such mediation. Unless otherwise agreed by the department and the public body, the mediation shall be concluded within 30 days of delivery of the notice of request to mediate.

(7) If the mediation fails to resolve the issues in dispute, or if mediation is not requested by either the Department of Corrections or the public body, the department and the public body may agree to submit any disputed matters to arbitration. The arbitration may be either binding or nonbinding. If the department and the public body cannot agree on the selection of the arbitrator and the arbitration rules and procedure, upon motion directed to the Court of Appeals, the Chief Judge of the Court of Appeals shall select the arbitrator and decide the rules and procedure. The arbitrator’s decision and award shall be guided by the standards set forth in this section. The decision and award of the arbitrator shall be final and binding on the department and the public body only if they agree to enter into binding arbitration prior to the initiation of the arbitration. If the department and public body have agreed to binding arbitration of disputed issues, either the department or the public body, if dissatisfied with the arbitrator’s decision and award, may file exceptions in the Court of Appeals within 21 days of the issuance of the decision and award. Exceptions shall be limited to the causes set forth in ORS 36.705 (1)(a) to (d), and to the grounds for modification or correction of an award under ORS 36.710. If any of the exceptions requires consideration of facts that do not appear on the face of the arbitrator’s decision and award or is not stipulated to by the parties, the court may appoint a master to take evidence and make the necessary factual findings. The Court of Appeals’ decision shall be final and not subject to further review.

(8) If the Department of Corrections and the public body have submitted disputed matters to nonbinding arbitration or if the department and public body have chosen not to submit disputed matters to arbitration, the department shall issue a preliminary order to the public body that either concludes that the state can achieve significant costs savings by acquiring or developing and furnishing its own public services, or establishes the rates, terms and conditions upon which the public body shall make necessary public services available to the department for the corrections facility. The public body, no later than 15 days following the department’s issuance of its preliminary order, may contest the preliminary order by filing a written notice to that effect with the department. The preliminary order shall become final, binding and conclusive if the public body fails to request a hearing within the time permitted in this section.

(9) If a hearing is requested, the department shall provide the public body with an opportunity to be heard and shall issue its final order upon conclusion of the hearing. The department shall establish procedures to regulate and provide for the nature and extent of the proofs and evidence and the method of taking and furnishing the same in order to afford the public body a reasonable opportunity for a fair hearing. The procedures shall ensure that the public body has a reasonable opportunity to place in the record the information upon which the public body relies as a basis for its position. The department’s order shall be guided by the standards set forth in this section.

(10) Proceedings for review of the department’s final order shall be instituted when the affected public body files a petition with the Court of Appeals that meets the following requirements:

(a) The petition shall be filed within 21 days of issuance of the final order on which the petition is based.

(b) The petitioner shall serve a copy of the petition by registered or certified mail upon the Department of Corrections and the Attorney General.

(11) Within 30 days after service of the petition, the department shall transmit to the Court of Appeals the original or a certified copy of the entire record and any findings that may have been made.

(12) The Court of Appeals shall review the final order of the Department of Corrections. The Court of Appeals' decision shall be final and not subject to further review.

(13) Proceedings for review in the Court of Appeals under this section shall be given priority over all other matters before the Court of Appeals.

(14) The Department of Corrections or other state agency is not required to make payments to the public body for necessary public services to a corrections facility in excess of funds that are legally available for such purposes.

(15) This section does not require a public body to furnish public services to the Department of Corrections for a corrections facility in the event that the Legislative Assembly fails to make funds available in an amount sufficient to pay the state's share of costs of such services as determined under this section.

(16) As used in this section, "public services" means off-site infrastructure, including, but not limited to, sewer and water systems and service, and road improvements.

Note: See note under 421.611.

421.630 Judicial review. (1) Notwithstanding ORS 183.400, 183.482, 183.484 and 197.825 or any other law, exclusive jurisdiction for review of any decision relating to the establishment of, addition to, remodeling of or siting of a corrections facility including the establishment of criteria under ORS 421.614, the nomination of sites under ORS 421.616 or any actions under ORS 421.623 or 421.626 is conferred upon the Supreme Court.

(2) Proceedings for review shall be instituted when any person or local government adversely affected files a petition with the Supreme Court that meets the following requirements:

(a) The petition shall be filed within 21 days of issuance of the specific decision on which the petition is based, except that a petition based on a decision to adopt criteria pursuant to ORS 421.614 shall be filed within 21 days of the issuance of the criteria. (b) The petition shall state the nature of the decision the petitioner desires reviewed, in what manner the decision below rejected the position raised by the petitioner below and shall state, by supporting affidavit, the facts showing how the petitioner is adversely affected. In the case of a decision by the Corrections Facilities Siting Authority, the petitioner is adversely affected only when the petitioner can establish by clear and convincing evidence in the affidavit that:

(A) The petitioner participated before the authority;

(B) The petitioner will be within sight or sound of the facility or is affected economically in excess of \$5,000 in value; and

(C) The petitioner proposed conditions as required by ORS 421.623 (2) that were rejected by the authority.

(c) The petitioner shall serve a copy of the petition by registered or certified mail upon the Department of Corrections, the authority and the Attorney General.

(d) Within 30 days after service of the petition, the department shall transmit to the Supreme Court, or a special master it designates, the original or a certified copy of the entire record and any findings that may have been made. The court shall not substitute its judgment for that of the Governor, the department or the authority as to any issue of fact or issue within executive branch discretion.

(3) If the petition is for review of a decision made by the siting authority, the record shall include only:

(a) The report of the authority.

(b) The conditions, if any, on the nomination.

(c) The transcript of the hearing before the authority. However, on motion of the authority, the Supreme Court may limit the transcript to those matters in which the petitioner is interested as provided in subsection (2)(b) of this section.

(d) Evidence submitted by the petitioner to the authority, but on motion of any party to the judicial review, the Supreme Court may supplement the record with additional materials from the hearing before the authority.

(e) The transcript of the decision-making meeting of the authority.

(f) The authority findings and decision.

(4) Upon review, the Supreme Court may reverse or remand the decision if the Supreme Court concludes that the department, the authority or the Governor:

(a) Exceeded the statutory or constitutional authority of the decision maker;

(b) Made a decision based on findings that are not supported by substantial evidence in the record as described in ORS 183.482 (8)(c); or

(c) Refused to adopt a proposed condition submitted under ORS 421.623 (2) and failed to provide the statement required by ORS 421.623 (3)(b).

(5) Proceedings for review under this section shall be given priority over all other

matters before the Supreme Court. [1995 c.745 §10; 1999 c.853 §2]

(e) Be supported by a statement of the need or reasons therefor.

(3) Within seven days following the hearing required under subsection (1) of this section, the director shall issue a final report regarding the proposed site. If the director recommends that the proposed site be used for the construction and operation of a women's correctional facility and intake center complex, the director shall specify in the report those conditions the director deems necessary and appropriate for the site.

(4) If the director recommends a site for which the local government did not express interest as described in ORS 421.637 (1)(a), the director shall make findings that demonstrate why the director selected the site. [1999 c.982 §4]

Within 30 days of the date of the executive order described in ORS 421.637, the Director of the Department of Corrections shall notify the Governor of the site proposed for the construction and operation of a women's correctional facility and intake center complex. The director shall make available for the Governor's review the final report required under ORS 421.641 and any other documents or materials that the Governor may request. The Governor shall approve or disapprove the site as the Governor deems necessary or advisable. [1999 c.982 §5]

421.645 Issuing permits necessary for construction and operation of facility; rules. (1) Notwithstanding ORS 195.025, 197.175, 197.180, 215.130 (4), 227.286, 455.148 or 455.150 or any other provision of law, including but not limited to statutes, ordinances, regulations and charter provisions, the Director of the Department of Consumer and Business Services, through the Building Codes Division, shall exercise authority for the issuance of all permits required under the state building code for the construction and operation of the women's correctional facility and intake center complex approved under ORS 421.643.

(2) All other state agencies, including but not limited to the Department of Environmental Quality, shall issue such permits within the authority of the agency as may be necessary for the construction and operation of the complex.

(3) Within the authority of the city, county or political subdivision, each city, county and political subdivision shall issue the appropriate permits, licenses and certificates not issued under subsections (1) and (2) of this section, including all necessary construction permits over public rights of way, and enter into any intergovernmental agreements as may be necessary for the construction and operation of the complex.

(4) A state agency or local government that issues a permit, license or certificate under subsections (1) to (7) of this section shall continue to exercise enforcement authority over the permit, license or certificate.

(5) Except as provided in ORS 421.649, nothing in ORS 421.635 to 421.657 expands or otherwise alters the obligations of a city, county or political subdivision to pay for infrastructure improvements for the complex.

(6)(a) State agencies and local governments shall issue any permit, license or certificate required under subsections (1) to (3) of this section within 60 days of receiving a completed application for the permit, license or certificate from the Department of Corrections or a person acting on behalf of the department. A state agency or local government may impose reasonable conditions on any permit, license or certificate but may not deny the permit, license or certificate unless denial is required under federal law.

(b) If a permit, license or certificate required under subsections (1) to (7) of this section is not issued within 60 days of receiving a completed application, the Department of Corrections may file a petition for a writ of mandamus in the circuit court for the jurisdiction of the affected local government to compel issuance of the permit, license or certificate. The writ shall issue unless the local government can demonstrate by clear and convincing evidence that issuing the permit, license or certificate would violate a substantive provision of the state building code, exceed the local government's statutory authority or violate federal law.

(c) Proceedings on a petition for a writ of mandamus under this subsection shall comply with the applicable provisions of ORS chapter 34.

(7) The issuance of any permit, license or certificate under subsections (1) to (7) of this section and any construction or development undertaken pursuant to such permit, license or certificate shall not be considered in support of or in opposition to an application for a land use decision under ORS chapter 197, 215 or 227.

(8) In accordance with the applicable provisions of ORS chapter 183 and notwithstanding ORS 455.035, the Director of the Department of Consumer and Business Services shall adopt such rules as the director determines necessary to implement the provisions of subsections (1) to (7) of this section. [1999 c.982 §§7,8(1); 2001 c.573 §4]

421.647 Review of decision relating to permits. (1) Notwithstanding ORS 183.400, 183.482, 183.484 or 197.825 or any other law, review of any decision or action relating to the issuance or denial of a permit, license or certificate under ORS 421.645 (1) to (7) is as described in this section.

(2) A person or governmental entity adversely affected by a decision or action may institute a proceeding for review by filing a petition in Marion County Circuit Court that meets the following requirements:

(a) The petition must be filed within 21 days of issuance of the specific decision or action on which the petition is based.

(b) The petition must include the following:

(A) A statement of the nature of the decision or action the petitioner desires to be reviewed.

(B) A statement of the constitutional, statutory or other legal provision providing a basis for the challenge.

(C) A statement of whether the validity of the decision or action depends on factual findings and whether it is necessary to create a record in order to review the challenge.

(D) A statement and supporting affidavit showing how the petitioner is adversely affected by the decision or action.

(c) The petitioner shall serve a copy of the petition by registered or certified mail upon the Department of Corrections and the Attorney General.

(3) The court may affirm, reverse or remand the decision or action. The court shall reverse or remand the decision or action if the court finds that the entity making the decision or taking the action:

(a) Exceeded its statutory or constitutional authority; or

(b) Made a decision or took an action, the validity of which depends on the existence of one or more facts, when the requisite fact or facts do not exist.

(4) As to any decision or action, the validity of which depends on the existence of a particular fact:

(a) The court shall first decide whether any claims of error require fact-finding because the challenged decision or action depends on the existence of one or more facts. If the court determines that the claim of error requires fact-finding, the court shall decide whether additional evidence is required in order to determine whether the necessary fact exists. To be considered by the court, the evidence, if required, need not have been before the decision maker at the time of making the decision or taking the action.

(b) In determining the existence of a necessary fact, the fact shall be deemed to exist if the court finds, based on the record presented to or made before it, that there is evidence, taken in isolation, from which a reasonable person could conclude that the fact exists.

(5) If the court determines that the claim of error may be resolved without taking additional evidence, the court shall certify the matter to the Supreme Court and the Supreme Court shall accept the certification. The Supreme Court shall conduct its review as provided in subsections (3) and (4) of this section.

(6) Any party to the proceedings before the court may appeal from the judgment of that court to the Supreme Court by filing a petition meeting the criteria set forth in subsection (2) of this section. The petition must be filed within 21 days after the entry of the judgment. The Supreme Court shall conduct its review as provided in subsections (3) and (4) of this section. [1999 c.982 §9]

421.649 Provision of public services. (1) The Department of Corrections shall obtain public services necessary for the construction and operation of a women's correctional facility and intake center complex in the manner provided under ORS 421.628 (4) to (15).

(2) Regardless of the territorial limits of the public body providing public services to the complex, and notwithstanding any other law, upon request or application from the department, the public body shall provide any public service necessary for the construction and operation of the complex. During the pendency of any mediation, arbitration or judicial review proceeding under this section, the public body shall provide any public service necessary for the continued construction and operation of the complex, as requested by the department.

(3) The existence of a public service provided to the complex shall not be a consideration in support of or in opposition to an application for a land use decision, limited land use decision or expedited land division under ORS chapter 197, 215 or 227. [1999 c.982 §10]

421.651 Prison Advisory Committee; duties. (1) Within 60 days after August 20, 1999, the Director of the Department of Corrections shall form a Prison Advisory Committee. The committee shall meet to discuss, and make recommendations to the director about, potential construction and operational impacts of the women's correctional facility and intake center complex. Impacts may include plans for buffering, lighting and noise mitigation to minimize intrusion into the privacy of surrounding residences. The director shall consider the recommendations and shall adopt such recommendations as practicable, considering safety, security and operational needs of the complex.

(2) The Department of Corrections shall maintain a policy or plan for notifying local jurisdictions and surrounding residents of inmate escapes and other incidents that, in the director's judgment, may raise local safety concerns.

(3) Any decision made or action taken under this section is final and is not subject to judicial review. [1999 c.982 §11]

421.653 Judicial review. (1) Except as provided in ORS 421.647 and notwithstanding ORS 183.400, 183.482, 183.484 or 197.825 or any other law, exclusive jurisdiction for review of the constitutionality of ORS 421.635 to 421.651 and any decision relating to the siting of a women's correctional facility and intake center complex under ORS 421.637, 421.641, 421.643, 421.645 (8), 421.649 and 421.651 and section 8 (2), chapter 982, Oregon Laws 1999, is conferred upon the Supreme Court.

(2) A person or local government adversely affected by ORS 421.635 to 421.651 may institute a proceeding for review by filing with the Supreme Court a petition that meets the following requirements:

(a) The petition for review of the constitutionality of ORS 421.635 to 421.657 and section 8 (2), chapter 982, Oregon Laws 1999, must be filed within 21 days after August 20, 1999. The petition must include the following:

(A) A statement of the constitutional provision providing a basis for the challenge.

(B) A statement and supporting affidavit showing how the petitioner is adversely affected.

(b) A petition for review of a decision made under ORS 421.637, 421.641, 421.643, 421.645 (8), 421.649 and 421.651 and section 8 (2), chapter 982, Oregon Laws 1999, shall be filed within 21 days of issuance of the specific decision on which the petition is based.

(3) The petitioner shall serve a copy of the petition by registered or certified mail upon the Department of Corrections and the Attorney General.

(4) A petition filed under subsection (2)(b) of this section shall state the nature of the decision the petitioner desires reviewed and in what manner the decision below rejected the position raised by the petitioner.

(5) Within 30 days after service of the petition under subsection (2)(a) of this section, the department shall transmit to the Supreme Court, or a special master it designates, the original or a certified copy of the entire record and any findings that may have been made. The court shall not substitute its judgment for that of the Governor or the Director of the Department of Corrections as

to any issue of fact or issue within executive branch discretion.

(6) If the petition is filed under subsection (2)(b) of this section, the record shall include only:

(a) The director's final report prepared under ORS 421.641.

(b) The conditions, if any, on the proposed site.

(c) The transcript of the hearing before the department. However, on motion of the director, the Supreme Court may limit the transcript to those matters in which the petitioner is interested as provided in subsection (2)(b) of this section.

(d) Evidence submitted by the petitioner to the director, but on motion of any party to the judicial review, the Supreme Court may supplement the record with additional materials from the hearing before the director.

(7) Upon review, the Supreme Court may reverse or remand a decision made under ORS 421.637, 421.641, 421.643, 421.645 (8), 421.649 and 421.651 and section 8 (2), chapter 982, Oregon Laws 1999, if the Supreme Court finds the director, Department of Corrections or the Governor:

(a) Exceeded the statutory or constitutional authority of the decision maker; or

(b) Made a decision not supported by substantial evidence. For purposes of this subsection, "substantial evidence" means evidence that, taken in isolation, a reasonable mind could accept as adequate to support a conclusion. The substantiality of the evidence shall not be evaluated by considering the whole record.

(8) Proceedings for review under this section shall be given priority over all other matters before the Supreme Court. [1999 c.982 §12]

421.655 Proceedings for review; consolidation; priority. (1) To the extent practicable, the appropriate court shall consolidate any proceedings for review under ORS 421.635 to 421.657.

(2) A circuit court, the Court of Appeals and the Supreme Court shall give proceedings for review under ORS 421.635 to 421.657, and all appeals therefrom, priority over all other matters before the court.

(3) Except for proceedings on a petition for a writ of mandamus under ORS 421.645 (1) to (7), the circuit court may not issue an injunction or a stay in a proceeding under ORS 421.635 to 421.657. [1999 c.982 §13]

421.657 Condemnation of property. The condemnation of any real property required under ORS 421.635 to 421.657 and section 8 (2), chapter 982, Oregon Laws 1999, by the Department of Corrections, or on behalf of the department, shall be conducted according to the applicable provisions of ORS chapter 35.
