The Legislative Assembly recognizes that assistance and encouragement of enhanced world trade opportunities are an important function of the state, and that development of new and expanded overseas markets for commodities exported from the ports of this state has great potential for diversifying and improving the economic base of the state.

Therefore, development and improvement of port facilities suitable for use in world maritime trade at the Ports of Umatilla, Morrow, Arlington, The Dalles, Hood River and Cascade Locks and the development of deepwater port facilities at Astoria, Coos Bay, Newport, Portland and St. Helens is declared to be a state economic goal of high priority. All agencies of the State of Oregon are directed to assist in promptly achieving the creation of such facilities by processing applications for necessary permits in an expeditious manner and by assisting the ports involved with available financial assistance or services when necessary. (4) For the public convenience and the convenience of its shipping and commercial interests, may improve all or any portion of the waterfront of its harbors, rivers and waterways.

(5) Enlarge its tidal area, and construct, excavate or dredge canals and channels connecting its waterways with one another or with other waterways and the sea.

[1971 c.728 s.24 (enacted in lieu of 777.130)]

777.225 [1963 c.209 s.5; repealed by 1971 c.727 s.203]

777.230 Port may generate electric power; sale of power limited to utilities and federal agency; use of natural gas as fuel for generating facilities. (1) A port may:

(a) Design, erect, complete, operate and maintain all necessary hydroelectric, steam-generating, electric, oil, gasoline or other power-producing plants or systems, for the purpose of generating electrical current for lighting and power purposes.

(b) Acquire rights of way for the placing of transmission lines over which to carry the electrical energy required between the points of origin or production and the locations where such power may be carried for distribution, and sell, lease and dispose of same.

(2) This section does not authorize a port to enter into the business of supplying electric energy or services, or other power service, to municipalities or to the public, or for any purpose other than the construction or operation of docks, terminals, elevators or other shipping facilities, or in any of the work ports are authorized by law to engage in.

(3) Notwithstanding subsections (1) and (2) of this section, a port may construct, acquire, own or operate, by itself or with other public or private entities, electrical generating plants, electric distribution facilities and related fuel supply and steam generation and distribution facilities. However, the electric output of such plants or systems shall not be sold or delivered, directly or indirectly, to any person or other entity located within this state other than:

- (a) An electric utility as defined in ORS 758.505; or
- (b) The Bonneville Power Administration.

(4) The related fuel supply facilities of a port shall be constructed and operated for the sole purpose of furnishing fuel to the generating plants or systems owned by the port by itself or with other public or private entities.

(5) Except as provided in subsection (6) of this section, natural gas used to fuel the generation of electricity or energy by any port as described in subsection (3) of this section shall be purchased from or transported by an entity, if any, that is a public utility as defined in ORS 757.005 and approved by the Public Utility Commission under ORS 758.400 to 758.475 to distribute natural gas in the service territory in which the port is located.

(6) The rate charged a port by the public utility shall be the rate found to be reasonable by the Public Utility Commission under ORS 757.230. When reviewing the rate, the Public Utility Commission shall also determine the cost of alternatives to natural gas service from the public utility. For the purposes of this subsection, the cost of alternatives to natural gas service from the public utility is the cost incurred by a person other than a port without consideration of governmental entitlements that are available to a port but not to private persons. If the rate acceptable to the public utility and found to be reasonable by the Public Utility Commission is greater than such cost of alternatives, the port may pursue other alternatives for natural gas service. [1971 c.728 s.25 (enacted in lieu of 777.130); 1985 c.773 s.4; 1991 c.253 s.1]

(1) A port may construct buildings or other improvements and acquire personal properties including but not limited to machinery and equipment considered necessary whether or not now in existence or under construction, suitable for use by any industry for the manufacturing, refining, processing or assembling of any agricultural, mining or other products or by any commercial enterprise in storing, warehousing, distributing or selling or servicing any products of agriculture, mining or industry or by any profit or nonprofit enterprise for research and development. The port has full power to lease and sell the buildings, improvements and personal property, together with the lands upon which they are situated, whether held by the port in its governmental capacity or not.

(2) In addition, a port may:

- (a) Acquire and develop land, or develop land already owned, as the site for an industrial or research and development park, including as a part of such development provisions for water, sewage, drainage, roads, transportation, power, communication or other similar facilities which are incidental to the development of the site;
- (b) Develop the site pursuant to a comprehensive plan in a manner compatible with other uses in the area in which the industrial or research and development park is located and adopt regulations necessary to implement the plan;
- (c) Lease, sublease or sell tracts of land within an industrial or research and development park as building sites to any industry or commercial enterprise or profit or nonprofit enterprise described by this subsection; and
- (d) Charge and collect fees for services made available within the industrial or research and development park.

(3) A port may acquire, construct, maintain or operate sports, recreation, convention and trade show facilities.

(4) For revenue bonding purposes under ORS 777.560 to 777.590, projects undertaken under this section shall be classified as either:

(a) Sales, if the port is to sell outright or by conditional sale its interest in the property, or, if by contract the port's title to the property is retained for a limited term only;

(b) Leases, if the port is only to rent, lease, sublease or charge a user fee for the property with the intention of retaining title to, or possession of, the property for its future benefit and use; or

(c) Loans, if the port is to lend the proceeds of such revenue bonds and has no ownership interest in the property. [1971 c.728 s.27 (enacted in lieu of 777.130); 1979 c.109 s.2; 1979 c.407 s.1a; 1983 c.459 s.15; 1987 c.103 s.2; 1997 c.171 s.22]

777.255 [Repealed by 1963 c.268 s.21]

777.258 General powers of port in promotion of certain interests. A port may, in general, do such other acts and things, not mentioned by ORS 777.195 to 777.258, as tend to promote the maritime shipping, aviation and commercial interests of the port. [1971 c.728 s.28 (enacted in lieu of 777.130)]

777.260 [Repealed by 1963 c.268 s.21]

777.262 Port dredging activities; legislative findings and purpose. (1) The Legislative Assembly finds:

(a) That recent changes in federal law authorize the United States Army Corps of Engineers to require ports and other local communities to provide a portion of the costs of dredging harbors and channels near those communities;

(b) That port districts and communities in this state cannot afford to pay the costs necessary to continue the dredging activities that are essential to keep the major harbors and waterways navigable for larger vessels in maritime trade; and

(c) That the State of Oregon must therefore pay for such dredging activities when ports cannot, or this state must tolerate the loss of maritime trade and commerce that will inevitably result from the halt of dredging activities.

(2) Therefore, it is the purpose of this section and ORS 777.267 to provide a method of financing required dredging activities in the ports of this state when those ports are unable to finance such activities. [1989 c.1020 s.1]

Note: 777.262 and 777.267 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 777 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

777.265 [Repealed by 1963 c.268 s.21]

777.267 Marine Navigation Improvement Fund. (1) There is established in the State Treasury the Marine Navigation Improvement Fund. The moneys in the fund are continuously appropriated to the Economic and Community Development Department for the purpose of paying a portion of the costs of dredging activities that are carried out in the harbors and channels on the Oregon coast and along the Columbia River when federal law or regulation requires a portion of the costs of such dredging to be paid by nonfederal interests.

(2) The Marine Navigation Improvement Fund established by this section shall consist of such moneys as may be appropriated to the fund by the Legislative Assembly, including interest on such moneys.

(3) Eligibility for assistance from the Marine Navigation Improvement Fund shall be limited to federally authorized studies and construction of new navigation improvement projects. Financial assistance for such construction costs shall be limited to those projects that have completed all federally required studies and have confirmed positive cost-benefit ratios as required by the National Economic Development Plan. [1989 c.1020 s.2; 1991 c.461 s.87; subsection (3) enacted as 1991 c.461 s.88]

Note: See note under 777.262.

777.272 [1959 c.602 s.8; repealed by 1963 c.268 s.21]

777.273 Authority of ports to operate pipelines; exceptions. (1) A port may own, acquire, construct, operate, improve and maintain pipelines and related facilities for the transportation of products and materials that promote the maritime shipping, aviation and commercial interests of the port.

(2) A port may enter into connection and other agreements with entities owning or operating pipelines and related facilities as may assist the port with regard to its authority described in this section.

(3) A port may acquire by purchase, gift or the exercise of the power of eminent domain rights of way for the

placement of pipelines and related facilities.

(4) This section does not grant any additional authority to a port to own, purchase or sell the products and materials carried within the pipelines, but only grants authority over pipelines and related facilities used for transportation purposes.

(5) Except as otherwise specifically authorized by law, this section does not authorize a port to exercise authority over natural gas pipelines and related facilities, the transportation of natural gas or the acquisition of natural gas pipeline rights of way. [1991 c.367 s.2]

777.279 Policy; findings; purpose. (1) The Legislative Assembly finds that:

(a) The deep draft navigation channel in the lower Columbia River is an asset of statewide importance that provides Oregon shippers with competitive access to world markets and that ranks as the second largest grain export system in the world with the single largest wheat export port in the United States at Portland;

(b) Waterborne commerce originating in Oregon in 1996 was valued at \$4.2 billion and, in order to sustain and increase the jobs and other economic benefits associated with maritime trade, the channel must be maintained at depths adequate to accommodate new generations of deeper draft cargo vessels;

(c) If Congress authorizes deepening of the channel to accommodate these larger vessels, it is in the best interests of the State of Oregon to ensure that funds are available to pay the Oregon share of channel deepening costs; and

(d) It is desirable to make a present commitment of lottery revenues that are expected to be received in the 1999-2001 and 2001-2003 biennia. A clear and prompt financial commitment from the State of Oregon will allow the primary sponsor, in reliance on that commitment, to make prompt commitments to federal agencies to pay the Oregon nonfederal share. Prompt commitment by the primary sponsor will enhance the likelihood that federal funds will be received for the channel deepening project.

(2) The Legislative Assembly declares that the purpose of ORS 777.277 to 777.289 is to obligate the State of Oregon to pay the amounts specified in ORS 777.282 from future lottery revenues. The obligation of this state to pay the amounts specified in ORS 777.282 and in the grant agreement is limited to, and expressly conditioned on, the availability of unobligated net lottery proceeds and any other moneys lawfully credited to the Channel Deepening Account of the Marine Navigation Improvement Fund. Neither the faith and credit nor any of the taxing power of the State of Oregon are pledged or otherwise committed by ORS 285B.500 to 285B.515 and 777.277 to 777.289 and section 9, chapter 644, Oregon Laws 1997, and the commitments of the State of Oregon under ORS 285B.500 to 285B.515 and 777.277 to 777.289 and section 9, chapter 644, Oregon Laws 1997, and the grant agreement shall not constitute a debt or liability of the state within the meaning of section 7, Article XI of the Oregon Constitution.

(3) The Legislative Assembly further declares that it is the current intent of the Legislative Assembly, if the amount specified in ORS 777.282 is not sufficient to pay the Oregon share of the total cost of the channel deepening project, to provide future lottery revenues in an amount sufficient to pay the Oregon nonfederal share of the total cost, when determined, of the channel deepening project. [1997 c.644 s.2]

Note: See note under 777.277.

777.280 [Repealed by 1963 c.268 s.21]

777.282 Channel Deepening Account; allocation of lottery revenues; payments to primary sponsor. (1) The Channel Deepening Account is hereby created in the Marine Navigation Improvement Fund.

(2) Commencing with the fifth fiscal quarter of the 1999-2001 biennium and continuing each quarter through the end of the 2001-2003 biennium, the state shall allocate and deposit in the Channel Deepening Account not less than \$833,334 each fiscal quarter until an amount has been deposited into that account which is equal to the lesser of the amount of Oregon nonfederal share as determined under the grant agreement or \$10 million. The deposits shall be made from the first available unobligated net lottery proceeds.

(3) Any earnings on amounts in the Channel Deepening Account shall be credited to the Channel Deepening Account. All moneys on deposit from time to time in the Channel Deepening Account, including investment earnings thereon, and all amounts required by this section to be deposited in the Channel Deepening Account, shall be allocated and are hereby appropriated continuously to the Economic and Community Development Department, and shall be transferred by the department to the primary sponsor pursuant to and upon the terms and conditions set forth in the grant agreement for costs of the channel deepening project. [1997 c.644 s.3]

Note: See note under 777.277.

777.284 Grant agreement with primary sponsor; terms and effects of agreement; pledge of revenues by primary sponsor. (1) Within six months after July 25, 1997, the Director of the Economic and Community

Development Department shall enter into a grant agreement with the primary sponsor that commits the state to make the deposits specified in ORS 777.282 and commits the Economic and Community Development Department to pay those deposits, plus earnings, to the primary sponsor as soon as funds are available in the Channel Deepening Account and are required by the primary sponsor for payment of the Oregon nonfederal share. Notwithstanding ORS 777.267 or any other provision of law, this commitment of this state and the department shall be conditioned solely on federal authorization of the channel deepening project under the federal Water Resources Development Act or a similar federal Act, signing of a project cooperation agreement with the appropriate federal agencies and receipt by this state of unobligated net lottery proceeds sufficient to make the deposits specified in ORS 777.282.

(2) The total amount paid to the primary sponsor pursuant to the grant agreement shall not exceed the lesser of the amount of the Oregon nonfederal share or \$10 million plus any interest earnings on the amounts in the Channel Deepening Account. The grant agreement shall:

- (a) Specify a method for determining the total amount of the Oregon nonfederal share;
- (b) Pledge the unobligated net lottery proceeds to pay the amounts due to the primary sponsor under the grant agreement;
- (c) Specify the administrative procedures for making payments to the primary sponsor;
- (d) Provide for notification to the director if the primary sponsor determines that it is unable to undertake the channel deepening project;
- (e) Allow assignment of the right to receive amounts payable under the grant agreement to third parties;
- (f) Obligate the primary sponsor to remit any unexpended grant funds and any earnings thereon to the State of Oregon after the channel deepening project is complete and all its costs have been paid; and
- (g) Contain such additional terms and conditions as the director considers necessary or appropriate to ensure that the moneys paid under the grant agreement are expended solely on the channel deepening project.

(3) The grant agreement, when executed by the director and accepted by the primary sponsor, shall be a valid, binding and irrevocable contractual obligation of the State of Oregon in accordance with its terms. However, amounts due under the grant agreement shall be payable solely from the unobligated net lottery proceeds required by ORS 777.282 to be deposited in the Channel Deepening Account.

(4) The primary sponsor may pledge the unobligated net lottery proceeds described in ORS 777.282 (2) and assign its right to receive amounts due under the grant agreement as security for any contractual obligation the primary sponsor undertakes to pay or finance costs of the channel deepening project. Any pledge or assignment authorized by this subsection shall be valid and binding upon the primary sponsor, the department, the State of Oregon and all other persons from the date it is made. The unobligated net lottery proceeds so pledged shall be immediately subject to the lien of the pledge without physical delivery, filing or other act, and the lien of the pledge shall be superior to all other claims and liens of any kind whatsoever. Upon notice from the primary sponsor that it has pledged the unobligated net lottery proceeds or assigned the right to receive amounts due under the grant agreement, the department shall fully cooperate with the primary sponsor and the pledgee or assignee to give effect to the pledge or assignment, including but not limited to acknowledging in writing to the primary sponsor and the pledgee or assignee the existence and validity of the pledge or assignment and agreeing that amounts due under the grant agreement shall be paid to the pledgee or assignee or into the custodial accounts established for the benefit of the pledgee or assignee. However, a pledge or assignment shall not require the State of Oregon to pay any greater amounts than specified in the grant agreement.

(5) The grant agreement shall not contain provisions or be construed or enforced in any manner that would cause the grant agreement to constitute a debt or liability of the state that violates section 7, Article XI of the Oregon Constitution. [1997 c.644 s.4]

777.287 Agreements with federal agencies. The Oregon sponsors are each hereby authorized to enter into agreements with agencies of the United States for the channel deepening project and, notwithstanding any other provision of law, may each agree to be bound by any requirement imposed by an Act of the United States Congress as a condition of federal participation in the channel deepening project. [1997 c.644 s.5]

Note: See note under 777.277.

777.289 End of allocations upon certification by Director of Economic and Community Development

Department. (1) The deposit of unobligated net lottery proceeds to the Channel Deepening Account shall cease if and when the Director of the Economic and Community Development Department certifies in writing that deposits are no longer required because:

- (a) Sufficient funds are on hand in the Channel Deepening Account to pay all amounts required to be paid under the grant agreement;
- (b) All amounts required to be paid under the grant agreement have been paid; or
- (c) The primary sponsor has notified the director pursuant to the grant agreement that the primary sponsor is unable to undertake the channel deepening project.

(2) Upon receipt of the director's written certification pursuant to subsection (1) of this section, the State Treasurer shall thereafter credit any amounts remaining in the Channel Deepening Account that are not required to pay amounts due under the grant agreement and any lottery revenues that otherwise would have been deposited in the Channel Deepening Account under this section to the Administrative Services Economic Development Fund. In addition, any unexpended grant funds and earnings which are remitted to the state under the grant agreement shall be credited to the Administrative Services Economic Development Fund. (1) This section applies when an annexation would increase the area of a port by one-half or more, or would increase the assessed value of taxable property within a port by one-half or more. An annexation proposal subject to this section, if approved by the county board, shall be submitted to the electors at an election which shall be held at the same time as a biennial primary election or general election.

777.405 Deposit and disbursement of moneys; financial records. (1) Money of a port shall be deposited in one or more banks designated by the board. Funds shall be withdrawn only when previously ordered by the board, upon a check signed and countersigned by such persons as may be authorized by resolution of the board.

(2) A receipt or voucher showing clearly the nature and items covered by each check drawn shall be kept on file. [Amended by 1971 c.728 s.33; 1989 c.428 s.1]

777.410 Ports may borrow money and issue bonds. (1)(a) For the purpose of carrying into effect any of the powers granted by ORS 777.105 to 777.258, a port may, when authorized so to do by the electors, borrow money and sell and dispose of bonds, which shall constitute a general obligation of the port and be secured by the port's full faith and credit. The bonds shall be secured by the taxing power of the port as provided in ORS 777.430 (2). In addition, the port may provide that the bonds shall be payable from and secured by a lien and pledge of all or any part of the revenues derived by the port from the facilities constructed from the proceeds of the bonds. Bonds outstanding at any one time shall never exceed in the aggregate two and one-half percent of the real market value of all taxable property within the port, computed in accordance with ORS 308.207.

(b) A port may provide for the creation of special trust funds and may authorize the appointment of a trustee to administer such funds. A port may obligate itself to set aside and pay into a special trust fund any revenues pledged to the payment of bonds. A port, from available funds, may establish and fund debt service, operation and maintenance reserves.

(c) Proceeds from the sale of bonds may be used by a port to pay the costs incurred in issuing the bonds, to pay the costs of preliminary work incident to issuing and selling the bonds, including but not limited to planning, engineering, inspection, accounting, fiscal, legal, trustee and other similar expenses, to pay interest on the bonds for such time as the port may determine, but not exceeding six months beyond completion of the facilities financed with the bonds, and to establish reserves for debt service on the bonds.

(2) Without elector approval the board may, whenever it determines that an emergency exists, issue bonds, within the limitation provided by subsection (1) of this section, in an aggregate amount not exceeding \$100,000 in any period of 12 months. Bonds shall not be issued under this subsection to provide funds for the acquisition of land. Bonds issued under this subsection shall be issued and sold in accordance with subsection (3) of this section but shall mature in such length of time, not exceeding five years, as the board determines.

(3) All bonds issued under this section shall bear interest at the rate of percent per annum established by ORS 288.515 to 288.600 and shall be issued on such terms and conditions and at such time or times as the board shall determine. They shall be sold in the manner and under the conditions provided by ORS 777.500. Bonds issued under this section and ORS 777.415 shall be executed in behalf of the port by its president and secretary, shall be in denominations of \$1,000 or multiples thereof, and shall mature in installments beginning not more than five and ending not more than 30 years from issue date. [Amended by 1957 c.375 s.1; 1963 c.9 s.37; 1965 c.223 s.1; 1971 c.728 s.71; 1973 c.127 s.3; 1977 c.698 s.1; 1981 c.94 s.52; 1981 c.289 s.1; 1985 c.773 s.2; 1991 c.459 s.439]

777.415 Resolution and election prerequisite to issuance of bonds. When it is proposed to borrow money or to sell and dispose of bonds as authorized by ORS 777.410 (1), a board shall first pass a resolution authorizing the borrowing of money and the issuance and sale of bonds. The resolution shall state the amount of money to be raised, the maximum rate of interest that the bonds will bear and the nature and terms of the bonds. The resolution also shall state the general purpose for which the moneys to be raised are to be used. The question of issuance of the bonds shall then be referred by the board to the electors of the port at a special election to be called for that purpose. The money raised shall be expended for no other purpose than that expressed in the resolution and the purpose shall be stated in the ballot title used in the election. A contract involving the expenditure of funds to be raised under ORS 777.410 (1) shall not be entered into by the board until the borrowing of the funds is approved by a majority of those voting on the question at the special election provided for by this section. [Amended by 1957 c.375 s.2; 1971 c.647 s.142; 1971 c.728 s.72]

777.430 Taxing powers of ports. (1) In carrying out the purposes of ORS 777.005 to 777.725 and 777.915 to 777.953, a port may assess, levy and collect taxes upon all taxable real and personal property situated within the port, in an amount each year not to exceed one-fourth of one percent (.0025) of the real market value of the property, computed in accordance with ORS 308.207.

(2) Each year a port may also assess, levy and collect a tax upon all such property in an amount sufficient to pay the yearly interest on general obligation bonds or other evidences of indebtedness theretofore issued by the port and then outstanding, together with any portion of the principal of general obligation bonds maturing within that year. The tax shall be applied only in payment of interest and principal of such bonds or indebtedness. However, the board may apply any other funds it may have toward such payments. [Amended by 1963 c.9 s.38; 1971 c.728 s.73; 1991 c.459 s.440]

777.435 Levy, assessment and collection of taxes. (1) Taxes authorized by ORS 777.430 shall be levied in each year and returned to the county officer whose duty it is to extend the tax roll by the time required by law for city taxes to be levied and extended. The county officer whose duty it is to extend the county levy shall extend the levy of a port in the same manner as city taxes are extended.

(2) All taxes levied by a port become payable at the same time and shall be collected by the same officers as regular county taxes. The county officers collecting the taxes shall pay them to the treasurer of the port as provided by law. [Amended by 1971 c.728 s.74]

777.440 Levy of special tax by county court upon default of port officers. If a port fails or refuses to levy the special tax provided by ORS 777.430 (2), within the time provided, in an amount sufficient to pay the interest accruing during the 12 months following October 1 next ensuing on bonds theretofore issued by the port and then outstanding, together with any portion of the principal of such bonds maturing within the 12 months, the county board of the county in which the port is located, shall levy at its July term immediately following such failure or refusal by the port, a tax on all the taxable real and personal property situated within the port, at a rate sufficient to pay such interest and principal. [Amended by 1971 c.728 s.75]

777.445 Procedure subsequent to levy under ORS 777.440. (1) Taxes levied under ORS 777.440 by the county board shall be assessed and collected as if the levy had been made by the port itself.

(2) However, taxes thus levied by the county board shall not be paid to the treasurer of the port by the county officers collecting the tax, but shall be paid to the county treasurer to the credit of the port issuing the bonds to be used for the purpose provided by subsection (3) of this section.

(3) The county treasurer shall pay from the fund the interest on or maturing principal of any bond described by ORS 777.440 as it becomes due, and at such places as are designated in the bonds or interest coupons thereof, or upon the presentation at the county treasurer's office of the bonds or coupons, which must show the amount due and the number and series of the bond.

(4) All bonds or coupons thereof thus paid shall be immediately reported by the county treasurer to the port board.

(5) On October 1 of the next calendar year following the year of the levy by the county board, the county treasurer shall ascertain the exact amount of interest and principal payable and still remaining unpaid. The county treasurer shall retain from the fund an amount sufficient to pay such principal and interest and pay to the treasurer of the port any balance of the fund remaining after making such deduction. [Amended by 1971 c.728 s.76]

777.447 Promissory notes authorized for port development purposes; limitations; form; payment. In addition to other powers granted a port, a port may, at any time, upon proper resolution adopted by the board, issue promissory notes to assist it in carrying out the powers granted the port under this chapter. The promissory notes shall not exceed a term of five years and shall bear interest not to exceed the rate established for bonds under ORS 288.515 to 288.600. A port shall not have more than \$1 million in promissory notes outstanding at any one time. No tax-derived revenues shall be pledged or used to retire the notes. The notes shall be signed by the president and the treasurer of the port and shall state what assets and revenues of the port shall be security for the notes and that the notes do not constitute a full faith and credit pledge of the port. No officer or employee of the port shall hold promissory notes under this section. Expenditure of note proceeds and payment on notes issued under this section shall first be properly budgeted in accordance with the Local Budget Law. [1979 c.119 s.2; 1981 c.94 s.53; 1993 c.97 s.28; 1999 c.177 s.1]

777.450 [Repealed by 1971 c.728 s.138]

777.455 Authority to issue refunding bonds for specified purposes; amounts. A port may, in accordance with ORS 777.455 to 777.505, issue refunding bonds for the purpose of refunding and retiring all or any part of its outstanding bonds when the holders are willing to surrender such bonds. When judgment is taken against a port based on bonds and interest coupons issued by the port, refunding bonds may be issued to provide funds with which to pay such judgment. Such bonds may be issued, pursuant to an ordinance or resolution adopted by the board, without elector approval. Such bonds may be issued in the full amount of the outstanding bonds and any judgment on bonds and interest coupons less any sinking funds applicable thereto. The full faith and credit of the issuing port shall be pledged to the payment of the principal of and interest on each of such bonds. Debt limitations imposed by law do not apply to refunding bonds. [Amended by 1971 c.728 s.77]

777.460 Refunding bonds; terms and conditions; bond call. (1) The refunding bonds shall bear interest at a rate determined by the board, payable semiannually, and shall be in such denominations and mature at such times as determined by the board, but the bonds must all mature not later than 30 years after their date of issue.

(2) The board may provide that the bonds are subject to call and redemption prior to maturity, in numerical order, in inverse numerical order or in the entire amount of the issue outstanding. The bonds may be called only on interest-paying dates.

(3) Before calling bonds containing optional provisions, the port shall publish a notice of call in one issue of a newspaper specializing in financial matters published in New York, New York, at least 30 days before such interest-paying date.

(4) Callable refunding bonds, at the option of the board, may be called and retired or may be refunded again in accordance with the terms of the bonds and the provisions of ORS 777.455 to 777.505.

(5) Both the principal of the bonds and the interest thereon, when due, shall be paid in lawful money of the United States at the office of the treasurer of the issuing port, or at the fiscal agency of the State of Oregon in the City and State of New York, at the option of the board. [Amended by 1971 c.728 s.78; 1981 c.94 s.54]

777.465 Disposition of refunding bonds. The refunding bonds may be exchanged par value for par value for the bonds they are issued to refund and may be issued and delivered to a judgment creditor in the amount of the judgment, or the bonds may be advertised for sale and sold for not less than the par value thereof.

777.470 Levy of tax to meet principal and interest; amount required; disposition of proceeds of tax. Upon issuance of any refunding bonds the port board shall levy a tax sufficient to pay the principal and interest of such bonds at maturity. If the bonds are serial bonds the tax shall provide an amount of money sufficient to pay the next maturing installment of principal and the interest on the entire issue. If the bonds are issued as term bonds the tax shall be sufficient to raise an amount of money, which, if the same amount were raised each year thereafter for the life of the bonds, would produce a sum equal to the principal amount of the bonds so issued. The proceeds of taxes levied under this section shall be set aside when collected into a special fund and used for no other purpose than the payment of the bonds so issued. [Amended by 1971 c.728 s.81]

777.475 Remedies of holders of refunding bonds on default. If there is a default in payment of principal or interest of bonds issued pursuant to ORS 777.455, the holders thereof shall be reinvested with and have all the remedies they would have had if they were holding obligations refunded by the issuance of such bonds. [Amended by 1971 c.728 s.82]

777.480 Construction of ORS 777.455 to 777.505. The authority contained in ORS 777.455 to 777.505 is supplemental and in addition to all other powers granted to port districts to issue bonds. [Amended by 1971 c.728 s.83]

777.485 Compromise and refunding agreements; contents; subsequent procedure; effect. (1) A board may enter into agreement with the holders of its outstanding indebtedness providing for compromise of the indebtedness and the refunding thereof by the issuance of bonds under ORS 777.455. An agreement may provide for the amount of refunding bonds to be issued, the interest rate the bonds are to bear, the dates of maturity of the bonds and the amount of money to be raised by taxes each year to pay the principal of and interest on the bonds. When an agreement is entered into, a port shall have complete authority to issue bonds in accordance therewith.

(2) The board may provide in the ordinance authorizing such refunding bonds:

- (a) For setting aside a sinking or other fund into a special trust fund for payment of the bonds.
 - (b) For the pledging of taxes and other revenues directly to the payment of the principal of or interest on the bonds or to the sinking fund.
 - (c) For limitations on subsequent borrowings by the port either in the nature of permanent debt or temporary financing.
 - (d) For limitations on the amounts of appropriations in subsequent budgets for operating expenses.
- (3) A port has all necessary authority to carry out the terms and conditions so included in any such ordinance. The validity of the refunding bonds, however, shall not be dependent upon nor affected by the validity or regularity of the ordinance provisions enumerated in subsection (2) of this section. [Amended by 1971 c.728 s.84]

777.490 [Repealed by 1971 c.728 s.138]

777.500 Advertisement of bonds; bids; rejection of bids; readvertisement; time of sale limited. (1) Refunding bonds shall be advertised for sale at least once each week for not less than two successive weeks in a newspaper of general circulation published within the port or, if there is no such newspaper, then in a newspaper published in the county in which the port is located.

(2) All bids for such bonds shall be in writing and be sealed and, unless the sale is made to the sinking fund of the particular port or to the State of Oregon, shall be accompanied by a certified check or a cashier's check upon a bank doing business in this state for an amount of not less than two percent of the par value of the bonds for which the bid is submitted. Bids shall be opened publicly at the time and place specified in the advertisement. The bonds shall be sold for cash.

(3) If the bids for the purchase of the bonds are not satisfactory, the board may reject any and all of the bids and may readvertise for bids in the manner provided by this section.

(4) The date of sale shall not precede by more than four months the first succeeding date upon which the bonds to be refunded thereby will mature or may be called, redeemed or otherwise retired. [Amended by 1971 c.728 s.79; 1981 c.94 s.55]

777.505 Delivery of bonds to purchaser; deposit of sale proceeds; redemption and retirement of refunded bonds. (1) Refunding bonds, upon payment therefor in cash, may be delivered to the purchaser thereof at any time after sale date, but not later than the date as of which the refunded bonds have been called for payment. The bonds shall be delivered at the place in the State of Oregon designated by the board in the notice of sale of the bonds.

(2) Proceeds of sale of the bonds equal to the total par value of the bonds refunded shall be deposited at the fiscal agency mentioned in ORS 777.460 in conformity with the laws relating to deposits of funds with the fiscal agency or, at the option of the issuing port, pursuant to ORS 295.005 to 295.165, in a special trust account to be used solely for the payment of the principal of the outstanding refunding bonds and for no other purpose.

(3) The outstanding refunded bonds shall be redeemed and retired as soon as possible after the date of sale of the refunding bonds issued in lieu thereof, but in no case shall such refunding bonds be invalidated by reason of the failure of the port to redeem or retire the refunded bonds. [Amended by 1967 c.451 s.29; 1971 c.728 s.80]

777.510 Port warrants; execution; contents. A port board may issue warrants drawn upon any officer designated the custodian of money belonging to or credited to the port. Warrants shall be signed by the treasurer and countersigned by the president of the port or in the absence or inability of the president to act, by the vice president. Warrants shall show upon their face the nature and extent of the obligation satisfied. They may be used in payment of any obligation of the port, including expenses of operation, payment of the principal amount of port bonds at their maturity and in payment of interest or interest coupons of the bonds at the time the interest becomes due and payable. [Amended by 1971 c.728 s.34]

777.515 Payment of warrants; interest on warrants. (1) The treasurer of a port, or the treasurer of the county who is the legal custodian of funds belonging to or credited to a port, shall pay the warrants of the port when presented, if the treasurer has money in custody for the purpose of paying the obligation for which the warrant was given. The treasurer shall write on the face of the warrant the date of redemption and the treasurer's signature.

(2) If there are no funds in the custody of the port treasurer to pay the warrant when presented, the port treasurer

shall indorse thereon "Not Paid for Want of Funds" and the date of presentment over the signature of the port treasurer. The warrant shall draw interest at the legal rate from the date of such indorsement. Thereafter, the county treasurer, upon presentment of the warrant, shall pay upon the warrant any funds which may come into the county treasurer's custody for the purpose of paying the obligation for which the warrant was issued and shall, over the signature of the county treasurer, indorse the amount of the payment upon the warrant with the date of the payment.

(3) However, a warrant drawn in payment of the principal or face amount of a port bond shall in no event draw interest in excess of the rate of interest expressed upon the face of the port bond, and the rate of such interest shall appear upon the face of the warrant. Interest on a warrant shall cease from the date of notice by publication in some newspaper printed or circulated in the county. Notice shall be given by the port treasurer authorized to redeem the warrant, stating that there are funds to redeem outstanding warrants. The treasurer shall give notice when the treasurer has \$10,000 belonging to the fund. [Amended by 1971 c.728 s.35]

777.520 Special tax levy, rate, use of proceeds; bond sinking fund. (1) A port may assess, levy and collect each year in addition to other taxes which it is by law authorized to levy, a special tax upon all taxable real and personal property situated within the port.

(2) Such annual levy shall not exceed one-tenth of one percent. The proceeds thereof shall be used only in the purchase on the open market of bonds of the port, at such prices, as the board determines.

(3) All funds collected from such levy shall be placed in a separate fund, designated the bond sinking fund, and shall be used exclusively for the purposes provided by this section as long as the principal of any bond of the port remains outstanding or unpaid. After the principal of all bonds of the port has been paid, the balance remaining in such fund may be transferred to any other fund as the board may direct. [Amended by 1971 c.728 s.85]

777.525 [Repealed by 1971 c.728 s.138]

777.530 Special assessments for local improvement; assessment ordinance; assessment districts. (1) When a port constructs or acquires a local improvement which the port is authorized to construct or acquire, the board of that port may levy special assessments against property within the port in proportion to the benefits such property will receive on account of the construction or acquisition of the local improvement. However, before proceeding to construct or acquire a local improvement for which special assessments will be levied, the board shall adopt an ordinance that:

(a) Describes the local improvement to be constructed or acquired and the part of the work to be undertaken immediately;

(b) Contains a preliminary estimate of the probable cost of the local improvement;

(c) Determines the manner of financing the local improvement. The board may provide that the cost of the construction or acquisition shall be paid in part by assessments against the property directly benefited and in part out of general funds, ad valorem tax levies, the proceeds of the sale of bonds, service charges or any combination of such sources. The determination of the board as to the proportion of cost allocation shall be based on its sound discretion;

(d) Describes one or more assessment districts containing the properties against which the cost of the local improvement will be assessed;

(e) Provides for the method of assessment, the recording of assessment liens on properties that are directly benefited and for the making of supplemental assessments and rebates;

(f) Contains provision for a notice to be mailed to each affected property owner announcing the intention of the board to construct or acquire a local improvement, to create one or more assessment districts and to assess benefited property for a part or all of the cost; and

(g) Provides for a hearing not sooner than 20 days after the mailing of the notices described in paragraph (f) of this subsection at which affected property owners may appear to support or object to the proposed local improvement and assessment. The board shall consider such objections and may adopt, correct, modify or abandon the proposed local improvement or assessments.

(2) Special assessments in the port shall, so far as practicable, be apportioned within the port in accordance with the special and peculiar benefit each lot or parcel of land receives from the construction or acquisition of a local improvement.

(3) Special assessment districts authorized by this section may be established for, and limited to, financing the costs of planning and engineering required for the construction or acquisition of a local improvement.

(4) As used in this section, "local improvement" has the meaning given that term by ORS 223.001. [1989 c.644]

s.2; 1991 c.902 s.117]

Note: 777.530 and 777.535 were added to and made a part of ORS chapter 777 by legislative action but were not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

The provisions of ORS 223.205 to 223.314 (Bancroft Bonding Act) and ORS 223.770 relating to the assessment of property benefited by public improvements and to the issuance of bonds and other obligations for the cost of such improvements, shall apply insofar as practicable and applicable in relation to the assessment by ports of the cost or any portion of the cost of improvements against the property benefited in accordance with ORS 777.530 and to the issuance of bonds and other obligations by the port. However, notwithstanding ORS 223.295, the limitation specified in ORS 777.410 (1)(a) on the amount of general obligation bonds outstanding at any one time applies to bonds and other obligations issued under this section. [1989 c.644 s.3; 1991 c.902 s.116; 1995 c.333 s.21; 1997 c.249 s.223]

Note: See note under 777.530.

777.560 Ports may issue and sell revenue bonds; use of proceeds. For the purpose of carrying into effect any of the powers granted to ports, a port may issue and sell revenue bonds in accordance with ORS 777.560 to 777.590 without the necessity of obtaining the prior approval of the electors of the port. Proceeds from the sale of revenue bonds may be used by the port in its governmental capacity or loaned to private parties. The proceeds may be used to cover the costs incurred in issuing the bonds, and preliminary work incident to carrying out such purposes and powers, including but not limited to planning, engineering, inspection, accounting, fiscal, legal and trustee expenses, the cost of issuance of bonds, engraving, printing, advertising and other similar expenses, and to pay interest on the outstanding bonds issued for any project during the period of actual construction and for six months after the completion thereof. Revenue bonds shall not be a general obligation of the port nor a charge upon the tax revenues of the port, nor a charge upon any other revenues or property of the port not specifically pledged thereto. [1955 c.423 s.2; 1959 c.337 s.1; 1971 c.728 s.86; 1993 c.97 s.29]

777.565 Resolution or ordinance authorizing revenue bonds and creating special trust fund. (1) Revenue bonds shall be authorized by resolution or ordinance of the board. The resolution or ordinance shall provide for the creation of a special trust fund, authorize the appointment of a trustee to administer the fund, and obligate the port to set aside and pay into the special trust fund all, or a portion, of its nontax-derived revenues not otherwise pledged or committed for other purposes for any activity authorized by ORS 777.105 to 777.258, other than an activity under ORS 777.250 (4)(a) or (c). For a facility or facilities designated under ORS 777.250 (4)(a) or (c), no revenues other than those derived from the particular facility or facilities to be financed by the sale of the particular issue of revenue bonds then being authorized shall be pledged. The board may, in addition, pledge for the payment of the principal and interest of any issue of such bonds any property of the port not pledged for other purposes. However, with respect to revenue bonds issued to finance a facility or facilities designated under ORS 777.250 (4)(a) or (c), the board, in addition, may only pledge or mortgage such facilities including buildings, improvements or properties, and any land acquired in connection with such facilities, for the benefit of the holders of revenue bonds issued therefor. Notice that action upon the bond resolution or ordinance will be taken at the designated meeting of the board shall be given for a period of not less than two consecutive weeks, prior to the meeting, by publication once each week in a newspaper of general circulation, published within the port or, if there be no such newspaper, in a newspaper of general circulation, published within the county.

(2) A special trust fund created by a resolution or ordinance adopted under subsection (1) of this section shall be used solely for payment of principal and interest due upon the revenue bonds issued and sold pursuant to the resolution or ordinance, and to the payment of the costs and expenses enumerated in ORS 777.560.

(3) The resolution or ordinance may provide that if the money in the special trust fund is insufficient to pay the revenue bonds the bonds shall be payable out of any part or all of other nontax-derived revenues of the port. However, for a facility or facilities designated under ORS 777.250 (4)(a) or (c), no revenues other than those derived from the particular facility or facilities to be financed by the sale of the particular issue of revenue bonds then being authorized shall be pledged. When all bonds and expenses thereof have been paid so that no charge remains upon the special fund, the board may, by resolution or ordinance, transfer any balance remaining in the fund to its general fund, discharge the trustee and dissolve the special fund. The trustee authorized to administer the fund may, subject to

approval of the board, invest and reinvest moneys in the special fund in securities in which the State of Oregon may by law invest.

(4) ORS 777.560 to 777.590 and the provisions of the resolution or ordinance authorizing a revenue bond issue constitute a contract with the holders of the bonds, and shall be enforceable by any owner or holder of the bonds. [1955 c.423 s.3; 1959 c.337 s.2; 1965 c.223 s.3; 1967 c.621 s.1; 1971 c.728 s.87; 1979 c.407 s.2; 1997 c.171 s.23]

(5) May contain covenants of the port to protect and safeguard the security and rights of holders of such bonds and such other terms and conditions, in conformity with ORS 777.560 to 777.590, which the board determines are necessary or desirable to protect the port or increase the marketability of the bonds.

(6) Shall be in the form prescribed by the board and executed with either the autograph or facsimile signature of the president and countersigned by the secretary of the port. However, coupons, if any, attached to the bonds need bear only the printed or lithographed facsimile signature of the president and the secretary.

(7) May be issued with the right reserved to the board to redeem the bonds at par or at par plus a premium, in numerical order or in inverse numerical order, upon a designated interest-paying date or dates prior to the final maturity date or dates of the bonds. Notice of redemption shall be given in the manner specified in the bonds, as provided in ORS 288.520. Newspaper publication of notice of redemption is not required for bonds that are in registered form. [1955 c.423 s.4; 1959 c.337 s.3; 1965 c.223 s.4; 1971 c.728 s.141; 1971 c.778 s.1; 1981 c.879 s.3; 1997 c.171 s.24]

Bids shall be in writing and be sealed and, unless the bidder is the State of Oregon, accompanied by a certified check or a cashier's check upon a bank doing business in this state in an amount not less than two percent of the par value of the bonds. Bids shall be opened publicly at the time and place specified in the advertisement. If the bids are not satisfactory, the board may reject any and all bids and may readvertise for bids in the manner provided by this subsection.

(3) The board may sell any of the bonds to the federal government or any agency thereof at private sale without advertisement or calling for bids.

(4) Revenue bonds including revenue bonds to refund such bonds of a port may be sold to any person either at a public or private sale without advertisement or calling for bids as the board may in its sole discretion determine. Coupons, if any, attached to the bonds need bear only the printed, engraved or lithographed facsimile signature of the president and the secretary or an assistant secretary of the port.

(4) May be issued with the right reserved to the board to redeem the bonds at par or at par plus a premium, in such order, and at such time or times prior to the final maturity date or dates of the bonds, as the board by ordinance may provide. The board shall certify the results of the election to the county governing body. The order of annexation shall be entered by the county governing body when a majority of all the votes cast in the territory and the port are in favor of the annexation.

(5) After the date of entry of an order by the county governing body annexing territory to the port, the territory annexed shall become subject to the outstanding indebtedness, bonded or otherwise, of the port in like manner as the territory within the port.
