(1) "Approved doctoral program in psychology" means a doctoral program in psychology accredited by the American Psychological Association or a doctoral program in psychology accredited individually or as part of an institutional accreditation by another private or governmental accrediting agency, when the association's or agency's standards and procedures have been approved by the State Board of Psychologist Examiners by rule.

(2) "Board" means the State Board of Psychologist Examiners.

(3) "Licensed psychologist" means a person licensed to practice psychology under the provisions of ORS 675.010 to 675.150.

(4) "Practice of psychology" means rendering or offering to render supervision, consultation, evaluation or therapy services to individuals, groups or organizations for the purpose of diagnosing or treating behavioral, emotional or mental disorders.

(5) "State" means any state or territory of the United States and the District of Columbia. [1963 c.396 §1; 1973 c.777 §1; 1981 c.892 §96; 1991 c.490 §1; 1993 c.585 §1; 1995 c.810 §1; 1999 c.443 §1]

675.020 Practice or representation as psychologist prohibited without license; use of business name or designation. (1) To safeguard the people of the State of Oregon from the dangers of unqualified and improper practice of psychology, no person shall, unless exempted from the provisions of ORS 675.010 to 675.150 by ORS 675.090:

(a) Practice psychology in this state without first being licensed under ORS 675.010 to 675.150; or

(b) Represent oneself to be a psychologist without first being licensed under ORS 675.010 to 675.150.

(2) As used in subsection (1)(b) of this section, "represent oneself to be a psychologist" means to use any title or description of services incorporating the words "psychology," "psychological," "psychotherapy" or "psychologist," or to offer or render to individuals or to groups of individuals services included in the practice of psychology.

(3) A psychologist licensed under ORS 675.010 to 675.150 shall practice under the name of the psychologist only,

but nothing in ORS 675.010 to 675.150 or rules adopted thereunder shall be deemed to prevent a licensed psychologist from using an assumed business name or other designation to describe a place, institution, organization or agency where or in connection with which the psychologist conducts practice. [1963 c.396 §2; 1971 c.362 §1; 1973 c.777 §2; 1987 c.158 §136; 1993 c.585 §2; 1995 c.810 §2]

The conduct or acts in question must be rationally connected to the applicant's fitness to practice psychology.

(2) The board shall adopt rules by which a person receiving post-doctoral supervision during the application process may enter into a contract to practice psychology under the supervision of a licensed psychologist, psychologist associate or a person considered by the board to have equivalent supervisory competence. An applicant who enters such a contract shall be designated as a psychologist resident or a psychologist associate resident, accordingly, and shall be subject to ORS 675.010 to 675.150. [1963 c.396 §3; 1973 c.777 §3; 1985 c.90 §3; 1991 c.311 §1; 1991 c.490 §2; 1993 c.585 §3]

675.045 Rules for examination. (1) The State Board of Psychologist Examiners shall adopt rules stating the subject on which an applicant may be examined, how the written and oral examination is to be administered and the scoring or evaluation process used to determine whether an applicant has passed the oral or written examination. The board shall provide a copy of these rules to an applicant at least 30 days prior to any examination.

(2)(a) In advance of each oral examination, the board or its delegates shall determine the questions on which an applicant may be examined and shall agree upon the acceptable range of responses to each question or follow-up question. Each applicant taking the oral examination on a particular date shall be examined from the list of questions agreed on by the board.

(b) Each applicant taking the oral examination shall be examined on knowledge and application of Oregon law, ethical principles and psychological principles and techniques.

(b) Applicants shall be informed in writing of the examination results for each tested subject area. An applicant who fails the oral examination shall be reexamined only in the tested areas in which the applicant did not receive a passing grade.

(a) Holds a doctoral degree from an approved doctoral program in psychology; and is licensed or certified to practice psychology in another state in which the requirements for such licensing or certification are, in the judgment of the board, essentially equivalent to licensing requirements of ORS 675.010 to 675.150 and the rules of the board; or

(b) Is a diplomate in good standing of the American Board of Professional Psychology.

The limited permit shall be valid for a period of not more than 180 calendar days in any 24-month period. [1973 c.777 §15; 1987 c.56 §1; 1997 c.249 §204; 1999 c.59 §201]

Such functions may include but are not restricted to administering tests of mental abilities, conducting personality assessments and counseling, including educational and vocational planning.

(2) The applicant shall pay to the board the application fee for a license.

(3) Upon petition by a psychology associate, the board may grant authority to function without immediate supervision.

(4) Upon application therefor accompanied by the fee established by the board, the board shall issue a psychologist associate license to any applicant who performs to the satisfaction of the board in the written and oral examination prescribed by the board if the board determines that the applicant:
