 20 diseases of the ear or, if no such licensed physician is available in the community, to any physician
 21 licensed under ORS chapter 677.

22 (3) Within the 90 days prior to fitting or dispensing a hearing aid to a person under 18 years

 3 the physician to whom the person has been referred under subsection (2) or (3) of this section, the
 4 person dealing in hearing aids must obtain from the person or the parents or guardian of the person

 9 of a hearing aid. Nothing required to be performed by a person dealing in hearing aids under this
