87.007 Protection from construction liens perfected after sale of residential property completed; requirements; seller options; rules; delivery of form to purchaser; penalty; damages; defenses. (1) This section applies to a sale of the following residential property:

(a) A new single family residence or a single family residence where the sales price is \$50,000 or more for original construction or the contract price is \$50,000 or more for improvements to the residence completed within three months before the date the property is sold.

(b) A new condominium unit or a condominium unit where the sales price is \$50,000 or more for original construction or the contract price is \$50,000 or more for improvements to the condominium unit completed within three months before the date the property is sold. As used in this paragraph, "condominium unit" has the meaning given that term in ORS 100.005.

(c) A new residential building or a residential building where the sales price is \$50,000 or more for original construction or the contract price is \$50,000 or more for improvements to the residential building completed within three months before the date the property is sold. As used in this paragraph, "residential building" means a building or structure that contains not more than

four dwelling units capable of use as residences or homes.

(2) An owner of record at the time the owner of record sells residential property to a purchaser shall protect the purchaser from claims of lien that arise before the date on which the sale is complete but that may become perfected under ORS 87.035 after the date on which the sale is complete by one of the following methods:

(a) Purchase or otherwise provide title insurance on the purchaser's behalf by means of a policy issued:

(A) Without exception for filed and unfiled claims of construction lien that exist at the closing date of the purchase; and

(B) On forms and at rates filed with, but not disapproved by, the Director of the Department of Consumer and Business Services.

(b) Retain in escrow, as defined in ORS 696.505, an amount of funds that is not less than 25 percent of the sale price of the residential property. The funds must be maintained in or released from escrow in accordance with written instructions to the escrow agent from the purchaser and the owner that sold the property. The written instructions shall require the escrow agent to pay upon the purchaser's demand a claim of lien that is perfected after the date of the sale of the property and that the owner that sold the property has not paid. The escrow agent shall make the payment from the amount maintained in escrow. The escrow agent shall release the unused funds from escrow to the owner that sold the property if the escrow agent receives a request from the owner that sold the property and the owner that sold the property provides documentation from a title company that:

(A) A claim of lien has not been perfected against the property and 90 days have passed since the date that construction was completed; or

(B) A claim of lien has been perfected against the property, that 135 days have passed since the date that each such claim of lien was filed and that all perfected claims of lien have been released or waived.

(c) Maintain a bond or letter of credit in an amount that is not less than 25 percent of the sale price of the property. The Construction Contractors Board shall prescribe by rule the amount, terms and conditions of the bond or letter of credit to be maintained under this paragraph.

(d) Obtain written waivers from every person that claims or perfects a lien or liens under ORS 87.010 or 87.035 that, in an aggregate amount, exceed \$5,000 with respect to the property and provide copies of the

waivers to the purchaser not later than the date the sale of the property is completed.

(e) Complete the sale of the residential property after the deadline for perfecting a claim of lien under ORS 87.035 with respect to the property.

(3) Not later than the date on which the sale of the residential property is completed, the owner who sold the property shall complete, sign and deliver to the purchaser a form that specifies the method that the owner has selected to comply with the requirements of subsection (2) of this section or that states that subsection (2) of this section does not apply to the sale of the property. The notice must be in a form the Construction Contractors Board designates by rule under ORS 701.235.

(4) A real estate licensee, as defined in ORS 696.010, acting in the professional capacity of a licensee is not liable in a criminal, civil or administrative proceeding that arises out of the failure of an owner of record to comply with subsection (2) or (3) of this section.

(5) Violation of subsection (3) of this section is a Class A violation.

(6) In addition to any other remedy or penalty provided by law, a purchaser may bring an action to recover up to twice the amount of actual damages caused by a violation of subsection (2) of this section. The court may award to the prevailing party, in addition to costs and disbursements, reasonable attorney fees. Any action brought under this subsection must be commenced not later than two years after the date on which the sale of the property is completed.

(7) For purposes of subsections (5) and (6) of this section and ORS 646.608:

(a) It is a defense to a violation of subsection (2) or (3) of this section that no enforcement or attempt to enforce a claim of lien against the property that is the subject of the sale occurred before the date the sale of the property was completed; and

(b) As to a claim of lien, it is a defense to a violation of subsection (2) or (3) of this section if the owner that sold the property:

(A) Proves that the claim of lien against the property that is the subject of the sale is invalid; or

(B) Satisfies the claim of lien or obtains a release from the claim of lien on the property that is the subject of the sale.

(8) A violation of subsection (2) or (3) of this section does not occur with respect to a lien described in ORS 87.010 during the period that the validity of the lien is disputed in a judicial proceeding or a proceeding described in ORS chapter 701.

(9) Nothing in this section requires the payment of a lien that is not otherwise valid. This section does not apply to claims of lien perfected by persons that furnish materials, equipment, services or labor at the request of the purchaser of the residential property. [2003 c.778 §2; 2010 c.77 §1]

87.010 Construction liens; who is entitled to lien. (1) Any person performing labor upon, transporting or furnishing any material to be used in, or renting equipment used in the construction of any improvement shall have a lien upon the improvement for the labor, transportation or material furnished or equipment rented at the instance of the owner of the improvement or the construction agent of the owner.

(2) Any person who engages in or rents equipment for the preparation of a lot or parcel of land, or improves or rents equipment for the improvement of a street or road adjoining a lot or parcel of land at the request of the owner of the lot or parcel, shall have a lien upon the land for work done, materials furnished or equipment rented.

(3) A lien for rented equipment under subsection (1) or (2) of this section shall be limited to the reasonable rental value of the equipment notwithstanding the terms of the underlying rental agreement.

(4) Trustees of an employee benefit plan shall have a lien upon the improvement for the amount of contributions, due to labor performed on that improvement, required to be paid by agreement or otherwise into a fund of the employee benefit plan.

(5) An architect, landscape architect, land surveyor or registered engineer who, at the request of the owner or an agent of the owner, prepares plans, drawings or specifications that are intended for use in or to facilitate the construction of an improvement or who supervises the construction shall have a lien upon the land and structures necessary for the use of the plans, drawings or specifications so provided or supervision performed.

(6) A landscape architect, land surveyor or other person who prepares plans, drawings, surveys or specifications that are used for the landscaping or preparation of a lot or parcel of land or who supervises the landscaping or preparation shall have a lien upon the land for the plans, drawings, surveys or specifications used or supervision performed. [Amended by 1957 c.651 §2; 1973 c.671 §2; 1975 c.466 §3; 1977 c.596 §2; 1981 c.757 §1]

87.015 Land and interests therein subject to lien; leaseholds. (1) The site together with the land that may be required for the convenient use and occupation of the improvement constructed on the site, to be

determined by the court at the time of the foreclosure of the lien, shall also be subject to the liens created under ORS 87.010 (1), (4) and (5) if, at the time of the commencement of the improvement, the person who caused the improvement to be constructed was the owner of that site and land. If the person owned less than a fee-simple estate in the site and land, then only the interest of the person therein shall be subject to the lien.

(2) If a lien created under ORS 87.010 (1), (4) and (5) is claimed against a unit as defined in ORS 100.005 to 100.910, the Oregon Condominium Act, the common elements appertaining to that unit are also subject to the lien.

(3) When the interest of the person who caused the improvement to be constructed is a leasehold interest, and that person has forfeited the rights of the person thereto, the purchaser of the improvement and leasehold term at any sale under the provisions of ORS 87.001 to 87.060 and 87.075 to 87.093, is deemed to be the assignee of the leasehold term, and may pay the lessor all arrears of rent or other money and costs due under the lease. If the lessor regains possession of the property, or obtains judgment for the possession thereof prior to the commencement of construction of the improvement, the purchaser may remove the improvement within 30 days after the purchaser purchases it, and the owner of the land shall receive the rent due the owner, payable out of the proceeds of the sale, according to the terms of the lease, down to the time of removal. [Amended by 1975 c.466 §4]

87.018 Delivery of notices. (1) Except as provided in ORS 87.093, all notices required under ORS 87.001 to 87.060 and 87.075 to 87.093 must be in writing and be delivered in person or by registered or certified mail.

(2) A notice that must be given under ORS 87.001 to 87.060 or 87.075 to 87.093 to a mortgagee must be delivered to the mortgagee only if the name and address of the mortgagee appear in a mortgage of record or a trust deed of record as required under ORS 205.234 (1)(b) or in the instrument that assigns a mortgage or trust deed as required under ORS 205.234 (1)(g). [1975 c.466 §5; 1981 c.757 §2; 2007 c.648 §15; 2011 c.505 §2]

87.020 [Amended by 1965 c.446 §1; 1967 c.600 §1; 1967 c.602 §1; repealed by 1975 c.466 §6 (87.021 enacted in lieu of 87.020)]

87.021 Notice to owners; notice from owner to original contractor; effect of failure to give notice. (1) Except when material, equipment, services or labor described in ORS 87.010 (1) to (3), (5) and (6) is furnished at the request of the owner, a person furnishing any materials, equipment, services or labor described in ORS 87.010 (1) to (3), (5)

and (6) for which a lien may be perfected under ORS 87.035 shall give a notice of right to a lien to the owner of the site. The notice of right to a lien may be given at any time during the progress of the improvement, but the notice only protects the right to perfect a lien for materials, equipment and labor or services provided after a date which is eight days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, before the notice is delivered or mailed. However, no lien is created under ORS 87.010 (5) or (6) for any services provided for an owner-occupied residence at the request of an agent of the owner.

(2) The notice required by subsection (1) of this section shall be substantially in the form set forth in ORS 87.023.

(3)(a) Except as provided in paragraph (b) of this subsection, a lien created under ORS 87.010 (1) to (3), (5) or (6) may be perfected under ORS 87.035 only to the extent that the notice required by subsection (1) of this section is given.

(b) A person who performs labor upon a commercial improvement or provides labor and material for a commercial improvement or who rents equipment used in the construction of a commercial improvement need not give the notice required by subsection (1) of this section in order to perfect a lien created under ORS 87.010. As used in this paragraph:

(A) "Commercial improvement" means any structure or building not used or intended to be used as a residential building, or other improvements to a site on which such a structure or building is to be located.

(B) "Residential building" means a building or structure that is or will be occupied by the owner as a residence and that contains not more than four units capable of being used as residences or homes.

(4) Unless otherwise agreed or the lien claimant who is required to give the notice under subsection (1) of this section is in privity with the original contractor, when a provision in an agreement for the construction of a commercial improvement requires the original contractor to hold an owner harmless or to indemnify an owner for a lien created under ORS 87.010 and perfected under ORS 87.035, that provision is not enforceable as to any lien which requires that a notice under this section be given to the owner unless a copy of the notice is delivered pursuant to ORS 87.018 to the original contractor not later than 10 days after its receipt by the owner. [1975 c.466 §7 (enacted in lieu of 87.020); 1981 c.757 §3; 1983 c.674 §1; 1983 c.757 §1; 1987 c.662 §1; 2001 c.311 §1; 2002 s.s.1 c.6 §§1,4; 2003 c.778 §10]

IMPORTANT INFORMATION ON REVERSE SIDE

IMPORTANT INFORMATION FOR YOUR PROTECTION

Under Oregon's laws, those who work on your property or provide labor, equipment, services or materials and are not paid have

a right to enforce their claim for payment against your property. This claim is known as a construction lien.

If your contractor fails to pay subcontractors, material suppliers, rental equipment suppliers, service providers or laborers or neglects to make other legally required payments, the people who are owed money can look to your property for payment, even if you have paid your contractor in full.

The law states that all people hired by a contractor to provide you with materials, equipment, labor or services must give you a notice of right to a lien to let you know what they have provided.

WAYS TO PROTECT YOURSELF ARE:

- RECOGNIZE that this notice of right to a lien may result in a lien against your property unless all those supplying a notice of right to a lien have been paid.

- LEARN more about the lien laws and the meaning of this notice by contacting the Construction Contractors Board, an attorney or the firm sending this notice.

- ASK for a statement of the labor, equipment, services or materials provided to your property from each party that sends you a notice of right to a lien.

- WHEN PAYING your contractor for materials, equipment, labor or services, you may make checks payable jointly to the contractor and the firm furnishing materials, equipment, labor or services for which you have received a notice of right to a lien.

- OR use one of the methods suggested by the "Information Notice to Owners." If you have not received such a notice, contact the Construction Contractors Board.

- GET EVIDENCE that all firms from whom you have received a notice of right to a lien have been paid or have waived the right to claim a lien against your property.

- CONSULT an attorney, a professional escrow company or your mortgage lender.

ORS 87.010 (1), (4) or (5) and perfected under ORS 87.035 upon any improvement shall be preferred to all prior liens, mortgages or other encumbrances upon the land upon which the improvement was constructed. To enforce such lien the improvement may be sold separately from the land; and the purchaser may remove the improvement within a reasonable time thereafter, not to exceed 30 days, upon the payment to the owner of the land of a reasonable rent for its use from the date of its purchase to the time of removal. If such removal is prevented by legal proceedings, the 30 days shall not begin to run until the final determination of such proceedings in the court of first resort or the appellate court if appeal is taken.

(3) No lien for materials or supplies shall have priority over any recorded mortgage or trust deed on either the land or improvement unless the person furnishing the material or supplies, not later than eight days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, after the date of delivery of material or supplies for which a lien may be claimed delivers to the mortgagee either a copy of the notice given to the owner under ORS 87.021 to protect the right to claim a lien on the material or supplies or a notice in any form that provides substantially the same information as the form set forth in ORS 87.023.

(4) A mortgagee who has received notice of delivery of materials or supplies in accordance with the provisions of subsection (3) of this section, may demand a list of those materials or supplies including a statement of the amount due by reason of delivery thereof. The list of materials or supplies shall be delivered to the mortgagee within 15 days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, of receipt of demand, as evidenced by a receipt or a receipt of delivery of a registered or certified letter containing the demand. Failure to furnish the list or the amount due by the person giving notice of delivery of the materials or supplies shall constitute a waiver of the preference provided in subsections (1) and (2) of this section.

(5) Upon payment and acceptance of the amount due to the supplier of materials or supplies, and upon demand of the person making payment, the supplier shall execute a waiver of all lien rights as to materials or supplies for which payment has been made.

(6) Unless the mortgage or trust deed is given to secure a loan made to finance the alteration or repair, a lien created under ORS 87.010 and perfected under ORS 87.035 for the alteration and repair of an improvement commenced and made subsequent to the date of record of a duly executed and re-

87.025 Priority of perfected liens; right to sell improvements separately from land; notice to mortgagee; list of materials or supplies. (1) A lien created under ORS 87.010 (2) or (6) and perfected under ORS 87.035 upon any lot or parcel of land shall be preferred to any lien, mortgage or other encumbrance which attached to the land after or was unrecorded at the time of commencement of the improvement.

(2) Except as provided in subsections (3) and (6) of this section, a lien created under

corded mortgage or trust deed on that improvement or on the site shall not take precedence over the mortgage or trust deed.

(7) The perfection of a lien under ORS 87.035 relates to the date of commencement of the improvement as defined in ORS 87.005. Except as provided in subsection (3) of this section, the date of creation of the lien under ORS 87.010 and the date of perfection of the lien under ORS 87.035 do not affect the priorities under this section, the equal priority of perfected lien claimants, or the distribution of proceeds to perfected lien claimants under ORS 87.060 (6). [Amended by 1965 c.446 §2; 1967 c.602 §2; 1975 c.466 §8; 1981 c.757 §6; 1983 c.513 §1; 1983 c.674 §3; 1985 c.513 §1; 1987 c.662 §3]

87.027 Right of owner to demand list of services, materials, equipment and labor; penalty for failure to provide list. An owner who receives a notice of right to a lien in accordance with the provisions of ORS 87.021 may demand, in writing, from the person providing materials, equipment, services or labor a list of materials or equipment or description of labor or services supplied or a statement of the contractual basis for supplying the materials, equipment, services or labor, including the percentage of the contract completed, and the charge therefor to the date of the demand. The supplier's statement shall be delivered to the owner within 15 days, not including Saturdays, Sundays and other holidays as defined in ORS 187.010, of receipt of the owner's written demand, as evidenced by a receipt or a receipt of delivery of a certified or registered letter containing the demand. Failure of the supplier to furnish the information requested constitutes a loss of attorney fees and costs otherwise allowable in a suit to foreclose a lien. [1981 c.757 §8; 1985 c.513 §2; 1987 c.662 §4]

87.030 Effect of owner's knowledge of improvement; notice of nonresponsibility.

(1) Every improvement except an improvement made by a person other than the landowner in drilling or boring for oil or gas, constructed upon lands with the knowledge of the owner shall be deemed constructed at the instance of the owner, and the interest owned shall be subject to any lien perfected pursuant to the provisions of ORS 87.001 to 87.060 and 87.075 to 87.093, unless the owner shall, within three days after the owner obtains knowledge of the construction, give notice that the owner will not be responsible for the same by posting a notice in writing to that effect in some conspicuous place upon the land or the improvement situated thereon.

(2) Subsection (1) of this section does not apply to a lien prohibited under ORS 87.037. [Amended by 1975 c.466 §9; 1987 c.662 §5; 2007 c.648 §9]

87.035 Perfecting lien; filing claim of lien; contents of claim. (1) Every person claiming a lien created under ORS 87.010 (1) or (2) shall perfect the lien not later than 75 days after the person has ceased to provide labor, rent equipment or furnish materials or 75 days after completion of construction, whichever is earlier. Every other person claiming a lien created under ORS 87.010 shall perfect the lien not later than 75 days after the completion of construction. All liens claimed shall be perfected as provided by subsections (2) to (4) of this section.

(2) A lien created under ORS 87.010 shall be perfected by filing a claim of lien with the recording officer of the county or counties in which the improvement, or some part thereof, is situated.

(3) A claim of lien shall contain:

(a) A true statement of demand, after deducting all just credits and offsets;

(b) The name of the owner, or reputed owner, if known;

(c) The name of the person by whom the claimant was employed or to whom the claimant furnished the materials or rented the equipment or by whom contributions are owed; and

(d) A description of the property to be charged with the lien sufficient for identification, including the address if known.

(4) The claim of lien shall be verified by the oath of the person filing or of some other person having knowledge of the facts, subject to the criminal penalties for false swearing provided under ORS 162.075. [Amended by 1975 c.466 §12; 1987 c.662 §9; 2001 c.577 §2]

87.055 Duration of lien; when suit to enforce lien commences. No lien created under ORS 87.010 shall bind any improvement for a longer period than 120 days after the claim of lien is filed unless suit is brought in a proper court within that time to enforce the lien, or if extended payment is provided and the terms thereof are stated in the claim of lien, then 120 days after the expiration of such extended payment, but no lien shall be continued in force for a longer time than two years from the time the claim of lien is filed under ORS 87.035 by any agreement to extend payment. For purposes of this section:

(1) Subject to subsection (2) of this section, a suit to enforce the lien shall be deemed commenced as provided in ORS 12.020.

(2) With regard to other parties who are construction lien claimants under ORS

87.035, a suit to enforce the lien shall be deemed to commence when the complaint is filed, whether or not summons or service with regard to such parties is completed within the time required by ORS 12.020. [Amended by 1975 c.466 §13; 1985 c.341 §1; 1985 c.513 §4; 1987 c.662 §10]

Notice delivered to the mortgagee who received the notice required by ORS 87.025 shall be deemed in compliance with this subsection, unless the person giving notice has actual knowledge of a change of mortgagee.

(2) Where a notice of intent to foreclose a lien has been given as provided by subsection (1) of this section, the sender of the notice upon demand of the owner shall furnish to the owner within five days after the demand a list of the materials and supplies with the charge therefor, or a statement of a contractual basis for the owner's obligation, for which a claim will be made in the suit to foreclose.

(3) A plaintiff or cross-complainant seeking to foreclose a lien in a suit to foreclose shall plead and prove compliance with subsections (1) and (2) of this section. 87.059 Stay in proceedings to enforce lien; requirements; procedure; dissolution of stay. (1) As used in this section:

(a) Notwithstanding ORS 87.005, "contractor" has the meaning given that term in ORS 701.005.

(b) "Board" means the Construction Contractors Board established in ORS 701.205.

(2) If a person files a suit to enforce a lien perfected under ORS 87.035 and the owner of the structure subject to that lien files a complaint that is being processed by the board under ORS 701.145 against a contractor who performed work on the structure, the owner may obtain a stay of proceedings on the suit to enforce the lien if:

(a) The owner already has paid the contractor for that contractor's work that is subject to this chapter on the structure;

(b) The person suing to enforce the lien perfected under ORS 87.035:

(A) Performed work that is subject to ORS chapter 701 on the structure for the contractor who has been paid by the owner;

(B) Furnished labor, services or materials or rented or supplied equipment used on the structure to the contractor who has been paid by the owner; or

(C) Otherwise acquired the lien as a result of a contribution toward completion of the structure for which the contractor has been paid by the owner; and

(c) The continued existence of the lien on which the suit is pending is attributable to the failure of the contractor who has been paid by the owner to pay the person suing for that person's contribution toward completion of the structure.

(3) The owner may petition for the stay of proceedings described in subsection (2) of this section by filing the following papers in the circuit court in which the suit on the lien is pending:

(a) A certified copy of the complaint filed for processing by the board under ORS 701.145; and

(b) An affidavit signed by the owner that contains:

(A) A description of the structure;

(B) The street address of the structure;

(C) A statement that the structure is the structure upon which the suit to enforce the lien is pending; and

(D) A statement that the petitioner is the owner of the structure.

(4) Upon receipt of a complete petition described in subsection (3) of this section, the circuit court shall stay proceedings on the suit to enforce the lien.

(5) After the board order on the complaint becomes final and the board issues any required notice for payment against the contractor's bond or deposit, the circuit court shall dissolve the stay ordered under subsection (4) of this section. [2011 c.630 §56]

Note: 87.059 becomes operative July 1, 2017, and applies to complaints filed on or after July 1, 2017. See section 73, chapter 630, Oregon Laws 2011.

Note: 87.059 was added to and made a part of 87.001 to 87.060 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

87.060 Foreclosure; right to jury trial; distribution of proceeds of foreclosure sale. (1) A suit to enforce a lien perfected under ORS 87.035 shall be brought in circuit court, and the pleadings, process, practice and other proceedings shall be the same as in other cases.

(2) In a suit to enforce a lien perfected under ORS 87.035, evidence of the actual costs of the labor, equipment, services and material provided by the lien claimant establishes a rebuttable presumption that those costs are the reasonable value of that labor, equipment, services and material.

(3) In a suit to enforce a lien perfected under ORS 87.035, the court shall allow or disallow the lien. If the lien is allowed, the court shall proceed with the foreclosure of the lien and resolve all other pleaded issues. If the lien is disallowed, and a party has made a demand for a jury trial as provided for in subsection (4) of this section, the court shall impanel a jury to decide any issues triable of right by a jury. All other issues in the suit shall be tried by the court.

(4) A party may demand a trial by jury of any issue triable of right by a jury after the lien is disallowed, if that party serves a demand therefor in writing upon the other parties at any time prior to commencement of the trial to foreclose the lien. The demand shall be filed with the court. The failure of a party to serve a demand as required by this subsection shall constitute a waiver by the party of trial by jury. A demand for trial by jury made as provided in this subsection may not be withdrawn without the consent of the parties.

(5) When notice of intent to foreclose the lien has been given, pleaded and proven as provided for in ORS 87.057, the court, upon entering judgment for the lien claimant, shall allow as part of the costs all moneys paid for the filing or recording of the lien and all moneys paid for title reports required for preparing and foreclosing the lien. In a suit to enforce a lien perfected under ORS 87.035 the court shall allow a reasonable amount as attorney fees at trial and on appeal to the party who prevails on the issues of the validity and foreclosure of the lien.

(6) In case the proceeds of any sale under ORS 87.001 to 87.060 and 87.075 to 87.093 are insufficient to pay all lienholders claiming under such statutes, the liens of all persons shall be paid pro rata. Each claimant is entitled to execution for any balance due the claimant after the distribution of the proceeds, and that execution shall be issued by the clerk of the court, upon demand, after the return of the sheriff or other officer making the sale showing the balance due.

(7) All suits to enforce any lien perfected under ORS 87.035 shall have preference on the calendar of the court over every civil suit, except suits to which the state is a party, and shall be tried by the court without unnecessary delay. In such a suit, all persons personally liable, and all lienholders whose claims have been filed for record pursuant to

ORS 87.035, shall, and all other persons interested in the matter in controversy, or in the property sought to be charged with the lien, may be made parties; but persons not made parties are not bound by the proceedings. The proceedings upon the foreclosure of the liens perfected under ORS 87.035 shall, as nearly as possible, conform to the proceedings of a foreclosure of a mortgage lien upon real property. [Amended by 1975 c.466 §16; 1981 c.897 §20; 1981 c.898 §44; 1983 c.517 §2; 1987 c.662 §13]

87.065 [Amended by 1961 c.609 §2; repealed by 1975 c.466 §25]

87.070 Amount of recovery by contractor; respective rights of contractor and owner. Any contractor may recover, upon a lien perfected by the contractor, only the amount due to the contractor according to the terms of the contract, after deducting all claims of other parties for work done and materials furnished for which a lien is perfected under ORS 87.035. Where a claim of lien is filed pursuant to ORS 87.035 for work done or material or equipment furnished to any contractor, the contractor shall defend any action brought thereupon at the expense of the contractor, and during the pendency of such action the owner may withhold from the contractor the amount of money for which such claim of lien is filed. In case of judgment against the owner or the property of the owner upon the lien, the owner may deduct from any amount due or to become due by the owner to the contractor the amount of such judgment and costs; and if the amount of the judgment and costs exceeds the amount due by the owner to the contractor, or if the owner has settled with the contractors in full, the owner may recover back from the contractor any amount so paid in excess of the contract price, and for which the contractor was originally the party liable. [Amended by 1987 c.662 §14]

87.075 Exemption of building materials from attachment by third persons. When a person furnishes or procures materials for use in the construction of an improvement, those materials are not subject to attachment, execution or other legal process to enforce any debt due by the purchaser of the materials, except a debt due for the purchase money thereof, so long as in good faith the materials are about to be applied to the construction of the improvement. [Amended by 1975 c.466 §23]

87.076 Bond or deposit of money; amount; demand for release of lien; effect. (1) The owner of an improvement or land against which a lien perfected under ORS 87.035 is claimed, or an interested person, may file with the recording officer of the county in whose office the claim of lien is filed a bond executed by a corporation au-

thorized to issue surety bonds in the State of Oregon to the effect that the principal or principals on the bond shall pay the amount of the claim and all costs and attorney fees that are awarded against the improvement or land on account of the lien. The bond shall be in an amount not less than 150 percent of the amount claimed under the lien, or in the amount of \$1,000, whichever is greater.

(2)(a) In lieu of the surety bond provided for in subsection (1) of this section, the owner of an improvement or land against which a lien perfected under ORS 87.035 is claimed, or an interested person, may deposit with the treasurer of the county in which the claim of lien is filed a sum of money or the equivalent of money equal in value to 150 percent of the amount claimed under the lien, or in the amount of \$1,000, whichever is greater.

(b) A person who makes a deposit under paragraph (a) of this subsection is entitled to any investment income. The treasurer shall pay the investment income to the person who makes the deposit at the time the treasurer, in accordance with ORS 87.083, distributes the money deposited under this subsection. The person who makes the deposit bears the risk for a loss that results from an investment of the money deposited.

(3) A person may file a bond or deposit money under subsection (1) or (2) of this section at any time after the claim of lien is filed under ORS 87.035.

(4)(a) A person entitled to post a bond under subsection (1) of this section or a cash deposit under subsection (2) of this section may deliver pursuant to ORS 87.018 a written demand to the lien claimant that a lien perfected under ORS 87.035 be released and a notice that if the lien is not released the person may recover the actual costs the person incurred in complying with this section and ORS 87.078 and 87.081 or the sum of \$500, whichever is greater. If the lien is not released within 10 days after the demand and notice is delivered and the lien claimant or an assignor of the lien claimant does not bring a suit to foreclose the lien within the time provided in ORS 87.055, and if the person who made the demand has complied with this section and ORS 87.078 and 87.081, then the lien claimant or assignor of the lien claimant who fails to release or foreclose the lien is liable to the person for the actual costs the person incurred in complying with this section and ORS 87.078 and 87.081 or the sum of \$500, whichever is greater, in addition to any other remedy provided by law or equity.

(b) In an action to recover damages under this subsection in which the plaintiff

prevails, the court, at trial and on appeal, shall allow and fix a reasonable amount for attorney fees for prosecution of the action, if the court finds that a written demand for payment of the claim was made on the defendant not less than 20 days before commencement of the action. However, the court may not allow attorney fees to the plaintiff, but shall allow attorney fees to the defendant, if the court finds that the defendant tendered to the plaintiff prior to commencement of the action an amount not less than the damages awarded to the plaintiff.

(c) If a lien claimant or an assignor of the lien claimant is served with a demand under paragraph (a) of this subsection and is a prevailing party in the suit to foreclose the lien, then in addition to other costs and attorney fees to which the lien claimant or the assignor of the lien claimant is entitled, the court shall allow the actual costs incurred in addressing the demand or the sum of \$500, whichever is greater. [1975 c.466 §17; 1983 c.513 §3; 1987 c.662 §15; 1999 c.845 §1; 2009 c.513 §1]

87.078 Notice of filing bond or depositing money; contents of notice; effect of failure to give notice. (1) A person who files a bond or deposits money under ORS 87.076 shall cause to be served upon the lien claimant a notice of the filing or deposit and, if a bond, a copy thereof, not later than 20 days after the filing or deposit. The notice shall state the location and time of the filing or deposit.

(2) If a person does not notify the lien claimant as required by subsection (1) of this section, the filing of the bond or the deposit of money is of no effect and the provisions of ORS 87.083 shall not apply in a suit to foreclose the lien for which the filing or deposit is made. [1975 c.466 §18]

87.080 [Amended by 1967 c.407 §3; repealed by 1975 c.648 §72]

87.081 Filing affidavit with county officer. (1) When a person files a bond with the recording officer of the county under ORS 87.076 and serves notice of the filing upon the lien claimant, the person shall file with the same recording officer an affidavit stating that such notice was served.

(2) When a person deposits money with the treasurer of a county under ORS 87.076 and serves notice of the deposit upon the lien claimant, the person shall file with the recording officer of the same county an affidavit stating that the deposit was made and notice was served. [1975 c.466 §19; 2005 c.22 §54]

87.082 [1967 c.407 §§1,2; repealed by 1975 c.648 §72]

87.083 Foreclosure after filing of bond or deposit of money; effect of filing or deposit; disposition of bond or money. (1) A suit to foreclose a lien pursuant to ORS

87.060 that is commenced or pending after a bond is filed or money deposited under ORS 87.076 shall proceed as if no filing or deposit was made except that the lien shall attach to the bond or money upon the filing or deposit and the service of notice thereof upon the lien claimant. The property described in the claim of lien is thereafter entirely free of the lien and is not involved in subsequent proceedings.

(2) The county or an officer or employee of the county may not be named or otherwise made a party to a suit described in subsection (1) of this section.

(3) When a bond is filed or money is deposited, if, in a suit to enforce the lien for which the filing or deposit is made, the court allows the lien, the lien must be satisfied out of the bond or money. The court shall include as part of the court's judgment an order that specifies the amount the treasurer must release to the judgment creditor and the amount of the remaining balance that the treasurer must release to the person who deposited the money.

(4) When a bond is filed or money is deposited, if, in a suit to enforce the lien for which the filing or deposit is made, the court disallows the lien, the court shall include as part of the court's judgment an order to return the bond or money to the person who filed the bond or deposited the money.

(5) Notwithstanding an order from the court under subsection (3) or (4) of this section or an order or notice under ORS 87.088, if the county treasurer is not certain about how to distribute money deposited under ORS 87.076, the treasurer shall notify the lien claimant and the person who deposited the money of how the treasurer intends to distribute the money. If within 10 days after the date of the treasurer's notice a party to the suit to foreclose the lien objects to the notice, the treasurer may:

(a) Hold the money until the court or a stipulation of the parties provides further direction; or

(b) Commence an interpleader proceeding under ORCP 31. [1975 c.466 §20; 1987 c.662 §16; 2005 c.22 §55; 2009 c.513 §2]

87.085 [Repealed by 1975 c.648 §72]

87.086 Determination of adequacy of bond. If a lien claimant considers the bond filed with a recording officer of a county inadequate to protect the claim of the lien claimant for some reason other than the amount of the bond, the lien claimant shall, within 10 days of receipt of the notice of filing, petition the court in which the suit to foreclose the lien may be brought for a determination of the adequacy of the bond. The lien claimant shall state in detail the reasons

for the inadequacy. Not later than two days after the filing of the petition with the court, the lien claimant shall send a notice of the filing and a copy of the petition by registered or certified mail to the person who filed the bond. After a hearing, if the court determines that the bond is inadequate for one or more of the reasons stated by the lien claimant, the court shall order such action as shall make the bond adequate to protect the claim of lien. [1975 c.466 §21; 1987 c.662 §17]

87.088 Release of lien or return of money. The county recording officer shall record a written release of the lien or the county treasurer in whose office money is deposited under ORS 87.076 shall return the money to the person who made the deposit if:

(1) The person who filed the bond or deposited the money under ORS 87.076 notifies the lien claimant and the treasurer in writing and by certified mail that a suit to foreclose the lien was not commenced within the time specified by ORS 87.055. The notice shall provide that the lien claimant has 15 calendar days in which to object to the release of the lien and the return of the money and to provide documentation that demonstrates that a suit was timely commenced or that the time for commencement has not expired. If the treasurer receives an objection, the treasurer may decide how to distribute the money or may commence an interpleader proceeding under ORCP 31.

(2) The person who filed the bond or deposited the money presents a certified copy of a court's order for the release of the bond or all or some of the money to the person.

(3) The person who filed the bond or deposited the money presents a written release of lien signed by the lien claimant. [1975 c.466 §22; 1999 c.654 §5; 2009 c.513 §3]

87.089 Limitations on actions. The provisions of ORS 87.076, 87.083 and 87.088 do not create a cause of action and may not be asserted as a basis for a per se negligence action. [2009 c.513 §5]

87.090 [Repealed by 1975 c.648 §72]

87.091 [2003 c.778 §9; repealed by 2010 c.77 §9]

87.093 Information Notice to Owner; rules; contents; when notice must be delivered; effect of failure to deliver notice; penalty. (1) The Construction Contractors Board shall adopt by rule a form entitled "Information Notice to Owner" which shall describe, in nontechnical language and in a clear and coherent manner using words in their common and everyday meanings, the pertinent provisions of the Construction Lien Law of this state and the rights and responsibilities of an owner of property and an original contractor under that law. The

"Information Notice to Owner" shall include signature lines for the contractor and the property owner. The rights and responsibilities described in the form shall include, but not be limited to:

(a) Methods by which an owner may avoid multiple payments for the same materials and labor;

(b) The right to file a complaint against a licensed contractor with the board and, if appropriate, to be reimbursed from the contractor's bond filed under ORS chapter 701; and

(c) The right to receive, upon written request therefor, a statement of the reasonable value of materials, equipment, services or labor provided from the persons providing the materials, equipment, services or labor at the request of an original contractor and who have also provided notices of right to a lien.

(2) Each original contractor shall deliver a copy of the "Information Notice to Owner" adopted by the board under this section to:

(a) The first purchaser of residential property constructed by the contractor and sold before or within the 75-day period immediately following the completion of construction; and

(b) The owner or an agent of the owner, other than an original contractor, at the time of signing a residential construction or improvement contract with the owner.

(3) The contractor shall deliver the "Information Notice to Owner" personally, by registered or certified mail or by first class mail with certificate of mailing.

(4) This section applies only to a residential construction or improvement contract for which the aggregate contract price exceeds \$2,000. If the price of a residential construction or improvement contract was initially less than \$2,000, but during the course of the performance of the contract exceeds that amount, the original contractor shall mail or otherwise deliver the "Information Notice to Owner" not later than five days after the contractor knows or should reasonably know that the contract price will exceed \$2,000.

(5) Notwithstanding subsections (2) and (4) of this section, the original contractor need not send the owner an "Information Notice to Owner" if the owner is a contractor licensed with the board under ORS chapter 701.

A person who makes, alters, repairs, transports, stores, pastures, cares for, provides services for, supplies materials for or performs labor on a chattel at the request of the owner or lawful possessor of the chattel has a lien on that chattel in the possession of the person for the reasonable or agreed charges for labor, materials or services of the person, and the person may retain possession of the chattel until those charges are paid. [1975 c.648 §3]

87.155 [Repealed by 1975 c.648 §72]

87.156 Innkeeper's lien. (1) Except as provided in subsection (2) of this section, the keeper of an inn, hotel or motel has a lien on the chattels brought into the inn, hotel or motel belonging to or under the control of a guest or boarder for the reasonable or agreed charges due the keeper from the guest or boarder for accommodation, board and lodging, services, money, labor and materials furnished at the request of the guest or boarder by the keeper. The keeper may retain possession of the chattels until those charges are paid.

(2)(a) The keeper may not retain prescription or nonprescription medications, medical equipment or apparatus, food or children's clothing or accessories after the guest or boarder requests return of the property.

(b) If the keeper retains property in violation of this subsection, the keeper waives any claim to unpaid charges against the guest or boarder.

(c) In any action brought by the guest or boarder to compel the return of the property or to recover damages based on its retention, the prevailing party may recover attorney fees. [1975 c.648 §4; 1989 c.590 §2; 2009 c.599 §16]

87.159 Lien for care of impounded animal; petition for hearing to contest impoundment and lien; court order; waiver.

(1) A person who, or governmental agency that, transports, pastures, feeds, cares for or provides treatment to an animal that has been impounded under ORS 167.345 has a lien on the animal in the possession of the

person or governmental agency for the reasonable charges for transportation, pasturage, feed, care or treatment provided by the person or governmental agency, and the person or governmental agency may retain possession of the animal until those charges are paid.

(2)(a) Within 30 days of impoundment of any animal or animals as is authorized under ORS 167.345, any person who has an ownership interest in any impounded animal may file a written petition, verified under oath, demanding a hearing before the circuit court. The petition shall specifically identify the petitioner's ownership interest in the animal or animals. The petition shall further specifically articulate the petitioner's challenge to the probable cause justifying the impoundment that resulted in the lien attaching under subsection (1) of this section or the amount of the charges associated with that lien. The petitioner shall serve a true copy of the petition on the lien holder, the peace officer who impounded the animals and the district attorney, who shall be captioned as the respondents.

(b) Upon receipt of a petition in compliance with this subsection, the circuit court shall hold the hearing within 14 days, or as soon as practicable, wherein the respondents shall demonstrate by a preponderance of the evidence that impoundment of the animal was based on probable cause and that the lien amount claimed accurately reflects the reasonable charges authorized and accruing under subsection (1) of this section.

(c) If the court finds that impoundment of an animal under ORS 167.345 was:

(A) Based on probable cause and that the lien amount accurately reflects the reasonable charges authorized and accruing under subsection (1) of this section, then the court shall deny the petition, award reasonable attorney fees to the respondents and direct the foreclosure to proceed.

(B) Based on probable cause but that the lien amount does not accurately reflect the reasonable charges authorized and accruing under subsection (1) of this section, then the court shall enter an order modifying the lien amount to accurately state the reasonable charges authorized and accruing under subsection (1) of this section, award reasonable attorney fees to the respondents and direct the foreclosure to proceed.

(C) Without probable cause, then the court may enter an order striking the lien created under subsection (1) of this section and may, but only if a final judgment is entered in the defendant's favor in the criminal case related to the impoundment under ORS 167.345, order an impounded animal returned

to its lawful owner. To prevent the lawful owner or any other claimant from being unjustly enriched while having been relieved of the duty to provide an impounded animal with minimum care, any court order directing return of an impounded animal shall include an award to the respondents of the full costs of providing care to the animal.

(d) A person's failure to file a written petition within 30 days of impoundment of an animal or animals shall constitute a waiver of the right to file a petition under this subsection and the foreclosure shall proceed without judicial review in the manner provided in ORS 87.172 to 87.212. The court may extend the 30-day period to file a written petition by an additional 15 days only if the petitioner did not have actual notice of the impoundment and the court makes findings, on the record and in writing, that there are exceptional and compelling circumstances justifying the extension. [1989 c.349 §2; 2013 c.719 §9]

87.160 [Repealed by 1975 c.648 §72]

(a) The services or labor are performed or the materials or money are furnished by the lien claimant to the lien debtor; and

(b) The charges for the services or labor performed and materials or money furnished are due and the lien debtor either knows or should reasonably know that the charges are due.

(2) The lien created by ORS 87.162 attaches to the chattels described in that section on the 20th day after rents or advances occur or attaches when the occupant or tenant attempts to remove the chattels from the premises while there are unpaid rents or advances. A person claiming a lien under ORS 87.162 may take the chattels subject to that lien into the possession of the person when the lien attaches or at any time thereafter. [1975 c.648 §6]

87.170 [Repealed by 1975 c.648 §72]

87.172 Time period before foreclosure allowed. (1) Except as otherwise provided in this section, a person claiming a lien under ORS 87.152 to 87.162 must retain the chattel that is subject to the lien for at least 60 days after the lien attaches to the chattel before foreclosing the lien.

(2) Except as otherwise provided in this subsection, a person claiming a lien under ORS 87.152 for cost of care, materials and services bestowed on an animal must retain the animal for at least 30 days after the lien attaches to the animal before foreclosing the lien. If the lien is for veterinary services to a domestic animal, the person must retain the animal for at least five days after the lien attaches to the animal before foreclosing the lien. As used in this subsection, “domestic animal” means an animal that is not livestock as defined in ORS 72.1030 and for which the veterinary services were requested by an owner or other person with apparent authority regarding care of the animal.

(3) A person claiming a lien under ORS 87.152 for the cost of removing, towing or storage of a vehicle that is appraised by a person who holds a certificate issued under ORS 819.480 to have a value of:

(a) \$1,000 or less but more than \$500, must retain the vehicle at least 30 days after the lien attaches to the vehicle before foreclosing the lien.

(b) \$500 or less, must retain the vehicle at least 15 days after the lien attaches to the vehicle before foreclosing the lien. [1975 c.648 §7; 1979 c.401 §1; 1981 c.861 §1; 1983 c.338 §881; 1993 c.326 §9; 1995 c.758 §18; 2005 c.738 §7; 2011 c.399 §2]

87.175 [Repealed by 1975 c.648 §72]

87.176 Fees for storage of chattel; notice to lien debtor; effect of failure to comply. (1) When the lien claimed under ORS 87.152 to 87.162 is for other than the storage of a chattel, if the lien claimant incurs expenses in storing the chattel prior to foreclosure, the lien claimant may charge reasonable fees for the storage of the chattel for a period not exceeding six months from the date that the lien attaches to the chattel. A lien claimant seeking to recover storage fees for storage expenses incurred prior to foreclosure shall send a written notice, within 20 days from the date that the storage fees began to accrue, to the lien debtor and every other person that requires notification under ORS 87.196. The claimant shall transmit the notice by certified mail. A person notified under ORS 87.196 need not receive the notice within the 20-day period, but within a reasonable time. If the lien claimant fails to comply with the notice requirements of this subsection, the lien claimant is limited to recovering reasonable fees for the storage of the chattel prior to foreclosure for

a period of time not exceeding 20 days from the date that the lien attached to the chattel.

(2) When the lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel, the lien claimant shall send a written notice stating that storage fees are accruing, within 20 days after the chattel has been placed in storage, to the lien debtor and every other person that requires notification under ORS 87.196. The claimant shall transmit the notice by certified mail. A person notified under ORS 87.196 need not receive the notice within the 20-day period, but within a reasonable time. If the claimant fails to comply with the notice requirements of this subsection, the amount of the claimant’s lien shall be limited to a sum equal to the reasonable storage expenses incurred within the 20-day period. [1975 c.648 §8; 1993 c.385 §1]

87.177 Bond or deposit of money for lien for storage of chattel; amount; notice to lien claimant; filing affidavit with county officer. (1) When a lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel and the amount of the lien claimed is \$750 or more, the lien debtor, or any other interested person, may file with the recording officer of the county in which the lien claimant obtained possession of the chattel subject to the lien from the lien debtor a bond executed by a corporation authorized to issue surety bonds in the State of Oregon to the effect that the principal or principals on the bond shall pay the amount of the claim and all costs and attorney fees that are awarded against the chattel on account of the lien. The bond shall be in an amount not less than 200 percent of the amount claimed under the lien for the storage of the chattel.

(2)(a) In lieu of the surety bond provided for in subsection (1) of this section, when a lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel and the amount of the lien claimed is \$750 or more, the lien debtor, or any other interested person, may deposit with the treasurer of the county in which the lien claimant obtained possession of the chattel subject to the lien from the lien debtor a sum of money or its equivalent equal in value to 200 percent of the amount claimed under the lien for the storage of the chattel.

(b) The court in which any proceeding to foreclose the lien for the storage of the chattel may be brought may, upon notice and upon motion by a person who makes a deposit under paragraph (a) of this subsection, order the money invested in such manner as the court may direct. A person who makes a deposit under paragraph (a) of this subsection shall be entitled to any income from the

investments and the treasurer of the county shall pay the income when received to the depositor without order.

(3) A bond or money may be filed or deposited under subsection (1) or (2) of this section at any time after a lien for the storage of a chattel is claimed under ORS 87.152 to 87.162 and the amount of the lien claimed is \$750 or more.

(4) A person who files a bond or deposits money under subsections (1) to (3) of this section shall cause to be served upon the lien claimant a notice of the filing or deposit. If the person files a bond, the notice shall include a copy of the bond. The notice shall be filed not later than 20 days after the filing or deposit and shall state the location and time of the filing or deposit.

(5) If a person does not notify the lien claimant as required by subsection (4) of this section, the filing of the bond or the deposit of money is of no effect and the provisions of subsections (1) to (3) of this section do not apply in a suit to foreclose the lien for which the filing or deposit is made.

(6) When a person files a bond with the recording officer of a county under subsections (1) to (3) of this section and serves notice of the filing upon the lien claimant under subsections (4) and (5) of this section, the person shall file with the same recording officer an affidavit stating that the notice was served.

(7) When a person deposits money with the treasurer of a county under subsections (1) to (3) of this section and serves notice of the deposit upon the lien claimant under subsections (4) and (5) of this section, the person shall file with the recording officer of the same county an affidavit stating that the deposit was made and notice was served. [2003 c.193 §§2,3,4]

Note: 87.177 to 87.181 were added to and made a part of 87.152 to 87.212 by legislative action but were not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

87.178 Foreclosure after filing of bond or deposit of money; effect of filing or deposit; disposition of bond or money. (1) When a lien claimed under ORS 87.152 to 87.162 is for the storage of a chattel and the amount of the lien claimed is \$750 or more, any suit to foreclose the lien that is commenced or pending after the filing of a bond or deposit of money under ORS 87.177 (1) to (3) shall proceed as if no filing or deposit had been made except that the lien shall attach to the bond or money upon the filing or deposit and the service of notice of the filing or deposit upon the lien claimant. The chattel described in the claim of lien shall thereafter be entirely free of the lien and

shall in no way be involved in subsequent proceedings.

(2) When a bond is filed or money is deposited and, in a suit to enforce the lien for which the filing or deposit is made, the court allows the lien, the lien shall be satisfied out of the bond or money. The court shall include as part of its judgment an order for the return to the person who deposited the money of any amount remaining after the lien for the storage of the chattel is satisfied.

(3) When a bond is filed or money is deposited and, in a suit to enforce the lien for which the filing or deposit is made, the court disallows the lien, the court shall include as part of its judgment an order for the return of the bond or money to the person who filed the bond or deposited the money. [2003 c.193 §5]

Note: See note under 87.177.

87.179 Determination of adequacy of bond. (1) If a lien claimant considers the bond filed with a recording officer of a county under ORS 87.177 (1) to (3) inadequate to protect the claim of the lien claimant for some reason other than the amount of the bond, the lien claimant may petition the court in which the suit to foreclose the lien for the storage of the chattel may be brought for a determination of the adequacy of the bond. The petition must be filed within 10 days of receipt of the notice of the filing of the bond under ORS 87.177 (4) and (5). The petition must describe in detail the reasons for the inadequacy.

(2) Not later than two days after the filing of the petition with the court, the lien claimant shall send a notice of the filing and a copy of the petition by registered or certified mail to the person who filed the bond. After a hearing, if the court determines that the bond is inadequate for one or more of the reasons described by the lien claimant, the court shall order such action as shall make the bond adequate to protect the claim of lien. [2003 c.193 §6]

Note: See note under 87.177.

87.180 [Repealed by 1975 c.648 §72]

87.181 Release of lien or return of money. The county recording officer shall record a written release of the lien for the storage of the chattel or the county treasurer in whose office money is deposited under ORS 87.177 (1) to (3) shall return the money to the person who made the deposit when:

(1) The person who filed the bond or deposited the money presents a certified copy of a court's order for the release of the bond or all or some of the money to that person; or

(2) The person who filed the bond or deposited the money presents a written release

of lien signed by the lien claimant. [2003 c.193 §7]

Note: See note under 87.177.

87.182 Effect of prior security interest on method of foreclosure. (1) When a lien created by ORS 87.162 is subordinate to a prior duly perfected security interest in a chattel as provided in ORS 87.146, the lien created by ORS 87.162 shall be foreclosed by suit as provided in ORS chapter 88.

(2) Except as provided in subsection (1) of this section, liens created by ORS 87.152 to 87.162 may be foreclosed by suit as provided in ORS chapter 88, or by sale of the chattel subject to the lien at public auction to the highest bidder for cash. [1975 c.648 §9]

87.185 [Repealed by 1975 c.648 §72]

87.186 Location of foreclosure sale. Foreclosure of liens created by ORS 87.152 to 87.162 by public sale shall occur in the county in which the lien claimant obtained possession of the chattel subject to the lien from the lien debtor. [1975 c.648 §11]

87.190 [Repealed by 1975 c.648 §72]

(1) Before a lien claimant forecloses a lien created by ORS 87.152 to 87.162 by sale, the lien claimant shall give notice of the foreclosure sale to the lien debtor by first class mail with certificate of mailing, registered mail or certified mail sent to the lien debtor at the lien debtor's last-known address. The lien claimant shall give notice of the foreclosure sale to the lien debtor:

(a) Except as otherwise provided in this subsection, at least 30 days before the foreclosure sale.

(b) If the lien is for the cost of removing, towing or storage of a vehicle that is appraised at a value of \$500 or less by a person who holds a certificate issued under ORS 819.480, at least 15 days before the foreclosure sale.

(c) If the lien is for the cost of removing, towing or storage of a vehicle that is appraised at a value of \$1,000 or less but more than \$500 by a person who holds a certificate issued under ORS 819.480, at least 15 days before the foreclosure sale.

(d) If the lien is for the cost of removing, towing or storage of a vehicle that is appraised at a value of more than \$1,000 by a person who holds a certificate issued under ORS 819.480, at least 30 days before the foreclosure sale.

(2) The lien claimant shall give public notice of the foreclosure sale by posting notice of it in a public place at or near the front door of the county courthouse of the county in which the sale is to be held and,

except as provided in paragraph (b) of this subsection, in a public place at the location where the lien claimant obtained possession of the chattel to be sold from the lien debtor. The following apply to notice under this subsection:

(a) Notice under this subsection must be given no later than the time required for notice to a lien debtor under subsection (1) of this section.

(b) This subsection does not require posting of notice at the location where the chattel was obtained if the chattel is a vehicle required to obtain a certificate of title issued under ORS chapter 803.

(3) If the chattel to be sold at a foreclosure sale is something other than an abandoned vehicle and has a fair market value of \$1,000 or more, or if the chattel to be sold is an abandoned vehicle and has a fair market value of \$2,500 or more, the lien claimant, in addition to the notice required by subsection (2) of this section, shall have a notice of foreclosure sale printed once a week for two successive weeks in a daily or weekly newspaper, as defined in ORS 193.010, published in the county in which the sale is held or, if there is none, in a daily or weekly newspaper, as defined in ORS 193.010, generally circulated in the county in which the sale is held.

(4) The notice of foreclosure sale required under this section shall contain a particular description of the property to be sold, the name of the owner or reputed owner thereof, the amount due on the lien, the time and the place of the sale and the name of the person foreclosing the lien. (1) A lien claimant desiring to foreclose the lien by advertisement and sale shall deliver to the sheriff of the county in which the chattel is then located a certified copy of a court's order issued under ORS 87.282, 87.296 or 87.302 and a copy of the notice of claim of lien, certified by the recording officer of the county where it was filed.

(2) When the lien claimant delivers a certified copy of a court's order and a certified copy of the notice of claim of lien to a sheriff under subsection (1) of this section, the lien claimant, not later than the 30th day before the foreclosure sale, shall also send a copy of that order and notice by registered or certified mail to each person with a lien on the chattel to be sold recorded in the county of sale or with a security interest in the chattel to be sold who has filed a financing statement perfecting that security interest in the office of the Secretary of State or in the office of the appropriate county officer of the county in which the sale is held. If the chattel to be sold at the foreclosure sale is a chattel for which a certificate of title is required by the laws of this state, the lien claimant shall also so notify those persons whom the certificate of title indicates have a security interest or lien in the chattel.

(3) The sheriff shall promptly take the chattel described in the notice of claim of lien into the possession of the sheriff and shall hold it until the foreclosure sale.

(4) After taking possession of a chattel under subsection (3) of this section, a sheriff shall have a notice of foreclosure sale

printed once a week for two successive weeks in a daily or weekly newspaper, as defined in ORS 193.010, published in the county in which the sale is held or, if there is none, in a daily or weekly newspaper, as defined in ORS 193.010, generally circulated in the county in which the sale is held. The notice of foreclosure must contain a particular description of the chattel to be sold, the name of the owner or reputed owner of the chattel, the amount due on the lien, the time and place of the sale and the name of the person foreclosing the lien. After that advertisement but not sooner than the 30th day after the sheriff received a certified copy of the court's order and the certified copy of the notice of claim of lien under subsection (1) of this section, the sheriff shall sell the chattel, or such part thereof as may be necessary, at public auction to the highest bidder for cash. The sheriff shall deliver the chattel to the highest bidder and shall give the highest bidder a bill of sale containing an acknowledgment of payment for the chattel. [1975 c.648 §33]

87.310 [Amended by 1969 c.330 §5; repealed by 1975 c.648 §72]

87.312 Effect of notice of foreclosure sale to secured parties; failure to give notice. (1) A person who claims a lien or has a security interest in a chattel to be sold at a foreclosure sale and who is notified under ORS 87.306 (2) may discharge the foreclosing lien claimant's lien and preserve the security interest or lien claim of the person by paying the foreclosing lien claimant the amount of the lien claim and the expenses actually incurred in foreclosing it. If the person does not so discharge the lien before the day of the foreclosure sale, the security interest or lien claim of the person is extinguished.

(2) If the chattel to be sold at a foreclosure sale is a chattel for which a certificate of title is required by the laws of this state and if the lien claimant does not notify a person whom the certificate of title indicates has a security interest or lien in the chattel as required by ORS 87.306 (2), the chattel remains subject to that security interest or lien and the buyer of the chattel at a foreclosure sale held under ORS 9.370, 87.142 to 87.490, 87.705, 87.710, 87.910 and 90.120 takes the chattel subject to the security interest or lien.

due that person under the security agreement or lien at the time of the foreclosure sale, whichever amount is less. The secured party or other lien claimant shall recover that sum by an action at law. [1975 c.648 §34]

87.315 [Amended by 1969 c.330 §6; repealed by 1975 c.648 §72]

87.316 Disposition of proceeds of foreclosure sale. (1) The proceeds of a sale to foreclose a lien created by ORS 87.216 to 87.232 shall first be applied to the payment of the expenses incurred by the sheriff in obtaining possession of the chattel and advertising and conducting the foreclosure sale, and secondly to the discharge of the lien.

(2) After the payment of expenses and the discharge of the lien, any amount remaining shall be paid by the sheriff to the treasurer of the county in which the foreclosure sale is held. The remainder shall be accompanied by a statement of the lien claim and the sheriff's costs in foreclosing the lien, a copy of the published or posted notice and a statement of the amount received for the chattel sold at the sale. The county treasurer shall credit the remainder to the general revenue fund of the county, subject to the right of the lien debtor, or the representative of the lien debtor, to reclaim the remainder at any time within three years of the date of deposit with the treasurer. In such a suit to foreclose, the holder of the prior security interest shall be made a party defendant to the foreclosure proceeding. The person holding the prior security interest may extinguish the lien created by ORS 87.216 by either a foreclosure proceeding under ORS chapter 88 or a nonjudicial foreclosure proceeding under ORS 79.0601 to 79.0628. [1975 c.648 §35a; 2001 c.445 §162]

(3) A judgment debtor may pay the full amount of a judgment into court and the clerk of the court shall thereupon fully satisfy the judgment on the record and the judgment debtor shall be thereby released from any further claims thereunder.

(2) When the lien of an attorney created under ORS 87.445 attaches to a judgment allowing or enforcing a client's lien, the attorney's lien has the same priority as the client's lien with regard to personal or real

property subject to the client's lien. [1975 c.648 §68 (enacted in lieu of 87.495); 2003 c.576 §343; 2005 c.383 §12]

87.503 Lien for long term care; statement concerning lien to be given to care recipient.

(1) When an individual receives care at a long term care facility under a written contract that does not violate state or federal law, the individual receiving the care, and upon the death of such individual, the decedent's estate of that individual, is liable for the contracted costs of care. The individual receiving care and any authorized representative shall be given an itemized statement of goods and services provided as each payment becomes due. If the individual or an authorized representative of that individual refuses to pay the long term care facility for the costs of care within 30 days

The lien shall attach to the real property on the day, whichever is later, that is:

(a) The 30th day after the first services for which the lien is claimed are performed; or

Notwithstanding ORS 87.507 and 87.522, if a long term care facility does not provide such written statement as required by this subsection to an individual or an authorized representative, the lien created by this section for the contracted costs of care provided to the individual may not be perfected and may not be foreclosed.

(3) Notwithstanding subsection (1) of this section, real and personal property held in trust by a trustee for an individual receiving care are subject to the laws of this state applicable to trusts. [1995 c.749 §2; 1997 c.744 §2]

87.691 Sale of property subject to lien; advertisement of sale; treatment of vehicles, trailers and watercraft; satisfaction of lien before sale; use of sale proceeds.

(5)(a) If the owner does not receive any bids at the public sale held under this section, the owner may dispose of the personal property in another manner at the owner's sole discretion. The owner may satisfy the lien created by ORS 87.687 and reasonable expenses associated with the disposition from the proceeds of the disposition but shall hold the balance, if any, for delivery on demand to the occupant. If the occupant does not claim the balance of the proceeds within two years after the date of the disposition, the owner shall presume the balance is abandoned and shall report and deliver the balance as provided in ORS 98.352.

The rental agreement must specify the amount of the fee and the date on which the owner may charge the fee. The owner may charge the fee once in each month in which the occupant fails to pay the rent due or pays the rent due later than the due date specified in the rental agreement. For purposes of this section, a fee is reasonable if the fee does not exceed the greater of \$20 or 20 percent of the monthly rent due for the individual storage space. The owner may charge and collect the late fee in addition to any other fees authorized by law or under the rental agreement. [2013 c.209 §2]

Note: 87.694 was added to and made a part of ORS chapter 87 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

AGRICULTURAL PRODUCE LIEN

87.700 Definitions for ORS 87.228 and 87.700 to 87.736. As used in ORS 87.228 and 87.700 to 87.736, unless the context otherwise requires:

"Agricultural producer" includes a landowner, producer, landlord, tenant, sharecropper or other person who participates in the growing of agricultural produce and receives a share of the produce.

(3) "Meat animal" has the meaning for that term provided in ORS 603.010.

(4) "Person" means individual, corporation, partnership, association, joint stock company, limited liability company, limited liability partnership, cooperative, government entity, unincorporated organization or other business entity.

87.705 Agricultural produce lien; date lien attaches. (1) An agricultural producer that delivers or transfers agricultural produce for consideration to a purchaser has a lien for the contract price of that produce, or for the reasonable value of the produce if there is no contract price. The lien created by this section attaches to all agricultural produce, whether in a raw or processed condition, delivered or transferred to the purchaser by any agricultural producer and to all other inventory of the purchaser. The lien also attaches to proceeds received by the purchaser from the sale by the purchaser to a third party of any raw or processed agricultural produce. If the agricultural produce that an agricultural producer delivers to the purchaser consists of meat animals, the lien also attaches to all accounts receivable by the purchaser from the sale of any agricultural produce to a third party. The lien on the agricultural produce, inventory, proceeds

or accounts receivable attaches on the date physical possession of the agricultural produce is delivered or transferred by the agricultural producer to the purchaser or an agent of the purchaser.

(2) An agricultural producer that claims a lien under subsection (1) of this section need not file any notice in order to perfect the lien. The agricultural producer must file a notice of lien as provided in ORS 87.710 or a notice of claim of lien as provided in ORS 87.242 to extend the lien beyond the normal expiration date.

(3) The lien created by this section is subject to the provisions of ORS 79.0320 (1).

(4) An agreement by an agricultural producer purporting to waive the right to file notice under ORS 87.242 or 87.710 of a lien created by this section is void as contrary to public policy. [1973 c.647 §3; 1975 c.648 §53; 1999 c.612 §2; 2001 c.301 §11; 2007 c.71 §21; 2011 c.359 §2]

87.710 Filing notice of lien; duration of lien; contents of notice; notice to secured parties; effect of failure to give notice to secured parties. (1) A lien created under ORS 87.705 expires no later than the end of the 45th day after the date that the final payment to the agricultural producer is originally due, unless the producer extends the lien as provided in subsection (2) of this section or ORS 87.242. If the agricultural producer extends the lien, the lien expires no later than the 225th day after the date that the final payment to the producer is originally due.

(2) An agricultural producer may extend a lien created under ORS 87.705 by filing a notice of lien with the Secretary of State or by filing a notice of claim of lien under ORS 87.242. If a notice of lien is filed under this subsection, the agricultural producer may file the notice only during the period after the date that payment for the agricultural produce is originally due and no later than the 45th day after the date that the final payment for the produce is due. The notice must be supported by affidavit and contain:

(a) A true statement of the agricultural producer's demand after deducting all credits and offsets;

(b) The name of the purchaser that received the agricultural produce to be charged with the lien;

(c) A description of the produce delivered or transferred by the producer sufficient to identify the basis for the lien;

(d) A statement that the amount claimed is a true and bona fide existing debt as of the date of the filing of the notice of lien;

(e) The date that the final payment to the producer was originally due; and

(f) Such other information as the Secretary of State may require.

(3) If an agricultural producer files a notice of lien under this section, the producer shall send notice to all persons that have filed a financing statement under ORS chapter 79 that perfects a security interest in all or part of the same inventory, proceeds or accounts receivable. The notice to those persons must provide the same information contained in the notice of lien required by subsection (2) of this section and be sent by certified mail, return receipt requested.

(4) The agricultural producer must send notice to other persons as required by subsection (3) of this section no later than the 20th day after filing the notice of lien. If the agricultural producer does not send a person notice within the required time, the lien created under ORS 87.705 becomes subordinate to that person's perfected security interest in the agricultural produce, proceeds or accounts receivable of the purchaser.

(5) For purposes of this section, final payment to the agricultural producer for agricultural produce is due:

(a) On the date specified for payment in the contract between the purchaser and the producer; or

(b) If there is no contract or no date of payment is specified in the contract, two business days after the purchaser takes delivery of the produce.

(6) Notwithstanding ORS 174.120, for purposes of this section and ORS 87.730 and 87.735, if the last day of the period for performing an act is a Saturday, or a legal holiday as specified in ORS 187.010 and 187.020, the period runs until the end of the next day that is not a Saturday or legal holiday. [1973 c.647 §4; 1975 c.648 §54; 1975 c.703 §7; 1999 c.612 §3; 2001 c.301 §12; 2011 c.359 §3]

87.715 Priority. Except for tax liens, and except as provided in ORS 87.146 (1)(c) and 87.710 (4), the class of lien created by ORS 87.705 is prior and superior to all other classes of lien or any classes of security interest in the inventory, proceeds or accounts receivable of a purchaser, without regard to whether those other liens or security interests attached to the inventory, proceeds or accounts receivable before or after a lien created by ORS 87.705 attaches. Except as provided in ORS 87.710 (4), all liens of the class created under ORS 87.705, regardless of the date of attachment or the date of notice of lien, are of equal priority and payable pro rata in proportion to the size of each lien. This section does not prohibit an unequal pro rata recovery between agricultural producers supplying meat animals and other agricultural producers if the inequality re-

sults from a lien on accounts receivable created under ORS 87.705. [1973 c.647 §5; 2001 c.301 §13]

87.720 [1973 c.647 §6; 1991 c.230 §22; repealed by 2001 c.301 §25]

87.725 Foreclosure; costs allowable to prevailing plaintiff. (1) The lien created by ORS 87.705 shall be foreclosed in the manner provided by law for the foreclosure of liens generally.

(2) In all suits under ORS 87.228 and 87.700 to 87.736, the court shall, upon entering judgment for the plaintiff, allow as a part of the costs all moneys paid for the filing and recording of the lien, and a reasonable amount for attorney fees at trial and on appeal. [1973 c.647 §7; 1981 c.897 §26]

87.730 Expiration of lien for failure to bring timely foreclosure suit. A lien created under ORS 87.705 expires unless suit to foreclose the lien is brought in an appropriate court no later than the 45th day after the date final payment to the agricultural producer is originally due or, if the producer extends the lien by filing a notice of lien under ORS 87.710, no later than the 225th day after the date final payment to the producer is originally due. [1973 c.647 §8; 2001 c.301 §14]

87.735 Filing certificate of lien satisfaction upon payment for produce; liability of producer for failure to discharge lien. (1) When an agricultural producer receives full payment for agricultural produce, if the producer has filed a notice under ORS 87.710 (2) to extend a lien or under ORS 87.725 to foreclose a lien, the producer shall file with the Secretary of State a certificate declaring that full payment has been received from the purchaser and that the lien is discharged.

(2) Upon receiving the certificate, the Secretary of State shall enter the certificate in the index maintained by the secretary for filing financing statements pursuant to ORS chapter 79.

(3) If an agricultural producer that receives full payment for agricultural produce fails to file the certificate described in subsection (1) of this section on or before the 10th day after receiving a request for filing from a purchaser, the producer is liable to the purchaser in the sum of \$100 damages and for all actual damages caused by the failure, to be recovered in an action at law. [1973 c.647 §9; 1999 c.612 §4; 2001 c.301 §15]

87.736 Form of notices filed under ORS 87.710 and certificates filed under ORS 87.735; fees for filing and for furnishing copies. (1) Notices filed with the Secretary of State under ORS 87.710 and certificates filed with the Secretary of State

under ORS 87.735 must be in a form prescribed by the Secretary of State. The Secretary of State shall include the notices and certificates in the index maintained by the secretary for filing financing statements pursuant to ORS chapter 79. The secretary shall maintain the notices and certificates as public records for a period of time established by the secretary.

(2) The Secretary of State shall establish fees pursuant to ORS 177.130 for filing notices and certificates and for furnishing copies of notices or certificates. Fees established pursuant to this subsection are nonrefundable. [2001 c.301 §2]

87.740 [1973 c.647 §10; 1983 c.740 §7; 1999 c.612 §5; 2001 c.301 §16; renumbered 87.228 in 2001]

(3) "Inventory" means all grain purchased or received from agricultural producers, whether in bulk lots or in blended or packaged form. "Inventory" does not include the equipment or supplies of the person holding or owning the grain.

87.755 Grain producer's lien; date lien attaches; priority. (1) An agricultural producer that delivers or transfers grain for consideration has a lien on the inventory of the purchaser and proceeds received by the purchaser from the selling of the inventory.

(2) The lien created by subsection (1) of this section attaches to the inventory and

proceeds on the date physical possession of the grain is delivered or transferred by the agricultural producer to the purchaser or an agent of the purchaser. If grain is delivered or transferred by an agricultural producer to a person other than the purchaser for cleaning or storage, the lien attaches when the grain is physically delivered or transferred to the purchaser or an agent of the purchaser for agreed consideration.

(3) Except as provided under ORS 87.146 (1)(c) and 87.762 (4), the class of lien created by subsection (1) of this section is prior and superior to all other classes of lien or any classes of security interest in the inventory or proceeds, regardless of whether the creditor's lien or security interest attached to the inventory or proceeds before or after the agricultural producer's lien attached under subsection (2) of this section. (4) An agricultural producer who claims a lien under subsection (1) of this section need not file any notice in order to perfect the lien. The agricultural producer must file a notice of lien as provided under ORS 87.762 or a notice of claim of lien under ORS 87.242 to extend the lien beyond the normal expiration date.

(5) The lien created by subsection (1) of this section is subject to the provisions of ORS 79.0320 (1).

(6) The lien created by subsection (1) of this section is discharged with regard to inventory that is sold by the purchaser or an agent of the purchaser to a third party. Notwithstanding a discharge with regard to inventory sold to a third party, an agricultural producer continues to hold a lien on the proceeds from the sale to a third party and on all remaining inventory of the purchaser.

(7) An agreement by an agricultural producer purporting to waive the right to file notice under ORS 87.242 or 87.762 of a lien created by subsection (1) of this section is void as contrary to public policy. An agricultural producer may waive the right to file notice under ORS 87.242 or 87.762 if the purchaser is an association of which the agricultural producer is a member. [1981 c.446 §3; 2001 c.301 §18; 2001 c.445 §163; 2011 c.359 §4]

87.762 Filing notice of lien; duration of lien; contents of notice; notice to secured parties; effect of failure to give notice to secured parties. (1) A lien created under ORS 87.755 expires no later than

the end of the 180th day after the date the lien attaches, unless the agricultural producer extends the lien by filing a notice of lien as provided in this section or by filing a notice of claim of lien under ORS 87.242. If the agricultural producer extends the lien, the lien expires no later than 18 months after the date the lien attaches.

(2) At any time prior to expiration of the initial lien period, an agricultural producer may extend a lien created under ORS 87.755 by filing a notice of lien with the Secretary of State or by filing a notice of claim of lien under ORS 87.242. If a notice of lien is filed under this subsection, the notice must be supported by affidavit and contain:

(a) A true statement of the demand of the agricultural producer after deducting all credits and offsets;

(4) The agricultural producer must send notice to other persons as required by subsection (3) of this section no later than the 20th day after filing the notice of lien. If the agricultural producer does not send a person notice within the required time, the lien created under ORS 87.755 becomes subordinate to that person's perfected security interest in the inventory or proceeds of the purchaser.

(5) Notwithstanding ORS 174.120, for purposes of this section and ORS 87.772 and 87.777, if the last day of the period for performing an act is a Saturday, or a legal holiday as specified in ORS 187.010 and 187.020, the period runs until the end of the next day that is not a Saturday or legal holiday. (2) Regardless of whether the lien created under ORS 87.755 (1) has been extended by filing and giving notice under ORS 87.762, the lien shall be foreclosed in the manner provided by law for the foreclosure of liens generally.

(3) In all suits under ORS 87.750 to 87.777, the court shall, upon entering judgment for the plaintiff, allow as a part of the costs all moneys paid for the filing and recording of the lien and a reasonable amount for attorney fees. [1981 c.446 §6; 2001 c.301 §21]
