**GENERALLY****348.005 Policy on student financial aid.**

(1) The Legislative Assembly finds that:

(a) The State of Oregon can achieve its full economic and social potential only if all Oregonians have the opportunity to contribute to the full extent of their capabilities and only when financial barriers to their educational goals are removed;

(b) All Oregonians who meet the appropriate admissions requirements should be able to attend any community college, public university listed in ORS 352.002 or independent not-for-profit institution of post-secondary education regardless of individual economic or social circumstances;

(c) The interests of this state are best served when public subsidies supporting college students are distributed fairly, equitably and consciously to ensure maximum access and choice for all Oregonians at the least cost to the taxpayers;

(d) Need-based student financial aid is an effective, efficient and essential means of assisting Oregonians who are unable to afford the full cost of higher education;

(e) Student financial aid allows Oregonians with limited resources to select academic programs based on their interests, aptitudes and career goals;

(f) Student financial aid encourages and permits capable and promising Oregonians to persist in their education and training within this state; and

(g) By assisting Oregonians in this manner, student financial aid contributes to the quality of life of each Oregonian and to the social, cultural and economic well-being of all Oregonians.

(2) It is the intention of the Legislative Assembly to establish financial assistance programs to enable qualified Oregonians who need student aid to obtain post-secondary education in Oregon's community colleges, public universities or independent not-for-profit institutions of post-secondary education. [1993 c.239 §1; 2005 c.22 §242; 2011 c.637 §134]

**348.007 Financial aid eligibility for students with modified or extended diplomas.** A student who receives a modified diploma or extended diploma under ORS 329.451 may not be denied eligibility for financial aid to obtain post-secondary education in a public university listed in ORS 352.002, community college or independent not-for-profit institution of higher education that operates in this state for the sole reason that the student did not receive a high school diploma. [2013 c.725 §2]

**Note:** 348.007 was enacted into law by the Legislative Assembly but was not added to or made a part of

ORS chapter 348 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

**348.183 Legislative intent.** The Legislative Assembly recognizes:

(1) That an investment in educational opportunities for all Oregonians is an investment in a strong and stable economy and greater personal opportunities;

(2) That the single largest barrier to attending an institution of higher education is lack of finances;

(3) That keeping higher education affordable requires a shared effort and partnership by students, family, the federal government, state government and private philanthropy;

(4) The broad and diverse range of quality post-secondary educational services provided by Oregon’s institutions of higher education, including Oregon’s community colleges, public universities and independent not-for-profit institutions of higher education;

(5) The positive effects on Oregon’s citizens, families and economy of encouraging talented and hardworking students to stay in Oregon to pursue a post-secondary education; and

(6) That, in order to maintain affordable tuition at Oregon’s public universities and community colleges, the Legislative Assembly, through the Joint Committee on Ways and Means, should review tuition affordability on the basis of standards, including the Higher Education Price Index, median family income, enrollment growth and state appropriations made to public universities and community colleges in this state. This review by the Legislative Assembly on tuition and fee increases should occur biennially. [1999 c.1070 §2; 2007 c.802 §2; 2007 c.858 §38; 2011 c.637 §142]
