8 The common law of trusts and principles of equity supplement sections 1 to 95 of this 2005  
9 Act, except to the extent modified by sections 1 to 95 of this 2005 Act or other law.

10 SECTION 7. Governing law [Uniform Trust Code Section 107]. The meaning and effect  
11 of the terms of a trust are determined by:

12 (1) The law of the state, country or other jurisdiction designated in the terms of the trust  
13 unless the designation of the law of that state, country or other jurisdiction is contrary to  
14 a strong public policy of the state, country or other jurisdiction having the most significant  
15 relationship to the matter at issue; or

16 (2) In the absence of a controlling designation in the terms of the trust, the law of the

18 at issue.

19 SECTION 8. Principal place of administration [Uniform Trust Code Section 108]. (1)  
20 Terms of a trust designating the principal place of administration are valid and controlling

31 Absent a substantial change of circumstances, the trustee may assume that the original  
32 place of administration is also the appropriate place of administration. The duty to adminis-  
33 ter the trust at an appropriate place may prevent a trustee from moving the place of ad-  
34 ministration.

35 (3)(a) A trustee may transfer the trust's principal place of administration to another  
36 state, country or other jurisdiction if the transfer is in furtherance of the duty imposed by

42 administration is to be transferred.

43 (B) The address and telephone number at the new location at which the trustee can be  
44 contacted.

45 (C) An explanation of the reasons for the proposed transfer.

1 (D) The date on which the proposed transfer is anticipated to occur.

2 (E) The date by which the qualified beneficiary must notify the trustee of an objection  
3 to the proposed transfer. The date for notifying a trustee of an objection may not be fewer  
4 than 60 days after the date on which the notice is given.

5 (c) The authority of a trustee under this subsection to transfer a trust's principal place  
6 of administration terminates if a qualified beneficiary notifies the trustee of an objection to  
7 the proposed transfer on or before the date specified in the notice.

8 (d) The trustee may transfer some or all of the trust property to a successor trustee  
9 designated in the terms of the trust or appointed pursuant to section 53 of this 2005 Act in  
10 connection with a transfer of the trust's principal place of administration.

11 **SECTION 9. Methods of giving notice; waiver of notice [Uniform Trust Code Section 109].**

12 (1) If any provision of sections 1 to 95 of this 2005 Act requires that a trustee or other person  
13 give notice or requires that the trustee or other person send a document, the trustee or  
14 other person must give the notice or send the document in a manner reasonably suitable  
15 under the circumstances and likely to result in receipt of the notice or document. Permis-  
16 sible methods of giving notice and sending documents under sections 1 to 95 of this 2005 Act  
17 include first class mail, personal delivery, delivery to a person's last known place of residence  
18 or place of business, or properly directed electronic mail.

20 person give notice or requires that the trustee or other person send a document to another  
21 person, the trustee or other person need not give the notice or send the document to any  
22 person whose identity or location is unknown and not reasonably ascertainable. If the trustee  
23 or other person cannot give notice or send a document, the trustee or other person shall  
24 prepare an affidavit setting forth the efforts made to find the person. The trustee must file  
25 the affidavit in any pending court proceeding or hold the affidavit as part of the trust records  
26 if a court proceeding is not pending.

27 (3) Any person entitled to receive a notice or a document under sections 1 to 95 of this  
28 2005 Act may waive receipt of the notice or document.

29 (4) Except as provided in subsection (5) of this section, notice of a judicial proceeding

 5 fined in section 3 of this 2005 Act.

11 submits personally to the jurisdiction of the courts of this state regarding any matter in-

27 **SECTION 16. Representation; basic effect [Uniform Trust Code Section 301].** (1) Notice  
28 to a person who may represent and bind another person under sections 16 to 20 of this 2005  
29 Act has the same effect as if notice were given directly to the other person. Notice to a  
30 representative must comply with section 9 (4) of this 2005 Act.

31 (2) The consent of a person who may represent and bind another person under sections  
32 16 to 20 of this 2005 Act is binding on the person represented unless the person represented  
33 objects to the representation before the consent would otherwise have become effective.

34 (3) Except as otherwise provided in sections 31 and 46 of this 2005 Act, a person who is  
35 authorized to represent a financially incapable settlor under sections 16 to 20 of this 2005  
36 Act may receive notice and give binding consent on the settlor's behalf.

37 (4) A settlor may not represent and bind a beneficiary under sections 16 to 20 of this 2005  
38 Act with respect to the termination or modification of an irrevocable trust under section 31  
39 (1) of this 2005 Act.

40 **SECTION 17. Representation by holder of general testamentary power of appointment**  
41 **[Uniform Trust Code Section 302].** To the extent there is no conflict of interest between the  
42 holder of a general testamentary power of appointment and the persons represented with  
43 respect to the particular question or dispute, the holder may represent and bind persons  
44 whose interests are subject to the power as permissible appointees, as takers in default or  
45 by other reason.

1       **SECTION 18. Representation by fiduciaries and parents [Uniform Trust Code Section**  
 2 **303].** To the extent there is no conflict of interest between the representative and the person  
 3 represented or among those being represented with respect to a particular question or dis-  
 4 pute:

5       (1) A conservator may represent and bind the estate that the conservator controls;

6       (2) An agent having authority to act with respect to the particular question or dispute  
 7 may represent and bind the principal;

8       (3) A trustee may represent and bind the beneficiaries of the trust;

9       (4) A personal representative of a decedent's estate may represent and bind persons in-  
 10 terested in the estate; and

11       (5) A parent may represent and bind the parent's minor or unborn child if a conservator  
 12 for the child has not been appointed.

13       **SECTION 19. Representation by person having substantially identical interest [Uniform**  
 14 **Trust Code Section 304].** Unless otherwise represented, a minor, financially incapable indi-  
 15 vidual or unborn individual, or a person whose identity or location is unknown and not rea-  
 16 sonably ascertainable, may be represented by and bound by another person having a  
 17 substantially identical interest with respect to the particular question or dispute, but only  
 18 to the extent there is no conflict of interest between the representative and the person re-  
 19 presented.

20       **SECTION 20. Appointment of special representative [Uniform Trust Code Section 305].**

21 (1) If the court determines that the interest of a person is not represented under sections  
 22 16 to 20 of this 2005 Act, or that the otherwise available representation might be inadequate,  
 23 the court may appoint a special representative to receive notice, give consent and otherwise  
 24 represent, bind and act on behalf of a minor, financially incapable individual or unborn indi-  
 25 vidual, or a person whose identity or location is unknown and not reasonably ascertainable.  
 26 A special representative may be appointed to represent several persons or interests, if the  
 27 interests of the persons represented do not conflict.

28       (2) A special representative may act on behalf of the individual represented with respect  
 29 to any matter that the court has authorized, whether or not a judicial proceeding concerning  
 30 the trust is pending.

31       (3) In making decisions, a special representative may consider general benefit accruing  
 32 to the living members of the individual's family.

33       (4) A person appointed as special representative must have appropriate skills and expe-  
 34 rience necessary to adequately represent the individual in the matter for which the special  
 35 representative is appointed. A special representative may not have an interest in the trust  
 36 that is the subject of the appointment of the special representative. A special representative  
 37 may not be related to a personal representative of an estate with an interest in the trust,  
 38 or to a trustee, beneficiary or other person with an interest in the trust.

39       (5) A person requesting the appointment of a special representative must file a petition  
 40 with the court describing the proposed special representative, the need for a special repre-  
 41 sentative, the qualifications of the special representative, the person or persons who will be  
 42 represented, the actions that the special representative will take and the approximate date  
 43 or event when the authority of the special representative will terminate. The person seeking  
 44 to serve as special representative must file a consent to serve.

45       (6) A special representative appointed under this section is entitled to reasonable com-

1    **pen**sation for services. The trustee shall pay compensation to the special representative from  
 2    **the** principal of the trust that is attributable to those beneficiaries who are represented. If  
 3    **the** beneficiaries who are represented do not have principal that is attributable to them,  
 4    **compensation** is an administrative expense of the trust.

5       (7) Upon completion of the responsibilities of the special representative, the special rep-  
 6    **resentative** shall move the court for an order discharging the special representative. Upon  
 7    **order** of the court, a special representative appointed under this section shall be discharged  
 8    **from** any further responsibility with respect to the trust.

9  
 10                                   **CREATION, VALIDITY, MODIFICATION AND**  
 11                                   **TERMINATION OF TRUST**

12  
 13       **SECTION 21. Methods of creating trust [Uniform Trust Code Section 401].** (1) A trust  
 14    **may** be created:

15       **(a)** By transfer of property to another person as trustee during the settlor's lifetime or  
 16    **by** will or other disposition taking effect upon the settlor's death;

17       **(b)** By declaration by the owner of property that the owner holds identifiable property  
 18    **as** trustee;

19       **(c)** By exercise of a power of appointment in favor of a trustee;

20       **(d)** By an agent or attorney-in-fact under a power of attorney that expressly grants au-  
 21    **thority** to create the trust; or

22       **(e)** Pursuant to a statute or judgment that requires property to be administered in the  
 23    **manner** of an express trust.

24       **(2)** The following apply to trusts for death benefits:

25       **(a)** A trustee may be named as beneficiary of any death benefits. Death benefits shall be  
 26    **paid** to the trustee and be held and disposed of by the trustee as provided in a trust created  
 27    **by** the designator during the lifetime of the designator. A trust is valid even though the trust  
 28    **does** not have a trust corpus other than the right of the trustee to receive death benefits  
 29    **as** beneficiary.

30       **(b)** A trustee named by will may be designated as beneficiary of death benefits if the  
 31    **designa**tion is made in accordance with the provisions of the policy, contract, plan, trust or  
 32    **other** governing instrument. Upon probate of the will, the death benefits are payable to the  
 33    **trustee** to be held and disposed of under the terms of the designator's will in the same  
 34    **manner** as other testamentary trusts are administered. Unless otherwise provided by the  
 35    **designa**tor, an obligor may make payment of death benefits to the personal representative  
 36    **of** the designator, or to the persons who are otherwise entitled to the death benefits, if a  
 37    **quali**fied trustee does not claim the death benefits within one year after the death of the  
 38    **designa**tor, or if satisfactory evidence is furnished within the one-year period showing that  
 39    **a** trustee cannot qualify to receive the death benefits. The obligor is discharged from any  
 40    **liabi**lity for the death benefits upon making the payment.

41       **(c)** Death benefits received by the trustee are not subject to the debts of the designator  
 42    **or** to inheritance or estate taxes to any greater extent than if the death benefits were pay-  
 43    **able** to the beneficiaries named in the trust and not to the estate of the designator.

44       **(d)** Death benefits held in trust may be commingled with any other assets that may  
 45    **prop**erly become a part of the trust.

1 (3) As used in this section:

2 (a) “Death benefits” means death benefits of any kind, including proceeds of life insur-  
 3 ance policies, payments under annuity or endowment contracts, and funds payable in con-  
 4 nection with pension, retirement, stock bonus or profit-sharing plans, or any trust  
 5 administered in connection with these arrangements.

6 (b) “Designator” means the person entitled to designate the beneficiary of death benefits  
 7 upon the death of the person.

8 (c) “Obligor” means the insurer or other person obligated to pay death benefits.

9 **SECTION 22. Requirements for creation [Uniform Trust Code Section 402].** (1) A trust is  
 10 created only if all of the following requirements are met:

11 (a) The settlor has capacity to create a trust.

12 (b) The settlor indicates an intention to create the trust.

13 (c) The trust has a definite beneficiary or is:

14 (A) A charitable trust;

15 (B) A trust for the care of an animal, as provided in section 28 of this 2005 Act; or

16 (C) A trust for a noncharitable purpose, as provided in section 29 of this 2005 Act.

17 (d) The trustee has duties to perform.

18 (e) The same person is not the sole trustee and sole beneficiary.

19 (2) A beneficiary is definite for the purposes of subsection (1)(c) of this section if the  
 20 beneficiary can be ascertained when the trust is created or at any time thereafter, subject  
 21 to any applicable rule against perpetuities.

22 (3) A power of a trustee to select a beneficiary from an indefinite class is valid. If the  
 23 power is not exercised within a reasonable time, the power fails and the property subject to  
 24 the power passes to the persons who would have taken the property had the power not been  
 25 conferred.

26 **SECTION 23. Trusts created in other states, countries or jurisdictions [Uniform Trust**  
 27 **Code Section 403].** A trust not created by will is validly created if the creation of the trust  
 28 complies with the law of the state, country or other jurisdiction in which the trust instru-  
 29 ment was executed, or the law of the state, country or other jurisdiction in which, at the  
 30 time of creation:

31 (1) The settlor was domiciled, had a place of abode or was a national;

32 (2) A trustee was domiciled or had a place of business; or

33 (3) Any trust property was located.

34 **SECTION 24. Trust purposes [Uniform Trust Code Section 404].** A trust may be created  
 35 only to the extent the purposes of the trust are lawful, not contrary to public policy and  
 36 possible to achieve. A trust and its terms must be for the benefit of the trust’s beneficiaries.

37 **SECTION 25. Charitable purposes; enforcement [Uniform Trust Code Section 405].** (1) A  
 38 charitable trust may be created for the relief of poverty, the advancement of education or  
 39 religion, the promotion of health, governmental or municipal purposes, or other purposes  
 40 beneficial to the community.

41 (2) If the terms of a charitable trust do not indicate a particular charitable purpose or  
 42 beneficiary, the court may select one or more charitable purposes or beneficiaries. The se-  
 43 lection must be consistent with the settlor’s intention to the extent that intent can be as-  
 44 certained.

45 (3) The settlor of a charitable trust, in addition to other persons authorized by law or the

1 trust instrument, may maintain a proceeding to enforce the trust.

2 (4) A court may modify or terminate any trust of property for charitable purposes only  
3 if the Attorney General is a party to the proceedings.

4 **SECTION 26. Creation of trust induced by fraud, duress or undue influence [Uniform**  
5 **Trust Code Section 406].** A trust is void to the extent the creation of the trust was induced  
6 by fraud, duress or undue influence.

7 **SECTION 27. Evidence of oral trust [Uniform Trust Code Section 407].** Except as required  
8 by a statute other than sections 1 to 95 of this 2005 Act, a trust need not be evidenced by a  
9 trust instrument. The creation of an oral trust, and the terms of an oral trust, must be es-  
10 tablished by clear and convincing evidence.

11 **SECTION 28. Pet trust [Uniform Trust Code Section 408].** (1) A trust may be created to  
12 provide for the care of one or more animals that are alive during the settlor's lifetime. The  
13 trust terminates upon the death of the animal or, if the trust was created to provide for the  
14 care of more than one animal, upon the death of the last surviving animal. An oral or writ-  
15 ten declaration shall be liberally construed in favor of finding the creation of a trust under  
16 this section. There is a presumption against merely precatory or honorary disposition on  
17 behalf of an animal.

18 (2) A trust authorized by this section may be enforced by a person appointed in the terms  
19 of the trust or, if a person is not appointed in the terms of the trust, by a person appointed  
20 by the court. A person having an interest in the welfare of the animal may request the court  
21 to appoint a person to enforce the trust or to remove a person appointed. Reasonable com-  
22 pensation for a person appointed by the court may be paid from the assets of the trust.

23 (3) Property of a trust authorized by this section may be applied only to its intended use,  
24 except to the extent the court determines that the value of the trust property exceeds the  
25 amount required for the intended use. Trust property not required for the intended use must  
26 be distributed to those persons designated in the trust. In the absence of a designation, the  
27 property shall be distributed to the settlor if the settlor is living when the distribution is  
28 made, or to the settlor's successors in interest if the settlor is not living when the distrib-  
29 ution is made.

30 (4) Except as ordered by a circuit court or required by the trust instrument, a trustee  
31 for a trust authorized under this section need not pay any fee or make any filing, report,  
32 registration, periodic accounting, separate maintenance of funds or appointment by reason  
33 of the existence of the fiduciary relationship of the trustee. A person appointed to enforce  
34 the trust may request a report under section 71 (3) of this 2005 Act.

35 **SECTION 29. Noncharitable trust without ascertainable beneficiary [Uniform Trust Code**  
36 **Section 409].** Except as otherwise provided in section 28 of this 2005 Act or by another stat-  
37 ute:

38 (1) A trust may be created for a noncharitable purpose without a definite or definitely  
39 ascertainable beneficiary or for a noncharitable but otherwise valid purpose to be selected  
40 by the trustee. The trust may not be enforced for more than 90 years.

41 (2) A trust authorized by this section may be enforced by a person appointed in the terms  
42 of the trust or, if a person is not appointed in the terms of the trust, by a person appointed  
43 by the court.

44 (3) Property of a trust authorized by this section may be applied only to its intended use,  
45 except to the extent the court determines that the value of the trust property exceeds the

1 amount required for the intended use. Except as otherwise provided in the terms of the  
2 trust, property not required for the intended use must be distributed to those persons des-  
3 ignated in the trust. In the absence of a designation, the property shall be distributed to the  
4 settlor if the settlor is living when the distribution is made, or to the settlor's successors in  
5 interest if the settlor is not living when the distribution is made.

6 **SECTION 30. Modification or termination of trust; proceedings for approval or disap-**  
7 **approval [Uniform Trust Code Section 410].** (1) In addition to the methods of termination pre-  
8 scribed by sections 31, 32, 33 and 34 of this 2005 Act, a trust terminates:

9 (a) To the extent the trust is revoked or expires pursuant to the terms of the trust;

10 (b) If no purpose of the trust remains to be achieved; or

11 (c) To the extent one or more of the purposes of the trust have become unlawful, con-  
12 trary to public policy or impossible to achieve.

13 (2) A proceeding to approve or disapprove a proposed modification or termination under  
14 sections 31, 32, 33, 34, 35 and 36 of this 2005 Act, or trust combination or division under  
15 section 37 of this 2005 Act, may be commenced by a trustee or beneficiary. A proceeding to  
16 approve or disapprove a proposed modification or termination under section 31 of this 2005  
17 Act may be commenced by the settlor. The settlor of a charitable trust may maintain a  
18 proceeding to modify the trust under section 33 of this 2005 Act.

19 **SECTION 31. Modification or termination of irrevocable trust by consent [Uniform Trust**  
20 **Code Section-411].** (1) An irrevocable trust may be modified or terminated upon consent of  
21 the settlor and all beneficiaries, even if the modification or termination is inconsistent with  
22 a material purpose of the trust. The Attorney General must consent to any modification or  
23 termination of a charitable trust, unless contingencies make the charitable interest negligi-  
24 ble. A settlor's power to consent to a trust's modification or termination may be exercised  
25 by:

26 (a) An agent or attorney-in-fact under a power of attorney only to the extent expressly  
27 authorized by the terms of the trust;

28 (b) The settlor's conservator with the approval of the court supervising the conserva-  
29 torship if an agent or attorney-in-fact is not authorized by the terms of the trust; or

30 (c) The settlor's guardian with the approval of the court supervising the guardianship if  
31 an agent or attorney-in-fact is not authorized by the terms of the trust and a conservator  
32 has not been appointed.

33 (2) An irrevocable trust may be terminated upon consent of all of the beneficiaries if the  
34 court concludes that continuance of the trust is not necessary to achieve any material pur-  
35 pose of the trust. An irrevocable trust may be modified upon consent of all of the benefi-  
36 ciaries if the court concludes that the modification is not inconsistent with a material purpose  
37 of the trust. The Attorney General must consent to any modification or termination of a  
38 charitable trust, unless contingencies make the charitable interest negligible.

39 (3) For the purposes of subsections (1) and (2) of this section, a spendthrift provision in  
40 the terms of the trust is rebuttably presumed to constitute a material purpose of the trust.

41 (4) Upon termination of a trust under subsection (1) or (2) of this section, the trustee  
42 shall distribute the trust property as agreed to by the beneficiaries and, in the case of a  
43 charitable trust requiring the Attorney General's consent, as agreed to by the Attorney  
44 General.

45 (5) If all of the required parties do not consent to a proposed modification or termination

1 of the trust under subsection (1) or (2) of this section, the modification or termination may  
2 be approved by the court if the court finds that:

3 (a) If all of the required parties had consented, the trust could have been modified or  
4 terminated under this section; and

5 (b) The interests of any beneficiary who does not consent will be adequately protected.

6 (6)(a) A trustee, or any other person interested in the trust, may file an agreement en-  
7 tered into under subsection (1) or (2) of this section, or a memorandum summarizing the  
8 provisions of the agreement, with the circuit court for any county where trust assets are  
9 located or where the trustee administers the trust.

10 (b) After collecting the fee provided for in subsection (8)(a) of this section, the clerk shall  
11 enter the agreement or memorandum of record in the court's register.

12 (c) Within five days after the filing of an agreement or memorandum under this sub-  
13 section, the person making the filing must serve a notice of the filing and a copy of the  
14 agreement or memorandum on each person interested in the trust whose address is known  
15 at the time of the filing. Service may be made personally, or by registered or certified mail,  
16 return receipt requested. The notice of filing shall be substantially in the following form:

34 (d) Proof of mailing of the notices required under this subsection must be filed with the

36 7 F, by a signed acceptance of service or by a return receipt from the postal authorities.

37 (e) If no objections are filed with the court within 120 days after the filing of the agree-  
38 ment or memorandum, the agreement is effective and binding on all persons interested in  
39 the trust.

40 (7)(a) If objections are filed with the court within 120 days after the filing of an agree-  
41 ment or memorandum under this section, the clerk of the court shall collect the fee provided  
42 in subsection (8)(a) of this section. Upon the filing of objections, the court shall fix a time  
43 and place for a hearing. The person filing the objections must serve a copy of the objections  
44 on all persons interested in the trust and give notice to those persons of the time and place  
45 fixed by the court for a hearing. Service must be made at least 10 days before the date set

1 by the court for the hearing. Service of the objections may be made personally or by regis-  
2 tered or certified mail, return receipt requested.

3 (b) Proof of mailing of objections must be filed with the court. Proof of service may be  
4 made by a certificate of service in the form provided by ORCP 7 F, by a signed acceptance  
5 of service or by a return receipt from the postal authorities.

6 (c) The court shall approve an agreement entered into under subsection (1) or (2) of this  
7 section after a hearing upon objections filed under this subsection unless:

8 (A) The agreement does not reflect the signatures of all persons required by subsection  
9 (1) or (2) of this section;

10 (B) The agreement is not authorized by subsection (1) or (2) of this section; or

11 (C) Approval of the agreement would not be equitable.

12 (d) An agreement approved by the court after a hearing is binding on all persons inter-  
13 ested in the trust.

14 (e) Persons interested in the trust may waive the notice required under subsection (6)  
15 of this section. If all persons interested in the trust waive the notice, the agreement is ef-  
16 fective and binding on all persons interested in the trust upon filing of the agreement or  
17 memorandum with the court.

18 (8)(a) The clerk of the circuit court shall collect in advance a fee of \$65 for the filing of  
19 an agreement or memorandum of agreement under subsection (6) of this section, and a fee  
20 of \$32.50 for the filing of objections under subsection (7) of this section.

21 (b) In addition to the filing fees provided for in paragraph (a) of this subsection, the clerk  
22 shall charge and collect in proceedings under this section all additional fees authorized by  
23 law for civil actions, suits or proceedings in circuit court.

24 (c) A paper or pleading is not considered filed unless the fees required by this subsection  
25 are paid. Filing fees may not be refunded to any party.

26 **SECTION 32. Modifications or termination because of unanticipated circumstances or**  
27 **inability to administer trust effectively [Uniform Trust Code Section 412].** (1) The court may  
28 modify the administrative or dispositive terms of a trust or terminate the trust if modifica-  
29 tion or termination will further the purposes of the trust and the modification or termi-  
30 nation is requested by reason of circumstances not anticipated by the settlor. To the extent  
31 practicable, the modification must be made in accordance with the settlor's probable inten-  
32 tion.

33 (2) The court may modify the administrative terms of a trust if continuation of the trust  
34 on its existing terms would be impracticable or wasteful, or would impair the trust's ad-  
35 ministration.

36 (3) Upon termination of a trust under this section, the trustee shall distribute the trust  
37 property in a manner consistent with the purposes of the trust.

38 **SECTION 33. Cy pres [Uniform Trust Code Section 413].** (1) Except as otherwise provided  
39 in subsection (2) of this section, if a particular charitable purpose of a trust becomes un-  
40 lawful, impracticable, impossible to achieve or wasteful:

41 (a) The trust does not fail, in whole or in part;

42 (b) The trust property does not revert to the settlor or the settlor's successors in in-  
43 terest; and

44 (c) The court may apply cy pres to modify or terminate the trust by directing that the  
45 trust property be applied or distributed, in whole or in part, in a manner consistent with the

1 settlor's charitable purposes.

2 (2) If a provision in the terms of a charitable trust would result in distribution of the  
3 trust property to a noncharitable beneficiary, a court may apply *cy pres* to modify or ter-  
4 minate the trust under subsection (1)(c) of this section only if, when the provision takes ef-  
5 fect:

6 (a) The trust property is to revert to the settlor and the settlor is still living; or

7 (b) Fewer than 50 years have elapsed since the date of the trust's creation.

8 **SECTION 34. Modification or termination of uneconomic trust [Uniform Trust Code**  
9 **Section 414].** (1) After notice to the qualified beneficiaries, a trustee may terminate a trust  
10 if the trustee concludes that the value of the trust property is insufficient to justify the cost  
11 of administration. A trustee may not terminate a trust under this section if the trustee is  
12 a beneficiary of the trust or has a duty of support for a beneficiary of the trust.

13 (2) The court may modify or terminate a trust, or remove the trustee and appoint a dif-  
14 ferent trustee, if the court finds that the value of the trust property is insufficient to justify  
15 the cost of administration.

16 (3) Upon termination of a trust under this section, the trustee shall distribute the trust  
17 property in a manner consistent with the purposes of the trust.

18 (4) This section does not apply to an easement for conservation or preservation.

19 **SECTION 35. Reformation to correct mistakes [Uniform Trust Code Section 415].** The  
20 court may reform the terms of a trust, even if unambiguous, to conform the terms to the  
21 settlor's intention if the person requesting reformation proves by clear and convincing evi-  
22 dence that both the settlor's intent and the terms of the trust were affected by a mistake  
23 of fact or law, whether in expression or inducement.

24 **SECTION 36. Modification to achieve settlor's tax objectives [Uniform Trust Code Section**  
25 **416].** The court may modify the terms of a trust to achieve the settlor's tax objectives if the  
26 modification is not contrary to the settlor's probable intention. The court may provide that  
27 the modification has retroactive effect.

28 **SECTION 37. Combination and division of trusts [Uniform Trust Code Section 417].** After  
29 notice to all qualified beneficiaries, a trustee may combine two or more trusts into a single  
30 trust or divide a trust into two or more separate trusts, if the result does not materially  
31 impair rights of any beneficiary or adversely affect achievement of the purposes of the trust.

32 **SECTION 38. In terrorem clause [Uniform Trust Code Section 418].** (1) Except as provided  
33 in this section, an in terrorem clause in a trust is valid and enforceable. If a beneficiary  
34 challenges a trust that contains an in terrorem clause that applies to the beneficiary, the  
35 court shall enforce the clause against the beneficiary even though the beneficiary establishes  
36 that there was probable cause for the challenge.

37 (2) The court shall not enforce an in terrorem clause if the beneficiary challenging the  
38 trust establishes that the beneficiary has probable cause to believe that the trust is a forgery  
39 or that the trust has been revoked.

40 (3) The court shall not enforce an in terrorem clause if the challenge is brought by a  
41 fiduciary acting on behalf of a protected person under the provisions of ORS chapter 125, a  
42 guardian ad litem appointed for a minor or a guardian ad litem appointed for an incapacitated  
43 or financially incapable person.

44 (4) For the purposes of this section, "in terrorem clause" means a provision in a trust  
45 that reduces or eliminates the interest of a beneficiary under the trust if the beneficiary

1 challenges the validity of part or all of the trust.

3 **CREDITOR'S CLAIMS; SPENDTHRIFT AND DISCRETIONARY TRUSTS**

4  
5 **SECTION 39. Rights of beneficiary's creditor or assignee [Uniform Trust Code Section**  
6 **501].** To the extent a beneficiary's interest is not protected by a spendthrift provision, the  
7 court may authorize a creditor or assignee of the beneficiary to reach the beneficiary's in-  
8 terest by garnishment or other execution against present or future distributions to or for  
9 the benefit of the beneficiary or by other means. The court may limit such relief as is ap-  
10 propriate under the circumstances.

11 **SECTION 40. Spendthrift provision [Uniform Trust Code Section 502].** (1) A spendthrift  
12 provision is valid only if the provision restrains both voluntary and involuntary transfer of  
13 a beneficiary's interest.

14 (2) A term of a trust providing that the interest of a beneficiary is held subject to a  
15 spendthrift trust, or words of similar import, is sufficient to restrain both voluntary and  
16 involuntary transfer of the beneficiary's interest.

17 (3) A beneficiary may not transfer an interest in a trust in violation of a valid spendthrift  
18 provision. Except as otherwise provided in sections 39 to 44 of this 2005 Act, a creditor or  
19 assignee of a beneficiary may not reach the interest of a beneficiary or a distribution by the  
20 trustee before the distribution is received by the beneficiary.

21 **SECTION 41. Exceptions to spendthrift provisions [Uniform Trust Code Section 503].** (1)  
22 As used in this section, "child" means any individual for whose benefit a judgment, court  
23 order or administrative order for child support has been entered in any state, country or  
24 other jurisdiction.

25 (2) Even if a trust contains a spendthrift provision, the holder of a judgment, court order  
26 or administrative order against a beneficiary for support or maintenance of the beneficiary's  
27 child, spouse or former spouse or a judgment creditor who has provided services for the  
28 protection of a beneficiary's interest in the trust, may obtain an order from a court of this  
29 state authorizing garnishment or other execution against present or future distributions to  
30 or for the benefit of the beneficiary. The court may issue an order authorizing execution  
31 against such amount as the court determines to be equitable under the circumstances but  
32 not more than the amount the trustee would have been required to distribute to or for the  
33 benefit of the beneficiary. Distributions subject to execution under this subsection include  
34 distributions required by the express terms of the trust, such as mandatory payments of  
35 income, and distributions the trustee has otherwise decided to make, such as through the  
36 exercise of discretion.

37 (3) A spendthrift provision is unenforceable against a claim of this state or the United  
38 States to the extent a statute of this state or federal law so provides.

39 **SECTION 42. Creditor's claim against settlor [Uniform Trust Code Section 505].** (1)  
40 Whether or not the terms of a trust contain a spendthrift provision:

41 (a) During the lifetime of the settlor, the property of a revocable trust is subject to  
42 claims of the settlor's creditors.

43 (b) A creditor or assignee of the settlor of an irrevocable trust may reach the maximum  
44 amount that can be distributed to or for the settlor's benefit. If an irrevocable trust has  
45 more than one settlor, the amount the creditor or assignee of a particular settlor may reach

1 may not exceed the settlor's interest in the portion of the trust attributable to that settlor's  
2 contribution.

3 (c) If a trust remains revocable until the death of the settlor, the property of the trust  
4 becomes subject to creditors' claims as provided in ORS 128.256 to 128.300 when the settlor  
5 dies. The payment of claims is subject to the settlor's right to direct the priority of the  
6 sources from which liabilities of the settlor are to be paid.

7 (2) For the purpose of creditors' claims, the holder of a power of withdrawal is treated  
8 in the same manner as the settlor of a revocable trust to the extent property of the trust  
9 is subject to the power. The provisions of this subsection apply to the holder of a power of  
10 withdrawal only during the period that the power may be exercised.

11 (3) Upon the lapse, release or waiver of a power of withdrawal, the property of the trust  
12 that is the subject of the lapse, release or waiver becomes subject to claims of creditors of  
13 the holder of the power only to the extent the value of the property exceeds the greater of  
14 the amount specified in section 2041(b)(2) or 2514(e) of the Internal Revenue Code, as in effect  
15 on the effective date of sections 1 to 95 of this 2005 Act, or section 2503(b) of the Internal  
16 Revenue Code, as in effect on the effective date of sections 1 to 95 of this 2005 Act.

17 (4) Subsections (2) and (3) of this section do not apply to a person other than a settlor  
18 who is a beneficiary of a revocable or irrevocable trust and who is also a trustee of the trust,  
19 if the power to withdraw for the person's own benefit is limited by an ascertainable standard.

20 SECTION 43. Overdue distribution [Uniform Trust Code Section 506]. Whether or not a  
21 trust contains a spendthrift provision, a creditor or assignee of a beneficiary may reach a  
22 mandatory distribution of income or principal, including a distribution upon termination of  
23 the trust, if the trustee has not made the distribution to the beneficiary within a reasonable  
24 time after the designated distribution date.

25 SECTION 44. Personal obligations of trustee [Uniform Trust Code Section 507]. Trust  
26 property is not subject to personal obligations of the trustee, even if the trustee becomes  
27 insolvent or bankrupt.

## 28 29 REVOCABLE TRUSTS

30  
31 SECTION 45. Capacity of settlor of revocable trust [Uniform Trust Code Section 601]. A  
32 person who has capacity to make a will has capacity to create, amend, revoke or add prop-  
33 erty to a revocable trust, or to direct the actions of the trustee of a revocable trust.

34 SECTION 46. Revocation or amendment of revocable trust [Uniform Trust Code Section  
35 602]. (1) Unless the terms of a trust expressly provide that the trust is irrevocable, the  
36 settlor of the trust may revoke or amend the trust.

37 (2) Unless the trust expressly provides otherwise, if a revocable trust is created or funded  
38 by more than one settlor:

39 (a) To the extent the trust consists of community property, the trust may be revoked  
40 by either spouse acting alone but may be amended only by joint action of both spouses;

41 (b) To the extent the trust consists of property other than community property, each  
42 settlor may revoke or amend the trust as to the portion of the trust property attributable  
43 to that settlor's contribution; and

44 (c) Upon the revocation or amendment of the trust by fewer than all of the settlors, the  
45 trustee shall promptly notify the other settlors of the revocation or amendment.

1 (3) The settlor may revoke or amend a revocable trust:

2 (a) By substantial compliance with a method provided in the terms of the trust; or

3 (b) If the terms of the trust do not provide a method, by any other method, except for  
4 execution of a will or codicil, manifesting clear and convincing evidence of the settlor's in-  
5 tent.

6 (4) Upon revocation of a revocable trust, the trustee shall deliver the trust property as  
7 the settlor directs.

8 (5) A settlor's powers with respect to revocation, amendment or distribution of trust  
9 property may be exercised by an agent or attorney-in-fact under a power of attorney only  
10 to the extent expressly authorized by the terms of the trust.

11 (6) The settlor's conservator, or the settlor's guardian if a conservator has not been ap-  
12 pointed for the settlor, may exercise a settlor's powers relating to revocation, amendment  
13 or distribution of trust property only with the approval of the court supervising the conser-  
14 vatorship or guardianship.

15 (7) A trustee who does not know that a trust has been revoked or amended is not liable  
16 to the settlor or settlor's successors in interest for distributions made and other actions  
17 taken on the assumption that the trust had not been amended or revoked.

18 SECTION 47. Section 46 (1) of this 2005 Act does not apply to a trust created under an  
19 instrument executed before the effective date of this 2005 Act.

20 SECTION 48. Settlor's powers; powers of withdrawal [Uniform Trust Code Section 603].

21 (1) While the settlor of a revocable trust is alive, rights of the beneficiaries are subject to  
22 the control of the settlor, and the duties of the trustee are owed exclusively to the settlor.  
23 Beneficiaries other than the settlor have no right to receive notice, information or reports  
24 under section 71 of this 2005 Act.

25 (2) The rights of the beneficiaries with respect to property that is subject to a power of  
26 withdrawal are subject to the control of the holder of the power during the period that the  
27 power may be exercised, and the duties of the trustee are owed exclusively to the holder of  
28 a power of withdrawal with respect to the property that is subject to the power.

29 SECTION 49. Limitation on action contesting validity of revocable trust; distribution of  
30 trust property [Uniform Trust Code Section 604]. (1) A person must commence a judicial  
31 proceeding to contest the validity of a trust that remained revocable until the settlor's death  
32 in the manner prescribed by ORS 12.020 within the earlier of:

33 (a) Three years after the settlor's death; or

34 (b) Four months after the trustee sends the person a copy of the trust instrument and  
35 notice informing the person of the trust's existence, of the trustee's name and address and  
36 of the time allowed for commencing a proceeding.

37 (2) Upon the death of the settlor of a trust that was revocable at the settlor's death, the  
38 trustee may proceed to distribute the trust property in accordance with the terms of the  
39 trust. The trustee is not subject to liability for distribution of the property unless:

40 (a) The trustee knows of a pending judicial proceeding contesting the validity of the  
41 trust; or

42 (b) Any person has notified the trustee in writing that the person might commence a  
43 judicial proceeding to contest the trust and a judicial proceeding is commenced by the person  
44 within 60 days after the person gives the notification.

45 (3) If a trust is determined to be invalid, any beneficiary who received a distribution from

1 the trust is liable to the person entitled to the distributed property for the amount or value  
2 of the distribution.

3  
4 **OFFICE OF TRUSTEE**

5  
6 **SECTION 50. Accepting or declining trusteeship [Uniform Trust Code Section 701].** (1)  
7 Except as otherwise provided in subsection (3) or (4) of this section, a person designated as  
8 trustee accepts the trusteeship:

9 (a) By substantially complying with a method of acceptance provided in the terms of the  
10 trust; or

11 (b) If the terms of the trust do not provide a method of acceptance, or the method pro-  
12 vided in the terms of the trust is not expressly made exclusive, by knowingly accepting de-  
13 livery of the trust property, knowingly exercising powers or performing duties as trustee,  
14 or otherwise indicating acceptance of the trusteeship.

15 (2) A person designated as trustee who has not yet accepted the trusteeship may reject  
16 the trusteeship. A designated trustee who does not accept the trusteeship within a reason-  
17 able time after knowing of the designation is deemed to have rejected the trusteeship.

18 (3) A person designated as trustee may act to preserve the trust property without ac-  
19 cepting the trusteeship. The person must send a rejection of the trusteeship to the settlor  
20 within a reasonable time after taking the action. If the settlor is dead or is financially inca-  
21 pable, the person must send the rejection to a qualified beneficiary within a reasonable time  
22 after taking the action.

23 (4) A person designated as trustee may inspect or investigate trust property to determine  
24 potential liability under environmental or other law, or for any other purpose, without ac-  
25 cepting the trusteeship.

26 **SECTION 51. Trustee's bond [Uniform Trust Code Section 702].** (1) A trustee shall ac-  
27 quire a bond to secure performance of the trustee's duties only if a bond is required by the  
28 terms of the trust or if a court finds that a bond is needed to protect the interests of the  
29 beneficiaries. A court may waive a bond required by the terms of a trust if the court finds  
30 that a bond is not needed to protect the interests of the beneficiaries.

31 (2) The court may specify the amount and terms of a bond. The court may modify or  
32 terminate any requirement for a bond at any time.

33 (3) A trust company as defined in ORS 706.008 need not give a bond, even if required by  
34 the terms of the trust.

35 **SECTION 52. Cotrustees [Uniform Trust Code Section 703].** (1) Cotrustees who are unable  
36 to reach a unanimous decision may act by majority decision.

37 (2) If a vacancy occurs in a cotrusteeship, the remaining cotrustee or cotrustees may  
38 act for the trust.

39 (3) A cotrustee must participate in the performance of a trustee's function unless:

40 (a) The cotrustee is unavailable to perform the function because of absence, illness or  
41 disqualification under other law;

42 (b) The cotrustee is unavailable to perform the function because the cotrustee is tem-  
43 porarily financially incapable; or

44 (c) The cotrustee has properly delegated the performance of the function to another  
45 trustee.

1 (4) If a cotrustee is unavailable to perform duties because of absence, illness, disquali-  
 2 fication under other law or temporary financial incapability, and prompt action is necessary  
 3 to achieve the purposes of the trust or to avoid injury to the trust property, the remaining  
 4 cotrustee or a majority of the remaining cotrustees may act for the trust.

5 (5) Except as prohibited in the terms of the trust, a cotrustee may delegate to a  
 6 cotrustee the performance of a function. Unless a delegation was irrevocable, a cotrustee  
 7 may revoke any delegation.

8 (6) Except as otherwise provided in subsection (7) of this section, a cotrustee who does  
 9 not join in an action of another cotrustee is not liable for the action.

10 (7) Each cotrustee shall exercise reasonable care to:

11 (a) Prevent a cotrustee from committing a serious breach of trust; and

12 (b) Compel a cotrustee to redress a serious breach of trust.

13 (8) A dissenting cotrustee who joins in an action at the direction of the majority of the  
 14 cotrustees and who notified any cotrustee of the dissent at or before the time of the action  
 15 is not liable for the action unless the action is a serious breach of trust.

16 **SECTION 53. Vacancy in trusteeship; appointment of successor [Uniform Trust Code**  
 17 **Section 704].** (1) A vacancy in a trusteeship occurs if:

18 (a) A person designated as trustee rejects the trusteeship;

19 (b) A person designated as trustee cannot be identified, cannot be located or does not  
 20 exist;

21 (c) A trustee resigns;

22 (d) A trustee is disqualified or removed;

23 (e) A trustee dies; or

24 (f) A guardian or conservator is appointed for an individual serving as trustee.

25 (2) If one or more cotrustees remain in office, a vacancy in a trusteeship need not be  
 26 filled. A vacancy in a trusteeship must be filled if the trust has no remaining trustee.

27 (3) A vacancy in a trusteeship of a noncharitable trust that is required to be filled must  
 28 be filled in the following order of priority:

29 (a) By a person designated in the terms of the trust to act as successor trustee;

30 (b) By a person appointed by unanimous agreement of the qualified beneficiaries; or

31 (c) By a person appointed by the court.

32 (4) A vacancy in a trusteeship of a charitable trust that is required to be filled must be  
 33 filled in the following order of priority:

34 (a) By a person designated in the terms of the trust to act as successor trustee;

35 (b) By a person appointed by unanimous agreement of the charitable organizations ex-  
 36 pressly designated to receive distributions under the terms of the trust, all noncharitable  
 37 qualified beneficiaries and the Attorney General; or

38 (c) By a person appointed by the court.

39 (5) Whether or not a vacancy in a trusteeship exists or is required to be filled, the court  
 40 may appoint an additional trustee or special fiduciary whenever the court considers the ap-  
 41 pointment necessary for the administration of the trust.

42 **SECTION 54. Resignation of trustee [Uniform Trust Code Section 705].** (1) A trustee may  
 43 resign:

44 (a) After at least 30 days' notice to the qualified beneficiaries, the settlor, if living, and  
 45 all cotrustees; or

1 (b) At any time with the approval of a court.

2 (2) If a court approves a resignation, the court may issue orders and impose conditions  
3 reasonably necessary for the protection of the trust property.

4 (3) Any liability of a resigning trustee or of any sureties on the trustee's bond for acts  
5 or omissions of the trustee is not discharged or affected by the trustee's resignation.

6 **SECTION 55. Removal of trustee [Uniform Trust Code Section 706].** (1) The settlor, a  
7 cotrustee or a beneficiary may request that a court remove a trustee, or a trustee may be  
8 removed by a court on its own motion.

9 (2) A court may remove a trustee if the court finds:

10 (a) The trustee has committed a serious breach of trust;

11 (b) Lack of cooperation among cotrustees substantially impairs the administration of the  
12 trust;

13 (c) Removal of the trustee best serves the interests of the beneficiaries because the  
14 trustee is unfit or unwilling, or has persistently failed to administer the trust effectively; or

15 (d) Removal of the trustee best serves the interests of all of the beneficiaries and:

16 (A) There has been a substantial change of circumstances or removal has been requested  
17 by all of the qualified beneficiaries;

18 (B) Removal is not inconsistent with a material purpose of the trust; and

19 (C) A suitable cotrustee or successor trustee is available.

20 (3) Pending a final decision on a request to remove a trustee, or in lieu of or in addition  
21 to removing a trustee, the court may order such appropriate relief under section 83 (2) of  
22 this 2005 Act as may be necessary to protect the trust property or the interests of the ben-  
23 eficiaries.

24 **SECTION 56. Delivery of property by former trustee [Uniform Trust Code Section 707].**

25 (1) Unless a cotrustee remains in office or the court otherwise orders, a trustee who has  
26 resigned or been removed has the duties of a trustee and the powers necessary to protect  
27 the trust property until the trust property is delivered to a successor trustee or other person  
28 who is entitled to the property.

29 (2) A trustee who has resigned or been removed shall proceed expeditiously to deliver any  
30 trust property in the trustee's possession to the cotrustee, successor trustee or other person  
31 who is entitled to the property.

32 **SECTION 57. Compensation of trustee [Uniform Trust Code Section 708].** (1) If the terms  
33 of a trust do not specify the trustee's compensation, a trustee is entitled to compensation  
34 that is reasonable under the circumstances.

35 (2) If the terms of a trust specify the trustee's compensation, the trustee is entitled to  
36 be compensated as specified, but the court may allow more or less compensation if:

37 (a) The duties of the trustee are substantially different from those contemplated when  
38 the trust was created; or

39 (b) The compensation specified by the terms of the trust would be unreasonably low or  
40 high.

41 **SECTION 58. Reimbursement of expenses [Uniform Trust Code Section 709].** (1) A trustee  
42 is entitled to be reimbursed out of the trust property, with reasonable interest if appropriate,  
43 for:

44 (a) Expenses that were properly incurred in the administration of the trust; and

45 (b) To the extent necessary to prevent unjust enrichment of the trust, expenses that

1 were not properly incurred in the administration of the trust.

2 (2) A trustee is entitled to be reimbursed out of the trust property or from property that  
 3 has been distributed from the trust, with reasonable interest if appropriate, for an advance  
 4 of money made by the trustee for the protection of the trust.

5  
 6 **DUTIES AND POWERS OF TRUSTEE**  
 7

8 **SECTION 59. Duty to administer trust [Uniform Trust Code Section 801].** Upon accept-  
 9 ance of a trusteeship, the trustee shall administer the trust in good faith, in accordance with  
 10 its terms and purposes and the interests of the beneficiaries, and in accordance with sections  
 11 1 to 95 of this 2005 Act.

12 **SECTION 60. Duty of loyalty [Uniform Trust Code Section 802].** (1) A trustee shall ad-  
 13 minister the trust solely in the interests of the beneficiaries.

14 (2) Subject to the rights of persons dealing with or assisting the trustee as provided in  
 15 section 94 of this 2005 Act, a sale, encumbrance or other transaction involving the invest-  
 16 ment or management of trust property entered into by the trustee for the trustee's own  
 17 personal account or that is otherwise affected by a conflict between the trustee's fiduciary  
 18 and personal interests is voidable by a beneficiary affected by the transaction unless:

19 (a) The transaction was authorized by the terms of the trust;

20 (b) The transaction was approved by a court;

21 (c) The beneficiary did not commence a judicial proceeding within the time allowed by  
 22 section 87 of this 2005 Act;

23 (d) The beneficiary consented to the trustee's conduct, ratified the transaction or re-  
 24 leased the trustee in the manner provided by section 91 of this 2005 Act; or

25 (e) The transaction involves a contract entered into or claim acquired by the trustee  
 26 before the person became or contemplated becoming trustee.

27 (3) A sale, encumbrance or other transaction involving the investment or management  
 28 of trust property is presumed to be affected by a conflict between the personal and fiduciary  
 29 interests of the trustee if it is entered into by the trustee with:

30 (a) The trustee's spouse;

31 (b) The trustee's descendants, siblings or parents, or their spouses;

32 (c) An agent or attorney of the trustee; or

33 (d) A corporation or other person or enterprise in which the trustee, or a person that  
 34 owns a significant interest in the trustee, has an interest that might affect the trustee's best  
 35 judgment.

36 (4) Unless a trustee can establish that the transaction was fair to the beneficiary, a  
 37 transaction between a trustee and a beneficiary that does not concern trust property but  
 38 from which the trustee obtains an advantage is voidable by the beneficiary if the transaction  
 39 occurs during the existence of the trust or while the trustee retains significant influence  
 40 over the beneficiary.

41 (5) A transaction not concerning trust property in which the trustee engages in the  
 42 trustee's individual capacity involves a conflict between personal and fiduciary interests if  
 43 the transaction concerns an opportunity properly belonging to the trust.

44 (6) An investment by a trustee in securities of an investment company or an investment  
 45 trust to which the trustee, or an affiliate of the trustee, provides services in a capacity other

1 than as trustee is not presumed to be affected by a conflict between personal and fiduciary  
 2 interests if the investment otherwise complies with the prudent investor rule of sections 77  
 3 to 82 of this 2005 Act. In addition to compensation for acting as trustee, the trustee may be  
 4 compensated by the investment company or investment trust for providing those services  
 5 out of fees charged to the trust. If the trustee receives compensation from the investment  
 6 company or investment trust for providing investment advisory or investment management  
 7 services, the trustee at least annually shall give notice of the rate and method by which that  
 8 compensation was determined to the persons entitled under section 71 of this 2005 Act to  
 9 receive a copy of the trustee's annual report.

10 (7) In voting shares of stock of a corporation or in exercising powers of control over  
 11 similar interests in other forms of business entities, the trustee shall act in the best inter-  
 12 ests of the beneficiaries. If the trust is the sole owner of a corporation or other form of  
 13 business entity, the trustee shall elect or appoint directors or other managers who will  
 14 manage the corporation or entity in the best interests of the beneficiaries.

15 (8) This section does not preclude the following transactions, if fair to the beneficiaries:

16 (a) An agreement between a trustee and a beneficiary relating to the appointment or  
 17 compensation of the trustee;

18 (b) Payment of reasonable compensation to the trustee;

19 (c) A transaction between a trust and another trust, decedent's estate, custodianship or  
 20 conservatorship of which the trustee is a fiduciary or in which a beneficiary has an interest;

21 (d) A deposit of trust money in a financial institution operated by the trustee; or

22 (e) An advance by the trustee of money for the protection of the trust.

23 (9) The court may appoint a special fiduciary to make a decision with respect to any  
 24 proposed transaction that might violate this section if entered into by the trustee.

25 **SECTION 61. Impartiality [Uniform Trust Code Section 803].** If a trust has two or more  
 26 beneficiaries, the trustee shall act impartially in investing, managing and distributing the  
 27 trust property, giving due regard to the beneficiaries' respective interests.

28 **SECTION 62. Prudent administration [Uniform Trust Code Section 804].** A trustee shall  
 29 administer the trust as a prudent person would, by considering the purposes, terms,  
 30 distributional requirements and other circumstances of the trust. In satisfying this standard,  
 31 the trustee shall exercise reasonable care, skill and caution.

32 **SECTION 63. Costs of administration [Uniform Trust Code Section 805].** In administering  
 33 a trust, the trustee may incur only costs that are reasonable in relation to the trust prop-  
 34 erty, the purposes of the trust and the skills of the trustee.

35 **SECTION 64. Trustee's skills [Uniform Trust Code Section 806].** A trustee who has spe-  
 36 cial skills or expertise, or is named trustee in reliance upon the trustee's representation that

39 **SECTION 65. Delegation by trustee [Uniform Trust Code Section 807].** (1) A trustee may

44 (b) Establishing the scope and terms of the delegation, consistent with the purposes and  
 45 terms of the trust; and

1 (c) Periodically reviewing the agent's actions in order to monitor the agent's perform-  
2 ance and compliance with the terms of the delegation.

3 (2) In performing a delegated function, an agent owes a duty to the trust to exercise  
4 reasonable care to comply with the terms of the delegation.

5 (3) A trustee who complies with subsection (1) of this section is not liable to the benefi-  
6 ciaries or to the trust for an action of the agent.

7 (4) By accepting a delegation of powers or duties from the trustee of a trust that is  
8 subject to this state's law, an agent submits to the jurisdiction of the courts of this state.

9 **SECTION 66. Powers to direct [Uniform Trust Code Section 808].** (1) While a trust is  
10 revocable, the trustee may follow a direction of the settlor that is contrary to the terms of  
11 the trust.

12 (2) If the terms of a trust confer upon a person other than the settlor of a revocable  
13 trust power to direct certain actions of the trustee, the trustee shall act in accordance with  
14 the directions given by the person unless the action is manifestly contrary to the terms of  
15 the trust or the trustee knows the action would constitute a serious breach of a fiduciary  
16 duty that the person holding the power owes to the beneficiaries of the trust.

17 (3) The terms of a trust may confer upon a trustee or other person a power to direct the  
18 modification or termination of the trust.

19 (4) A person other than a beneficiary who holds a power to direct is rebuttably presumed  
20 to be a fiduciary and is required to act in good faith with regard to the purposes of the trust  
21 and the interests of the beneficiaries. The holder of a power to direct is liable for any loss  
22 that results from breach of a fiduciary duty.

23 **SECTION 67. Control and protection of trust property [Uniform Trust Code Section 809].**

27 (2) A trustee shall keep trust property separate from the trustee's own property.

29 the trust property to be designated so that the interest of the trust, to the extent feasible,  
30 appears in records maintained by a party other than a trustee or beneficiary.

31 (4) If the trustee maintains records clearly indicating the respective interests of the dif-  
32 ferent trusts, a trustee may invest as a whole the property of two or more separate trusts.

33 **SECTION 69. Enforcement and defense of claims [Uniform Trust Code Section 811].** A

35 against the trust.

36 **SECTION 70. Collecting trust property [Uniform Trust Code Section 812].** A trustee shall  
37 take reasonable steps to compel a former trustee or other person to deliver trust property  
38 to the trustee, and to remedy a breach of trust known to the trustee to have been committed  
39 by a former trustee.

40 **SECTION 71. Duty to inform and report [Uniform Trust Code Section 813].** (1) A trustee  
41 shall keep the qualified beneficiaries of the trust reasonably informed about the adminis-  
42 tration of the trust and of the material facts necessary for those beneficiaries to protect  
43 their interests. If reasonable under the circumstances, a trustee may respond to a request  
44 for information related to the administration of the trust from a beneficiary who is not a  
45 qualified beneficiary.

1       (2)(a) Upon request of a qualified beneficiary, a trustee shall promptly furnish to a qual-

6       (c) Within a reasonable time after the date the trustee acquires knowledge of the cre-  
7 ation of an irrevocable trust, or the date the trustee acquires knowledge that a formerly  
8 revocable trust has become irrevocable, whether by the death of the settlor or otherwise, the  
9 trustee shall notify the qualified beneficiaries of the trust's existence, of the identity of the  
10 settlor or settlors, of the right to request a copy of the trust instrument and of the right  
11 to a trustee's report as provided in subsection (3) of this section.

12       (d) A trustee shall notify the qualified beneficiaries in advance of any change in the  
13 method or rate of the trustee's compensation.

14       (3) At least annually and upon termination of the trust, a trustee shall send a trustee  
15 report to the permissible distributees of trust income or principal and to other qualified  
16 beneficiaries who request the report. The report must include a listing of trust property and  
17 liabilities, and must show the market values of trust assets, if feasible. The report must re-  
18 flect all receipts and disbursements of the trust, including the source and amount of the  
19 trustee's compensation. Upon a vacancy in a trusteeship, unless a cotrustee remains in of-  
20 fice, a trustee report must be sent to the qualified beneficiaries by the former trustee. A  
21 personal representative, conservator or guardian may send the qualified beneficiaries a  
22 trustee report on behalf of a deceased or financially incapable trustee.

23       (4) A qualified beneficiary may waive the right to a trustee report or other information  
24 otherwise required to be furnished under this section. A qualified beneficiary may withdraw  
25 a waiver at any time for the purpose of future reports and other information.

26       (5) A trustee may charge a reasonable fee to a beneficiary for providing information un-  
27 der this section.

28       (6) A beneficiary's request for any information under this section must be with respect  
29 to a single trust that is sufficiently identified to enable the trustee to locate the trust's re-  
30 cords.

31       (7) If the trustee is bound by any confidentiality restrictions regarding a trust asset, any  
32 beneficiary eligible under this section to receive information about that asset must agree to  
33 be bound by the same confidentiality restrictions before receiving the information.

34       (8) Despite any other provision of this section, information, notice and reports required  
35 by this section shall be given only to the settlor's spouse if:

36       (a) The spouse survives the settlor;

37       (b) The spouse is financially capable;

38       (c) The spouse is the only permissible distributee of the trust; and

39       (d) All of the other qualified beneficiaries of the trust are descendants of the spouse.

40       (9) Despite any other provision of this section, while the settlor of a revocable trust is  
41 alive, beneficiaries other than the settlor have no right to receive notice, information or re-  
42 ports under this section.

43       **SECTION 72.** (1) Section 71 (2)(b) of this 2005 Act applies only to a trustee who accepts

5 cordance with the terms and purposes of the trust and the interests of the beneficiaries. The  
6 duty imposed by this subsection is not affected by the grant of discretion in the terms of the  
7 trust, even though the terms of the trust provide that the trustee has absolute, sole or un-  
8 controlled discretion or use other words purporting to convey broad discretion.

9 (2) Subject to subsection (4) of this section, and unless the terms of the trust expressly  
10 provide otherwise:

11 (a) A person other than a settlor who is a beneficiary and trustee of a trust that confers  
12 on the trustee a power to make discretionary distributions to or for the trustee's personal  
13 benefit may exercise the power only in accordance with an ascertainable standard; and

14 (b) A trustee may not exercise a power to make discretionary distributions to satisfy a  
15 legal obligation of support that the trustee personally owes another person.

16 (3) A power the exercise of which is limited or prohibited by subsection (2) of this section  
17 may be exercised by a majority of the remaining trustees whose exercise of the power is not  
18 so limited or prohibited. If the power of all trustees is so limited or prohibited, the court  
19 may appoint a special fiduciary with authority to exercise the power.

20 (4) Subsection (2) of this section does not apply to:

21 (a) A power held by the settlor's spouse who is the trustee of a trust for which a marital

33 over individually owned property;

34 (b) Any other powers appropriate to achieve the proper investment, management and  
35 distribution of the trust property; and

 42 the beneficiaries for a breach of trust, a trustee is entitled to contribution from the other  
 43 trustee or trustees. In determining the amount of contribution, the court shall consider the  
 44 degree of fault of each trustee and whether any trustee or trustees acted in bad faith or with  
 45 reckless indifference to the purposes of the trust or the interests of the beneficiaries. A

1 trustee who received a benefit from the breach of trust is not entitled to contribution from  
2 another trustee to the extent of the benefit received.

3 **SECTION 85. Damages in absence of breach [Uniform Trust Code Section 1003].** (1) Ex-  
4 cept as provided by ORS 709.175 or section 75 (4) and (15) of this 2005 Act or other law of this  
5 state, a trustee is accountable to an affected beneficiary for any profit made by the trustee  
6 arising from the administration of the trust, without regard to whether the profit resulted  
7 from a breach of trust.

8 (2) Unless there is a breach of trust, a trustee is not liable to a beneficiary for a loss or  
9 depreciation in the value of trust property or for not having made a profit.

10 **SECTION 86. Attorney fees and costs [Uniform Trust Code Section 1004].** In a judicial  
11 proceeding involving the validity or administration of a trust, the court may award costs and  
12 expenses and reasonable attorney's fees to any party, to be paid by another party or from  
13 the trust.

14 **SECTION 87. Limitation of action against trustee [Uniform Trust Code Section 1005].** (1)  
15 Notwithstanding ORS chapter 12 or any other provision of law, but subject to subsection (2)  
16 of this section, a civil action against a trustee based on any act or omission of the trustee,  
17 whether based in tort, contract or other theory of recovery, must be commenced within six  
18 years after the date the act or omission is discovered, or six years after the date the act or  
19 omission should have been discovered, whichever is later.

20 (2) A beneficiary may not commence a proceeding against a trustee more than one year  
21 after the date the beneficiary or a representative of the beneficiary is sent a report by cer-  
22 tified or regular mail that adequately discloses the existence of a potential claim and that  
23 informs the beneficiary of the time allowed for commencing a proceeding. A copy of this  
24 section must be attached to the report. The report must provide sufficient information so  
25 that the beneficiary or representative knows of the potential claim or should have inquired  
26 into its existence.

27 (3) If subsections (1) and (2) of this section do not apply, a judicial proceeding against a  
28 trustee must be commenced within 10 years from the date of the act or omission complained  
29 of, or two years from the termination of any fiduciary account established under the trust,  
30 whichever is later.

31 **SECTION 88. Reliance on trust instrument [Uniform Trust Code Section 1006].** A trustee  
32 who acts in reasonable reliance on the terms of the trust as expressed in the trust instru-  
33 ment is not liable to a beneficiary for a breach of trust to the extent the breach resulted  
34 from the reliance.

35 **SECTION 89. Event affecting administration or distribution [Uniform Trust Code Section**  
36 **1007].** If the administration or distribution of a trust is affected by the occurrence of a  
37 marriage, a divorce, a death, the performance of educational requirements or other event,  
38 a trustee is not liable for a loss resulting from the trustee's failure to determine whether  
39 the event has occurred if the trustee has exercised reasonable care in attempting to deter-  
40 mine whether the event has occurred.

41 **SECTION 90. Exculpation of trustee [Uniform Trust Code Section 1008].** (1) A term of a  
42 trust relieving a trustee of liability for breach of trust is unenforceable to the extent that  
43 the term:

44 (a) Relieves the trustee of liability for breach of trust committed in bad faith or with  
45 reckless indifference to the purposes of the trust or the interests of the beneficiaries; or

1 (b) Was inserted as the result of an abuse by the trustee of a fiduciary or confidential  
2 relationship to the settlor.

3 (2) An exculpatory term drafted or caused to be drafted by the trustee is invalid as an  
4 abuse of a fiduciary or confidential relationship unless:

5 (a) The settlor is represented by an independent counsel who reviewed the term; or

6 (b) The trustee proves that the exculpatory term is fair under the circumstances and  
7 that the term's existence and contents were adequately communicated to the settlor.

8 **SECTION 91. Beneficiary's consent, release or ratification [Uniform Trust Code Section**  
9 **1009].** If a beneficiary consents to conduct of a trustee that constitutes a breach of trust,  
10 releases a trustee from liability for a breach of trust or ratifies a transaction entered into  
11 by a trustee that constitutes a breach of trust, the trustee is not liable to a beneficiary for  
12 the breach of trust unless:

13 (1) The consent, release or ratification of the beneficiary was induced by improper con-  
14 duct of the trustee; or

15 (2) At the time of the consent, release or ratification, the beneficiary did not know of the  
16 beneficiary's rights or know of the material facts relating to the breach.

17 **SECTION 92. Limitation on personal liability of trustee [Uniform Trust Code Section**  
18 **1010].** (1) Except as otherwise provided in the contract, a trustee is not personally liable on  
19 a contract properly entered into in the trustee's fiduciary capacity in the course of admin-  
20 istering the trust if the trustee disclosed the trustee's fiduciary capacity in the contract.

21 (2) A trustee is personally liable for torts committed in the course of administering a  
22 trust or for obligations arising from ownership or control of trust property, including liability  
23 for violation of environmental law, only if the trustee is personally at fault.

24 (3) The following claims may be asserted in a judicial proceeding against the trustee in  
25 the trustee's fiduciary capacity, whether or not the trustee is personally liable for the claim:

26 (a) A claim based on a contract entered into by a trustee in the trustee's fiduciary ca-  
27 pacity.

28 (b) A claim based on an obligation arising from ownership or control of trust property.

29 (c) A claim based on a tort committed in the course of administering a trust.

30 (4) This section does not impose personal liability on a trustee solely because the trustee  
31 holds property under an instrument that shows title in the name of the trustee but does not  
32 state that the trustee holds the property in a representative capacity.

33 **SECTION 93. Interest as general partner [Uniform Trust Code Section 1011].** (1) Except  
34 as otherwise provided in subsection (3) of this section or unless personal liability is imposed  
35 in the contract, a trustee who holds an interest as a general partner in a general or limited  
36 partnership is not personally liable on a contract entered into by the partnership after the  
37 trust's acquisition of the interest if the trustee's fiduciary capacity is disclosed.

38 (2) Except as otherwise provided in subsection (3) of this section, a trustee who holds an  
39 interest as a general partner is not personally liable for torts committed by the partnership  
40 or for obligations arising from ownership or control of the interest unless the trustee is  
41 personally at fault.

42 (3) The immunity provided by this section does not apply if an interest in a partnership  
43 is held by the trustee in a capacity other than that of trustee.

44 (4) If the trustee of a revocable trust holds an interest as a general partner, the settlor  
45 is personally liable for contracts and other obligations of the partnership to the same extent

1 that the settlor would be liable if the settlor were a general partner.

2 **SECTION 94. Protection of person dealing with trustee [Uniform Trust Code Section**  
3 **1012].** (1) A person other than a beneficiary who in good faith assists a trustee, or who in  
4 good faith and for value deals with a trustee, is not liable for acts of the trustee that exceed  
5 the trustee's powers or for the improper exercise of the trustee's powers, unless the person  
6 knows that the trustee has exceeded the trustee's powers or improperly exercised those  
7 powers.

8 (2) A person other than a beneficiary who deals with a trustee in good faith is not re-  
9 quired to inquire about the extent of the trustee's powers or about the propriety of the  
10 trustee's exercise of those powers.

11 (3) A person who in good faith delivers assets to a trustee need not ensure that the as-  
12 sets are properly applied.

13 (4) Any person other than a beneficiary who in good faith assists a former trustee, or  
14 who in good faith and for value deals with a former trustee without knowledge that the  
15 trusteeship has terminated, is not liable solely because the former trustee is no longer a  
16 trustee.

17 (5) Comparable protective provisions of other laws relating to commercial transactions  
18 or transfer of securities by fiduciaries prevail over the protection provided by this section.

19 **SECTION 95. Certification of trust [Uniform Trust Code Section 1013].** (1) A person who  
20 is not a beneficiary and who proposes to deal with the trustee of a trust may require that  
21 all trustees execute and furnish to the person a certification of trust.

22 (2) The certification of trust shall contain the following information:

23 (a) That the trust exists and the date the trust instrument was executed;

24 (b) The identity of the settlor;

25 (c) The identity and address of the currently acting trustee;

26 (d) The powers of the trustee;

27 (e) The revocability or irrevocability of the trust and the identity of any person holding  
28 a power to revoke the trust;

29 (f) The existence or nonexistence of any power to modify or amend the trust and the  
30 identity of any person holding a power to modify or amend the trust;

31 (g) The authority of cotrustees to sign or otherwise authenticate and whether all  
32 cotrustees or fewer than all are required in order to exercise powers of the trustee;

33 (h) The trust's taxpayer identification number, whether the settlor's Social Security  
34 number or an employer identification number;

35 (i) The manner of taking title to trust property; and

36 (j) The state, country or other jurisdiction under the laws of which the trust was estab-  
37 lished.

38 (3) A certification of trust must be signed or otherwise authenticated by all the trustees.

39 (4) A certification of trust must state that the trust has not been revoked, modified or  
40 amended in any manner that would cause the representations contained in the certification  
41 of trust to be incorrect.

42 (5) A certification of trust need not contain the dispositive terms of a trust.

43 (6) A recipient of a certification of trust may not require the trustee to furnish the entire  
44 trust instrument, but may require the trustee to furnish copies of excerpts from the original  
45 trust instrument and later amendments that designate the trustee and confer upon the

1 trustee the power to act in the pending transaction.

2 (7) A person may require that the certification of trust:

3 (a) Include facts other than those listed in this section that are reasonably related to the  
4 administration of the trust;

5 (b) Be executed by one or more of the settlors;

6 (c) Be executed by one or more of the beneficiaries if the certification is reasonably re-  
7 lated to a pending or contemplated transaction with the person; and

8 (d) Be adapted to the person's own standard form, which may be incorporated in an ac-  
9 count signature agreement or other account document.

10 (8) A certification of trust may contain the identity of any successor trustee or trustees  
11 and the circumstances under which any successor trustee or trustees will assume trust  
12 powers.

13 (9)(a) A person who acts in reliance upon a certification of trust without actual knowl-  
14 edge that the representations contained in the certification are incorrect is not liable to any  
15 person for so acting and may assume without inquiry the existence of the facts contained in  
16 the certification. A person does not have actual knowledge that the representations con-  
17 tained in the certification are incorrect solely by reason of having a copy of all or part of the  
18 trust instrument.

19 (b) Any transaction, and any lien created by that transaction, is enforceable against a  
20 trust if the transaction is entered into by a person acting in reliance on a certification of  
21 trust containing the information set forth in this section without actual knowledge that the  
22 representations contained in the certification are incorrect.

23 (c) If a person has actual knowledge that the trustee or trustees are acting outside the  
24 scope of the trust, and the actual knowledge was acquired by the person before entering into  
25 the transaction or making a binding commitment to do so, the transaction is not enforceable  
26 against the trust.

27 (10) A person is not liable for acting in reliance on a certification of trust solely because  
28 the certification fails to contain all the information required in this section.

29 (11) This section does not limit the rights of the beneficiaries of the trust against a  
30 trustee.

31 (12) A person's failure to demand or refusal to accept and rely solely upon a certification  
32 of trust does not affect the protection provided the person by section 94 of this 2005 Act, and  
33 no inference as to whether the person has acted in good faith may be drawn from the failure  
34 to demand or the refusal to accept and rely solely upon a certification.

35 (13) This section applies to all trusts, whether established under the laws of this state  
36 or under the law of another state, country or other jurisdiction.

37  
38 **MISCELLANEOUS PROVISIONS**

11 (d) Any rule of construction or presumption provided in sections 1 to 95 of this 2005 Act  
12 applies to trust instruments executed before the effective date of this 2005 Act unless there  
13 is a clear indication of a contrary intent in the terms of the trust.

14 (e) An act or failure to act that occurred before the effective date of this 2005 Act is not  
15 subject to challenge under the provisions of sections 1 to 95 of this 2005 Act. Any act or  
16 failure to act that occurred before the effective date of this 2005 Act shall continue to be  
17 governed by the law in effect immediately before the effective date of this 2005 Act.

34 subsection (2) of this section, without regard to whether the claims are contingent, unliquidated or  
35 not yet due.

36 **SECTION 100.** ORS 128.258 is amended to read:

37 128.258. (1) At any time after the death of a [*grantor*] **settlor** of a nontestamentary trust de-  
38 scribed in ORS 128.256 (2), a trustee of the trust may petition the probate court to determine the

30 as requested by the trustee for the purpose of determining the claims against the trust estate. The  
31 trustee must thereafter cause to be delivered or mailed a notice containing the information required  
32 in subsection (2) of this section to each person known by the trustee to have or to assert a claim  
33 against the trust estate and to the Department of Human Services. Notice under this section is not

6 of the [grantor's] **settlor's** death, or if the claim is not presented within the time required by ORS  
7 128.256. If the judgment was a lien against the property of the trust estate on the date of the  
8 [grantor's] **settlor's** death, the judgment shall be treated as a claim on a debt due for which the  
9 creditor holds security. In all other respects, a claim that has been reduced to judgment shall have  
10 the same priority under ORS 128.290 as a claim that has not been reduced to judgment.

1 128.300. If the proceeding to determine claims against a deceased [*grantor*] **settlor** is pending  
 2 under ORS 128.256 to 128.300 at the same time as probate proceedings under ORS chapter 115, upon

 15 time after the trust was created and before the death of the grantor.]

16 **SECTION 109.** Section 110 of this 2005 Act is added to and made a part of ORS 128.370 to  
 17 128.397.

 26 **settlor's** divorce or the annulment of the [*grantor's*] **settlor's** marriage, after the trust instrument  
 27 is executed:

28 (a) Revokes all provisions of the trust in favor of the former spouse of the [*grantor*] **settlor**;

29 (b) Revokes all powers of appointment, general or nongeneral, in the trust exercisable by the  
 30 former spouse; and

31 (c) Revokes any provision in the trust naming the former spouse as trustee.

32 (2) Unless otherwise provided by the terms of the trust instrument, a trust shall be construed  
 33 as though the former spouse predeceased the [*grantor*] **settlor** if, after the trust instrument is exe-  
 34 cuted, the [*grantor*] **settlor** divorces the spouse or the marriage of the [*grantor*] **settlor** to the  
 35 spouse is annulled.

36 **SECTION 113.** ORS 128.385 is amended to read:

37 128.385. Unless otherwise provided by the terms of the trust instrument, when property is to be  
 38 distributed under the trust to any beneficiary who is related by blood or adoption to the [*grantor*]  
 39 **settlor**, and the beneficiary dies leaving lineal descendants either before the [*grantor*] **settlor** dies  
 40 or before the time set in the trust instrument for distribution, the descendants take by right of  
 41 representation the property the beneficiary would have taken if the beneficiary had not died. Unless  
 42 otherwise provided by the terms of the trust instrument, this section applies to a beneficiary who  
 43 is entitled to receive property under a class gift if the beneficiary dies after the trust instrument is  
 44 executed.

45 **SECTION 114.** ORS 128.388 is amended to read:

1 128.388. (1) As used in this section, “pretermitted child” means a child of a *[grantor]* **settlor**  
 2 who is born or adopted after the execution of the trust instrument, who is not provided for in the  
 3 trust or mentioned in the trust instrument and who survives the *[grantor]* **settlor**.

4 (2) If a *[grantor]* **settlor** has one or more children living when the *[grantor]* **settlor** executes a  
 5 trust instrument and no provision is made in the trust for any of those children, a pretermitted child  
 6 is not entitled to any share of the trust estate.

7 (3) If a *[grantor]* **settlor** has one or more children living when the *[grantor]* **settlor** executes a  
 8 trust instrument and provision is made in the trust for any of those children, a pretermitted child  
 9 is entitled to share in the trust estate as follows:

10 (a) The pretermitted child may share only in the portion of the trust estate intended to benefit  
 11 living children.

12 (b) The share of each pretermitted child is equal to the total value of the portion of the trust  
 13 estate intended to benefit the living children divided by the number of pretermitted children plus the  
 14 number of living children for whom provision, other than nominal provision, is made in the trust.

15 (c) To the extent possible, the interest of each pretermitted child in the trust estate shall be of  
 16 the same character, whether equitable or legal, as the interest the *[grantor]* **settlor** gave to the  
 17 living children under the trust.

18 (4) If a *[grantor]* **settlor** has no child living when the *[grantor]* **settlor** executes a trust instru-  
 19 ment, a pretermitted child is entitled to a share of the trust estate as though the *[grantor]* **settlor**  
 20 had died intestate and had not executed the trust instrument.

21 (5) A pretermitted child may recover the share of the trust estate to which the child is entitled  
 22 as follows:

23 (a) If the pretermitted child is entitled to a share of the trust estate under subsection (3) of this  
 24 section, the share must be recovered from the other children.

25 (b) If the pretermitted child is entitled to a share of the trust estate under subsection (4) of this  
 26 section, the share must be recovered from the beneficiaries on a pro rata basis, out of the portions  
 27 of the trust estate passing to those persons under the trust.

28 (c) In reducing the shares of the beneficiaries under this subsection, the character of the dis-  
 29 positive plan adopted by the *[grantor]* **settlor** in the trust must be preserved to the extent possible.

30 **SECTION 115.** ORS 128.390 is amended to read:

31 128.390. (1) Subject to this section, a specific distribution does not fail by reason of the de-  
 32 struction, damage, sale, condemnation or change in form of the property that is the subject of the  
 33 specific distribution unless:

34 (a) The trust instrument provides that the specific distribution fails under the particular cir-  
 35 cumstances; or

36 (b) The *[grantor]* **settlor**, during the lifetime of the *[grantor]* **settlor**, or the trustee gives prop-  
 37 erty to the beneficiary of the specific distribution with the intent of satisfying the specific distrib-  
 38 ution.

39 (2) If part of the property that is the subject of a specific distribution is destroyed, damaged, sold  
 40 or condemned, the remaining interest in the property passes pursuant to the specific distribution.  
 41 The part of the property that is destroyed, damaged, sold or condemned is subject to subsections (3)  
 42 to (6) of this section if the property would have been adeemed under the common law.

43 (3) If property that is the subject of a specific distribution is insured and the property is de-  
 44 stroyed or damaged, the beneficiary of the specific distribution is entitled to receive the following  
 45 amounts, less any amount expended or incurred by the *[grantor]* **settlor** or trust estate in restora-

1 tion or repair of the property:

2 (a) Any insurance proceeds for the destroyed or damaged property unpaid at the time set in the  
3 trust instrument for the specific distribution; and

4 (b) An amount equal to all insurance payments paid to the [grantor] **settlor**, and such proceeds  
5 or awards paid to the trustee for the destroyed or damaged property, during the six-month period  
6 immediately preceding the time set in the trust instrument for the specific distribution.

7 (4) If property that is the subject of a specific distribution is sold by the [grantor] **settlor** or the  
8 trustee, the beneficiary of the specific distribution is entitled to receive:

9 (a) Any balance of the purchase price unpaid at the time set in the trust instrument for the  
10 specific distribution, including any security interest in the property and interest accruing before the  
11 time set in the trust instrument for the specific distribution; and

12 (b) An amount equal to all payments paid to the [grantor] **settlor** or the trustee for the property  
13 during the six-month period immediately preceding the time set in the trust instrument for the spe-  
14 cific distribution. Acceptance of a promissory note of the purchaser or a third party is not consid-  
15 ered payment under this paragraph, but payment on the note is payment on the purchase price.

16 (5) If property that is the subject of a specific distribution is taken by condemnation before the  
17 time set in the trust instrument for the specific distribution, the beneficiary of the specific distrib-  
18 ution is entitled to receive:

19 (a) Any amount of the condemnation award unpaid at the time set in the trust instrument for  
20 the specific distribution; and

21 (b) An amount equal to the sums paid under the condemnation award to the [grantor] **settlor**  
22 or the trustee during the six-month period immediately preceding the time set in the trust instru-  
23 ment for the specific distribution.

24 (6) If securities as defined in ORS 59.015 are the subject of a specific distribution, and after the  
25 execution of the trust other securities of the same or another entity are distributed to the trustee  
26 or trust estate by reason of a partial liquidation, stock dividend, stock split, merger, consolidation,  
27 reorganization, recapitalization, redemption, exchange or any other similar transaction, the specific  
28 distribution includes the additional or substituted securities.

29 (7) The amount that a beneficiary of a specific distribution receives under this section must be  
30 reduced by any expenses of the sale or of the collection of the proceeds of insurance, sale or con-  
31 demnation award and by any amount by which income is increased by reasons of items provided for  
32 in this section. Expenses subject to this subsection include attorney fees.

33 **SECTION 116.** ORS 128.395 is amended to read:

34 128.395. Property that the [grantor] **settlor** gives during the [grantor's] **settlor's** lifetime to a  
35 beneficiary of the trust is an advancement against the beneficiary's share of the trust only if either  
36 the [grantor] **settlor** makes a written statement that the property constitutes an advancement or the  
37 beneficiary makes a written statement acknowledging that the property constitutes an advancement.  
38 For purposes of applying the property against the beneficiary's share of the trust, the property must  
39 be valued as of the time the beneficiary takes possession or enjoyment of the property, or as of the  
40 time of death of the [grantor] **settlor**, whichever occurs first.

41 **SECTION 117.** ORS 128.397 is amended to read:

42 128.397. (1) If the value of an advancement made to a beneficiary under ORS 128.395 exceeds the  
43 beneficiary's share in the trust estate, the beneficiary shall be excluded from any further share of  
44 the trust estate, but the beneficiary is not required to refund any part of the advancement. If the  
45 value of the beneficiary's share in the trust estate is greater than the value of all property received

1 as advancements, the beneficiary is entitled to receive from the trust estate the balance of the share  
2 owing to the beneficiary after deducting all amounts received as advancements.

3 (2) For the purpose of determining the shares of the beneficiaries of either a residuary gift or  
4 a class gift under a trust, the value of all advancements made by the [grantor] settlor to benefi-  
5 cialaries of such gift shall be added to the value of the total property distributed pursuant to the gift,  
6 the sum then divided among all beneficiaries of the gift, and the value of the advancement then de-  
7 ducted from the share of the beneficiary to whom the advancement was made.

8 **SECTION 118.** ORS 128.398 is amended to read:

9 128.398. (1) As used in this section:

10 (a) "Marital deduction" means the federal estate tax deduction allowed for transfers under sec-  
11 tion 2056 of the Internal Revenue Code, as in effect on May 24, 2003, or the federal gift tax de-  
12 duction allowed for transfers under section 2523 of the Internal Revenue Code, as in effect on May  
13 24, 2003.

14 (b) "Marital deduction gift" means a transfer of property that the [grantor] settlor intended to  
15 qualify for the marital deduction.

16 [(c) "Trust" means a trust as defined ORS 128.005.]

17 (2) If a trust contains a marital deduction gift:

18 (a) The provisions of the trust, including any power, duty or discretionary authority given to a  
19 fiduciary, must be construed as necessary to comply with the marital deduction provisions of the  
20 Internal Revenue Code.

21 (b) The fiduciary may not take any action or have any power that impairs the tax deduction for  
22 the marital deduction gift.

23 (c) The marital deduction gift may be satisfied only with property that qualifies for the tax de-  
24 duction.

25 (3) If a trust executed before September 12, 1981, indicates the [grantor] settlor intended that  
26 a gift provide the maximum allowable marital deduction, the trust gives the recipient an amount  
27 equal to the maximum amount of the marital deduction that would have been allowed as of the date  
28 of the gift under federal law as it existed before September 12, 1981, with adjustments for:

29 (a) The provisions of section 2056(c)(1)(B) and (C) of the Internal Revenue Code in effect imme-  
30 diately before September 12, 1981.

31 (b) Reduction of the amount passing under the gift by the final federal estate tax values of any  
32 other property that passes under the trust, or by other means, that qualifies for the marital de-  
33 duction. This paragraph does not apply to qualified terminable interest property under section  
34 2056(b)(7) of the Internal Revenue Code, as in effect on May 24, 2003.

35 (4) If a marital deduction gift is made in trust:

36 (a) The [grantor's] settlor's spouse is the only beneficiary of income or principal of the marital  
37 deduction property as long as the spouse lives. Nothing in this paragraph prevents exercise by the  
38 [grantor's] settlor's spouse of a power of appointment included in a trust that qualifies as a general  
39 power of appointment marital deduction trust.

40 (b) Subject to paragraph (d) of this subsection, the [grantor's] settlor's spouse is entitled to all  
41 of the income of the marital deduction property at least once a year, as long as the spouse is alive.

42 (c) The [grantor's] settlor's spouse has the right to require that the trustee of the trust make  
43 unproductive marital deduction property productive or convert it into productive property within a  
44 reasonable time.

45 (d) Notwithstanding any provision of ORS 129.005 to 129.125, upon the death of the [grantor's]

1 **settlor's** spouse all remaining accrued or undistributed income from qualified terminable interest  
2 property under sections 2056(b)(7) or 2523(f) of the Internal Revenue Code, as in effect on May 24,  
3 2003, passes to the estate of the [*grantor's*] **settlor's** spouse, unless the trust provides a different  
4 disposition that qualifies for the marital deduction.

5 (5)(a) Except as provided in paragraph (b) of this subsection, if a trust that makes a marital  
6 deduction gift includes a requirement that the [*grantor's*] **settlor's** spouse survive the [*grantor*]  
7 **settlor** by a period of more than six months, or contains provisions that could result in a loss of the  
8 spouse's interest in the trust if the spouse fails to survive the [*grantor*] **settlor** by at least six  
9 months, the spouse need only survive the [*grantor*] **settlor** by six months to receive the marital de-  
10 duction gift.

11 (b) If a trust that makes a marital deduction gift includes a requirement that the [*grantor's*]  
12 **settlor's** spouse survive a common disaster that results in the death of the [*grantor*] **settlor**, the  
13 spouse need only survive until the final audit of the federal estate tax return for the [*grantor's*]  
14 **settlor's** estate, if any, to receive the marital deduction gift.

15 (6) A trustee is not liable for a good faith decision whether to make any election referred to in  
16 sections 2056(b)(7) or 2523(f) of the Internal Revenue Code, as in effect on May 24, 2003.

17 (7) Subsections (4) and (6) of this section do not apply to a trust that qualifies for the marital  
18 deduction under section 20.2056(e)-2(b) of the Code of Federal Regulations, as in effect on May 24,  
19 2003.

20 **SECTION 119.** ORS 129.220 is amended to read:

21 129.220. (1) The court may not order a fiduciary to change a decision to exercise or not to ex-  
22 ercise a discretionary power conferred by this chapter unless it determines that the decision was  
23 an abuse of the fiduciary's discretion. A fiduciary's decision is not an abuse of discretion merely  
24 because the court would have exercised the power in a different manner or would not have exer-  
25 cised the power.

26 (2) The decisions to which subsection (1) of this section applies include:

27 (a) A decision under ORS 129.215 (1) as to whether and to what extent an amount should be  
28 transferred from principal to income or from income to principal.

29 (b) A decision regarding the factors that are relevant to the trust and its beneficiaries, the ex-  
30 tent to which the factors are relevant and the weight, if any, to be given to those factors in deciding  
31 whether and to what extent to exercise the discretionary power conferred by ORS 129.215 (1).

32 (3) If the court determines that a fiduciary has abused the fiduciary's discretion, the court may  
33 place the income and remainder beneficiaries in the positions they would have occupied if the dis-  
34 cretion had not been abused, according to the following rules:

35 (a) To the extent that the abuse of discretion has resulted in no distribution to a beneficiary  
36 or in a distribution that is too small, the court shall order the fiduciary to distribute from the trust  
37 to the beneficiary an amount that the court determines will restore the beneficiary, in whole or in  
38 part, to the beneficiary's appropriate position.

39 (b) To the extent that the abuse of discretion has resulted in a distribution to a beneficiary that  
40 is too large, the court shall place the beneficiaries, the trust, or both, in whole or in part, in their  
41 appropriate positions by ordering the fiduciary to withhold an amount from one or more future dis-  
42 tributions to the beneficiary who received the distribution that was too large or ordering that ben-  
43 eficiary to return some or all of the distribution to the trust.

44 (c) To the extent that the court is unable, after applying paragraphs (a) and (b) of this sub-  
45 section, to place the beneficiaries, the trust, or both, in the positions they would have occupied if

1 the discretion had not been abused, the court may order the fiduciary to pay an appropriate amount  
2 from its own funds to one or more of the beneficiaries or the trust or both.

3 (4) Upon petition by the fiduciary for instructions [*under ORS 128.135 (2)(c)*], the court having  
4 jurisdiction over a trust or estate may instruct the fiduciary on whether a proposed exercise or  
5 nonexercise by the fiduciary of a discretionary power conferred by this chapter will result in an  
6 abuse of the fiduciary's discretion. If the petition describes the proposed exercise or nonexercise of  
7 the power and contains sufficient information to inform the beneficiaries of the reasons for the  
8 proposal, the facts upon which the fiduciary relies and an explanation of how the income and re-  
9 mainder beneficiaries will be affected by the proposed exercise or nonexercise of the power, a ben-  
10 eficiary who challenges the proposed exercise or nonexercise has the burden of establishing that it  
11 will result in an abuse of discretion.

12 **SECTION 120.** ORS 129.225 is amended to read:

13 129.225. (1) As used in this section, "beneficiary" means a person who has an interest in the  
14 trust to be converted and who has the legal capacity to take all actions authorized under this sec-  
15 tion.

16 (2)(a) Unless expressly prohibited by the terms of the trust, a trustee may release the power to  
17 make adjustments under ORS 129.215 (1) and convert a trust into a unitrust if the trustee determines  
18 that the conversion will enable the trustee to carry out more accurately the intent of the settlor  
19 and the purposes of the trust and that operation of the trust as a unitrust is consistent with the  
20 duties of the trustee under ORS 129.210 (2).

21 (b) Not less than 60 days before making a conversion under this section, a trustee must give  
22 written notice to all beneficiaries who either are eligible to receive income from the trust at the  
23 time the notice is given, or who would receive a distribution of principal if the trust were to ter-  
24 minate immediately before the notice is given and no power of appointment was exercised. The no-  
25 tice must indicate that the trustee intends to release the power to adjust and to convert the trust  
26 into a unitrust, must describe how the unitrust will operate and must include a description of the  
27 initial decisions the trustee will make under this section.

28 (c) A trustee may not convert a trust to a unitrust under this section if any beneficiary objects  
29 to the conversion to a unitrust in a writing delivered to the trustee within 60 days after notice is  
30 given under this subsection.

31 (3) The trustee or any beneficiary may file a petition [*pursuant to ORS 128.135 (2)(e)*] to seek  
32 issuance of a court order directing conversion of a trust to a unitrust. The court shall order the  
33 requested conversion if the court concludes that the conversion will enable the trustee to carry out  
34 more accurately the intent of the settlor and the purposes of the trust, and that operation of the  
35 trust as a unitrust is consistent with the duties of the trustee under ORS 129.210 (2).

36 (4) After a trust is converted to a unitrust under this section, all of the following apply:

37 (a) The trustee must invest and manage trust assets as a prudent investor, and must follow an  
38 investment policy seeking a total return for trust investments, whether that return is derived from  
39 appreciation of principal or from earnings and distributions from principal.

40 (b) The trustee must make regular distributions in accordance with the terms of the trust. All  
41 provisions of the trust relating to distribution of income shall be construed to refer to an annual  
42 unitrust distribution equal to four percent of the fair market value of trust assets, averaged over the  
43 lesser of the three preceding calendar years or the period during which the trust has been in ex-  
44 istence.

45 (c) In calculating the unitrust distribution, the trustee shall use the value of trust assets on the

1 first business day of each calendar year for purposes of determining average value. The trustee may,  
2 in the trustee's discretion, determine the manner in which the unitrust distribution will be prorated  
3 for a year in which a beneficiary's right to payments begins or ends, the effect on trust asset valu-  
4 ation of other payments from or contributions to the trust, whether to estimate the value of non-  
5 liquid assets, whether to omit from the calculations trust property occupied or possessed by a  
6 beneficiary and any other matters necessary for the proper administration of the unitrust.

7 (d) Expenses that would be deducted from income under this chapter if the trust was not a  
8 unitrust shall not be deducted from the unitrust distribution.

9 (e) Unless otherwise provided by the terms of the trust, the unitrust distribution must be paid  
10 first from net income, as that amount would be determined if the trust were not a unitrust. To the  
11 extent that net income is insufficient, the unitrust distribution shall be paid first from net realized  
12 short-term capital gains, then from net realized long-term capital gains and finally from trust prin-  
13 cipal.

14 (f) Conversion to a unitrust does not affect any provision in the terms of the trust directing or  
15 authorizing a trustee to distribute trust principal or authorizing a beneficiary to withdraw a portion  
16 or all of the principal.

17 (5) The trustee or any beneficiary may file a petition [*pursuant to ORS 128.135 (2)(e)*] to seek  
18 issuance of a court order directing any of the following:

19 (a) The distribution of net income, as that amount would be determined if the trust were not a  
20 unitrust, in excess of the unitrust distribution, if the excess distribution is necessary to preserve a  
21 tax benefit.

22 (b) The selection of a period other than three years for purposes of calculating average trust  
23 asset values.

24 (c) Reconversion from a unitrust. If a reconversion is ordered, the power to make adjustments  
25 under ORS 129.215 (1) is revived.

26 (6) A trustee does not have and may not exercise any power under this section in any of the  
27 following circumstances:

28 (a) The unitrust distribution would be made from any amount that is permanently set aside for  
29 charitable purposes under the terms of the trust and for which a charitable deduction from federal  
30 gift, estate or income taxes has been taken.

31 (b) The possession or exercise of the power would cause an individual to be treated as the owner  
32 of all or part of the trust for federal income tax purposes and the individual would not be treated  
33 as an owner if the trustee did not possess or exercise the power.

34 (c) The possession or exercise of the power would cause all or any part of the trust assets to  
35 be subject to any federal gift or estate tax with respect to an individual and the trust assets would  
36 not be subject to that taxation if the trustee did not possess or exercise the power.

37 (d) The possession or exercise of the power would result in the disallowance of a marital de-  
38 duction from federal estate or gift tax that would be allowed if the trustee did not possess or exer-  
39 cise the power.

40 (e) The trustee is a beneficiary of the trust.

41 (7) If subsection (6) of this section applies to a trustee and there is more than one trustee, a  
42 cotrustee to whom subsection (6) of this section does not apply may possess and exercise the powers  
43 under this section unless the possession or exercise of those powers is not permitted by the terms  
44 of the trust. If subsection (6) of this section restricts all trustees from possessing or exercising a  
45 power under this section, a trustee may file a petition [*pursuant to ORS 128.135 to*] **requesting that**

1 **the court** order the requested action.

2 **SECTION 121.** ORS 128.280 is amended to read:

3 128.280. (1) The trustee may compromise a claim against the trust estate.

4 (2) A claim presented to a trustee under ORS 128.256 to 128.300 shall be considered allowed as  
5 presented unless within 60 days after the date of presentment of the claim the trustee mails or de-  
6 livers a notice of disallowance of the claim in whole or in part to the claimant and to the attorney  
7 of the claimant if the claimant has an attorney.

8 (3) A notice of disallowance of a claim shall inform the claimant that the claim has been disal-  
9 lowed in whole or in part and, to the extent disallowed, will be barred unless the claimant requests  
10 a summary determination or brings an action in the manner provided by subsection (4) of this sec-  
11 tion.

12 (4) If a trustee disallows a claim submitted under ORS 128.256 to 128.300 in whole or in part,  
13 the claimant, within 30 days after the date of mailing or delivery of the notice of disallowance, may:

14 (a) File a request for summary determination of the claim in the probate court, with proof of  
15 service of a copy of the request upon the trustee or the attorney of the trustee; or

16 (b) Commence a separate action against the trustee on the claim in the circuit court.

17 (5) If the claimant fails either to request a summary determination or commence a separate  
18 action as provided in subsection (4) of this section, the claim is barred to the extent the claim has  
19 been disallowed by the trustee.

20 (6) If a claimant prevails in a proceeding or action under subsection (4) of this section, the claim  
21 shall be allowed or judgment entered in the full amount determined to be due to the claimant. The  
22 claim or judgment shall be paid from the assets of the trust estate only to the extent that funds are  
23 available after payment of other claims with higher priority under ORS 128.290.

24 (7) If the claimant files a request for summary determination of a claim under subsection (4) of  
25 this section, the trustee may notify the claimant in writing that the claimant must commence a  
26 separate action against the trustee on the claim within 60 days after the claimant receives the no-  
27 tice. Notice under this subsection must be given by the trustee within 30 days after the request for  
28 summary determination is served on the trustee or the attorney of the trustee. If the claimant fails  
29 to commence a separate action within the time allowed, the claim is barred to the extent the claim  
30 has been disallowed by the trustee.

31 (8) In a proceeding for summary determination under this section:

32 (a) The trustee shall make response to the claim as though the claim were a complaint filed in  
33 an action.

34 (b) The court shall hear the matter without a jury, after notice to the claimant and trustee. The  
35 court shall determine the claim in a summary manner, and shall make an order allowing or disal-  
36 lowing the claim in whole or in part.

37 (c) No appeal may be taken from the order of the court made in a proceeding for summary de-  
38 termination under this section.

12 chargeable against principal under ORS chapter 129 or of other expenses necessarily incurred in the  
13 administration of the trust in accordance with subsection (1) of this section shall not constitute a  
14 voluntary reduction of principal. The net income earned shall be used solely for the general care  
15 and maintenance of the cemetery property entitled to endowment care, as stipulated in the resol-  
16 ution, bylaw and other action or instrument by which the fund was established, and in such manner
