(Commitment Procedure)

426.070 Initiation; notification required; recommendation to court; citation. (1) Any of the following may initiate commitment procedures under this section by giving the notice described under subsection (2) of this section:

- (a) Two persons;
- (b) The county health officer; or
- (c) Any magistrate.

(2) For purposes of subsection (1) of this section, the notice must comply with the following:

(a) It must be in writing under oath;

(b) It must be given to the community mental health program director or a designee of the director in the county where the allegedly mentally ill person resides;

(c) It must state that a person within the county other than the person giving the notice is a mentally ill person and is in need of treatment, care or custody;

(d) If the commitment proceeding is initiated by two persons under subsection (1)(a) of this section, it may include a request that the court notify the two persons:

(A) Of the issuance or nonissuance of a warrant under this section; or

(B) Of the court's determination under ORS 426.130 (1); and

(e) If the notice contains a request under paragraph (d) of this subsection, it must also include the addresses of the two persons making the request.

(3) Upon receipt of a notice under subsections (1) and (2) of this section or when notified by a circuit court that the court received notice under ORS 426.234, the community mental health program director, or designee of the director, shall:

(a) Immediately notify the judge of the court having jurisdiction for that county under ORS 426.060 of the notification described in subsections (1) and (2) of this section.

(b) Immediately notify the Oregon Health Authority if commitment is proposed because the person appears to be a mentally ill person, as defined in ORS 426.005 (1)(e)(C). When such notice is received, the authority may verify, to the extent known by the authority, whether or not the person meets the criteria described in ORS 426.005 (1)(e)(C)(i) and (ii) and so inform the community mental health program director or designee of the director.

(c) Initiate an investigation under ORS 426.074 to determine whether there is probable cause to believe that the person is in fact a mentally ill person.

(4) Upon completion, a recommendation based upon the investigation report under ORS 426.074 shall be promptly submitted to the court. If the community mental health program director determines that probable cause does not exist to believe that a person released from detention under ORS 426.234 (2)(c) or (3)(b) is a mentally ill person, the community mental health program director shall not submit a recommendation to the court.

(5) When the court receives notice under subsection (3) of this section:

(a) If the court, following the investigation, concludes that there is probable cause to believe that the person investigated is a mentally ill person, it shall, through the issuance of a citation as provided in ORS 426.090, cause the person to be brought before it at a time and place as it may direct, for a hearing under ORS 426.095 to determine whether the person is mentally ill. The person shall be given the opportunity to appear voluntarily at the hearing unless the person fails to appear or unless the person is detained pursuant to paragraph (b) of this subsection.

(b)(A) The judge may cause the allegedly mentally ill person to be taken into custody pending the investigation or hearing by issuing a warrant of detention under this subsection. A judge may only issue a warrant under this subsection if the court finds that there is probable cause to believe that failure to take the person into custody would pose serious harm or danger to the person or to others.

(B) To cause the custody of a person under this paragraph, the judge must issue a warrant of detention to the community mental health program director or designee, the sheriff of the county or designee, directing that person to take the allegedly mentally ill person into custody and produce the person at the time and place stated in the warrant.

(C) At the time the person is taken into custody, the person shall be informed by the community mental health program director, the sheriff or a designee of the following:

(i) The person's rights with regard to representation by or appointment of counsel as described in ORS 426.100;

(iii) The person's right, if the community mental health program director, sheriff or designee reasonably suspects that the person is a foreign national, to communicate with

an official from the consulate of the person's country. A community mental health program director, sheriff or designee is not civilly or criminally liable for failure to provide the information required by this sub-subparagraph. Failure to provide the information required by this sub-subparagraph does not in itself constitute grounds for the exclusion of evidence that would otherwise be admissible in a proceeding.

(D) The court may make any orders for the care and custody of the person prior to the hearing as it considers necessary.

(c) If the notice includes a request under subsection (2)(d)(A) of this section, the court shall notify the two persons of the issuance or nonissuance of a warrant under this subsection. [Amended by 1957 c.329 §1; 1967 c.534 §20; 1973 c.838 §3; 1975 c.690 §2; 1979 c.408 §1; 1983 c.740 §149; 1987 c.903 §7; 1989 c.993 §4; 1993 c.484 §26; 1995 c.201 §2; 1995 c.498 §1; 2003 c.14 §235; 2003 c.109 §3; 2009 c.595 §385; 2009 c.828 §26]

(d) The treating physician shall be notified immediately of any use of mechanical restraints on the person. Every use of a mechanical restraint and the reasons therefor shall be made a part of the clinical record of the person over the signature of the treating physician; and

(e) The treating physician shall give the person the warning under ORS 426.123 at times the treating physician determines the person will reasonably understand the notice. This paragraph only requires the notice to be given as often as the physician determines is necessary to assure that the person is given an opportunity to be aware of the notice.

(3) The Oregon Health Authority shall adopt rules necessary to carry out this section, including rules regarding the content of the medical record compiled during the current period of custody. [1987 c.903 §9; 1993 c.484 §13; 1997 c.531 §1; 2009 c.595 §386]

(c) The investigator shall be allowed access to physicians, nurses or social workers and to medical records compiled during the current involuntary prehearing period of detention to determine probable cause and to develop alternatives to commitment. If commitment is proposed because the person appears to be a mentally ill person as defined in ORS 426.005 (1)(e)(C), the investigator shall be allowed access to medical records necessary to verify the existence of criteria described in ORS 426.005 (1)(e)(C). The investigator shall include pertinent parts of the medical record in the investigation report. (2) Any person voluntarily admitted to a state hospital pursuant to this section may upon application and notice to the superintendent of the hospital concerned, be granted a temporary leave of absence from the hospital if such leave, in the opinion of the superintendent, will not interfere with the successful treatment or examination of the applicant for leave.

The physician shall have personally examined the allegedly mentally ill person within 24 hours prior to signing the certificate.

(4) When a peace officer or other authorized person, acting under this section, delivers a person to a hospital or nonhospital facility, a physician licensed by the Oregon Medical Board shall examine the person immediately. A physician, nurse or qualified mental health professional is not civilly or criminally liable for failure to provide the information required by this paragraph. (2)(a) At the time the person is admitted to or retained in a hospital under ORS 426.232, the physician shall contact the community mental health program director of the county in which the person resides, if the county of residence is different from the county in which the hospital is located. Except when a person is being held under ORS 426.237 (1)(b), a person shall not be held under ORS 426.232 or 426.233 for more than five judicial days without a hearing being held under ORS 426.070 to 426.130.

(5) When the judge of the circuit court receives notice under subsection (2)(c) or (3)(b) of this section that a person has been released, and unless the court receives the recommendation required by ORS 426.070 (4), the judge shall dismiss the case no later than 14 days after the date the person was initially detained. (2)(a) If the circuit court adopts the recommendation of the community mental health program director under subsection (1)(a) of this section, the circuit court shall enter an order releasing the person and dismissing the case. Unless the person agrees to voluntary treatment, if the person is being detained in a:

(B) Except when the person expressly refuses treatment, the treating physician shall treat the person within the scope of the treatment plan provided the person under paragraph (b) of this subsection. The person's refusal of treatment constitutes sufficient grounds for the community mental health program director to request a hearing as provided in subsection (4)(a) of this section.

(C) If the person is in a hospital and the community mental health program director locates a nonhospital facility, approved by the authority, that, in the opinion of the community mental health program director and the treating physician, can provide care or treatment for mental illness necessary and sufficient to meet the emergency psychiatric needs of the person, the treating physician shall discharge the person from the hospital and the community mental health program director shall remove the person to the nonhospital facility for the remainder of the 14-day intensive treatment period. If, however, in the opinion of the treating physician, the person's condition requires the person to receive medical care or treatment, the physician shall retain the person in the hospital.

(D) If the person is in a nonhospital facility, the community mental health program director shall transfer the person to a hospital approved by the authority under the following conditions:

(i) If, in the opinion of a physician, the person's condition requires the person to receive medical care or treatment in a hospital; and

(ii) The physician agrees to admit the person to a hospital, approved by the authority, where the physician has admitting privileges.

(E) If the person is transferred as provided in subparagraph (C) or (D) of this paragraph, the community mental health program director shall notify the circuit court, in the county where the certificate was filed, of the location of the person. The person may appeal the transfer as provided by rules of the authority.

(e) If the person is in a hospital, the treating physician may discharge the person at any time during the 14-day period. The treating physician shall confer with the community mental health program director and the person's next of kin, if the person consents to the consultation, prior to dis-

charging the person. Immediately upon discharge of the person, the treating physician shall notify the court in the county in which the certificate was filed initially.

(f) If the person is in a nonhospital facility, the community mental health program director may discharge the person at any time during the 14-day period. The community mental health program director shall consult with the treating physician and the person's next of kin, if the person consents to the consultation, prior to discharging the person. Immediately upon discharge of the person, the community mental health program director shall notify the court in the county in which the certificate was filed initially.

(g) The person may agree to voluntary treatment at any time during the 14-day period. When a person agrees to voluntary treatment under this paragraph, the community mental health program director immediately shall notify the court in the county in which the certificate was filed initially.

(h) A person consenting to 14 days of treatment under subsection (3)(c) of this section shall not be held longer than 14 days from the time of consenting without a hearing as provided in ORS 426.070 to 426.130.

(i) When the court receives notification under paragraph (e), (f) or (g) of this subsection, the court shall dismiss the case.

(4) The judge of the circuit court shall immediately commence proceedings under ORS 426.070 to 426.130 when:

(a) The person consenting to 14 days of treatment or the community mental health program director requests a hearing. The hearing shall be held without unreasonable delay. In no case shall the person be held in a hospital or nonhospital facility longer than five judicial days after the request for a hearing is made without a hearing being held under ORS 426.070 to 426.130.

(b) The community mental health program director acts under subsection (1)(c) of this section. In no case shall the person be held longer than five judicial days without a hearing under this subsection. [1993 c.484 §9; 2003 c.14 §237; 2009 c.595 §409]

Note: See note under 426.228.

426.238 Classifying facilities. The Oregon Health Authority may assign classifications, as defined by rule of the authority, to facilities that provide care and treatment for persons committed to the authority under ORS 426.130 or provide emergency care or treatment for persons pursuant to ORS 426.070, 426.228 to 426.235 or 426.237. The authority may authorize a facility to retake custody of a person who unlawfully leaves a

facility as provided in ORS 426.223. [1993 c.484 §10; 2009 c.595 §410]

Note: See note under 426.228.

426.240 [Amended by 1959 c.652 §22; 1975 c.690 §16; repealed by 1977 c.764 §4 (426.241 enacted in lieu of 426.240)]

(Costs)

426.241 Payment of care, custody and treatment costs; denial of payment; rules. (1) The cost of emergency psychiatric care, custody and treatment related to or resulting from such psychiatric condition, provided by a hospital or other facility approved by the Oregon Health Authority and the community mental health program director of the county in which the facility is located, except a state mental hospital, for an allegedly mentally ill person admitted or detained under ORS 426.070, 426.140, 426.228, 426.232 or 426.233, or for a mentally ill person admitted or detained under ORS 426.150, 426.223, 426.273, 426.275 or 426.292, shall be paid by the county of which the person is a resident from state funds provided it for this purpose. The county is responsible for the cost when state funds available therefor are exhausted. The hospital or other facility shall charge to and collect from the person, third party payers or other persons or agencies otherwise legally responsible therefor, the costs of the emergency care, custody and treatment, as it would for any other patient, and any funds received shall be applied as an offset to the cost of the services provided under this section.

(2) If any person is admitted to or detained in a state mental hospital under ORS 426.070, 426.140, 426.180 to 426.210, 426.228, 426.232 or 426.233 for emergency care, custody or treatment, the authority shall charge to and collect from the person, third party payers or other persons or agencies otherwise legally responsible therefor, the costs as it would for other patients of the state mental hospitals under the provisions of ORS 179.610 to 179.770.

(3) If any person is adjudged mentally ill under the provisions of ORS 426.130, and the person receives care and treatment in a state mental hospital, the person, third party payers or other persons or agencies otherwise legally responsible therefor, shall be required to pay for the costs of the hospitalization at the state hospital, as provided by ORS 179.610 to 179.770, if financially able to do so.

(4) For purposes of this section and ORS 426.310 "resident" means resident of the county in which the person maintains a current mailing address or, if the person does not maintain a current mailing address within the state, the county in which the

person is found, or the county in which a court-committed mentally ill person has been conditionally released.

(5)(a) The authority may deny payment for part or all of the emergency psychiatric services provided by a hospital or nonhospital facility under ORS 426.232, 426.233 or 426.237 when the authority finds, upon review, that the allegedly mentally ill person's condition did not meet the admission criteria in ORS 426.232 (1), 426.233 (1) or 426.237 (1)(b)(A). The payer responsible under this section shall make a request for denial of payment for emergency psychiatric services provided under ORS 426.232, 426.233 or 426.237 in writing to the authority.

(b) The authority may require the following to provide the authority with any information that the authority determines is necessary to review a request for denial of payment made under this subsection or to conduct a review of emergency psychiatric services for the purpose of planning or defining authority rules:

(A) A hospital or nonhospital facility approved under ORS 426.228 to 426.235 or 426.237.

(B) A physician or a person providing emergency psychiatric services under ORS 426.228 to 426.235 or 426.237.

(c) The authority shall adopt rules necessary to carry out the purposes of this subsection. [1977 c.764 §5 (enacted in lieu of 426.240); 1979 c.392 §1; 1981 c.750 §16; 1987 c.527 §1; 1993 c.484 §21; 2009 c.595 §411]

(1) Any physician or qualified person recommended by the Oregon Health Authority who is employed under ORS 426.110 to make an examination as to the mental condition of a person alleged to be mentally ill shall be allowed a fee as the court in its discretion determines reasonable for the examination.

(2) Witnesses subpoenaed to give testimony shall receive the same fees as are paid in criminal cases, and are subject to compulsory attendance in the same manner as provided in ORS 136.567 to 136.603. The attendance of out-of-state witnesses may be secured in the same manner as provided in ORS 136.623 to 136.637. The party who subpoenas the witness or requests the court to subpoena the witness is responsible for payment of the cost of the subpoena and payment for the attendance of the witness at a

hearing. When the witness has been subpoenaed on behalf of an allegedly mentally ill person who is represented by appointed counsel, the fees and costs allowed for that witness shall be paid pursuant to ORS 135.055. If the costs of witnesses subpoenaed by the allegedly mentally ill person are paid as provided under this subsection, the procedure for subpoenaing witnesses shall comply with ORS 136.570.

(3) If a person with a right to a counsel under ORS 426.100 is determined to be financially eligible for appointed counsel at state expense, the public defense services executive director shall determine and pay, as provided in ORS 135.055, the reasonable expenses related to the representation of the person and compensation for legal counsel. The expenses and compensation so allowed shall be paid by the public defense services executive director from funds available for the purpose.

(4) The authority shall pay the costs of expenses incurred under ORS 426.100 by the Attorney General's office. Any costs for district attorneys or other counsel appointed to assume responsibility for presenting the state's case shall be paid by the county where the commitment hearing is held, subject to reimbursement under ORS 426.310.

(5) All costs incurred in connection with a proceeding under ORS 426.200, including the costs of transportation, commitment and delivery of the person, shall be paid by the county of which the person is a resident; or, if the person is not a resident of this state, then by the county from which the emergency admission was made.

(6) All costs incurred in connection with a proceeding under ORS 426.180 for the commitment of a person from a reservation for land-based tribes of Native Americans, including the cost of transportation, commitment and delivery of the person, shall be paid by the ruling body of the reservation of which the person is a resident. [Amended by 1965 c.420 §2; 1975 c.690 §17; 1977 c.764 §6; 1987 c.606 §9; 1987 c.903 §§26,26a; 2001 c.962 §59; 2009 c.595 §412; 2011 c.720 §162]

Costs of hearings conducted pursuant to ORS 426.307, and the fees for physicians and other qualified persons shall be charged to the county of the person's residence in the same manner provided by ORS 426.310, whether the hearing is held in the county of residence or county of the treating facility. [1973 c.838 §19; 1987 c.803 §23; 1987 c.903 §27]

426.260 [Amended by 1955 c.651 §8; repealed by 1957 c.160 §6]

426.270 [Amended by 1955 c.651 §9; repealed by 1957 c.160 §6]

(Trial Visits; Conditional Release; Outpatient Commitment; Early Release)

426.273 Trial visits. (1) During a period of commitment of a patient under ORS 426.130, the Oregon Health Authority may grant a trial visit to the patient for a period of time and under any conditions the authority shall establish. The authority shall only grant a trial visit under this section if the trial visit is agreed to by the community mental health program director, or the designee of the director, for the county in which the person would reside.

(2) When in the opinion of the authority, the committed person can be appropriately served by outpatient care during the period of commitment, the outpatient care may be required as a condition for trial visit for a period which, when added to the inpatient treatment period, shall not exceed the period of commitment. If outpatient care is required as a condition for a trial visit, the conditions shall include a designation of a facility, service or other provider to provide care or treatment.

(3) A copy of the conditions for trial visit shall be given to all of the persons listed in ORS 426.278.

(4) Any trial visit granted under this section is subject to the provisions under ORS 426.275.

(5) The director of the community mental health program, or designee, of the county in which a person who is on trial visit lives while on trial visit may modify the conditions for continued trial visit when such modification is in the best interest of the person. The director shall send notification of such changes and the reasons for the changes to all those who received a copy of the original conditions under ORS 426.278. [1985 c.242 §2 (enacted in lieu of 426.290); 1987 c.903 §28; 2009 c.595 §413]

426.275 Effect of failure to adhere to condition of placement. The following are applicable to placements of mentally ill persons that are made as conditional release under ORS 426.125, outpatient commitments under ORS 426.127 or trial visits under ORS 426.273 as described:

(1) If the person responsible under this subsection determines that the mentally ill person is failing to adhere to the terms and conditions of the placement, the responsible person shall notify the court having jurisdiction that the mentally ill person is not adhering to the terms and conditions of the placement. If the placement is an outpatient commitment under ORS 426.127 or a trial visit under ORS 426.273, the notifications shall include a copy of the conditions for the placement. The person responsible for notify-

ing the court under this subsection is as follows:

(a) For conditional releases under ORS 426.125, the guardian, relative or friend in whose care the mentally ill person is conditionally released.

(b) For outpatient commitments under ORS 426.127, the community mental health program director, or designee of the director, of the county in which the person on outpatient commitment lives.

(c) For trial visits under ORS 426.273, the community mental health program director, or designee of the director, of the county in which the person on trial visit is to receive outpatient treatment.

(2) On its own motion, the court with jurisdiction of a mentally ill person on such placement may cause the person to be brought before it for a hearing to determine whether the person is or is not adhering to the terms and conditions of the placement. The person shall have the same rights with respect to notice, detention stay, hearing and counsel as for a hearing held under ORS 426.095. The court shall hold the hearing within five judicial days of the date the mentally ill person receives notice under this section. The court may allow postponement and detention during postponement as provided under ORS 426.095.

(3) Pursuant to the determination of the court upon hearing under this section, a person on placement shall either continue the placement on the same or modified conditions or shall be returned to the Oregon Health Authority for involuntary care and treatment on an inpatient basis subject to discharge at the end of the commitment period or as otherwise provided under this chapter.

(4) If the person on placement is living in a county other than the county of the court that established the current period of commitment under ORS 426.130 during which the trial visit, conditional release or outpatient commitment takes place, the court establishing the current period of commitment shall transfer jurisdiction to the appropriate court of the county in which the person is living while on the placement and the court receiving the transfer shall accept jurisdiction.

(5) The court may proceed as provided in ORS 426.307 or this section when the court:

(a) Receives notice under ORS 426.070 or 426.228 to 426.235; and

(b) Determines that the person is a mentally ill person on conditional release under ORS 426.125, outpatient commitment under ORS 426.127 or trial visit under ORS 426.273. [1985 c.242 §3 (enacted in lieu of 426.290); 1987 c.903 §29; 1993 c.484 §22; 2009 c.595 §414; 2011 c.720 §163]

426.278 Distribution of copies of conditions for outpatient commitment or trial visit. The following persons shall be given a copy of the conditions of a placement of a mentally ill person that is made as an outpatient commitment under ORS 426.127 or as a trial visit under ORS 426.273:

(1) The committed person;

(2) The community mental health program director, or designee of the director, of the county in which the committed person is to receive outpatient treatment;

426.280 [Amended by 1961 c.228 §1; 1961 c.706 §26; 1969 c.597 §91; 1973 c.838 §26; 1985 c.242 §5; 1987 c.903 §31; 1993 c.484 §23; 1997 c.531 §7; renumbered 426.335 in 2003]

426.290 [Amended by 1959 c.513 §1; 1961 c.228 §2; 1969 c.391 §6; 1973 c.838 §27; 1975 c.690 §18; repealed by 1985 c.242 §1 (426.273, 426.275 and 426.292 enacted in lieu of 426.290)]

426.292 Release prior to expiration of term of commitment. Nothing in this chapter and ORS 430.397 to 430.401 prohibits the Oregon Health Authority from releasing a person from a hospital or other facility in which the person is being treated prior to the expiration of the period of commitment under ORS 426.130 when, in the opinion of the director of the facility or treating physician, the person is no longer mentally ill. [1985 c.242 §4 (enacted in lieu of 426.290); 2009 c.595 §416]

(Competency and Discharge)

426.295 Judicial determination of competency; restoration of competency.

(2) Upon petition of a person committed to a state hospital, or the guardian, relative or creditor of the person or other interested person, the court of competent jurisdiction in the county in which the state hospital is located or, if the petitioner requests a hearing in the county where the commitment originated, then the court in such county shall hold a hearing to determine whether or not the person in the state hospital is competent. A guardian who is not the petitioner shall be notified of the hearing at least three days before the date set for hearing. After the hearing the court shall enter an order pur-

suant to its finding and serve a copy of the order on the petitioner and forward a copy of the order to the committing court.

(3) When a person committed to a state hospital has been declared incompetent pursuant to subsection (2) of this section and is discharged from the hospital, the superintendent of the hospital shall advise the court which entered the order of incompetency whether or not, in the opinion of the chief medical officer of the hospital on the basis of medical evidence, the person is competent. The superintendent shall make a reasonable effort to notify the discharged person of the advice to the court. If the court is advised that the person is competent, the court shall enter an order to that effect. If the court is advised that the person is not competent, upon petition of the person, the guardian, relative or creditor of the person or other interested person, the court shall hold a hearing to determine whether or not the discharged person is competent. The court shall serve a copy of any order entered pursuant to this subsection on the person and forward a copy of such order to the committing court. [1965 c.628 §2; 1967 c.460 §1; 1969 c.391 §7]

426.297 Payment of expenses for proceeding under ORS 426.295.

(1) The expenses of a proceeding under ORS 426.295 (2) shall be paid by the person, unless it appears from the affidavit of the person or other evidence that the person is unable to pay the expenses. If the person is unable to pay, the expenses of the proceedings shall be paid by the county of which the mentally ill person was a resident at the time of admission. If the county of residence cannot be established, the county from which the person was admitted shall pay the expenses.

(2) The expenses of the proceeding under ORS 426.295 (3) shall be paid by the petitioner.

(3) Any physician employed by the court to make an examination as to the mental condition of a person subject to a competency proceeding under ORS 426.295 or 426.380 to 426.390 shall be allowed a reasonable professional fee by order of the court. Witnesses summoned and giving testimony shall receive the same fees as are paid in ORS 44.415 (2). [1967 c.460 §2; 1989 c.980 §14]

426.300 Discharge of patients; application for public assistance.

(1) The Oregon Health Authority shall, by filing a written certificate with the last committing court and the court of residence, discharge any patient from court commitment, except one held upon an order of a court or judge having criminal jurisdiction in an action or proceeding arising out of criminal offense when in its opinion the individual is no longer a mentally ill person or when in its opinion the

transfer of the individual to a voluntary status is in the best interest of the treatment of the patient.

(2) The authority may sign applications for public assistance on behalf of those patients who may be eligible for public assistance. [Amended by 1963 c.325 §4; 1967 c.549 §8; 1973 c.838 §22; 1997 c.249 §137; 2009 c.595 §417]

426.301 Release of committed patient; certification of continued mental illness; service of certificate; content; period of further commitment; effect of failure to protest further commitment. (1) At the end of the 180-day period of commitment, any person whose status has not been changed to voluntary shall be released unless the Oregon Health Authority certifies to the court in the county where the treating facility is located that the person is still mentally ill and in need of further treatment. The authority, pursuant to its rules, may delegate to the director of the treating facility the responsibility for making the certification. The director of the treating facility shall consult with the community mental health program director of the county of residence prior to making the certification. If the certification is made, the person will not be released, but the director of the treating facility shall immediately issue a copy of the certification to the person and to the community mental health program director of the county of residence.

(2) The certification shall be served upon the person by the director of the facility wherein the person is confined or the designee of the director. The director of the facility shall inform the court in writing that service has been made and the date thereof.

(3) The certification shall advise the person of all the following:

(a) That the authority or facility has requested that commitment be continued for an additional period of time.

(b) That the person may consult with legal counsel and that legal counsel will be provided for the person without cost if the person is unable to afford legal counsel.

(c) That the person may protest this further commitment within 14 days, and if the person does not commitment will be continued for an indefinite period of time up to 180 days.

(d) That if the person does protest a further period of commitment, the person is entitled to a hearing before the court on whether commitment should be continued.

(e) That the person may protest either orally or in writing by signing the form accompanying the certification; that the person is entitled to have a physician or other qualified person as recommended by the author-

ity, other than a member of the staff at the facility where the person is confined, examine the person and report to the court the results of the examination.

(f) That the person may subpoena witnesses and offer evidence on behalf of the person at the hearing.

(g) That if the person is without funds to retain legal counsel or an examining physician or qualified person as recommended by the authority, the court will appoint legal counsel, a physician or other qualified person.

(4) Nothing in subsection (3) of this section requires the giving of the warning under ORS 426.123.

(5) The person serving the certification shall read and deliver the certification to the person and ask whether the person protests a further period of commitment. The person may protest further commitment either orally or by signing a simple protest form to be given to the person with the certification. If the person does not protest a further period of commitment within 14 days of service of the certification, the authority or facility shall so notify the court and the court shall, without further hearing, order the commitment of the person for an additional indefinite period of time up to 180 days. [1973 c.838 §15; 1975 c.690 §19; 1987 c.903 §32; 2001 c.962 §60; 2009 c.595 §418]

426.303 Effect of protest of further commitment; advice of court. When the person protests a further period of commitment the Oregon Health Authority or facility designated in accordance with ORS 426.301 shall immediately notify the court and the court shall have the person brought before it and shall again advise the person that the authority or facility has requested that commitment be continued for an additional period of time and that if the person does not protest this commitment the commitment will be continued for an indefinite period of time up to 180 days. The person shall also be informed of the rights set forth in ORS 426.301. [1973 c.838 §16; 1975 c.690 §20; 2009 c.595 §419]

426.305 [1955 c.522 §4; 1963 c.325 §5; repealed by 1965 c.628 §3]

426.307 Court hearing; continuance; attorney; examination; determination of mental illness; order of further commitment; period of commitment. If the person requests a hearing under ORS 426.301 or if the court proceeds under ORS 426.275 (5), the following provisions apply as described:

(1) The hearing shall be conducted as promptly as possible and at a time and place as the court may direct.

(2) If the person requests a continuance in order to prepare for the hearing or to ob-

tain legal counsel to represent the person, the court may grant postponement and detention during postponement as provided under ORS 426.095.

(3) The person has the right to representation by or appointment of counsel as provided under ORS 426.100 subject to ORS 135.055, 151.216 and 151.219.

(4) If the person requests an examination by a physician or other qualified person as recommended by the Oregon Health Authority and is without funds to retain a physician or other qualified person for purposes of the examination, the court shall appoint a physician or other qualified person, other than a member of the staff from the facility where the person is confined, to examine the person at no expense to the person and to report to the court the results of the examination.

(5) The provisions of ORS 40.230, 40.235, 40.240 and 40.250 do not apply to the use of medical records from the current period of commitment or to testimony related to such records or period of commitment in connection with hearings under this section. The court may consider as evidence such reports and testimony.

(6) The court shall then conduct a hearing and after hearing the evidence and reviewing the recommendations of the treating and examining physicians or other qualified persons, the court shall determine whether the person is still a mentally ill person and in need of further treatment. If in the opinion of the court the individual is still a mentally ill person by clear and convincing evidence and in need of further treatment, the court may order commitment to the authority for an additional indefinite period of time up to 180 days.

(7) At the end of the 180-day period, the person shall be released unless the authority or facility again certifies to the committing court that the person is still a mentally ill person and in need of further treatment, in which event the procedures set forth in ORS 426.301 to 426.307 shall be followed. [1973 c.838 §17; 1975 c.690 §21; 1979 c.408 §5; 1987 c.803 §24; 1987 c.903 §§33,33a; 1989 c.171 §53; 1993 c.484 §24; 1997 c.649 §4; 2001 c.962 §61; 2009 c.595 §420]

426.309 Effect of ORS 426.217 and 426.301 to 426.307 on other discharge procedure. ORS 426.217 and 426.301 to 426.307 do not restrict or limit the discharge procedures set forth in ORS 426.300. [1973 c.838 §20]

(Miscellaneous)

426.310 Reimbursement of county in case of nonresident patients. (1) If the mentally ill person is a resident of some other county in this state, the county making the commitment shall be reimbursed by the

county of which the person is a resident.
