(a) The child should be permanently removed from the person's home, or continued in substitute care, because it was not safe for the child to be returned to the person's home, and no subsequent order of the court was entered that permitted the child to return to the person's home before the child's wardship was terminated under ORS 419B.328; or

(b) Terminated the person's parental rights under ORS 419B.500 and 419B.502 to 419B.524. [2011 c.194 §6]

have disabilities and be in need of special education, early childhood special education or early intervention. [1979 c.423 §4 (enacted in lieu of 343.077); 1991 c.749 §5; 1993 c.749 §5]

343.159 Requirements for written notice to parents of child with disability; contents of notice; language or mode of communication of parent. (1) A school district shall give written notice to the parents of a child with a disability a reasonable time before the school district:

(a) Proposes to initiate or change the identification, evaluation or educational placement of the child or the provision of a free appropriate public education to the child; or

(b) Refuses to initiate or change the identification, evaluation or educational placement of the child or the provision of a free appropriate public education to the child.

(2) The written notice must comply with the rules prescribed by the State Board of Education.

(b) Provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so.

(4) If the native language or other mode of communication of the parent is not a written language, the school district shall take steps to ensure:

(a) That the notice is translated orally or by other means to the parent in the parent's native language or other mode of communication;

(b) That the parent understands the content of the notice; and

(c) That there is written evidence that the requirements of this subsection have been met. [1999 c.989 §15]

(a) "Abbreviated school day" means any school day during which a student receives instruction or educational services for fewer hours than other students who are in the same grade within the same school.

(b) "Abbreviated school day program" means an education program:

(A) In which a school district restricts a student's access to hours of instruction or educational services; and

(B) That results in a student having an abbreviated school day for more than 10 school days per school year.

(c) "Parent" includes the student, if the student is 18 years of age or older or is emancipated pursuant to ORS 419B.550 to 419B.558.

(d) "Unilaterally place" means a placement by a school district without the consent of the student's parent.

(2) A school district may not unilaterally place a student on an abbreviated school day program, regardless of the age of the student.

(3) A school district may provide an abbreviated school day program to a student only if the student's individualized education program team:

(a) Determines that the student should be placed on an abbreviated school day program:

(A) Based on the student's needs; and

(B) After the opportunity for the student's parents to meaningfully participate in a meeting to discuss the placement; and

(b) Documents that the team considered at least one option that included appropriate supports for the student and that could enable the student to access the same number of hours of instruction or educational services that are provided to students who are in the same grade within the same school.

(4) If a student is placed on an abbreviated school day program, the school district shall, at least once each term:

(a) Provide the following information in writing to the parent of the student:

(A) The school district's duty to comply with the requirements of this section;

(B) The prohibition against a school district unilaterally placing a student on an abbreviated school day program; and

(C) The student's presumptive right to receive the same number of hours of instruction or educational services as other students who are in the same grade within the same school and the parent's right to request, at any time, a meeting of the individualized education program team to determine whether the student should no longer be placed on an abbreviated school day program.

(b) Obtain a signed acknowledgment from the parent of the student that the parent received the information described in paragraph (a) of this subsection.

(c) Include in the student's individualized education program a written statement that explains the reasons the student was placed on an abbreviated school day program.

(5) This section does not apply to:

(a) Any abbreviated school days that are a component of discipline imposed in compliance with ORS 339.250;

(b) A student who will be eligible to complete the requirements for a diploma or certificate under ORS 329.451 during the school year if the student, and the parent of the student, agree to the abbreviated school day program; or

(c) A student whose parent has notified an education service district that the student is being taught by a parent, legal guardian or private teacher under ORS 339.035. [2017 c.322 §2]

Note: 343.161 was added to and made a part of ORS chapter 343 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

343.163 [1979 c.423 §5 (enacted in lieu of 343.077); 1991 c.795 §4; repealed by 1993 c.749 §6 (343.164 enacted in lieu of 343.163)]

343.164 Parental consent requirements for evaluation, reevaluation or placement; revocation of consent. (1) A school district shall obtain informed written parental consent before the school district conducts an initial evaluation or a reevaluation and before the initial provision of special education and related services for a child with a disability.

(2)(a) At any time, the parent of a child may revoke, in writing, consent for:

(A) An initial evaluation;

(B) The initial provision and the continuing provision of special education and related services; and

(C) A reevaluation.

(b) If a parent revokes consent as provided in paragraph (a) of this subsection, the revocation is not retroactive and does not invalidate an action that was based on the consent and that occurred after the consent was given and before the consent was revoked.

(3) The school district shall follow procedures prescribed in rules of the State Board of Education when necessary consent is not obtained. [1993 c.749 §7 (enacted in lieu of 343.163); 1999 c.989 §13; 2009 c.255 §4]

343.165 Circumstances requiring hearing; deadline for requesting hearing; rules; expedited hearing; independent hearing officer. (1) A hearing shall be conducted pursuant to rules of the State Board of Education if:

(a) The parent requests a hearing to contest the determination of the school district concerning the identification, evaluation, individualized education program, educational placement or the provision of a free appropriate public education to the child; or

(b) The school district requests a hearing to obtain a decision regarding whether its identification, evaluation, individualized education program or educational placement of the child is appropriate or whether the district's proposed action is necessary to provide the child with a free appropriate public education.

(2) Notwithstanding subsection (1)(b) of this section, a school district may not request a hearing if a parent refuses or revokes consent for placement in a program providing special education and related services.

(3)(a) Except as provided in paragraph (b) of this subsection, a hearing described in subsection (1) of this section must be requested within two years after the date of the act or omission that gives rise to the right to request a hearing under subsection (1) of this section.

(b) The timeline described in paragraph (a) of this subsection does not apply to a parent if the parent was prevented from requesting the hearing due to:

(A) Specific misrepresentations by the school district that it had resolved the problem forming the basis of the complaint; or

(B) The school district withholding from the parent information that the district was required to provide under this chapter.

(4) The State Board of Education shall adopt rules that establish when a school district is obligated to initiate a contested case hearing to ensure that a student with a disability is provided with a free appropriate public education.

(5) The board's rules in subsection (1) of this section shall be as consistent as possible with the procedures applicable to a contested case under ORS chapter 183. However, the board's rules shall provide that:

(a) Any party to a hearing has the right to prohibit the introduction of any evidence that has not been disclosed to that party at least five business days before the hearing; and

(b) The hearing officer may prohibit the introduction of any evidence regarding evaluations and recommendations based on those evaluations that a party intends to use at the hearing, if the evidence has not been disclosed to the other party at least five business days before the hearing, unless the other party consents to the introduction of the evidence.

(6) Notwithstanding subsection (5) of this section, in an expedited hearing the evidence must be disclosed to the other party not later than two business days before the hearing.

(7) The parent shall be entitled to have the child who is the subject of the hearing

present at the hearing and to have the hearing open to the public.

(8) An expedited hearing shall be held if:

(a) In a dispute over a disciplinary action for a child with a disability, the child's parent disagrees with a determination that the child's behavior was not a manifestation of the child's disability or with any decision regarding the child's educational placement; or

(b) The school district believes that maintaining the current placement for the child is substantially likely to result in injury to the child or others.

(9) The hearing shall be conducted by an independent hearing officer appointed by the Superintendent of Public Instruction. The hearing officer:

(a) Shall not be:

(A) An employee of a school district involved in the education or care of the child;

(B) An employee of the Department of Education; or

(C) A person having any personal or professional interest that would conflict with the person's objectivity in the hearing.

(b) Shall possess:

(A) Knowledge of, and the ability to understand, the provisions of state and federal special education laws, regulations and legal interpretations by federal and state courts;

(B) The knowledge and ability to conduct hearings in accordance with appropriate standard legal practice; and

(C) The knowledge and ability to render and write decisions in accordance with standard legal practice. [1979 c.423 §6 (enacted in lieu of 343.077); 1989 c.252 §1; 1989 c.491 §35; 1991 c.795 §5; 1993 c.45 §206; 1993 c.749 §8; 1999 c.989 §16; 2001 c.483 §1; 2005 c.662 §5; 2007 c.70 §104; 2009 c.255 §5]

343.167 Result of hearing; effect of procedural violations; deadline for decision; cost of hearing; rules. (1) If the finding at the hearing held under ORS 343.165 is that the identification, evaluation and educational placement by the district are appropriate and that the child is being provided a free appropriate public education, the hearing officer shall decide in support of the determination of the district.

(2) If the finding at the hearing is that the identification, evaluation or educational placement is not appropriate or that the child is not being provided a free appropriate public education, the hearing officer shall grant appropriate relief within the hearing officer's scope of authority.

(3) In matters alleging a procedural violation, a hearing officer may find that a child did not receive a free appropriate public education only if the procedural inadequacies:

(a) Impeded the child's right to a free appropriate public education;

(b) Significantly impeded the parents' opportunity to participate in the decision-making process regarding the provision of a free appropriate public education to the child; or

(c) Caused a deprivation of educational benefits.

(4) Nothing in subsection (3) of this section shall be construed to preclude a hearing officer from ordering a school district to comply with procedural requirements.

(5) The decision shall be entered not later than 45 days after the request for hearing is filed unless an extension has been granted by the hearing officer at the request of the parent or the school district. Copies of the decision shall be sent to the parent and to the school district accompanied by a statement describing the method of appealing the decision.

(6) In expedited hearings conducted pursuant to ORS 343.165 (8), the State Board of Education shall adopt rules that require a hearing within 20 school days of the date the hearing is requested and a determination within 10 school days after the hearing.

(7) Pursuant to rules of the State Board of Education, the Superintendent of Public Instruction shall bill the school district for all reasonable costs connected with the appointment of an independent hearing officer and the conduct of a due process hearing. The district shall make payment to the Department of Education for the cost of the hearing within 30 days of receipt of the billing. [1979 c.423 §7 (enacted in lieu of 343.077); 1989 c.252 §2; 1991 c.795 §6; 1993 c.749 §9; 1999 c.989 §17; 2001 c.483 §2; 2005 c.662 §6]

343.170 [Repealed by 1965 c.100 §456]

343.173 Parental right to examine district records; independent evaluation; hearing; costs. (1) Notwithstanding the limitation on access to records under ORS 192.311 to 192.478, 326.565, 326.575 and 336.187, the parent is entitled at any reasonable time to examine all of the records of the school district pertaining to the identification, evaluation and educational placement of the child and the provision of a free appropriate public education to the child.

(2) Any parent is entitled to obtain an independent evaluation at the expense of the school district if the parent disagrees with an evaluation obtained by the district.

(3) If the school district disagrees with the parent's request for an independent educational evaluation, the district may initiate a hearing under ORS 343.165 to show that the district's evaluation is appropriate. If the final decision is that the district's evaluation

is appropriate, the parent has the right to an independent educational evaluation, but not at the district's expense.

(4) If the parent requests an independent educational evaluation of the child, the school district shall provide information about where an independent educational evaluation may be obtained.

(5) If a hearing officer appointed under ORS 343.165 requests an independent educational evaluation as part of a hearing, the school district shall pay the cost of the evaluation.

(6) For purposes of this section, "independent educational evaluation" means an evaluation conducted by a qualified examiner who is not employed by the school district responsible for the child in question. [1979 c.423 §8 (enacted in lieu of 343.077); 1989 c.252 §3; 1989 c.491 §36; 1993 c.45 §207; 1999 c.989 §18]

343.175 Civil action following hearing; deadline; attorney fees; limitations; reduction of fees. (1) A decision under ORS 343.165 is final unless the parent or the school district files a civil action under subsection (2) of this section.

(2) Either party aggrieved by the finding and decision of the hearing officer may commence a civil action in any court of competent jurisdiction.

(3) In any action brought under this section, the court shall receive the records from the administrative proceeding, shall hear additional evidence at the request of a party and, basing its decision on the preponderance of the evidence, shall grant such relief as the court determines is appropriate.

(4) Any civil action brought under this section shall be commenced within 90 days of the date of the hearing officer's final order.

(5) In any action or proceeding brought under ORS 343.165 or in an appeal from any action or proceeding brought under ORS 343.165, the court, in its discretion, may award reasonable attorney fees as part of costs to:

(a) The parents of a child with a disability, if the parents are the prevailing party;

(b) A prevailing party who is the Department of Education or school district against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable or without foundation; or

(c) A prevailing party who is the Department of Education or a school district

against the attorney of a parent, or against the parent, if the parent's complaint or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay or to needlessly increase the cost of litigation.

(6) Attorney fees awarded under this section shall be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating these fees.

(7) Attorney fees may not be awarded and related costs may not be reimbursed under this section for services performed after a written offer of settlement to a parent if:

(a) The offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure, or in case of an administrative hearing, more than 10 days before the hearing begins;

(b) The offer is not accepted within 10 days; and

(c) The relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

(8) Notwithstanding subsection (7) of this section, attorney fees and related costs may be awarded to a parent who is the prevailing party and who was substantially justified in rejecting the settlement offer.

(9) Attorney fees may not be awarded relating to any meeting of the individualized education program team unless the meeting is convened as a result of an administrative proceeding under ORS 343.165, or as a result of judicial action. A resolution session is not considered a meeting convened as a result of an administrative hearing or judicial action, or an administrative hearing or judicial action.

(10) Attorney fees may not be awarded for a mediation that is conducted before a request for a hearing under ORS 343.165.

(11) The court shall reduce the amount of attorney fees awarded under this section if:

(a) The parent unreasonably protracted the final resolution of the controversy;

(b) The amount of the attorney fees unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation and experience;

(c) The time spent and legal services furnished were excessive considering the nature of the action or proceeding; or

(d) In requesting a hearing under ORS 343.165 (1)(a), the attorney representing the parent did not provide written notice to the

Superintendent of Public Instruction that included:

- (A) The child's name, address and school;
- (B) A description of the problem and facts relating to the problem; and

(C) A proposed resolution of the problem.

(12) The court shall not reduce fees under subsection (11) of this section if:

(a) The school district unreasonably protracted the final resolution of the controversy; or

(b) The school district violated the procedural safeguards as set forth in ORS 343.146 to 343.183. [1979 c.423 §9 (enacted in lieu of 343.077); 1983 c.731 §9; 1989 c.252 §4; 1993 c.45 §208; 1993 c.749 §12; 1999 c.989 §19; 2001 c.104 §116; 2005 c.662 §7]

343.177 Educational placement during administrative or judicial proceedings; circumstances where placement may be changed. (1) During the pendency of any administrative or judicial proceedings concerning the identification, evaluation or educational placement of the child or the provision of a free appropriate public education to the child, the child shall remain in the then current educational program placement.

(2) Notwithstanding subsection (1) of this section, the placement of a child may be changed if:

(a) The parent consents to placement in a program provided or selected by the district at the district's expense until the parent provides a written revocation of consent or until the proceedings referred to in subsection (1) of this section are completed if applying for initial admission to a public school;

(b) The parent and the school district agree to temporary placement in some other program;

(c) The school district orders a change in placement to an appropriate interim alternative educational setting for up to 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability:

(A) Due to a weapon, illegal drug or controlled substance incident; or

(B) Because the child has inflicted serious bodily injury upon another person while at school, on school premises or at a school function under the jurisdiction of the Department of Education or school district;

(d) A hearing officer orders a change in placement to an appropriate interim alternative educational setting for up to 45 school days due to the substantial likelihood of injurious behavior, pursuant to rules of the State Board of Education; or

(e) School personnel order a change in placement to an interim alternative educational setting for more than 10 school days for a child with a disability who violates a code of student conduct and the behavior that gave rise to the violation is determined not to be a manifestation of the child's disability.

(3) If the placement of a child with a disability is changed under subsection (2)(e) of this section:

(a) The relevant disciplinary procedures applicable to children without disabilities may be applied to the child in the same manner and for the same duration as the disciplinary procedures would be applied to children without disabilities;

(b) The child continues to be entitled to a free appropriate public education under ORS 339.252, although the education may be provided in an interim alternative educational setting; and

(c) The child shall remain in the interim alternative educational setting pending the decision of a hearing officer or until the expiration of the school district's determination of duration of the change in placement under paragraph (a) of this subsection, whichever occurs first.

(4) For the purposes of subsection (2)(b) of this section, a decision of a hearing officer under ORS 343.165 that agrees with the child's parents that a change of placement is appropriate shall be treated as an agreement between the school district and the parents. [1979 c.423 §10 (enacted in lieu of 343.077); 1991 c.795 §7; 1993 c.749 §13; 1995 c.237 §1; 1999 c.989 §20; 2005 c.662 §8; 2009 c.255 §6]

343.180 [Repealed by 1965 c.100 §456]

343.181 Transfer of special education rights to child with disability upon age of majority; notice. When a child with a disability reaches the age of majority as described in ORS 109.510 or 109.520 or is emancipated pursuant to ORS 419B.550 to 419B.558:

(1) The rights accorded to the child's parents under this chapter transfer to the child;

(2) The school district shall provide any written notice required to both the child and the parents; and

(3) The school district shall notify the child and the parents of the transfer of rights. [1999 c.989 §9]

343.183 Effect of school district failure to comply; withholding funds; expense of independent evaluation. (1) In addition to and not in lieu of any other sanction that may be imposed against a noncomplying school district, the Superintendent of Public

Instruction may withhold all or any part of the funds otherwise due a district for special education until the district complies with the requirements of ORS 343.146 to 343.183.

(2) If the Superintendent of Public Instruction finds that the school district has refused to pay for the independent evaluation when the results thereof required the determination of the school district to be revised significantly, the superintendent may withhold from funds due the district for special education an amount not to exceed the expense incurred by the parent in obtaining the independent evaluation. The superintendent shall use the funds thus withheld for payment of the costs of the independent evaluation. [1979 c.423 §11 (enacted in lieu of 343.077); 1989 c.491 §37]

(1) Any public or private official having reasonable cause to believe that any child with whom the official comes in contact officially is a child with a disability who is eligible for but not enrolled in a special education program shall report to the Superintendent of Public Instruction the child's name and the facts leading the official to the belief.

(2) Nothing in ORS 40.225 to 40.295 shall affect the duty to report imposed by subsection (1) of this section except that a physician, licensed psychologist, member of the clergy or attorney shall not be required to report information communicated by an adult if such information is privileged under ORS 40.225 to 40.295.

(3) Upon receipt of a report under subsection (1) of this section, the Superintendent of Public Instruction shall verify whether the child is enrolled in a special education program and may cause an investigation, including an evaluation under ORS 343.146, to be made to determine whether the child is eligible for a program under ORS 343.221.

(b) A school district that is responsible for providing an education under this subsection may provide the education:

(A) Directly or through another school district or an education service district; and

(B) In the facilities of an eligible day treatment program or eligible residential treatment program, the facilities of a school district or the facilities of an education service district.

(c) When a student is no longer in an eligible day treatment program or eligible residential treatment program, the responsibilities imposed by this subsection terminate and become the responsibilities of the school district where the student is a resident, as determined under ORS 339.133 and 339.134.

(4) The school district where the student is a resident is responsible for providing transportation to a student enrolled in an eligible day treatment program. Transportation must be provided by the school district where the student is a resident each day the student is scheduled to receive services from the eligible day treatment program.

(5) A school district may request the Department of Education to directly make payments to another school district or an education service district for eligible day treatment programs or eligible residential treatment programs when education is provided by the other school district or the education service district. Payments made under this subsection do not affect any responsibilities described in subsection (3) of this section for the school district that made the request.

(6) The Oregon Health Authority, the Department of Human Services or the Oregon Youth Authority shall give the school district providing the education at an eligible day treatment program or an eligible residential treatment program 14 days’ notice, to the extent practicable, before a student is dismissed from the program.

(7) The Department of Education may make advances to school districts responsible for providing an education to students under this section from funds appropriated for that purpose based on the estimated agreed cost of educating the students per school year. Advances equal to 25 percent of the estimated cost may be made on September 1, December 1 and March 1 of the current year. The balance may be paid whenever the full determination of cost is made.

(8) School districts that provide the education described in this section on a year-round plan may apply for 25 percent of the funds appropriated for that purpose on July 1, October 1, January 1, and 15 percent on April 1. The balance may be paid whenever the full determination of cost is made.

(9) In addition to the payment methods described in this section, the Department of Education may negotiate intergovernmental agreements to pay for the cost of education in day treatment programs and residential treatment programs operated under the auspices of the governing board of a public university listed in ORS 352.002 or the Oregon Health and Science University Board of Directors.
