6 (3) A city, county or the State of Oregon [shall] **may** not issue a building permit to any person  
7 required to be licensed under this chapter that does not have a current, valid license. A county, city  
8 or state agency that requires the issuance of a permit as a condition precedent to construction, al-  
9 teration, improvement, demolition, movement or repair of any building or structure or the  
10 appurtenances to the structure shall, as a condition for issuing the permit, require that the applicant  
11 for a permit file a written statement, subscribed by the applicant. The statement must affirm that  
12 the applicant is licensed under this chapter, give the license number and state that the license is  
13 in full force and effect, or, if the applicant is exempt from licensing under this chapter, list the basis  
14 for the exemption. The city, county or state agency shall list the contractor's license number on  
15 the permit obtained by that contractor.

16 (4) If the applicant for a building permit is exempt from licensure under ORS 701.010 (6), the

18 About Construction Responsibilities. The city, county or state [shall] **may** not issue a building per-  
19 mit for a residential structure to the applicant until the applicant signs a statement in substantially  
20 the following form:

21 \_\_\_\_\_  
22  
23 (a) I have read and understand the Information Notice to Property Owners About Construction  
24 Responsibilities; and

25 (b) I own, reside in or will reside in the completed dwelling. My general contractor is  
26 \_\_\_\_\_, Construction Contractors Board license no. \_\_\_\_\_, license expiration date  
27 \_\_\_\_\_. I will instruct my general contractor that all subcontractors who work on this  
28 dwelling must be licensed with the Construction Contractors Board; or

29 (c) I am performing work on property I own, a residence that I reside in or a residence that I  
30 will reside in.

31 (d) I will be my own general contractor and, if I hire subcontractors, I will hire only subcon-  
32 tractors licensed with the Construction Contractors Board.

33 (e) If I change my mind and do hire a general contractor, I will contract with a general con-  
34 tractor who is licensed with the Construction Contractors Board and I will immediately notify the  
35 office issuing this building permit of the name of the general contractor \_\_\_\_\_.

36 \_\_\_\_\_  
37  
38 (5) The board shall adopt by rule a form entitled "Information Notice to Property Owners About  
39 Construction Responsibilities" that shall describe, in nontechnical language and in a clear and co-  
40 herent manner using words in their common and everyday meaning, the responsibilities property  
41 owners are undertaking by acting as their own general contractor and the problems that could de-  
42 velop. The responsibilities described in the form shall include, but not be limited to:

43 (a) Compliance with state and federal laws regarding Social Security tax, income tax and un-  
44 employment tax.

45 (b) Workers' compensation insurance on workers.

1 (c) Liability and property damage insurance.

2 (6) The board shall develop and furnish to city, county and state building permit offices, at no  
3 cost to the offices, the Information Notice to Property Owners About Construction Responsibilities  
4 and the statement to be signed by the permit applicant.

5 (7) A city or county that requires a business license for engaging in a business subject to reg-  
6 ulation under this chapter shall require that the licensee or applicant for issuance or renewal of the  
7 business license file, or have on file, with the city or county, a signed statement that the licensee  
8 or applicant is licensed under this chapter.

9 (8) It is prima facie evidence of doing business as a contractor if a person for that person's own  
10 use performs, employs others to perform, or for compensation and with the intent to sell the struc-  
11 ture, arranges to have performed any work described in ORS 701.005 [(2)] (3) if within any 36-month  
12 period that person offers for sale two or more newly built structures on which that work was per-  
13 formed.

14 (9) Licensure under this chapter is prima facie evidence that the licensee conducts a separate,  
15 independent business.

16 (10) The provisions of this chapter are exclusive and a city, county or other political subdivision  
17 may not require or issue any registrations, licenses or surety bonds, nor charge any fee for the  
18 regulatory or surety registration of any contractor licensed with the board. This subsection does  
19 not limit or abridge the authority of any city or county to:

20 (a) License and levy and collect a general and nondiscriminatory license fee levied upon all  
21 businesses or upon business conducted by any firm within the city or county;

22 (b) Require a contractor to pay a fee, post a bond or require insurance when the city, county  
23 or political subdivision is contracting for the service of the contractor; or

24 (c) Regulate a contractor that is not required to be licensed under this chapter.

25 (11)(a) A contractor shall maintain a list that includes the following information about all sub-  
26 contractors or other contractors performing work on a project for that contractor:

27 (A) Names and addresses.

28 (B) License numbers.

29 (b) The contractor must deliver the list referred to in paragraph (a) of this subsection to the  
30 board within 72 hours after a board request made during reasonable working hours.

31 (12) A contractor [*shall*] **may** not hire any subcontractor or other contractor to perform work  
32 unless the subcontractor or contractor is licensed under this chapter or exempt from licensure under  
33 ORS 701.010.

34 (13) A consumer notification form designed to specifically inform a property owner what the  
35 property owner should do to protect themselves in a residential repair, remodel or construction  
36 project shall be prepared by the board and provided at no cost to all licensed contractors. The  
37 contractor shall deliver the form to the property owner when the contractor submits a bid or pro-  
38 posal for work on a residential structure. The form shall include an explanation of the meaning of  
39 licensure, including a statement that licensure is not an endorsement of a contractor's work, and  
40 an explanation of the bond and insurance levels required of contractors for the benefit of property  
41 owners. The form must not be larger than one side of a sheet of paper that is 8-1/2 inches by 11  
42 inches. The contractor may reproduce the form on the contractor's bid proposal.

43 (14) A contractor may not perform work subject to this section for an owner of a residential  
44 structure without a written contract if the aggregate contract price exceeds \$2,500. If the price of  
45 a contract was initially less than \$2,500, but during the course of performance the contract exceeds

1 that amount, the contractor shall mail or otherwise deliver a written contract to the owner not later  
2 than five days after the contractor knows or should reasonably know that the contract price will  
3 exceed \$2,500. Failure to have a written contract will not void the contract.

4 (15) Except as provided in ORS 671.540, a contractor that is not licensed under ORS 671.560  
5 shall hire a person licensed under ORS 671.560 to perform landscaping work.
