409.454 Legislative findings on respite care. The Legislative Assembly finds that:

(1) Supporting the efforts of families and caregivers to care for individuals with special needs at home is efficient, cost effective and humane. Families receiving occasional respite care relief are less likely to request admission of an individual with special needs to nursing homes, foster care or other out-of-home care at public expense.

(2) Respite care reduces family and caregiver stress, enhances family and caregiver coping ability and strengthens family ability to meet the challenging demands of caring for individuals with special needs.

(3) Respite care reduces the risk of abuse and neglect of children, senior citizens and other vulnerable groups.

(4) Coordinated, noncategorical respite care services must be available locally to provide reliable short-term relief when it is needed by families and caregivers regardless of where they live in Oregon. [1997 c.745 §2]

(1) “Assessment rate” means the rate established by the Director of Human Services under section 17, chapter 736, Oregon Laws 2003.

(2) “Assessment year” means a 12-month period, beginning July 1 and ending the following June 30, for which the assessment rate being determined is to apply.

(3) “Gross revenue”:

(a) Means the revenue paid to a long term care facility for patient care, room, board and services, less contractual adjustments; and

(b) Does not include:

(A) Revenue derived from sources other than long term care facility operations, including but not limited to donations, interest and guest meals, or any other revenue not attributable to patient care; and

(B) Hospital revenue or revenue derived from hospital operations.

(4) “Long term care facility” has the meaning given that term in ORS 442.015, but does not include an intermediate care facility for persons with mental retardation.

(5) “Medicaid patient days” means patient days attributable to patients who receive medical assistance under a plan described in 42 U.S.C. 1396a et seq.

(6) “Patient days” means the total number of patients occupying beds in a long term care facility for all days in the calendar period for which an assessment is being reported and paid. For purposes of this subsection, if a long term care facility patient is admitted and discharged on the same day, the patient shall be deemed to occupy a bed for one day. [2003 c.736 §15; 2005 c.757 §3; 2007 c.70 §358; 2007 c.780 §7]

Sec. 16. (1) A long term care facility assessment is imposed on each long term care facility in this state.

(2) The amount of the assessment equals the assessment rate times the number of patient days, including Medicaid patient days, at the long term care facility for a calendar quarter.

(3) The assessment shall be reported on a form prescribed by the Department of Human Services and shall contain the information required to be reported by the department. The assessment form shall be filed with the department on or before the last day of the month following the end of the calendar quarter for which the assessment is being reported. The payment shall accompany the report unless the payment is transmitted electronically or unless the department permits a later payment under criteria prescribed by the department by rule.

(4) A long term care facility is not guaranteed that any additional moneys paid to the facility in the form of reimbursements calculated according to the methodology described in section 24 (4), chapter 736, Oregon Laws 2003, shall equal or exceed the amount of the long term care facility assessment paid by the facility. [2003 c.736 §16; 2005 c.757 §4; 2007 c.780 §8]

Sec. 17. For purposes of establishing an assessment rate pursuant to this subsection, the director shall exclude the annual gross revenue of long term care facilities that are exempt from the assessment imposed under section 16, chapter 736, Oregon Laws 2003.

(2) On or before October 15 of each year, the Department of Human Services shall refund any overage in tax dollars collected under section 16, chapter 736, Oregon Laws 2003, that exceeds the maximum percentage of the projected annual gross revenue of all long term care facilities in this state as described in subsection (1) of this section. The department may collect any delinquent assessments, but may not collect any underages in actual collections through an adjustment in assessment rates. The total amount of penalties imposed under this section for each reporting period may not exceed five percent of the assessment for the reporting period for which penalties are being imposed.

(2) Penalties imposed under this section shall be collected by the Department of Human Services and deposited in the Department of Human Services Account established under ORS 409.060.
