(3) As used in this section, “need” means the condition described in ORS 456.085.

456.065 Definition of “housing project.” (1) As used in the Housing Authorities Law, unless the context requires otherwise, “housing project” means any work or undertaking:

(a) To demolish, clear or remove buildings from any slum area. Such work or undertaking may embrace the adaptation of such area to public purposes, including housing, parks, community services facilities or other recreational, educational, cultural or community purposes.

456.070 Declaration of necessity for establishment of housing authorities. It hereby is declared:

(1) That there exists in this state a need for an increase in affordable housing for persons or families of lower income.

(2) That it is a goal of this state to increase the availability of affordable housing for persons and families of lower income.

(3) That there is a necessity in the public interest for the Housing Authorities Law. [Amended by 1973 c.672 §4; 1995 c.445 §4]

456.075 Housing authorities created; declaration of need required before housing authority may function. In each city, as defined in ORS 456.055, and county there hereby is created a public body corporate and politic to be known as the “housing authority” of the city or county. However, the housing authority shall not transact any business or exercise its powers until or unless the governing body of the city or the county, by proper resolution, declares that

there is need for an authority to function in such city or county. The governing body of the city or the county shall also elect to have the powers of a housing authority exercised in any one of the two ways provided in ORS 456.095 (1). [Amended by 1969 c.630 §2; 1975 c.322 §1]

456.080 Determination of need for housing authority. (1) The determination whether there is a need for a housing authority to function in a city or county may be made either by election as provided in this section or by the governing body of a city or county on its own motion. The governing body of the city or county shall order the election when a petition is filed as provided in this section.

(2) A petition under this section must state that there is a need for a housing authority to function.

(3) Except as provided in subsections (4) and (5) of this section, the requirements for preparing, circulating and filing a petition under this section shall be as provided for an initiative petition:

(a) In the case of a county, in ORS 250.165 to 250.235.

(b) In the case of a city, in ORS 250.265 to 250.346.

(4) Notwithstanding ORS 250.325, a city governing body shall submit the question to the electors without first considering its adoption or rejection.

(5) If ORS 250.155 makes ORS 250.165 to 250.235 inapplicable to a county or if ORS 250.255 makes ORS 250.265 to 250.346 inapplicable to a city, the requirements for preparing, circulating and filing a petition under this section shall be as provided for an initiative petition under the county or city charter or an ordinance adopted under the county or city charter.

(6) An election under this section shall be conducted under ORS chapters 246 to 260, and:

(a) In the case of a city, must be held on a date specified in ORS 221.230.

(b) In the case of a county, must be held on a date specified in ORS 203.085.

(7) If the electors voting at the election favor the functioning of the housing authority, the governing body shall declare that there is need for such housing authority to function.

(8) The question of need shall not again be submitted at any election within one year immediately following the election at which the question was voted upon. [Amended by 1983 c.350 §275]

456.085 Adopting resolution declaring need for authority. The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, if it finds that there exists a need for additional safe, decent and sanitary affordable housing for persons or families of lower income. [Amended by 1973 c.672 §5; 1995 c.445 §5]

456.090 Sufficiency of resolution; copy as evidence. (1) In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of authority, the authority is conclusively deemed to have become established and authorized to transact business and exercise its powers upon proof of the adoption of a resolution by the governing body declaring the need for the authority. The resolution is deemed sufficient if it declares that there is a need for an authority and finds that the condition described in ORS 456.085 exists in the city or county, in substantially the terms used in that subsection, no further detail being necessary.

(2) A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding. [Amended by 1995 c.445 §15]

456.095 Appointment and qualification of commissioners of housing authorities. (1) When the governing body of a city or county adopts a resolution pursuant to ORS 456.085, the governing body may then elect to have the powers of a housing authority under this chapter, ORS chapter 455 and ORS 446.515 to 446.547 exercised in any of the following ways:

(a) Appointing by resolution, a commission composed of five, seven or nine persons.

(b) Declaring, by resolution, that the governing body, itself, shall exercise the powers of a housing authority under this chapter, ORS chapter 455 and ORS 446.515 to 446.547. A governing body that exercises the powers of a housing authority may appoint at least one but not more than two additional commissioners for the housing authority. An appointed commissioner has the same authority as other housing authority commissioners, but may not exercise any powers of the governing body. At least one appointed commissioner must be a resident who receives direct assistance from the housing authority. The second appointed commissioner, if any, at a minimum must live within the jurisdiction of the authority. An appointed commissioner serves a term of office equal in length to the terms of office for governing body members, but not more than four years. An appointed commissioner may be removed only for cause as described

in ORS 456.110 or if the commissioner ceases to meet the requirements for being an appointed commissioner. In the event that a housing authority commission consisting of the governing body of a city and one or more appointed commissioners has an even number of members, the mayor shall be included as a member of the commission for the housing authority. An act of a governing body exercising the powers of a housing authority is an act of the commission for the housing authority only and not of the governing body.

(2) When the governing bodies of two or more authorities join and cooperate with one another and create a regional authority to exercise all the powers conferred by the Housing Authorities Law, as authorized by ORS 456.140, the governing bodies of the cooperating cities and counties shall by resolution appoint a commission for the regional authority consisting of nine persons. The cooperating cities and counties shall each appoint an equal number of the nine commissioners. If nine divided by the number of joining or cooperating cities and counties produces a fraction, then the commissioners appointed by such cities and counties shall appoint one commissioner so that nine commissioners in all are appointed. The nine commissioners appointed by or on behalf of cities or counties may appoint at least one but not more than two additional commissioners for the housing authority. At least one additional commissioner must be a resident who receives direct assistance from the housing authority. The second additional commissioner, if any, at a minimum must live within the jurisdiction of the authority. The term of office for an additional commissioner is equal to the term of office for a commissioner appointed by or on behalf of cities or counties. An additional commissioner may be removed only for cause as described under ORS 456.110 or if the person ceases to meet the requirements for being an additional commissioner.

(3) A commissioner of an authority may not be an officer or employee of any city or county for which the authority is created, unless the commissioner is a member of the governing body or one of the governing bodies.

(4) Persons appointed to the commission shall include a variety of occupations. At least one commissioner, but not more than two commissioners, appointed under subsection (1)(a) of this section must be a resident who receives direct assistance from the housing authority.

(5) A certificate of appointment or reappointment of any commissioners shall be filed with the clerk of each of the cities and counties included in the authority. Such certificate shall be conclusive evidence of the due and proper appointment of a commissioner. [Amended by 1969 c.630 §3; 1971 c.592 §1; 1973 c.672 §6; 1975 c.335 §1; 2001 c.547 §3]

Note: Sections 6 and 7, chapter 547, Oregon Laws 2001, provide:

Sec. 6. Notwithstanding ORS 456.095 (1)(b) or (2), the initial term of office for a commissioner originally appointed to a position created pursuant to the amendments to ORS 456.095 (1)(b) or (2) by section 3 of this 2001 Act may be adjusted to minimize the number of commission terms expiring in the same year. [2001 c.547 §6]

Sec. 7. The deletion of the term “board” by the amendments to ORS 456.095 in section 3 of this 2001 Act is not intended to require a name change for any body exercising the powers of a housing authority or the title of any person holding office in such a body. The deletion of the term “board” by the amendments to ORS 456.095 in section 3 of this 2001 Act does not affect the functions, duties or powers of a body exercising the powers of a housing authority, or the functions, duties and powers of any member or officer of that body, whether designated as a board, commission or otherwise. [2001 c.547 §7]

456.100 Terms and compensation of commissioners. (1) The commissioners of a five-member authority who are first appointed shall serve terms as follows:

- (a) One commissioner shall be appointed for a term of one year.
- (b) One commissioner shall be appointed for a term of two years.
- (c) One commissioner shall be appointed for a term of three years.
- (d) Two commissioners shall be appointed for terms of four years.

(2) The commissioners of a seven-member authority who are first appointed shall serve terms as follows:

- (a) One commissioner shall be appointed for a term of one year.
- (b) Two commissioners shall be appointed for terms of two years.
- (c) Two commissioners shall be appointed for terms of three years.
- (d) Two commissioners shall be appointed for terms of four years.

(3) The commissioners of a nine-member authority who are first appointed shall serve terms as follows:

- (a) Two commissioners shall be appointed for terms of one year.
- (b) Two commissioners shall be appointed for terms of two years.
- (c) Two commissioners shall be appointed for terms of three years.

(d) Three commissioners shall be appointed for terms of four years.

(4) Thereafter, commissioners shall be appointed by resolution in the same manner as their original appointment for a term of office of four years except that all vacancies shall be filled for the unexpired term. A commissioner shall hold office until a successor has been appointed and qualified.

(5) A commissioner shall receive no compensation for services, but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of the duties of the commissioner. [Amended by 1973 c.672 §7; 2001 c.547 §4]

Note: Section 2, chapter 547, Oregon Laws 2001, provides:

Sec. 2. (1) Notwithstanding any original term of appointment, a member of a board or commission created pursuant to ORS 456.095 (1)(a) (1999 Edition) who holds office immediately prior to the effective date of this 2001 Act [June 22, 2001] shall serve a term of office that expires on the effective date of this 2001 Act or four years after commencement of the term of office, whichever is later.

(2) Notwithstanding ORS 456.100, for each board or commission position vacated on the effective date of this 2001 Act pursuant to subsection (1) of this section, the appointing authority shall make an appointment to the vacant position for a term of office that expires on the date the term of office for the vacant position was originally scheduled to expire. Unless the appointing authority appoints a different person to the position on or before the 10th day after the effective date of this 2001 Act, the board or commission member occupying the position immediately prior to the effective date of this 2001 Act is considered to have been reappointed to the position for the term of office described under this subsection.

(3) Upon the expiration of an appointment made pursuant to subsection (2) of this section, the governing body shall make appointments to the position as provided under ORS 456.100 (4). The appointing authority may, however, adjust the term of office for the initial appointment made under this subsection to minimize the number of board or commission terms expiring in the same year. [2001 c.547 §2]

456.105 Organization; officers; quorum; employees; legal services. (1) A majority of the commissioners of an authority shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes.

(2) Except as otherwise provided in the Housing Authorities Law, action may be taken by the authority upon a vote of a majority of the commissioners present, a quorum being present, unless the bylaws of the authority require a larger number.

(3) The authority shall select a chairperson and vice chairperson from among its commissioners.

(4) An authority may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it requires. It shall determine their qualifications, duties and compensation.

(5) For such legal services as it requires, an authority may, if it is not a regional authority, call upon the chief law officer of the city or the county or it may employ its own counsel and legal staff. [Amended by 1973 c.672 §8]

456.110 Removal of commissioner. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority appointed pursuant to ORS 456.095 (1) or (2) may be removed by the mayor or, in the case of an authority for a county, by the governing body of the county or, in the case of a regional authority, by the appointing authority for the commissioner. This section does not allow the removal of a member of a governing body exercising power as a housing authority. A commissioner shall not be removed until after the commissioner has been given a copy of the charges at least 10 days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk for each city and county in the authority. [Amended by 1969 c.630 §4; 1973 c.672 §9; 2001 c.547 §5]

456.170 Reports and recommendations by authority. At least once a year, an authority shall file with the clerk

WITHDRAWAL FROM FEDERAL HOUSING PROGRAM

456.250 Definitions for ORS 456.250 to 456.265. As used in this section and ORS 456.255 to 456.265:

- (1) "Federal housing program" means a federal project-based Section 8 subsidized housing program.
- (2) "Local government" means a city, county, public corporation, metropolitan service district or other district.
- (3) "Participating property" means property that is the subject of a contract between the property owner and the United States Department of Housing and Urban Development for participation in a federal housing program. [1999 c.275 §1]

Note: 456.250 to 456.265 were enacted into law by the Legislative Assembly but were not added to or made a part of ORS chapter 456 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

456.255 Legislative findings. (1) The Legislative Assembly finds and declares that:

- (a) The maintenance of a pool of affordable housing for all citizens is a matter of statewide concern.
- (b) The contracts for many properties in this state that participate in federal housing programs are about to expire. Local governments need an effective process for assessing these expiring contracts and determining whether to assume ownership of the participating properties. The assessment and determination process should ensure appropriate statewide uniformity while maintaining local flexibility. The process should also ensure the rights of property owners and tenants to fair treatment as the contracts expire.

(2) ORS 456.260 and 456.265 are intended to provide a framework for addressing the withdrawal of participating property from federal housing programs. [1999 c.275 §2]

Note: See note under 456.250.

456.260 Local requirement of property withdrawal notice; contents; violations; condemnation alternatives; continuation of tenancies. (1) In establishing a procedure to deal with expiring contracts for participating properties, a local government may:

- (a) Require the owner of a participating property to:
 - (A) Provide notice of the pending contract expiration to each local government that has requested notice and each affected tenant one year prior to the date when the contract for the property to participate in a federal housing program will expire.
 - (B) Provide notice that the owner intends to withdraw the property from participation in a federal housing program to each local government that has requested notice and each affected tenant up to:
 - (i) 210 days prior to the expiration of the contract; or
 - (ii) 150 days prior to the expiration of a one-year extension of the contract, if any.
 - (C) Consent to reasonable inspection of the property and inspection of the owner reports on file with the Housing and Community Services Department or the United States Department of Housing and Urban Development.
 - (D) Maintain the contract for property participation in a federal housing program in good standing, if the United States Department of Housing and Urban Development allows that maintenance, during:
 - (i) The notice periods referred to under this paragraph;
 - (ii) Any condemnation proceeding commenced; or
 - (iii) Any alternative procedure agreed to under paragraph (c) of this subsection.
 - (E) Refrain from taking any action, other than notifying the United States Department of Housing and Urban Development of the owner's intention to not renew the contract, that would preclude the affected local government or its designee from succeeding to the contract or negotiating with the owner for the purchase of the property.
- (b) Establish and impose any fine, penalty, tax, fee, charge or assessment upon the owner of participating property for failure to comply with local regulations adopted pursuant to paragraph (a) of this subsection.
- (c) Establish an alternative procedure to condemnation, including but not limited to arbitration, mediation or facilitated negotiation. However, an alternative procedure may not be used unless mutually agreed to by the property owner and the local government.
- (d) Require an owner to refrain from disturbing tenancies, other than for cause as defined in the contract, for a period of not more than 180 days after expiration of the contract if the local government pays, or arranges for payment, to the owner on the first day of each month, the monthly subsidy that the owner was receiving under the contract.

- (2) Any notices provided under subsection (1)(a) of this section shall specify whether the owner:
- (a) Intends to withdraw the property from a federal housing program.
 - (b) Intends to convert the participating property to a nonparticipating use.
 - (c) Is involved in negotiations with the United States Department of Housing and Urban Development or the Housing and Community Services Department regarding an extension of an expiring participation contract.
- (3) ORS 456.255 to 456.265 do not require a local government to purchase, condemn or otherwise acquire participating property. [1999 c.275 §3]

Note: See note under 456.250.

- 456.265 Sanctions against withdrawing property owner prohibited.** (1) Except as expressly authorized in ORS 456.260 (1) or as may be provided by contract with the property owner, a local government may not:
- (a) Impose any fine, penalty, tax, fee, charge, assessment or other restriction or sanction against a property owner for withdrawing the participating property from a federal housing program.
 - (b) Except as an exercise of constitutional or statutory powers of condemnation:
 - (A) Prevent or restrict a property owner from selling or otherwise disposing of participating property.
 - (B) Require conveyance of participating property to the local government or to another party.
 - (C) Impose any fine, penalty, tax, fee, charge, assessment or other restriction or sanction against a property owner for refusing an offer by the local government or another party to purchase participating property.
 - (c) Require a property owner to pay any replacement fee or other fee for tenant relocation from participating property, except as specified in an alternative procedure being used pursuant to ORS 456.260 (1)(c).
- (2) Subsection (1) of this section does not prohibit a local government that is certified by a federal agency to carry out an agency responsibility or to exercise agency authority from taking any action within the scope of that responsibility or authority. [1999 c.275 §4]

Note: See note under 456.250.

(a) The cash flow projection required by ORS 286.105 shows that, for the term of the bonds outstanding at the time the director transfers the moneys, remaining moneys in the sinking fund, together with expected loan proceeds and fund earnings, will continue to be adequate to pay bond principal, interest and administrative costs; and

(b) The transfer will not create the need for issuance of any bonds.

(5) The director shall deposit loan prepayments in the Elderly and Disabled Housing Fund, and lend such prepayments for the purpose of financing multifamily housing for the elderly and the disabled for a term not exceeding the term of the bonds associated with the loan that was prepaid, if the director determines that such a deposit and loan will not adversely affect the ability of the department to pay outstanding bonds. (Administration)

456.550 Policy. (1) There exists in this state a seriously inadequate supply of and a pressing need for safe and sanitary dwelling accommodations within the financial means of persons and families of lower income, including but not limited to persons and families displaced by the clearing of slums and blighted areas or by other public programs;

(2) Private lending institutions have been and will continue to be unable to provide necessary financial support for lower income housing and the resulting shortage of financing has been in whole or in part responsible for the shortage of lower income housing;

(3) It is a valid public purpose to provide for the construction, rehabilitation, purchase, leasing and refinancing of housing for such persons and families who would otherwise be unable to obtain adequate dwelling accommodations which they could afford and to aid in the acquisition of land for present or future developments including such housing accommodations;

(4) It is further found that the authority and powers conferred by ORS 456.550 to 456.725 and ORS chapter 458 upon the Housing and Community Services Department and the Director of the Housing and Community Services Department constitute a necessary public program and serve a valid public purpose;

(5) To stimulate and increase the supply of housing for persons and families of lower income it is necessary that a central source of housing information, planning, educational services and technical assistance and a revolving fund be established. The Housing and Community Services Department shall be that central source in this state;

(6) It is the policy of this state to increase the amount of and improve the condition of low and moderate income housing by investing in developing local capacity to build, rehabilitate and manage housing. A primary vehicle for building such capacity is the formation and expansion of community development corporations; and

(7) In that the farmworkers in this state benefit the social and economic welfare of all of the people in Oregon by their unceasing efforts to bring a bountiful crop to market, the Legislative Assembly declares that it is the policy of this state to ensure adequate accommodations commensurate with the housing needs of Oregon's farm workers that meet decent health, safety and welfare standards. To accomplish this objective in the interest of all of the people in this state, it is necessary that:

(a) Every state and local government agency that has powers, functions or duties with respect to housing, land use or enforcing health, safety or welfare standards, under this or any other law, shall exercise its powers, functions or duties consistently with state policy and in a manner that will facilitate sustained progress in attaining the objectives established;

(b) Every state and local government agency with jurisdiction over farmworker activities must make every effort to alleviate insanitary, unsafe and overcrowded accommodations;

- (c) Special efforts should be directed toward mitigating hazards to families and children; and
- (d) Accommodations must be designed to provide for the rights of free association to seasonal farmworkers. [1971 c.505 §1; 1973 c.828 §1; 1973 c.832 §3; 1975 c.154 §7; 1989 c.1030 §5; 1995 c.79 §244; 2001 c.625 §4]

456.553 [1989 c.307 §1 (enacted in lieu of 456.554); repealed by 1991 c.739 §1 (456.555 enacted in lieu of 456.553)]

(Portland Single-Family Housing)

456.589 Legislative findings. The Legislative Assembly finds that cities with a population of 300,000 or more suffer from a lack of available mortgage financing for the purchase of single-family homes in the core and inner areas of those cities. There is a need for low-cost mortgage financing for single-family home purchasers in order to prevent urban decay and blight and to promote the economic well being of those core and inner areas. [1979 c.327 §30]

The bonds need not be identified by individual loans or transactions but may include any number of individual loans or transactions or purposes within any single issue.

(c) With moneys received under paragraph (b) of this subsection, the department may purchase, service, sell and make commitments to purchase, service and sell residential loans, originated by private lending institutions or any individual or organization authorized by law to make those loans, for residential housing for owner-occupied detached single-family housing located within an area of a city where the median income is below median Portland family income to persons whose annual income for the current and the immediately preceding year does not exceed 105 percent of the prevailing median income for families within that city. Areas eligible under this paragraph shall be identified by ordinance of the governing body of that city. That city shall have sole discretion to designate one or more of those areas, and the proportionate or approximate actual amount of single-family residential loans to be made in those areas.

(d) Fees or service charges pursuant to ORS 456.625 (3) shall be charged or collected in connection with, or for, any loan, advance, insurance, loan commitments or servicing, by the department under this section only after consultation with the city.

The department shall make the determination of the amount of qualified mortgage

bonds that will not be issued so as to allow the issuance of mortgage credit certificates.

(3) If the Director of the Housing and Community Services Department determines that the mortgage credit certificate program is not effective with the median family income limitation established in subsection (1) of this section, the director may issue tax credit certificates to persons and families with incomes up to a percent of median family income determined appropriate by the Emergency Board, if the person or families otherwise qualify for the program. No more than \$10 million of the bonds authorized under this section or proceeds from the sale of the bonds shall be made available for residential loans for home improvements.

(2) For the purpose of determining the aggregate principal amount of bonds issued or outstanding, the value of bonds shall be calculated as follows:

(a) If, upon sale, the initial reoffering price is equal to or more than 98 percent of the maturity value of the bonds,

the value of the bonds shall be the maturity value on the date of the calculation.

(b) If, upon sale, the initial reoffering price is an amount less than 98 percent of the maturity value of the bonds, the value of the bonds shall be the price on any date of the calculation that would result in a yield-to-maturity equal to the yield-to-maturity at the time the bonds were sold by the state.

(3) For the purposes of the limitation contained in subsection (1) of this section, the aggregate principal amount of bonds outstanding shall be determined for any date of calculation by subtracting the aggregate value of bonds that would have matured or would have been redeemed through mandatory sinking fund payments from the aggregate value of bonds issued.

(4) The Legislative Assembly finds that section 103A of the Internal Revenue Code, as enacted by the 96th Congress of the United States:

(a) Defines qualified mortgage bonds, which are treated as exempt from federal income taxes under the code;

(b) Establishes limitations on the purposes and aggregate amount or the state ceiling of qualified mortgage bonds that may be issued within a state during any calendar year; and

(c) Authorizes the state to allocate the amount of qualified mortgage bonds within the state ceiling among the units of government having authority to issue those bonds.

(5) The Legislative Assembly further finds that:

(a) Pursuant to ORS 456.515 to 456.725, the Housing and Community Services Department has served as the sole department or instrumentality of the state authorized to coordinate and establish statewide priorities for housing programs and to provide planning and technical assistance to sponsors of housing for persons and families of lower income throughout the state.

(b) The department's activities have been instrumental in alleviating the serious shortage of decent, safe and sanitary housing for lower income persons.

(c) Continuation of the department's programs for financing owner-occupied residential housing to the fullest extent practicable under section 103A of the Internal Revenue Code is a matter of paramount concern to the state.

(d) Cities have issued qualified mortgage bonds to finance the rehabilitation of housing as part of urban renewal or community development plans under home rule powers or authority granted under ORS chapter 457. Further, some cities now have authority to issue bonds under ORS 280.417 to 280.485. Those bonds may be considered qualified mortgage bonds under section 103A of the Internal Revenue Code when issued to finance owned units in multiunit structures.

(6) For purposes of section 103A of the Internal Revenue Code, the department shall allocate the state ceiling of qualified mortgage bonds. The department shall determine the allocations to cities as may be necessary for bonds issued as provided in subsection (7) of this section and any balance of that state ceiling shall be allocated to the department. This determination shall be made for each calendar year and shall be set forth in a Certificate of Determination signed by the director of the department and filed with the State Treasurer. The Certificate of Determination shall cover the allocation during the year or any portion thereof.

(7) The department shall allocate to cities the portions of the state ceiling as shall be necessary for bond programs specified in subsection (5)(d) of this section. Before each January 1, any city may notify the department of its intention to issue qualified mortgage bonds and of the amount of the bonds intended to be issued during the ensuing calendar year. Promptly upon determining the applicable state ceiling for that calendar year and the applicable limit for that city provided in paragraph (3) of subsection (g) of section 103A of the Internal Revenue Code, the department shall allocate to the city the lesser of the amount of that limit or the amount intended to be issued by the city. Upon request of the city, the department may increase or decrease the allocation at any time in the discretion of the director and amend the Certificate of Determination accordingly.

(8) The department shall be responsible for the designation of areas of chronic economic distress within the state for approval as provided in section 103A of the Internal Revenue Code. [1979 c.327 §11 (enacted in lieu of 456.660); 1981 c.504 §8; 1981 c.691 §3; 1985 c.205 §1; 1995 c.79 §258; 1999 c.698 §2; 2001 c.114 §51]

456.665 Status of revenue bonds; negotiability; interest tax-exempt. (1) Neither the State Treasurer, the Director of the Housing and Community Services Department, the State Housing Council nor any officer or employee of the Housing and Community Services Department shall be liable personally on any bonds issued under ORS 456.515 to 456.725 by reason of the issuance thereof.

(2) All obligations issued by the State Treasurer under ORS 456.550 to 456.725 shall not constitute a debt, liability or general obligation of this state or any political subdivision thereof or a pledge of the faith and credit of this state or any such political subdivision, but shall be payable solely from the revenues or assets of the department acquired

pursuant to ORS 456.550 to 456.725. Each obligation issued under ORS 456.550 to 456.725 shall contain on the face thereof a statement that the department shall not be obligated to pay the same nor the interest thereon except from the revenues or assets pledged therefor and that neither the faith and credit nor the taxing power of this state or any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligation.

(3) All bonds issued by the State Treasurer under ORS 456.550 to 456.725 shall be fully negotiable.

(4) The interest upon all bonds, including refunding bonds, issued by the State Treasurer under ORS 456.550 to 456.725 shall be exempt from personal income taxation in the State of Oregon. [1973 c.828 §15; 1979 c.327 §17a; 1981 c.23 §3; 1983 c.519 §6; 1987 c.414 §19; 1995 c.79 §259]

456.670 Bond maturity, execution, sale. Bonds issued by the State Treasurer shall mature at the time or times not exceeding 42 years from the date of issue as shall be stated in the housing finance bond declaration. Notwithstanding ORS 286.056 and 286.058, bonds issued by the State Treasurer may be sold at private or public sale at such price or prices as the State Treasurer, upon the advice of the Housing and Community Services Department, may prescribe. Notwithstanding the provisions of any other law, the rates of interest payable and discount, if any, with respect to bonds issued under ORS 456.550 to 456.725 shall be determined by the State Treasurer, upon the advice of the department. The bonds shall be executed by the Governor, the Secretary of State and the State Treasurer in the manner set forth in ORS 286.031 to 286.061. [1973 c.828 §16; 1975 c.154 §4; 1979 c.327 §12; 1981 c.23 §4; 1981 c.660 §41; 1983 c.519 §7; 1995 c.79 §260]

456.675 Bond provisions and limits; security for payment. (1) The bonds issued by the State Treasurer under ORS 456.515 to 456.725 and the agreements with the bondholders may:

(a) Pledge all or any part of the fees and charges made or received by the Housing and Community Services Department under ORS 456.550 to 456.725 and all or any part of the moneys received in payment of residential loans and interest thereon and other moneys received or to be received by the department under ORS 456.550 to 456.725 to secure payment of the bonds, subject to the provisions of any agreements with bondholders then existing.

(b) Pledge all or any part of the assets of the department acquired under ORS 456.550 to 456.725, including residential loans and obligations securing such residential loans to secure the payment of the bonds, subject to the provisions of any agreements with bondholders then existing.

(c) Pledge any moneys, loans or grants received from the federal government, the state or any city, county or political subdivision of this state for any housing project financed in whole or in part from the sale proceeds of bonds.

(d) Provide for the use and disposition of the gross income from residential loans held by the department and for the payment of the principal on residential loans held by the department.

(e) Limit the purposes for which the proceeds from the sale of bonds may be applied by the department and pledge such proceeds to secure payment of the bonds of the department.

(f) Limit the issuance of additional bonds, the terms upon which such additional bonds may be issued and the refunding of outstanding bonds.

(g) Provide for the procedure, if any, by which the terms of any contract with bondholders may be amended or rescinded, the percentage of the bondholders that must consent thereto and the manner of giving their consent thereto.

(h) Vest in a trustee appointed by the director such property, rights, powers and duties in trust as the department may determine, including the rights, powers and duties of a trustee appointed for bondholders pursuant to ORS 456.550 to 456.725 or limiting the rights, powers and duties of any trustee so appointed.

(i) Provide for other matters affecting security for the bonds.

(2) Any pledge made by or pursuant to subsection (1) of this section shall be valid and binding from the time when the pledge is made. The revenues, assets and funds pledged pursuant to subsection (1) of this section shall immediately be subject to the lien or pledge without physical delivery thereof or further act, and the lien of any pledge shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise, irrespective of whether the parties have notice thereof. No housing finance bond declaration or any other instrument by which the pledge is created need be recorded or filed except as provided in ORS 456.550 to 456.725 and the department shall not be required to comply with any of the provisions of the Oregon Uniform Commercial Code. [1973 c.828 §17; 1975 c.154 §5; 1977 c.32 §1; 1979 c.60 §6; 1981 c.504 §9; 1983 c.519 §8; 1995 c.79 §261]

456.680 Purchase of bonds by department. The Housing and Community Services Department, subject to any existing agreements with its bondholders, may purchase bonds then outstanding out of any funds of the department available therefor under ORS 456.515 to 456.725. Any bonds of the department so purchased shall be canceled. The

department may purchase such bonds whether or not such bonds are redeemable at the time of such purchase. If the bonds are then redeemable, the department shall purchase such bonds at a reasonable price not exceeding the redemption price then applicable plus accrued interest to the date of redemption. [1973 c.828 §18; 1995 c.79 §262]

456.685 Bondholders' remedies. (1) If the Housing and Community Services Department defaults in the payment of the principal or interest due upon a bond, whether at maturity or upon call for redemption and such default continues for a period of 30 days thereafter or if the department fails or refuses to comply with any agreement with the bondholders or any other provision of ORS 456.550 to 456.725, the holders of 25 percent in aggregate principal amount of bonds then outstanding may instruct the trustee to represent them as provided in subsection (2) of this section by filing an appropriate instrument that is acknowledged in the manner provided for the acknowledgment of deeds in this state with the county clerk for Marion County.

(2) A trustee appointed pursuant to subsection (1) of this section may:

(a) Enforce all rights of the bondholders under ORS 456.550 to 456.725 or any agreement with the department by appropriate proceedings.

(b) Bring suit upon such bonds.

(c) By appropriate proceeding, require the department to account.

(d) By appropriate judicial proceedings, enjoin any act of the department that is in violation of ORS 456.550 to 456.725 or in violation of any agreement with the bondholders.

(e) Exercise any powers necessary or appropriate for the exercise of any functions under this section or otherwise incidental to the general representation of the bondholders in the enforcement and protection of their rights. [1973 c.828 §19; 1995 c.79 §263]

456.690 Loan authority of department; rules. (1) Upon a finding made by the State Housing Council that the supply of funds available through lending institutions for the financing of residential loans for the acquisition, construction, improvement or rehabilitation of housing units or housing projects for persons and families of lower income is inadequate, the Housing and Community Services Department may make loans to lending institutions in this state for the purpose of providing funds to such institutions for the financing of residential housing units or housing projects for persons and families of lower income.

(2)(a) The department, subject to existing agreements with bondholders, may make privately or federally insured or guaranteed loans for rehabilitation or improvement of existing single-family homes for lower income persons and families if the department finds that:

(A) The supply of funds available through private lending institutions for that purpose is inadequate; and

(B) The housing may be rehabilitated or improved to provide adequate, safe and sanitary residential housing.

(b) The department may cooperate with qualified housing sponsors in the development and implementation of such loan programs. Loans made by the department under this subsection shall be made for single-family homes.

(3) Prior to the making of any loan under this section, the department, with the approval of the council, shall adopt rules governing the making of such loans, including but not limited to:

(a) Procedures for the submission, review and approval of requests for loans under this section.

(b) Standards and requirements for the allocation of loan moneys available among eligible borrowers and the determination of the terms, conditions and interest rates for such loans.

(d) Restrictions, if any, on the interest rates to be charged by lending institutions on loans made from such loan proceeds and the return to be realized by the lending institution therefrom.

(e) Commitment requirements applied to residential mortgage financing by lending institutions from the proceeds of such loans.

(f) Schedules of fees and other charges to be made by the department in accepting, reviewing and acting upon applications for loans under this section.

(4) The department shall administer the loan program for rehabilitation or improvement of existing single-family homes for lower income persons and families in accordance with the following requirements and loan criteria:

(a) Eligibility for a loan shall be based on current department income limitations.

(b) A loan may be assumed only by another lower income person.

(c) The single-family home for which a loan is made must be owner-occupied.

(d) The maximum principal amount of a single loan is \$15,000.

(e) An eligible borrower shall have only one loan outstanding under this program at any one time.

(f) An eligible improvement including, but not limited to, a remodeling project shall be defined by rule and the provisions of the Revenue Adjustments Act of 1980 (Public Law 96-499), as adopted December 5, 1980, shall be recognized in that definition.

(g) Loans shall be made in accordance with a distribution of population between urban and rural areas that takes the availability of alternative resources into account.

(h) The department shall work with qualified housing sponsors whenever it is appropriate to do so.

(5) All loans made and all rules adopted under this section shall be designed by the department, with the approval of the council, to expand the supply of funds available in this state for the financing of residential housing units and housing projects for persons and families of lower income, to provide an adequate supply of safe and sanitary units of such housing, and to promote the effective participation of conventional lending institutions in the financing of such housing and restrict the financial return and benefit to such lenders to that which is necessary and reasonable to induce their participation under this section.

(6) In making loans under this section, the department, with the approval of the council, may prescribe such terms, conditions, maturity dates and interest rate provisions as it considers necessary. [1973 c.828 §20; 1979 c.60 §7; 1979 c.327 §14; 1981 c.691 §4; 1985 c.298 §1; 1989 c.307 §7; 1991 c.739 §8]

456.692 Loans financed through bonds secured by specific properties. (1) As used in this section, “eligible housing project” means a housing development determined by the Housing and Community Services Department to be suitable for financing under this section.

(2) In addition to any other powers granted by law, including without limitation the powers granted under ORS 456.550 to 456.725, the Housing and Community Services Department may do any of the following:

(a) Enter into agreements to finance the costs of an eligible housing project by lending the proceeds of bonds authorized under ORS 456.645 (1) to any qualified housing sponsor under such terms and with such security as the department may approve. However, notwithstanding ORS 456.645 (2), the proceeds of bonds described in this paragraph need not be placed in the Housing Finance Fund and bonds described in this paragraph need not be payable as to principal, redemption premium, if any, and interest from the revenues, assets or funds in the Housing Finance Fund. In addition, bonds described in this paragraph to finance eligible housing projects are not subject to ORS 456.655 and 456.661.

(b) Lease and sublease eligible housing projects to a qualified housing sponsor so that rents to be charged for the use of such projects are established, and revised from time to time as necessary, to produce income and revenue sufficient to provide for the prompt payment when due of principal and interest on all bonds described in paragraph (a) of this subsection. A lease shall provide that the lessee be required to pay all expenses of the operation and maintenance of the project including, but without limitation, adequate insurance on the project and insurance against all liability for injury to persons or property arising from the operation of the project. The lease shall also provide that the lessee pay all taxes and special assessments levied upon or with respect to the leased premises and payable during the term of the lease and that during the term of the lease the lessee shall pay ad valorem taxes in the same amount and to the same extent as though the lessee were the owner of all real and personal property comprising the project.

(c) Pledge and assign to the holders of bonds described in paragraph (a) of this subsection or a trustee therefor all or any part of the revenues of one or more eligible housing projects owned or to be acquired by the state, and define and segregate such revenues or provide for the payment thereof to a trustee.

(d) Mortgage or otherwise encumber eligible housing projects in favor of the holders of bonds described in paragraph (a) of this subsection or a trustee therefor.

(e) Make all contracts, execute and deliver all instruments and do all things necessary or convenient in the exercise of the powers granted by this section, or in the performance of its covenants or duties, or in order to secure the payment of bonds described in paragraph (a) of this subsection. The authority granted under this paragraph includes a contract entered into prior to the construction, acquisition and installation of the eligible housing project authorizing the lessee, subject to such terms and conditions as the state finds necessary or desirable and proper, to provide for the construction, acquisition and installation of the buildings, improvements and equipment to be included in the project by any means available to the lessee and in the manner determined by the lessee.

(f) Enter into and perform such contracts and agreements with qualified housing sponsors as the respective boards of directors may consider proper and feasible for or concerning the planning, construction, installation, lease or other acquisition, and the financing of the facilities of an eligible housing project. The contracts and agreements may establish a body as may be considered proper for the supervision and general management of the facilities.

(g) Accept from an authorized agency of the federal government loans or grants for the planning, construction, acquisition, leasing or other provision of an eligible housing project and enter into agreements with that agency respecting the loans or grants.

(h) Execute and deliver letters of credit, municipal bond insurance or other credit enhancement agreements supporting and securing bonds described in paragraph (a) of this subsection. [2001 c.689 §2]

All housing units or projects for which funds are advanced, loaned or otherwise provided by the Housing and Community Services Department under ORS 456.515 to 456.725 and ORS chapter 458 must be in compliance with any interim comprehensive land use plan or comprehensive land use plan and zoning, subdivision and other ordinances and regulations and laws of this state applicable to the lands upon which such projects are to be constructed; or, if an interim comprehensive land use plan or comprehensive land use plan is not in effect with respect to such lands, such units or projects must be in compliance with generally accepted land use planning standards. [1973 c.828 §21; 1995 c.79 §264]

456.700 Pledge and lien. Any pledge, commitment or reservation of funds made by the Housing and Community Services Department under ORS 456.515 to 456.725 shall be valid and binding from the date on which the pledge was executed. Any money or property pledged in return for such a commitment shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act by the department. The lien of any such pledge shall be valid and binding as against all parties having any claims in tort, contract or otherwise against the department whether or not such parties have notice of the lien. No instrument creating a pledge under ORS 456.515 to 456.725 need be recorded. [1973 c.828 §22; 1977 c.32 §2; 1995 c.79 §265]

456.705 Servicing residential loans. With respect to the servicing of any residential loan made or acquired by the Housing and Community Services Department under ORS 456.515 to 456.725 and ORS chapter 458 the department may:

[1973 c.828 §23; 1979 c.60 §8; 1979 c.327 §15; 1995 c.79 §266]

456.710 Payment of advances; use thereof; limitations. (1) The Housing and Community Services Department may use moneys in the revolving account to make noninterest-bearing advances to qualified nonprofit housing sponsors or interest-bearing advances to other qualified housing sponsors for use in payment by such sponsors of the development costs of proposed housing units or projects. The department may not make any advance under this subsection unless the department may reasonably anticipate that a residential loan may be obtained by the qualified housing sponsor for the permanent financing of the proposed housing unit or project.

(2) The proceeds of any advance granted by the department under subsection (1) of this section may be used by the qualified housing sponsor only for the development costs of a proposed housing unit or project or housing development. Each advance so granted shall be repaid in full, by the qualified housing sponsor for which the advance was granted, to the department at the time of the receipt by the housing sponsor of the portion of the residential loan paid under the initial indorsement of the residential loan, unless the department extends the repayment period. In no event shall the time of repayment be extended beyond the date of the receipt by the qualified housing sponsor of the portion of the residential loan paid on final indorsement of the residential loan. [1973 c.828 §24; 1979 c.60 §9; 1981 c.691 §5]

456.715 Insurance of loans. (1) The Housing and Community Services Department may insure residential loans or obtain reinsurance on such loans. However, all such loans shall be used only to provide residential housing for persons and families of lower income and the insured must agree to any restrictions placed upon such residential housing by the department. The department may establish dedicated accounts within the Housing Finance Fund to provide reserves

against losses in connection with that insurance.

(2) All applications for residential loan insurance under subsection (1) of this section shall be made on such forms and accompanied by such application fee as the department may prescribe.

(3) The department shall notify the applicant of its findings and the approval or denial of the application. [1973 c.828 §§25,26; 1979 c.60 §10; 1979 c.327 §16]

456.717 Interim construction financing for multifamily housing. (1) The Housing and Community Services Department may participate with a lending institution in providing interim construction financing for multifamily housing projects. Subject to the discretion of the department, such financing need not be insured or guaranteed.

(2) As used in this section, “multifamily housing” means, but is not limited to, projects which provide four or more living units, which projects may provide spaces for common use by the occupants in social and recreational activities. Projects under this section may include such other nonhousing facilities incidental or appurtenant to the project as the department determines improve the quality of the housing and the financial feasibility of the project, provided that not more than 50 percent of the total amount of financing provided by the department for a particular multifamily housing project shall be used for such nonhousing facilities. [1979 c.327 §27; 1981 c.504 §10; 1993 c.1 §1; 1997 c.302 §2]

456.720 Housing Finance Fund; Housing Development Account. (1) The Housing Finance Fund is established, separate and distinct from the General Fund. The fund shall consist of the proceeds from the sale of bonds issued under ORS 456.645 and 456.650, fees and other moneys received by the Housing and Community Services Department under ORS 456.550 to 456.725, moneys appropriated by the state for use by the department in carrying out ORS 456.550 to 456.725 and moneys made available from any other source for use by the department under ORS 456.550 to 456.725.

(2) Except as otherwise provided in this section, moneys in the fund may be expended by the department for the purposes authorized in ORS 456.550 to 456.725. Except as otherwise provided in this section for a capital reserve account, the department may establish one or more accounts within the fund for use in carrying out ORS 456.550 to 456.725.

(3) There may be established within the Housing Finance Fund capital reserve accounts. A capital reserve account shall consist of the aggregate of moneys retained by the department, pursuant to existing agreements with the bondholders, as the annual debt service reserve, as described in ORS 456.655 (1), for each bond issue sold by the department under ORS 456.645 or 456.650. All moneys in the account for an issue which the department has determined a debt service reserve is required shall be used solely for the payment of the principal and interest on the bonds as they mature, the purchase of such bonds, the payment of interest on such bonds and the payment of any redemption premium required to be paid by the department when any such bonds are redeemed prior to maturity. Moneys in the account may not be withdrawn therefrom at any time in such amount as would reduce the amount of moneys in the account below the maximum amount of principal and interest maturing and becoming due in the succeeding fiscal year on all such bonds then outstanding, except for the purpose of paying principal of and interest and premium, if any, on the bonds of the department maturing and becoming due and for the payment of which other moneys in the Housing Finance Fund are not available.

(4) Except as otherwise provided in existing agreements with bondholders, any income or interest earned by or accruing to the capital reserve account because of the investment by the department of moneys within the account may be retained by the department in the fund to apply to any future deficiency that may occur or may be used by the department for the repayment of moneys in the revolving account that were expended by the department pursuant to ORS 456.574 (2)(b).

(5) In order to assure the continual operation and maintenance of the capital reserve account in the Housing Finance Fund and to carry out ORS 456.550 to 456.725, if the amount of money on deposit in the capital reserve account in any year is less than the debt service reserves described in ORS 456.655 (1), the Director of the Housing and Community Services Department shall certify to the Governor and the Legislative Assembly or, during the interim, to the Emergency Board the amount needed to restore the account to its required debt service reserves. The amount so certified by the director may be appropriated by the Legislative Assembly or, during the interim, allocated by the Emergency Board and paid to the department during the then current fiscal year for deposit in the capital reserve account.

(6) For the purposes of this section, the department shall annually value investments in the capital reserve account at the amortized cost of the investments.

(7) There is established within the Housing Finance Fund a Housing Development Account. Moneys in this

account are hereby continuously appropriated to carry out the purposes of ORS 456.515 to 456.725 by contract, grant, loan or as otherwise determined necessary by the department.

(8)(a) The Housing Development Account shall consist of moneys deposited or received by the department for the purposes of this account from whatever source. Of the moneys deposited into the account:

(A) The department shall not use moneys from its own resources for administrative expenses; and

(B) The department may use moneys from other sources for administrative expenses only to the extent provided by those sources.

(b) The department may return moneys received or deposited in the account to the original source of the moneys, as the director determines necessary.

(9) Except as otherwise stipulated by the source of funds, any income or interest earned by or accruing to the Housing Development Account because of the investment by the department of moneys in the account may be retained by the department for the uses of the account.

(10) The department may enter into agreements regarding use of moneys received for the Housing Development Account with the source of the moneys, and may comply with the provisions of such agreements. [1973 c.828 §27; 1975 c.97 §1; 1975 c.154 §6; 1987 c.567 §3; 1989 c.966 §51; 1995 c.79 §267]

456.722 Preferences in funding grants to low-income housing providers; rules. (1)(a) The Housing and Community Services Department shall, when awarding public funds for low-income rental housing, give a substantial preference to low-income housing providers that do not require applicants for such housing to have net income greater than two times the rent.

(b) As used in this section, “public funds” includes all low-income rental housing grants, loans or tax credits administered or awarded by the department, whether state, federal or otherwise, but does not include funds derived from the sale of bonds by the department.

(c) Enforcement of the preference following an award of funds shall be by complaint to the department.

(2) The department shall adopt any rules necessary to implement this section. [1997 c.577 §41]

Note: Section 42, chapter 577, Oregon Laws 1997, provides:

Sec. 42. The Housing and Community Services Department shall evaluate the effectiveness of any rules adopted to implement section 41 of this Act [456.722] within two years after the adoption of the rules. [1997 c.577 §42]

Note: 456.722 was added to and made a part of 456.515 to 456.725 by legislative action but was not added to any smaller series therein. See Preface to Oregon Revised Statutes for further explanation.

(Bonding)

456.723 Legislative finding on bonding authority of department. The Legislative Assembly finds that:

(1) There exists a shortage of safe, affordable and readily available housing in this state, particularly for people of low income, fixed income or modest means.

(2) It is in the best interests of the people of this state to insure that there is an adequate supply of housing for people of all income levels, particularly low-income people, in order to reduce:

(a) The number of people who are homeless or who live in inadequate housing in this state; and

(b) Dependence on various state services that exist because of the needs created by homelessness and inadequate housing.

(3) The Housing and Community Services Department’s authority to issue bonds is an effective tool that will increase funds available to provide safe, affordable housing and reduce homelessness in this state. [1989 c.719 §1]

DISCRIMINATION

456.725 Discrimination against purchaser with children prohibited; exceptions; rules. (1) Unless the qualified housing sponsor, as defined in ORS 456.615, has agreed not to discriminate against the initial dwelling unit purchaser or any tenant who is a parent or legal guardian with whom a child resides or is expected to reside, the housing sponsor shall not be entitled to any benefits for the construction, substantial rehabilitation or permanent financing of multiple unit residential housing or owner occupied dwelling units in condominiums or cooperatives from any of the following:

(a) Any state financed or sponsored housing program.

(b) Any tax exemption or limited assessment under ORS 307.600 to 307.691 or 308.450 to 308.481.

(2) Subsection (1) of this section does not apply where the dwelling units are occupied exclusively by households, the heads of which are 58 years or older.

(3) The Housing and Community Services Department shall adopt rules to establish and implement a grievance procedure for any unit purchaser or tenant who alleges violation of subsection (1) of this section whereby the grievance can be resolved by means of conciliation. Nothing in this section limits the right of the Housing and Community Services Department to enforce subsection (1) of this section by other appropriate remedies.

(4) The city shall terminate the exemption under ORS 307.600 to 307.691 upon a finding that the qualified housing sponsor which has the exemption has violated subsection (1) of this section.

(5) The governing body shall terminate the limited assessment under ORS 308.450 to 308.481 upon a finding that the qualified housing sponsor which has the limited assessment has violated subsection (1) of this section.

(6) Nothing in this section prevents the qualified housing sponsor from limiting the number of occupants in a unit depending on the number of rooms in compliance with a schedule adopted by rule by the Housing and Community Services Department or by local ordinance adopted by the governing body.

(7) Nothing in this section requires or prohibits a qualified housing sponsor from providing facilities to accommodate the children of tenants. [1981 c.451 §1; 1987 c.414 §20]
