(Oregon Rainy Day Fund)

293.144 Oregon Rainy Day Fund; use; interest. (1) The Oregon Rainy Day Fund is established as an account in the General Fund.

(2) The Legislative Assembly may appropriate moneys from the Oregon Rainy Day Fund only if the appropriation is approved by three-fifths of the members serving in each house of the Legislative Assembly and the Legislative Assembly finds one of the following:

(a) That the last quarterly economic and revenue forecast for a biennium indicates that moneys available to the General Fund for the next biennium will be at least three percent less than appropriations from the General Fund for the current biennium;

(b) That there has been a decline for two or more consecutive quarters in the last 12 months in seasonally adjusted nonfarm payroll employment; or

(c) That a quarterly economic and revenue forecast projects that revenues in the General Fund in the current biennium will be at least two percent below what the revenues were projected to be in the revenue forecast on which the legislatively adopted budget for the current biennium was based.

(3) Once each month, the Oregon Department of Administrative Services shall calculate the amount of General Fund interest that is attributable to moneys in the Oregon Rainy Day Fund. (4) The Legislative Assembly may not appropriate for any one biennium more than two-thirds of the amount that is in the Oregon Rainy Day Fund at the beginning of that biennium. If the appropriation is for a biennium that has not yet begun, the Legislative Assembly may use as the base the most recent estimate of the amount that will be in the Oregon Rainy Day Fund at the beginning of the biennium for which the appropriation is made.

(5) As used in this section, “legislatively adopted budget” has the meaning given that term in ORS 291.002. [2007 c.5 §1]

(b) “General Fund appropriations” means the amount of moneys appropriated from the General Fund for a biennium in the legislatively approved budget for the biennium, minus the amount of any General Fund appropriation balances for that biennium that revert to the General Fund under ORS 293.190.

(c) “Legislatively approved budget” has the meaning given that term in ORS 291.002.

(2) Except as provided in ORS 293.148, as soon as possible after the ending balance for a biennium is determined, an amount equal to one percent of the amount of General Fund appropriations for that biennium shall be transferred to the Oregon Rainy Day Fund established by ORS 293.144. If the ending balance does not equal or exceed one percent of the amount of General Fund appropriations, an amount equal to the ending balance shall be transferred to the Oregon Rainy Day Fund. [2007 c.5 §4]

Note: See note under 293.144.

293.148 Cap on amount. (1) If the moneys in the Oregon Rainy Day Fund established by ORS 293.144 just prior to the time of a transfer scheduled under ORS 293.144 (3) or 293.146 equal at least 7-1/2 percent of the amount of General Fund revenues collected during the prior biennium, moneys that would otherwise be transferred to the Oregon Rainy Day Fund shall be deposited in the General Fund.

(2) If the moneys in the Oregon Rainy Day Fund just prior to the time of a transfer scheduled under ORS 293.144 (3) or 293.146 do not equal at least 7-1/2 percent of the amount of General Fund revenues collected during the prior biennium, the transfer to the Oregon Rainy Day Fund shall be made regardless of whether that transfer increases the amount in the Oregon Rainy Day Fund to at least 7-1/2 percent of the amount of General Fund revenues collected during the prior biennium. [2007 c.5 §6]

Note: See note under 293.144.

293.150 [Formerly 291.370; 1967 c.454 §101; repealed by 1967 c.637 §§37,38]

(Deficiencies)

293.165 Borrowing to pay warrants against General Fund. (1) If the moneys in the General Fund become exhausted, the State Treasurer shall borrow from the most advantageous sources the amounts necessary to pay warrants drawn against the General Fund in pursuance of law, other than warrants drawn against funds whose use is restricted to particular purposes by the Constitution of Oregon or by federal law. The Governor, Secretary of State and State Treasurer, jointly, shall issue certificates of indebtedness therefor. The certificates shall draw interest not to exceed the legal rate of interest until redeemed. All certificates of indebtedness shall be redeemable by the State Treasurer from the first moneys regularly accruing and credited to the General Fund.

(2) For the purposes of subsection (1) of this section, the moneys in the General Fund shall be deemed to be exhausted when there are no moneys remaining in the General Fund other than funds whose use is restricted to particular purposes by the Constitution of Oregon or by federal law. [Formerly 291.378; 1967 c.454 §102; 2003 c.81 §6]

293.167 Proceeding when warrants not paid for want of funds. (1) For the purposes of this section:

(a) Exhaustion of the General Fund has the meaning described in ORS 293.165 (2).

(b) “Restricted fund” means a fund in the General Fund whose use is restricted to particular purposes by the Constitution of Oregon or by federal law.

(2) Instead of paying warrants drawn on the General Fund, the State Treasurer shall indorse on the warrants the words “Not paid for want of funds” and shall register the warrants for future payment if:

(a) The General Fund becomes exhausted after the State Treasurer has borrowed moneys as provided in ORS 293.165 and has made the transfers of surplus funds as provided in ORS 293.205 to 293.225; and

(b) The Governor, the Secretary of State and the State Treasurer deem it necessary or advisable to refuse to pay the warrants and to register the warrants, and direct the State Treasurer to do so.

(3) The State Treasurer shall register the warrants indorsed as provided in subsection (2) of this section by number and by date according to the date on which the warrants were presented for payment. All warrants so indorsed and registered shall thereafter become payable in full according to the date of registration, beginning with the earliest date. Warrants described in this subsection are payable only from moneys in the General Fund that are not in restricted funds.

(4) Notwithstanding subsection (2) of this section, a warrant that is drawn against a restricted fund may be paid, even if the General Fund is exhausted, if there are sufficient moneys in the restricted fund to pay the warrant. The State Treasurer need not indorse or register a warrant paid under this subsection in the manner described in subsections (2) and (3) of this section.

(5) Warrants that are registered under subsections (2) and (3) of this section shall draw interest payable from the General Fund, until called for payment by the State Treasurer, at the rate of five percent per year. The Oregon Department of Administrative Services shall determine the amount of interest payable on each warrant under this subsection and when and how the interest will be paid.

(6) As funds for the payment of all the warrants registered on a particular date and of the interest thereon become available in the General Fund, the State Treasurer shall give notice of the calling of the warrants for payment by one publication in a newspaper printed and published in Salem, Oregon. [Formerly 293.170]

293.169 Notification to agency to stop issuing checks or warrants or initiating electronic funds transfers; resumption of checks, warrants or electronic funds transfers. (1) The State Treasurer may no-

tify a state agency that it must stop issuing checks or warrants on, or initiating electronic funds transfers from, a specified fund or account if:

(a) The General Fund is exhausted as described in ORS 293.165 (2);

(b) Warrants drawn on the General Fund are being registered under ORS 293.167;

(c) An appropriation or other authorization to expend moneys has not been approved for the state agency; or

(2) A notice issued by the State Treasurer under this section must specify the fund or account on or from which the state agency may no longer issue checks or warrants or initiate electronic funds transfers. When the conditions described in subsection (1) of this section that led to the notice from the State Treasurer are no longer in effect, the State Treasurer shall notify the state agency that it may resume issuance of checks or warrants or initiation of electronic funds transfers.

(3) A state agency that receives a notice from the State Treasurer under subsection (1) of this section must cease issuing checks or warrants drawn on, or initiating electronic funds transfers from, the specified fund or account. If authorized to do so by the State Treasurer, a state agency that ceases issuance of checks or warrants or initiation of electronic funds transfers under this section may pay obligations by warrants that may be registered under ORS 293.167 if the checks or warrants are drawn on, or the electronic funds transfers are from, moneys in the General Fund.

(4) As used in this section, “state agency” means any board, commission, department, institution, branch or agency the costs of which are paid in whole or in part from funds held in the State Treasury. [2003 c.81 §9]

(1) If a check, warrant or demand for payment by electronic funds transfer is presented to the State Treasurer for payment and at the time of presentment the account or fund from which payment should be drawn has insufficient moneys to pay in full the amount presented, the State Treasurer may transfer the overdraft amount from other

moneys deposited in the State Treasury by the state agency from whose account or fund the payment is required. The State Treasurer may charge interest at a rate determined by the State Treasurer on any negative account or fund balance that results from the overdraft. The interest shall be paid to the account or fund from which moneys were transferred to pay the overdraft. The State Treasurer may also charge fees for the transfer, in amounts determined by the State Treasurer.

A warrant shall be drawn for the amount of the voucher payable out of moneys appropriated for the expenditures of the agency. The designated custodian shall credit the amount of the warrant to the petty cash fund.

(3) The Oregon Department of Administrative Services may establish regulations governing the administration of petty cash funds established pursuant to this section.

(4) Subject to regulations established by the department:

(a) The designated custodian may make disbursements from the petty cash fund only when it is necessary to make an immediate cash payment which is lawfully payable from moneys appropriated to the agency.

(b) The designated custodian may hold the petty cash fund in cash or may deposit the fund to the account of the agency in any insured institution or institutions in the state authorized as a depository of state funds, or may hold part in cash and deposit the remainder.

(5) The designated custodian shall periodically submit to the appropriate warrant drawing authority verified reimbursement vouchers properly supported by evidences of disbursements from the petty cash fund. (2) On December 31 in each odd-numbered year, all limitation balances on any separate fund or cash account in the State Treasury shall be canceled except for continuing contracts, contested claims or special limitations designated by legislative action.

(3) Notwithstanding subsections (1) and (2) of this section, under conditions which shall be described by the department by rule, upon request, an extension may be granted to allow an agency to make final analyses and corrections before an appropriation or limitation is canceled. The procedures for requesting an extension and the criteria for approving the request shall be established by the department. [1971 c.341 §3; 1991 c.220 §7; 1993 c.724 §3; 2012 c.107 §58]

TRANSFERS TO FUNDS HAVING INSUFFICIENT MONEY

293.205 Definitions for ORS 293.205 to 293.225. As used in ORS 293.205 to 293.225:

(1) “Borrowing fund” means the fund to which money is initially transferred under ORS 293.210.

(2) “Lending fund” means the fund from which money is initially transferred under ORS 293.210. [Formerly 291.402]

293.210 Transfer and retransfer of money and credit among state funds. If there is insufficient money to the credit of any fund in the State Treasury to pay the obligations against such fund and there is money to the credit of one or more other state funds that is not then required to meet the respective obligations against such funds, the State Treasurer shall transfer so much as the State Treasurer deems advisable of such money standing to the credit of the funds having excess money to the fund having insufficient money if there are or will be moneys accruing to the borrowing fund or that can be transferred to it in like manner, as provided in this section, to enable a retransfer to be made of such moneys to the credit of the lending funds from which they were so transferred in time to meet the requirements of the lending funds. However, unless conditions are such at the time when the original transfer of moneys is considered as to make sure that such retransfer can be so made, the original transfer shall not be made. All moneys transferred under this section from lending to borrowing funds shall be retransferred to the lending funds when or before they are needed in the lending funds. [Formerly 291.404; 2005 c.22 §217]

293.212 Transfers to funds of Department of Transportation with insufficient moneys. (1) If the Department of Transportation determines that there is insufficient money in any of its funds to pay the obligations against that fund, the department may request the State Treasurer to transfer money from one or more other funds to the fund that has insufficient money. The treasurer shall transfer the money if:

(a) The lending fund has money that is not required at the time of the transfer to meet the obligations against the fund; and

(b) The treasurer determines that there are or will be enough moneys accruing to the borrowing fund, or that can be transferred to it, to enable a retransfer of the money to the lending fund in time to meet the requirements of the lending fund.

(2) All moneys transferred under this section to a borrowing fund shall be retransferred to the lending funds when or before they are needed.

(3) The department may request transfers of money under this section regardless of whether or not the insufficiency in a fund that triggers the request was anticipated by the department. [1991 c.793 §2; 2005 c.22 §218]

Note: 293.212 was added to and made a part of 293.205 to 293.225 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

293.214 Lines of credit for state agency; duration; source of funding. (1) Subject to the provisions of this section, a state agency may establish with the State Treasurer lines of credit for funds under its administration, upon a certificate by the agency’s department head and chief financial officer to the State Treasurer representing and satisfactorily demonstrating, for the period for which a line of credit is requested, that:

(a) There will be insufficient moneys to the credit of the funds for which the line of credit is requested to meet expenses as they arise; and

(b) The agency will be entitled for expenditure of agency funds to reimbursement from federal agencies or other sources sufficient to repay, when due, all draws against the line of credit, plus interest charged to the agency.

(2) No line of credit, based upon anticipated reimbursements, shall be established more than six months in advance of a draw on the credit and draws shall be repaid to the lending fund within six months. Reimbursements must be applied against any outstanding advances on the line of credit established under this section.

(3) The State Treasurer may fund lines of credit established pursuant to this section from money to the credit of other state funds which will not be required to meet the respective obligations of the funds during the period for which a draw under a line of credit is not repaid, as provided in ORS 293.210.

(4) A line of credit may operate as a revolving fund, so that draws shall proportionately reduce and repayments shall proportionately increase the credit remaining under the line of credit, but at no time shall the total amount of draws against the line of credit exceed the credit limit.

(5) Every state agency for which a line of credit is established shall report promptly in writing to the State Treasurer any change in information furnished in support of the request for a line of credit.

(6) The State Treasurer may grant or deny, modify or terminate a line of credit when in the judgment of the State Treasurer it is in the best interest of the state. [1993 c.68 §2; 2003 c.16 §3]

Note: 293.214 was added to and made a part of 293.205 to 293.225 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

293.215 Evidencing transfers and retransfers; notification of transfer. (1) All transfers from lending to borrowing funds under ORS 293.210 shall be evidenced by proper bookkeeping accounts kept by the State Treasurer showing appropriate credits to the lending funds. All retransfers shall be evidenced in like manner.

(2) When funds are transferred under ORS 293.210, the State Treasurer shall notify the Oregon Department of Administrative Services, the Legislative Fiscal Office, the department for whose use the lending fund is maintained and the governing board or commission, if any, of the department for whose use the lending fund is maintained. [Formerly 291.406; 1967 c.454 §104; 2001 c.71 §1]

293.220 Interest on transferred moneys or credits. All moneys or credits transferred under ORS 293.210 or 293.214 shall bear interest, until retransferred, at such rate not less than two percent per annum as shall be agreed upon between the State Treasurer and the officer, state department, commission, or board in charge of the borrowing fund. The interest shall be payable from the borrowing fund and shall be credited to and become part of the lending fund. [Formerly 291.408; 2003 c.16 §4]

293.225 Construction of ORS 293.205 to 293.220. ORS 293.205 to 293.220 shall not be construed as an appropriation Act and no appropriation made for any purpose shall be exceeded or increased by reason of any of the

provisions of such sections, nor shall any budgetary designation be altered or affected by such sections. [Formerly 291.410]

(1) Not later than October 1 of each fiscal year, each state agency shall submit a report to the Legislative Fiscal Office that describes the status of that agency's liquidated and delinquent accounts and efforts made by that agency to collect liquidated and delinquent accounts during the previous fiscal year. The report required under this subsection shall be in a form prescribed by the Legislative Fiscal Office and shall include but not be limited to:

Note: See note under 293.227.

293.231 Collection of liquidated and delinquent accounts by private collection agency or Department of Revenue; rules; fee added to debt. (1) Except as provided in subsections (4) to (9) of this section, a state agency, unless otherwise prohibited by law, shall offer for assignment every liquidated and delinquent account to a private collection agency or to the Department of Revenue as provided in ORS 293.250 not later than:

(a) Ninety days from the date the account was liquidated if no payment has been received on the account within the 90-day period; or

(b) Ninety days from the date of receipt of the most recent payment on the account.

(2) Nothing in subsection (1) of this section prohibits a state agency from offering for assignment a liquidated and delinquent account to a private collection agency at any time within the 90-day period.

(3) If, after a reasonable time, the private collection agency is unable to collect the account, the private collection agency shall notify the state agency that assigned the account that it has been unable to collect the account and shall relinquish the account to the state agency. A private collection agency that collects an account under this section shall be held to the same standard of confidentiality, service and courtesy imposed on the state agency that assigned the account.

(4) If a state agency assigns a liquidated and delinquent account to the Department of Revenue as provided in ORS 293.250, the department shall have six months from the date of assignment to collect a payment. If the department does not collect a payment within that six-month period or if six months have elapsed since the date of receipt of the most recent payment on the account, the department shall notify the state agency. The state agency shall then immediately offer for assignment the debt to a private collection agency.

(5) The provisions of subsection (1) of this section do not apply to a liquidated and delinquent account that is prohibited by state or federal law or regulation from assignment or collection.

(6) The Oregon Department of Administrative Services may adopt rules exempting specified kinds of liquidated and delinquent accounts from the time periods established in subsections (1), (2) and (4) of this section.

(7) The Oregon Department of Administrative Services shall adopt rules exempting liquidated and delinquent accounts that orig-

inate in the Department of Revenue or the Employment Department from the time periods established in subsections (1), (2) and (4) of this section.

(8) A liquidated and delinquent account that is subject to assignment under this section shall be assigned to a private collection agency if more than one year has elapsed without a payment on the account.

(9) Notwithstanding subsection (1) of this section, a state agency may, at its discretion, choose not to offer for assignment to a private collection agency a liquidated and delinquent account that:

(a) Is secured by a consensual security interest in real or personal property;

(b) Is a court-ordered judgment that includes restitution or a payment to the Department of Justice Crime Victims' Assistance Section;

(c) Is in litigation, including bankruptcy, arbitration and mediation;

(d) Is a student loan owed by a student who is attending school;

(e) Is owed to a state agency by a local or state government or by the federal government;

(f) Is owed by a debtor who is hospitalized in a state hospital as defined in ORS 162.135, who receives public assistance as defined in ORS 411.010 or who receives medical assistance as defined in ORS 414.025;

(g) Is owed by a debtor who is imprisoned;

(h) Is less than \$100, including penalties; or

(i) Would result in loss of federal funding if assigned.

(10) Nothing in this section prohibits a state agency from collecting a tax offset after a liquidated and delinquent account is assigned to a private collection agency.

(11) For the purposes of this section, a state agency shall be deemed to have offered for assignment an account if:

(a) The terms of the offer are of a type generally acceptable within the collections industry for the type of account offered for assignment; and

(b) The offer is made to a private collection agency that engages in collecting on accounts of the type sought to be assigned or is made generally available to private collection agencies through a bid or request for proposal process.

(12) A state agency that retains a private collection agency under this section may add a fee to the amount of the liquidated and delinquent account as provided in ORS

697.105. A fee may not be added under this subsection unless the state agency has provided notice to the debtor:

- (a) Of the existence of the debt;
- (b) That the debt may be assigned to a private collection agency for collection; and
- (c) Of the amount of the fee that may be added to the debt under this subsection.

(13) Except as provided by federal law, the state agency may not add a fee under subsection (12) of this section that exceeds the collection fee of the private collection agency. [1999 c.1092 §3; 2001 c.218 §1; 2001 c.233 §1; 2003 c.66 §3; 2003 c.805 §1; 2013 c.688 §27]

Note: See note under 293.227.

293.233 Exemption of accounts from assignment to private collection agency; rules. (1) A state agency may use rules adopted by the Oregon Department of Administrative Services for exempting liquidated and delinquent accounts from assignment to a private collection agency. The state agency shall provide documentation and justification for exempting liquidated and delinquent accounts from assignment.

(2) The Oregon Department of Administrative Services shall adopt rules governing the procedure that a state agency may follow in exempting a liquidated and delinquent account from assignment, including but not limited to adequacy of the documentation and justification that a state agency is required to provide under this section. [1999 c.1092 §4]

Note: See note under 293.227.

UNCOLLECTIBLE DEBTS

293.235 "State agency" defined for ORS 293.240 and 293.245. As used in ORS 293.240 and 293.245, "state agency" means any state officer, board, commission, corporation, institution, department or other state organization having power to collect state funds. [1965 c.448 §1]

293.240 Writing off uncollectible debts due state agency. (1) If a state agency has made all reasonable efforts to collect money owed to it, including money owed on a liquidated and delinquent account that has been relinquished by a private collection agency under ORS 293.231, and has determined that the money and any interest or penalties on the money are uncollectible, the agency may write off the debt on its accounts.

(2) Before determining that money is uncollectible under subsection (1) of this section, a state agency must adopt criteria for determining when money is uncollectible. The criteria must include the right of offset

and must be approved by the Attorney General.

(3) This section does not apply to debts owed to a state agency for which a procedure for compromise, release, discharge, waiver, cancellation or other form of settlement for the debt for reasons other than uncollectibility is by law made specially applicable to the state agency. [1965 c.448 §2; 1971 c.604 §3; 1991 c.567 §3; 1999 c.1092 §5; 2011 c.223 §1]

293.245 Subsequent collection of debt written off under ORS 293.240. If a debt previously written off pursuant to ORS 293.240 subsequently becomes collectible, the state agency to which the money is owed shall proceed to collect the money due. The agency shall credit the money so collected to the accounts or funds to which the debt was originally owing. [1965 c.448 §3; 1971 c.604 §4; 2001 c.233 §2]

RECEIVING AND HANDLING MONEYS

293.250 Collections Unit; collection and disposition of amounts due state agencies or counties; setoff of sums due debtor; warrants. (1) There is hereby created a Collections Unit in the Department of Revenue.

(2) The Department of Revenue may render assistance in the collection of any delinquent account owing to any state officer, board, commission, corporation, institution, department or other state organization, or to a county pursuant to a judgment obtained under ORS 169.151, assigned by the agency or county to which the delinquent account is owed to the Department of Revenue for collection.

(3)(a) Subject to rules prescribed by the Oregon Department of Administrative Services for collection of delinquent accounts owing to the respective officers, departments, boards and commissions of state government, and to counties, the Department of Revenue shall render assistance in such collection and shall charge such officers, agencies and counties separately for the cost of such assistance, provided that charges shall not exceed the proceeds of collection credited to such officer, agency or county for the same biennium. The Department of Revenue may designate a single percentage to retain from the proceeds of collection as a charge for the cost of assistance. If the Department of Revenue finds that accounts assigned to the Department of Revenue for collection by certain officers, agencies or counties lack sufficient information to properly and efficiently identify the debtor or that the account information must be put into a form usable by the Department of Revenue in order to efficiently provide collection services, the Department of Revenue may establish a

separate percentage charge to be retained from collections for the officer, agency or county. The charge must reflect the average of the actual cost to provide collection services for all accounts assigned by that officer, agency or county. In providing assistance, the Department of Revenue shall utilize all means available to collect the delinquent accounts including the setoff of any refunds or sums due to the debtor from the Department of Revenue or any other state agency. The Department of Revenue may offset any refunds or sums due to the debtor from the department or any other state agency against delinquent accounts assigned by a county to the department for collection under this section. The Department of Revenue may prescribe criteria for the kinds of accounts that may be assigned under this section, including a minimum dollar amount owed.

(b) No setoff will be made by the Department of Revenue unless the debt is in a liquidated amount.

(c) When the Department of Revenue has notified the assigning agency or county that a refund or other sum due to the debtor is available for setoff, the debtor may arrange with the Department of Revenue for payment of the debt in full before the setoff is made. However, the assigning agency or county shall not enter into any agreement with the debtor for payment of the debt before the setoff is made.

(d) At the time any setoff is made the debtor shall be notified by the Department of Revenue of its intention to apply sums due from a state agency against the debtor's delinquent account. The notice shall provide that the debtor within 30 days may request a hearing before the claimant agency or county. No issues at the hearing may be considered that have been litigated previously, or if the debtor after being given due notice of rights of appeal has failed to exercise them timely.

(e) All moneys received by the Department of Revenue in payment of charges made under paragraph (a) of this subsection shall be paid into the State Treasury and deposited in a miscellaneous receipts account for the Department of Revenue.

(f) Net proceeds of collections of delinquent accounts shall be credited to the account or fund of the officer, agency or county to which the debt was originally owing.

(4)(a) In providing assistance in the collection of any delinquent account under this section, the Department of Revenue may issue a warrant for the collection of the delinquent account. The warrant may be

recorded in the County Clerk Lien Record maintained under ORS 205.130.

(b) A warrant shall not be issued under this subsection unless the debt is in a liquidated amount.

(c) The amount of any warrant issued under this subsection shall include the principal amount of the debt, any added penalties or interest attributable to the delinquent account and any costs associated with recording, indexing or service of the warrant and any satisfaction or release thereof.

(d) A warrant shall not be issued under this subsection before the debtor has been notified that the department intends to issue the warrant and of the collection action that may be taken under the warrant.

(5) Nothing in this section shall prohibit the collection of:

(a) A child or spousal support obligation as provided in ORS 25.610; or

(b) Criminal judgments that impose monetary obligations, including judgments requiring the payment of fines, costs, assessments, compensatory fines, attorney fees, forfeitures or restitution. [1971 c.604 §2; 1977 c.603 §1; 1979 c.442 §1; 1987 c.758 §14; 1989 c.519 §7; 1995 c.512 §1; 2001 c.641 §2]

293.255 [Formerly 291.432; repealed by 1967 c.454 §119]

293.260 Collection of moneys and property due to state. (1) Except as otherwise specifically provided by law, the Secretary of State shall require all persons who have received any moneys or property belonging to the state and who have not accounted therefor to settle their accounts and to return the moneys or property to the state.

(2) An account of a person who has received any moneys or property belonging to the state, certified by the Secretary of State, shall be received in evidence in any court in this state. [Formerly 291.434; 1967 c.454 §1; 1971 c.604 §5]

293.262 Requiring information regarding accounts; reference to legislature. (1) The Secretary of State may require any person to answer orally or in writing, under oath or affirmation, as to any facts relating to an account, presented to the Secretary of State for settlement, of a person who has received any moneys or property belonging to the state.

(2) At the request of any person interested in, and dissatisfied with the decision of the Secretary of State on an account presented to the Secretary of State for settlement, of a person who has received any moneys or property belonging to the state, the Secretary of State shall refer the account, the decision of the Secretary of State

thereon and the reason for the decision to the Legislative Assembly at a session thereof. [1967 c.454 §§3,4; 1971 c.604 §6]

293.265 Moneys collected to be turned over to State Treasurer; return of checks or money orders; maximum amount returned set by rule; effect of indorsement "paid in full."

(1) It shall be the duty of the officer or other person or agent collecting, receiving, in possession of, or having the control of any state money or other funds, contributions or donations collected or received by, and to be expended by or on behalf of the state under the approval or supervision of any state officer, board, commission, corporation, institution, department or other state organization, recognized by the laws of this state and having the power to collect and disburse state funds, to turn over all such moneys mentioned in this section collected or received by or on account of such state officer, board, commission, corporation, institution, department or other state organization, to the State Treasurer not later than one business day after collection or receipt thereof. However, the officer, board, commission, corporation, institution, department or other state organization may comply with this requirement by using a reasonable, longer period for the transmittal of particularly identified funds or categories of funds if it documents and maintains in its official files, and submits a copy of such documentation to the Division of Audits of the Secretary of State for review, information that a valid business reason exists for using a longer transmittal period and that the period is no longer than necessary to satisfy that business reason.

(2) The deposit by or on behalf of the state under the approval or supervision of any state officer, board, commission, corporation, public corporation, institution, department or other state organization of a check marked "paid in full," "payment in full," "full payment of a claim" or words of similar meaning does not establish an accord and satisfaction which binds the state or prevents the collection of the remaining amount owed upon the obligation unless an officer or employee with actual authority to settle claims has agreed in writing to accept the check as full payment of a disputed obligation.

(3) Notwithstanding the provisions of subsection (1) of this section, subject to limits on amount adopted pursuant to subsection (4) of this section, a state agency may return any bank check or money order received by the agency, whenever such bank check or money order is incomplete or the report or record applied for is not available or releasable or the payment is not owed. The agency

shall keep a record of the check or money order returned, in the form prescribed by the Oregon Department of Administrative Services.

293.723 Discrete investment of moneys. (1) Moneys in a fund established by law may not be discretely invested unless the law establishing the fund specifically indicates that the moneys may be invested. A provision in a law establishing a fund that requires interest earned by the fund to be retained by the fund is not, by itself, a specific indication that the moneys in the fund may be discretely invested.

(2) As used in this section, "discretely invested" means invested in something other than the Oregon Short Term Fund established under ORS 293.728. [2007 c.217 §2; 2009 c.541 §13; 2009 c.821 §20]

(2) The standard stated in subsection (1) of this section requires the exercise of reasonable care, skill and caution, and is to be applied to investments not in isolation but in the context of each investment fund's investment portfolio and as a part of an overall investment strategy, which should incorporate risk and return objectives reasonably suitable to the particular investment fund.

(3) In making and implementing investment decisions, the Oregon Investment Council and the investment officer have a duty to diversify the investments of the investment funds unless, under the circumstances, it is not prudent to do so.

(4) In addition to the duties stated in subsection (3) of this section, the council and the investment officer must:

(a) Conform to the fundamental fiduciary duties of loyalty and impartiality;

(b) Act with prudence in deciding whether and how to delegate authority and in the selection and supervision of agents; and

(c) Incur only costs that are reasonable in amount and appropriate to the investment responsibilities imposed by law.

(5) The duties of the council and the investment officer under this section are subject to contrary provisions of privately created public trusts the assets of which by law are made investment funds. Within the limitations of the standard stated in subsection (1) of this section and subject to subsection (6) of this section, there may be acquired, retained, managed and disposed of as investments of the investment funds every kind of investment which persons of prudence, discretion and intelligence acquire, retain, manage and dispose of for their own account.

(6) Notwithstanding subsection (1) of this section, not more than 50 percent of the moneys contributed to the Public Employees Retirement Fund or the Industrial Accident Fund may be invested in common stock, and not more than 65 percent of the moneys contributed to the other trust and endowment funds managed by the Oregon Invest-

ment Council or the State Treasurer may be invested in common stock.

(7) Subject to the standards set forth in this section, moneys held in the Deferred Compensation Fund may be invested in the stock of any company, association or corporation, including but not limited to shares of a mutual fund. Investment of moneys in the Deferred Compensation Fund is not subject to the limitation imposed by subsection (6) of this section. 293.728 Oregon Short Term Fund. (1) The Oregon Short Term Fund is established in the State Treasury as a commingled investment vehicle for investment funds and the moneys described in subsection (2) of this section. Interest earned by the Oregon Short Term Fund shall be credited to the participating investor funds or accounts in the fund in proportion to the amount invested.

(2) Unless a federal law, court order, settlement or similar agreement or business practice requires otherwise, moneys received by the State Treasurer that may not be discretely invested as provided in ORS 293.723 shall be deposited in the fund. Moneys that may be discretely invested as provided in ORS 293.723 may be deposited in the fund.

(3) Moneys in the fund may be transferred as provided in ORS 293.205 to 293.225. The State Treasurer is the officer in charge of the fund for purposes of ORS 293.220 and shall determine the interest rate to be charged until the moneys are retransferred to the fund. The council, from time to time, shall review those policies and make changes therein as it considers necessary or desirable. The council may formulate separate policies for any fund included in the investment funds. This section does not apply to the Oregon Growth Account, the Oregon Growth Fund, the Oregon Growth Board, the Oregon Commercialized Research Fund, the Oregon Innovation Fund or the Oregon Innovation

Council. [1967 c.335 §8; 1993 c.210 §20; 1999 c.42 §1; 1999 c.274 §18; 2001 c.835 §9; 2001 c.922 §§15a,15b; 2005 c.748 §§15,16; 2012 c.90 §§22,32; 2013 c.732 §8]

(2) At any given time, the council shall have at least \$100 million in venture capital investments in Oregon unless, under the circumstances, it is not prudent to do so.

(3) As used in this section:

(a) "Emerging growth business" means an individual or group of individuals or a new or small company, including but not limited to any new or small partnership, limited liability company, corporation, firm, association or other business entity, that has the capacity, upon obtaining appropriate capital, to generate significant high-skill, high-wage employment.

INVESTMENT POOLS**293.861 Investment pools authorized.**

The Legislative Assembly recognizes that changes in federal arbitrage regulations have imposed substantial additional financial and administrative burdens on state agencies and local governments which issue tax-exempt obligations. The impact of these burdens is exacerbated by the fiscal restrictions placed on these agencies and governments by section 11b, Article XI of the Oregon Constitution. The Legislative Assembly finds that it will benefit the citizens of the state to authorize the State Treasurer to create one or more investment pools which are designed to reduce these burdens of compliance with federal arbitrage rules. [Formerly 293.822]

(f) "Tax-exempt obligations" means bonds, notes, certificates or other obligations, the interest on which is excluded from gross income under the United States Internal Revenue Code.

(2) In addition to the other powers granted to the State Treasurer, the State Treasurer may create one or more pools for the investment of proceeds. The pools shall be separate and distinct from the General Fund. Amounts in a pool shall be invested under the standards for investment of state funds which are provided in ORS 293.701 to 293.857. However, the investment objective for the pools shall be to make the amounts therein as productive to the investor as is administratively reasonable, taking into account restrictions imposed by the United States on the investment of the proceeds and the ability of the investor to retain investment earnings for its benefit. Amounts in a pool shall be invested according to policies established by the Oregon Investment Council. ORS 293.857 shall not apply to investments of amounts in a pool. The State Treasurer or the council may enter into

agreements with investors regarding the investment of proceeds in a pool authorized by this section and may take other action reasonably required to establish and operate pools for the investment of proceeds in a manner which reduces the burden on investors of complying with federal arbitrage laws.

(3) The State Treasurer or the council may contract for trust, investment management, legal, accounting, financial advisory and other services with respect to the funds invested in a pool. Costs of the services may be paid from earnings on proceeds invested in a pool, from fees charged to investors or from any other legally available funds. The State Treasurer may charge investors fees for deposit or withdrawal of amounts from a pool. The fees shall not exceed the State Treasurer's reasonable estimate of the costs of creating and operating the pool.

(4) The State Treasurer shall establish policies and procedures for the allocation of pool expenses, earnings and losses among investors in a pool, and for the deposit and withdrawal of amounts in a pool. Net earnings on amounts in pools shall be distributed among investors in accordance with the policies and procedures established by the State Treasurer.
