(3) Where the method selected under subsection (2) of this section includes a combination of nomination of candidates from zones and of nomination of candidates at large, the number of candidates to be nominated in each manner shall be specified in the petition submitted under ORS 266.110 or in the petition or resolution under ORS 266.380. [1975 c.249 s.2]

266.380 Changing manner of electing board members; requirements; election. (1) This section establishes the procedure for determining whether the method adopted in a district for nominating and electing board members should be changed to another method. The question shall be decided by election. The district board:

(a) May order the election on its own resolution; or

(b) Shall order the election when a petition is filed as provided in this section.

(2) Except as otherwise provided in this section, the requirements for preparing, circulating and filing a petition under this section shall be as provided for an initiative petition in ORS 255.135 to 255.205.

The map and description shall be prepared by the county surveyor or county assessor and shall reflect any adjustments made in the boundaries under subsection (6) of this section.

(4) The map to be contained in the petition under subsection (3) of this section shall be prepared by the county surveyor or county assessor. The chief petitioners shall pay the county for the cost of preparing the map, as determined by the county surveyor or county assessor. The county clerk shall not accept the prospective petition for filing until the chief petitioners have paid the amount due.

(5) Subsection (3) of this section does not apply if the question proposes abolition of all zones.

(6) Before submitting to election a question to which subsection (3) of this section applies, the district board shall adjust the proposed boundaries of the zones to make them as nearly equal in population as feasible according to the latest federal census. The district board shall amend the ballot title as necessary to reflect its adjustment of the boundaries.

(7) If the electors of the district approve the establishment of zones or a change in the boundaries or the number of existing zones, board members shall continue to serve until their terms of office expire. As vacancies occur, positions to be filled by nomination or election by zone shall be filled by persons who reside within zones which are not represented on the board. If more than one zone is not represented on the board when a vacancy occurs, the zone entitled to elect a board member shall be decided by lot. 266.514 Revenue bonds; issuance; conditions. In addition to the authority to issue general obligation bonds, a district, when authorized by a majority of those voting at an election called for that purpose, may sell and dispose of revenue bonds, and pledge as security therefor all or any part of the unobligated net revenue of the district or a recreational facility of the district, to purchase, acquire, construct, reconstruct or improve a facility, or to perform any of those acts in combination, for any authorized purpose. Revenue bonds shall be issued in the same manner and form as are general obligation bonds of the district, but they shall be payable, both as to principal and interest, from revenues only. Revenue bonds shall not be subject to the limitation provided by ORS 266.512 applicable to general obligation bonds and shall not be a lien upon any of the taxable property within the limits of the district. Revenue bonds shall be payable solely from such part of the revenue of the district as remains after payment of obligations having a priority and of all expenses of operation and maintenance of the district, including any taxes levied against it. All revenue bonds shall contain a clause reciting that both the principal and interest are payable solely from operating revenues of the district remaining after paying such obligations and expenses. [1969 c.668 s.26a]

266.516 Refunding bonds. Refunding bonds of the same character and tenor as those replaced thereby may be issued pursuant to a resolution duly adopted by the district board without submitting to the electors the question of authorizing the issuance of such bonds. [1969 c.668 s.26b]

(2) Contract provisions for repayment of any loan from the United States, and the bonds securing the payment of the same, if any are issued, may be of such denomination, for such term not exceeding 50 years and may call for the

[1969 c.668 s.26c; 1973 c.86 s.1]

266.530 Registration and delivery of bonds; disposition of proceeds. (1) The county treasurer shall register each bond issued pursuant to ORS 266.480 in a book kept for that purpose in the office of the county treasurer, noting the district, amount, date, time and place of payment, rate of interest and such other facts as may be deemed proper.

The interest earnings of the fund shall be credited thereto and become a part thereof. [Amended by 1969 c.668 s.28]

If the district board fails or refuses to levy the tax necessary for the interest, principal or sinking fund, the county treasurer shall ascertain and certify the amount necessary to the county board. The county board shall then levy a tax sufficient to raise the sum so required and ascertained by the county treasurer. The proper county officer having power to extend county taxes shall extend such tax upon the tax roll of the county upon the taxable property of the district. The proper county officer whose duty it is to collect taxes shall collect such tax according to law, and shall pay the funds so collected into the county treasury to the credit of the bond interest and sinking fund of the district to be used in the payment of the bonds and interest. (2) The county treasurer shall, within 30 days from the date of the notice, redeem and pay any bond then redeemable and payable, giving priority according to the date of issuance numerically, upon presentation of the bond at the place of payment specified therein.

(4) When any bonds are so redeemed or paid, the county treasurer shall cause them to be canceled and write across the face thereof “redeemed” and the date of redemption, and shall deliver them to the district board, taking its receipt therefor. [Amended by 1969 c.668 s.30]
