ACTIONS ON OFFICIAL BONDS

urity, may maintain an action thereon in the name of the person, against the officer and the sureties of the officer, to recover the amount to which the person may by reason thereof be entitled.

30.230 Leave to begin action. Before an action can be commenced by a plaintiff other than the state, or the public corporation named in the undertaking or security, leave shall be obtained of the court or judge thereof where the action is triable. If it does not appear from the complaint that leave has been granted, the defendant on motion shall be entitled to judgment of dismissal without prejudice; if it does, the defendant may controvert the allegation, and if the issue be found in favor of the defendant, judgment shall be given accordingly. [Amended by 1979 c.284 §63]

30.240 Subsequent delinquencies on same bond. A judgment in favor of a party for one delinquency shall not preclude the same or another party from maintaining another action on the same undertaking or security for another delinquency.

In an action upon an official undertaking or security, if judgments have already been recovered on the same undertaking or security against the surety therein, other than by confession, and if such recovery is established on the trial, judgment shall not be given against the surety for an amount exceeding the difference between the amount of the penalty and the amount that already has been recovered against the surety.

30.280 [1967 c.627 §6; repealed by 1975 c.609 §25]

30.282 Local public body insurance; self-insurance program; action against program. (1) The governing body of any local public body may procure insurance against:

(a) Tort liability of the public body and its officers, employees and agents acting within the scope of their employment or duties; or

(b) Property damage.

(2) In addition to, or in lieu of procuring insurance, the governing body may establish a self-insurance program against the tort liability of the public body and its officers, employees and agents or against property damage. If the public body has authority to levy taxes, it may include in its levy an amount sufficient to establish and maintain a self-insurance program on an actuarially sound basis.

(3) Notwithstanding any other provision of law, two or more local public bodies may jointly provide by intergovernmental agreement for anything that subsections (1) and (2) of this section authorize individually.

(4) As an alternative or in addition to establishment of a self-insurance program or purchase of insurance or both, the governing body of any local public body and the Oregon Department of Administrative Services may contract for payment by the public body to

the department of assessments determined by the department to be sufficient, on an actuarially sound basis, to cover the potential liability of the public body and its officers, employees or agents acting within the scope of their employment or duties under ORS 30.260 to 30.300, and costs of administration, or to cover any portion of potential liability, and for payment by the department of valid claims against the public body and its officers, employees and agents acting within the scope of their employment or duties. The department may provide the public body evidence of insurance by issuance of a certificate or policy.

(5) Assessments paid to the department under subsection (4) of this section shall be paid into the Insurance Fund created under ORS 278.425, and claims paid and administrative costs incurred under subsection (4) of this section shall be paid out of the Insurance Fund, and moneys in the Insurance Fund are continuously appropriated for those purposes. When notice of any claim is furnished as provided in the agreement, the claim shall be handled and paid, if appropriate, in the same manner as a claim against a state agency, officer, employee or agent, without regard to the amount the local public body has been assessed.

(6) A self-insurance program established by three or more public bodies under subsections (2) and (3) of this section is subject to the following requirements:

(a) The annual contributions to the program must amount in the aggregate to at least \$1 million.

(b) The program must provide documentation that defines program benefits and administration.

(c) Program contributions and reserves must be held in separate accounts and used for the exclusive benefit of the program, the contributing public bodies or any other program of self-insurance of which at least one of the contributing public bodies is a member.

(d) The program must maintain adequate reserves. Reserve adequacy shall be calculated annually with proper actuarial calculations including the following:

- (A) Known claims, paid and outstanding;
- (B) Estimate of incurred but not reported claims;
- (C) Claims handling expenses;
- (D) Unearned contributions; and
- (E) A claims trend factor.

(e) The program must maintain an unallocated reserve account equal to 25 percent of annual contributions, or \$250,000, whichever is greater. As used in this paragraph,

“unallocated reserves” means the amount of funds determined by a licensed independent actuary to be greater than what is required to fund outstanding claim liabilities, including an estimate of claims incurred but not reported.

(f) The program must make an annual independently audited financial statement available to the participants of the program.

(g) The program must maintain adequate excess or reinsurance against the risk of economic loss.

(h) The program, a third party administrator or an owner of a third party administrator may not collect commissions or fees from an insurer.

(7) A program operated under subsection (6) of this section that fails to meet any of the listed requirements for a period longer than 30 consecutive days shall be dissolved and any unallocated reserves returned in proportional amounts based on the contributions of the public body to the public bodies that established the program within 90 days of the failure.

(8) A local public body may bring an action against a program operated under subsection (6) of this section if the program fails to comply with the requirements listed in subsection (6) of this section. [1975 c.609 §19; 1977 c.428 §1; 1981 c.109 §4; 1985 c.731 §21; 2005 c.175 §2; 2009 c.67 §19; 2023 c.230 §1]

30.285 Public body shall indemnify public officers; procedure for requesting counsel; extent of duty of state; obligation for judgment and attorney fees. (1)

The governing body of any public body shall defend, save harmless and indemnify any of its officers, employees and agents, whether elective or appointive, against any tort claim or demand, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of duty.

(2) The provisions of subsection (1) of this section do not apply in case of malfeasance in office or willful or wanton neglect of duty.

(3) If any civil action, suit or proceeding is brought against any state officer, employee or agent which on its face falls within the provisions of subsection (1) of this section, or which the state officer, employee or agent asserts to be based in fact upon an alleged act or omission in the performance of duty, the state officer, employee or agent may, after consulting with the Oregon Department of Administrative Services file a written request for counsel with the Attorney General. The Attorney General shall thereupon appear and defend the officer, employee or agent unless after investigation the Attorney General finds that the claim or demand does not

arise out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of amounted to malfeasance in office or willful or wanton neglect of duty, in which case the Attorney General shall reject defense of the claim.

(4) Any officer, employee or agent of the state against whom a claim within the scope of this section is made shall cooperate fully with the Attorney General and the department in the defense of such claim. If the Attorney General after consulting with the department determines that such officer, employee or agent has not so cooperated or has otherwise acted to prejudice defense of the claim, the Attorney General may at any time reject the defense of the claim.

(5) If the Attorney General rejects defense of a claim under subsection (3) of this section or this subsection, no public funds shall be paid in settlement of said claim or in payment of any judgment against such officer, employee or agent. Such action by the Attorney General shall not prejudice the right of the officer, employee or agent to assert and establish an appropriate proceedings that the claim or demand in fact arose out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of did not amount to malfeasance in office or willful or wanton neglect of duty, in which case the officer, employee or agent shall be indemnified against liability and reasonable costs of defending the claim, cost of such indemnification to be a charge against the Insurance Fund established by ORS 278.425.

(6) Nothing in subsection (3), (4) or (5) of this section shall be deemed to increase the limits of liability of any public officer, agent or employee under ORS 30.260 to 30.300, or obviate the necessity of compliance with ORS 30.275 by any claimant, nor to affect the liability of the state itself or of any other public officer, agent or employee on any claim arising out of the same accident or occurrence.

(7) As used in this section, "state officer, employee or agent" includes district attorneys and deputy district attorneys, special prosecutors and law clerks of the office of district attorney who act in a prosecutorial capacity, but does not include any other employee of the office of district attorney or any employee of the justice or circuit courts whose salary is paid wholly or in part by the county. [1967 c.627 §7; 1975 c.609 §16; 1981 c.109 §5; 1981 c.913 §2; 1985 c.731 §22; 1987 c.763 §1; 2009 c.67 §11]

30.287 Counsel for public officer; when public funds not to be paid in settlement; effect on liability limit; defense by insurer. (1) If any civil action, suit or proceeding is brought against any officer,

employee or agent of a local public body which on its face falls within the provisions of ORS 30.285 (1), or which the officer, employee or agent asserts to be based in fact upon an alleged act or omission in the performance of duty, the officer, employee or agent may file a written request for counsel with the governing body of the public body. The governing body shall thereupon engage counsel to appear and defend the officer, employee or agent unless after investigation it is determined that the claim or demand does not arise out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of amounted to malfeasance in office or willful or wanton neglect of duty, in which case the governing body shall reject defense of the claim.

(2) Any officer, employee or agent of a local public body against whom a claim within the scope of this section is made shall cooperate fully with the governing body and counsel in the defense of such claim. If the counsel determines and certifies to the governing body that such officer, employee or agent has not so cooperated or has otherwise acted in prejudice of the defense of the claim, the governing body may at any time reject the defense of the claim.

(3) If the governing body rejects defense of a claim under subsection (1) of this section, no public funds shall be paid in settlement of the claim or in payment of any judgment against such officer, employee or agent. Such action by the governing body shall not prejudice the right of the officer, employee or agent to assert and establish in an appropriate proceedings that the claim or demand in fact arose out of an alleged act or omission occurring in the performance of duty, or that the act or omission complained of did not amount to malfeasance in office or willful or wanton neglect of duty, in which case the officer, employee or agent shall be indemnified by the public body against liability and reasonable costs of defending the claim.

(4) Nothing in subsection (1), (2) or (3) of this section shall be deemed to increase the limits of liability of any public officer, agent or employee under ORS 30.260 to 30.300, or relieve any claimant of the necessity of compliance with ORS 30.275, nor to affect the liability of the local public body itself or of any other public officer, agent or employee on any claim arising out of the same accident or occurrence.

(5) The provisions of this section may be superseded to the extent that the claim against the public officer, employee or agent may be defended by any insurer, or may be subject under ORS 30.282 to agreement with

the Oregon Department of Administrative Services, in which case the provisions of the policy of insurance or other agreement are applicable. [1975 c.609 §20; 1985 c.565 §3; 1989 c.1004 §1; 2009 c.67 §12]

30.290 Settlement of claims by local public body. The governing body of any local public body may, subject to the provisions of any contract of liability insurance existing, compromise, adjust and settle tort claims against the public body or its officers, employees or agents acting within the scope of their employment for damages under ORS 30.260 to 30.300 and may, subject to procedural requirements imposed by law or other charter, appropriate money for the payment of amounts agreed upon. [1967 c.627 §8; 1975 c.609 §17; 1989 c.655 §1]

30.295 Payment of judgment or settlement; remedies for nonpayment; tax levy for payment; installment payments. (1) When a judgment is entered against or a settlement is made by a public body for a claim within the scope of ORS 30.260 to 30.300, including claims against officers, employees or agents required to be indemnified under ORS 30.285, payment shall be made and the same remedies shall apply in case of nonpayment as in the case of other judgments or settlements against the public body except as otherwise provided in this section.

(2) If the public body is authorized to levy taxes that could be used to satisfy a judgment or settlement within the scope of ORS 30.260 to 30.300, and it has, by resolution, declared that the following conditions exist, interest shall accrue on the judgment or settlement, but the same shall not be due and payable until after the canvass and certification of an election upon a special tax levy for purposes of satisfying the judgment or settlement:

(a) The amount of the judgment or settlement would exceed amounts budgeted for contingencies, tort claims and projected surplus in the current budget;

(b) The amount of the judgment or settlement would exceed 10 percent of the total of the next fiscal year's projected revenues that are not restricted as to use, including the maximum amount of general property tax that could be levied without election but excluding any levy for debt service;

(c) Payment of the judgment or settlement within less than a certain number of years would seriously impair the ability of the public body to carry out its responsibilities as a unit of government; and

(d) The public body has passed an appropriate ordinance or resolution calling a special election to submit to its electors a

special levy in an amount sufficient to satisfy the judgment or settlement.

(3) A certified copy of the resolution provided for in subsection (2) of this section shall be filed with the clerk of the court in which an order permitting installment payments could be entered.

(4) If the public body is not authorized to levy taxes as provided in subsection (2) of this section, and it has, by resolution, declared that the applicable conditions specified in subsection (2)(a) to (c) of this section exist, it may petition for an order permitting installment payments as provided in subsection (6) of this section.

(5)(a) The provisions of subsections (2) and (4) of this section do not apply to the State of Oregon.

(b) Notwithstanding paragraph (a) of this subsection, if the conditions specified in subsection (4) of this section exist, the Secretary of State may, under Seal of the State of Oregon, attest thereto in lieu of a resolution, and the State of Oregon may thereafter petition for an order permitting installment payments as provided in subsection (6) of this section.

(6) If the procedure specified in subsections (2) to (5) of this section has been followed, and, with respect to public bodies subject to subsection (2) of this section, the tax levy failed, the public body may petition for an order permitting installment payments. The petition shall be filed in the court in which judgment was entered or, if no judgment has been entered, it shall be filed in the circuit court of the judicial district in which the public body has its legal situs. Petitions by the State of Oregon when no judgment has been entered shall be filed in Marion County Circuit Court.

(7) The court in which a petition is filed shall order that the judgment or settlement be paid in quarterly, semiannual or annual installments over a period of time not to exceed 10 years. The court shall determine the term of years based upon the ability of the public body to effectively carry out its governmental responsibilities, and shall not allow a longer term than appears reasonably necessary to meet that need. The order permitting installment payments shall provide for annual interest at the judgment rate. [1967 c.627 §9; 1977 c.823 §4; 2005 c.22 §20]

30.420 Venue of action for forfeiture. Whenever, by law, any property is forfeited to the state, or to any officer for its use, the action for the recovery of such property may be commenced in any county where the defendant may be found, or where such property may be.

30.430 Amount of penalty. When an action is commenced for a penalty, which by law is not to exceed a certain amount, the action may be commenced for that amount, and if judgment is given for the plaintiff, it may be for such amount or less, in the discretion of the court, in proportion to the offense.

VOLUNTEERS TRANSPORTING OLDER PERSONS AND PERSONS WITH DISABILITIES

30.475 Legislative policy. In enacting ORS 30.480 and 30.485, the Legislative Assembly of the State of Oregon declares:

(1) That many persons with disabilities and older persons, due to disability or age, cannot obtain medical, educational, recreational or other important services or benefits, or pursue daily life activities outside the home, such as shopping or socializing, without transportation and other necessary assistance;

(2) That public resources are not adequate to provide dependable transportation to persons with disabilities and older persons, and that it is in the best interest of this state to encourage volunteers to provide transportation services to Oregon’s people with disabilities and older people;

(3) That the threat or fear of personal liability arising from the provision of transportation services to persons with disabilities and older persons seriously discourages individuals from providing services on a volunteer basis;

(4) That the policy of this state is to encourage volunteers to provide such transportation services; and

(5) That, therefore, persons who qualify under ORS 30.480 must be protected from the threat of unlimited personal liability arising from the provision of volunteer transportation services, and that ORS 30.475 to 30.485 shall be liberally construed in favor of such

persons in order to promote fully the foregoing policies. [1983 c.468 §1; 1989 c.224 §5; 2007 c.70 §9]

30.480 Limitation on liability of volunteers; conditions. (1) When a provider of volunteer transportation services who is qualified under subsection (3) of this section provides the services under the conditions described in subsection (4) of this section to a person with a disability or a person who is 55 years of age or older, the liability of the provider to the person for injury, death or loss arising out of the volunteer transportation services shall be limited as provided in this section. When volunteer transportation services are provided to five or fewer persons at one time, the liability of the provider of the volunteer transportation services shall not exceed the greater of the amount of coverage under the terms of the provider's motor vehicle liability insurance policy, as described in ORS 806.080, or the amounts specified in ORS 806.070 for future responsibility payments for:

(a) Bodily injury to or death of any one person to whom the transportation services are provided, in any one accident.

(b) Bodily injury to or death of two or more persons to whom the transportation services are provided, in any one accident.

(c) Injury to or destruction of the property of one or more persons to whom the transportation services are provided, in any one accident.

(2) Notwithstanding the amount specified in subsection (1)(b) of this section by reference to ORS 806.070, if a qualified provider of transportation services provides the services to more than five persons, but not more than 16, at one time who have disabilities or who are 55 years of age or older, under the conditions described in subsection (4) of this section, the liability under subsection (1)(b) of this section shall not exceed the greater of the amount of coverage under the terms of the provider's motor vehicle liability insurance policy or \$300,000. The limitations on liability provided by ORS 30.475, 30.480 and 30.485 do not apply when volunteer transportation services are provided to 17 or more persons at one time who have disabilities or who are 55 years of age or older.

(3) The following persons qualify for the limitation on liability under subsections (1) and (2) of this section:

(a) The person who provides or sponsors transportation services.

(b) The owner of the vehicle in which transportation services are provided.

(c) The person who operates the vehicle in which transportation services are provided.

(4) The limitation on liability under subsections (1) and (2) of this section applies to a person qualified under subsection (3) of this section only under the following conditions:

(a) If the person is an individual, the individual must hold a valid Oregon driver's license.

(b) The person must provide the transportation services on a nonprofit and voluntary basis. However, this paragraph does not prohibit a sponsor of transportation services from reimbursing an operator of a private motor vehicle providing the services for actual expenses incurred by the operator. If an operator is paid, that operator is qualified only if operating as an emergency operator.

(c) The person providing the transportation services must not receive from the persons using the services any substantial benefit in a material or business sense that is a substantial motivating factor for the transportation. A contribution or donation to the provider of the transportation services other than the operator of the motor vehicle or any mere gratuity or social amenity shall not be a substantial benefit under this paragraph.

(d) Except as provided in paragraph (c) of this subsection, the transportation services must be provided without charge to the person using the services.

(5) The amounts received by a person with a disability or a person 55 years of age or older under the personal injury protection provisions of the insurance coverage of a person who qualifies for the limitation on liability under this section shall not reduce the amount that the person may recover under subsection (1) or (2) of this section.

(6) The liability of two or more persons whose liability is limited under this section, on claims arising out of a single accident, shall not exceed in the aggregate the amounts limited by subsection (1) or (2) of this section.

(7) This section does not apply in the case of an accident or injury if the accident or injury was intentional on the part of any person who provided the transportation services or if the accident or injury was caused by the person's gross negligence or intoxication. For purposes of this subsection, gross negligence is negligence which is materially greater than the mere absence of reasonable care under the circumstances, and which is characterized by conscious indifference to or reckless disregard of the rights of others.

(8) For purposes of this section, a person has a disability if the person has a physical or mental disability that for the person con-

stitutes or results in a functional limitation to one or more of the following activities: Self-care, ambulation, communication, transportation, education, socialization or employment. [1983 c.468 §2; 1985 c.16 §443; 1987 c.915 §7; 1989 c.224 §6; 2007 c.70 §10]

30.485 Apportionment of damages; insurance issues excluded from jury consideration. (1) If the amount awarded by a court to multiple claimants exceeds the total amount limited under ORS 30.480 (1) or (2), the court shall apportion a proper share of that total amount to each claimant to whom ORS 30.480 (1) or (2) applies.

(2) If the amount settled upon by multiple claimants exceeds the total amount limited under ORS 30.480 (1) or (2), any party may apply to any circuit court to apportion a proper share of that total amount to each claimant to whom ORS 30.480 (1) or (2) applies.

(3) The share apportioned under subsection (1) or (2) of this section to each claimant to whom ORS 30.480 (1) or (2) applies shall be in the proportion that the ratio of the award or settlement made to the claimant bears to the aggregate awards and settlements for all claims arising out of the occurrence that are made by all claimants to whom ORS 30.480 (1) or (2) applies.

(4) Nothing in this section or ORS 30.480 authorizes the issues of insurance coverage or the amount of insurance coverage to be presented to a jury. [1983 c.468 §3]

(2) Any adult in custody seeking waiver or deferral of fees or court costs must submit with the application for waiver or deferral a true and correct copy of the trust account statement of the adult in custody for the six-month period immediately preceding the filing of the complaint, petition, notice of appeal or petition for review. as funds become available in the trust account.

(5) On its own motion or on the motion of the public body, the court may review the pleadings of the adult in custody in an action against a public body at the time a request for waiver or deferral of filing fees or court costs is made. If the court finds that the pleadings fail to state a claim for which relief may be granted, the court may decline to waive or defer filing fees or court costs. The court shall enter a denial of waiver or deferral of fees and costs under this subsection as a limited judgment. Notwithstanding the time established by statute for the commencement of an action, if a limited judgment is entered under this subsection within 30 days of the expiration of the time allowed for commencing the action, the adult in custody may commence the action not later than 45 days after the judgment is entered. Only one extension of the time allowed for commencing an action may be granted by the court under this section.

(6) Nothing in this section shall be construed as preventing an adult in custody from bringing an action against a public body because the adult in custody has no assets or means by which to pay the initial partial filing fee as provided under this section. [1999 c.657 §2; 2005 c.530 §1; 2007 c.493 §11; 2019 c.213 §5; 2022 c.68 §3]

30.645 Waiver or deferral of fees after three dismissals of action. (1) Except as provided in subsection (2) of this section, the court may not waive or defer the fees or court costs under ORS 30.643 for an adult in custody if the adult in custody has, on three or more prior occasions while incarcerated or detained in any correctional facility, filed an action against a public body in a court of this state that was dismissed on the grounds that the action:

- (a) Was frivolous or malicious;
- (b) Failed to state a claim upon which relief could be granted; or
- (c) Sought monetary relief from a defendant who is immune from a claim for monetary relief.

(2) The court may waive or defer fees or court costs of an adult in custody who would not otherwise be eligible for waiver or deferral under subsection (1) of this section if the adult in custody establishes in the application for waiver or deferral that the adult in custody is in imminent danger of serious physical injury and the action against a public body is needed to seek relief from that danger. [1999 c.657 §3; 2007 c.493 §12; 2019 c.213 §6]

30.646 Payment of costs under judgment against adult in custody. (1) If an adult in custody files an action against a

public body and a judgment is entered that requires the adult in custody to pay costs to the public body, the adult in custody must pay the full amount of the costs ordered.

(2) Payment for costs under this section shall be made by deductions from the income credited to the trust account of the adult in custody. [1999 c.657 §4; 2019 c.213 §7]

30.647 Dismissal of action during proceedings. (1) If fees or court costs of an adult in custody have been waived or deferred under ORS 30.643, a court shall dismiss the case if at any time the court determines that the adult in custody was in fact able to pay fees and court costs at the time the application for waiver or deferral was made under ORS 21.680 to 21.698.

(2) If the fees or court costs have been waived or deferred under ORS 30.643 for an adult in custody, a court shall dismiss the case if at any time the court determines that each claim in the action, petition or appeal:

(a) Is frivolous or malicious;

(b) Fails to state a claim upon which relief may be granted, and the court denies leave to amend; or

(c) Seeks monetary relief against a defendant who is immune from a claim for monetary relief.

(3) Upon appeal of any dismissal under this section, the Court of Appeals on its own motion, or on the motion of the respondent, may summarily affirm the judgment of the trial court, with or without submission of briefs and without oral argument, if the Court of Appeals determines that the appeal does not present a substantial question of law. Notwithstanding ORS 2.570, the Chief Judge of the Court of Appeals may deny a respondent's motion for summary affirmance under this subsection or may grant the motion if the petitioner does not oppose the motion. A dismissal of an appeal under this subsection constitutes a decision on the merits of the case. [1999 c.657 §5; 2007 c.493 §13; 2019 c.213 §8]

30.648 Small claims actions. (1)(a) An adult in custody who brings an action against a public body in a small claims department must serve the notice and claim and all subsequent filings on the public body. If the public body is the Department of Corrections or another state agency, the adult in custody must also serve the notice and claim and all subsequent filings on the Attorney General.

(b) Notice and claim served under paragraph (a) of this subsection must be served in the manner provided in ORS 46.445 except

that the statement required under ORS 46.445 (4) must read "30 DAYS" instead of "14 DAYS."

(2) The public body or Attorney General served under subsection (1) of this section must take action as required under ORS 46.455 except that the public body or Attorney General must admit or deny the claim within 30 days after the date of service.

(3) Notwithstanding ORS 46.405, in an action against a public body brought under this section, the court shall transfer the action to the regular department of the circuit court upon request of the public body or, if the public body is the Department of Corrections or another state agency, or an officer, employee or agent of the Department of Corrections or the state agency, upon request of the public body or the Attorney General.

(4) Notwithstanding ORS 46.415, in an action against a public body brought under this section, if the public body is the Department of Corrections or another state agency, or an officer, employee or agent of the Department of Corrections or the state agency, an attorney or paralegal employed by the Department of Justice may appear and represent the public body.

(5)(a) Notwithstanding ORS 46.475, in an action against a public body brought under this section, notice of intent to apply for an order of default, in the form prescribed by Uniform Trial Court Rule 2.010, must be filed and served on the public body against which an order of default is sought at least 10 days before a court may enter an order of default. If the public body is the Department of Corrections or another state agency, or an officer, employee or agent of the Department of Corrections or the state agency, notice must also be served on the Attorney General.

(b) The court may not enter a default judgment in favor of the adult in custody unless the adult in custody submits to the court proof of service by affidavit of the notice and claim required under subsection (1) of this section and the notice of intent to apply for an order of default required under paragraph (a) of this subsection. [2011 c.262 §2; 2019 c.213 §9]

30.650 Award of noneconomic damages. Noneconomic damages, as defined in ORS 31.705, may not be awarded to an adult in custody in an action against a public body unless the adult in custody has established that the adult in custody suffered economic damages, as defined in ORS 31.705. [1999 c.657 §6; 2019 c.213 §10; 2021 c.478 §5]

30.655 [1999 c.810 §1; repealed by 2015 c.212 §18]

30.656 [1999 c.810 §2; repealed by 2015 c.212 §18]

wrongful conviction; requirements; bur-
den of proof; damages; attorney fees;
setoffs for other awards; certificate of
innocence; statute of limitations; appeals.**

(1) A person may petition for compensation for wrongful conviction against the state if all of the following requirements are satisfied:

(a) The person was convicted of one or more felonies and subsequently imprisoned as a result of the conviction or convictions;

(b)(A) The person's conviction was reversed or vacated and either the charges were dismissed or on retrial the person was found not guilty; or

(B) The person received a grant of gubernatorial pardon;

(c) The person did not commit the crime or crimes for which the person was convicted and was not an accessory or accomplice to or otherwise involved in the acts that were the basis of the conviction; and

(d) The person did not commit perjury, fabricate evidence or by the person's own conduct cause or bring about the conviction. A confession or admission later found to be false or a guilty plea does not constitute committing perjury, fabricating evidence or causing or bringing about the conviction under this paragraph.

(2) For the purposes of subsection (1) of this section:

(a) Reversal or vacation of a conviction because the conviction was obtained following a finding of guilt by a nonunanimous jury is not sufficient to prove that the person did not commit the crime or crimes for which the person was convicted.

(b) "Convicted" or "conviction" includes an adjudication of a person within the jurisdiction of the juvenile court under ORS 419C.005 for an act committed when the person was under 18 years of age if the adjudication resulted in the person's placement in custody of the Oregon Youth Authority or the Department of Corrections for at least one year.

(3) A person may file a petition for compensation under this section in the Circuit Court for Marion County or in the circuit court for the county of conviction. The petitioner shall serve the petition on the Attorney General, who shall represent the state in all proceedings on the petition. The petitioner shall also mail a copy of the complaint to the District Attorney of the county of conviction.

(4)(a) A petition under this section is a civil action. The Oregon Rules of Civil Procedure and the Oregon Evidence Code apply to a petition under this section unless otherwise specified in this section.

(b) The court, in exercising its discretion regarding the weight and admissibility of evidence submitted under this section, may in the interest of justice give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence or other factors not caused by a petitioner or those acting on a petitioner's behalf. The court may not diminish the petitioner's burden of proof as set forth in subsection (5)(a) of this section.

(c) The fact finder in a proceeding under this section may receive proof by declarations, depositions, oral testimony or other competent evidence, including but not limited to transcripts of testimony or documents and evidence filed with the court in any proceeding that gave rise to the conviction, reversal or vacation of the conviction, or from retrial following reversal.

(5)(a) If a petitioner proves the elements of subsection (1) of this section by a preponderance of the evidence, the court shall enter a judgment awarding damages as follows:

(A) Except as provided in paragraph (b) of this subsection, \$65,000 for each year of imprisonment, as adjusted under subsection (8) of this section; and

(B) \$25,000, as adjusted under subsection (8) of this section, for each additional year served on parole or post-prison supervision or each additional year the petitioner was required to register as a sex offender, whichever is greater.

(b) A petitioner is not entitled to damages for any period of incarceration during which the petitioner was concurrently serving a sentence for a conviction of another crime for which the petitioner was lawfully incarcerated.

(c) Punitive damages may not be awarded under this section.

(6)(a) Except as provided in paragraph (b) of this subsection, the court shall order that an award under subsection (5) of this section be paid as a combination of an initial payment not to exceed \$100,000 or 25 percent of the award, whichever is greater, and the remainder as an annuity not to exceed \$80,000 per year. The petitioner shall designate a beneficiary or beneficiaries for the annuity.

(b) The court may order that the award be paid in one lump sum if the court finds that it is in the best interests of the petitioner.

(7) In addition to the damages awarded under subsection (5) of this section, the court:

(a) Shall award to the petitioner reasonable attorney fees and costs incurred in connection with a petition filed under this section;

(b) Shall award to the petitioner reimbursement for all restitution, assessments, fees, court costs and all other sums paid by the petitioner as required by pretrial orders, incarceration, and the judgment and sentence in any proceeding that gave rise to the conviction, reversal or vacation of the conviction, or from retrial following reversal; and

(c) May award to the petitioner access to existing state, local or other programs that provide services, including, but not limited to, counseling, housing assistance, eligibility for medical assistance as defined in ORS 414.025, educational assistance, job training, legal services to regain custody of children, assistance with food and transportation and personal financial literacy assistance, as appropriate.

(8) Beginning in 2023, and every year thereafter, the State Court Administrator shall determine the percentage increase or decrease in the cost of living for the previous calendar year, based on changes in the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the Bureau of Labor Statistics of the United States Department of Labor. On or before July 1 of the year in which the State Court Administrator makes the determination required by this subsection, the State Court Administrator shall adjust the amounts prescribed under subsection (5) of this section for the following calendar year by multiplying the amounts applicable to the calendar year in which the adjustment is made by the percentage amount determined under this subsection. The adjustment may not exceed three percent for any year. The State Court Administrator shall round the adjusted limitation amount to the nearest \$100, but the unrounded amount shall be used to calculate the adjustments to the amounts in subsequent calendar years. The adjusted amounts become effective on July 1 of the year in which the adjustment is made, and apply to all petitions filed under this section on or after July 1 of that year and before July 1 of the subsequent year.

(9)(a) If, on the date a judgment is entered under subsection (5) of this section, the petitioner has won a monetary award against a public body as defined in ORS 174.109 in a separate civil action related to the same subject, or has entered into a settlement

agreement with a public body as defined in ORS 174.109 related to the same subject, the amount of economic damages awarded in the separate action or received in the settlement agreement, less any sums paid to litigate the other civil action or obtain the settlement agreement, including, but not limited to, attorney fees, costs and expert fees, shall be deducted from the sum of money to which the petitioner is entitled under this section. The court shall include in the judgment an award to the state of any amount deducted pursuant to this subsection.

(b) If paragraph (a) of this subsection does not apply and if, after the date the judgment is entered under subsection (5) of this section, the petitioner wins a monetary award against a public body as defined in ORS 174.109 in a separate civil action related to the same subject, or enters into a settlement agreement with a public body as defined in ORS 174.109 related to the same subject, the petitioner shall reimburse the state for the sum of money paid under the judgment entered under subsection (5) of this section, less any sums paid to litigate the other civil action or obtain the settlement agreement, including, but not limited to, attorney fees, costs and expert fees. A reimbursement required under this subsection may not exceed the amount of the economic damages awarded in the separate civil action or received in the settlement agreement.

(c) An award under this section shall not be offset by any expenses incurred by a public body as defined in ORS 174.109 to secure the petitioner's custody or conviction, or to feed, clothe, house or provide medical services to the petitioner as a result of the petitioner's incarceration.

(10) Compensation awarded as a result of a petition for compensation for wrongful conviction under this section is excluded from gross income and is not subject to taxation.

(11) A petition under this section is not subject to ORS 30.260 to 30.300.

(12)(a) If the petitioner prevails on a petition under this section, the petitioner may request that judgment include a certificate of innocence finding that the petitioner was innocent of all crimes for which the petitioner was wrongfully convicted.

(b) Upon entry of a judgment granting a petition under this section, the court shall order the associated convictions and arrest records be set aside and sealed from all applicable state and federal systems pursuant to this subsection. The court shall enter the set aside order regardless of whether the petitioner has other criminal convictions or pending criminal cases.

(13) Notwithstanding ORS 12.115, a petition under this section must be filed no later than two years after:

(a) The date of dismissal of the criminal charges against the petitioner or finding of not guilty on retrial, whichever is later; or

(b) The grant of pardon to the petitioner.

(14) Any party to a proceeding under this section may appeal from the judgment of the circuit court on a petition filed under this section by filing a notice of appeal within the time and in the manner specified in ORS chapter 19 for civil appeals to the Court of Appeals. Any party filing a notice of appeal under this subsection must note in the notice of appeal that the case is subject to this subsection. For purposes of any appeals under this section, the Attorney General shall represent the state in all appellate proceedings. The party filing the notice of appeal shall serve the notice of appeal on the Attorney General and on the district attorney for the county of conviction.

(15) This section does not preclude the Department of Corrections from providing reentry services to a petitioner under this section that are provided to other persons, including, but not limited to, financial assistance, housing assistance, mentoring and counseling. Services may be provided while an action is pending and after any judgment is entered, as appropriate for the petitioner. [2022 c.105 §1; 2023 c.368 §3]

30.658 [1999 c.810 §3; repealed by 2015 c.212 §18]

30.659 Notice of petition required; exceptions for good cause; court to advise right to file notice. (1) A person may not file a petition under ORS 30.657 unless notice of petition is given as required by this section.

(2) Notice of petition shall be given within 180 days after the date on which the charges were dismissed, the person was found not guilty on retrial or the person received a grant of pardon. The period of time shall not include the period, not exceeding 90 days, during which the person is unable to give notice because of injury or because of minority, incompetency or other incapacity.

(3) Notice of petition required by this section is satisfied by:

(a) Formal notice of petition as provided in subsection (4) of this section;

(b) Filing of a petition under ORS 30.657 by or on behalf of the person within the applicable period of time provided in subsection (2) of this section;

agent of the public body arising out of the facts and circumstances that gave rise to the wrongful conviction; or

(d) Payment of compensation for wrongful conviction by or on behalf of the state at any time.

(4) Formal notice of petition is a written communication from a claimant or representative of a claimant containing:

(a) A statement that a petition for wrongful conviction under ORS 30.657 is or will be filed;

(b) The date on which the charges were dismissed, the person was found not guilty on retrial or the person received a grant of pardon; and

(c) The name of the claimant and the mailing address to which correspondence concerning the petition may be sent.

(5) Notice is sufficient where the communication is such that a reasonable person would conclude that a particular person intends to assert a claim against the state arising out of wrongful conviction.

(6) Formal notice of petition shall be given by mail, electronic mail or personal delivery to the office of the Director of the Oregon Department of Administrative Services. Service by mail is complete on mailing, and service by electronic mail is complete on sending.

(7) Failure to provide timely notice shall not be a bar to suit if good cause for the failure is shown. Good cause shall not be unreasonably withheld.

If the person is not present, the court shall advise the person in writing of the right to file a notice within 180 days under this section. [2022 c.105 §2]

30.931 Transport or movement of equipment, device, vehicle or livestock as farming or forest practice. Notwithstanding ORS 30.930, if the activities are conducted in a reasonable and prudent manner, the transport or movement of any equipment, device or vehicle used in conjunction with a farming practice or a forest practice on a public road or movement of livestock on a public road is a farming or forest practice under ORS 30.930 to 30.947. (2) The Legislative Assembly declares that it is the policy of this state that:

(d) Certain private rights of action and the authority of local governments and special districts to declare farming and forest practices to be nuisances or trespass must be limited because such claims for relief and local government ordinances are inconsistent with land use policies, including policies set forth in ORS 215.243, and have adverse effects on the continuation of farming and for-

est practices and the full use of the resource base of this state. [1993 c.792 §31]

30.934 Prohibition on local laws that make forest practice a nuisance or trespass; exceptions. (1) Any local government or special district ordinance or regulation now in effect or subsequently adopted that makes a forest practice a nuisance or trespass or provides for its abatement as a nuisance or trespass is invalid with respect to forest practices for which no claim or action is allowed under ORS 30.936 or 30.937.

[1981 c.716 §2; 1985 c.565 §4; 1993 c.792 §37]

(a) Damage to commercial agricultural products; or

(b) Death or serious physical injury as defined in ORS 161.015.

(2) Subsection (1) of this section shall not apply to a right of action or claim for relief for:

(a) Damage to commercial agricultural products; or

(b) Death or serious physical injury as defined in ORS 161.015.

(3) Subsection (1) of this section applies only where a farming or forest practice existed before the conflicting nonfarm or non-forest use of real property that gave rise to the right of action or claim for relief.

[1993 c.792 §35; 1995 c.703 §4]

30.938 Attorney fees and costs. In any action or claim for relief alleging nuisance or trespass and arising from a practice that is alleged by either party to be a farming or forest practice, the prevailing party shall be entitled to judgment for reasonable attorney fees and costs incurred at trial and on appeal. [1993 c.792 §36]

30.940 Effect on other remedies. The provisions of ORS 30.930 to 30.947 shall not impair the right of any person or governmental body to pursue any remedy authorized by law that concerns matters other than a nuisance or trespass. [1981 c.716 §3; 1985 c.565 §5; 1993 c.792 §39]

by the private entity. A court shall award a plaintiff prevailing under this section reasonable attorney fees and costs.

(3) If the contract between the private entity and the department provides for the private entity to perform forest practices in a defined area of state forestland that lies in more than one county, venue for a cause of action under this section is proper in any county containing part of the area of state forestland defined by the contract terms in effect on the date the cause of action arose.

However, if the skier whose injury resulted in death presented a notice to the ski area operator that would have been sufficient under this section had the skier lived, notice of the death to the ski area operator is not necessary.

(3) An action against a ski area operator to recover damages for injuries to a skier shall be commenced within two years of the date of the injuries. However, ORS 12.160 and 12.190 apply to such actions.

(4) Failure to give notice as required by this section bars a claim for injuries or wrongful death unless:

(a) The ski area operator had knowledge of the injury or death within the 180-day period after its occurrence;

(b) The skier or skier's beneficiaries had good cause for failure to give notice as required by this section; or

(c) The ski area operator failed to comply with subsection (5) of this section.

(g) Skiers shall yield to other skiers when entering a trail or starting downhill.

(h) Skiers must wear retention straps or other devices to prevent runaway skis.

(i) Skiers shall not board rope tows, wire rope tows, j-bars, t-bars, ski lifts or other similar devices unless they have sufficient ability to use the devices, and skiers shall follow any written or verbal instructions that are given regarding the devices.

(k) A skier who is injured should, if reasonably possible, give notice of the injury to the ski area operator before leaving the ski area.

(L) Skiers shall not embark or disembark from a ski lift except at designated areas or by the authority of the ski area operator.

against schools related
to COVID-19)**

Sec. 1. Definitions. As used in sections 1 to 3 of this 2020 third special session Act:

(1) "COVID-19 emergency rule" means an executive order, order of the Superintendent of Public Instruction, declaration, directive or other state or federal authorization, policy, statement, guidance, rule or regulation that creates a standard or waives, suspends or modifies otherwise applicable state or federal law, regulations or standards regarding the rendering of education services.

(2) "Education program" means programs or activities operated on school property and any school program or activity operated on or off school property.

(3) "School" means a common school district, a union high school district, an education service district, a public charter school, a private school providing instruction to any grade from kindergarten through grade 12 or a community college district. [2020 s.s.3 c.4 §1]

Sec. 2. Limitation of liability. (1) A person may not bring a claim for damages related to COVID-19 infection suffered as a result of acts or omissions performed by a school:

(a) In the course of operating an education program; and

(b) When the school is operating in compliance with COVID-19 emergency rules in effect at the time of the act or omission.

(2) A person engaged in activities on school property that are not operated by a school may not bring a claim against the school for damages related to COVID-19 infection.

(3) The immunity provided by this section does not apply to reckless, wanton or intentional misconduct.

(4) This section does not limit any other cause of action or remedy available to an injured party, including but not limited to the following claims:

Sec. 3. Motion to strike. (1) A school may move at any time to strike a claim in a civil action that is barred by section 2 of this 2020 third special session Act. A motion to strike under this section shall be treated as a motion to dismiss under ORCP 21 A but is not subject to ORCP 21 F. Upon granting a motion under this section, the court shall enter a judgment of dismissal without prejudice. If the court denies a motion under this section, the court shall enter a limited judgment denying the motion.

(2)(a) A school that moves to strike a claim under this section has the initial burden of making a prima facie showing that the claim is barred under section 2 of this 2020 third special session Act.

(b) If the school meets the burden under paragraph (a) of this subsection, the burden shifts to the plaintiff in the action to establish that a genuine issue of material fact exists that the claim is not barred under section 2 of this 2020 third special session Act. If the plaintiff meets the burden under this paragraph, the court shall deny the motion.

(c) The court shall consider only the pleadings and supporting and opposing affidavits in determining whether a genuine issue of material fact exists. If the court determines that a genuine issue of material fact exists:

(A) The fact that the determination has been made and the substance of the determination may not be admitted in evidence at any later stage of the case; and

(B) The determination does not affect the burden of proof or standard of proof that is applied in the proceeding. [2020 s.s.3 c.4 §3]

Sec. 6. Applicability. (1) Sections 1 to 3 of this 2020 third special session Act apply to claims arising during the period in which any declaration of a state of emergency related to COVID-19 and issued by the Governor on March 8, 2020, and any extension of the declaration, is in effect. [2020 s.s.3 c.4 §6(1)]
