GENERAL PROVISIONS

341.005 Definitions. As used in this chapter, unless the context otherwise requires:

(1) “Academic year” means the year beginning July 1 of each year and ending June 30 of the following year running concurrently with the fiscal year.

(2) “Board” means the board of education of a community college district.

(3) “Board member” means a member of the board of education of a community college district.

(4) “Commissioner” means the Commissioner for Community College Services appointed under ORS 326.375.

(5) “Community college” means a public institution operated by a community college district for the purposes of providing courses of study limited to not more than two years’ full-time attendance, with the exception of technical programs in which the curriculum may require more than two years of attendance but less than four years, and designed to meet the needs of a geographical area by providing educational services, including but not limited to professional technical education programs or lower division collegiate programs.

(6) “Community college district” or “district” means a district formed under this chapter to operate one or more community colleges or to secure educational services available at a community college. “Community college district” includes a community college service district.

(7) “Full-time equivalent student” means a student or combination of several students who carries or carry among them, within a single academic year, a minimum number of clock hours of instruction, in any program, to be specified by rule by the State Board of Education.

(8) “Operating expenses” means the sum of the expenditures of a community college district for administration, instruction, necessary student services, operation and maintenance of plant and fixed charges, as determined in accordance with the rules of the State Board of Education.

(9) “Paying agent and registrar” means the county treasurer or county fiscal officer of the county in which the chief administrative officer of the community college district maintains the administrative office.

(10) “Petitioning territory” means a community college district petitioning to have an area outside the district included in the district or to have an area inside the district excluded from the district, or an area outside the district petitioning to be included within the district.

(11) “Principal county” means the county in which the chief administrative officer of the community college district maintains the administrative office.

(12) “State board” means the State Board of Education. [Formerly 341.510; 1971 c.513 §1; 1981 c.173 §52; 1987 c.474 §4; 1993 c.45 §§127,128; 1995 c.67 §1; 1997 c.271 §3]

341.009 Policy. The Legislative Assembly finds that:

(1) The community college is an educational institution which is intended to fill the institutional gap in education by offering broad, comprehensive programs in academic as well as professional technical subjects. It is primarily designed to provide associate or certificate degree programs for some, serve a transitional purpose for others who will continue baccalaureate or other college work, provide the ability to enter the workforce immediately and serve to determine future educational needs for other students. It can provide means for continuation of academic education, professional technical training or the attainment of entirely new skills as demands for old skills and old occupations are supplanted by new technologies. It may also provide the means to coordinate courses and programs with high schools to enhance the Certificate of Advanced Mastery and to accommodate successful transition to college degree programs.

(2) Each community college should be so located as to be within commuting time of a substantial majority of its students. As an economical method of providing education close to the student’s home, the community college should remain a commuting institution.

(3) The community college should establish its organizational patterns to maintain a unique quality of flexibility and the ability to change to meet changing needs.

(4) The community college is a post-high-school institution under the general supervision of the State Board of Education. It should not be a “starter” institution intended to evolve into a four-year baccalaureate institution. It should be concerned with programs terminating before reaching the baccalaureate degree.

(5) The community college should continue to be prohibited by law from becoming a baccalaureate degree granting institution.

(6) Admission to the community college should be open to high school graduates or to non-high school graduates who can profit from the instruction offered.

(7) There should be close cooperation between those directing the community college program and those responsible for higher education, so that lower-division college transfer programs of the community college will provide adequate preparation for entering baccalaureate degree granting programs, and so that students will be able to transfer with a minimum of difficulty.

(8) The community college should offer as comprehensive a program as the needs and resources of the area which it serves dictate. Cost to student and quality of instruction in established private institutions should be among the factors in determining necessary duplication of effort.

(9) It should be the policy of the community college to open its facilities and make available its resources to the

high schools of its area on a sound contractual basis, for appropriate secondary or transitional courses, either academic or professional technical, when it is within its ability to provide facilities and it is determined that the high school cannot or does not offer them.

(10) Programs designed to meet the needs of the area served should be based on the actual educational and service needs of the district. Specific professional technical courses should be related not only to the employment opportunities of the area but of the state and nation as well. Such determination should be made in consultation with representatives of labor, business, industry, agriculture and other interested groups.

(11) The State Board of Education should be responsible for coordinating the community college program of the state and should have general supervisory responsibilities for that program. The State Board of Education should prepare estimates and make the requests for legislative appropriations for a reasonable and consistent basis of support and establish standards for the distribution of that support.

(12) The initiative for the establishment of new community colleges should come from the localities to be served, as a response to demonstrated educational needs of an area. However, these localities must not only be willing to assume the responsibility for the institutions but must be able to provide resources needed for an adequate educational and service program.

(13) The governing board of the community college should be charged with the policy-making function. With respect to educational programming, the governing board should in cooperation with the State Board of Education:

- (a) Identify educational needs of the district; and
- (b) Bring together the resources necessary to meet the needs.

(14) The state should maintain a policy of substantial state participation in community college building costs and the maintenance of an adequate level of state support for operation. However, no state funds should be appropriated for buildings such as dormitories or athletic facilities for spectator sports. The district should provide a substantial portion of the funds for capital improvement as well as for operation of a community college.

(15) State appropriations for community colleges shall be made separately from those for other segments of education.

(16) The formula for the distribution of funds for operating costs should reflect the heavier operating costs and capital outlay for certain professional technical courses. Federal funds received for professional technical training, adult basic education, workforce development or other federal initiatives should be used for those purposes only and be distributed separately from funds appropriated by the state and should be exempted from the computations of the present distribution formula for operating costs.

(17) The cost of education to the individual should be sufficiently low to permit students of low-income families to attend. This is particularly true of tuition costs. However, students should pay an amount sufficient to provide an incentive to profit from the instructional program offered.

(18) Any eligible Oregon resident should have the right to attend a community college even though not residing in a district operating one, subject to the right of the governing board to limit the size of classes and to give preference to students residing in the district. Local school districts and education service districts should have the authority to negotiate the terms and conditions with the governing boards for the enrollment of students residing in such areas.

- (a) Directly by formation of a community college district; or

(b) Indirectly by contract with an existing community college district.

(2) The Department of Community Colleges and Workforce Development shall fix responsibility for serving each area that is not within a community college district. Where feasible, each area shall be a whole county or a group of counties or that part of a county not already in a community college district.

(3) In order to obtain the services described in subsection (1)(b) of this section, residents of a nondistrict area must indicate their interest in receiving services by requesting formation of a local advisory committee and seeking the advice and counsel of the Department of Community Colleges and Workforce Development.

(4) The State Board of Education by rule shall establish standards for determining when there is sufficient interest among the residents of a nondistrict area to warrant appointment of a local advisory committee.

(5) When the Department of Community Colleges and Workforce Development has made the determination under subsection (4) of this section, the department and the interested residents of the nondistrict area shall apply jointly to the governing body of the county for the appointment of a local advisory committee.

(6) Upon application, the governing body of the county shall appoint a local advisory committee and shall insure that the committee is broadly representative of the nondistrict area.

(7) If the nondistrict area involves two or more counties, the governing body of each county shall appoint members to the local advisory committee in proportion to the number of county residents within the nondistrict area.

(8) The governing body of a county making appointments under subsection (6) or (7) of this section shall not be obligated to fund any part of the budget described in ORS 341.021 (3).

(9) The duties of the local advisory committee shall include, but need not be limited to, advising the officials of the community college district serving the nondistrict area on the educational needs of the area.

(10) As used in ORS 341.019 to 341.022, "community college district" includes a community college service district. [1987 c.191 §2; 1991 c.757 §3]

(2) The responsibilities of the host community college district shall include:

(a) Preparing a written agreement for services to be provided to nondistrict areas using a format specified by the Department of Community Colleges and Workforce Development; and

(b) Acting as the fiscal agent for agreements including establishing tuition and fees for services offered under terms of an agreement.

(3) Agreements between the community college district and nondistrict entities as listed in ORS 341.315 shall include an annual budget setting forth both revenue and expenditures. The budget shall be based upon the following conditions:

(a) Subject to ORS 341.022, eligible full-time equivalent student enrollment produced under the agreement may be claimed for state reimbursement purposes by the community college district. Such reimbursement shall come from the Community College Support Fund established in ORS 341.620 and shall be distributed as directed in ORS 341.626 and the rules of the State Board of Education.

(b) A share of the budget shall be provided by those individuals or agencies receiving service under this agreement as specified by rule of the State Board of Education adopted under ORS 341.024 (3).

(4) Agreements developed under this section shall be wholly supported by Community College Support Fund reimbursement, nondistrict student tuition and nondistrict resources. [1987 c.191 §3; 1991 c.757 §4; 1995 c.67 §4]

341.022 Maximum reimbursable enrollments in nondistrict areas. Annual state reimbursable enrollments under an agreement with a nondistrict area shall not exceed 300 full-time equivalent students. [1987 c.191 §4]

COMMUNITY COLLEGE DISTRICTS

(Formation)

341.025 Petition for formation of district. (1) Whenever the electors registered in contiguous territory desire the formation of a community college district, they may sign a petition requesting the formation of such a district and present it to the State Board of Education.

(2) The petition must be substantially in the form established by the state board which shall furnish the petition form and:

- (a) Must contain the minimum number of signatures fixed by the state board of 500, or 10 percent of the electors registered in each county or part of a county within the designated territory, whichever is the lesser;
- (b) Must designate the boundaries of the territory to be included in the proposed district which may include all or part of the territory lying within the boundaries of a school district and may be located in more than one county;
- (c) Must request that the territory be organized into a district;
- (d) May specify or reserve the right to specify the location for the proposed community college or may request the state board to determine the location;
- (e) Must specify the method of nomination and election of the board of education of the proposed district from among the methods described in ORS 341.327; and
- (f) Must contain any other information required by rules of the state board. [Formerly 341.710; 1967 c.465 §5; 1969 c.220 §1; 1969 c.673 §1; 1971 c.513 §73; 1983 c.83 §71; 1983 c.350 §194; 1989 c.261 §1; 1995 c.67 §5]

341.030 [Repealed by 1965 c.100 §456]

341.035 [Formerly 341.720; repealed by 1969 c.673 §14]

341.037 [1971 c.513 §74b; 1987 c.192 §1; repealed by 1989 c.261 §4]

341.039 Community college service district; petition; powers; question for electors; method of change. (1) A petition submitted pursuant to ORS 341.025 may specify that the proposed district be organized as a community college service district. The formation of a community college service district shall comply with the provisions of ORS 341.025 to 341.125. A petition affecting a territory that, in the judgment of the Commissioner for Community College Services, will not generate an annual enrollment in excess of 1,000 full-time equivalent students after three years of operation shall be considered to be a petition for the formation of a community college service district.

(2) If formed, a community college service district shall in all respects be governed by the laws applicable to community college districts with the following exceptions:

(a) Notwithstanding ORS 341.675, community college service districts formed after July 1, 1997, may not incur bonded indebtedness for any purpose. This limitation shall not be construed to prohibit lease-purchase arrangements or other lawful forms of capital financing. A community college service district may hold and own buildings and grounds acquired through gifts or financing methods authorized by this section.

(b) The board of education for a community college service district shall annually review the programs and services of the service district. This review shall have as its purpose a determination of which services can most effectively and economically be delivered directly and which services can best be delivered through contracting arrangements. The direct hiring of faculty and staff is expressly permitted.

(3) After having been in operation for at least three years, a community college service district may submit to the electors of the district the question of whether the district shall operate as a community college district.

(4) Prior to submitting the question to the electors, the community college service district must have been in operation for three years, and must have secured the approval of the State Board of Education to hold the election. Before granting approval, the state board must find:

(a) The service district has acquired stability as demonstrated by a continuity of management, regularly adopted policies and procedures and adequate financial resources; and

(b) The service district has adopted a sound comprehensive plan that sets out the district's instructional and capital plans for five years. [1989 c.261 §3; 1997 c.249 §102; 1997 c.271 §1; 1999 c.21 §67; 1999 c.211 §1]

Note: 341.039 was added to and made a part of ORS chapter 341 by legislative action but was not added to any series therein. See Preface to Oregon Revised Statutes for further explanation.

341.040 [Repealed by 1965 c.100 §456]

341.041 Conversion of certain community college service districts to community college districts.

Notwithstanding ORS 341.039 (3) and (4), on July 1, 2001, all community college service districts formed prior to July 1, 1997, shall become community college districts and on and after July 1, 2001, shall operate as community college districts. [2001 c.168 §2]

341.045 Feasibility study; hearing. (1) The State Board of Education shall examine the petition to determine whether it is complete. If the petition is complete and if formation of the district is consistent with the overall plan for all education in the state, the state board shall undertake a study of the feasibility of a community college in the geographical area proposed by the petition, including but not limited to:

(a) Educational needs of the area.

(b) Potential enrollment levels.

(c) The rate of operating taxes that is required to meet the local share of operating and capital expenses and that would, if adopted, be the district's permanent rate limit for operating taxes, including whether the proposed rate bears a reasonable relationship to the permanent rate limit of operating community college districts of similar size and circumstance to the proposed new district. If the proposed rate is substantially below the rate of similar operating districts, the feasibility study shall explicitly detail how the proposed new district intends to provide a comprehensive community college program.

(d) Relationship of the proposed district to the overall plan for all education in the state.

(e) Boundaries of the proposed district.

(f) The appropriateness of the proposed name of the community college district or the community college, if a name is proposed, in order to determine that the proposed name is not misleading, confusing or grossly inappropriate.

(2) Upon completion of its study, the state board shall set a date for a public hearing on the petition and study and shall give notice of the hearing in the manner provided in ORS 341.357.

(3) The notice of hearing shall state:

(a) A study has been conducted on a proposed district.

(b) The boundaries of the proposed district.

(c) Whether the proposed community college district specifies providing its courses through contract with agencies authorized to enter into such contracts.

(d) The time and place set for the hearing on the petition. [Formerly 347.730; amended by 1967 c.465 §1; 1969 c.673 §2; 1971 c.513 §74; 1991 c.397 §1; 1997 c.541 §378]

341.050 [Repealed by 1965 c.100 §456]

341.055 Hearing; alteration of proposed boundaries. (1) At the time designated in the notice, the State Board of Education or its authorized representative shall conduct a public hearing on the study and may adjourn the hearing from time to time. The state board may alter the boundaries set forth in the petition submitted under ORS 341.025 to include all territory the residents of which will be materially benefited by formation of the community college district as determined by its study. The state board shall not modify the boundaries of the district as set forth in the petition so as to exclude from the district any territory the residents of which will be materially benefited by formation of the district, nor may there be included in the proposed district any territory the residents of which will not be materially benefited.

(2) If the board concludes that any territory has been improperly included or omitted from the proposed community college district and that electors within the included or omitted territory have not appeared at the hearing, the board shall continue further hearing on the study and shall order notice given to the nonappearing electors requiring them to appear and show cause why their territory should not be excluded or included in the proposed district. The notice shall be given either in the same manner as notice of the original hearing was given or by personal service on each

nonappearing elector. If notice is given by personal service, such service shall be made at least 10 days prior to the date fixed for the hearing. [Formerly 341.740; 1967 c.465 §2; 1969 c.673 §3]

341.060 [Repealed by 1965 c.100 §456]

341.065 Dismissal of petition. If, in the opinion of the State Board of Education, the study and the testimony presented at the hearing or hearings held under ORS 341.055 indicate that the formation of a community college district as petitioned is not warranted under the policies set forth by ORS 341.009, the state board shall order dismissal of the petition. An appeal from this order may be taken within 60 days in the manner provided in ORS 183.480. [1965 c.238 §2; 1967 c.465 §3; 1969 c.673 §4; 1991 c.397 §2]

341.070 [Repealed by 1957 c.723 §28]

341.075 [Formerly 341.750; repealed by 1969 c.673 §5 (341.076 enacted in lieu of 341.075)]

341.076 State board recommendation to legislature or Emergency Board; appeal; revision of recommendation; hearing; effect of legislative action. (1) If, upon final hearing of the study, the State Board of Education approves formation of a community college district, with boundaries either as originally presented or as altered pursuant to the hearing, the state board shall make its recommendation to the Legislative Assembly, or if it is not in session, to the Emergency Board, describing the exterior boundaries and the zone boundaries for the election of members of the board of education of the community college district, if any. If no appeal from this recommendation is filed within 60 days after the date of the recommendation, the recommendation becomes final.

(2) If an appeal is filed, the recommendation becomes final on the date the recommendation is affirmed by the court. However, if the recommendation is not affirmed, the state board shall not submit its recommendation to the Legislative Assembly or to the Emergency Board but may reconsider the conclusions of its study and if it revises those conclusions, it may set a date for a new hearing.

(3) Appeals shall be governed by ORS 183.480.

(4) Upon receipt of the final recommendation, the Legislative Assembly during session thereof or the Emergency Board if the Legislative Assembly is not in session shall approve or disapprove the recommendation. If the recommendation is approved, an election under ORS 341.085 may be held. If the recommendation is disapproved, the state board may revise its recommendation and resubmit a final recommendation to the Legislative Assembly or the Emergency Board but not sooner than 60 days after the action of disapproval was taken. [1969 c.673 §6 (enacted in lieu of 341.075); 1971 c.513 §75; 1977 c.827 §1]

If the district has been zoned and the position is to be filled by nomination or election by zone, the petition shall be signed by at least 25 electors registered in the zone. The agreement may be reinstated by mutual consent of the parties.

(5) The State Board of Education shall adopt rules governing attendance in community colleges or comparable institutions in other states for purposes of the reimbursement authorized under subsections (1) and (2) of this section to assure that Oregon residents shall not be the object of such reimbursement if they can obtain the same education within the state without undue hardship. BOUNDARY CHANGES

341.565 State board as boundary board; petition, hearings; legislative approval required; effective date of change; filing of change. (1) The State Board of Education shall constitute the boundary board for making any changes in the boundaries of community college districts. The state board on its own motion or on petition from a petitioning territory may propose changes in the boundaries of the community college district. The state board must find that the proposed change will have no substantially adverse effect upon the ability of the affected districts to provide and continue their program and is not made solely for tax advantages to property owners in the district or area affected by the proposed change.

(2) The petitions shall be in a form prescribed by the state board and must contain such information as the state board may require. The petition shall contain a minimum number of signatures as fixed by the state board.

(3) Before any order changing boundaries of an existing district is entered, the state board shall set dates for a public hearing in the area to be included in the district or excluded from the district by the proposed boundary change and in the case of annexation of new territory in the principal town of the existing district and shall give notice in the manner required in ORS 341.357. At the time set in the notice, the state board or its authorized representative shall conduct a public hearing on the motion or petition and may adjourn the hearing from time to time.

(4) If, upon final hearing, the state board approves the motion or petition, it shall make an order describing the revised boundaries of the district. The order becomes final when it is approved by the Legislative Assembly during sessions thereof or by the Emergency Board if the Legislative Assembly is not in session. If the order is not approved, the state board may revise it and resubmit its order to the Legislative Assembly or the Emergency Board but not sooner than 60 days after the action of disapproval was taken.

(5) Any division of assets and liabilities required by a change in the boundaries of a district shall be made pursuant to ORS 341.573.

(6) When the boundaries of a district are changed, if the final order of the state board or the election held under ORS 341.569:

(a) Occurs between July 1 and March 31, inclusive, the change shall take effect the June 30 following the final order or election favoring the change.

(b) Occurs between April 1 and June 30, inclusive, the change shall take effect the June 30 of the following year.

(7) For purposes of ad valorem taxation, a boundary change must be filed in final approved form with the county assessor and the Department of Revenue as provided in ORS 308.225. [1971 c.513 §83; 1977 c.827 §2; 1995 c.67 §26; 2001 c.138 §16]

341.569 When election on change required. (1) The State Board of Education must submit the question of a proposed boundary change to a vote only if:

(a) The state board enters the order to revise the boundaries of a community college district;

(b) A remonstrance signed by at least five percent or at least 500, whichever is less, of the electors either in an area to be included in the district or excluded from the district by the proposed boundary change or in the community college district is filed with the state board within 20 days after the date on which the hearing under ORS 341.565 is adjourned finally; and

(c) Area to be included in the district is not surrounded by the territory of a single community college district.

(2) When necessary under subsection (1) of this section, the question shall be submitted to the electors of the area or district filing a remonstrance or in both if remonstrances meeting the requirements of subsection (1) of this section are filed from both.

(3) If the proposed boundary change is defeated, the same or a substantially similar change shall not be considered until at least 12 months have elapsed from the date of the election at which the change was defeated. If the vote is favorable in the area or district from which a remonstrance was filed, the state board shall declare the change effective on the date determined under ORS 341.565. [1971 c.513 §84; 1983 c.350 §210; 1983 c.740 §107]

341.570 [1959 c.641 §25; 1961 c.602 §6; 1965 c.100 §332; renumbered 341.435]

341.573 Division of assets and liabilities. (1) When changes in district boundaries are made by the detachment of territory or an annexation of territory and another community college district is affected, the boards of the districts shall make an equitable division of the then existing assets and liabilities between the districts affected by such change and provide the manner of consummating the division.

(2) In case of failure to agree within 20 days from the time of such change, the matter shall be decided by a board of arbitrators. The board of arbitrators shall consist of one member appointed by each of the boards of the affected districts and an additional member appointed by the other appointees.

(3) In the event any such board fails to appoint an arbitrator within 30 days, the State Board of Education shall appoint such arbitrator. In the event the arbitrators selected fail to appoint the additional arbitrator within 30 days after the appointment of the arbitrator last appointed, the State Board of Education shall notify the judge senior in service of the circuit court of the principal county. Within 10 days after receiving such notice, the judge shall appoint one additional arbitrator.

(4) Each member of the board of arbitrators shall be entitled to the sum of \$100 per day for each day's service, and necessary expenses, while serving in the official capacity of the member. Expenses thus incurred shall be equally apportioned among the districts concerned.

(5) The decision of the arbitrators is final and may be reviewed in the manner provided in ORS 36.355 to 36.365.

(6) Assets include all property and moneys belonging to the district at the time of division. Liabilities include all debts for which the respective districts in their corporate capacities are liable at the time of division. In determining the assets, property shall be estimated at its fair value. The assets and liabilities shall be divided between the districts in proportion to the last assessed value of the real and personal property. The district retaining the real property shall pay the other districts concerned such sums as are determined in accordance with the provisions of this section. All funds to be apportioned during the current fiscal year, after such division, shall be made in proportion to the number of persons in each district according to the latest federal census. [1971 c.513 §85; 1979 c.772 §22]

341.575 Liability of annexed or merged territory. When territory is annexed to or merged with a community college district, the new territory shall become liable for its share of the existing debt of the community college district. [1971 c.513 §95]

341.577 Procedure when district annexes new territory that is greater in population than original district. (1) Notwithstanding any other provision of this chapter, when the new territory annexed to an existing community college district is greater in population than the original territory, based upon the latest federal census, the provisions of this section shall govern the community college district for a period of not less than 10 years after the effective date of the boundary change.

(2) Program access and facilities for students shall be maintained in the original territory for a period of not less than 20 years while programs and facilities for students are developed in the new territory.

(3)(a) After the approval by the electors of both the original territory and the new territory of the boundary change, the mode of election of board members shall be changed as provided in this subsection. The term of office of a board member shall be four years. Electors of each of the seven zones shall elect a board member.

(b) No later than the 90th day after the boundary change election under ORS 341.579 (1), five zones for the new territory shall be established by the State Board of Education.

(c) No later than June 30, two zones for the original territory shall be established by the State Board of Education before the election of the first director to either zone as provided in this subsection.

(d) Zones shall be established with the boundaries exclusively within the original territory or exclusively within the new territory, and with the zones as nearly equal in population as is feasible according to the latest federal census.

(e) An elector may sign a petition of nomination and may vote only for a candidate from the zone in which the elector resides.

(f) The four-year terms of office pertaining to the five numbered zones of the original territory shall continue until the regularly scheduled June 30 termination date of each expires. A board member shall be nominated and elected in the same numbered zone in the new territory at the regular district election immediately preceding the June 30 date, and the director from that zone shall take office on the July 1 following the date of election.

(g) Board members nominated and elected to office by zone in the original territory, and any person elected or appointed to fill any vacancy in such office, shall continue to hold office until the expiration of the board member's term.

(h)(A) The two at-large board positions in the original territory shall become the two zoned positions of the original territory after that June 30 on which the last zone of the original territory no longer is in effect.

(B) At that time, the directors in office in the two at-large board positions in the original territory shall each be assigned that zone in which each resides, if both reside in separate zones.

(C) If the two directors reside in the same zone, then that director elected by the greater number of votes between the two directors at large shall hold the board position for the territory of the zone in which the director resided at the date of election, and the other director shall hold the board position of the other zone.

(D) Such board members shall continue in office until their respective terms of at-large election expire, provided any vacancy occurring in a board member's office before the expiration of such term shall be filled until expiration by appointment by the board of a resident of the board member's zone.

(4) The board shall appoint an advisory committee of seven members, including three from the original territory and three from the new territory. The board shall appoint a seventh, at-large member from a list of persons nominated by the advisory committee. The at-large member shall be the chairperson. The advisory committee members shall be appointed, and may be reappointed, for terms of three years, and the terms shall be staggered so that approximately one-third of the terms of the members end each year. The board shall give deliberative consideration to all recommendations of the advisory committee concerning policy related to district organization, educational services and facilities in regard to both the original territory and the new territory.

(5) Subject to ORS 294.336, members of the advisory committee shall be appointed to the community college district budget committee. The community college district budget committee shall review and recommend budgets established and delineated by territory based on revenues and resources available.

(6) The chief administrative officer of the district shall maintain the administrative office of the district in the original territory.

(7) Collective bargaining shall be maintained uniformly across the original territory and new territory.

(8) After receiving any recommendation of the advisory committee, the board may continue one or more of the provisions of subsections (1) and (3) to (7) of this section in effect for an indefinite period after the expiration of the 10-year period referred to in subsection (1) of this section.

(9) The original territory shall remain liable for the existing debt of the community college district payable from ad valorem property taxes levied specifically for the payment of such indebtedness. [1995 c.357 §2]

341.579 Vote on proposed boundary change subject to ORS 341.577; state board's order. (1) The State Board of Education shall submit the question of any boundary change pertaining to a community college district subject to ORS 341.577 to a vote of the electors held the same day in both the original territory and the new territory.

(2) If the proposed boundary change is defeated in either territory, the same or a substantially similar change shall not be considered until at least 12 months have elapsed from the date of the election at which the proposed change was defeated. If the vote is favorable in both the original territory and the new territory, and subject to determination by the state board that there is a legislative appropriation to the Community College Support Fund established in ORS 341.620 to support the new district resulting from the boundary change at a level commensurate with support for other community college districts, then the state board shall declare the change effective on the date determined under ORS 341.565. Implementation of the state board's order shall take place only if the funds needed to accommodate the impact of annexation on other local education districts are appropriated specifically for that purpose by the Legislative Assembly or allocated by the Emergency Board. EXPANSION OF COMMUNITY COLLEGE DISTRICTS

341.601 "District" defined. As used in ORS 341.604 to 341.618, "district" means the:

(1) Blue Mountain Community College District, a political subdivision and municipal corporation of the state organized pursuant to this chapter; and

(2) Rogue Community College District, a political subdivision and municipal corporation of the state organized pursuant to this chapter. [1995 c.357 §4; 1999 c.1027 §5]

341.604 Classification and designation of service areas. (1) If expansion of a district is approved by the voters, the Legislative Assembly or the Emergency Board:

(a) For the Rogue Community College District, two service areas shall initially be classified and designated within the district. The first service area shall be coterminous with the boundaries of Jackson County or such portion thereof as is included in the expanded district approved by the voters. The second service area shall be coterminous with the boundaries of Josephine County.

(b) For the Blue Mountain Community College District, service areas shall be classified and designated within the district. The boundaries of the service areas shall be coterminous with the boundaries of the counties within the district.

(2) Thereafter, the district board by resolution may additionally designate as service areas any territory or territories within the district that are benefited by the acquisition, construction and installation of community college facilities. Each additional service area designed by the district board shall be located entirely within the territory of a service area designated in subsection (1) of this section. In no event shall the district board designate as a service area any portion of the district incorporating territory located within two or more service areas designated in subsection (1) of this section.

(3) The district board shall have no power or authority to amend the boundaries of the service areas designated in subsection (1) of this section. The district board may by resolution amend the boundaries of any additional service area designated pursuant to subsection (2) of this section to conform to changes in the community college services provided by the district. However, the boundaries of a service area shall not be amended if bonded indebtedness issued pursuant to ORS 341.611 or any other indebtedness for the benefit of such service area is then outstanding. [1995 c.357 §5; 1999 c.1027 §6]

341.605 [1965 c.100 §337; repealed by 1971 c.513 §100]

341.608 Service area financing; bonded indebtedness. (1) Subject to restrictions in the Oregon Constitution and subsection (2) of this section, any of the methods of financing authorized under this chapter or any other provision of

law that is available to community college districts organized pursuant to this chapter may, in the discretion of the district board, be implemented from time to time in a specific service area, or in one or more specific service areas simultaneously.

(2) If expansion of the district is approved by the voters, no bonded indebtedness or other indebtedness may be incurred for the general benefit of the district as a whole. Any bonded indebtedness designated to be for the benefit of service areas constituting substantially all of the territory within the boundaries of the service areas created or designated in ORS 341.604 shall be deemed to be incurred for the general benefit of the district as a whole, and shall be outside the authority conferred by this section. In place of such authority the district may incur bonded indebtedness or other indebtedness for the benefit of a specific service area upon satisfaction of the conditions set forth in ORS 341.611 and 341.613. [1995 c.357 §6]

341.610 [1959 c.641 §33; 1961 c.602 §9; 1963 c.483 §14; 1965 c.100 §340; 1965 c.262 §8; 1965 c.487 §3; renumbered 341.625]

Only the district voters residing in the territory of the affected service area shall be entitled to vote at such election. The district board may order the election on its own motion, or shall order the election if a petition is filed as provided in ORS 341.678 on behalf of the voters of such service area. The election shall be held in accordance with the provisions of ORS 341.356 to 341.379. [1995 c.357 §7]

341.613 Bonded indebtedness restrictions. (1) Following authorization from the voters of a service area, the district board may contract a bonded indebtedness to be paid by a tax levy on the taxable property within such service area for any one or more of the purposes set forth in ORS 341.675. Any land acquired, college building or buildings or any additions thereto, and any real or personal property to be paid for with the proceeds of such bonded indebtedness must be located within the boundaries of such service area.

(2) The aggregate amount of bonded indebtedness incurred for the benefit of a service area, when added to the aggregate amount of other bonded indebtedness payable from ad valorem property taxes levied within such service area, shall not exceed one and one-half percent of the real market value of all taxable property within such service area, computed in accordance with ORS 308.207. [1995 c.357 §8]

341.615 [1965 c.100 §338; repealed by 1971 c.513 §100]

341.616 Levy of direct ad valorem tax to pay bonds; procedure for advertisement and sale of bonds. (1) The district board shall ascertain and levy annually, in addition to all other taxes, a direct ad valorem tax on all the taxable property within the territory of a service area sufficient to pay promptly, when and as such payments become due, the maturing interest and principal of all bonds outstanding for the specific benefit of such service area that have been approved at an election held pursuant to ORS 341.678 within such service area. The amount of the tax may be increased by an amount sufficient to retire any bonds that may be callable.

(2) Funds derived from a tax levy within a service area specifically for the purpose of paying bonded indebtedness shall be applied solely to the payment of the bonds for which such taxes were levied and shall not be applied to the payment of any other indebtedness of the district.

(3) Bonds authorized pursuant to the terms hereof, and any bonds refunding such bonds, shall be advertised and sold in accordance with the procedures set forth in ORS 287.028 or 341.702, as determined by the district board. [1995 c.357 §9]

341.618 Application of ORS 341.675 to 341.715 to bonds. Except to the extent that they are inconsistent with the provisions of ORS 341.604 to 341.618 or rules adopted thereunder, the provisions of ORS 341.675 to 341.715 shall apply to bonds authorized pursuant to ORS 341.604 to 341.618 and to taxes levied to pay such bonds. [1995 c.357 §10]

341.619 New territory in Blue Mountain and Columbia Gorge Community College Districts not liable for existing debt. (1) Notwithstanding ORS 341.575, when territory is annexed to the Blue Mountain Community College District, the new territory shall not become liable for any existing debt of the Blue Mountain Community College District that resulted from the bond measure that was approved by the people at the general election held on November

3, 1998.

(2) Notwithstanding ORS 341.575, when territory within Hood River County is annexed to the Columbia Gorge Community College District, the new territory shall not become liable for any existing debt of the Columbia Gorge Community College District that resulted from a bond measure that was approved by the people at a general election held prior to January 1, 2001. [1999 c.1027 §2; 2001 c.836 §1]

Note: Section 4, chapter 1027, Oregon Laws 1999, provides:

(2) Program access and facilities for students shall be maintained in the original territory for a period of not less than 20 years while programs and facilities for students are developed in the new territory.

(3)(a) After approval of the boundary change by the Emergency Board or by the electors of both the original territory and the new territory, the mode of election of board members shall be changed as provided in this subsection.

(b) No later than the 90th day after the boundary change is approved, seven zones for the new and existing territory shall be established by the State Board of Education.

(c) Zones shall be established with the boundaries exclusively within the original territory or exclusively within the new territory, and with the zones as nearly equal in population as is feasible according to the latest federal census.

(d) An elector may sign a petition of nomination and may vote only for a candidate from the zone in which the elector resides.

(e) Board members nominated and elected to office in the original territory, and any person elected or appointed to fill any vacancy in such office, shall continue to hold office until the expiration of the board member's term. As vacancies occur, positions to be filled by nomination or election by zone shall be filled by persons who reside within zones in the new territory that are not represented on the board. If more than one zone is not represented on the board when a vacancy occurs, the zone entitled to elect a board member shall be decided by lot.

(f) A board member shall be nominated and elected in the same numbered zone at the regular district election immediately preceding the June 30 termination date, and the director from that zone shall take office on the July 1 following the date of election. The term of office of a board member shall be four years. Electors of each of the seven zones shall elect a board member.

(4) The board shall appoint an advisory committee that includes one member from each county in the community college district. The board shall appoint an additional, at-large member from a list of persons nominated by the advisory committee. The at-large member shall be the chairperson of the advisory committee. The advisory committee members shall be appointed, and may be reappointed, for terms of three years, and the terms shall be staggered so that approximately one-third of the terms of the members end each year. The board shall give deliberative consideration to all recommendations of the advisory committee concerning policy related to district organization, educational services and facilities in regard to both the original territory and the new territory.

(5) Subject to ORS 294.336, members of the advisory committee shall be appointed to the community college district budget committee. The community college district budget committee shall review and recommend budgets established and delineated by territory based on revenues and resources available.

(6) The chief administrative officer of the district shall maintain the administrative office of the district in the original territory.

(7) Collective bargaining shall be maintained uniformly across the original territory and new territory.

(8) After receiving any recommendation of the advisory committee, the board may continue one or more of the provisions of subsections (1) and (3) to (7) of this section in effect for an indefinite period after the expiration of the 10-year period referred to in subsection (1) of this section.

(9) The original territory shall remain liable for the existing debt of the community college district payable from ad valorem property taxes levied specifically for the payment of such indebtedness. [1999 c.1027 §4]

(4) For purposes of any law relating to bonded indebtedness, "community college district" includes a "community college service district." [1971 c.513 §§37,43; 1991 c.459 §385; 1997 c.271 §2]

341.678 Election on bonded indebtedness. (1) To determine whether a community college district should contract a bonded indebtedness for any one or more purposes described in ORS 341.675, the question shall be decided by election. The district board may order the election on its own motion or shall order the election if a petition is filed as provided in this section.

(2) The requirements for preparing, circulating and filing a petition under this section shall be as provided for an initiative petition in ORS 255.135 to 255.205. The petition shall state the amount of the proposed bonded indebtedness and the purposes for which the indebtedness shall be contracted. [1983 c.350 §212 (enacted in lieu of 341.679); 1993 c.45 §145]

341.679 [1971 c.513 §§38, 39; 1973 c.796 §58; repealed by 1983 c.350 §211 (341.678 enacted in lieu of 341.679)]

341.681 Issuance of bonds. (1) If the electors of the district voting on the question of contracting bonded indebtedness approve the question, the board of the district may issue negotiable coupon bonds of the district.

(2) The bonds shall:

(a) Bear interest at a rate of interest determined by the board pursuant to ORS 288.520, payable semiannually.

(b) Bear the original or facsimile signature of the chairperson of the board and be attested by the district clerk.

(c) Have annexed interest coupons bearing the original or facsimile signatures of the chairperson of the board and the district clerk.

(3) The principal and interest on district bonds are payable in lawful money of the United States of America at the office of the paying agent and registrar or at the place the bonds are issued. [1971 c.513 §§40,41,42; 1981 c.94 §29; 1983 c.347 §25; 1983 c.350 §213; 1995 c.67 §31]

341.685 Registration of bonds; disposition of proceeds. (1) The paying agent and registrar as appointed in accordance with ORS 288.570 shall register each community college district bond, including refunding bonds, in a record maintained for that purpose in the office of the paying agent and registrar, noting the community college district, amount, date, time and place of payment, rate of interest and such other facts as the paying agent and registrar may consider proper. The paying agent and registrar shall cause the bonds to be delivered promptly to the purchasers thereof upon payment therefor, and if the place of delivery is outside the city in which the paying agent and registrar's office is situated, the cost of delivery of the bonds shall be paid by the issuing district.

(2) The paying agent and registrar shall hold the proceeds of the sale of all bonds for the community college district subject to the order of the board of the district to be used solely for the purpose for which the bonds were issued. The paying agent and registrar is authorized to deliver the proceeds of the sale of the bonds to the person designated as custodian of the community college district funds under ORS 341.703.

(3) When the bonds have been so executed, registered and delivered, their legality shall not be open to contest by the community college district, or by any person for or on its behalf, for any reason whatever. [1971 c.513 §44; 1995 c.67 §32]

341.690 Tax levy to meet annual bonded indebtedness; bond sinking fund. (1) The board of the district shall ascertain and levy annually, in addition to all other taxes, a direct ad valorem tax on all the taxable property in the district, sufficient to pay the maturing interest and principal of all community college district bonds outstanding promptly when and as such payments become due. The amount of the tax may be increased by an amount sufficient to retire any bonds which may be callable. The board shall annually file a copy of its budget and levies with the paying agent and registrar. The board shall in each year include such taxes in the district budget for such year. Such taxes shall in each year be certified, extended upon the tax rolls and collected by the same officers in the same manner and at the same time as the taxes for general district purposes.

(2) The funds derived from such tax levies shall be retained by the paying agent and registrar without being paid to the district or to any officer thereof, and shall be kept by the paying agent and registrar in a separate fund to be known as and designated “_____Community College District Bond Interest and Sinking Fund,” which shall be irrevocably pledged to and used solely for the payment of the interest accruing on and the principal of the bonds when due, so long as any of the bonds or the coupons thereto appertaining remain outstanding and unpaid. The interest earnings of such fund shall be credited thereto and become a part thereof. For failure to retain and account for such funds, as provided in this section, the paying agent and registrar shall be liable upon the official bond of the paying agent and registrar.

(3) The fund shall not be diverted or used for any other purpose; but if a surplus remains after all interest and principal have been paid on all community college district bonds then outstanding and unpaid, the surplus may be transferred to such other fund as the board of the district may direct.

(4) If the tax required by subsection (1) of this section is not levied by the board of the district, the paying agent and registrar shall certify the county share, based on the proportion of the assessed valuation of the community college district located in the county, to the governing body of each county in which territory of the district is located which shall then levy a tax on all taxable property within the county that is in the district sufficient to raise the required amount.

(5) The county assessors shall extend the tax so levied upon the county tax rolls for such district. The county sheriffs shall collect this tax and pay the sums collected into the fund kept by the paying agent and registrar pursuant to subsection (2) of this section. [1971 c.513 §45; 1995 c.67 §33]

341.693 Payment of bond principal and interest. (1) The paying agent and registrar must cause to be paid out of any money in the hands of the paying agent and registrar belonging to the community college district, the interest on or principal of, as the case may be, any bond issued by the district promptly when and as the same becomes due at the place of payment designated in such coupons or bonds. All coupons or bonds so paid must be immediately reported to the board of the district.

(2) The paying agent and registrar shall not be required to remit to the purchaser of any bonds or coupons the amount necessary to redeem them until the day such bonds or coupons are due. [1971 c.513 §46; 1995 c.67 §34]

341.695 Bond redemption procedure. (1) Whenever the sinking fund mentioned in ORS 341.690 equals the amount, principal and interest, of any bond then due or subject at the option of the district to be paid or redeemed when authorized by the board of the district, the paying agent and registrar shall notify the holder of such bond and publish a notice in the newspaper published in the district in compliance with ORS 193.010 to 193.100. The notice shall state that the paying agent and registrar will, within 30 days from the date of the notice, redeem and pay any such bond then redeemable and payable, giving priority according to the date of issuance numerically. Upon presentation of any such bond at the place of payment specified therein, the paying agent and registrar shall cause the bond to be paid. If any holder of such bond fails to present it at the time mentioned in the notice, the interest thereon shall cease, and the paying agent and registrar shall thereafter pay only the amount of such bond and the interest accrued thereon up to the last day of the time of redemption mentioned in the notice.

(2) When any bonds are so redeemed or paid, the paying agent and registrar shall cause the same to be canceled and write across the face thereof “redeemed” and the date of redemption, and shall deliver it to the board of the district, taking its receipt therefor. [1971 c.513 §47; 1995 c.67 §35]

341.697 Refunding bonds. (1) Whenever any community college district has any outstanding bonded indebtedness, which is due or subject at the option of the district to be paid or redeemed, the district, by and through the board of the district, may:

(a) Issue and exchange, for any such indebtedness, its bonds bearing the rate of interest determined by the board pursuant to ORS 288.520; or

(b) Issue and sell such bonds and apply the proceeds of such sale in payment of the indebtedness for the payment of which the refunding bonds are proposed to be issued.

(2) Refunding bonds issued under subsection (1) of this section shall in all respects conform to, and be governed, as to their issue, by ORS 287.008, 341.675 (3) and 341.681.

(3) The refunding of indebtedness and issuing of bonds for such purpose shall not require an election, but may be done by resolution of the board of the district at any legally called board meeting. The debt limitations imposed by law shall not affect the right of any district to issue refunding bonds under authority of this section. The validity of any bonds so issued, or of the indebtedness thereby refunded, shall not thereafter be open to contest by the district or by any person for any reason whatever. [1971 c.513 §48; 1981 c.94 §30; 1983 c.347 §26; 1993 c.45 §146]

341.701 [1971 c.513 §49; repealed by 1975 c.642 §22 (341.702 enacted in lieu of 341.701)]

341.702 Advertisement and sale of bonds. All legally authorized and issued general obligation bonds or revenue bonds shall be advertised and sold in the manner prescribed in ORS 287.014 to 287.022. [1975 c.642 §23 (enacted in lieu of 341.701)]

(Custody and Expenditure of Funds)

341.703 Custodian of funds; depositories; signature on checks; warrants as checks. (1) The board of a community college district shall designate a custodian of funds of the district. Funds shall be disbursed only in the manner provided by subsection (3) of this section.

(2) For the purpose of receiving deposits of community college funds, the board of the district shall designate such bank or banks, as the board deems safe and proper depositories for district funds. The custodian designated under subsection (1) of this section shall not be liable personally or upon the official bond of the custodian for moneys lost by reason of failure or insolvency of any bank which becomes a depository under this subsection.

(3) When funds are available for payment, district obligations shall be paid by check bearing the original signature of the custodian of the district funds; or if authorized by the board of the district, the custodian's facsimile signature.

(4) Where a statute specifies a warrant as the means by which district obligations shall be paid, warrant means "check" if funds are available for payment. [1971 c.513 §50; 1995 c.67 §36]

341.705 Warrant procedure. (1) As used in this section, "community college district obligation" includes salaries of district employees and other regularly contracted services.

(2) Warrants in payment of district obligations shall be issued only when there are insufficient funds to pay the warrant and shall be indorsed "not paid for want of funds." Warrants may be issued at the end of each month, if necessary. Warrants shall not be issued without a vote of the board of the district. They must be signed by the chairperson of the board and countersigned by the district clerk. If the chairperson is absent or unable to execute the warrants, the board may authorize any member of the board to act as chairperson in executing the warrants.

(3) Unless the board of the district has designated a lower rate of interest, which rate must appear on the face of the warrants, warrants indorsed "not paid for want of funds" shall draw interest at a rate not to exceed seven percent (.07) from date of indorsement until called.

(4) Funds becoming available for payment of warrants indorsed "not paid for want of funds" shall be applied in payment in the order in which the warrants were so indorsed.

(5) At the last regular school board meeting of the district preceding July 1 in each year, the district clerk shall certify to the board a list of all district warrants which were called for payment more than seven years prior to July 1 next following the meeting, and which have not been paid. The certification shall state the amount of each of such warrants, to whom issued, and date of issuance. The board of the district shall cause notice to be published in some newspaper having a general circulation in the district. The notice shall contain a statement that if such warrants are not presented for payment within 60 days from July 1, they will be canceled, and payment thereof will be refused.

(6) At the first regular meeting of the board in each district after the expiration of 60 days from July 1 in each year,

the board shall make an order that all such warrants which have not been so presented for payment, describing them, shall be canceled and the board shall so cancel.

(7) Nothing in this section prohibits a board from paying, upon any claim arising from the canceling of any such warrant, the principal of the warrant when presented without interest if not indorsed for want of funds and, if indorsed for want of funds, with interest to the date such warrant was called. [1971 c.513 §52]

(Audits)

341.709 Annual audit required. (1) The board of a community college district shall cause to have prepared an annual audit of the books and accounts of the district, including but not limited to student body funds, athletic funds, cafeteria funds, and other similar funds collected by the college. The audit statements must be filed with the administrative office for the district on or before December 31 of the year in which the audit is conducted.

(2) Accountants employed under this section must be selected from the roster of authorized municipal accountants maintained by the Oregon Board of Accountancy under ORS 297.670. [1971 c.513 §51; 1987 c.159 §1]
