 23 cover only loss resulting from such accidental injury as may be sustained after the date of rein-  
 24 statement and loss due to such sickness as may begin more than 10 days after such date. In all other  
 25 respects the insured and insurer shall have the same rights thereunder as they had under the policy  
 26 immediately before the due date of the defaulted premium, subject to any provisions indorsed hereon  
 27 or attached hereto in connection with the reinstatement. Any premium accepted in connection with  
 28 a reinstatement shall be applied to a period for which premium has not been previously paid, but  
 29 not to any period more than 60 days prior to the date of reinstatement."

30 (2) The last sentence of the provision set forth in subsection (1) of this section may be omitted  
 31 from any policy which the insured has the right to continue in force subject to its terms by the  
 32 timely payment of premiums until at least age 50 or, in the case of a policy issued after age 44, for  
 33 at least five years from its date of issue.

34 **SECTION 11.** ORS 743.560 is amended to read:

35 743.560. (1) **A group health insurance policy shall contain a provision allowing a minimum**  
 36 **grace period of 10 days after the premium due date for payment of premium.**

37 (2) **An insurer of a group health insurance policy providing coverage for hospital or**  
 38 **medical expenses, other than coverage limited to expenses from accidents or specific dis-**  
 39 **eases, that seeks to terminate a policy for nonpayment of premium shall notify the**  
 40 **policyholder as described in section 8 of this 2001 Act.**

41 [(1)] (3) An insurer of a group health insurance policy providing coverage for hospital or medical  
 42 expenses, other than coverage limited to expenses from accidents or specific diseases, shall notify  
 43 the group policyholder[, the Bureau of Labor and Industries and the Department of Consumer and  
 44 Business Services] when the policy is terminated and the coverage is not replaced by the group  
 45 policyholder. The notice required under this subsection:

1       (a) Must be given on a form prescribed by the **Department of Consumer and Business Services**;

2       (b) Must explain the rights of the certificate holders regarding continuation of coverage pro-  
3       vided by federal and state law and portability coverage in accordance with ORS 743.760; and

4       (c) Must be given by mail and must be mailed not later than 10 working days after the date on  
5       which the group policy terminates according to the terms of the policy.

6       [**(2)**] **(4)** A group health insurance policy to which subsection [**(1)**] **(3)** of this section applies shall  
7       contain a provision requiring the insurer to notify the group policyholder[*, the Bureau of Labor and*  
8       *Industries and the Department of Consumer and Business Services*] when the policy is terminated and  
9       the coverage is not replaced by the group policyholder. Each certificate issued under the policy  
10      shall also contain a statement of the provision required under this subsection.

11      [**(3)**] **(5)** If an insurer fails to give notice as required by this section, the insurer shall continue  
12      the group health insurance policy of the group policyholder in full force from the date notice should  
13      have been provided until the date that the notice is received by the policyholder[*, the Bureau of Labor and*  
14      *Industries and the Department of Consumer and Business Services, whichever date is the*  
15      *latest,*] and shall waive the premiums owing for the period for which the coverage is continued under  
16      this subsection. The time period within which the certificate holder may exercise any right to con-  
17      tinuation or portability shall commence on the date that the policyholder[*, the Bureau of Labor and*  
18      *Industries and the Department of Consumer and Business Services receive the notice, whichever date*  
19      *is the latest]* **receives the notice.**

20      [**(4)**] **(6)** The insurer shall supply the employer holding the terminated policy with the necessary  
21      information for the employer to be able to notify properly the employee of the employee's right to  
22      continuation of coverage under state and federal law and portability coverage in accordance with  
23      ORS 743.760.

24      **SECTION 12.** ORS 743.737 is amended to read:

25      743.737. Health benefit plans covering small employers shall be subject to the following pro-  
26      visions:

27      (1) A preexisting conditions provision in a small employer health benefit plan shall apply only  
28      to a condition for which medical advice, diagnosis, care or treatment was recommended or received  
29      during the six-month period immediately preceding the enrollment date of an enrollee or late  
30      enrollee. As used in this section, the enrollment date of an enrollee shall be the earlier of the ef-  
31      fective date of coverage or the first day of any required group eligibility waiting period and the  
32      enrollment date of a late enrollee shall be the effective date of coverage.

33      (2) A preexisting conditions provision in a small employer health benefit plan shall terminate its  
34      effect as follows:

35       (a) For an enrollee, not later than the first of the following dates:  
36           (A) Six months following the enrollee's effective date of coverage; or  
37           (B) Ten months following the start of any required group eligibility waiting period.

38       (b) For a late enrollee, not later than 12 months following the late enrollee's effective date of  
39      coverage.

40       (3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as pro-  
41      vided in this subsection, all small employer health benefit plans shall reduce the duration of the  
42      provision by an amount equal to the enrollee's or late enrollee's aggregate periods of creditable  
43      coverage if the most recent period of creditable coverage is ongoing or ended within 63 days of the  
44      enrollment date in the new small employer health benefit plan. The crediting of prior coverage in

1 accordance with this subsection shall be applied without regard to the specific benefits covered  
2 during the prior period. This subsection does not preclude, within a small employer health benefit  
3 plan, application of:

4 (a) An affiliation period that does not exceed two months for an enrollee or three months for a  
5 late enrollee; or

6 (b) An exclusion period for specified covered services, as established by the Health Insurance  
7 Reform Advisory Committee, applicable to all individuals enrolling for the first time in the small  
8 employer health benefit plan.

9 (4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to  
10 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period  
11 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall  
12 not exceed 12 months.

13 (5) Each small employer health benefit plan shall be renewable with respect to all eligible  
14 enrollees at the option of the policyholder, small employer or contract holder except:

15 (a) For nonpayment of the required premiums by the policyholder, small employer or contract  
16 holder.

17 (b) For fraud or misrepresentation of the policyholder, small employer or contract holder or,  
18 with respect to coverage of individual enrollees, the enrollees or their representatives.

19 (c) When the number of enrollees covered under the plan is less than the number or percentage  
20 of enrollees required by participation requirements under the plan.

21 (d) For noncompliance with the small employer carrier's employer contribution requirements  
22 under the health benefit plan.

23 (e) When the carrier discontinues offering or renewing, or offering and renewing, all of its small  
24 employer health benefit plans in this state or in a specified service area within this state. In order  
25 to discontinue plans under this paragraph, the carrier:

26 (A) Must give notice of the decision to the Director of the Department of Consumer and Busi-  
27 ness Services and to all policyholders covered by the plans;

28 (B) May not cancel coverage under the plans for 180 days after the date of the notice required  
29 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except  
30 as provided in subparagraph (C) of this paragraph, in a specified service area;

31 (C) May not cancel coverage under the plans for 90 days after the date of the notice required  
32 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area  
33 because of an inability to reach an agreement with the health care providers or organization of  
34 health care providers to provide services under the plans within the service area; and

35 (D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans  
36 issued by the carrier in the small employer market in this state or in the specified service area.

37 (f) When the carrier discontinues offering and renewing a small employer health benefit plan in  
38 a specified service area within this state because of an inability to reach an agreement with the  
39 health care providers or organization of health care providers to provide services under the plan  
40 within the service area. In order to discontinue a plan under this paragraph, the carrier:

41 (A) Must give notice to the director and to all policyholders covered by the plan;

42 (B) May not cancel coverage under the plan for 90 days after the date of the notice required  
43 under subparagraph (A) of this paragraph; and

44 (C) Must offer in writing to each small employer covered by the plan, all other small employer  
45 health benefit plans that the carrier offers in the specified service area. The carrier shall issue any

1 such plans pursuant to the provisions of ORS 743.733 to 743.737. The carrier shall offer the plans  
2 at least 90 days prior to discontinuation.

3 (g) When the carrier discontinues offering or renewing, or offering and renewing, a health ben-  
4 efit plan for all small employers in this state or in a specified service area within this state, other  
5 than a plan discontinued under paragraph (f) of this subsection. With respect to plans that are being  
6 discontinued, the carrier must:

7 (A) Offer in writing to each small employer covered by the plan, all health benefit plans that  
8 the carrier offers in the specified service area.

9 (B) Issue any such plans pursuant to the provisions of ORS 743.733 to 743.737.

10 (C) Offer the plans at least [180] 90 days prior to discontinuation.

11 (D) Act uniformly without regard to the claims experience of the affected policyholders or the  
12 health status of any current or prospective enrollee.

13 (h) When the director orders the carrier to discontinue coverage in accordance with procedures  
14 specified or approved by the director upon finding that the continuation of the coverage would:

15 (A) Not be in the best interests of the enrollees; or

16 (B) Impair the carrier's ability to meet contractual obligations.

17 (i) When, in the case of a small employer health benefit plan that delivers covered services  
18 through a specified network of health care providers, there is no longer any enrollee who lives, re-  
19 sides or works in the service area of the provider network.

20 (j) When, in the case of a health benefit plan that is offered in the small employer market only  
21 through one or more bona fide associations, the membership of an employer in the association ceases  
22 and the termination of coverage is not related to the health status of any enrollee.

23 (k) For misuse of a provider network provision. As used in this paragraph, "misuse of a provider  
24 network provision" means a disruptive, unruly or abusive action taken by an enrollee that threatens  
25 the physical health or well-being of health care staff and seriously impairs the ability of the carrier  
26 or its participating providers to provide services to an enrollee. An enrollee under this paragraph  
27 retains the rights of an enrollee under ORS 743.804.

28 **(L) A small employer carrier may modify a small employer health benefit plan at the time  
29 of coverage renewal. The modification is not a discontinuation of the plan under paragraphs  
30 (e) and (g) of this subsection.**

31 (6) Notwithstanding any provision of subsection (5) of this section to the contrary, any small  
32 employer carrier health benefit plan subject to the provisions of ORS 743.733 to 743.737 may be  
33 rescinded by a small employer carrier for fraud, material misrepresentation or concealment by a  
34 small employer and the coverage of an enrollee may be rescinded for fraud, material misrepres-  
35 entation or concealment by the enrollee.

36 (7) A small employer carrier may continue to enforce reasonable employer participation and  
37 contribution requirements on small employers applying for coverage. However, participation and  
38 contribution requirements shall be applied uniformly among all small employer groups with the same  
39 number of eligible employees applying for coverage or receiving coverage from the small employer  
40 carrier. In determining minimum participation requirements, a carrier shall count only those em-  
41 ployees who are not covered by an existing group health benefit plan, Medicaid, Medicare,  
42 CHAMPUS, Indian Health Service or a publicly sponsored or subsidized health plan, including but  
43 not limited to the Oregon Health Plan.

44 (8) Premium rates for small employer health benefit plans subject to ORS 743.733 to 743.737 shall  
45 be subject to the following provisions:

1       (a) Each small employer carrier issuing health benefit plans to small employers must file its  
2 geographic average rate for a rating period with the director on or before March 15 of each year.  
3       (b)(A) The premium rates charged during a rating period for health benefit plans issued to small  
4 employers shall not vary from the geographic average rate by more than the following:  
5           (i) 50 percent on October 1, 1996; and  
6           (ii) 33 percent on October 1, 1999.  
7       (B) The variations in premium rates described in subparagraph (A) of this paragraph shall be  
8 based solely on differences in the ages of participating employees, except that the premium rate may  
9 be adjusted to reflect the provision of benefits not required to be covered by the basic health benefit  
10 plan and differences in family composition. In addition:  
11           (i) A small employer carrier shall apply uniformly the carrier's schedule of age adjustments for  
12 small employer groups as approved by the director; and  
13           (ii) Except as otherwise provided in this section, the premium rate established for a health  
14 benefit plan by a small employer carrier shall apply uniformly to all employees of the small employer  
15 enrolled in that plan.  
16       (c) The variation in premium rates between different small employer health benefit plans offered  
17 by a small employer carrier must be based solely on objective differences in plan design or coverage  
18 and must not include differences based on the risk characteristics of groups assumed to select a  
19 particular health benefit plan.  
20       (d) A small employer carrier may not increase the rates of a health benefit plan issued to a  
21 small employer more than once in a 12-month period. Annual rate increases shall be effective on the  
22 plan anniversary date of the health benefit plan issued to a small employer. The percentage increase  
23 in the premium rate charged to a small employer for a new rating period may not exceed the sum  
24 of the following:  
25           (A) The percentage change in the geographic average rate measured from the first day of the  
26 prior rating period to the first day of the new period; and  
27           (B) Any adjustment attributable to changes in age, except an additional adjustment may be made  
28 to reflect the provision of benefits not required to be covered by the basic health benefit plan and  
29 differences in family composition.  
30       (e) Premium rates for health benefit plans shall comply with the requirements of this section.  
31       (9) In connection with the offering for sale of any health benefit plan to a small employer, each  
32 small employer carrier shall make a reasonable disclosure as part of its solicitation and sales ma-  
33 terials of:  
34           (a) The full array of health benefit plans that are offered to small employers by the carrier;  
35           (b) The authority of the carrier to adjust rates, and the extent to which the carrier will consider  
36 age, family composition and geographic factors in establishing and adjusting rates;  
37           (c) Provisions relating to renewability of policies and contracts; and  
38           (d) Provisions affecting any preexisting conditions provision.  
39       (10)(a) Each small employer carrier shall maintain at its principal place of business a complete  
40 and detailed description of its rating practices and renewal underwriting practices, including infor-  
41 mation and documentation that demonstrate that its rating methods and practices are based upon  
42 commonly accepted actuarial practices and are in accordance with sound actuarial principles.  
43       (b) Each small employer carrier shall file with the director annually on or before March 15 an  
44 actuarial certification that the carrier is in compliance with ORS 743.733 to 743.737 and that the  
45 rating methods of the small employer carrier are actuarially sound. Each such certification shall be

1 in a uniform form and manner and shall contain such information as specified by the director. A  
2 copy of such certification shall be retained by the small employer carrier at its principal place of  
3 business.

4 (c) A small employer carrier shall make the information and documentation described in para-  
5 graph (a) of this subsection available to the director upon request. Except in cases of violations of  
6 ORS 743.733 to 743.737, the information shall be considered proprietary and trade secret information  
7 and shall not be subject to disclosure by the director to persons outside the Department of Con-  
8 sumer and Business Services except as agreed to by the small employer carrier or as ordered by a  
9 court of competent jurisdiction.

10 (11) A small employer carrier shall not provide any financial or other incentive to any agent  
11 that would encourage such agent to market and sell health benefit plans of the carrier to small  
12 employer groups based on a small employer group's anticipated claims experience.

13 (12) For purposes of this section, the date a small employer health benefit plan is continued shall  
14 be the anniversary date of the first issuance of the health benefit plan.

15 (13) A small employer carrier must include a provision that offers coverage to all eligible em-  
16 ployees and to all dependents to the extent the employer chooses to offer coverage to dependents.

17 (14) All small employer health benefit plans shall contain special enrollment periods during  
18 which eligible employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg  
19 as amended and in effect on July 1, 1997.

20 (15) All small employer health benefit plans must include the benefit provisions of the federal  
21 Women's Health and Cancer Rights Act of 1998, P.L. 105-277.

22 **SECTION 13.** ORS 743.754 is amended to read:

23 743.754. The following requirements apply to all group health benefit plans covering two or more  
24 certificate holders:

25 (1) A preexisting conditions provision in a group health benefit plan shall apply only to a con-  
26 dition for which medical advice, diagnosis, care or treatment was recommended or received during  
27 the six-month period immediately preceding the enrollment date of an enrollee or late enrollee. As  
28 used in this section, the enrollment date of an enrollee shall be the earlier of the effective date of  
29 coverage or the first day of any required group eligibility waiting period and the enrollment date  
30 of a late enrollee shall be the effective date of coverage.

31 (2) A preexisting conditions provision in a group health benefit plan shall terminate its effect  
32 as follows:

33 (a) For an enrollee not later than the first of the following dates:

34 (A) Six months following the enrollee's effective date of coverage; or

35 (B) Twelve months following the start of any required group eligibility waiting period.

36 (b) For a late enrollee, not later than 12 months following the late enrollee's effective date of  
37 coverage.

38 (3) In applying a preexisting conditions provision to an enrollee or late enrollee, except as pro-  
39 vided in this subsection, all group benefit plans shall reduce the duration of the provision by an  
40 amount equal to the enrollee's or late enrollee's aggregate periods of creditable coverage if the most  
41 recent period of creditable coverage is ongoing or ended within 63 days of the enrollment date in  
42 the new group health benefit plan. The crediting of prior coverage in accordance with this sub-  
43 section shall be applied without regard to the specific benefits covered during the prior period. This  
44 subsection does not preclude, within a group health benefit plan, application of:

45 (a) An affiliation period that does not exceed two months for an enrollee or three months for a

1 late enrollee; or

2 (b) An exclusion period for specified covered services applicable to all individuals enrolling for

3 the first time in the group health benefit plan.

4 (4) Late enrollees may be excluded from coverage for up to 12 months or may be subjected to

5 a preexisting conditions provision for up to 12 months. If both an exclusion from coverage period

6 and a preexisting conditions provision are applicable to a late enrollee, the combined period shall

7 not exceed 12 months.

8 (5) All group health benefit plans shall contain special enrollment periods during which eligible

9 employees and dependents may enroll for coverage, as provided in 42 U.S.C. 300gg as amended and

10 in effect on July 1, 1997.

11 (6) Each group health benefit plan shall be renewable with respect to all eligible enrollees at

12 the option of the policyholder except:

13 (a) For nonpayment of the required premiums by the policyholder.

14 (b) For fraud or misrepresentation of the policyholder or, with respect to coverage of individual

15 enrollees, the enrollees or their representatives.

16 (c) When the number of enrollees covered under the plan is less than the number or percentage

17 of enrollees required by participation requirements under the plan.

18 (d) For noncompliance with the carrier's employer contribution requirements under the health

19 benefit plan.

20 (e) When the carrier discontinues offering or renewing, or offering and renewing, all of its group

21 health benefit plans in this state or in a specified service area within this state. In order to dis-

22 continue plans under this paragraph, the carrier:

23 (A) Must give notice of the decision to the Director of the Department of Consumer and Busi-

24 ness Services and to all policyholders covered by the plans;

25 (B) May not cancel coverage under the plans for 180 days after the date of the notice required

26 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except

27 as provided in subparagraph (C) of this paragraph, in a specified service area;

28 (C) May not cancel coverage under the plans for 90 days after the date of the notice required

29 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area

30 because of an inability to reach an agreement with the health care providers or organization of

31 health care providers to provide services under the plans within the service area; and

32 (D) Must discontinue offering or renewing, or offering and renewing, all health benefit plans

33 issued by the carrier in the group market in this state or in the specified service area.

34 (f) When the carrier discontinues offering and renewing a group health benefit plan in a speci-

35 fied service area within this state because of an inability to reach an agreement with the health

36 care providers or organization of health care providers to provide services under the plan within the

37 service area. In order to discontinue a plan under this paragraph, the carrier:

38 (A) Must give notice of the decision to the director and to all policyholders covered by the plan;

39 (B) May not cancel coverage under the plan for 90 days after the date of the notice required

40 under subparagraph (A) of this paragraph; and

41 (C) Must offer in writing to each policyholder covered by the plan, all other group health benefit

42 plans that the carrier offers in the specified service area. The carrier shall offer the plans at least

43 90 days prior to discontinuation.

44 (g) When the carrier discontinues offering or renewing, or offering and renewing, a health ben-

45 fit plan for all groups in this state or in a specified service area within this state, other than a plan

1 discontinued under paragraph (f) of this subsection. With respect to plans that are being discontinued,  
 2 the carrier must:

3 (A) Offer in writing to each policyholder covered by the plan, one or more health benefit plans  
 4 that the carrier offers in the specified service area.

5 (B) Offer the plans at least [180] 90 days prior to discontinuation.

6 (C) Act uniformly without regard to the claims experience of the affected policyholders or the  
 7 health status of any current or prospective enrollee.

8 (h) When the director orders the carrier to discontinue coverage in accordance with procedures  
 9 specified or approved by the director upon finding that the continuation of the coverage would:

10 (A) Not be in the best interests of the enrollees; or

11 (B) Impair the carrier's ability to meet contractual obligations.

12 (i) When, in the case of a group health benefit plan that delivers covered services through a  
 13 specified network of health care providers, there is no longer any enrollee who lives, resides or  
 14 works in the service area of the provider network.

15 (j) When, in the case of a health benefit plan that is offered in the group market only through  
 16 one or more bona fide associations, the membership of an employer in the association ceases and  
 17 the termination of coverage is not related to the health status of any enrollee.

18 (k) For misuse of a provider network provision. As used in this paragraph, "misuse of a provider  
 19 network provision" means a disruptive, unruly or abusive action taken by an enrollee that threatens  
 20 the physical health or well-being of health care staff and seriously impairs the ability of the carrier  
 21 or its participating providers to provide services to an enrollee. An enrollee under this paragraph  
 22 retains the rights of an enrollee under ORS 743.804.

23 **(L) A carrier may modify a group health benefit plan at the time of coverage renewal.**  
 24 **The modification is not a discontinuation of the plan under paragraphs (e) and (g) of this**  
 25 **subsection.**

26 (7) Notwithstanding any provision of subsection (6) of this section to the contrary, a group  
 27 health benefit plan may be rescinded by a carrier for fraud, material misrepresentation or  
 28 concealment by a policyholder and the coverage of an enrollee may be rescinded for fraud, material  
 29 misrepresentation or concealment by the enrollee.

30 (8) A carrier that continues to offer coverage in the group market in this state is not required  
 31 to offer coverage in all of the carrier's group health benefit plans. If a carrier, however, elects to  
 32 continue a plan that is closed to new policyholders instead of offering alternative coverage in its  
 33 other group health benefit plans, the coverage for all existing policyholders in the closed plan is  
 34 renewable in accordance with subsection (6) of this section.

35 (9) All group health benefit plans must include the benefit provisions of the federal Women's  
 36 Health and Cancer Rights Act of 1998, P.L. 105-277.

37 (10) This section applies only to group health benefit plans that are not small employer health  
 38 benefit plans.

39 **SECTION 14.** ORS 743.766 is amended to read:

40 743.766. (1) All carriers who offer individual health benefit plans and evaluate the health status  
 41 of individuals for purposes of eligibility shall use the standard health statement established by the  
 42 Health Insurance Reform Advisory Committee and may not use any other method to determine the  
 43 health status of an individual. Nothing in this subsection shall prevent a carrier from using health  
 44 information after enrollment for the purpose of providing services or arranging for the provision of  
 45 services under a health benefit plan.

1       (2)(a) If an individual is accepted for coverage under an individual health benefit plan, the car-  
2 rier shall not impose exclusions or limitations on coverage greater than:  
3           (A) A preexisting conditions provision that complies with the following requirements:  
4              (i) The provision shall apply only to a condition for which medical advice, diagnosis, care or  
5 treatment was recommended or received during the six-month period immediately preceding the in-  
6 dividual's effective date of coverage; and  
7              (ii) The provision shall terminate its effect no later than six months following the individual's  
8 effective date of coverage;  
9           (B) An individual coverage waiting period of 90 days; or
