(1) A person who applies for issuance, renewal or replacement of a driver license, driver permit or identification card shall submit to collection of biometric data by the Department of Transportation for the purpose of establishing the person's identity. (2) Notwithstanding subsection (1) of this section and ORS 807.040 (1)(c), the department, by rule, may provide for issuance, renewal or replacement of a valid driver license or driver permit without the collection of biometric data.

(8) The department and employees of the department are immune from liability for any damages resulting from the issuance, renewal or replacement of a driver license, driver permit or identification card under another person's identity if the employee who processed the biometric data for a license, permit or identification card established the applicant's identity as described in subsection (3) of this section. [2005 c.775 §3; 2008 c.1 §14]

The security features used in the production of the licenses shall provide for:

(a) The authentication of a genuine document in a reasonable time; and

(b) The production of the license only by equipment that requires verification of the identity of the operator of the equipment before a license may be produced. [1983 c.338 §306; 1985 c.16 §127; 1985 c.563 §6; 1985 c.608 §18; 1989 c.636 §22; 1991 c.67 §217; 1991 c.523 §6; 1993 c.751 §39; 2003 c.14 §474; 2005 c.292 §7; 2005 c.775 §7; 2007 c.542 §§5,6; 2008 c.1 §§12,13; 2010 c.61 §1]

Note: Sections 12 and 14, chapter 775, Oregon Laws 2005, provide:

(1) The extended or amended contract is financially prudent; and

(2) The contract is not extended or amended beyond July 1, 2013. [2005 c.775 §12]

Sec. 14. Section 12 of this 2005 Act is repealed on July 1, 2013. [2005 c.775 §14]

807.115 Duplicate images of photographs. The Department of Transportation shall retain a duplicate image of each photograph used on a driver license under the provisions of ORS 807.110 or an identification card under ORS 807.400. The duplicates may not be made available to anyone other than law enforcement officials and employees of the department acting in an official capacity. [1989 c.902 §2]

807.120 Restrictions generally. (1) The Department of Transportation may place restrictions on driving privileges granted a person if the department determines that there is good cause to restrict the driving privileges of the person in order to insure the safe operation of a motor vehicle by the person.

(2) Restrictions placed on a license by the department under this section shall be suitable to the driving ability of the person whose driving privileges are restricted. The restrictions may include:

(a) Restrictions on the type of motor vehicle the person may operate;

(b) Requirements for special mechanical control devices on motor vehicles operated by the person; or

(c) Any other restrictions the department determines appropriate to insure the safe operation of a motor vehicle by the person.

(3) The department shall place a restriction on the commercial driver license of a person who performs the skill demonstration required under ORS 807.070 for issuance of a commercial license in a vehicle that is not equipped with air brakes. A restriction imposed under this subsection prohibits the person from operating commercial motor vehicles equipped with air brakes.

(4) The department may impose restrictions under this section by setting forth the restrictions on the regular license form or by issuing a special form for licenses with restrictions.

(5) The department shall place restrictions on driving privileges under this section when ordered by a court under ORS 809.210 or 809.270. Any restriction imposed under this subsection shall be made a part of the person's driving record and shall remain in effect until the court notifies the department in writing that the restrictions are removed.

(6) The department may impose restrictions under this section on driving privileges that are restored after having been suspended or revoked. The restrictions imposed under this subsection may include any restrictions that have been recommended by a convicting magistrate.

(7) The use of the term "restrictions" in this section includes any restrictions, conditions or requirements.

(8) Violation of any restrictions placed on driving privileges under this section is punishable as provided under ORS 807.010. [1983 c.338 §307; 1985 c.16 §128; 1989 c.636 §23]

807.122 Restrictions on operation with provisional driver license. (1) The Department of Transportation shall place the following restrictions on a provisional driver license issued under ORS 807.065:

(a) Except as provided in subsections (2) and (3) of this section, for the first six months after issuance of the license, the holder of the license may not operate a motor vehicle that is carrying a passenger under 20 years of age who is not a member of the holder's immediate family. For the second six months, the holder of the license may not operate a motor vehicle that is carrying more than three passengers who are under 20 years of age and who are not members of the holder's immediate family.

(b) For the first year after issuance of the license, the holder of the license may not operate a motor vehicle between the hours of 12 midnight and 5 a.m. except when:

(A) The holder is driving between the holder's home and place of employment;

(B) The holder is driving between the holder's home and a school event for which no other transportation is available;

(C) The holder is driving for employment purposes; or

(D) The holder is accompanied by a licensed driver who is at least 25 years of age.

(2) Subsection (1)(a) of this section does not apply to the holder of a provisional driver license who:

(a) Is employed by a farmer, rancher or orchardist;

(b) Is operating, solely for employment purposes, a motor vehicle that is owned by the employer and for which financial responsibility requirements of ORS 806.060 have been met;

(c) Is transporting passengers who are employed by the same employer as the driver and who are being transported solely for employment purposes;

(d) Is not transporting more passengers than the number of available seat belts; and

(e) Has in the vehicle a written statement signed by the employer certifying that the driver is employed by the employer and that there is no other option for transporting the employees.

(3) Subsection (1)(a) of this section does not apply to the holder of a provisional driver license who is 16 or 17 years of age and who is operating a motor vehicle with:

(a) An instructor in the vehicle as part of a certified traffic safety education course; or

(b) A person in the vehicle who has valid driving privileges and who is the parent or stepparent of the holder of the license. [1999 c.328 §3; 2001 c.410 §6; 2001 c.608 §1; 2003 c.14 §475; 2003 c.767 §1]

807.130 Expiration. (1) A license that is issued as an original license and not as a license that is renewed expires on the anniversary of the licensee's birthday in the eighth calendar year after the year of issuance.

(2) A license that is renewed under ORS 807.150 expires eight years from the specified expiration date of the immediately preceding license.

(3) Notwithstanding subsections (1) and (2) of this section, a license that is issued to a person who is not a citizen or permanent legal resident of the United States expires on

the date the licensee is no longer authorized to stay in the United States, as indicated by the documentation the person presented to the Department of Transportation to provide proof of legal presence in the United States as required by ORS 807.021 and 807.730, but no longer than eight years from the date of issuance or, if there is no definite end to the authorized stay, after a period of one year.

(4) A license that has expired does not grant driving privileges and is not valid evidence of driving privileges. [1983 c.338 §308; 1985 c.16 §129; 1999 c.91 §1; 2008 c.1 §15]

807.135 Expiration of license held by Oregon National Guard member or military reservist. (1) Notwithstanding ORS 807.130, a license held by a member of the Oregon National Guard or a military reservist ordered on active duty and deployed to a location outside the United States that expires while the holder is on active duty shall remain valid and grant driving privileges for 90 days following the termination of active duty.

(2) The court shall dismiss the charge of operating a vehicle without driving privileges under ORS 807.010 if, when charged, a member of the Oregon National Guard or a military reservist held a valid license pursuant to subsection (1) of this section. [2005 c.257 §2; 2009 c.482 §3]

807.140 Notice prior to expiration; exceptions; effect of failure to notify; records. (1) Before the expiration of any license or a license with an endorsement under the vehicle code, the Department of Transportation shall notify the person to whom the license was issued of the approaching expiration. Within a reasonable time prior to the expiration date, the notice shall be mailed to the person to whom the license was issued at the address shown in the files maintained by the department.

(2) The department is not required to notify the person of an approaching expiration if the person's license has been suspended, canceled or revoked or if the person has failed to notify the department of a change of address as required under ORS 807.560.

(3) Notwithstanding subsection (1) of this section, the department is not required to notify the person of an approaching expiration if the person received a limited term driver license, limited term driver permit or limited term identification card under ORS 807.730 for a period of less than one year.

(4) Failure to receive a notice of expiration from the department is not a defense to a charge of driving with an expired license. However, the court may dismiss the charge if the person renews the license before the scheduled court appearance.

(5) The department's responsibility to maintain records concerning notice under this section is as provided under ORS 802.210. [1983 c.338 §309; 1985 c.16 §130; 1985 c.597 §9; 1993 c.751 §41; 2003 c.14 §476; 2009 c.258 §2]

807.150 Renewal. (1) When a license expires or is about to expire, the Department of Transportation shall renew the license under this section if the holder of the license qualifies for renewal of the license under this section and:

(a) Applies for renewal within one year of the expiration of a similar license under ORS 807.130; or

(b) Applies for issuance of a license within six months after the applicant is discharged from the Armed Forces of the United States and was licensed by this state at the time of the applicant's entry into the Armed Forces.

(2) To qualify for renewal of a license under this section, a person must meet all of the requirements under ORS 807.040 for the class of license sought to be renewed, except that the department may waive the examination under ORS 807.070 of a person applying for renewal of a license unless the department has reason to believe that the applicant is not qualified to hold the license or unless the applicant for renewal has not previously been examined.

(3) To receive a renewal under this section, the license renewal fee and the Student Driver Training Fund eligibility fee under ORS 807.370 must be paid.

(4) If a person who applies for a renewal under this section is not qualified to renew the class of license sought to be renewed, the department may issue the person any lower class of license for which the person qualifies in lieu of renewing the person's license for the class of license held by the person.

(5) A license that is renewed under this section may be used on or after the date of issuance. If the department issues a license renewal to a person under this section before the expiration of the license being renewed, the older license is invalid. A license that becomes invalid under this subsection shall be destroyed by the person to whom it was issued.

(6) If the address of the applicant has changed since the last time a license was issued to or renewed for the applicant, the department shall require proof to verify the address of an applicant for renewal of a license in addition to anything else the department may require of the applicant. [1983 c.338 §310; 1985 c.16 §131; 1985 c.597 §10; 1985 c.608 §19; 1991 c.709 §2; 1993 c.751 §42; 2001 c.668 §9]

807.160 Replacement license or permit; rules; fees. (1) The Department of Transportation shall establish by rule the reasons for issuing a replacement driver license or driver permit to a person who submits an application for the replacement. The reasons for replacement shall include, but are not limited to, situations when the person:

(a) Furnishes proof satisfactory to the department of the loss, destruction or mutilation of the person's driver license or driver permit.

(b) Changes residence address from the address noted on the person's driver license or driver permit.

(c) Is a corrections officer or an eligible employee who has requested, in accordance with ORS 802.250 or 802.253, that department records show the address of the person's employer.

(d) Changes names from the name noted on the person's driver license or driver permit.

(e) Is applying or is required to add or remove a restriction on the driver license or driver permit.

(f) Is applying or is required to add or remove an endorsement other than a motorcycle endorsement on the driver license or driver permit.

(g) Furnishes proof satisfactory to the department or the department determines that the department made an error when issuing a driver license or driver permit.

(h) Furnishes proof satisfactory to the department that, for a reason identified by the department by rule, the person needs a replacement driver license or driver permit that bears a different distinguishing number from the license or permit being replaced.

(i) Furnishes proof satisfactory to the department that the person is a veteran, as defined in ORS 408.225, and the person requests a replacement driver license that includes the fact that the person is a veteran.

(2) Notwithstanding subsection (1)(b) of this section, in lieu of issuing a replacement driver license or driver permit upon a change in residence address of a person, the department may note the change of residence address on the person's license or permit in a manner determined by the department.

(3) A replacement driver license or driver permit issued under this section:

(a) Shall bear the same distinguishing number as the driver license or driver permit replaced unless the person applying for the replacement furnishes proof as described in subsection (1)(h) of this section.

(b) Does not alter or extend the driving privileges granted to the person under the old license or permit unless the replacement license or permit was issued for the purpose of changing a restriction or endorsement or for correcting an error involving driving privileges.

(4) Except for driver permits for which the department does not charge an issuance fee, the department shall charge the fee under ORS 807.370 for a replacement license or driver permit issued under this section. The replacement fee is in addition to any endorsement or test fee that may apply. The department may waive the replacement fee as provided under ORS 807.390.

(5) The driver license or driver permit replaced under this section is invalid and shall be surrendered to the department.

(6) The department may not issue a replacement driver license or driver permit under this section if:

(a) The person making application is not qualified to hold a license or permit at the time of application.

(b) The driving privileges of the person making application are suspended or revoked and have not been partially or completely reinstated.

(7) The department need not issue a replacement driver license or driver permit to a person who has not complied with the requirements and responsibilities created by citation for or conviction of a traffic offense in another jurisdiction if an agreement under ORS 802.530 authorizes the department to withhold issuance of a replacement license or permit. [1983 c.338 §313; 1985 c.16 §133; 1985 c.174 §9; 1985 c.258 §4; 1985 c.396 §8; 1985 c.563 §7; 1985 c.597 §12a; 1985 c.669 §9; 1989 c.535 §1; 1991 c.67 §218; 1991 c.523 §7; 1991 c.702 §23; 1993 c.393 §2; 1993 c.751 §43; 2005 c.59 §1; 2005 c.241 §1a; 2005 c.292 §8a; 2010 c.61 §2]

(a) The person must hold a valid license other than a restricted Class C license issued under the vehicle code.

(b) The person must successfully complete any tests and demonstrations referred to in ORS 807.070 that the department determines necessary to determine whether the applicant is qualified for the type of

endorsement sought. The actual demonstration required under ORS 807.070, if any, must be performed in a vehicle that may be operated under the endorsement sought but that may not be operated without the endorsement. Tests shall include, but are not limited to, those tests necessary to determine whether the applicant:

(A) Has satisfactory knowledge of laws relating to operation under the type of endorsement sought, defensive driving skills, the common causes of accidents involving vehicles operated under the type of endorsement sought; and

(B) Can operate under the endorsement in a manner that will not jeopardize the safety of persons or property.

(c) The appropriate fee under ORS 807.370 for the endorsement, including the fee for the Motorcycle Safety Subaccount, must be paid.

(d) If the person is applying for a motorcycle endorsement, the person must comply with ORS 807.175.

(3) An endorsement granted under this section is subject to the following:

(b) It is valid only if the license endorsed is valid.

(c) The appropriate fee under ORS 807.370 must be paid upon renewal of the endorsement in addition to any fee for renewal of the license endorsed.

(d) Except as provided under ORS 807.350 or as specifically provided under ORS 809.419, an endorsement cannot be canceled, suspended or revoked separately from the license endorsed. When an endorsed license is canceled, suspended or revoked, all endorsements on the license are subject to the same cancellation, suspension or revocation as the license.

(4) Before the department may renew any license with a motorcycle endorsement, the applicant shall pay the department the Motorcycle Safety Subaccount fee established under ORS 807.370 in addition to any fee for renewal of the license. [1983 c.338 §312; 1985 c.16 §132; 1985 c.608 §20; 1989 c.427 §4; 1989 c.636 §24; 1997 c.292 §2; 2003 c.14 §477; 2003 c.402 §17; 2009 c.810 §2]

807.173 Additional requirements for hazardous materials endorsement; rules.

(1) Notwithstanding ORS 807.170, the Department of Transportation may not issue or renew a commercial driver license with a hazardous materials endorsement and may cancel a commercial driver license with a hazardous materials endorsement if a person:

(a) Does not complete and pass a security threat assessment from the federal Transportation Security Administration, including receipt by the department of a notice from the federal Transportation Security Administration showing that the person does not pose a security threat. The department shall establish by rule the process and frequency for obtaining a security threat assessment.

(b) Is assessed as a security threat by the federal Transportation Security Administration. The assessment must be received by the department in the form of a notice from the federal Transportation Security Administration.

(c) Is not a U.S. citizen or permanent legal resident as defined by the department by rule.

(2) A person is entitled to administrative review under ORS 809.440 when the department does not issue or renew a commercial driver license with a hazardous materials endorsement under this section or cancels a commercial driver license with a hazardous materials endorsement under this section.

(3) To the extent possible, rules promulgated by the department under this section should be uniform with any applicable federal regulations related to the holding of a commercial driver license with a hazardous materials endorsement. [2005 c.649 §33; 2009 c.395 §8]

807.175 Motorcycle education course.

(1) The Department of Transportation may not issue a motorcycle endorsement to a person unless the person shows to the satisfaction of the department that the person has successfully completed a motorcycle rider education course established by the department under ORS 802.320. This requirement is in addition to any other requirement for the endorsement.

(2) Subsection (1) of this section does not apply to a person applying for issuance of a motorcycle endorsement under ORS 807.170 who:

(a) Currently holds a motorcycle endorsement issued by another state; or

(b) Is applying for a restricted motorcycle endorsement that only authorizes the person to operate a motorcycle with more than two wheels. [1989 c.427 §2; 1991 c.453 §13; 1993 c.288 §2; 1997 c.292 §3; 2003 c.14 §478; 2009 c.810 §3; 2011 c.326 §1]

A disability golf cart driver permit grants the driving privileges provided in this section or under the permit. Except as otherwise provided in this section, a disability golf cart driver permit is subject to the fees, provisions, conditions, prohibitions and penalties applicable to a Class C license. The following apply to a disability golf cart driver permit:

(1) The department shall issue a disability golf cart driver permit only to persons with ambulatory disabilities.

(2) The department shall issue a disability golf cart driver permit to an applicant who would not qualify for a license because of the person's disability if the department determines that the person's disability does not prevent the person from reasonable and ordinary control of vehicles operated under the permit when operated as allowed under the permit.

(3) In addition to any other restrictions placed on the permit by the department, the permit only grants driving privileges for the operation of golf carts or substantially similar vehicles on roads or streets in an area with a speed designation not greater than 25 miles per hour.

(4) The department may require an applicant for the permit to demonstrate that the applicant is qualified to safely exercise the driving privileges granted under a disability golf cart driver permit notwithstanding the disability of the person.

(6) A person with a disability golf cart driver permit who commits the offense of violation of license restrictions under ORS 807.010 by driving on a road or street in an area with a speed designation greater than 25 miles per hour commits a Class D traffic violation. (b) The department shall place restrictions on the permit that designate the routes over which the permit is valid. The department shall designate routes it determines necessary from the facts creating the emergency.

(d) The department may establish a form for the permit that differs from the form required for a license.

(e) The only fee required for issuance of the permit is the emergency driver permit fee under ORS 807.370.

(f) The department may establish a period for the expiration of the permit that coincides with the end of the emergency that is the basis for the permit.

(g) The department shall cancel the permit if the department determines that the holder of the permit has operated a motor vehicle over any highway or for any purpose other than one approved under the permit.

(h) If an emergency driver permit is canceled, the person issued the permit is ineligible to be issued another emergency driver permit for a period of one year.

(i) In addition to any other application requirements for the emergency driver permit, the applicant must obtain the endorsement on the application of the sheriff of the county in which the applicant resides.

In addition to other emergencies, a situation that leaves the applicant with no alternative means to travel to and from school is an emergency for purposes of a permit issued under this subsection. [1983 c.338 §322; 1985 c.16 §140; 1985 c.174 §10; 1985 c.608 §26; 1987 c.262 §1; 1989 c.636 §27; 2001 c.410 §4; 2003 c.14 §479; 2005 c.59 §5; 2011 c.355 §2]

(8) If a special student driver permit is canceled, the person issued the permit is ineligible to be issued any license or driver permit until the person is old enough to be eligible for a license.

(9) In addition to any other application requirements for the special student driver permit, the applicant must:

(a) Certify that the applicant has no other available means of transportation that would enable the applicant to continue the applicant's education;

(b) Specify the road or highway over which the applicant desires to operate motor vehicles;

(2) Except as provided in ORS 813.520, the department may reinstate the privilege to operate a motor vehicle of any person whose license to operate a motor vehicle has been suspended by issuing the person a hardship permit described under this section if such person qualifies under this section, ORS 807.250, 807.252 and 813.500. However, the department may not issue a hardship

permit authorizing a person to drive a commercial motor vehicle.

(3) To qualify for a hardship permit, a person must do all of the following in addition to any applicable provisions under ORS 807.250, 807.252 and 813.500:

The department shall determine by rule what constitutes necessary services for purposes of this subparagraph. The rule shall include as necessary services, but need not be limited to, grocery shopping, driving the person or the person's children to school, driving to medical appointments and caring for elderly family members.

(c) If the person is applying for a permit because the person or a member of the person's immediate family requires medical treatment on a regular basis, the person must present, in addition to any evidence required by the department under paragraph (b) of this subsection, a statement signed by a licensed physician or certified nurse practitioner that indicates that the person or a member of the person's immediate family requires medical treatment on a regular basis.

(6) The fee charged for application or issuance of a hardship driver permit is the hardship driver permit application fee under ORS 807.370. The department may not refund the fee if the application is denied or if the driver permit is suspended or revoked. The fee upon renewal of the driver permit is the same fee as that charged for renewal of a license. The application fee charged under this subsection is in addition to any fee charged for reinstatement of driving privileges under ORS 807.370.

The Department of Transportation shall provide for the issuance of instruction driver permits in a manner consistent with this section. A person who is issued an instruction driver permit may exercise the same driving privileges as those under the class of license or endorsement for which the permit is issued except as provided in this section or under the permit. Except as otherwise provided in this section, an instruction driver permit is subject to the fees, provisions, conditions, prohibitions and penalties applicable to a license or endorsement granting the same driving privileges. The following apply to an instruction driver permit:

(1) An instruction driver permit is subject to the same classifications and endorsements as a license. The department may issue an instruction driver permit to grant the same driving privileges as a Class A commercial, Class B commercial, Class C commercial or Class C driver license or as a motorcycle endorsement, but the permit will also be subject to the provisions of this section.

(2) The department may issue an instruction driver permit to a person who is qualified to obtain the same driving privileges under the corresponding class of license or type of endorsement except for the person's age or lack of experience in the operation of motor vehicles subject to the following:

(6) To qualify for renewal of a permit, a person must meet all of the requirements for the type of permit sought to be renewed, except that the department may waive the examination unless the department has reason to believe that the applicant is not qualified for the permit.

(7) A permit that is renewed under this section may be used on or after the date of issuance. If the department issues a permit renewal to a person under this section before the expiration of the permit being renewed, the older permit is invalid. A permit that becomes invalid under this subsection shall be surrendered to the department.

(8) The holder of the permit may not operate a motor vehicle unless the holder has the permit in the holder's immediate possession and is accompanied by a person with a class of license granting the same driving privileges or a license with an endorsement granting the same driving privileges who is not less than 21 years of age. The accompanying person must be occupying a seat beside the holder of the permit unless the permit is for motorcycle driving privileges. (2) If a person does not appear before the department within a reasonable time after receiving notice from the department under this section or is unable to reestablish eligibility to the satisfaction of the department under this section, the department may take

The department may reissue an identification card canceled under this subsection when the applicant has satisfied all requirements for the identification card.

If the department issues an identification card under this subsection, the identification card shall expire at the same time as the surrendered driver license or driver permit would have expired. (1) Oregon recognizes the importance of protecting the confidentiality and privacy of an individual's personal information contained in driver licenses, driver permits and identification cards.

(2) Machine-readable features found on driver licenses, driver permits and identification cards are intended to facilitate verification of age or identity, not to facilitate collection of personal information about individuals nor to facilitate the creation of private databases of transactional information associated with those individuals.

(3) Easy access to the information found on driver licenses, driver permits and identification cards facilitates the crime of identity theft, which is a major concern in Oregon. [2009 c.546 §1]

Note: 807.745 and 807.750 were enacted into law by the Legislative Assembly but were not added to or made a part of the Oregon Vehicle Code or any chapter or series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

mercial radio service provider that provides service nationally and that is subject to the Telephone Records and Privacy Protection Act of 2006 (18 U.S.C. 1039) may swipe an individual's driver license or identification card if the entity obtains permission from the individual to swipe the individual's driver license or identification card.

(b) The private entity may swipe the individual's driver license or identification card only for the purpose of establishing or maintaining a contract between the private entity and the individual. Information collected by swiping an individual's driver license or identification card for the establishment or maintenance of a contract shall be limited to the following information from the individual:

(8) In addition to any other remedy provided by law, an individual may bring an action to recover actual damages or \$1,000, whichever is greater, and to obtain equitable relief, if equitable relief is available, against an entity that swipes, stores, shares, sells or otherwise uses the individual's personal information in violation of this section. A court shall award a prevailing plaintiff reasonable costs and attorney fees. If a court finds that a violation of this section was

willful or knowing, the court may increase the amount of the award to no more than three times the amount otherwise available.
