GENERAL PROVISIONS

825.005 Definitions. As used in this chapter:

(1) "Carrier" or "motor carrier" means for-hire carrier or private carrier.

(2) "Cartage carrier" means any person who undertakes to transport any class of property by motor vehicle for compensation when the transportation is performed wholly within an incorporated city or a commercial zone adjacent to an incorporated city.

(3) "Certificate" means an authority issued to a for-hire carrier under ORS 825.110.

(4) "Combined weight" means the weight of the motor vehicle plus the weight of the maximum load which the applicant has declared such vehicle will carry. Any declared combined weight is subject to audit and approval by the Department of Transportation. The combined weight of motor buses or bus trailers is the light weight of the vehicle plus the weight of the maximum seating capacity including the driver's seat estimated at 170 pounds per seat, exclusive of emergency seats, except that transit-type motor vehicles may use 150 pounds per seat in determining combined weight. In cases where a bus has a seating capacity which is not arranged for separate or individual seats, 18 lineal inches of such capacity shall be deemed the equivalent of a passenger seat.

(5) "Department" means the Department of Transportation.

(6) "Extreme miles" or "extreme mileage" means the total miles operated by a vehicle over the public highways, except the extra miles necessarily operated in traversing detours or temporary routes on account of road blockades in the state.

(7) "For-hire carrier" means:

(a) Any person who transports persons or property for hire or who publicly purports to be willing to transport persons or property for hire by motor vehicle; or

(8) "Household goods" means the personal effects or other property used or to be used in a dwelling but does not include property transported from a store or factory or property exclusively for office use.

(9) "Motor vehicle" means any self-propelled vehicle and any such vehicle in combination with any trailing units, used or physically capable of being used upon any public highway in this state in the transportation of persons or property, except vehicles

operating wholly on fixed rails or tracks and electric trolley buses. "Motor vehicle" includes overdimension vehicles or vehicles permitted excessive weights pursuant to a special authorization issued by a city, county or the Department of Transportation.

(10) "Permit" means an authority issued to a carrier under ORS 825.102, 825.106, 825.108 or 825.127.

(11) "Private carrier" means any person who operates a motor vehicle over the public highways of this state for the purpose of transporting persons or property when the transportation is incidental to a primary business enterprise, other than transportation, in which such person is engaged.

(12) "Privilege taxes" means the weight-mile tax and fees prescribed in this chapter.

(13) "Property" includes, but is not limited to, permanent loads such as equipment, appliances, devices, or ballast that are attached to, carried on, or made a part of the vehicle and that are designed to serve some functional purpose.

(b) Promote sound, economic conditions in transportation.

(c) Encourage the establishment and maintenance of reasonable rates for transportation services, without unjust discriminations, undue preferences or advantages or unfair or destructive competitive practices.

(d) Provide specific state action immunity against all antitrust claims and prosecution in those instances when carriers lawfully de-

velop, publish and charge rates relating to the transportation of persons or household goods and joint line rates relating to the transportation of other property and provide services specifically prescribed and subject to regulation by the Department of Transportation and in those instances when carriers lawfully engage in prior consultation for purposes described in this paragraph.

(a) "Charitable organization" has the meaning given for that term in ORS 825.017 (14).

825.030 Application of chapter to interstate and foreign commerce. This chapter applies to interstate and foreign commerce, except insofar as it may be in conflict with the provisions of the Constitution and the laws of the United States. Nothing in this chapter exempts a person from federal motor carrier safety regulations when operating in interstate or foreign commerce. [Formerly 767.045; 2007 c.31 §1]

825.032 Nonapplicability of economic regulation to specified vehicles. Except as otherwise provided in this section, this chapter does not apply to the persons or vehicles described in this section. [2003 c.589 §4]

(Certificates and Permits)

825.100 Certificate or permit required for commercial transportation of persons or property on public highways. No person shall operate any motor vehicle, whether loaded or empty, on any highway in this state as a carrier in the transportation of persons or property without possessing, in addition to any license required by any other law, a valid certificate or permit from the Department of Transportation authorizing the proposed operation. Each operation of a motor vehicle in violation of this section is a separate violation, whether the prohibited operations occur within the same day or different days or relate to the same motor vehicle or different motor vehicles. [Formerly 767.105]

825.102 Issuance of permits to intrastate for-hire carriers; rules. (1) Except as provided in subsection (6) of this section and ORS 825.135, the Department of Transportation shall issue a permit to a person to provide transportation as a for-hire carrier over any highway in this state in intrastate commerce if the person applies for the permit and the department is satisfied that the per-

son is able to comply with the provisions of this chapter and the rules of the department.

(2) In deciding whether to approve an application for a permit under this section, the department shall consider any evidence demonstrating that the applicant is unable to comply with this chapter and the rules of the department and shall deny the application if the applicant does not meet the financial responsibility and safety requirements established by this chapter and by rules of the department.

(3) If an application for a permit under this section is denied, the department shall notify the applicant of the reasons for denial. The applicant is entitled to a hearing if written request for a hearing is made within 15 days of the notification of denial.

(4) A permit granted under this section is not transferable. The department shall determine by rule what constitutes transfer of a permit.

(5) A permit issued under this section may be suspended or revoked as provided in this chapter. Grounds for suspension or revocation include, but are not limited to, failure to maintain compliance with safety requirements, failure to maintain compliance with financial responsibility requirements and failure to report or pay fees, taxes or penalties due the department.

(6) A permit shall not be granted under this section for transportation of persons by a regular route full-service scheduled carrier or for transportation of household goods. Regular route full-service scheduled carriers of persons and carriers of household goods are subject to the certificate provisions of ORS 825.110. [1995 c.306 §2]

825.104 Federal registration and financial responsibility requirements for interstate carriers. An interstate for-hire carrier or private carrier required to obtain a United States Department of Transportation registration number engaged or to engage in interstate operations may not perform transportation services on the public highways of this state without having first complied with federal registration and financial responsibility requirements. [Formerly 767.155; 2001 c.335 §4; 2007 c.465 §5]

825.105 Confirmation of federal registration and financial responsibility for interstate motor carriers; rules. (1) The Department of Transportation may enter into an agreement with the authorized representatives of any jurisdiction outside this state for the purposes of confirming federal registration and accepting proof of financial responsibility for interstate motor carriers.

(2) A motor carrier registered in a jurisdiction that is a party to an agreement en-

tered into under this section is considered registered for interstate operations in Oregon for the purpose of ORS 825.104.

(3) The department may adopt any rules the department deems necessary to effectuate and administer the provisions of an agreement entered into under this section.

(4) An agreement may not provide for any benefit, exemption or privilege with respect to any fees or taxes levied or assessed against the use of highways or use or ownership of vehicles. [2007 c.465 §4]

825.106 Issuance of permits to carriers described in ORS 825.020. Upon receipt of the information in writing required by the application form for permits in that class and in compliance with the law, rules and regulations of the Department of Transportation, permits shall be issued to motor carriers described in ORS 825.020, conditioned that the proposed operation will not be attended with substantial damage to the highway or danger to the users thereof, to adjacent property or facilities or to the public. The applicant is entitled to a hearing by the department if the application has been declined by the department. [Formerly 767.157]

825.108 Issuance of permits to private carriers; exception. (1) Upon receipt of the information in writing required by the application form for permits in that class and in compliance with the law and the rules and regulations of the Department of Transportation, permits shall be issued to private carriers, conditioned that the proposed operation will not be attended with substantial damage to the highway or danger to the users thereof, to adjacent property or facilities or to the public. The applicant is entitled to a hearing by the department if the application has been declined by the department.

(2) A person acting as a private carrier need not obtain a permit from the department for operating any vehicle or combination of vehicles with a combined weight of 26,000 pounds or less. [Formerly 767.150]

825.110 Issuance, extension or transfer of certificate to certain carriers of passengers or to carriers of household goods; hearings; findings; rules. (1) When a person files with the Department of Transportation an application for a certificate to operate as a for-hire regular route full-service scheduled carrier of persons as described in ORS 825.234, for the extension of an existing certificate or for the transfer of a certificate, the department shall serve notice of the application upon every person who has an application filed and pending before the department to serve the territory proposed to be served by the applicant, or who holds a certificate to serve that terri-

tory. If any person desires to protest the issuance, extension or transfer of the certificate, the person may file notice thereof with the department within 15 days from the date of service of the notice of application. The department thereupon shall fix a time and place for a hearing upon the application, and shall serve notice of the hearing upon the applicant and any person who has filed a protest. For the purpose of being properly and fully informed, the department may hold a hearing on an application although no protest is filed.

(2) If no person protests within the time provided in subsection (1) of this section, or if all protests to the application are withdrawn prior to the closing of the record, the department may order the issuance, extension or transfer of the certificate if the applicant shows compliance with subsection (4)(a), (b) and (d) to (f) of this section.

(3) When a person files with the department an application for a certificate to operate as a for-hire carrier of household goods, for the extension of an existing certificate or for the transfer of a certificate, the department may issue, extend or transfer the certificate if the department determines the applicant meets the requirements of subsection (4)(a), (b) and (d) to (f) of this section.

(4) If the application for issuance, extension or transfer of a certificate under this section is the subject of a hearing, the department shall issue the certificate if the applicant has complied with this chapter and the rules of the department, and if the department finds from the record and the evidence submitted at the hearing that:

(a) The applicant is fit, willing and able to perform the service proposed;

(b) The applicant has certified that the vehicles listed on the application comply with all Oregon laws and rules covering vehicle safety and operations and will be so maintained;

(c) The service proposed, to the extent authorized, is or will be required by the present or future public convenience and necessity or in case of proceedings under ORS 825.129 if the department finds the assignment or other transfer is in the public interest;

(d) The service proposed will not be attended with substantial damage to the highways or danger to other highway users or to the public;

(e) The rates, schedules or contracts proposed by the applicant, if an intrastate operator, are approved by the department; and

(f) The applicant can and will furnish and file the insurance, bond or substitute secu-

rity or qualify as self-insurer as provided in this chapter.

(5) If the application for issuance or transfer of a certificate is the subject of a hearing, and if the department does not find that all the conditions provided in subsection (4) of this section are satisfied, the department may deny the application or may defer issuance of the certificate pending compliance by the applicant with those conditions provided in subsection (4) of this section.

(6) If the applicant fails to appear at the time and place fixed for the hearing, the application may be denied.

(7)(a) Pending determination of application for transfer of a certificate, the department, without hearing, may grant approval of the temporary operation of the certificate by the prospective transferee, or, if the transferor's service to the public may be substantially impaired, may authorize temporary management of the transferor's motor carrier operations by the prospective transferee.

(b) Service performed under temporary authority granted under this section is subject to all provisions of this chapter and the rules of the department.

(c) Service performed under temporary authority granted under this section creates no presumption that transfer of the certificate is required by the public convenience and necessity or is in the public interest.

(d) Evidence of operation under temporary authority as provided in this section is not admissible to show the extent of utilization of the certificate to be transferred.

(8) The department may require an applicant for a certificate to operate as a for-hire carrier of household goods issued under this section to complete a criminal background check. The department shall adopt rules describing the standards used by the department to determine if an applicant is unfit based on the results of the applicant's criminal history. [Formerly 767.135; 2009 c.433 §3]

825.115 Temporary authority to provide transportation services; hearing; duration.

(1) The Department of Transportation may grant temporary authority for a for-hire carrier to provide transportation of persons where it is shown that a need exists for such service. The department may grant temporary authority for a for-hire carrier to provide transportation of household goods where it is in the public interest. Such temporary authority may be authorized only if the department receives a request for service from a user of the proposed transportation service, and if the department concludes, after investigation, that the request

represents a true need or is in the public interest.

(2) The department shall provide for protest and hearing under ORS 825.110 within 90 days after temporary authority is issued under this section to a for-hire carrier of persons. The department shall cancel immediately any temporary authority granted under this section if the department determines that the temporary authority issued does not comply with requirements for grant of authority under ORS 825.110.

(3) The department may not grant temporary authority under this section for an initial period of more than six months.

(4) The department may renew temporary authority granted under this section one time for a period of not more than six months.

(5) A person who is granted temporary authority under this section may apply for permanent authority to provide the transportation after the expiration of the temporary authority by making application in the manner provided for application for permanent authority under this chapter.

(6) A grant of temporary authority under this section does not establish any right to a grant of permanent authority under this chapter, but a for-hire carrier of persons may use evidence from operation under temporary authority under this section to establish a need for transportation services and to establish an ability to provide those services. [Formerly 767.167; 2009 c.433 §6]

825.117 Certificate for emergency transportation services.

(1) If any condition or emergency arises requiring relief in cases of general epidemic, pestilence or other calamitous visitation in the state or any community therein, wherein the public or community interest or the transportation of any persons or household goods requires, in the opinion of the Department of Transportation, the issuance of a certificate for emergency transportation services, the department may issue a certificate for emergency transportation services, the term of which shall be limited to a reasonable time to be determined by the department under the circumstances.

(2) The department may issue a certificate for emergency transportation services donated for the benefit of a charitable organization, if the services are transportation of persons or household goods and the services are not of a type ordinarily required in the operation of the organization. Notwithstanding any other provision of this chapter, a certificate issued pursuant to this subsection shall be issued without charge to the applicant. As used in this subsection "char-

itable organization” means any person organized and existing for religious or medical purposes or any political subdivision of this state.

(3) The emergency authority issued under this section does not convey any right to permanent authority and is not evidence of a need for permanent authority. [Formerly 767.170; 2009 c.433 §7]

825.125 Applications for authority; rules. The Department of Transportation shall prescribe forms of applications for certificates or permits for the use of applicants and shall make regulations for the filing thereof. [Formerly 767.125]

825.127 Permit for local cartage of household goods. The Department of Transportation may grant issuance of a permit to a for-hire carrier engaged in performing local cartage of household goods within areas designated by the department pursuant to ORS 825.240. [Formerly 767.145; 2009 c.433 §8]

825.129 Legal status of certificates. (1) Notwithstanding any provision of law, no certificate issued under this chapter, or any prior law, shall be assigned or otherwise transferred except as provided in ORS 825.110.

(2) No such certificate shall be construed to be a franchise or irrevocable or exclusive or to possess value for ratemaking purposes. However, upon the death of an individual holding a certificate:

(a) If the estate of such individual is admitted to probate, the executor or personal representative may continue the operation thereunder, for the purpose of transferring the certificate, for a period not to exceed two years from the date of death; or

(b) If the estate of such individual is not probated, all the heirs of the deceased holder of the certificate may file with the Department of Transportation an application for the transfer of the certificate together with an affidavit signed by the heirs stating the name of the person to whom the certificate is to be transferred. If any heir has not reached the age of majority or is otherwise legally incapacitated, the heir’s parent or guardian shall sign for the heir. The affidavit shall be on a form prescribed and furnished by the department. Subject to the provisions of ORS 825.135, the department shall transfer the certificate to the person named as transferee in the affidavit.

(3) In determining the scope of authority to be transferred under subsection (2) of this section, the department shall consider, as evidence of past use under the certificate, only the services furnished during the two-year period immediately preceding the death of the certificate holder.

(4) If an application under subsection (2) of this section for the transfer of the certificate is not filed within 18 months of the date of death, and if such certificate is not transferred within two years of the date of death, the certificate shall be deemed automatically revoked. [Formerly 767.186; 1997 c.275 §36]

825.135 Denial of certificate, permit, transfer or extension of authority; hearing; restriction. (1) As used in this section, “applicant” includes, but is not limited to, any person having a substantial interest or control, directly or indirectly, in or over the operations conducted or to be conducted under the carrier’s authority.

(2) Notwithstanding any other provision of law, the Department of Transportation may not grant to an applicant a certificate, permit, transfer of any operating authority, extension of any operating authority or variance permit under ORS chapter 818 if the department has reasonable grounds to believe, based on information contained in department files and records, or based on evidence presented either during hearing held under the provisions of ORS 825.110 or during hearing with respect to an application filed under ORS 825.102, that any of the following apply:

(a) The applicant is not capable of conducting the transportation service contemplated, in compliance with the law and rules of the department.

(b) The applicant is or has been a repeated and intentional violator of the provisions of this chapter, of ORS chapter 818 or of the rules of the department. This paragraph does not apply to violations for which an applicant has been penalized under subsection (3) of this section.

(c) The information contained in the application pertaining to ownership, possession or control of the equipment or operation to be conducted is false.

(3) A person whose application has been denied under subsection (2) of this section is not eligible to renew the application or to operate or participate directly or indirectly in the proposed operation for a period of time ordered by the department. The period of time ordered by the department under this subsection shall in no event be less than a period of six months from the date application has been denied and shall continue until the applicant has complied with any other penalties ordered by the department under this or other provisions of this chapter. An applicant may renew an application without prejudice by past violations after the penalty period under this subsection.

(4) Upon request, any person whose application has been denied under subsection (2) of this section shall be granted a hearing. This subsection does not require a separate or additional hearing for applicants if the issues are addressed as part of any hearing on the application. After the hearing, the department shall grant or deny the application in conformity with the findings.

(5) Subsection (2) of this section shall be strictly construed for purposes described in this subsection and shall control over any other purposes or policy considerations under the laws relating to motor carriers. The department shall exercise the authority granted under subsection (2) of this section to assure that persons described in subsection (2)(b) of this section:

(a) Achieve an awareness of and respect for the provisions of this chapter, ORS chapter 818 and rules of the department.

(b) Do not legitimize activities that violate this chapter, ORS chapter 818 or the rules of the department by applying for and receiving any operating authority to continue previously unlawful activities.

(6) If the department determines that a carrier issued authority under this chapter is not providing requested transportation services that are within the authority of the carrier, the department shall limit the authority of the carrier to service that the carrier is actually providing unless the carrier provides full transportation services permitted under the carrier's authority. [Formerly 767.130; 1997 c.722 §4; 2009 c.433 §9]

825.137 Cancellation, revocation or suspension of authority, generally. (1) Certificates and permits when issued shall be valid until suspended or revoked when the carrier is found by the Department of Transportation to be in violation of this chapter or ORS chapter 818. A variance permit issued under ORS chapter 818 shall be valid for the length of time for which it is issued unless prior to that time the permit is suspended or revoked by the Department of Transportation for violation of this chapter or ORS chapter 818.

(2) Certificates or permits, or variance permits issued pursuant to ORS chapter 818, may be suspended or canceled by the department based upon the department's own motion after notice and hearing, when the certificate or permit holder:

(a) Or agents or employees of the holder have repeatedly violated this chapter or other highway or motor laws of this state. In applying this paragraph the department may consider violations by agents or employees of the holder that occurred prior to the time they became agents or employees of the

holder, but only if the agent or employee has a substantial interest or control, directly or indirectly, in or over the operation of the holder.

(b) Has repeatedly violated or avoided any order or rule of the department.

(c) Is a transporter of persons or household goods and has repeatedly made unlawful rebates or repeatedly underestimated transportation charges to clients.

(d) Has repeatedly refused or has repeatedly failed, after being requested to do so, to furnish service authorized by certificate. The department in such cases may also, in the discretion of the department, restrict the certificate to conform with operations conducted.

(e) Has not, except for reasons beyond the control of the holder, transported persons or household goods authorized by the certificate for a period exceeding 180 consecutive days immediately preceding the filing of the complaint in the proceeding. The department in these cases may also, in the discretion of the department, restrict the certificate to conform with operations performed that were required by the public convenience and necessity.

(f) Has not, except for reasons beyond the control of the holder, transported property or persons authorized by the permit for a period exceeding one year immediately preceding the filing of the complaint in the proceeding.

(g) Has refused, or has failed, within the time provided, to file the annual report required by ORS 825.320 or has failed or refused to maintain records required by the department or to produce such records for examination within the time set by the department.

(h) Has failed to appear for hearing after notice that the certificate or permit is under investigation.

(i) Has filed with the department an application which is false with regard to the ownership, possession or control of the equipment being used or the operation being conducted.

(3) The department shall not suspend or revoke a certificate or permit of a vehicle or person described in ORS 825.020 unless the person or vehicle is in violation of this section and ORS 825.139, 825.141, 825.160, 825.164, 825.166, 825.168, 825.210 (1) and (3), 825.212, 825.450, 825.454, 825.470, 825.472, 825.474, 825.476, 825.480, 825.484, 825.488, 825.490, 825.492, 825.494, 825.496, 825.498, 825.504, 825.506, 825.507, 825.508 or 825.515. [Formerly 767.190; 1997 c.275 §37; 1997 c.722 §5; 1999 c.59 §249]

825.139 Suspension or cancellation of authority for tax delinquency or failure to file bond; notice; hearings. (1) A certificate or permit is subject to suspension or cancellation, if the holder thereof:

(a) Is delinquent in reporting or paying any fees, taxes or penalties due the Department of Transportation, whether imposed under this chapter or under ORS chapter 826; or

(b) Has refused or failed, within the time provided, to file a deposit or bond requested under ORS 825.506.

(2) A written 10-day notice of suspension shall be given to the certificate or permit holder and unless a hearing is requested within such time, the certificate or permit shall be deemed suspended without further notice or hearing until the report, payment, bond or deposit is filed with the department.

(3) Upon a written 10-day notice by the department, a certificate or permit may be suspended or canceled for any of the reasons set forth in subsection (1) of this section. If the certificate or permit is suspended, the filing of the report, payment, bond or deposit will not reinstate the authority until the suspension period has expired, except on order of the department. [Formerly 767.786; 1997 c.275 §38; 2001 c.567 §9]

825.141 Reinstatement fee after suspension of authority. In addition to any other requirements of this chapter, a carrier whose operating authority has been suspended shall pay a reinstatement fee of \$25 to the Department of Transportation before the operating authority may be reinstated, plus \$5 for each vehicle receipt outstanding under the carrier's authority at the time of suspension, if the suspension has been in effect more than 30 days. However, if the suspension has been in effect for 30 days or less, in addition to the reinstatement fee of \$25 the carrier only need pay \$5 for each receipt it does not surrender upon application for reinstatement of the authority. [Formerly 767.797; 2001 c.567 §3]

825.145 [Formerly 767.120; repealed by 1997 c.275 §44]

(Insurance)

825.160 Liability insurance of carriers.

(1) A person may not operate as a motor carrier on public highways of this state until the person has in effect a policy of public liability and property damage insurance.

(2) Insurance required under this section shall be provided at minimum limits the Department of Transportation by rule may prescribe, and upon such terms, conditions and provisions as the department may determine to be necessary for the reasonable indemnifi-

cation of the patrons of the applicant and of the public against damage and injury for which the applicant may be liable by reason of the operation of any motor vehicle. However, the insurance policy required of a carrier or persons engaged solely in interstate commerce need not provide for the protection of their patrons.

(3) In fixing the amount of the insurance policy the Department of Transportation shall give due consideration to the character and amount of traffic, the number of persons involved and the degree of danger which the proposed operation involves. [Formerly 767.195; 2007 c.465 §9]

825.162 Cargo insurance. (1) A certificate or permit may not be issued to any person to operate intrastate as a for-hire carrier of freight or express until the person has in effect cargo insurance in such penal sum as the Department of Transportation may deem necessary to protect adequately the interests of the public. This policy shall bind the assurer for loss of, or damage to, property carried in, upon or attached to the motor vehicles or other equipment operated by, for or under the control of the assured, or while in the care or custody of the assured.

(2) The department may waive the requirement of cargo insurance for any carrier whose service is limited to commodities not subject to material damage or loss through ordinary transportation hazards. [Formerly 767.200; 2011 c.73 §1]

825.164 Rules for compliance with ORS 825.160 and 825.162; notice prior to cancellation of insurance; suspension of authority when insurance inoperative. (1) The Department of Transportation by rule shall establish a system for determining how motor carriers demonstrate compliance with the insurance requirements of ORS 825.160 and 825.162. The system may require certification of compliance by the carrier or the filing of a policy with the department and may require different acts of compliance based on class of carrier or experience. The system shall also specify what acts constitute failure to comply for purposes of revocation or suspension of the carrier's authority.

(2) An insurance policy furnished under ORS 825.160 or 825.162 may not be canceled or otherwise terminated at any time prior to its expiration until the entity that executed the policy has filed with the department a notice of cancellation as provided in the policy. The cancellation is effective not less than 30 days from the date of receipt, and no agreement between the parties thereto shall operate to avoid this restriction upon cancellation.

(3) If any insurance policy required under ORS 825.160 or 825.162 becomes inoperative, the authority under the certificate or permit involved shall cease and be suspended insofar as it pertains to any affected vehicles until an insurance policy meeting the requirements of ORS 825.160 and 825.162 becomes effective and is accepted by the department. [Formerly 767.205; 2011 c.73 §2]

825.166 Deposit of securities or letter of credit. (1) In lieu of the insurance policy or surety bond, the holder of any certificate or permit may file with the Department of Transportation an irrevocable letter of credit issued by an insured institution, as defined in ORS 706.008, or money, bank or savings and loan savings certificates, or bonds, negotiable by delivery, of the State of Oregon, school districts therein, or of any county therein, or obligations of the United States, or obligations for which the faith of the United States is pledged for the payment of both the principal and interest, equal in amount to the amount of the insurance policy or bond required by the department.

(2) So long as the deposit remains unencumbered the depositor is entitled to collect the interest upon such securities.

(3) The department shall hold the securities or letter of credit upon such terms as the department shall designate and approve pursuant to the provisions of this chapter, and shall deliver such securities or letter of credit to the State Treasurer, who shall receive and hold them subject to the lawful orders of the department. The State Treasurer and the surety or letter of credit issuer of the treasurer shall be liable upon the official bond or letter of credit for their safekeeping. The depositors shall reimburse the State Treasurer for any expenses incurred by the treasurer in the mailing, insuring, shipping or delivering of any such securities or letter of credit, or of the interest coupons attached thereto as they mature.

(4) Such substituted security or letter of credit shall be subject to the liabilities imposed by the terms of the policy of insurance or surety bond or letter of credit then currently used by the department.

(5) If the securities or letter of credit provided for in this section are furnished in lieu of an insurance policy or bond, they shall not be subject to withdrawal or assignment by the holder of the certificate or permit, either voluntarily or by operation of law, until the expiration of one year after the holder of the certificate or permit, in connection with which they are furnished has:

(a) Substituted therefor a policy of insurance as provided in ORS 825.160 and 825.162;

(b) The certificate or permit canceled; or

(c) Surrendered such certificate or permit to the department for cancellation and has ceased operation thereunder.

(6) If any such securities become impaired in value, the department shall require additional protection by insurance, bond, letter of credit or substitute security to the extent that the value of the securities may have become impaired. [Formerly 767.210; 1997 c.631 §559; 2011 c.73 §3]

825.480 Substitute taxes for certain vehicles. (1)(a) In lieu of other fees provided in ORS 825.474, carriers engaged in operating motor vehicles in the transportation of logs, poles, peeler cores or piling may pay annual fees for such operation computed at the rate of seven dollars and fifty-nine cents for each 100 pounds of declared combined weight.

(b) Any carrier electing to pay fees under this method may, as to vehicles otherwise exempt from taxation, elect to be taxed on the mileage basis for movements of such empty vehicles over public highways whenever operations are for the purpose of repair, maintenance, servicing or moving from one exempt highway operation to another.

(2) The annual fees provided in subsections (1), (4) and (5) of this section may be paid on a monthly basis. Any carrier electing to pay fees under this method may not change an election during the same calendar year in which the election is made, but may be relieved from the payment due for any month on a motor vehicle which is not operated. A carrier electing to pay fees under this method shall report and pay these fees on or before the 10th of each month for the preceding month's operations. A monthly report shall be made on all vehicles on the annual fee basis including any vehicle not operated for the month.

(3)(a) In lieu of the fees provided in ORS 825.470 to 825.474, motor vehicles described in ORS 825.024 with a combined weight of less than 46,000 pounds that are being operated under a permit issued under ORS 825.102 may pay annual fees for such operation computed at the rate of six dollars and twenty-three cents for each 100 pounds of declared combined weight.

(b) The annual fees provided in this subsection shall be paid in advance but may be paid on a monthly basis on or before the first day of the month. A carrier may be relieved from the fees due for any month during which the motor vehicle is not operated for hire if a statement to that effect is filed with the Department of Transportation on or before the fifth day of the first month for which relief is sought.

(4)(a) In lieu of other fees provided in ORS 825.474, carriers engaged in the operation of motor vehicles equipped with dump bodies and used in the transportation of sand, gravel, rock, dirt, debris, cinders, asphaltic concrete mix, metallic ores and concentrates or raw nonmetallic products, whether crushed or otherwise, moving from mines, pits or quarries may pay annual fees for such operation computed at the rate of seven dollars and fifty-three cents for each 100 pounds of declared combined weight.

(b) Any carrier electing to pay fees under this method may, as to vehicles otherwise exempt for taxation, elect to be taxed on the mileage basis for movements of such empty vehicles over public highways whenever operations are for the purpose of repair, maintenance, servicing or moving from one exempt highway operation to another.

(5)(a) In lieu of other fees provided in ORS 825.474, carriers engaged in operating motor vehicles in the transportation of wood chips, sawdust, barkdust, hog fuel or shavings may pay annual fees for such operation computed at the rate of thirty dollars and sixty-five cents for each 100 pounds of declared combined weight.

(b) Any carrier electing to pay under this method may, as to vehicles otherwise exempt from taxation, elect to be taxed on the mileage basis for movement of such empty vehicles over public highways whenever operations are for the purpose of repair, maintenance, service or moving from one exempt highway operation to another. 825.482 Review of flat fee rates. The Department of Transportation and the Oregon Transportation Commission shall review flat fee rates established under ORS 825.480 in each even-numbered year and shall recommend to the next following odd-numbered year regular session of the Legislative Assembly any adjustments to the flat fee rates that the department and the commission deem appropriate. [1989 c.992 §28; 2011 c.545 §67]

Note: 825.482 was enacted into law by the Legislative Assembly but was not added to or made a part of ORS chapter 825 or any series therein by legislative action. See Preface to Oregon Revised Statutes for further explanation.

825.484 Effect of carrier tax law on other taxes; offset of fees or taxes erroneously paid. (1) The fees or taxes listed in ORS 825.474, 825.476 and 825.480 shall be in addition to, and not in lieu of, other fees and taxes of the state, county or municipality which may be imposed, levied, assessed or collected against the business or property of such carrier. This section does not authorize the imposition of license fees by municipalities upon intercity carriers, or deprive any city within which a passenger motor vehicle, having a seating capacity of not more than seven passengers, is principally operated for hire, from imposing and collecting license fees upon and from such motor vehicle, or the owner or operator thereof, as to such portion of its operations as are wholly within the corporate limits of such city.

(2) ORS 319.510 to 319.880 do not apply to vehicles or fuels used therein when the vehicles are subject to, and report and pay, the tax for the use of Oregon highways based upon the combined weight of the vehicle and in accordance with the weight group rates prescribed in ORS 825.474, 825.476 and 825.480.

(3) When an audit of the operations of a carrier shows that the use fuel taxes reported and paid under ORS chapter 319 should have been reported and paid under

this chapter, or that fees or taxes reported and paid under this chapter should have been reported and paid under ORS chapter 319, the fees or taxes erroneously reported and paid under one chapter need not be refunded but may be considered an offset of fees or taxes due under the other chapter. [Formerly 767.830]

825.486 Credit for fuel tax. Any tax paid under ORS 319.010 to 319.430 or 319.510 to 319.880 on motor vehicle fuel or fuel as defined in ORS 319.520, either directly by the collection of the tax by the vendor from the consumer or indirectly by adding the amount of the tax to the price of the fuel paid by the customer, is a credit against the amount of tax otherwise due and payable to the state under ORS 825.474, 825.476 and 825.480. A credit under this section shall be allowed when the person claiming the credit submits to the Department of Transportation:

(1) A report under ORS 825.480, 825.490 or 825.492; and

(2) Satisfactory evidence along with the report showing the amount of tax paid by the person under ORS 319.010 to 319.430 or 319.510 to 319.880 during the period reported. [Formerly 767.832]

825.488 Fees required of interstate carriers. A person engaged exclusively in the conduct of interstate transportation shall currently pay to the Department of Transportation the road tax mileage fees prescribed by ORS 825.474, 825.476, 825.480, 825.484, 825.490, 825.494 and 825.496. [Formerly 767.835]

825.490 Due date of taxes and fees; penalty; deficiency assessments; refund of overpayment; limitation on audit. (1) On or before the last day of each month, except for the time of payment provided in ORS 825.480 and 825.492, all persons shall report and pay to the Department of Transportation the amount of taxes and fees due from them for the preceding calendar month. However, taxes and fees incurred after the 15th day of any month may be reported and paid to the department on or before the last day of the second calendar month following the month in which the taxes or fees were incurred. If no taxes or fees are due in any reporting period, the report shall so state. If payment is not made on or before the date it is due, there shall be added as a late payment charge a sum equal to 10 percent of the unpaid amount of the tax.

(2) The department may permit a person to report and pay motor carrier taxes and fees on a periodic basis other than the calendar-month basis prescribed in subsection (1) of this section, provided that the number of reporting periods in any 12-month period is not less than 12. If no taxes or fees

are due in any reporting period, the report shall so state. If payment is not made on or before the date it is due, there shall be added as a late payment charge a sum equal to 10 percent of the unpaid amount of the tax.

(3) Whenever practicable, and in no event later than three years after any report of taxes or fees is filed, the department shall audit the report if the department deems such audit practicable. If the department is not satisfied with the report filed or amount of taxes or fees, including fees for temporary passes required under ORS 825.470, paid to the state by any person, the department may, not later than three years after the report was filed or the taxes or fees were paid, make a proposed assessment of additional taxes or fees due from such person based upon any information available to the department. There shall be added to each such assessment, as a late payment charge, a sum equal to 10 percent of the amount of additional taxes or fees due.

(4) Every such additional assessment shall bear interest at the rate of one percent per month, or fraction thereof, from the last day of the month following the close of the month for which the additional assessment is imposed until paid.

(5) If the additional assessment imposed exceeds by at least five percent but not more than 15 percent the amount of taxes or fees reported or paid, a penalty of five percent of the amount of the additional assessment shall be added thereto in addition to the 10 percent late payment charge provided in subsection (3) of this section.

(6) If the additional assessment imposed exceeds by more than 15 percent the amount of taxes or fees reported or paid, a penalty of 20 percent of the amount of the additional assessment shall be added thereto in addition to the 10 percent late payment charge provided in subsection (3) of this section.

(7) The department shall give to the person concerned written notice of such additional assessment.

(8) Except as provided in ORS 825.484 (3), the department shall refund to any person the amount of any overpayment caused by any incorrect report.

(9) Whenever the department has made an assessment pursuant to this section that has become final the department may not reopen or reassess such taxes, interest or penalties unless the department is satisfied that the taxpayer fraudulently or with intent to evade taxation destroyed, concealed or withheld any books, accounts, papers, records or memoranda required to be maintained by the taxpayer pursuant to this chapter or the

rules of the department. [Formerly 767.840; 2007 c.71 §246]

825.492 Annual and quarterly reports authorized. (1) Whenever in the judgment of the Department of Transportation the estimated annual tax payable by a carrier will be less than \$100, and the vehicles operated by the carrier are of less than 30,000 pounds combined weight, the department may authorize the carrier to file reports annually in lieu of monthly reports required by ORS 825.490 and 825.515. Annual reports and accompanying remittances shall be filed on or before the due date of February 28 for the preceding calendar year.

(2) At the request of a motor carrier, the department may authorize the carrier to file quarterly reports in lieu of monthly reports required by ORS 825.490 and 825.515. Quarterly reports and accompanying remittances due shall be filed on or before the due date as follows: First calendar quarter, May 31; second quarter, August 31; third quarter, November 30; fourth quarter, February 28.

(3) Such authorizations may be withdrawn at any time upon the mailing of notice to the carrier at the last address of record of the carrier with the department. Any provisions of ORS 825.490 and 825.515 otherwise applicable to reports and remittances shall be applicable to reports and remittances under this section. [Formerly 767.845; 2001 c.567 §11]

825.494 Assessment by department upon failure to report tax or fee due.

(1) If any person neglects or refuses to make a fee or tax report as required by this chapter, the Department of Transportation shall make a proposed assessment, based upon any information available to the department, for the period for which such person failed to make a report, of the amount of taxes and fees, including fees for temporary passes required under ORS 825.470, due for the period for which such proposed assessment is made.

(2) Each assessment shall bear interest at the rate of one percent per month, or fraction thereof, from the last day of the month following the close of the month for which the assessment is imposed until paid.

(3) There shall be added to every such assessment a penalty of 25 percent of the amount thereof.

(4) The department shall give to such person written notice of such assessment.

(5) Whenever the department has made an assessment pursuant to this section that has become final the department may not reopen or reassess such taxes, fees, interest or penalties unless the department is satisfied that the taxpayer fraudulently or with intent to evade taxation destroyed, concealed or withheld any books, accounts, papers, re-

ords or memoranda required to be maintained by a person subject to this chapter or the rules of the department. [Formerly 767.850; 2007 c.71 §247]

(1) Any person against whom an assessment is made under ORS 825.490 or 825.494, may petition the Department of Transportation for a reassessment within 30 days after service upon the person of notice. If a petition is not filed within the 30-day period, the assessment becomes final. If a petition for reassessment is filed within the 30-day period the department shall reconsider the assessment and, if the person has requested in the petition, shall grant such person a hearing and give the person 10 days' notice of the time and place of the hearing. The department has power to continue the hearing from time to time as may be necessary. The decision of the department upon a petition for reassessment shall become final 30 days after service of notice upon the person concerned.

(2) The department may waive or reduce the interest and penalties provided in ORS 825.490 (1) to (6) or 825.494 (2) or (3) on those terms as the department considers proper if request for waiver or reduction is made within 30 days after service of notice of assessment upon the person concerned, or as part of the pleas made in the department's reconsideration of the assessment.

(3) Every assessment made by the department under ORS 825.490 to 825.496 becomes due and payable at the time it becomes final and if not paid to the department when due and payable there shall be added to the assessment a penalty of 10 percent of the amount of the tax.

(4) If any person who has requested a hearing pursuant to this section fails to appear at the scheduled hearing and failed to withdraw the petition for reassessment at least five days before the date of the hearing, the department may require such person to pay a charge of \$150 in addition to any other fees, taxes and charges which may be imposed under this chapter. The Department of Transportation shall collect and receive all fees, taxes, penalties and moneys due or to become due to the state under this chapter and ORS chapter 826 and, to that end, shall bring such actions or take such proceedings, including

attachment and garnishment proceedings, in the name of the State of Oregon, as may be necessary. [Formerly 767.860]

(1) Interest and penalties for delinquent payments of road use assessment fees payable pursuant to the provisions of ORS 818.225 and of single-trip nondivisible load permits shall be calculated in the same manner that interest and penalties are calculated under ORS 825.490 and 825.494.

(2) An audit conducted by the Department of Transportation pursuant to its authority under this chapter may include an examination of records of the carrier pertaining to the road use assessment fee imposed under ORS 818.225. If the audit shows that movement by a carrier exceeds the mileage authorized by a single-trip nondivisible load permit, the department shall determine the amount of the road use assessment fee that is due. The department shall collect the amount due and may impose any penalties or additional assessments authorized by this chapter for delinquent payment of taxes. [Formerly 767.862; 1997 c.275 §28]

A copy of the warrant shall be mailed or delivered to the taxpayer by the department at the taxpayer's last-known address.

(2) At any time after issuing a warrant under this section, the department may record the warrant in the County Clerk Lien Record of any county of this state. Recording

of the warrant has the effect described in ORS 205.125. After recording a warrant, the department may direct the sheriff for the county in which the warrant is recorded to levy upon and sell the real and personal property of the taxpayer found within that county, and to levy upon any currency of the taxpayer found within that county, for the application of the proceeds or currency against the amount reflected in the warrant and the sheriff's cost of executing the warrant. The sheriff shall proceed on the warrant in the same manner prescribed by law for executions issued against property pursuant to a judgment, and is entitled to the same fees as provided for executions issued against property pursuant to a judgment. The fees of the sheriff shall be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant under this section may be directed to any agent authorized by the department to collect amounts under this section, and in the execution of the warrant the agent has all of the powers conferred by law upon sheriffs, but is entitled to no fee or compensation in excess of actual expenses paid in the performance of such duty.

(4) Until a warrant issued under this section is satisfied in full, the department has the same remedies to enforce the claim for the tax, fee or assessment as if the state had recovered judgment against the taxpayer for the amount of the tax, fee or assessment.

(5) The procedures authorized by this section may also be used for collection of any fees and penalties imposed on persons registering vehicles under ORS chapter 826. [Formerly 767.865; 1997 c.275 §29; 2003 c.576 §222; 2011 c.661 §12]

Moneys deposited under this section shall be deposited with the State Treasurer in an account separate and distinct from the General Fund. Interest earned by the account shall be credited to the account. The deposit required may be increased or reduced by the department at any time. In determin-

The department shall hold the securities upon such terms as the department shall designate and approve pursuant to the provisions of this chapter, and shall deliver such securities to the State Treasurer, who shall receive and hold them subject to the lawful orders of the department. The State Treasurer and the surety of the treasurer shall be liable upon the official bond of the treasurer for their safekeeping. The depositors shall reimburse the State Treasurer for any expenses incurred by the treasurer in the mailing, insuring, shipping or delivering of any such securities, or of the interest coupons attached thereto as they mature.

(4) If a carrier ceases to be a carrier under this chapter, within a reasonable time of the receipt by the department of all payments due, the department shall refund or have returned to the carrier all deposits and securities remaining to the carrier's credit and shall release the surety on any bond given under this section.

(5) Any applicant or carrier required under this section to make a deposit to secure the payment of fees, taxes, charges or penalties may by proper petition demand a hearing on the necessity of such deposit or the reasonableness of the amount required. A hearing shall be granted and held within 10 days after the demand therefor. Such cancellation shall be effective not less than 30 days from the date of receipt, and no agreement between the parties thereto shall operate to avoid this restriction upon cancellation.

(2) If any bond filed pursuant to ORS 825.506 becomes inoperative, the authority under the certificate or permit involved shall cease and be suspended insofar as it pertains to any affected vehicles until the requirements of ORS 825.506 have been met by the carrier. [Formerly 767.795]

(2) The department may assign to the collection agency, for collection purposes only, any of the fees, taxes, penalties and moneys due the state under this chapter and ORS chapter 826.

(3) The collection agency may bring such actions or take such proceedings, including attachment and garnishment proceedings, as may be necessary. [Formerly 767.875]

825.509 Writing off uncollected moneys due. (1) Any fee, tax, penalty or money due the state assigned to a collection agency pursuant to ORS 825.508 that remains uncollected for two years after the date of the assignment meets the criteria for uncollectibility formulated pursuant to ORS 293.240.

(2) ORS 293.245 applies to any fee, tax, penalty or money due the state and described in subsection (1) of this section. [Formerly 767.880; 2011 c.223 §4]

(4) Nothing in an agreement shall affect the right of the department to act under this section.

(1) Due to traffic, a traffic control device or mechanical difficulties over which the operator has no control or at the direction of a law enforcement official or road authority.

(2) Due to the need to operate defrosters, heaters or air conditioners or installing equipment necessary to comply with manufacturers' operating requirements, specifications and warranties or with federal, state or local safety regulations.

This subsection applies to a commercial vehicle with a sleeper berth compartment that is parked in any place that a commercial vehicle is legally permitted to park, including, but not limited to, a fleet trucking terminal,

commercial vehicle stop or designated rest area. This exemption does not apply if the commercial vehicle is equipped with an auxiliary power unit or other suitable idle reduction technology, if the commercial vehicle is parked at a location equipped with suitable stationary idle reduction technology that is available for use, or during a rest or sleep period when the commercial vehicle is parked on or adjacent to a public or private educational institution offering education in all or part of kindergarten through grade 12, unless the outside temperature is greater than 75 degrees Fahrenheit and the auxiliary power unit provides heating only, in which case the person may idle the primary engine to provide air conditioning.

(10) In a commercial vehicle with a gross vehicle weight rating of more than 26,000 pounds, for purposes of air conditioning or heating while waiting to load or unload the commercial vehicle or while actually loading or unloading the commercial vehicle, and the outside temperature is less than 50 degrees or greater than 75 degrees Fahrenheit at the time.
