Sec. 1. (1) In collaboration with local seizing agencies, the district attorney, the local public safety coordinating council and the local mental health advisory committee, a local alcoholism planning committee appointed or designated pursuant to ORS 430.342 shall develop a plan to integrate drug treatment services into the criminal justice system for offenders who commit nonviolent felony drug possession offenses. The plan may also include property offenders as provided for under ORS 475.245. The plan developed under this subsection must be incorporated into the local coordinated comprehensive plan required by ORS 417.775.

(2)(a) A plan may include, but need not be limited to, programs that occur before adjudication, after adjudication as part of a sentence of probation or as part of a conditional discharge.

(b) A plan must include, but need not be limited to:

(A) A description of local criminal justice and treatment coordination efforts;

(B) A description of the method by which local, state and federal treatment resources are prioritized and allocated to meet the needs of the drug abusing offender population;

(C) The principles that guide criminal justice strategies for supervision and treatment of drug abusing offenders and the purchase of treatment services from local community providers;

(D) The desired outcomes for criminal justice strategies for supervision and treatment of drug abusing offenders and the provision of treatment services and identification of a method for monitoring and reporting the outcomes; and

(E) Consistent standards for measuring the success of criminal justice strategies for supervision and treatment of drug abusing offenders and the provision of treatment.

(3) A program must include, but need not be limited to:

(a) Ongoing oversight of the participant;

(b) Frequent monitoring to determine whether a participant is using controlled substances unlawfully; and

(c) A coordinated strategy governing responses to a participant's compliance or noncompliance with the program.

(4) The local alcoholism planning committee shall submit the plan to the Department of Human Services and shall provide the county board of commissioners with a copy of the plan. [2001 c.834 §1]

Sec. 2. The Department of Human Services shall distribute moneys in the Drug Prevention and Education Fund established in section 4 of this 2001 Act based on a review of the plans submitted to the office under section 1 of this 2001 Act. Funding criteria include, but need not be limited to, whether the plan includes the existence or development of a drug treatment court or a drug diversion program. [2001 c.834 §2]

Sec. 3. (1) The Department of Human Services shall adopt rules necessary to carry out the provisions of sections 1 to 4 of this 2001 Act.

Fund. The Drug Prevention and Education Fund consists of moneys deposited in the fund under section 3 of this 2001 Act and section 17, chapter 666, Oregon Laws 2001, and from the Forfeiture Account established in ORS 475A.130, and other moneys as may be appropriated to the fund by law. The moneys in the Drug Prevention and Education Fund are continuously appropriated to the Department of Human Services for the purpose of assisting counties in paying the costs incurred by the counties in providing drug treatment services pursuant to plans submitted under section 1 of this 2001 Act. [2001 c.834 §4; 2001 c.834 §4a]

or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, and includes any packaging or repackaging of the substance or labeling or relabeling of its container, except that this term does not include the preparation or compounding of a controlled substance:

(a) By a practitioner as an incident to administering or dispensing of a controlled substance in the course of professional practice; or

(b) By a practitioner, or by an authorized agent under the practitioner's supervision, for the purpose of, or as an incident to, research, teaching or chemical analysis and not for sale.

(2) Whenever the board determines that a change in or an addition to the schedule of a controlled substance is justified, the board by rule may order the change and fix the effective date thereof.

(3) If a substance is an ingredient of a controlled substance, the ingredient shall be considered to be in the same schedule as that controlled substance. Substances which are precursors of the ingredient shall not be subject to control solely because they are precursors of the ingredient. The use of the term "precursor" in this subsection does not control and is not controlled by the use of the term "precursor" in ORS 475.940 to 475.999.

(Registration)

475.125 Registration requirements. (1) Every person who manufactures, delivers or dispenses any controlled substance within this state or who proposes to engage in the manufacture, delivery or dispensing of any controlled substance within this state, must obtain annually a registration issued by the State Board of Pharmacy in accordance with its rules.

(2) Persons registered by the board under ORS 475.005 to 475.285 and 475.940 to 475.999 to manufacture, deliver, dispense or conduct research with controlled substances may possess, manufacture, deliver, dispense or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of ORS 475.045, 475.095 and 475.125 to 475.185 and other applicable laws of this state.

(3) The following persons need not register and may lawfully possess controlled substances under ORS 475.005 to 475.285 and 475.940 to 475.999:

(a) An agent or employee of any registered manufacturer, distributor or dispenser of any controlled substance if the agent or employee is acting in the usual course of business or employment.

(b) A common or contract carrier or warehouseman, or an employee thereof,

whose possession of any controlled substance is in the usual course of business or employment.

(c) An ultimate user or a person in possession of any controlled substance pursuant to a lawful order of a practitioner or in lawful possession of a Schedule V substance, unless otherwise prohibited.

(d) A practitioner otherwise licensed under the laws of this state and authorized to dispense or administer a controlled substance by the licensing authority.

(4) The board may waive by rule the requirement for registration of certain manufacturers or dispensers if it finds it consistent with the public health and safety.

(5) A separate registration is required at each principal place of business or professional practice where the applicant manufactures, delivers or dispenses controlled substances.

(6) The board may inspect the establishment of a registrant or applicant for registration in accordance with the rules of the board. [1977 c.745 §8; 1995 c.440 §24]

475.130 [Repealed by 1957 c.587 §12]

475.135 Grounds to grant or deny registration; scope of registration; effect of federal registration. (1) The State Board of Pharmacy shall register or renew the registration of an applicant to manufacture or dispense controlled substances included in schedules under procedures defined in ORS 475.035, unless it determines that the issuance of that registration would be inconsistent with the public interest. In determining the public interest, the board shall consider the following factors:

(a) Failure to maintain effective controls against diversion of controlled substances into other than legitimate medical, scientific or industrial channels;

(b) Failure to comply with applicable state or local laws;

(c) Any convictions of the applicant under any federal or state laws relating to any controlled substance;

(d) Past experience in the manufacture, delivery or dispensing of controlled substances and the existence in the applicant's establishment of effective controls against diversion;

(e) Furnishing by the applicant of false or fraudulent material in any application filed under ORS 475.005 to 475.285 and 475.940 to 475.999;

(f) Suspension or revocation of the applicant's federal registration to manufacture, deliver or dispense controlled substances as authorized by federal law; or

(g) Any other factors relevant to and consistent with the public health and safety.

(2) Registration under subsection (1) of this section does not entitle a registrant to manufacture, deliver or dispense controlled substances in Schedule I or II other than those specified in the registration.

(3) Practitioners must be registered to conduct research with controlled substances in Schedules I through V if they are authorized to conduct research under the law of this state. The board need not require separate registration under ORS 475.045, 475.095 and 475.125 to 475.185 for practitioners engaging in research with controlled substances in Schedules I through V where the registrant is already registered under ORS 475.045, 475.095 and 475.125 to 475.185 in another capacity. Persons with valid registration from the Drug Enforcement Administration for research on controlled substances may conduct research within this state in compliance with other state law upon furnishing the board evidence of that federal registration, and are exempt from state prosecution for possession and distribution of controlled substances to the extent of the registration. Registration under ORS 475.005 to 475.285 and 475.940 to 475.999 does not exempt the registrant from compliance with any other relevant law of this state or the United States, unless such exemption is expressly provided under ORS 475.005 to 475.285 and 475.940 to 475.999.

(4) Notwithstanding this section, the manufacture, delivery or dispensing of any controlled substance excluded from any medical use by federal law is prohibited, except:

(a) For research authorized under subsection (3) of this section and ORS 475.225; or

(b) As otherwise provided by state or federal law.

(5) Compliance by manufacturers and distributors with the provisions of the federal law respecting registration, excluding fees, entitles them to be registered under ORS 475.045, 475.095 and 475.125 to 475.185. [1977 c.745 §9; 1979 c.777 §53; 1981 c.666 §5; 1995 c.440 §25]

475.140 [Repealed by 1957 c.587 §12]

475.145 Revocation and suspension of registration. (1) A registration under ORS 475.135 to manufacture, deliver or dispense a controlled substance may be suspended or revoked by the State Board of Pharmacy upon a finding that:

(a) The registrant has furnished false or fraudulent material information in any application filed under ORS 475.005 to 475.285 and 475.940 to 475.999;

(b) The registrant has been convicted of a felony under any state or federal law relating to any controlled substance;

(c) The registrant has had the federal registration suspended or revoked to manufacture, deliver or dispense controlled substances;

(d) The registrant has violated any rule of the board under ORS 475.005 to 475.285 and 475.940 to 475.999;

(e) The registrant has failed to maintain proper records or has failed to follow proper refill procedures; or

(f) Continuance of registration would be inconsistent with the public interest under any factor stated in ORS 475.135.

(2) The board may limit revocation or suspension of a registration to the particular controlled substance with respect to which grounds for revocation or suspension exist.

(3) If the board suspends or revokes a registration, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state.

(4) The board shall promptly notify the administration of all orders suspending or revoking registration and all forfeitures of controlled substances. [1977 c.745 §10; 1981 c.666 §6; 1995 c.440 §26]

475.150 [Amended by 1959 c.411 §1; 1971 c.418 §14; repealed by 1977 c.745 §54]

475.155 Order to show cause. (1) Before denying, suspending or revoking a registration, or refusing a renewal of registration, the State Board of Pharmacy shall serve upon the applicant or registrant an order to show cause why registration should not be denied, revoked or suspended, or why the renewal should not be refused. The order to show cause shall contain a statement of the basis therefor and shall call upon the applicant or registrant to appear before the board at a time and place not less than 30 days after the date of service of the order. These proceedings shall be conducted in accordance with ORS chapter 183 without regard to any criminal prosecution or other proceeding. Proceedings to refuse renewal of registration shall not abate the existing registration which shall remain in effect pending the outcome of the administrative hearing.

(2) The board may suspend, without an order to show cause, any registration simultaneously with the institution of proceedings under ORS 475.145 or where renewal of registration is refused, if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the board or dissolved by a court of competent jurisdiction. [1977 c.745 §11]

There may be only one discharge and dismissal under this section with respect to any person.

475.255 Status of penalties. Any penalty imposed for violation of ORS 475.005 to 475.285 and 475.940 to 475.999 is in addition to, and not in lieu of, any civil or administrative penalty or sanction otherwise authorized by law. [1977 c.745 §18; 1995 c.440 §31]

475.265 When prosecution barred. If a violation of ORS 475.005 to 475.285 and 475.940 to 475.999 is a violation of a federal law or the law of another state, a conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state. OREGON MEDICAL MARIJUANA ACT

475.300 Findings. The people of the state of Oregon hereby find that:

(1) Patients and doctors have found marijuana to be an effective treatment for suffering caused by debilitating medical conditions, and therefore, marijuana should be treated like other medicines;

(2) Oregonians suffering from debilitating medical conditions should be allowed to use small amounts of marijuana without fear of civil or criminal penalties when their doctors advise that such use may provide a medical benefit to them and when other reasonable restrictions are met regarding that use;

(3) ORS 475.300 to 475.346 are intended to allow Oregonians with debilitating medical conditions who may benefit from the medical use of marijuana to be able to discuss freely with their doctors the possible risks and benefits of medical marijuana use

and to have the benefit of their doctor's professional advice; and

(4) ORS 475.300 to 475.346 are intended to make only those changes to existing Oregon laws that are necessary to protect patients and their doctors from criminal and civil penalties, and are not intended to change current civil and criminal laws governing the use of marijuana for nonmedical purposes. [1999 c.4 §2]

Note: 475.300 to 475.346 were adopted by the people by initiative petition but were not added to or made a part of ORS chapter 475 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

(b) If a person who possesses a registry identification card fails to comply with this subsection, the card shall be deemed expired. If a registry identification card expires, the identification card of any designated primary caregiver of the cardholder shall also expire.

(8) A person who possesses a registry identification card pursuant to this section

and who has been diagnosed by the person's attending physician as no longer having a debilitating medical condition shall return the registry identification card to the department within seven calendar days of notification of the diagnosis. Any designated primary caregiver shall return the caregiver's identification card within the same period of time.

(1) Except as provided in ORS 475.316 and 475.342, it is an affirmative defense to a criminal charge of possession or production of marijuana, or any other criminal offense in which possession or production of marijuana is an element, that the person charged with the offense is a person who:

(a) Has been diagnosed with a debilitating medical condition within 12 months prior to arrest and been advised by his or her attending physician the medical use of marijuana may mitigate the symptoms or effects of that debilitating medical condition;

(b) Is engaged in the medical use of marijuana; and

(c) Possesses or produces marijuana only in the amounts allowed in ORS 475.306 (1), or in excess of those amounts if the person proves by a preponderance of the evidence that the greater amount is medically necessary as determined by the person's attending physician to mitigate the symptoms or effects of the person's debilitating medical condition.

(2) It is not necessary for a person asserting an affirmative defense pursuant to this section to have received a registry iden-

tification card in order to assert the affirmative defense established in this section.

(3) No person engaged in the medical use of marijuana who claims that marijuana provides medically necessary benefits and who is charged with a crime pertaining to such use of marijuana shall be precluded from presenting a defense of choice of evils, as set forth in ORS 161.200, or from presenting evidence supporting the necessity of marijuana for treatment of a specific disease or medical condition, provided that the amount of marijuana at issue is no greater than permitted under ORS 475.306 and the patient has taken a substantial step to comply with the provisions of ORS 475.300 to 475.346.

(4) Any defendant proposing to use the affirmative defense provided for by this section in a criminal action shall, not less than five days before the trial of the cause, file and serve upon the district attorney a written notice of the intention to offer such a defense that specifically states the reasons why the defendant is entitled to assert and the factual basis for such affirmative defense. If the defendant fails to file and serve such notice, the defendant shall not be permitted to assert the affirmative defense at the trial of the cause unless the court for good cause orders otherwise. (2) Any property interest possessed, owned or used in connection with the medical use of marijuana or acts incidental to the medical use of marijuana that has been seized by state or local law enforcement officers shall not be harmed, neglected, injured or destroyed while in the possession of any law enforcement agency. A law enforcement agency has no responsibility to maintain live marijuana plants lawfully seized. No such property interest may be forfeited under any provision of law providing for the forfeiture of property other than as a sentence imposed after conviction of a criminal offense. Usable marijuana and paraphernalia used to administer marijuana that was seized by any law enforcement office shall be returned immediately upon a determination by the district attorney in whose county the property was seized, or his or her designee, that the person from whom the marijuana or parapher-

(2) Providing the written documentation necessary for issuance of a registry identification card under ORS 475.309, if the documentation is based on the attending physician's personal assessment of the applicant's medical history and current medical condition and the physician has discussed the potential medical risks and benefits of the medical use of marijuana with the applicant. The department shall adopt rules establishing the manner in which the department will evaluate petitions submitted under this section. Any rules adopted pursuant to this section shall require the department to approve or deny a petition within 180 days of receipt of the petition by the department. This paragraph shall not preclude liability for costs or damages as the result of negligence on the part of such person.
