LOCAL CORRECTIONAL FACILITIES

169.030 Construction, maintenance and use of local correctional facilities by county and city; renting suitable structure; provision of facilities by another county or city. (1) Every county and city in this state shall provide, keep and maintain within or without the county or city, as the case may be, a local correctional facility for the reception and confinement of prisoners committed thereto. The local correctional facility shall be constructed of fireproof materials and should have fire exits in sufficient number and suitably located for the removal of prisoners.

(2) Any county, or incorporated city may rent or lease any structure answering the requirements of subsection (1) of this section, either in connection with or separately from any other county or city building.

(3) Any county and any incorporated city may, by agreement, provide, maintain, and use for their separate requirements, such a local correctional facility as is required by this section.

(4) Any county or incorporated city may, by agreement with any other county or incorporated city, provide for one such county or city to furnish local correctional facility accommodations for the imprisonment of prisoners of the other such county or city. Pursuant to such agreement, an Oregon county or city may secure the use of jail accommodations outside the state, but only in a county that adjoins the Oregon county or the county in which the Oregon city is located.

(5) The jail accommodations provided by or furnished to a county under this section shall be considered to be jail accommodations of the county for purposes of ORS 135.215, 137.167 and 137.330. [Amended by 1963 c.236 §2; 1973 c.740 §10; 1987 c.550 §1]

169.040 Inspection of local correctional facilities. (1) The county court or board of county commissioners of each county is the inspector of the local correctional facilities in the county. The court or board shall visit local correctional facilities operated by the county at least once in each regular term and may visit local correctional facilities within the county that are not operated by the county. When the court or board visits a local correctional facility, it shall examine fully into the local correctional facility, including, but not limited to, the cleanliness of the facility and the health and discipline of the persons confined. If it appears to the court or board that any provisions of law have been violated or neglected, it shall immediately give notice of the violation or neglect to the district attorney of the district.

(2) The local health officer or the representative of the local health officer may conduct health and sanitation inspections of local correctional facilities on a semiannual basis. If the local health officer determines that the facility is in an insanitary condition or unfit for habitation for health reasons, the officer may notify the appropriate local governmental agency in writing of the required health and sanitation conditions or practices necessary to ensure the health and sanitation of the facility. If the local governmental agency does not comply with the required health and sanitation conditions or practices within an appropriate length of time, the local health officer may recommend the suspension of the operation of the local correctional facility to the local public health authority, as defined in ORS 431.003. If after a hearing the local public health au-

thority finds that the local correctional facility is in an insanitary or unhealthful condition, it may suspend the operation of the facility until such time as the local correctional facility complies with the recommended health and sanitation conditions and practices. [Amended by 1973 c.740 §11; 2005 c.286 §1; 2015 c.736 §52]

169.042 Maximum facility population; recommendation. The county court or board of commissioners of a county may institute an examination of the county's local correctional facility for the purpose of obtaining a recommendation regarding the maximum number of inmates that should be held in the facility. This recommendation shall be based on consideration of the following:

- (1) The advice of the district attorney, county counsel and sheriff concerning prevailing constitutional standards relating to conditions of incarceration;
- (2) The design capacity of the local correctional facility;
- (3) The physical condition of the local correctional facility; and
- (4) The programs provided for inmates of the local correctional facility. [1989 c.884 §2]

169.044 Action on recommendation. When the county court or board has received a recommendation pursuant to ORS 169.042, it shall either:

- (1) Reject the recommendation and decline to adopt a limit on the number of inmates that may be held in the local correctional facility; or
- (2) Adopt the recommendation and, after consultation with the officials listed in ORS 169.046 (1), issue an order establishing the maximum allowable number of inmates that may be held in the local correctional facility. This shall include specific standards for determining a county jail population emergency and a specific plan for resolving the emergency. [1989 c.884 §3]

169.046 Notice of county jail population emergency; action to be taken; notification if release of inmates likely; forced release. (1) If a county court or board adopts a jail capacity limit under ORS 169.044 and the number of inmates in its local correctional facility exceeds that capacity limit so that a county jail population emergency exists, the sheriff shall notify the presiding circuit judge, each municipal court judge and justice of the peace in the county, the district attorney for the county, the county counsel, the chief law enforcement officer for each city located in the county and the county court or board of commissioners that the number of inmates in the local correctional facility has exceeded ca-

capacity and that a county jail population emergency exists.

(2) If the county court or board has adopted a jail capacity limit and action plan under ORS 169.044 and if a county jail population emergency occurs under the terms of the plan, the county court or board and the county sheriff may carry out the steps of the plan. This includes any authorization, under the plan, for the sheriff to order inmates released in order to reduce the jail population. A sheriff shall be immune from criminal or civil liability for any good faith release of inmates under ORS 169.042 to 169.046.

(3) If it becomes necessary to order inmates released under ORS 169.042 to 169.046, or if it appears to the sheriff that release of inmates is likely to become necessary in the near future, the sheriff shall immediately notify all police agencies in the county to make maximum use of citations in lieu of custody pursuant to ORS 133.055 to 133.076 until further notice.

(4) If it becomes necessary to order the release of inmates under ORS 169.042 to 169.046, the sheriff may place inmates on forced release subject to a forced release agreement. A forced release agreement must be in writing and be signed by the sheriff and the inmate and must include:

- (a) The date of the next court appearance of the inmate;
- (b) A statement that the inmate is required to appear at the next court appearance; and
- (c) A statement that failure of the inmate to appear at the next court appearance is subject to prosecution under ORS 162.195 or 162.205. [1989 c.884 §§4,5,6; 1999 c.1051 §71; 2001 c.517 §2]

169.050 Contracts for boarding of prisoners. The county court or board of county commissioners of each county in this state, not having more than 300,000 inhabitants, shall advertise for bids for boarding of prisoners confined in the county local correctional facilities of the county, and may award the contract for boarding them to the lowest responsible bidder. If any responsible bidder, other than the sheriff, receives the contract from the county for the boarding of prisoners, such bidder shall receive compensation for boarding such prisoners rather than the sheriff, and the sheriff shall afford to such bidder all facilities for carrying out the county's contract for boarding prisoners. [Amended by 1973 c.740 §12]

Reimbursement shall be made on a per diem basis at a rate determined by the department to be its average daily incarceration cost per inmate. In lieu of reimbursement, the department and county may enter into an agreement providing for the comparable exchange of inmates as determined by the department. [1996 c.4 §1]

(a) The financial resources of the person and the burden that payment will impose on the person in providing basic economic necessities to the person or the person's dependent family; and

(b) Any other monetary obligations imposed upon the person by the court as a result of the conviction for which the person was committed to the local correctional facility.

(4) The court, and not a jury, shall determine the defendant's ability to pay under subsection (3) of this section.

(a) Of dismissal if the court finds that the person lacks the ability to pay;

(b) For less than the full amount determined if the court finds that the person has the ability to pay a portion of the amount; or

The keeper of the local correctional facility shall bill the other county or city for the actual cost of the medical care provided, and the other county or city shall pay the charges within 60 days after receiving the cost statement from the keeper. tence, for the purposes of ORS 169.120 and 169.170 to 169.210, are under the exclusive and absolute control of the county court or board of county commissioners of the county in which the crime was committed for which the convict was sentenced. The court or board has full power to place such convicts under the control of any road supervisor or other person appointed to take charge of them, and to cause them to work upon the public roads of the county, or such other work of a public nature as said court or board may direct. All such convicts shall be delivered to the supervisor or other person appointed to take charge of them, upon the written request of the court or board. The sheriff shall obtain a receipt from the person to whom such convicts are delivered for each of the convicts, and thereupon the sheriff's liability ceases. The county court may at any time return any convict, taken under the provisions of this section, to the sheriff, who shall thereupon take charge of the convict. The court or board is authorized and directed to provide rules and regulations in regard to the employment of said convicts not inconsistent with ORS 169.170 to 169.210. [Amended by 1959 c.530 §7; 1973 c.740 §17]

Such city convicts shall be delivered to the county court by any officer having custody thereof in the same manner as county prisoners, and may be returned to the officer from whom they are received in the same manner, and shall be subject to the same rules and regulations as provided in ORS 169.170 for county prisoners. [Amended by 1973 c.740 §18]

169.190 Transfer of prisoners to another county for public work. Any county court or board of county commissioners may transfer to the county court or board of county commissioners of any other county any of the convicts committed to its control, under ORS 169.170 or 169.180. The court or board to which such convicts are so transferred has the same power and authority respecting such convicts as if they had been sentenced to serve in that county. The transfer of convicts from one county to another shall be made upon such terms and conditions as may be agreed upon by the

county courts or boards concerned in the transfer.

169.200 [Repealed by 1973 c.740 §28]

(2) If any board or tribunal is created which has charge and management of the public roads of the county, such board or tribunal shall have the same power and authority as is conferred upon the county court or board of county commissioners by ORS 169.120 and 169.170 to 169.210. All persons confined in a county local correctional facility shall be given three meals per day. An accurate account of each meal furnished to others than inmates of local correctional facilities, together with the names of the recipients thereof, whether facility employees or otherwise, shall be kept and reported by the sheriff each month to the county court or board of county commissioners. The county court or board of county commissioners shall furnish the sheriff with adequate equipment and supplies for carrying out the provisions of this section. The sheriff has authority to employ such assistance therefor as may be necessary. All supplies and equipment needed to feed and maintain such persons as provided in this section shall be purchased by the county court or board of county commissioners upon requisitions duly verified and presented by the sheriff to the county court or board of county commissioners. All supplies so purchased shall be paid for by warrant drawn upon the general fund of the county, upon presentation of vouchers containing itemized statements of all supplies so furnished, duly verified by the sheriff and by the person selling the same, each of whom shall certify that the supplies were actually furnished and received in the quantities represented and were of good quality, and that the price charged therefor was reasonable and just. [Amended by 1957 c.698 §1; 1973 c.740 §20]

(b) When the arrest or imprisonment is upon an order of arrest in any other civil action, suit or proceeding, or upon a surrender in exoneration of the sheriff or security release, and the defendant is not found upon an execution against the person of the defendant issued to the proper county on a judgment in such action, suit, or proceeding.

(c) When the arrest is on an execution or commitment to enforce the payment of money, and the party interested is not recaptured or surrendered into custody at the expiration of the time limited for the service thereof, or legally discharged therefrom.

(d) When a person is imprisoned on an execution or commitment to enforce the payment of money, and the person escapes after the time limited for the service, and is not recaptured or surrendered before an action is commenced for the escape.

(2) The measure of damages in an action brought under subsection (1) of this section, is as follows:

(a) For the escape mentioned in subsection (1)(a) of this section, the actual damages sustained.

The prisoner shall receive all sums payable by the United States for the use of the facility, and remit such sums to the county treasurer not later than the first day of the month succeeding their receipt. A sheriff or jailer to whose custody such prisoner is committed is answerable for the safekeeping of the prisoner in the courts of the United States, according to the laws thereof. [Amended by 1973 c.740 §26]

169.540 Liability for expenses of keeping federal prisoners. The United States shall pay for the support and keeping of prisoners committed by virtue of legal process issued by or under its authority, the same charges and allowance provided for the support or keeping of prisoners committed under the laws of this state.

REGIONAL FACILITIES

169.610 Policy. It is the policy of the Legislative Assembly to encourage better rehabilitative care to misdemeanants by encouraging the establishment of regional correctional facilities that can effectively provide a program that not only includes better custodial facilities than can be provided by cities or counties individually, but also that can provide work release, educa-

tional and other types of leave, and parole supervision by the Department of Corrections. [1971 c.636 §1; 1987 c.320 §99]

169.620 “Regional correctional facility” defined. As used in ORS 169.610 to 169.677, “regional correctional facility” means a correctional facility operated pursuant to agreement as described in ORS 169.630 and used to house prisoners of the parties to the agreement, such prisoners having either pretrial or post-trial status. [1971 c.636 §2; 1985 c.708 §2]

169.630 Joint establishment or operation of facilities; agreement. (1) Two or more counties, two or more cities, any combination of them, or the State of Oregon in combination with one or more cities or counties or both, may by agreement entered into pursuant to ORS 190.003 to 190.620, construct, acquire or equip, or may by such agreement operate, a regional correctional facility.

(2) An agreement pursuant to this section shall set forth at least:

(a) The party or combination of parties to the agreement that shall be responsible for the operation and administration of the facility;

(b) The amount of funding to be contributed by each party toward the construction or acquisition and equipping of the facility, or toward the operation of the facility, or toward both, as the case may be; and

(c) The number of beds to be reserved to the use of each party to the agreement. [1971 c.636 §3; 1985 c.708 §3]

169.640 Status of facility for custody of misdemeanants and violators. (1) For purposes of sentencing and custody of a misdemeanant, a regional correctional facility shall be considered a county local correctional facility.

(2) For purposes of sentencing or custody of a person for violating a city ordinance, the regional correctional facility shall be considered a city local correctional facility. [1971 c.636 §4; 1973 c.740 §27]

169.650 Status of facility operated by Department of Corrections. A regional correctional facility operated under agreement by the Department of Corrections is not a state institution but it may be located in the same buildings as are used for a facility authorized by ORS 421.805. [1971 c.636 §7; 1987 c.320 §100]

169.660 Status of persons confined in facility operated by Department of Corrections; assignment to regional facility. (1) Persons confined in a regional correctional facility operated by the Department of Corrections shall be considered to be in the

custody of the department and shall be subject to such rules as the department may prescribe.

(2) Persons committed to the custody of the Department of Corrections may be assigned to Department of Corrections bed-space at a regional correctional facility when the department is a party to the operation of the facility. Prisoners so assigned are subject to such rules as the department may prescribe and shall be considered to remain in the custody of the department regardless of whether, pursuant to agreement, the regional correctional facility is or is not under the actual administration of the department. [1971 c.636 §5; 1985 c.708 §4; 1987 c.320 §101]

169.670 Transfer of persons to facility operated by Department of Corrections; costs; return; exception. Whenever the governing body of a county or city transfers a misdemeanant or violator or a person with pretrial or post-trial status to a regional correctional facility operated by the Department of Corrections, the county or city shall pay the cost of transportation to and from the facility and other expenses incidental thereto, including the expenses of law enforcement officers accompanying the misdemeanant, violator or person with pretrial or post-trial status. The Department of Corrections shall cause at the expense of the county or city, each misdemeanant, violator or person with pretrial or post-trial status transferred to its custody under ORS 169.660 to be returned upon request of the governing body of the county or city. However, such return is not required when the release is pursuant to work release or parole where other arrangements have been made for the placement of the misdemeanant, violator or person with pretrial or post-trial status. [1971 c.636 §6; 1987 c.320 §102]

169.673 Conversion of state correctional institutions into regional correctional facilities. (1) The Department of Corrections shall negotiate with Marion County and Umatilla County, respectively, the conversion of Oregon State Correctional Institution and Eastern Oregon Correctional Institution into regional correctional facilities to house both state and county prisoners. The department shall include in the negotiations any other nearby counties desiring to participate in the operation of the regional correctional facility.

(2) If agreement is reached with Marion County, in the case of the Oregon State Correctional Institution, and with Umatilla County, in the case of Eastern Oregon Correctional Institution, the department shall proceed to operate those institutions, or either of them as to which agreement is negotiated, as regional correctional facilities

according to the terms of the agreement. [1985 c.708 §6; 1987 c.320 §103]

169.677 Converted facilities to house felony or misdemeanor prisoners. If a Department of Corrections institution is made to operate as a regional correctional facility pursuant to agreement under ORS 169.673, the purposes of the institution shall include the imprisonment of either felony or misdemeanor prisoners, or both, of the parties to the agreement under which the facility is operated. [1985 c.708 §7; 1987 c.320 §104]

169.680 [1971 c.636 §8; repealed by 1985 c.708 §9]
