(g) The incumbent ceases to possess any other qualification required for election or appointment to such office.

(h) Appointment of the incumbent is subject to Senate confirmation under section 4, Article III of the Oregon Constitution, and the appointment is not confirmed.

(2) The provisions of subsection (1)(b) of this section do not apply when residence within the district, county or city for which the incumbent was elected or appointed is not required for such election or appointment. [Amended by 1969 c.669 §3; 1979 c.351 §3; 2007 c.70 §56]

236.020 Vacancy for breach of official bond. The Governor shall declare vacant the office of every officer required by law to execute an official bond whenever a judgment is obtained against such officer for a breach of the conditions of the bond.

236.030 Persons ineligible for office because of membership in certain organizations. (1) No person who is a member of, or affiliated with, any organization which teaches the doctrine of, or advocates, the overthrow of the Government of the United States by force or violence shall be a candidate for public office or eligible for appointment to a public office.

VACANCIES IN AND REMOVAL FROM COUNTY OFFICES

236.210 Filling vacancies in county offices; qualification. (1) When there is a vacancy in any elective county office other than the office of county judge or county commissioner, the county court or board of county commissioners shall appoint a person to perform the duties of the office until the vacancy is filled by election.

(2) Except as provided in subsection (3) of this section, when a vacancy occurs in the nonpartisan office of county judge who does not exercise judicial functions or county commissioner, the remaining members of the county court or board of county commissioners shall appoint a person to perform the duties of the office until the vacancy is filled by election.

(3) When a vacancy occurs in the office of county judge who exercises judicial functions, the Governor shall fill the vacancy by appointment as provided in section 16, Article V of the Oregon Constitution.

(4) Before a person appointed under subsection (1) or (2) of this section takes office, the person shall qualify in the same manner as required by law of the officer in whose place the person is appointed. [Amended by 1965 c.221 §24; 1983 c.327 §6; 1985 c.17 §1; 1987 c.549 §1; 2001 c.430 §3]

236.215 Filling vacancies in partisan elective office of county judge or commissioner. (1) When a vacancy occurs in the partisan elective office of county judge who does not exercise judicial functions or county commissioner, the remaining members of the county court or board of county commissioners of the county, pursuant to ORS 236.217,

shall appoint a person qualified to hold office who is an elector of the county to perform the duties of the office until the term of office expires or the vacancy is filled by election.

(2) When the provisions of ORS 236.217 apply, the appointment shall be made from a list of not fewer than three nor more than five nominees furnished by the county clerks. If fewer than three names of nominees are furnished or if no list is received by the appointing authority, the county court or board of county commissioners may consider additional qualified persons. The person so appointed must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred.

(3) The vacancy must be filled by appointment within 30 days after its occurrence. [1987 c.549 §3; 1989 c.171 §29; 2001 c.430 §4]

236.217 Nominations. When any vacancy under ORS 236.215 exists in any partisan elective office of county judge who does not exercise judicial functions or county commissioner occupied by a member of a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 236.215, the major political party pursuant to party rule shall nominate not fewer than three nor more than five qualified persons to fill the vacancy. The nominating procedure shall reflect the principle of one-person, one-vote to accord voting weight in proportion to the number of party members represented. At the request of a party making a nomination, the county clerk or chief elections officer of the county in which the vacancy exists shall assist the party in determining the number of electors registered as members of the party in the electoral district. As soon as the nominees have been appointed, but no later than 20 days after the vacancy occurs, the party shall notify the county clerk of the persons nominated. The county clerk shall notify the remaining members of the county court or board of county commissioners of the county in which the vacancy exists of the nominees. [1987 c.549 §4; 1993 c.797 §19; 2001 c.430 §5]

(2) During the period the chief deputy serves as provided in subsection (1) of this section, the chief deputy shall be deemed to continue to occupy the position of chief deputy for the purpose of determining the status and rights of the chief deputy under the civil service law and Public Employees Retirement System, and such service shall in no respect affect the status or rights of the chief deputy under those systems. [Amended by 1963 c.161 §1]

236.225 Filling vacancies in offices of county governing body. (1) If vacancies exist at the same time in all of the offices of members of a county governing body, two qualified persons shall be appointed by the Governor, and one by the appointees of the Governor, to perform the duties of the offices until the vacancies are filled as provided by law. If vacancies exist at the same time in all but one of such offices, the Governor shall appoint one qualified person who, with the incumbent serving in office, shall appoint another, each to perform the duties of the offices until the vacancies are filled. If county judge is one of the offices vacant, one of the appointments made by the Governor under this section shall be to the office of county judge.

(2) When a county charter establishes a county governing body with more than three members, if a number of vacancies exist at the same time in the offices of members of that governing body so that all the remaining members do not constitute a quorum for the conduct of county business, the Governor shall appoint to the vacant offices the minimum number of qualified persons sufficient, with the incumbent members of the county governing body, to form a quorum. Persons appointed by the Governor under this subsection, together with the incumbent members serving in office, shall appoint qualified persons to the remaining vacant offices. All persons appointed under this subsection shall perform the duties of the office of member of the county governing body until the vacancies are filled as provided by law.

(3) ORS 236.100 applies to appointments under this section. [1967 s.s. c.6 §1; 1983 c.327 §7]

236.230 [Repealed by 1983 c.327 §16]

RESIGNATIONS

236.310 Right of county commissioner to resign. Any person who receives a certificate of election as a commissioner of the county court is at liberty to resign the office, though the person may not have entered upon the execution of its duties or taken the requisite oath of office. [Amended by 1965 c.221 §25; 1981 c.517 §25]

236.320 Recipient of resignation. (1) Resignation shall be made as follows:

(2) Resignations described in this section must be made in writing. [Amended by 2007 c.155 §1]

(1) The holder of a public office may resign the office effective at a future date that is prior to the expiration of the term of the office.

(2) Any person who receives a certificate of election as a holder of a public office, even though the person may not have entered upon the execution of its duties or taken the requisite oath of office, may resign the office effective at a future date that is:

(a) Prior to the beginning of the term of the office; or

(b) After the beginning of the term of the office.

(3) Except where an election is required by law, if the holder of a public office or a person who receives a certificate of election as a holder of a public office resigns the office effective at a future date, the appointing authority required by law to fill a vacancy in the public office may begin the process to fill the vacancy and may select a successor prior to the effective date of any resignation under this section.

(4) The appointing authority may appoint a successor to fill a vacancy in the public office at any time after the effective date of a resignation described in this section. This subsection does not apply where a person who receives a certificate of election as a holder of a public office resigns prior to the

beginning of the term of office and an incumbent still holds the public office.

(5) A resignation is binding unless withdrawn in writing by the end of the third business day after the resignation is made.

(6) Where the effective date of a resignation is 21 or more calendar days before the deadline for filing a nominating petition, declaration of candidacy or certificate of nomination necessary to fill the office at the general election next following the effective date of the resignation, and the deadline for withdrawing the resignation has passed, the filing officer for the office shall accept filings of nominating petitions, declarations of candidacy and certificates of nomination and the vacancy shall be filled at the general election next following the effective date of the vacancy.

(7) This section does not apply to the office of Governor. [1991 c.719 §39; 1995 c.607 §68; 2005 c.797 §30]

Note: 236.325 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 236 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

(3) The safeguards provided in subsection (2) of this section do not apply to:

(a) The questioning of a public safety officer in the normal course of informal verbal admonishment by, or other routine or unplanned contact with, a supervisor or other public safety officer; or

(B) If the investigation involves a matter in civil litigation in which the officer is a named defendant or the officer's actions are alleged to be a basis for liability, time does not run for the period during which the civil action is pending.

(C) If the investigation is the result of a complaint by a person charged with a crime, time does not run for the period during which the criminal matter is pending.

(7) An investigation may be reopened if:

(a) Significant new evidence is discovered that is likely to affect the outcome of the investigation; and

(b)(A) The evidence resulted from the public safety officer's predisiplinary response; or

(B) The evidence could not have been discovered by the employer without resorting to extraordinary measures. [1979 c.618 §3; 2009 c.716 §2]

- (a) The state;
- (b) Cities;
- (c) Counties;
- (d) School districts;

236.610 Rights of employee when duties assumed by different public employer; employer duties. (1) No public employee shall be deprived of employment solely because the duties of employment have been assumed or acquired by another public employer, whether or not an agreement, annexation or consolidation with the present employer is involved. Notwithstanding any statute, charter, ordinance or resolution, but subject to ORS 236.605 to 236.640, the public employee shall be transferred to the employment of the public employer that assumed or acquired the duties of the public employee, without further civil service examination.

(2) The transferred public employee shall not have the employee's salary reduced as a result of a transfer under this section during the first 12 months of employment with the receiving employer. After the first 12 months of employment with the receiving employer, the transferred public employee shall be placed at the closest salary for the position as designated under the receiving employer's salary schedule. However, if the receiving employer is a nonprofit corporation, the transferring employer and the receiving employer shall retain the right to negotiate the source of funding for the transferred employee's salary.

(3) It is the responsibility of the transferring employer to liquidate accrued compensatory time at the time of transfer, consistent with any applicable statute or collective bargaining agreement.

(4)(a) At the time of transfer, the transferred public employee may elect to:

- (A) Retain any accrued sick leave;
- (B) Retain up to 80 hours of vacation leave; and
- (C) Retain additional vacation leave if agreed to by the transferring employer, the receiving employer and the transferred public employee.

(b) At the time of transfer, the transferring employer shall pay to the receiving employer a sum equal to the number of hours of accrued leave retained times the employee's hourly rate of pay.

(c) After the transfer, the receiving employer shall grant any leaves according to its rules or any bargaining agreement governing use of leaves.

(5) In the event that any transferred employee is subject to a waiting period for coverage of preexisting conditions under the health insurance plan of the receiving employer, the receiving employer shall arrange for a waiver of such waiting period with its health insurer. The transferring employer shall reimburse the receiving employer for the additional premium costs, if any, resulting from such waiver, for a period of not to exceed 12 months.

(6) In transferring a public employee under subsection (1) of this section, the employer shall furnish the employment records of that employee to the receiving employer at the time of transfer. The time of transfer shall be by written agreement between the public employers involved.

(7) If the public employer that is transferring a public employee participates in the Public Employees Retirement System, the transferring employer and the receiving employer must enter into a written agreement that addresses the manner in which any unfunded Public Employees Retirement System liability or surplus of the transferring public employer will be paid or credited, as required by ORS 238.231. [1963 c.204 §§1, 2; 1971 c.500 §1; 1991 c.918 §3; 1995 c.286 §21; 2003 c.802 §165; 2005 c.808 §24; 2015 c.314 §2]

236.620 Status of transferred employee. (1) A public employer who receives a transferred employee under ORS 236.610 (1), including an employee whose transfer is provided for by an agreement under ORS 190.010, shall place that employee on its employee roster, subject to the following:

(a) If the employee was serving a probationary period with the employer at the time of transfer, the past service of the employee on probation shall apply on the regular probation requirements of the receiving employer.

(b) Notwithstanding any other provision of law applicable to a retirement system for employees of the prior employer or of the receiving employer, but subject to subsection (2) of this section, the employee at the option of the employee may elect to continue for 12 months under any retirement system in which the employee was participating prior to transfer or, if the employee meets the qualifications therefor, the employee may

elect to participate in the retirement system available to employees of the receiving employer. The employee's election shall be in writing and made within 30 days after the date of transfer. If the employee elects to continue under the retirement system in which the employee was participating prior to transfer, the employee shall retain all rights and be entitled to all benefits under that system, the employee shall continue to make contributions to that system and the receiving employer shall make contributions on behalf of the employee to that system as required of employers participating in that system, as if the transfer had not occurred.

(c) The employee shall retain the seniority the employee accrued under prior employment, but no regular employee of the receiving employer shall be demoted or laid off by reason of that seniority at the time the transfer occurs. Thereafter, the employee's seniority from the transferring employer shall be regarded as seniority acquired under the receiving employer.

(d) The employee otherwise shall enjoy the same privileges, including benefits, hours and conditions of employment, and be subject to the same regulations as other employees of the receiving employer.

(2) The Public Employees Retirement Board may terminate membership in the Public Employees Retirement System for any transferred employee if the board determines that allowing membership for the employee would cause the system or the Public Employees Retirement Fund to lose qualification as a qualified governmental retirement plan and trust under the Internal Revenue Code and under regulations adopted pursuant to the Internal Revenue Code. [1963 c.204 §3; 1967 c.550 §10; 1991 c.918 §4; 1995 c.286 §22; 1999 c.317 §4]

ployee under ORS 236.610 (1) shall place that employee in a position comparable to the position the employee enjoyed under prior employment, subject to the following:

(1) The receiving employer, in determining a comparable position, shall consider the employee's educational and physical qualifications, experience, and the salary, duties and responsibilities of prior employment.

(2) If the receiving employer finds that no comparable position exists under subsection (1) of this section, the employee shall be offered a lesser position, if such position is available, according to the qualifications of the employee, by the receiving employer. The finding and action of such employer under this subsection, and subsection (3) of this section shall be subject to a hearing upon the employee's request and subject to review under ORS 34.010 to 34.100.

(3) If the receiving employer finds that no position exists, the employee shall be listed as a regular laid-off employee and shall have priority to appointment over other persons eligible for any position for which the employee is qualified, subject to any applicable collective bargaining agreement. [1963 c.204 §4; 1991 c.918 §5; 1995 c.286 §23]

236.640 Reemployment right of employee at end of cooperation agreement. At the end of a cooperation agreement the employee transferred shall be entitled to the position of the employee with the transferring employer prior to transfer, if the employee has remained an employee of the transferee employer in good standing to the termination of the agreement. [1963 c.204 §5]
