However, the housing authority shall not transact any business or exercise its powers until or unless the governing body of the city or the county, by proper resolution, declares that there is need for an authority to function in such city or county. The governing body of the city or the county shall also elect to have the powers of a housing authority exercised in any one of the two ways provided in ORS 456.095 (1). (2) A petition under this section must state that there is a need for a housing authority to function.

(3) Except as provided in subsections (4) and (5) of this section, the requirements for preparing, circulating and filing a petition under this section shall be as provided for an initiative petition:

(a) In the case of a county, in ORS 250.165 to 250.235.

(b) In the case of a city, in ORS 250.265 to 250.346.

(4) Notwithstanding ORS 250.325, a city governing body shall submit the question to the electors without first considering its adoption or rejection.

(5) If ORS 250.155 makes ORS 250.165 to 250.235 inapplicable to a county or if ORS 250.255 makes ORS 250.265 to 250.346 inapplicable to a city, the requirements for preparing, circulating and filing a petition under this section shall be as provided for an initiative petition under the county or city char-

ter or an ordinance adopted under the county or city charter.

(6) An election under this section shall be conducted under ORS chapters 246 to 260, and:

(a) In the case of a city, must be held on a date specified in ORS 221.230.

(b) In the case of a county, must be held on a date specified in ORS 203.085.

(7) If the electors voting at the election favor the functioning of the housing authority, the governing body shall declare that there is need for such housing authority to function.

(8) The question of need shall not again be submitted at any election within one year immediately following the election at which the question was voted upon. [Amended by 1983 c.350 §275]

456.085 Adopting resolution declaring need for authority. The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, if it finds that there exists a need for additional safe, decent and sanitary affordable housing for persons or families of lower income. The resolution is deemed sufficient if it declares that there is a need for an authority and finds that the condition described in ORS 456.085 exists in the city or county, in substantially the terms used in that subsection, no further detail being necessary.

(2) A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding. [Amended by 1995 c.445 §15]

456.095 Appointment and qualification of commissioners of housing authorities.

(1) When the governing body of a city or county adopts a resolution pursuant to ORS 456.085, the governing body may then elect to have the powers of a housing authority under this chapter, ORS chapter 455 and ORS 446.515 to 446.547 exercised in any of the following ways:

(a) Appointing by resolution, a commission composed of five, seven or nine persons.

(b) Declaring, by resolution, that the governing body, itself, shall exercise the powers of a housing authority under this

chapter, ORS chapter 455 and ORS 446.515 to 446.547. A governing body that exercises the powers of a housing authority may appoint at least one but not more than two additional commissioners for the housing authority. An appointed commissioner has the same authority as other housing authority commissioners, but may not exercise any powers of the governing body. At least one appointed commissioner must be a resident who receives direct assistance from the housing authority. The second appointed commissioner, if any, at a minimum must live within the jurisdiction of the authority. An appointed commissioner serves a term of office equal in length to the terms of office for governing body members, but not more than four years. An appointed commissioner may be removed only for cause as described in ORS 456.110 or if the commissioner ceases to meet the requirements for being an appointed commissioner. In the event that a housing authority commission consisting of the governing body of a city and one or more appointed commissioners has an even number of members, the mayor shall be included as a member of the commission for the housing authority. An act of a governing body exercising the powers of a housing authority is an act of the commission for the housing authority only and not of the governing body.

(2) When the governing bodies of two or more authorities join and cooperate with one another and create a regional authority to exercise all the powers conferred by the Housing Authorities Law, as authorized by ORS 456.140, the governing bodies of the cooperating cities and counties shall by resolution appoint a commission for the regional authority consisting of nine persons. The cooperating cities and counties shall each appoint an equal number of the nine commissioners. If nine divided by the number of joining or cooperating cities and counties produces a fraction, then the commissioners appointed by such cities and counties shall appoint one commissioner so that nine commissioners in all are appointed. The nine commissioners appointed by or on behalf of cities or counties may appoint at least one but not more than two additional commissioners for the housing authority. At least one additional commissioner must be a resident who receives direct assistance from the housing authority. The second additional commissioner, if any, at a minimum must live within the jurisdiction of the authority. The term of office for an additional commissioner is equal to the term of office for a commissioner appointed by or on behalf of cities or counties. An additional commissioner may be removed only for cause as described under ORS 456.110 or if the person

ceases to meet the requirements for being an additional commissioner.

(3) A commissioner of an authority may not be an officer or employee of any city or county for which the authority is created, unless the commissioner is a member of the governing body or one of the governing bodies.

(4) Persons appointed to the commission shall include a variety of occupations. At least one commissioner, but not more than two commissioners, appointed under subsection (1)(a) of this section must be a resident who receives direct assistance from the housing authority.

(5) A governing body shall adopt a resolution for the appointment or reappointment of a commissioner. A governing body resolution is conclusive evidence that the commissioner was properly appointed. [Amended by 1969 c.630 §3; 1971 c.592 §1; 1973 c.672 §6; 1975 c.335 §1; 2001 c.547 §3; 2007 c.606 §7]

(c) One commissioner shall be appointed for a term of three years.

(d) Two commissioners shall be appointed for terms of four years.

(2) The commissioners of a seven-member authority who are first appointed shall serve terms as follows:

(a) One commissioner shall be appointed for a term of one year.

(b) Two commissioners shall be appointed for terms of two years.

(c) Two commissioners shall be appointed for terms of three years.

(d) Two commissioners shall be appointed for terms of four years.

(3) The commissioners of a nine-member authority who are first appointed shall serve terms as follows:

(a) Two commissioners shall be appointed for terms of one year.

(b) Two commissioners shall be appointed for terms of two years.

(c) Two commissioners shall be appointed for terms of three years.

(d) Three commissioners shall be appointed for terms of four years.

(4) Thereafter, commissioners shall be appointed by resolution in the same manner as their original appointment for a term of

office of four years except that all vacancies shall be filled for the unexpired term. A commissioner shall hold office until a successor has been appointed and qualified.

(5) A commissioner shall receive no compensation for services, but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of the duties of the commissioner. [Amended by 1973 c.672 §7; 2001 c.547 §4]

456.105 Organization; officers; quorum; employees; legal services. (1) A majority of the commissioners of an authority shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes.

(2) Except as otherwise provided in the Housing Authorities Law, action may be taken by the authority upon a vote of a majority of the commissioners present, a quorum being present, unless the bylaws of the authority require a larger number.

(3) The authority shall select a chairperson and vice chairperson from among its commissioners.

(4) An authority may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it requires. It shall determine their qualifications, duties and compensation.

(5) For such legal services as it requires, an authority may, if it is not a regional authority, call upon the chief law officer of the city or the county or it may employ its own counsel and legal staff. [Amended by 1973 c.672 §8]

456.110 Removal of commissioner. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority appointed pursuant to ORS 456.095 (1) or (2) may be removed by the mayor or, in the case of an authority for a county, by the governing body of the county or, in the case of a regional authority, by the appointing authority for the commissioner. This section does not allow the removal of a member of a governing body exercising power as a housing authority. A commissioner shall not be removed until after the commissioner has been given a copy of the charges at least 10 days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk for each city and county in the authority. [Amended by 1969 c.630 §4; 1973 c.672 §9; 2001 c.547 §5]

456.115 Commissioners and employees may not have interest in project other than as tenant; disclosure of interest; duty to act as prudent person. (1) No commissioner or employee of an authority shall acquire any interest in any housing project or in any property included or planned to be included in any project, nor shall the commissioner or employee of an authority have an interest except as a tenant in any contract or proposed contract for materials or services to be furnished or used in connection with any housing project.

(2) For the purposes of subsection (1) of this section, the leasehold interest of a tenant appointed to the board or commission under ORS 456.095 shall not be considered an interest in a project, property or contract if the leasehold interest is granted on the same basis and is subject to the same terms and conditions as other leasehold interests of other tenants of the authority. A tenant-commissioner shall refrain from voting on any action that affects the individual interest of the tenant-commissioner as distinguished from the interests of tenants as a class.

(3) If any commissioner or employee of an authority owns or controls an interest in any property included or planned to be included in any housing project, the commissioner or employee immediately shall disclose the same in writing to the authority. Such disclosure shall be entered upon the minutes of the authority. Failure so to disclose such interest shall constitute misconduct in office.

(4) A commissioner shall discharge the commissioner's duties with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character. Except as provided in this subsection, the housing authority may charge fees for licensing, sharing or otherwise providing for the use of the intellectual property. The housing authority may not charge a fee under this subsection to a federal, state or local government body.

(3) A housing authority may take actions that the authority deems necessary and appropriate to carry out this section, including but not limited to applying for patents or

copyright registration to perfect or preserve the authority's rights in intellectual property. [2003 c.605 §2]

Note: 456.128 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 456 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

456.145 Eminent domain. (1) An authority may acquire, by the exercise of the power of eminent domain, any real property which it deems necessary for its purposes after adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the manner provided for in the laws of this state for the condemnation of lands or rights of way by public or quasi-public corporations for public use or for corporate purposes; or in the manner provided by law for the appropriation of real property, or rights therein or thereto, by

private corporations; or in the manner provided by any other applicable statutory provisions for the exercise of the power of eminent domain.

(2) Property already devoted to a public use may be acquired in like manner, but no real property belonging to the city, the county, the state or any political subdivision thereof may be acquired without its consent.

456.150 Housing projects subject to local laws; consideration of other programs. (1) All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated.

(2) In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions.

456.153 Involvement in mixed income housing project. A housing authority may finance, develop, own, manage or operate a mixed income housing project if:

(1) The housing authority determines that a substantial number of persons of eligible income in the area served by the authority cannot obtain housing for 30 percent or less of their income.

(2) Based on the determination under subsection (1) of this section, the housing authority adopts a resolution declaring the need for additional housing for persons or families of lower income that can be addressed by the authority financing, developing, owning, managing or operating a mixed income housing project. [1995 c.445 §9; 2007 c.606 §10]

456.155 Policy regarding profit from projects; reserves. (1) It hereby is declared to be the policy of this state that:

(a) Each housing authority shall manage and operate its housing projects in an efficient and cost-effective manner so as to enable it to set the rents for housing units at the lowest possible rates consistent with providing decent, safe and sanitary housing and fulfilling the unmet need of affordable housing for persons or families of lower income.

(b) No housing authority shall construct or operate any such housing for profit, or as a source of revenue to a city or a county.

(2) Notwithstanding any provisions of this section to the contrary, a housing authority may establish and maintain reasonable reserves for the purpose of providing additional housing projects that the author-

456.160 Limitations as to rentals. In the operation or management of housing projects, a housing authority shall at all times observe the following duties with respect to rentals and tenant selection:

(1) A housing authority may rent or lease the housing only to persons of eligible income, except:

(a) If the authority owns, operates or manages the housing and a substantial number of the housing units are required to be rented or leased to persons of eligible income; or

(b) If the authority acquires an existing housing unit that houses a tenant not of eligible income, the tenant may remain in the unit at the discretion of the authority, unless the tenant is determined ineligible for reasons other than income qualification.

(2) A housing authority may rent or lease the housing at rents no higher than will provide revenue sufficient to give financial stability to the housing authority. This limitation does not apply to housing units that are owned, operated or managed as described in subsection (1) of this section if the units are not occupied by families receiving assistance from an authority. [Amended by 1973 c.672 §11; 1977 c.667 §3; 1987 c.821 §3; 1995 c.445 §11; 2007 c.606 §11]

ORS 456.155 and 456.160 do not limit the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof or acquire title thereto through foreclosure proceedings, free from all the restrictions imposed by those sections.

456.170 [Amended by 1973 c.672 §12; repealed by 2007 c.606 §13]

456.171 Independent audit of authority. of paying or retiring bonds previously issued by it. [Amended by 1989 c.874 §5]

456.180 Liability on bonds; debt limitation. (1) Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof.

(2) The bonds and other obligations of an authority shall not be a debt of the city, the county, the state or any political subdivision thereof, and the bonds and obligations shall so state on their face. Neither the city, the county, nor the state or any political subdivision thereof shall be liable thereon. Nor, in any event, shall such bonds or obligations be payable out of any funds or properties other than those of the authority.

(3) The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

456.185 Issuance of bonds. Bonds of an authority must be authorized by its resolution adopted by a vote of a majority of the commissioners, must be issued as prescribed in ORS chapter 287A and are not subject to the requirements of ORS 287A.150. [Amended by 1969 c.694 §13; 1973 c.672 §13; 1977 c.188 §5; 1981 c.94 §42; 1989 c.874 §8; 2001 c.215 §11; 2007 c.783 §193]

In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide housing for persons or families of lower income is conclusively deemed to have been issued for a housing project of such character and said project is conclusively deemed to have been planned, located and constructed in accordance with the Housing Authorities Law. [Amended by 1973 c.672 §14; 1995 c.445 §12; 2007 c.783 §194]

Except with the consent of the obligees of the housing authority to dissolution, no authority having outstanding bonds or indebtedness shall be dissolved unless the assets of the authority are sufficient to pay such bonds and indebtedness. A copy of the order or resolution of dissolution shall be filed with the clerk of the city or the county, as the case may be.

(6) “Qualified purchaser” means a local government entitled to notice under ORS 456.260, the Housing and Community Services Department or a designee appointed by the department under ORS 456.262. [1999 c.275 §1; 2017 c.608 §1]

Note: 456.250 to 456.265 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 456 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

456.255 Legislative findings. (1) The Legislative Assembly finds and declares that:

(a) The maintenance of a pool of affordable housing for all citizens is a matter of statewide concern.

(b) The contracts for many participating properties in this state that are publicly supported housing are about to expire or otherwise terminate. State and local governments need an effective process for assessing these expiring and terminating contracts and determining whether to assume ownership of the participating properties. The assessment and determination process should ensure appropriate statewide uniformity while maintaining local flexibility. The process should also ensure the rights of property owners and tenants to fair treatment as the contracts expire.

(2) ORS 456.255 to 456.265 are intended to provide a framework for addressing the withdrawal of participating property from publicly supported housing. [1999 c.275 §2; 2017 c.608 §2]

Note: See note under 456.250.

456.260 Requirement of property withdrawal notice; violations; continuation of tenancies; rules; fee; penalty. (1) For the purpose of dealing with expiring and terminating contracts for participating properties, the owner of a participating property shall:

(a) Provide notice by registered or certified mail, return receipt requested, to each local government entitled to notice and the Housing and Community Services Department two years prior to the date when:

(A) The contract for the property to participate in publicly supported housing will expire or terminate; or

(B) The participating property will be withdrawn from publicly supported housing, whether by sale, transfer, nonrenewal of the contract or otherwise, such that the property will no longer be a participating property.

(b) Consent to reasonable inspection of the property and inspection of the owner reports on file with the Housing and Community Services Department or the United States Department of Housing and Urban Development, if applicable.

(c) Maintain the contract for property participation in publicly supported housing in good standing during the notice period referred to under this section.

(d) Refrain from taking any action, other than notifying the United States Department of Housing and Urban Development or other party to the contract of the owner's intention to not renew the contract or to withdraw the participating property from publicly supported housing, that would preclude a qualified purchaser from succeeding to the contract or negotiating with the owner for the purchase of the property.

(2) A local government is entitled to notice under this section if the participating property is located within the boundaries of the local government.

(3) If the property owner does not comply with the notice requirements under subsection (1) of this section, the property owner shall extend the affordability restriction on the participating property by the number of months that the property owner is in non-compliance with the notice requirements under subsection (1) of this section and immediately provide notice to the Housing and Community Services Department and each local government that is entitled to notice of the extension of the affordability restriction pursuant to this section together with the notice required under subsection (1) of this section.

(4) Subsection (1) of this section does not apply when:

(a) A local government or the state takes the participating property by eminent domain or a negotiated purchase in lieu of eminent domain;

(b) There is a forced sale of the participating property under a foreclosure; or

(c) The participating property is subject to a deed in lieu of foreclosure.

(5) A local government may:

(a) Establish and impose any fine, penalty, tax, fee, charge or assessment upon the owner of participating property for failure to comply with local regulations adopted to implement the provisions of subsection (1) of this section.

(b) Require an owner to refrain from disturbing tenancies, other than for cause as defined in the contract, for a period of not more than 180 days after expiration of the contract or withdrawal of the participating property from publicly supported housing if the local government pays, or arranges for payment, to the owner on the first day of each month, the monthly subsidy that the owner was receiving under the contract.

(c) Make application to the Housing and Community Services Department requesting that a local subsidy program be included in the definition of publicly supported housing, as long as the program otherwise complies with and is not excluded from the definition of publicly supported housing.

(6) Any notices provided under subsection (1)(a) of this section shall specify whether the owner:

(a) Intends to withdraw the participating property from publicly supported housing.

(b) Intends to convert the participating property to a nonparticipating use.

(c) Is involved in negotiations with the United States Department of Housing and Urban Development, the Housing and Community Services Department or any other individual or entity regarding an extension of an expiring contract.

(7) ORS 456.255 to 456.265 do not require the Housing and Community Services Department or a local government to purchase, condemn or otherwise acquire participating property.

(8) The Housing and Community Services Department shall adopt rules to implement the provisions of this section with respect to the duties, powers and functions of the department. [1999 c.275 §3; 2017 c.608 §3]

Note: See note under 456.250.

456.262 Required notice of opportunity to purchase participating property; exceptions; procedure; rules. (1) Except as provided in subsection (2) of this section, a property owner shall provide notice by registered or certified mail, return receipt requested, to the Housing and Community Services Department and each local government entitled to notice under ORS 456.260, of the opportunity to offer to purchase a participating property at least 13 months prior to the occurrence of any of the following actions if the action will result in withdrawal of the participating property from publicly supported housing:

(a) Refinancing of the primary mortgage;

(b) Recapitalizing for purposes of rehabilitation or repair;

(c) Entering into an agreement to sell the property to a new property owner; or

(d) Withdrawing the participating property from publicly supported housing.

(2) Subsection (1) of this section does not apply when:

(a) A local government or the state takes the participating property by eminent domain or a negotiated purchase in lieu of eminent domain;

(b) There is a forced sale of the participating property under a foreclosure; or

(c) The participating property is subject to a deed in lieu of foreclosure.

(3)(a) The property owner shall provide the notice required in subsection (1) of this section to afford the qualified purchasers the opportunity to purchase required by this section within the time frames indicated in subsection (5) of this section.

(b) A property owner is under no obligation to accept a qualified purchaser's offer made pursuant to subsection (5) of this section.

(4) The department may appoint a designee to act as purchaser of the participating property and shall give the property owner notice of the appointment of a designee. The department must consult with each local government where the property is located before appointing a designee under this subsection. The department must enter into a written agreement with the appointed designee providing that the designee and any of the designee's successors or assigns:

(a) Agree to preserve the affordability of the participating property; and

(b) Assume all rights and responsibilities attributable to the department as a prospective purchaser of the participating property.

(5) A qualified purchaser may, within 90 days from the date of a property owner's notice under subsection (1) of this section, submit an offer to the property owner to purchase the participating property. Failure by all qualified purchasers to submit a timely offer constitutes an irrevocable waiver of the each qualified purchaser's rights under this section, and, subject to ORS 456.263, the property owner may sell the participating property to a third party or withdraw the participating property from publicly supported housing.

(6) If, within 210 days from the date of a property owner's notice under subsection (1) of this section or within such other period of time to which the qualified purchasers and the property owner may agree, the property owner has not accepted any qualified purchaser's offer to purchase the participating property, each qualified purchaser's offer shall expire, each qualified purchaser's right to purchase the participating property under this section shall terminate and, subject to ORS 456.263, the property owner may sell the participating property to a third party or withdraw the participating property from publicly supported housing.

(7) At any time after the notice described in subsection (1) of this section has been provided, a qualified purchaser may request,

in writing, that the property owner make available, within 30 days of the request, documents that are relevant to the participating property at the property owner's principal place of business or at a commercial photocopying facility.

(8)(a) Notwithstanding the provisions of ORS 192.311 to 192.478 relating to public records, the documents provided by the property owner to a qualified purchaser under subsection (7) of this section are confidential and exempt from public inspection except with the written consent of the property owner or as ordered by a court.

(b) Notwithstanding paragraph (a) of this subsection, disclosure may be made to potential funding sources, regulatory agencies or agents or consultants of a qualified purchaser in connection with a transaction between the property owner and a qualified purchaser under this section, subject to appropriate confidentiality agreements.

(9) The department shall adopt rules to implement the provisions of this section. [2017 c.608 §6]

Note: See note under 456.250.

456.263 Acceptance of third party offer to purchase participating property; rules.

(1)(a) Within the first 180 days following the expiration of the offer to purchase period described in ORS 456.262 (6), a property owner may accept a third party's offer to purchase the participating property. This acceptance shall be made subject to the property owner providing each qualified purchaser the right of first refusal to purchase the property on the same terms and conditions as the third party's offer to purchase, subject to subsection (2) of this section, unless those terms and conditions are modified by mutual consent between the qualified purchaser and the property owner.

(b) The property owner shall provide notice, by registered or certified mail, return receipt requested, to each qualified purchaser of the terms and conditions of the third party's offer to purchase. A qualified purchaser shall have 30 days from the date the notice is mailed to exercise its right of first refusal by submitting a matching offer to purchase the property. The property owner shall accept the first matching offer the property owner receives from a qualified purchaser under this section.

(c) A qualified purchaser's offer is a matching offer if it is on the same terms and conditions as the third party's offer to purchase but for modifications to ensure compliance with subsection (2) of this section, unless those terms and conditions are modified by mutual consent among the qualified purchaser and the property owner.

(2) If a qualified purchaser exercises its right of first refusal, the qualified purchaser and property owner shall execute a purchase agreement on the same terms and conditions as the third party's offer, except that:

(a) The earnest money deposit may not exceed the lesser of two percent of the sales price or \$250,000;

(b) The earnest money deposit must be refundable for at least 90 days; and

(c) Closing shall be scheduled at least 240 days after execution of the purchase agreement.

(3) Subsection (1) of this section does not apply when:

(a) A local government or the state takes the participating property by eminent domain or a negotiated purchase in lieu of eminent domain;

(b) There is a forced sale of the participating property under a foreclosure;

(c) The participating property is subject to a deed in lieu of foreclosure or a negotiated purchase to avoid foreclosure;

(d) There are more than 30 years remaining before the first scheduled termination of an affordability restriction on the property;

(e) The property owner accepted a third party's offer to purchase the participating property before October 6, 2017, and has provided documentation of the purchase agreement to the Housing and Community Services Department;

(f) The third party offeror agrees to maintain the affordability restrictions on the participating property, as determined by the department by rule, to ensure that the participating property remains publicly supported housing; or

(g) Any additional situations as determined by the department by rule.

(a) Be recorded in the real property records of the county in which the property is located;

(b) Contain a legal description of the property;

(c) Identify the property owner as the grantor; and

(d) Be acknowledged by the property owner in the manner required for acknowledgment of a deed.

(5) The department shall adopt rules to implement the provisions of this section. [2017 c.608 §7]

Note: See note under 456.250.

456.264 Remedy for failure to give notice. (1) Any person who suffers any ascertainable loss of money or property, real or personal, as a result of the failure of an owner of a participating property to provide notices or otherwise comply with the provisions of ORS 456.260, 456.262 or 456.263 may bring an individual action in an appropriate court to recover actual damages. The court or the jury may award punitive damages, and the court may provide injunctive relief and any other equitable relief the court considers necessary and proper.

(2) The court may award reasonable attorney fees and costs at trial and on appeal to a prevailing plaintiff in an action under this section. [2017 c.608 §8]

Note: See note under 456.250.

456.265 Sanctions against withdrawing property owner prohibited. (1) Except as expressly authorized in ORS 456.260 or 456.262 and 456.263 or as may be provided by contract with the property owner, a local government may not:

(b) Except as an exercise of constitutional or statutory powers of condemnation:

(A) Prevent or restrict a property owner from selling or otherwise disposing of participating property.

(B) Require conveyance of participating property to the local government or to another party.

(C) Impose any fine, penalty, tax, fee, charge, assessment or other restriction or sanction against a property owner for refusing an offer by the Housing and Community Services Department, the department's designee, a local government or another party to purchase participating property.

(2) Subsection (1) of this section does not prohibit a local government that is certified by a federal agency to carry out an agency responsibility or to exercise agency authority from taking any action within the scope of that responsibility or authority. [1999 c.275 §4; 2017 c.608 §4]

AFFORDABLE HOUSING COVENANTS

456.270 Definitions for ORS 456.270 to 456.295. As used in ORS 456.270 to 456.295:

Note: 456.270 to 456.295 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 456 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

456.275 Legislative findings. The Legislative Assembly finds and declares that:

(1) There is a serious shortage of decent, safe and sanitary housing available or affordable to low and moderate income households in the State of Oregon.

(2) The inadequacy in the supply of decent, safe and sanitary affordable housing endangers the public health and jeopardizes the public safety and general welfare of the state.

(3) To obtain the benefits of covenants and restrictions that seek to preserve and maintain affordable housing, the Legislative Assembly authorizes the creation and enforcement of affordable housing covenants. [2007 c.691 §1]

Note: See note under 456.270.

456.280 Covenant creation, effect, conveyance, duration and termination. (1) A person may create an affordable housing covenant as a condition of giving or receiving a subsidy during ownership or upon conveying real property, in the form of a covenant, servitude, easement, condition or restriction in a deed, declaration, land sale contract, trust deed, mortgage, security agreement, assignment, will, trust, rental agreement, lease or other written instrument that is:

(a) Executed by the owner of the real property and the covenant holder; and

(b) Recorded in the deed and mortgage records of the county in which the real property is located.

(2) The affordable housing covenant creates a real property right in an eligible covenant holder to:

(a) Limit the use of real property to occupancy by low or moderate income households in rental or owner-occupied housing;

(b) Restrict the rental rate or sale price of real property to ensure affordability by future low and moderate income households;

(c) Limit, restrict or condition the use and enjoyment of real property to create or retain rental or owner-occupied affordable housing for occupancy by low or moderate income households; or

(d) Purchase real property at a trustee's sale under terms set forth in ORS 86.782.

(3) The affordable housing covenant may be conveyed, assigned, modified or terminated by a written instrument recorded in the deed and mortgage records of the county

in which the real property is located. The affordable housing covenant may be:

(a) Conveyed or assigned by a written instrument executed by the conveying or assigning covenant holder and the accepting covenant holder;

(b) Modified by a written instrument executed by the covenant holder and the owner of the real property; or

(c) Terminated by a written instrument executed by the covenant holder and a third party with the right to enforce the covenant.

(4) An affordable housing covenant is not invalid because a holder of the covenant is not an eligible covenant holder. A covenant holder who is not an eligible covenant holder may not modify, terminate or commence an action to enforce the covenant. However, the covenant holder may convey or assign the covenant to an eligible covenant holder who may modify or terminate the covenant or commence an action to enforce the covenant.

(5) An affordable housing covenant is unlimited in duration unless:

(a) The instrument creating the covenant provides otherwise;

(b) The duration of the covenant is modified before the stated term of the covenant expires; or

(c) The covenant is terminated.

(6) Upon termination of an affordable housing covenant for any reason before the stated term of the covenant expires, the covenant holder is entitled to receive the difference between the fair market value of the real property immediately before termination and the fair market value of the real property immediately after termination.

(7) An affordable housing covenant does not impair an interest in real property that exists at the time the affordable housing covenant is created unless the owner of the interest is a party to the affordable housing covenant, subordinates the interest to the affordable housing covenant or otherwise agrees to be bound by the affordable housing covenant.

(8) An instrument that creates an affordable housing covenant may grant the eligible covenant holder, or a designee of the eligible covenant holder, a right to enter the real property to ensure compliance with the covenant and, if the right is granted, the instrument shall designate the time and manner in which the eligible covenant holder or designee may enter the real property.

(9) An affordable housing covenant holder may assign a third-party right of enforcement, by a written instrument executed by the covenant holder and recorded in the

deed and mortgage records of the county in which the real property is located, to a person that qualifies as an eligible covenant holder but that is not the holder of that covenant.

(10) An affordable housing covenant is automatically terminated if:

(a) The only holder of the covenant is a corporation, as defined in ORS 65.001, that is dissolved without conveying or assigning the covenant; and

(b) No person is entitled to exercise a third-party right of enforcement pursuant to subsection (9) of this section. [2007 c.691 §3; 2011 c.712 §4]

Note: See note under 456.270.

456.285 Permissible provisions. An affordable housing covenant may:

(1) Include limitations, restrictions and affirmative obligations on the sale price or rental rate of real property or the use of real property or the income or assets of purchasers or tenants;

(2) Limit the amount of equity appreciation that a property owner may derive from ownership of the real property;

(3) Grant a right of first refusal or an option to purchase to the eligible covenant holder;

(4) Restrict the class of persons to whom real property may be sold, leased or rented according to, but not limited to, household income, assets, residency and prior homeownership;

(5) Limit the use of the real property to residential use as the primary residence of a low or moderate income household;

(6) Limit, condition or prohibit leasing or subletting;

(7) Impose obligations for maintenance and insurance of the real property;

(8) Limit, condition or prohibit the owner from allowing liens on the real property; and

(9) Make other limitations, conditions or prohibitions that affect the affordability of real property for low or moderate income households. [2007 c.691 §4]

Note: See note under 456.270.

456.290 Validity of covenant. (1) An affordable housing covenant is valid and enforceable even though the covenant is not of a character traditionally recognized at common law or is inconsistent with a common law doctrine of real property law that might invalidate, impair enforcement of or cause the termination of the covenant, including but not limited to common law doctrine that holds that:

(a) The covenant is not appurtenant to an interest in the real property.

(b) The covenant imposes a negative burden.

(c) The covenant imposes affirmative obligations upon the owner of an interest in the burdened real property or the eligible covenant holder.

(d) The covenant is held by an eligible covenant holder that does not have an interest in the real property that is benefited by enforcement of the covenant against the burdened property.

(e) The benefit of the covenant does not touch or concern real property in any other way.

(f) There is no privity of estate or privity of contract.

(g) The covenant can be or has been conveyed or assigned to a covenant holder.

(h) The covenant is an unreasonable restraint on alienability.

(i) The covenant is a clog on the equity of redemption.

(j) The covenant lacks adequate consideration.

(2) An affordable housing covenant is valid and enforceable even if the covenant violates the rule against perpetuities set forth in ORS 105.950 to 105.975.

(3) If a court denies equitable enforcement of an affordable housing covenant because of a change of circumstances that renders the covenant not in the public interest, the court may award damages as the only remedy in an action to enforce the affordable housing covenant.

(4) The court may not use a comparative economic test as a basis for a determination that an affordable housing covenant is not in the public interest. [2007 c.691 §6]

Note: See note under 456.270.

456.295 Action affecting covenant. An action affecting an affordable housing covenant may be commenced or intervened in by:

(1) The owner of an interest in the real property burdened by the covenant;

(2) An eligible covenant holder of the benefit of the covenant;

(3) A person that has a third-party right of enforcement; or

(4) A public body, as defined in ORS 174.109, in the jurisdiction of which the real property burdened by the covenant is located. [2007 c.691 §5]

Note: Section 9, chapter 691, Oregon Laws 2007, provides:

Sec. 9. (1) Sections 1 to 6 of this 2007 Act [456.270 to 456.295] apply to a covenant:

(a) Created under sections 1 to 6 of this 2007 Act on or after the effective date of this 2007 Act [January 1, 2008].

(b) Created before the effective date of this 2007 Act if the covenant would have been enforceable under sections 1 to 6 of this 2007 Act had it been created on or after the effective date of this 2007 Act.

(2) Sections 1 to 6 of this 2007 Act do not invalidate an otherwise enforceable affordable housing covenant, as defined in section 2 of this 2007 Act [456.270], created before, on or after the effective date of this 2007 Act. [2007 c.691 §9]

Note: See note under 456.270.

RURAL RENTAL HOUSING LOANS

456.500 Legislative findings; required notice of loan maturity; mailing; consequences of failure to provide notice. (1) The Legislative Assembly finds that:

(a) There is a significant number of rental properties in this state whose owners have obtained rural rental housing loans from Rural Development or the Farm Service Agency of the United States Department of Agriculture under 7 C.F.R. 3560. Many of these rental properties contain rental units in which very low, low and moderate income families, elderly persons and persons with disabilities live and receive federal rental assistance.

(b) Beginning in 2015, many of the mortgage loans made to the owners of these rental properties will mature and federal rental assistance to tenants residing on the premises of these rental properties will no longer be available.

(c) Currently, there is no legal mechanism in place requiring the owners of these rental properties to provide notice of loan maturity to tenants, the Housing and Community Services Department, housing authorities as defined in ORS 456.005 and local governments.

(d) Requiring notice at least one year before maturity of a loan described in paragraph (a) of this subsection would provide:

(A) Tenants with time to locate alternative housing and rental assistance; and

(B) The Housing and Community Services Department, housing authorities and

local governments with time to work with Rural Development or the Farm Service Agency of the United States Department of Agriculture to develop arrangements that will protect the housing status of existing tenants.

(2) The owner of any rental property that has received a rural rental housing loan from Rural Development or the Farm Service Agency of the United States Department of Agriculture under 7 C.F.R. 3560 shall provide written notice by first class mail with postage prepaid and by posting in a common area on the rental property notice of all of the following:

(a) The date upon which the loan matures;

(b) That federal rental assistance will no longer be available after the date of loan maturity with respect to the rental property that includes the premises on which the tenants reside; and

(c) That there may be other program use restrictions and rent controls that expire after the date of loan maturity.

(3) The notice required by subsection (2) of this section must be mailed to:

(a) Any tenant residing on the premises of the rental property that is the subject of the loan, mailed to the street address of the premises on which the tenant resides, on or after the date that is one year before the date of loan maturity;

(b) The Director of the Housing and Community Services Department;

(c) The local housing authority as defined in ORS 456.375 that is located in the county or area of operation in which the rental property is located; and

(d) The mayor, planning department or person or entity with a similar function in the local government in the area in which the rental property is located.

(4)(a) Failure to provide the notice required by this section entitles a tenant residing on the premises of the rental property on the date that is at least one year in advance of the date of loan maturity to continue residing on the premises of the rental property without any increase in the tenant's portion of the rent charged for up to one year after the date of loan maturity, or one year after termination of the tenant's federal rental assistance, program use restrictions or rent controls, whichever date is later.

(b) Providing notice less than one year before the date of loan maturity entitles a tenant residing on the premises of the rental property on the date that is at least one year before the date of loan maturity to continue residing on the premises of the rental prop-

erty without any increase in the tenant's portion of the rent charged for a period of time that equals the number of days that the notice was late.

(c) If the tenant begins residency at a time that is less than one year before the date of loan maturity, the tenant must receive the notice required by this section prior to entering into a rental agreement. Failure to provide the notice required by this paragraph entitles the tenant to continue residing on the premises of the rental property without any increase in the tenant's portion of the rent charged for up to one year after the date of loan maturity, or one year after termination of the tenant's federal rental assistance, program use restrictions or rent controls, whichever date is later.

(5) The provisions of subsection (4) of this section are not intended to contravene the owner's right to terminate a tenant's residency or evict a tenant for good cause.

(6) As used in this section, "local government" means cities and counties. [2015 c.182 §1]

Note: 456.500 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 456 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

AFFORDABLE HOUSING DEVELOPMENT

456.502 Affordable Housing Land Acquisition Revolving Loan Program; rules.

(1) The Affordable Housing Land Acquisition Revolving Loan Program is established within the Housing and Community Services Department. The purpose of the program is to provide financial assistance to eligible organizations to purchase land for affordable housing development. The department may contract with a qualifying nonprofit organization to serve in a fiduciary capacity as program administrator.

(2) The department or the program administrator, with the department's approval, may make loans to eligible organizations to purchase land on which to develop affordable housing and to build facilities intended to provide supportive services to affordable housing residents and low income households in the nearby community.

(3) Organizations that are eligible to participate in the program include local governments, local housing authorities, nonprofit community or neighborhood-based organizations, federally recognized Indian tribes in this state and regional or statewide nonprofit housing assistance organizations.

(4) Each eligible organization must include in the organization's loan application a proposed affordable housing development

plan that indicates the number of affordable housing units planned, a description of any other facilities that are being considered for the property and an estimated timeline for completion of the development. The department or the department's program administrator may require additional information from eligible organizations and may consider the efficient use of land, project readiness, organizational capacity and other factors as criteria in making loans.

(5) Forty percent of loans made by the program shall go to eligible organizations operating home ownership programs for low income households. If the entire 40 percent cannot be loaned to the types of eligible organizations described in this subsection, the remainder may be loaned to other eligible organizations under subsection (6) of this section.

(6) Sixty percent of loans shall be made to eligible organizations not described in subsection (5) of this section.

(7) Within five years of receiving a loan, a loan recipient must present the department or the program administrator with an updated development plan, including a proposed development design, committed and anticipated additional financial resources to be dedicated to the development and an estimated development schedule that indicates completion of the development within eight years of receipt of the loan. The updated development plan must be substantially consistent with the development plan submitted as part of the original loan application required in subsection (4) of this section.

(8) Within eight years of receiving a loan under this section, a loan recipient must complete development of affordable housing on the property for which the loan was made and place the affordable housing into service.

(9) A loan recipient must preserve the affordable housing developed on the property acquired under this section as affordable housing for a minimum of 30 years.

(10)(a) If a loan recipient does not place affordable housing into service on a property for which a loan was received under this section within the eight-year period specified in subsection (8) of this section, or if a loan recipient fails to use the property for the intended affordable housing purpose consistent with the loan recipient's original affordable housing development plan, the loan recipient must pay to the department an amount consisting of the principal of the original loan plus compounded interest calculated at the current market rate. The department shall develop guidelines for the time period in which this repayment must take place and include the time period in the original loan agreement entered into with the loan recipi-

ent. The department may grant a partial or total exemption from this repayment requirement if the department determines that a development is substantially complete or that the property has been substantially used as described in the original affordable housing development plan.

(b) As used in this subsection, "current market rate" means the current average market interest rate that is determined at the time any individual loan is closed upon using a widely recognized current market interest rate measurement to be selected for use by the department or by the program administrator, with the approval of the department. This interest rate must be noted in an attachment to the closing documents for each loan.

(11) The department, or the program administrator with the approval of the department, may adopt guidelines and requirements that are necessary to administer the program.

(12) Interest rates on loans granted under this section may not exceed one percent.

(13) The department, or the program administrator with the approval of the department, must develop performance measures for the program, including at a minimum measures related to:

(a) The ability of eligible organizations to access land for affordable housing development;

(b) The total number of dwelling units by housing type and the total number of low income households and persons served; and

(c) The financial efficiency of the program as demonstrated by certain factors, including the cost per unit developed for affordable housing units in different areas of this state and a measure of the effective use of funds to produce the greatest number of units for low income households.

(14) By December 1 of each year, beginning in 2018, the department and the program administrator, if any, shall report to the interim committees of the Legislative Assembly with subject matter jurisdiction for housing regarding the performance measures developed under subsection (13) of this section.

(15) For purposes of this section, "low income household" has the meaning given that term in ORS 456.270.

(16) The department shall adopt rules to implement and carry out the provisions of this section. [2017 c.666 §1]

Note: 456.502 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 456 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

Bonds may be secured additionally by a pledge of amounts in the capital reserve account if provided in the housing finance bond declaration authorizing their issuance. The State Treasurer shall not issue bonds secured by a pledge of amounts in the capital reserve account unless the amount then on deposit in the capital reserve account, together with the amount of the proceeds of the bonds to be deposited in the account, is equal to or greater than the required debt service reserve. Subject to existing agreements with bondholders, the required debt service for any issue reserve shall be, as determined in the housing finance bond declaration, either (i) the maximum or (ii) the average of the amounts payable as annual debt service on all outstanding bonds secured by a pledge of amounts in the capital reserve account in any one fiscal year during the remaining term of such bonds. The annual debt service is an amount equal to the aggregate of:

(a) All interest payable during the fiscal year on all bonds secured by a pledge of amounts in the capital reserve account outstanding on the date of computation; and

(b) The principal amount of such bonds maturing during the same fiscal year; and

However, the department may, at the time of issuance of additional bonds, deposit in the capital reserve account, from the proceeds of the additional bonds to be issued, or other sources, an amount, which, together with the amount then in such fund will be not less than the maximum required debt service reserve.

(3) No bonds shall be issued by the State Treasurer unless they are part of an issue described in a written instrument signed by the Director of the Housing and Community Services Department and filed in the office of the State Treasurer. Each instrument shall set forth or otherwise determine or provide for the date of the bonds, the amount, the maturity or maturities, the rate or rates of interest, the form of bonds, the place of payment, registration provisions, terms of redemption, and time, place and manner of sale of the issue. Each instrument, when the State Treasurer shall have certified approval thereon, shall be known as a "housing finance bond declaration." Each housing finance bond declaration shall be deemed to be and shall constitute conclusive proof of the authorization to issue the bonds therein described and may contain such further pledges and provisions concerning bonds. The State Treasurer and the director of the department shall have and exercise all powers necessary or incidental to carry out the purposes of this subsection. (A) The supply of funds available through private lending institutions for that purpose is inadequate; and

(B) The housing may be rehabilitated or improved to provide adequate, safe and sanitary residential housing.

(b) The department may cooperate with qualified housing sponsors in the development and implementation of such loan programs. Loans made by the department under this subsection shall be made for single-family homes.

(a) Eligibility for a loan shall be based on current department income limitations.

(b) A loan may be assumed only by another person of lower income.

(c) The single-family home for which a loan is made must be owner-occupied.

(h) The department shall work with qualified housing sponsors whenever it is appropriate to do so.

(5) All loans made and all rules adopted under this section shall be designed by the department, with the approval of the council, to expand the supply of funds available in this state for the financing of residential housing units, manufactured dwellings, manufactured dwelling parks, manufactured dwelling park nonprofit cooperatives and housing projects, for persons and families whose income does not exceed maximum household income limits established by the department under ORS 456.620 (4), to provide an adequate supply of safe and sanitary units of such housing, and to promote the effective participation of conventional lending institutions in the financing of such housing and restrict the financial return and benefit to such lenders to that which is necessary and reasonable to induce their participation under this section.

(6) In making loans under this section, the department, with the approval of the council, may prescribe such terms, conditions, maturity dates and interest rate provisions as it considers necessary. [1973 c.828 §20; 1979 c.60 §7; 1979 c.327 §14; 1981 c.691 §4; 1985 c.298 §1; 1989 c.307 §7; 1991 c.739 §8; 2007 c.607 §20; 2015 c.180 §14]

456.692 Loans financed through bonds secured by specific properties. (1) As used in this section, "eligible housing project" means a housing development determined by the Housing and Community Services Department to be suitable for financing under this section.

(2) In addition to any other powers granted by law, including without limitation the powers granted under ORS 456.548 to 456.725, the Housing and Community Services Department may do any of the following:

(a) Enter into agreements to finance the costs of an eligible housing project by lending the proceeds of bonds authorized under ORS 456.645 (1) to any qualified housing sponsor under such terms and with such security as the department may approve. However, notwithstanding ORS 456.645 (2), the proceeds of bonds described in this paragraph need not be placed in the Housing Finance Fund and bonds described in this paragraph need not be payable as to principal, redemption premium, if any, and interest from the revenues, assets or funds in the Housing Finance Fund. In addition, bonds described in this paragraph to finance eligible housing projects are not subject to ORS 456.655 and 456.661.

(b) Lease and sublease eligible housing projects to a qualified housing sponsor so that rents to be charged for the use of such projects are established, and revised from time to time as necessary, to produce income and revenue sufficient to provide for the prompt payment when due of principal and interest on all bonds described in paragraph (a) of this subsection. A lease shall provide that the lessee be required to pay all expenses of the operation and maintenance of the project including, but without limitation, adequate insurance on the project and insurance against all liability for injury to persons or property arising from the operation of the project. The lease shall also provide that the lessee pay all taxes and special assessments levied upon or with respect to the leased premises and payable during the term of the lease and that during the term of the lease the lessee shall pay ad valorem taxes in the same amount and to the same extent as though the lessee were the owner of all real and personal property comprising the project.

(c) Pledge and assign to the holders of bonds described in paragraph (a) of this subsection or a trustee therefor all or any part of the revenues of one or more eligible housing projects owned or to be acquired by the state, and define and segregate such revenues or provide for the payment thereof to a trustee.

(d) Mortgage or otherwise encumber eligible housing projects in favor of the holders of bonds described in paragraph (a) of this subsection or a trustee therefor.

(e) Make all contracts, execute and deliver all instruments and do all things necessary or convenient in the exercise of the powers granted by this section, or in the

performance of its covenants or duties, or in order to secure the payment of bonds described in paragraph (a) of this subsection. The authority granted under this paragraph includes a contract entered into prior to the construction, acquisition and installation of the eligible housing project authorizing the lessee, subject to such terms and conditions as the state finds necessary or desirable and proper, to provide for the construction, acquisition and installation of the buildings, improvements and equipment to be included in the project by any means available to the lessee and in the manner determined by the lessee.

(f) Enter into and perform such contracts and agreements with qualified housing sponsors as the respective boards of directors may consider proper and feasible for or concerning the planning, construction, installation, lease or other acquisition, and the financing of the facilities of an eligible housing project. The contracts and agreements may establish a body as may be considered proper for the supervision and general management of the facilities.

(g) Accept from an authorized agency of the federal government loans or grants for the planning, construction, acquisition, leasing or other provision of an eligible housing project and enter into agreements with that agency respecting the loans or grants.

(h) Execute and deliver letters of credit, municipal bond insurance or other credit enhancement agreements supporting and securing bonds described in paragraph (a) of this subsection. [2001 c.689 §2]

[1973 c.828 §21; 1995 c.79 §264]

456.697 Restrictions on use of financing provided by department; regulation of housing sponsor; security interests. (1) Not more than 50 percent of the total amount of any financing provided by the Housing and Community Services Department for a particular housing development may be used to finance commercial, recre-

ational, industrial, communal or educational facilities. Profits from incidental elements shall be applied to loans due under ORS 456.548 to 456.725.

(2) A limited dividend housing sponsor shall be restricted as to distribution of income and shall be regulated as to rents, charges, rate of return and methods of operation as the department determines necessary to carry out the purposes of ORS 456.548 to 456.725.

(3) Not more than 50 percent of the total amount of any financing provided by the department for a particular residential housing development may be used to finance non-housing facilities.

(4) An insured or guaranteed residential loan need not be secured by a first mortgage on real property but, unless the loan is to a manufactured dwelling park nonprofit cooperative, shall be secured by a security interest of first priority. If the insured or guaranteed loan is to a manufactured dwelling park nonprofit cooperative, the loan shall be secured by a security interest of first or second priority. [2007 c.607 §9]

456.700 Pledge and lien. For the servicing of any residential, manufactured dwelling, manufactured dwelling park or manufactured dwelling park nonprofit cooperative loan made or acquired by the Housing and Community Services Department under ORS 456.515 to 456.725 and ORS chapter 458 the department may:

(1) Provide for servicing of the loan by its own staff.

(2) Contract with the Director of Veterans' Affairs for the performance of servicing functions for the loan.

(3) For loans purchased by the department under ORS 456.635, contract with the lending institution selling such loans or any other lending institution for the servicing of such loans, subject to such terms and conditions as the department considers necessary to protect the interests of the department in such loans. c.828 §23; 1979 c.60 §8; 1979 c.327 §15; 1995 c.79 §266; 2007 c.607 §21]

456.710 Payment of advances; use thereof; limitations. (1) The Housing and Community Services Department may use moneys in the revolving account to make noninterest-bearing advances to qualified nonprofit housing sponsors or interest-bearing advances to other qualified housing sponsors for use in payment by such sponsors of the development costs of proposed housing units or projects. The department may not make any advance under this subsection unless the department may reasonably anticipate that a residential, manufactured dwelling, manufactured dwelling park or manufactured dwelling park nonprofit cooperative loan may be obtained by the qualified housing sponsor for the permanent financing of the proposed housing unit or project.

(2) The proceeds of any advance granted by the department under subsection (1) of this section may be used by the qualified housing sponsor only for the development costs of a proposed housing unit or project or housing development. Each advance so granted shall be repaid in full, by the qualified housing sponsor for which the advance was granted, to the department at the time of the receipt by the housing sponsor of the portion of the loan paid under the initial indorsement of the loan, unless the department extends the repayment period. The department may not extend the repayment period past the date the qualified housing sponsor receives the portion of the loan paid on final indorsement of the loan. [1973 c.828 §24; 1979 c.60 §9; 1981 c.691 §5; 2007 c.607 §22]

456.715 Insurance of loans. (1) The Housing and Community Services Department may insure residential, manufactured dwelling, manufactured dwelling park and manufactured dwelling park nonprofit cooperative loans or obtain reinsurance on such loans. All such loans shall be used only to provide residential housing for persons and families of lower income and the insured must agree to any restrictions placed upon such residential housing by the department. The department may establish dedicated accounts within the Housing Finance Fund to provide reserves against losses in connection with that insurance.

(2) All applications for residential loan insurance under subsection (1) of this section shall be made on such forms and accompanied by such application fee as the department may prescribe.

(3) The department shall notify the applicant of its determinations and the approval or denial of the application.

(4) Notwithstanding subsection (1) of this section, the department may insure loans for

manufactured dwelling units, manufactured dwelling parks and manufactured dwelling park nonprofit cooperatives if the department determines that the unit, park or cooperative has a significant percentage of residents who are persons of lower income. [1973 c.828 §§25,26; 1979 c.60 §10; 1979 c.327 §16; 2007 c.607 §23]

456.717 Interim construction financing for multifamily housing. (1) The Housing and Community Services Department may participate with a lending institution in providing interim construction financing for multifamily housing projects. Subject to the discretion of the department, such financing need not be insured or guaranteed.

(2) As used in this section, "multifamily housing" means, but is not limited to, projects which provide four or more living units, which projects may provide spaces for common use by the occupants in social and recreational activities. Projects under this section may include such other nonhousing facilities incidental or appurtenant to the project as the department determines improve the quality of the housing and the financial feasibility of the project, provided that not more than 50 percent of the total amount of financing provided by the department for a particular multifamily housing project shall be used for such nonhousing facilities. [1979 c.327 §27; 1981 c.504 §10; 1993 c.1 §1; 1997 c.302 §2]

456.720 Housing Finance Fund; Housing Development Account. (1) The Housing Finance Fund is established, separate and distinct from the General Fund. The fund shall consist of the proceeds from the sale of bonds issued under ORS 456.645 and related refunding bonds, fees and other moneys received by the Housing and Community Services Department under ORS 456.548 to 456.725, moneys appropriated by the state for use by the department in carrying out ORS 456.548 to 456.725 and moneys made available from any other source for use by the department under ORS 456.548 to 456.725.

Except as otherwise provided in this section for a capital reserve account, the department may establish one or more accounts within the fund for use in carrying out ORS 456.548 to 456.725.

(3) There may be established within the Housing Finance Fund capital reserve accounts. A capital reserve account shall consist of the aggregate of moneys retained by the department, pursuant to existing agreements with the bondholders, as the annual debt service reserve, as described in ORS 456.655 (1), for each bond issue sold by the

department under ORS 456.645. All moneys in the account for an issue which the department has determined a debt service reserve is required shall be used solely for the payment of the principal and interest on the bonds as they mature, the purchase of such bonds, the payment of interest on such bonds and the payment of any redemption premium required to be paid by the department when any such bonds are redeemed prior to maturity. Moneys in the account may not be withdrawn therefrom at any time in such amount as would reduce the amount of moneys in the account below the maximum amount of principal and interest maturing and becoming due in the succeeding fiscal year on all such bonds then outstanding, except for the purpose of paying principal of and interest and premium, if any, on the bonds of the department maturing and becoming due and for the payment of which other moneys in the Housing Finance Fund are not available.

(4) Except as otherwise provided in existing agreements with bondholders, any income or interest earned by or accruing to the capital reserve account because of the investment by the department of moneys within the account may be retained by the department in the fund to apply to any future deficiency that may occur or may be used by the department for the repayment of moneys in the revolving account that were expended by the department pursuant to ORS 456.574 (2)(b).

(5) In order to assure the continual operation and maintenance of the capital reserve account in the Housing Finance Fund and to carry out ORS 456.548 to 456.725, if the amount of money on deposit in the capital reserve account in any year is less than the debt service reserves described in ORS 456.655 (1), the Director of the Housing and Community Services Department shall certify to the Governor and the Legislative Assembly or, during the interim, to the Emergency Board the amount needed to restore the account to its required debt service reserves. The amount so certified by the director may be appropriated by the Legislative Assembly or, during the interim, allocated by the Emergency Board and paid to the department during the then current fiscal year for deposit in the capital reserve account.

(6) For the purposes of this section, the department shall annually value investments in the capital reserve account at the amortized cost of the investments.

(7) There is established within the Housing Finance Fund a Housing Development Account. Moneys in this account are hereby continuously appropriated to carry out the purposes of ORS 456.515 to 456.725 by con-

tract, grant, loan or as otherwise determined necessary by the department.

(8)(a) The Housing Development Account shall consist of moneys deposited or received by the department for the purposes of this account from whatever source. Of the moneys deposited into the account:

(A) The department shall not use moneys from its own resources for administrative expenses; and

(B) The department may use moneys from other sources for administrative expenses only to the extent provided by those sources.

(b) The department may return moneys received or deposited in the account to the original source of the moneys, as the director determines necessary.

(9) Except as otherwise stipulated by the source of funds, any income or interest earned by or accruing to the Housing Development Account because of the investment by the department of moneys in the account may be retained by the department for the uses of the account.

(10) The department may enter into agreements regarding use of moneys received for the Housing Development Account with the source of the moneys, and may comply with the provisions of such agreements. [1973 c.828 §27; 1975 c.97 §1; 1975 c.154 §6; 1987 c.567 §3; 1989 c.966 §51; 1995 c.79 §267; 2007 c.783 §203a]

456.722 Preferences in funding grants to low-income housing providers; rules.

(1)(a) The Housing and Community Services Department shall, when awarding public funds for low-income rental housing, give a substantial preference to low-income housing providers that do not require applicants for such housing to have net income greater than two times the rent.

(b) As used in this section, "public funds" includes all low-income rental housing grants, loans or tax credits administered or awarded by the department, whether state, federal or otherwise, but does not include funds derived from the sale of bonds by the department.

(c) Enforcement of the preference following an award of funds shall be by complaint to the department.

(2) The department shall adopt any rules necessary to implement this section. [1997 c.577 §41]

Note: 456.722 was added to and made a part of 456.515 to 456.725 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

(Bonding)

456.723 Legislative finding on bonding authority of department. The Legislative Assembly finds that:

(1) There exists a shortage of safe, affordable and readily available housing in this state, particularly for people of low income, fixed income or modest means.

(2) It is in the best interests of the people of this state to insure that there is an adequate supply of housing for people of all income levels, particularly low-income people, in order to reduce:

(a) The number of people who are homeless or who live in inadequate housing in this state; and

(b) Dependence on various state services that exist because of the needs created by homelessness and inadequate housing.

(3) The Housing and Community Services Department's authority to issue bonds is an effective tool that will increase funds available to provide safe, affordable housing and reduce homelessness in this state. [1989 c.719 §1]

DISCRIMINATION

456.725 Discrimination against purchaser with children prohibited; exceptions; rules. (1) Unless the qualified housing sponsor, as defined in ORS 456.548, has agreed not to discriminate against the initial dwelling unit purchaser or any tenant who is a parent or legal guardian with whom a child resides or is expected to reside, the housing sponsor shall not be entitled to any benefits for the construction, substantial rehabilitation or permanent financing of multiple unit residential housing or owner occupied dwelling units in condominiums or cooperatives from any of the following:

(a) Any state financed or sponsored housing program.

(b) Any tax exemption or limited assessment under ORS 307.600 to 307.637 or 308.450 to 308.481.

(2) Subsection (1) of this section does not apply where the dwelling units are occupied exclusively by households, the heads of which are 58 years or older.

(3) The Housing and Community Services Department shall adopt rules to establish and implement a grievance procedure for any unit purchaser or tenant who alleges violation of subsection (1) of this section whereby the grievance can be resolved by means of conciliation. Nothing in this section limits the right of the Housing and Community Services Department to enforce subsection (1) of this section by other appropriate remedies.

(4) The city shall terminate the exemption under ORS 307.600 to 307.637 upon a finding that the qualified housing sponsor

which has the exemption has violated subsection (1) of this section.

(5) The governing body shall terminate the limited assessment under ORS 308.450 to 308.481 upon a finding that the qualified housing sponsor which has the limited assessment has violated subsection (1) of this section.

(6) Nothing in this section prevents the qualified housing sponsor from limiting the number of occupants in a unit depending on the number of rooms in compliance with a schedule adopted by rule by the Housing and Community Services Department or by local ordinance adopted by the governing body.

(7) Nothing in this section requires or prohibits a qualified housing sponsor from providing facilities to accommodate the children of tenants. [1981 c.451 §1; 1987 c.414 §20]
